(Our Lord) "I want you to fulfill everything that My Mother and I have told you and asked until now..."

(Mark) "Yes, yes Lord! I will do whatever You want of me... What does Your Majesty want from this people who are here today?"

(Our Lord) "I want you to give Me your voice, so that I can speak to My beloved people. Come! Speak!..."
'My Host'! (Note -Mark: here Our Lord refers to me... He always calls me His Host, due to the fact that I was chosen to be a 'victim soul' who must atone with Them for the sins of the world) Speak to My children and offer them these

My Most Powerful and Everlasting Heart Will Triumph!
My Eternal and Merciful Heart Will Triumph!
My Sorrowful Heart Crowned with Thorns Will Triumph!
My Mighty Arm, at the moment determined by the Father, will crush Satan, his followers and all those who serve him in this world... He will put his Kingdom in ruins, as if by magic, as if by magic, he will see himself, in a from time to time, with nothing, without the power he holds as the sure winner over the world...
Oh My children! My Sacred Heart has never expanded so much in the world as here!... My Mercy here, falls on you like rain... Wash your souls... Purify them from all evil and give you the Life of My Grace; the Life of My Love; the Life of My Mercy!...

I want the first Sunday after Easter to be celebrated as the Feast of My Mercy, as I asked you through My Daughter, Faustina Kowalska... I also want you to spend the whole of Holy Week in prayer and meditation on My torments and from the torments of My Mother... On Good Friday, I wish you fasting with love... I also wish you silence, so that you can contemplate with My Mother, who could not say a word, overcome with pain that was feet of My Cross... So that, with Her, you can meditate on every Pain, on every torment of My Most Holy Body...
O My children! This is what I want from you:
HOLINESS! HOLINESS! HOLINESS! LOVE! Love is love!...
I am tired of My children wanting to serve Me and the world... I want Holiness! You lack Holiness! You lack the decision for Me and for My Mother! And that is why the Heart of My Sacrosanct Father is so sad... Because there is no decision for you... There is no Holiness...

Hear me! Listen to My Mother!... Because when She asks you in My Name, it's because I want you, through My Mother's Mercy, Love and Mediation, to reach the Graces necessary to serve Me with Love, Faith and Fidelity...

Continue to pray for My Pope John Paul II, for he is My Vicar on Earth*... All the prayers you make for Him will be rewarded by Me, when your hour of death arrives... I promise you that !...
I also want you to listen to My Mother, who speaks to you through Our chosen servants, Our seers, Our Privileged Souls, Our Prophets, spread throughout the world, and mainly, through this Our little son who is here, and who for more than 10 years it has faithfully transmitted to you all Our wishes...
Just as whoever listens to Me, listens to the Father... Whoever listens to My Mother, listens to Me!... and whoever listens to Marcos Tadeu, listens to My Mother!.. Whoever does not listen to him, will not listen to My Mother, will not listen to Me will listen, and will not listen to My Father... I want you to listen to the Messages we give you here in Jacareí!... And the last lifeline I give you and the last anchor I cast... After this, no more I will give these Messages to the world... After this Apparition (of Jacareí), there will be no more...
Therefore, My children, your time is running out! There are few, few stitches, few grains of sand left to run out of time!... Be swift as a tiger!... Be agile as an eagle and advance on the path of your conversion, or else you will perish! Cling to My Mother!... Do not let Her Rosary fall from your souls! Cling to My Mother's Rosary! Pray it piously, faithfully every day, and I promise that I will give you the necessary graces to remain faithful to Me and reach salvation...

I also want you to read My requests that I made to My daughter Margarida Maria Alacoque, Sister Josefa Menendez, Sister Faustina and Soror Maria de Ágreda...

My children, if you do all this, My Heart will triumph...
I bless everyone, everyone who is taking My Mother's Books of Life, 'Mystical City of GOD', to their homes!
I bless you now with all the Graces of My Sacred Heart..."
(Mark) "Lord Jesus, this little worm of yours, this vilest, poorest and most miserable slave of yours, asks you: bless the sick, and those who came here with their hearts farthest from you... that they may know your love and Your Mercy!... Convert sinners, especially atheists; convert those who are bound to vices; may our souls live night and day at Your Feet, dying of love for You, adoring and loving You, through Your Most Holy Mother ..."
(Our Lord) "So be it, My child! I bless you in the Name of the Father. of the Son and of the Holy Spirit..."

(Mark) "Amen!... Do Your Majesties want anything else from me today?"
(Our Lady) "Yes! We want to tell you that tomorrow, and on every first Sunday of the month, from now on, you will see My Most Chaste Spouse Saint Joseph and you will receive a Message from Him!..."

(Mark) "Saint Joseph?"

(Our Lady) "Yes! Expect us at the same time tomorrow."

(Report - Marcos) Then, they slowly ascended to Heaven until they disappeared in the immense distance of the sky.

*Note: What Our Lord said in this message refers exclusively to the Pope at the time, John Paul II. This comment does not apply to more current popes.

Day 08/04/2001 - Apparition at the Sacred Fountain of São José in the Sanctuary of the Apparitions of Jacareí
Message from Our Lady

"Write: The world does not know the Power of the intercession of the Most Loving Heart of Saint Joseph, My Most Chaste and Virginal Spouse... If the world knew how great His Power is with My Divine Son and Me, it would never forget Him. ...
The Loving Heart of Saint Joseph must be loved, known and imitated by all men on earth... Humanity will not find the Peace and Mercy of GOD until

turn with confidence and love to the Sweet and Most Just, the Most Loving Heart of Saint Joseph... Since My first Messages here in Jacareí, I have always asked that My children have a True and solid Devotion to My Spouse Saint Joseph, because whoever love him, love Me; whoever imitates Him, imitates Me; whoever follows his example follows mine...
Imitate the purity of Saint Joseph; His fruitful and prayerful silence; his meekness and conformity to the Holy Will of God; His boundless and unreserved obedience to the Lord; His Love blazed by GOD and by His and My Divine Son Jesus Christ; His Docility and increasing correspondence to the desires and influxes of the Divine Holy Spirit...
There was not and never will be a man so happy and deserving of such an outstanding Grace, as that of being the Nurturing Father of the Son, than My Beloved Husband Saint Joseph...
Worship him by My side! Come always here to His Fountain to pray, talk and spend hours with Him in sweet prayer...
Here, great things will happen to souls; and the future of many Nations, things and people, will be decided and shown here, in this Most Holy Fountain...
Come here and My Most Chaste Spouse will teach you to Love Jesus, Me and the Most High Lord, as He loved..."

Message from Saint Joseph

"Son! Warn the world that My Most Loving Heart is burning with Love for it, and I can no longer keep the Fire of My Holy Love within Me... With a 'violent force' He runs in search of you and comes to the your meeting... Do not deny receiving the Fire of My Love in you, for He wants to consume your carnal attachments, your worldly attachments, your defects, your faults and your coldness; and make you burn and burn eternally with Love and fidelity for My Divine Adoptive Son and Our Majesty, Our Lord Jesus Christ, and through Your Most Holy Mother and My Most Pure Spouse, Most Holy Mary, the Sovereign of all the Created...
My Most Loving Heart Loves you immensely, and wants, in these times of lack of love and faith, to be for you the 'burning furnace of Charity and Love' towards GOD, towards My Most Sweet Queen, Mary, and towards the Holy Church...

My Most Loving Heart loves you immensely, and wants, in these times and in this world, where the lack of love reigns among men, people, families and even within the Holy Church, to be for you the Fire and the incandescent Furnace of Love. and True Charity, to help them Love, serve and above all plant and live Peace with everyone, for Love of the Lord GOD...
My Most Loving Heart Loves you immensely and wants to help you, console you and pour balm on your wounds acquired in your struggles in this world without GOD and without Love, where you are so often wronged, humiliated and despised and, in this way, you become you in need of Grace, Love and Divine Affection, so that you can continue your mission as true Apostles of the Last Times and propagators of the Holy Truth of the Word of GOD and, thus, do not lose heart in the middle of the way...
My Most Loving Heart Loves you immensely and wants to take you to a very high degree of Holiness and Love for GOD, for My Divine Queen, Mary; for the Holy Catholic Church, for the Most Holy Eucharist and for all the Sacraments and Mysteries of the Catholic Christian Faith...
My Most Loving Heart is here night and day and, in this Most Blessed Fountain, I pour out all the Graces that the Holy Trinity deposited in Him and I give them generously and abundantly to all the souls who come here to seek Me with love, piety, trust and humility. .

Son, the devil was greatly humiliated yesterday (Obs.: 04/07/2001) when you spoke to the people gathered here and, above all, for having led so many souls to know the Excelle and Holy Life of Our Queen, Mary... are already beginning to truly love Her and the power of Satan has begun to break down in many souls...
You must be happy about that... But beware, and be warned that his hatred for you has multiplied and that he will try to destroy you for it; but you must not fear anything, because We will always be by your side, dear child...
My Most Loving Heart will always be your refuge, support, shield and protection, and therefore you must be strong and courageous and always go forward, fearing nothing and no one.

I prepare your place and the place of all those who fight and work with you to spread Our requests to the World, every day in Heaven, and what an eagerness I have to see them and have them here by My side!.. .
Go ahead, beloved, and of My children, the most Beloved, and continue to do everything you have been ordered... Give the Flame of Love of My Most Loving Heart to the world, and

I will make you brighter than the Sun in Heaven, one day, by the Virtue that the Most High Lord has given Me and that thus disposes and governs everything...

I bless you now..."

Day 09/04/2001 - Message from Our Lady

(Report - Marcos) On this day, Our Lady appeared and asked me to raise my Book of Her Messages and Apparitions from Jacareí to Her, because she wanted to kiss it. I did as she asked me and then said to me:
(Our Lady) "Tell all My children that this Book is Holy and that all those who have it, read it and live it, will be blessed and will have a Light, a Shine stronger than the sun itself, in the Glory of Sky...
Those who have Him can be sure that they read and hear the 'living appeal', the Maternal Supplication of the Own Mother of GOD who appeared in Jacareí, to save all Her beloved children...
Those who read and live this Book will surely be saved; surely... Will be saved...

I want all My children to go to My Fountain, drink and wash in it..."

Day 04/10/2001 - Message from Our Lady

(Report - Marcos) Our Lady appears, with a slightly purple dress and a slightly black mantle. Her face was full of sadness. Her Voice filled with bitterness, she said:

(Our Lady) "Meditate during these days on My Maternal Sorrows together with My Divine Son in His Passion... How many are those who forget and despise "Our" Sufferings, and do not pay any attention to them...
My son, if the people do not want to convert, a very great punishment will come to the world, and in this punishment, which will make the whole world suffer, Satan will be released with the demons and they will take living people to hell, especially the worst ones. , perverse and obstinate in sin...

Pray My son, and tell everyone to do the same, because it will be horrible to have to go with the devil... Horrible!!!"

Day 11/04/2001 - Revelation of the Fourth Secret Pain of Our Lady Message from Our Lady

"I want you to write down everything that I am going to tell you: One day, when My Divine Son Jesus Christ was playing, near the door of Our house in Nazareth, I saw him suddenly disfigured and bathed in Blood, crowned with thorns and full of sputum... I understood, so, by the special Light and Virtue of the Most High, the Most Holy Mysteries of the Passion and Death of my Divine Son and, again, I said My 'Yes' to the Lord, to accept the suffering of my Son and to suffer together with Him all that the Lord of Us wanted...
At that moment, Simeon's words came back to my memory, and the Pain of that moment was renewed in Me like a devouring Fire... However, I offered myself as a locust with My Divine Son, for the just reparation of the Lord. and for the salvation of the world...
My child, I will grant everything that is asked of Me through this Secret Pain, if your children honor Me for Her and do not forget her...
Son, tell everyone to venerate these My Secret Sorrows, and I will help them in all their needs..."

(Marcos) "Yes, Madam! I will make everyone know and worship this great r!"

Day 12/04/2001 - Holy Thursday - Message from Our Lady

"You will never be able to thank God enough for having instituted the Most Holy Eucharist on today's day...
Yea! At that moment, the Most Sacred Heart of My Divine Son expanded in love and Mercy and granted them the Greatest Gift that He could give them: Himself, under the appearance of bread and wine... Although at the time of the Consecration the appearance of the bread and wine remains, it is only accidental, for their substance is totally transformed into the Substance of the Body and Blood of My Divine Son Jesus Christ...

This Mystery alone puts all the Angels and Saints of Heaven in ecstasy and alone fills Heaven with Glory and Joy...
This Sacrament is so High that Holy Supper alone, the First Mass that My Divine Son celebrated on that Holy Thursday, was already more than enough to redeem the entire human race; give salvation to all men and satisfy Divine Justice for all of them for all centuries of centuries... But My Divine Son, God-Love, still wanted to die for all of you, thus proving to you how much His Love is Unlimited, Perennial and Total, for you...
The Most Holy Eucharist is the Mystery of Mysteries; the Sacrament of Sacraments; the Gift of Gifts... Happy is the man who discovers and dives into the depths of the Mystery of the Most Holy Eucharist, because to him, My Divine Son will grant so many Graces and Knowledge of Him, who will already be on Earth a Seraphim of Love to Jesus.. .

I am the Mother of the Blessed Sacrament!
My Maternal Mission is to lead you to a high degree of Love for My Son Jesus in the Blessed Sacrament...
I am at the foot of every Tabernacle, of every Tabernacle on earth, to teach and help you to adore My Divine Son with true Love, Faith and Piety... That is why I taught you the Rosary of the Eucharist and so many Eucharistic Prayers, so that in their hearts there may be a true, sincere and ardent Love for My Sacramented Son. Remember how many Signs I have given you here, in the sun, in the moon, in the candles and in the Apparitions, to call you and lead you all to Jesus in the Blessed Sacrament!
Today, on the day of His Greatest Gift of Love, Faith and Affection, in place of so many who ignore and despise Him, who forget and blaspheme Him, who insult and offend Him, be the most beautiful Crown of Love and Light to surround the Heart of Jesus, in the place of so many who do nothing but crown Him with hard and sharp thorns, with their sins...
Be the Johns of Eucharistic Jesus, who bend over His Heart to feel His Beats of Pain and Solitude, of anguish and contempt of men, and thus, console Him, love Him, adore Him and serve Him, instead of so many who don't love Him...
Jacareí, May 6, 2001 - Message from Saint Joseph

“I will reveal My secret Sorrows to you, but not all at once, but gradually... Through them, the whole world will know My Most Loving Heart and everything

what happened in Him... Through the knowledge of My secret Sorrows, the whole world will burn with My Most Holy Love, and GOD and My Most Holy Spouse will be loved more...

Consecrate Brazil to Me every day, so that May I help you and save you with My Love and My Mercy...
The devil hates the true devotion of souls to My Most Loving Heart, and therefore, he does and will do everything to destroy it and make it disappear from Earth...
It is necessary, therefore, that there be true apostles of devotion to my Most Loving Heart, who preach and take everywhere the truth of the Love that is due to Me, and how effective it is to lead souls to true LOVE towards Our Lord. and to My Most Holy Spouse and Queen...

Therefore, son, tell the whole world that whoever does not understand and does not live true devotion to My Most Loving Heart, will not be able to live true Love and devotion for My Most Holy Spouse, and nor by the Living GOD...
He says that the entrance to Heaven has “the shape of a Father's Heart, and that His Name begins with three letters: ACJ... (that is, Loving Heart of Saint Joseph)

When the world loves this truth, he had found the much desired Peace, and his salvation...
Pray for the Holy Father more fervently, for He is suffering a lot...
Tomorrow, you will have a surprise, Marcos, so pray, pray, pray that your heart accepts you with Love and worthily thank Our Lord and Our Lady.. . Stay in peace..."

Jacareí, May 7, 2001 – Apparition of Our Lord and Our Lady Message from the Blessed Virgin Mary

“My children... I am the Lady of the Rosary! With this Name, I appeared in Fatima, and also here in Jacareí, as the Virgin of the Rosary of Peace, to say to them: Pray, pray, pray the Holy Rosary... pray it without ceasing, pray it continuously.. Pray it with fervor, piety and humility... My Immaculate Heart wants to fill you with LOVE, but your hearts often repel My LOVE, and with this, they close the doors of your hearts to Me , and I cannot pour My LOVE into them, and I cannot change their lives either... My children, what I desire from you... is LOVE... a LOVE that is stronger than pain, a LOVE that supports the Cross, a philias, sincere and tender LOVE... I am already exhausted from seeing souls at My Feet, who only ask of Me material things, but do not accept My LOVE, do not accept My Messages !...

How many times your lives seem dark and meaningless, like a tunnel without light, because you do not accept My LOVE!... If your hearts open to My LOVE, then My Grace will powerfully act in you, producing Peace , conversion, holiness, and I will then be able to "deify" them, leave them totally immersed in GOD... The soul that I love the most is the one that loves ME the most... I love the one who loves My advice, who fulfills them... I live close to the one who blesses ME, who exalts ME... I am next to the little ones, who praise ME from

their innocence and purity... I am close to those, who with a humble heart, recognize ME as Sovereign Advocate, Co-Redeemer and Mediatrix... of all humanity...

fulfill My Requests, follow the examples of Francisco and Jacinta, and in the end you will be the happiest! Don't be afraid of anything...

I am with you, and I defend you, in all dangers... I bless today, in a special way, My favorite children, My Little slaves of LOVE... Yes, My 'little children', My 'boys' , who are part of the Order and Religious Community that my Son Jesus and I started here...Courage, My young people! Courage, My children! Follow the example of Francisco and Jacinta!... Do not be sad, with those who say, that you waste time, donating your lives to ME here, in work and prayers, nor be sad, for those who call you lazy and lazy... No!... you are My 'working little bees', who take care of this My Home, this My Sanctuary, who watch over the things that I Love, and who watch over ME night and day , with the candle of your Love, and your prayer...

I bless you today... Francisco and Jacinta also bless you, and my Divine Son also blesses you... I am with you all, and I LOVE you all as My children, and My desire is to have you them always, close to My Heart here on earth, so that one day, I can hold them in HIM, in My Lap, in Heaven... I bless you all, at this moment...

Message from Our Lord Jesus Christ

"Generation! I, the Almighty Son of GOD, speak to you now!... Generation, know that I AM LOVE! My Law is LOVE! My Commandments are LOVE, My Gospels are LOVE... and I AM ALL LOVE... Whoever does not understand My LOVE, will not be able to understand Me, nor My Commandments, nor My Law , neither to My Father, nor to My Holy Spirit, because WE ARE LOVE...It was LOVE that brought Me from Heaven to Earth!...It was LOVE that incarnated ME in My Mother's Womb!...It was the LOVE that made ME dwell in Her, for nine consecutive months, while She gave ME the 'mortal being', My 'human nature', so that then I could be born, and save you... It was LOVE that made ME to be born in the immense poverty, cold and misery of Bethlehem, to teach you that LOVE must be poor, that LOVE must be simple!... It was LOVE that made ME go in My Mother's Arms to the Temple, with forty days, so that I might shed My first Blood there, in circumcision, for your redemption... It was LOVE that made Me live with My Mother, with My Adoptive Father in Nazareth, working, obeying, and fulfilling all the My duties, to teach you that LOVE is also fulfillment of duty, fulfillment of the mission, and obedience, resignation... It was LOVE that led me to be baptized by John!... It was LOVE that led Me to preach, and to heal so many souls in My public Life, to teach you that the 'Son of man' came from Heaven, to LOVE... and in LOVE, to be LOVED by souls, to whom the Father revealed His LOVE.. .It was LOVE that took ME to the CROSS!!! Until the Crown of thorns, until the scourging, until My betrayal (by Judas Iscariot), until the loading of the CROSS, and until My Death, nailed to the CROSS with three great huge nails, dying,

I didn't go to Heaven, because I didn't want to be with you anymore! I didn't go to Heaven, because I was disgusted by your presence, no! No! No! I did not go to Heaven out of disgust for you, My children, no! I went to Heaven because I LOVE you! I went to Heaven to prepare a 'place' for you! I went to Heaven, so that from it, in the presence of the Father, I could pray for you, and the Father would grant Me everything that you, LOVING ME, asked Him in My Name... Ah, little children, what words I can employ to show you My LOVE? What more can I do and say to you, so that you believe that I LOVE you, and that you receive My LOVE in you, except that you look at Me crucified, giving My LIFE for you?... giving My Mother, as yours. Mother?... Oh My children, here are two of My children who loved Me the most... the little ones Francisco and Jacinta...

My little Francisquinho, cried so many nights and said to ME: 'Oh, my Lord, why are you so 'sad'? Ah, I already know, it's for the sins that poor sinners commit, but don't cry anymore, I love you, and I will always love you, and also Jacinta and Lucia... Ah, if only you had the candor of this child... If you had the purity of Jacinta, if you had the innocence of Francisco, surely, Tears of Blood would no longer descend from My Mother's Eyes, and My sacrosanct eyes, but Tears of Light, Tears of Joy, for seeing Our LOVE so welcomed, so accepted, so received in your hearts... Ah, My children, here is what I want from you: LOVE... LOVE... LOVE... Here are the 'two little shepherds' of Fatima, and a of them, still lives... and here is the 'little shepherd's room' of My Mother, the 'little shepherd of Jacareí'... This is what I want from you,

How much the world pursued My little Jacinta! How the world persecuted My little Francisco, and My Lucia! How much the world also persecuted this My son, because of Our Apparitions here!... But here they are, victorious, under Our Hand... This is what I want from you: Courage, Faith, Decision, Commitment, like these 'children'... The world treated them for crazy, the world treated them for lunatics, for imposters and liars, but they are happy, because they knew My LOVE, and the LOVE of My Mar... they they saw, they saw OUR LOVE, and they love US!... and they are happy because they love US, and WE are happy because WE ARE loved in them and by them... The same Grace I will give to all of you, if you become like these ' children'...Come to My Sacred Heart, and I will transform you, from stones of ice, into 'furnaces of LOVE'...I will transform you,

Jacareí, May 9, 2001 – Apparition of Our Lady

“My child, I will accompany you and give you the Graces of My Heart on the journey you are going to take... I will always be by your side... Do not be afraid of anything... I will grant you many Lights and Graces in Lourdes , Fátima and La Salette... I need you to go and record everything you can there, as I asked you, and that when you return, spread My Apparitions there to the whole world... Tell My children to continue to pray the Holy Rosary daily, and that you fulfill My requests with love...”

Jacareí, May 10, 2001 – Apparition of Our Lady

(Marcos:) – “As I was supposed to leave for Portugal on this day, the Apparition took place earlier, around 5:00 pm, as Our Lady had warned me. She appeared, all full of LOVE and Kindness, and after greeting me as usual, she said to me:

(Our Lady:) "My child, rest assured... I will be by your side throughout the journey... You go with My Blessing, My Love and My Grace... Don't be afraid of anything... My Immaculate Heart will be your 'beacon' that will help you and show you what I want you to do... I will go with you... When you get there, record and document everything you can, so that when you come back, you can make a full disclosure of everything that happened in La Salette, Lourdes and Fátima... Time will be short, My son, and therefore, you must make the most of it to accomplish all that I asked of you. ..”
(Marcos:) – I wanted to ask you to bless us on this journey, and also to protect those who stay here in the Sanctuary.”
(Our Lady:) “Yes, My child, I will bless them... Don't worry... I will take care of them and they will be fine here... Offer Me the sacrifice of separation and distance from your friends, to that I may accomplish great things on this journey of yours, and that My Message from La Salette may reach all hearts very quickly... I am happy that you are willing to do My Will, and face all sacrifices for Her sake. ... Go in the Peace of the Lord, My child!”

Jacareí, May 13, 2001 – Apparition of Our Lady, with Francisco and Jacinta, in the Basilica of the Sanctuary of Fátima – Portugal

“My son, I am happy that you came here to Fatima, for this memorable day…I wanted you here, so that the whole world knows that My Apparitions of Jacareí, are the continuation and the conclusion of Fatima. .. My Message and My Work of salvation for this world, begun here in Fatima, will reach its full realization in My Apparitions in Jacareí... Know, My child, that My Immaculate Heart will triumph with certainty, despite my enemies, and that I will emerge as the only Winner of this terrible battle that I wage against the Red Dragon... Don't worry about anything and don't be sad, because the devil knows that his time is about to end, and that's why he attacks ME so much , even through Priests... What these Priests here in Fatima did and said, is nothing more than the blow of the Dragon's furious tail against ME,because he knows that I will defeat him... But he will achieve nothing, and his plans will all be defeated... My Immaculate Heart will triumph over all evil... My Immaculate Heart will obtain His greatest triumph in souls and in nations , and all the fortress of wickedness and sin that the devil has proudly built, and which he boasts as the sure winner of this world, will all collapse, at the sound of My Maternal Voice, giving orders to My Angels to annihilate it... My son, love , trust and wait on Me completely, and you will see how My Immaculate Heart will transform the swamp of sin that is this world, into a flowering and fragrant garden of Holiness and LOVE to GOD... as I promised you, behold, now come My 'two little shepherds', Francisco and Jacinta, to pray with you...”and your plans will all be defeated... My Immaculate Heart will triumph over all evil... giving orders to My Angels to annihilate him... My son, love, trust and hope in Me completely, and you will see how My Immaculate Heart will transform the swamp of sin that is this world, into a flowery and perfumed garden of Holiness and LOVE to GOD... as I promised you, here are My 'two little shepherds', Francisco and Jacinta, to pray with you..."and your plans will all be defeated... (Marcos) – "Suddenly, I see appearing beside Our Lady, the 'two little shepherds', resplendent with Light, who smile sweetly at me. They prayed an Our Father and a Glory with me, with the intention of making amends to the Most Holy Trinity and Our Lady, and also for the two Sanctuaries, in Fatima and Jacareí, then Blessed Jacinta said to me:

(Jacinta): "Marcos, we are happy that you are here in Fatima... We listen to the prayer you made at our graves... We pray incessantly for you in Heaven... You must tell everyone that the Immaculate Heart of Mary is saturated with reproaches and offenses that men do to her, from priests to the most sinners... Tell those who love her, make amends for her without delay, because she is overcome with pain and anguish... when she appeared to us here in Fatima, Her Immaculate Heart was surrounded by thorns that made It bleed... Her Face was so 'sad' and full of affliction... And so She remains until today,

because almost no one listened to Her pleas, and continue to do the same sins... Therefore, make reparation to the Immaculate Heart of Mary, and lead everyone you can to do the same...Don't allow HER to be offended any more than she has been so far..."

(Marcos) “But dear Jacinta, who am I to achieve all this?

(Jacinta) “Do what you can, Marcos... We will always be with you, to help you in this Mission... Proclaim Our Lady's wishes here in Fátima, along with those of Jacareí, to all the world, so that convert and come to salvation..."

(Marcos) “I said yes. Then Francis took the floor and said:

(Francis): “Marcos, go ahead and do not be afraid of the difficulties you will find along the way... We too were persecuted, hated and despised, but we endured everything for Our Lord and Our Lady, and we reached Heaven... Love the Blessed Virgin to the fullest, and spend your whole life for her... Pray the Rosary always, and the Blessed Virgin will help you to win everything... Jacareí is the continuation and conclusion of Fatima... you, and we want to help you...Always ask Us, and we will always help you...”

(Marcos): “Then Our Lady and the 'Two Little Shepherds' gave me the Blessing, making the Sign of the Cross together and they disappeared. Our Lady and the two little shepherds appeared inside the Basilica of Fatima, a few meters from the tombs of Francisco and Jacinta.”

Jacareí, May 17, 2001 – Apparition of Our Lady in the Grotto of Massabielle, in Lourdes, France

(Marcos) “On the 16th of May, when I was getting ready for bed, I heard the Voice of Our Lady, who suddenly told me.”

(Our Lady) “Come to Me, tomorrow, as soon as possible, in the Grotto of Massabielle... I will be waiting for you there...” (Mark) “Yes, Lady! I will be there!"

(Marcos)”The next day, I went to the Gruta das Aparições de Lourdes, and there, I began to pray while waiting for Our Lady. Suddenly She appeared to me, shining and clad in gold. She stood tall, next to the statue that marks the exact place where She appeared to Saint Bernadette. Although I was away from Her, due to the pews where people sat to pray, I saw Her in the same usual size, and as if there were no distances between us. Smiling kindly, after the initial greetings, She said to me:”

(Our Lady) “My son, I am very happy that you have come here to Lourdes once again... and I am also happy that My son Marcos Augusto has come with you... Thank him in My Name for having helped you to get here...I AM the IMMACULATE CONCEPTION! With these words, I identified myself with My poor little daughter Bernadette, in this same Holy Place, in the year 1858.... Yes, in this Sacred Grotto our meetings took place , and where I made a

'vehement appeal' of prayer and conversion to the world. I was not heard... It is necessary that humanity respond to My urgent calls to conversion that, from La Salette, Lourdes and Fátima, I have made to them... My son, this is what I want from you and from all My Beloved children: PovertyPrayerSimplicityObedience and docility to My Maternal Voice, as was My little daughter Bernadette...

Jacareí, May 19, 2001 – Message from the Blessed Virgin Mary, at the Sanctuary of La Salette – France

(Marcos) “On this day, the Blessed Virgin appeared to me around half past ten at night, in the place where Her Image is rising to Heaven in front of the little shepherds Maximino and Melania. She was dressed in gold. After the initial greetings, he said these words to me:"

(Our Lady) " My son, I am happy and I thank you for having responded to My request, and for having come here to La Salette...
I have been waiting for you here for a long time . , and now I want you to spread throughout the world My Message and My Secret of the End Times, which I have given here, in this very Holy Place...
The world did not believe in My Message, nor did it value My Tears... and as if such evil were not enough, it pursued My Secret of the Last Times and My little daughter Melania until the end...

Full of malice and perversity , men, and among them many Cardinals, Bishops and Priests, helped by the serpent, which is Satan, used all their efforts to bury and annihilate My Message and My Secret of La Salette... attempt, and they were not fully successful, thanks to an Extraordinary intervention of Mine, which made them (the Secrets) reach the hands of true children of Mine, before they were totally annihilated...

However, the old serpent, not content with the damage he had already done to My Apparition of La Salette, set off in violent pursuit of My true children who believed in Her... It caused them to be despised, ignored, and ridiculed until they almost lost heart. .. Above all, the devil seduced many Church authorities to silence, bury and bury everything in a great pit of disbelief, silence and contempt... Meanwhile, My children continued to live inadvertently in sin, condemning themselves and going rains to hell...(here Our Lady paused, as she was about to cry)
For 154 years I have been pierced by a 'deep sword of PAIN', with no one to make reparation to Me, nor to console Me... I have already addressed myself to many chosen souls, asking them to help My Message from La Salette but I was not heard... My son, console Me, therefore, doing what I asked of you... after recording everything you can, spread My Message from La Salette to all corners of the world, start from Brazil...
If you do this, you will surely dry My Tears of Pain, and remove the thorns' from My Immaculate Heart... My hope is all over you, My child, so spread my Message everywhere...

I have also brought you here, because you and My Sanctuary in Jacareí are

the Continuation and Conclusion of La Salette... you yourself remember, My son, when I first told you about La Salette in 1993, when you didn't know and didn't even know what My clothing was like here... You were surprised and amazed at what I told you, and above all, at the news that My Secret of the Last Times was already underway... you didn't I knew nothing and could not even imagine how many connections La Salette had with you and with My Apparitions in Jacareí... I wanted you here, and now, I ask you to get down to work and do everything you can to spread La Salette to everyone souls of good will...
Did you see how my little children Maximino and Melania were simple and poor? Well then, My child, tell the whole world that poverty is not a sign of God's displeasure, but of His pleasure... Misery yes, this is a consequence of God's sins... I was poor... My Divine Son was poor... Saint Joseph was poor... God always keeps those He loves in holy poverty... Be careful with material goods, because those who are rich will hardly convert, because they are attached to the who have, and love their goods... Those whom God wants to save, He keeps them in 'holy poverty', so that their only and true GOOD may be HE alone...

Always be simple and a friend of 'holy poverty', My son, and tell Mine to do the same...
Pray a lot for this My Sanctuary, which languishes in the lack of Faith and fervor... Pray that My Greatest Triumph over evil comes soon, so that I can annihilate every work of darkness in this world...
Go in Peace, My child... Thank you for coming this far... I bless you and all My children who sincerely love Me and listen to Me..."

Jacarei, May 21, 2001
Message from Our Lady in Nevers, where the intact body of Saint Bernadette

(Mark) rests " After having passed through Paray-Le-Monial, in the Basilica of the Sacred Heart of Jesus and in the Chapel of Her Apparitions to Saint Margaret Mary, we headed to Nevers, to visit the 'Intact Body' of Saint Bernadette.
After we had arrived there and prayed for a while with her, Our Lady appeared to me and said:"

(Our Lady) "My son, I am happy that you are here too... Do you see the Body of My little daughter Saint Bernadette? It's a miracle! A Miracle of My Immaculate Heart...
What I want from you, My son, is that you have the same virtues that My little daughter Saint Bernadette had...

She was poor... and even though she had nothing, she gave her Me everything, even life itself...
She was humble... and in everything she sought only the Glory of God and Mine, withholding nothing for herself...
She was simple... and in everything she admirably lived modesty and

simplicity...
She was pure... and like an angel of purity, she loved Me totally, and she prayed to Me with Hail Marys as pure as that of the angel Gabriel...
She was docile and obedient... and in everything she served Me, and completely obeyed My desires...

Know, My child, that She is your Protector, and therefore you must invoke her with confidence in your prayers, because She will be able to help you a lot in the service of the Lord and My Immaculate Heart... She loves you and knows that you are her devotee, therefore, follow the immense examples of holiness that she left you 'the one who loved Me the most in this world" ...
Know, My child, and tell the whole world that the 'intact body' of My little daughter Saint Bernadette is the Greatest Miracle of My Immaculate Heart, before the Great Miracle of the Triumph of My Heart...
Therefore, I want you to announce all this to My children without delay, and that they convert and fulfill My desires, just as My daughter Bernadette fulfilled them, so that I can save them...
I bless you through Saint Bernadette, in the Name of the Father, of the Son and of the Holy Spirit..."

Jacareí, June 04, 2001 – Apparition of Our Lord and Our Lady

(Mark): "On this day, Our Lord and Our Lady appeared dressed as usual. They had a sad face during the Apparition. Taking the Word, Our Lord said to me:

(Our Lord Jesus Christ)"My son, I want you to write the word: GARABANDAL! My Most Holy Mother has already told you to write it many times, but now, I am going to write it by your hand, very large, so that the know it: GARABANDALEU I AM Joy, Peace and Love, Marcos! Write this! Son, write the word again: GARABANDAL! I and My Most Holy Mother sanctified Garabandal, when we appeared there, but the world did not want to listen to us, and nor respond to Our Love... The sages and scholars of this world mocked and mocked Garabandal, especially because there My Most Holy Mother appeared and revealed Herself as a Mother of infinite tenderness and affection, letting Herself be embraced by Conchita and the other girls ; letting them 'braid' His immaculate and Most Holy hair; letting Himself be swayed by them and talking about everything with them,even the cows and sheep...

and it has even petrified My Angels and Saints with astonishment! Your ingratitude towards Me, but mainly towards Her, infuriates Me and moves My Hand against this generation! I demand that Garabandal be recognized by the Church and by humanity, without delay! I demand that My Holy Mother of Garabandal be Heeded by all without delay! Children, hear Our call, and make Garabandal known throughout the world! Do this, and you will have great treasure in Heaven! Work for My Mother, and She will give you such a great reward that the thief will not be able to steal and neither moth nor rust will corrode! Defend! Love Garabandal! Defend those My wronged daughters who

saw My Mother, because defending the wronged is a work of love and mercy... Love Garabandal! Love Garabandal! Love Garabandal and you will be My children!" (Marcos) "Next,

Jacareí, June 5, 2001 – Message from Our Lady

"My children, I am the Lady of the Rosary of Peace!
The Rosary of Peace is the prayer that I myself came from Heaven to Jacareí to teach... Now you do not understand the Value of this Rosary, but in the future you will understand...
Before it and those who pray it with Love, the devil flees and the infernal forces, and Peace reigns where it is fervently prayed... I ask you, My children, pray Him as much as you can, and I will obtain for you Great Peace and Mercy from the Lord..."

Jacareí, June 07, 2001 – Apparition of Our Lord and Our Lady Message from Mary Most Holy

"Meus filhos, EU Sou a Rainha e Mensageira da Paz, a Senhora do Rosário, da Graça e da EsperançaHoje, venho convidá-los mais uma vez a renovarem a sua oração, a sua penitência e a sua conversão. EU estou agradecida a vocês todos que fazem esforços por Mim, que lutam pela Minha causa, e que espalham as Minhas Mensagens... Mas, filhinhos, o número de almas que têm se extraviado, ainda é muito grande...É preciso que vocês trabalhem mais intensamente... é Preciso que vocês procurem difundir ao máximo as Minhas Mensagens, e os pedidos que EU lhes dou...Em verdade EU lhes digo, filhos, que se a humanidade tivesse atendido pelo menos a Minha Mensagem de La Salette, o mundo não estaria no estado atual em que está...

The fault of the current situation in the world is all those who rejected My Messages, trampled My Apparitions; spit on them and hid them... If My warnings had been made known to the world, it would already be a true image of Paradise... crucified My Son's Heart and Mine, mercilessly, Satan walks over souls and drags them with his tail behind him... I invite you, My children, to give Me your hands, so that I may it reach even the most distant hearts... I desire Peace, but I cannot give you Peace, if you do not accept the One who is the Queen and the Perennial Source of Peace... Accept My Love, My children. .. accept My Love!

Love descends from Heaven to Earth to save you... I do not look at your faults... I will transform them into virtues, little by little, as you give yourself more and more trustfully to Me... carry yourself in My Arms, just as My Divine Son Jesus Christ, All Saint, left Him... I want to take you to Heaven... I want to convert you!... But I need your yes.. .Pray for the Pope... He suffers a lot... Pray that My Plans come true... I'm in a hurry, I'm in urgency, and what I do, I do soon... So do what you have to do. ..Continue to pray My Rosary every day...I thank you, Marcos, My son, for going to My Shrines, especially the one in La Salette...You have carried out the Mission that I have entrusted to you...

Now, you must make all this known to My children, without fear... You will be contradicted, persecuted and fought... But I will give strength to your hands and your voice, and the evil ones will not be able to resist you... Onward, My child! Go!... bring and save for Me what can still be saved... Whoever welcomes you will be welcoming Me... Whoever rejects you will be rejecting Me... I bless you all at this moment Everyone grips Mine Immaculate Heart... To all I give My Peace, My Light, and My Motherly Love..."

Message from Our Lord Jesus Christ

"My souls, My Beloved fold!...Listen to what I, the Sacrosanct of Saints, come to tell you today! Mother spoke to you with clear words; sweet and decisive words; that you would convert, that you would turn to Me and to My Heart... but what has humanity done? By surpassing and greatly gaining from Judas, it betrayed My Love; ridiculed My Gifts that I sent you from My Throne in Heaven, and trampled on My Messages and My Providential Works of Salvation... This 'age' is more guilty than that of Sodom and Gomorrah, because if I and My Mother had we been sent to Sodom and Gomorrah, they would have been converted...If the Prophets had been sent to them, performing the same Miracles as We, in the places of Our Appearances, we do... they would have converted... I want this generation to come back to Me for Love, but... the way things are going, many souls will only come back to Me under the scourge of pain... I don't I take pleasure in punishing... I only use this means when there is no other alternative to wake you up from the madness of plunging into the abyss of perdition... I, through My daughter Faustina, instituted the Feast of Mercy, but humanity did not received it... as a consequence of that, if you don't change... if you don't convert... if you don't heed Me... I will be forced to institute the Day of My Justice... and oh! What a Day!... My Angels shudder, just to hear the possibility of this Day... I invite you, therefore, to embrace My Mercy... My Mercy which is My Most Holy Mother, while She is in earth... My Mother, with Her Apparitions, and to the Most Loving Heart of My Adoptive Father, Saint Joseph... Whoever lives them faithfully, leading a holy life, will be saved... I want you to pray a lot for the countries that My Mother requested here, in the past years... reread Our Messages and make them known to the world... Nothing, no work... no service is more important now than that of disseminating Our Messages... Just as My Apostles could not preach anything other than what I commanded you, or else you would no longer be My Apostles, so you too cannot want to announce or do anything that is out of line with what I commanded you to do: - Making Us known, through Our Messages... I say: - After Paris, there was La Salette... After La Salette, there was Lourdes... After Lourdes there was Fatima, Pontmain, Beauraing, Banneux, Akita. Garabandal, Medjugorje and Kibeho, Naju and so many places where I sent My Mother, and where I went together with Her... But I say to you: After Jacareí, there will be no more Apparitions!!!... After Jacareí no more there will be no other!... Convert yourselves!!!... Convert yourselves, for My children!.. I do not want to see you one day, among the dragon's fangs... Convert! I want your salvation!... Hear My Mother calling you... Follow the example of Our Saints... And if you do all this, I will be your Heaven already on earth, and then, for all Eternity. ..I Am Love!... I Am Love!... Love I Am!... because My children!.. I do not want to see you one day, between the

fangs of the dragon... Convert! I want your salvation!... Hear My Mother calling you... Follow the example of Our Saints... And if you do all this, I will be your Heaven already on earth, and then, for all Eternity. ..I Am Love!... I Am Love!... Love I Am!... because My children!.. I do not want to see you one day, between the fangs of the dragon... Convert! I want your salvation!... Hear My Mother calling you... Follow the example of Our Saints... And if you do all this, I will be your Heaven already on earth, and then, for all Eternity. ..I Am Love!... I Am Love!... Love I Am!...

Jacareí, June 11, 2001 – Message from Our Lady

(Marcos): “After the initial greetings, Our Lady, with a very sad and afflicted face, said to me:”

(Our Lady) “My son, tell the world to convert as quickly as possible...I have done everything I can to stop the Punishment, but I will not be able to stop it any longer if you do not convert. truly... Because of your sins, the Punishment is approaching... If it comes, it will be worse than being cut by fire... It will be so terrible, that people will regret even being born, such will be the suffering that will overtake them... I cry, I beg and ask everyone for conversion, as soon as possible... Only with conversion can you avoid the Punishment... otherwise it will be horrible, My child!... Horrible. ..”

Jacareí, June 25, 2001 – 20th Anniversary of the Medjugorje Apparitions Message from Our Lady

“My children, today, you celebrate the 20th Anniversary of My first Apparition that took place in Medjugorje, in the distant year of 1981... It was an important event, because I appeared there to carry out My Maternal Plan of Salvation for the world... I appeared in Medjugorje to invite the whole world to conversion, prayer and penance I appeared in Medjugorje to say that the Peace that the world lost can be found again in prayer and penance who are heading towards a great abyss of destruction and condemnation, if they continue to follow obstinately along this road they are going... I have appeared in Medjugorje, to carry out My Great Work of conversion and salvation of humanity, which will culminate in Triumph of My Immaculate Heart, destroying Satan and his empire of evil and sin,leading all humanity to return to its Creator and to His Holy Law of Love... I appeared in Medjugorje, to reveal all My Immense Maternal Love for you, My poor children, Pray and continue to live all the Messages I give you here in Jacareí and there, in Medjugorje... If you do this, My Heart will triumph and Peace will come to the world... Today I bless you all in the Name of the Father, the Son and the Holy Spirit...”

Jacareí, July 07, 2001 - Apparition of Our Lord and Our Lady
Message from Holy Mary

"Beloved children, I am the Queen and Messenger of Peace... and I come from Heaven, once again, to open My Heart to you, to communicate My Light to you, and to fill you with My Peace. .Children, you see how the 'serpent', the devil, attacks Me fiercely, for seeing that I am ripping 'from him' many souls, thanks

to the dissemination of My Messages and My Holy Life(*), here in this My Sanctuary in Jacarei?
(*) Note: these are the Books of the Life of Our Lady called "Mística Cidade de Deus" that are published in the Sanctuary of the Apparitions of Jacareí)

The attacks of the world, and even of priests, against Me and against this Appearance of Mine, is for you a 'sign'... a 'sign' that you are living in the times of the Great Battle and the Great Test that I have always I have spoken... a 'sign' that the serpent, the devil, is fighting a decisive fight against Me, from which one of us will be defeated... 'A sign that you, My children, who are the part weaker than 'My Being'(**), My heel 'sign' that you, when you resist the serpent, the world, sin, together with Me you crush your head... and then your tail wags against Me and against you, My dear children... But you must not fear anything! I am with you... I love you... I help you and lead you along the path of conversion, salvation, peace and the grace of God..
(**) Note: here Our Lady is saying that we are Her Offspring, Her heel, against which the serpent charges, as described in Genesis (3:15) and Revelation (12)

Lean on Me totally... take refuge in My Immaculate Heart, which has been given to you by Me so long ago for your 'dwelling', for your 'refuge', for your 'garden'... My Immaculate Heart, My children, and remain forever in Him… forever… This is what I, the Mother of Heaven, your Mother, desires… Continue with the Prayer of the Rosary… do not forget to offer it for My intentions... I would like to ask all of you who are here to pray the 'Triumph Rosary' for five consecutive Saturdays, that Rosary that I taught you here in Jacareí, and which is contained in the Book of Our Messages... and that they prayed with a very precise and clear intention: - The intention that My Immaculate Heart may triumph here in Brazil...

You must pray so that this Nation converts, so that this Nation hears My Messages, and attends to Me... If you do this, you will give My Heart a 'Great Joy'... Continue to go to My Source. Holy One, down there... continue to drink from It... to wash in It... with confidence, and ask through It for the conversion of your hearts... I have Great Graces to give you, through the Water from My Source, but it is necessary that you drink from It with confidence and Love for Me... My children, this is the month of the Precious Blood of Jesus... honor this Blood more often... As well as the 'blood of the lamb ' at the door of the people of God in Egypt saved them from the scourge, so also the Blood of My Divine Son Jesus in their souls, will free them from the 'punishments' of the Wrath of God... Teach others to pray it !... and so, My children,you will be able to be protected from all the evil that satan and the world wants to inflict on you... I ask you, finally, that you publish 'My Book'... 'it' is so little publicized... and the souls that have it, don't read it much... Spread My Book of Messages, My children, so that the world can be converted, and have Peace... It's p My living appeal... it's the living desire of the Mother of the Lord!...I bless you all at this moment..."I bless you all at this moment..."I bless you all at this moment..."

Message from Our Lord Jesus Christ

"My beloved souls, My Heart beats with Love for all of you... From here, from above this 'Sacred Tree', I look at you... I see you... I bless you... I heal you, and I give you Peace... This night My Sacred Heart gives off the 'Two Rays' that I showed to My daughter Sister Faustina, and to this My Beloved son, Marcos Tadeu... The White Ray, the 'Water of My Heart'... the Grace that purifies souls... and the red Ray, My Blood, which is the Life of souls... I pour out these Rays of My Infinite and Divine Mercy on you... let yourselves go. .. let yourselves be enveloped in My Grace... let yourselves be 'washed' in My Holy and Ineffable Love, purifying Love.. My Souls, My Blood is of an infinite price...

Even if you had great virtues... and if you had done great works to offer to the Eternal Father, even so, it is not enough... it cannot compare to the infinite value of My Precious Blood... Do what My Most Holy Mother commanded you: Pray the Litany of My Precious Blood every day... because through it I will convert many sinners... I will grant you many Graces... I will fill your hearts with My goodness and My Wisdom... of My Strength and My Light... Satan, the 'murderer from the beginning', My enemy, the evil one, has no power over the souls that pray My Litany... that of My Most Precious Blood. .. Pray it, and you will obtain Peace and the Graces you need for your salvation... I ask you, My children, to fast with more Love... that your hearts are burning with Love,when you do the Holy Fast... Fasting without love has no strength... it is vain... Only Fasting made with Love pleases Me and My Mother pleases, and then you can move My Father's Hand, to perform Graces and miracles in your favor...Pray with love... prayer without love is in vain... it's like a bell that tolls... your prayers must be scorched by love... When I say scorched by love I say even when you are dry...

Even in aridity, you can pray with Love... Even without fervor, you can pray with Love... Love does not depend on fervor... A soul can be fervent, but the degree of its love is not always like the degree of your fervor... and a soul can be even arid, but your Love for Me still throbs in your heart... My children, I want you to pray with Love... understand that Love is what pleases Me... what holds Me.. what attracts Me to you... I am Love, and I want to find in your hearts Love.... Love.... Love... Next month, I will not appear on the ' the seventh'... I will come two days before, on the '5th of August', which is the Day of the Nativity of My Blessed Mother... I will come here to praise Her... to bless Her... to to thank Her for Her Love... to honor Her... and I wish you all to come here... I bless you all right now..."

Jacareí, July 11, 2001- Our Lady reveals yet another Secret PAIN

"One day, when My Little Jesus was still a child, he was playing, running after some birds and picking flowers... Suddenly, some boys appeared, sons of the Pharisees and priests... they looked with contempt at My Divine Son, and because they were evil, seeing Him with little flowers in His Hands, they pushed Him, throwing Him to the ground, and stepped on the flowers until they were all crushed to the ground. My Divine Son, full of Love and Patience, asked -them:

(Child Jesus): "Why did you do that?" They, who would be the future executioners and crucifixers of my Divine Son, answered Him:

(The boys, sons of the Pharisees): "What is that to you? Shut up, or we will do worse!" Jesus replied to them:

(Child Jesus): "Whoever treats a simple, poor and defenseless flower in this way is quite capable of treating his fellow men in the same way, because whoever loves and is fair in small things will be fair in great things too..." replied:

(The boys, sons of the Pharisees): "Now who do you think you are, that you teach us justice? We are the sons of the Doctors of the Law!" Jesus said to them:

(Child Jesus): "Truly I say to you, you are and will be as blind as your parents are!" They then picked up stones to throw at HIM, but I managed to arrive in time and prevent that evil. They, leaving the stones on the ground, went away saying:

(Children, sons of the Pharisees): "one day thou shalt die! one day thou shalt be crucified because of YOUR insolent Mouth!"

Those words penetrated so deeply into My Heart, like a 'spear', wounding it and breaking it to pieces... In every moment of My Life, those words echoed like a funeral song in My ears, causing My Heart would bleed with Pain... Tell everyone, My son Marcos, to honor this My Secret Pain, and I will grant you the Love and Mercy of My Sorrowful Heart and the Heart of My Son Jesus for It. ..I promise that I will grant My Graces of Peace, Mercy and Love, to the souls who venerate, honor and propagate this My Great Maternal Pain... Go, Marcos, and announce this to My children throughout the world..."

Jacareí, July 13, 2001- Feast of Our Lady Rosa Mystica
Message from Holy Mary

"Today you remember My Apparition to My little daughter Pierina Gilli, in Montichiari, in the year 1947...It was an important Apparition...It was a Great Event...It was a Great Sign for you...My Apparition in that place, extended later in Fontanelle, was the Heavenly Mother's Great invitation to humanity, to CONVERSION, PRAYER and PENANCE... however, I was not heard... I was not answered... My Tears of Pain continue to fall on Montichiari and on this world, with no one to console Me... My Messages from Montichiari fell into oblivion and contempt of humanity, and My Maternal appeals were thus rejected, by 'those' who were the object of My greatest I reveal to Love, thus opening a great and painful Wound in My Immaculate Heart....

Today, I come to ask that reparation be made for the great sin that humanity has committed in despising My Apparition in Montichiari, as the Lady Rosa Mystica...I appeared in Montichiari, to continue My Maternal plan of Love and Salvation begun in Fatima.... I appeared in Montichiari, to invite the whole

world to conversion and to Peace... I appeared in Montichiari, to reveal with greater force My Pain and My sadness for the sins of the world... I appeared in Montichiari, to teach the Rosary of Tears of Blood, which, a short time before, I had taught here in Campinas, in the State of São Paulo, Brazil, so that its greater propagation, would become a 'powerful weapon' to My Beloved Children , in the fight against satan and the forces of evil... I appeared in Montichiari, to show that I am always with you,and that My Triumph is already at the door... Fill yourselves with Peace, trust and hope in the Mother of Heaven... I will come soon to save you... I bless you all today... from Fatima, Montichiari and Jacarei..."

Jacareí, July 16, 2001- Feast of Our Lady of Carmo

"My children, today, you remember My last Apparition that took place in Lourdes, France, to My poor and innocent daughter Bernadette... Our 'last meeting' took place in silence, in prayer and in contemplation... necessary words, because Our hearts spoke to each other...Little children, contemplate today your Immaculate Mother, who appeared for the last time to Bernadette, thus concluding Her Message of Prayer and Penance...Live My requests, that, from the Grura de Massabielle, I made it to the whole world... My Message given in Lourdes must be put into practice and lived by everyone, as soon as possible, so that souls throughout the world reach conversion and be saved. ..Above all, imitate my little daughter Bernadette in prayer, in purity, in the mortification of the body, in her ready and loving obedience,that so pleased and consoled My Immaculate Heart... My Apparitions in Lourdes are a Great Sign of My Love to the whole world, and if you put into practice what I asked of you in that Holy Place, you will have the Peace and Salvation of God...I am the Immaculate Conception!...and today I bless you all from Lourdes, from Fátima and from Jacareí..."

Jacareí, July 17, 2001- Prayer taught by Our Lady, to be prayed holding the Holy Medal of Peace

"My children, pray this prayer every day, holding My Holy Medal of Peace:
O Virgin of the Holy Medal of Peace, protect and guard my body and my soul from all evil. Amen.

This little prayer, if done with sincere Love and Trust, will be effective for the one who prays it, and My Protection will be felt and verified everywhere, producing Great Graces for the souls of My little children... Pray it without ceasing , so that I can help you without ceasing... If you don't pray, I won't be able to help you...

(Marcos-Report): Then, continuing the Message, Our Lady arranged to reveal one more of Her Secret Sorrows)

(Our Lady:) Write, My son: - When My Most Chaste Husband Saint Joseph recognized My Miraculous Pregnancy, still without understanding and without being enlightened by the Lights from Above, which the Angel of the Lord would come to communicate to Him, His Most Loving Heart of atrocious doubts... On

the one hand, He knew that I, Most Pure, Most Righteous and Most Chaste, could never have committed any sin, but, on the other hand, He could not understand how He found Me pregnant, having made ME and He 'vow of chastity' to the Lord... Then, His Most Good and Most Just Heart plunged into an ocean of anguish and afflictions without yes, and in order not to hurt Me, decided to leave Me in secret... How much affliction My Immaculate felt Heart, seeing Saint Joseph's affliction, it is not possible for me to put into words...Knowing by Divine Revelation what was happening to Him and what He had decided to do, I begged the Lord with fervent prayers and sacrifices to come to Our help, and that He would deign to reveal to Saint Joseph, if it were His Most Holy Will, His Most High and Sublime Designs of Love and Mercy... It was then that the Angel of the Lord descended from Heaven, who with the Lights of the Most High, revealed to Him everything that was happening to Me and also what would be the Mission that would touch Him, taking the place of the Eternal Father on earth, taking care and protecting the Word of God...who, with the Lights of the Most High, revealed to Him everything that was happening to Me and also what would be the Mission that would touch Him, acting as the Eternal Father on earth, caring for and protecting the Word of God...who, with the Lights of the Most High, revealed to Him everything that was happening to Me and also what would be the Mission that would touch Him, acting as the Eternal Father on earth, caring for and protecting the Word of God...

The Heart of Saint Joseph then rested in the Peace of the Lord... My Heart, aching with anguish, rested for a brief moment, to prepare for even more acute Pains... This Pain of Mine is neither revered nor venerated by the men, who, immersed in the sea of their sins and worldly pleasures, do not remember or meditate on Her... Tell everyone, Mark, that I will be attentive to the voice of My children, who will contemplate It often, and I will answer their requests. , when they invoke Me through Her... May the world know, venerate and spread the knowledge of this Great Pain of Mine, so that they can then convert and have the Divine Peace, which will come to them, through Me..."

Jacareí, July 18, 2001- Secret Pain revealed by Our Lady

"I wish today to make known to the world one more of My Secret Sorrows... May It be known, venerated and propagated, so that the whole world may be converted and have Peace... My Immaculate Heart suffered most bitterly, on the occasion of death of My Spouse Saint Joseph... He, who had protected us, loved and sustained us with all the love of his most loving heart, departed for eternity, and left us on earth to continue and complete the Great Work of human redemption. He, who with His courage and ever-vigilant Love, was Our Balm in the moments of greatest tribulation and Pain... My Heart then plunged into an ocean of infinite Pain, which only the Eternal Father and My Divine Son could understand.. Pain, like a 'cutting sword', lacerated My Heart and made It Bleed... My Holy Spouse died in the Arms of Jesus,leaving His and My Heart filled with Pain and Longing... My Son, for the Pain I felt at that time, make this Great Affliction that I felt known to the whole world. ... Therefore, make everyone know and venerate Her, so that I can then help them with the Merits that I acquired with Her..."

Jacareí, July 26, 2001- Feast of São Joaquim and Santa Ana, Fathers of Our Lady

"My children, today, you celebrate the Feast of My Holy Parents, São Joaquim and Santa Ana... My Life, I loved You with a Pure, Sincere, and Filial Love... I never failed to fulfill what I was wisely ordered to do, and while I could, I did everything to serve and help Them. that My Mother, Saint Anne, took Me in Her arms, placed Me in Her maternal lap, and taught Me the Holy Scriptures, and how to be Virtuous to please the Lord! Her sweet and tender Voice penetrated My Heart, and made Him burn with Love for the Lord, when He spoke to Me and taught Him... So it also happened with My Holy Father Joaquim... If My Love for Them was so Great, My Pain was not less when I contemplated them dying ...My Heart broke with Pain on the occasion of the Death of My Holy Parents, when I saw myself an orphan and afflicted, without those I loved so much and who loved Me so much... Truly, I cried Tears of Blood for His death, because beyond of the natural Love of a daughter that I had for Them, I also had the supernatural Love, which united US and always immersed us in so many Mysteries and Divine Designs... highest Act of Love, trust and submission to the Lord, who obtained from Me the Great Grace of seeing My Parents being welcomed in the bosom of the Patriarchs, saved and just waiting for the Redemption to be completed... This Great Pain of Mine is not known nor venerated by the world... Say, My son Marcos, that I will grant everything to the souls that venerate and love this pain of mine so bitter...My Immaculate and Sorrowful Heart will expand in Great Graces of Love for those who contemplate this Great Pain of Mine, with true Pity and Devotion... May this Great Pain of Mine be known in the world, so that it may be converted and have lasting Peace. .. Say, that I will grant everything to the souls who contemplate these My secret Sorrows daily, and say a Hail Mary after each of them... I bless you all today..."

Jacareí, July 27, 2001- Apparition of Our Lord Jesus Christ

"My Sacred Heart is already 'exhausted' from imploring this perverted humanity to convert and to respond to My Messages and the Messages of My Mother...

After more than a century and a half of frequent Apparitions of My Mother and Mine, humanity not only did not respond, but began to persecute US, and to 'trample' Our Messages...

My Heart has almost exhausted all possible efforts to warn you, convert and save you, and now, if you no longer respond to My Appeals of Love and Mercy, I will be forced to do what does not please Me or make Me happy: correcting you through great punishments...

My Holy Catholic Church is full of 'poisonous serpents', which without ceasing inoculate their 'fatal poison' in souls, making them abandon the true Faith and Love of Me; then, true devotion and Love to My Most Holy Mother and, finally, losing all the Filial Fear of God...

It is almost imperceptible how 'this poison' is inoculated into souls through preaching and sermons, where souls are taken to to esteem themselves more than Me and My Mother, to find the 'works' that they do more beautiful, perfect and extraordinary than the Works that I and My Mother do...

This 'soft poison', that numbs, deceives and blinds everyone, is flowing freely in the 'veins' of My Church,

causing Her to waver in Herself, with nothing to do, since She refused the only and the Last Remedy that could heal Her and save Her in these times: The Messages from My Sacred Heart and from the Immaculate Heart of My Mother!

This wave of pride and spiritual arrogance will almost lead My Church to ruin, but in the 'last moments' of its most painful agony, the Glorious Sign of the Apocalypse, the Woman Clothed in the Sun, My Beloved Mother, who appeared here as Queen and Messenger of Peace, showing Me Sacramented in Her gentle right Hand, and in the left showing Her Most Holy Rosary, and then many will still understand what they must do, and 'by extraordinary and decisive action' of My Most Holy Mother, the Church, 'as if by magic', will be saved and freed from the control of all those who distort, destroy and want to be more than I and My Mother...

All those who are left of the tribulations that will come will understand and recognize that it was a Miracle of the Apparitions of My Mother and Mine that saved the Church...

Thus, Our Two Sacred Hearts Will Triumph....

May the First Fridays of the month be more Honored and Respected, as My Sacred Heart Desire, here and in Paray-Le-Monial...

Do more often the Nine First Fridays and the Nine First Saturdays of the month, and from now on also the Nine First Sundays in Honor of the Most Loving Heart of My Adoptive Father Saint Joseph...

To those who make the Nine First Sundays, I make the same Promises I made earlier on the First Saturdays and Fridays, with the additional Promise to be personally assisted by My Adoptive Father Saint Joseph at the time of death, and to expire in His Blessed arms. Mark ,

make this My desire known throughout the earth...

The time has come for the 'Mystic Light' of this place, My Sanctuary of the Apparitions of Jacareí, to shine throughout the land..."

Jacareí, 05th of December August 2001 – Our Lady's Birthday
Message from Holy Mary

"Children, I, your Mother, the Queen and Messenger of Peace, the Mother of God, of Love and of Grace, ask you: Do not sin anymore!... Do not offend God, Our Lord, who is already so sad, so offended!...My arms have held the Sword of Justice… from falling on you… but with the passage of time… I can no longer hold it…
It now hangs over your heads… Do not mock God, saying “It has been a long time since punishments and punishments have been announced, but nothing has happened!” … because, when you least expect it, the Sword of Justice will vibrate on you, and in less than two minutes, many will die! swallow men, if you want… My children, I have been praying for you, but… My prayers will no longer be able to contain the Just Wrath and Indignation of the Most High, against so many sins that you commit, without repentance..

I am tireless, it is true, but I want you to understand that My Love for you, that My Will to save you, is subject to the Will of the Most High... and I can do nothing if your refusal of God, if become definitive, and then the Punishment comes... I am between the Cross and the Sword, because on one side I see My God, My Divine Son, so offended... And on the other, I see you, clinging, clinging to your sins, to your pleasures… without conversion… without seeking a firm change of life… Oh, My children! May someone have mercy on My Pain!... May someone help Me to save souls!... Pray, pray the Rosary!... Fast, do penance!... Live and spread My Requests ! If you do this, My Immaculate Heart will triumph, and the Father will send times of Peace, Mercy and salvation to the earth… I bless you all today, on the day that I,
I bless you all right now!..."

Message from Saint Joseph

"Beloved children, hear what I have to say to you, through the mouth of this My servant!... My Most Loving Heart wants to attract you... to the Heart of My Most Beloved and Most Chaste Spouse, Most Holy Mary... My most loving Heart, just as you searched for a cave for Her in Bethlehem, seek today hearts that welcome Her, and that receive Her with Love...

The hearts that I seek for Her are not those that receive Her only for a while, and then cast Her out, but... the hearts that receive Her forever... It is these hearts that I desire to give to the One who is the Mother. of Love, the Mother of Peace, who is the Mother of God!... My Most Loving Heart suffered so much that night in Bethlehem, when knocking on the doors of the houses, I found no shelter... for My Beloved Wife and for My God, who would be born... this is a Secret Pain of My Most Loving Heart... I didn't suffer for Me... I suffered to see You tired from the journey... to see You exhausted by the heat of the sun. .. from dust... from thirst... and from the journey itself on the back of a colt all day... about to give birth to the Son of God...

My suffering was to see My God, King of Heaven and Earth, born in a dirty, dark and cold stable, when He should have been born in the most dignified of all places, for being God... While men ate and drank , and they retired to their warm beds, My Divine Spouse would take refuge in a pile of damp hay, to give birth... There, My Lord and God was born... Seeing Him poor... seeing Him The

shivering with the cold... seeing Him as little one... destitute of all... I had My Most Loving Heart pierced by a 'sharp arrow', and so did My Divine Spouse, Mary... How much we suffered in that night, no mind, neither human nor angelic, will ever be able to understand... Although the Great Joy of having God born with us, Filled our Soul, a poignant Pain for the contempt of men, Our Heart martyred...

Say, Marcos, say, My son, to all souls that if they venerate this My Secret Pain... that they remember It every day, and honor Me by praying an Our Father, Hail Mary, Glory to the Father and the Jaculatory of My Most Loving Heart, I will grant everything to these souls, as long as what they ask for is not opposed to the Will of God. lives, wherever they are... I came to praise the Wonder of God, who is My Divine Spouse... Yes, She Lives!... She Reigns!... Reigns and Will Reign... forever!. .and all His enemies will be placed at His feet!...One day, the whole world will be saved, by a Miracle of My Divine Mary!.. Her Immaculate Heart will triumph, and the souls that welcomed Her, who received His Messages...who welcomed Our Lord Jesus Christ and His Divine Will... those souls... standing, will receive Her, Glorious... coming on the clouds of Heaven, with Her Divine Son, surrounded by all the Holy Angels, touching the singing to Her... and this land will become the “Marial Land”, the Land of Mary... the Paradise of the Virgin Mary... the Garden of Delights of the Divine Shepherdess... of the Divine Mary... today I bless...”

Jacareí, August 18, 2001 – Message from Most Holy Mary

"Satan is furious with those who live My Requests... It is necessary to pray a lot, a lot... it is necessary to pray more and more... Satan pursues them with fury, but... I also fight for you... Have confidence in Me, My children, because at the end of this Great fight, I will win!... I love and protect you, today and always! !

Day 20/08/2001 - Message from Our Lady - SECRET PAIN

"My son, write: When I was in the Temple of Jerusalem, when I was still a little girl, warned by the Most High Lord of Heaven and Earth that My Beloved Earthly Father, Saint Joachim, would soon leave to take the Inheritance of the Righteous , and wait with the Holy Fathers for the Coming of the Messiah to earth to rescue souls...

At that moment, although I felt a Great Peace and Joy in knowing that My Holy and Beloved Father Joaquim would receive salvation, My Immaculate Heart felt a heavy blow of PAIN. For I loved My Holy Father Joaquim with the true Love of a daughter... It also caused me immense distress to know that My Mother, Saint Anne, would be alone in the world, still waiting for Her time to go to the ETERNAL FATHER , and the thought of His Pain and Sadness greatly increased My Anguish... However, the ALMIGHTY consoled Me, telling Me that He Himself would grant My Holy Father Joaquim His Divine Grace at the time of death, and that He would give My Mother Ana the necessary strength to bear the Pain of My Father's departure...

As for Me, he said that he would grant Me the Grace of seeing, through a Mystical vision, the death of My Father and of being able to send My Holy Guardian Angels to his aid, as well as all the Angels of Heaven that he wanted, to assist him and lead His blissful Soul to limbo, where it would wait for the Coming of the Messiah, and receive His Eternal Prize...

I then put myself in intense and deep prayer, asking the LORD to strengthen My Father in His last moments, and to give Him the Grace to overcome the last attacks of the devil and expire in Peace. The LORD heard Me and, when the supreme hour of My Father's life had arrived, the Holy Angels from Heaven descended with wreaths of flowers of different colors and perfumes and approaching the bed in which My Father was dying, they began to chant many and varied

songs of praise to the LORD, for all the Graces that He had granted to My Father, and for all the Benefits that He had granted to Him and through Him, to all Humanity. My Holy Father heard the songs of the Angels, however, without being able to see them. It was there, then, that My Mother Anna deigned to reveal the SECRET that she had kept since she conceived Me, that is, that I, Her Daughter Mary, was the Immaculate Conception, without stain or blame, that should bring to the world the SAVIOR, the awaited MESSIAH, the very Son of GOD and, therefore, the Second Person of the HOLY TRINITY, who would redeem the entire human race and repair the sin of our first Parents, Adam and Eve...

Then the Heart of My Father Joaquim was filled with unspeakable joy, who, together with the Holy Angels, sang many and very high songs of praise and thanks to the LORD for this FAVOR of inestimable value...
I then asked the LORD to grant Me to send My Guardian Angels to where He was to comfort Him and to tell Him how grateful I was to Him for all He had done for Me, and how much I LOVED Him as His True Daughter, and that I would remember Him with LOVE all the days of My LIFE...

I obtained this Grace from the LORD and then I sent My Holy Guardian Angels, who hurriedly went to My Father, transmitting all My WORDS to Him and surrounding Him with His Most Blessed LIGHT, although only My Mother Ana could see them... Many flocks of Angels began to descend from Heaven at that moment, to form the Luminous Procession that should lead the Blessed Soul of My Father to the Abode of the Just... passed, Satan and the other demons of hell began to talk to each other about what was happening, and if all that joyful alteration in Paradise was not something new that was approaching or even if it was not the COMING of the MESSIAH to the world. They then approached My dying Father in fury to assault Him, so that they could perhaps discover the reason for the things that were happening, but,

Then My Holy Father, after giving Me His last Blessing and asking the Holy Angels to bring Me, then gently expired, and His Soul was led by a Great Procession of Angels to limbo, where it would await the COMING of the SALVADOR and the REDEMPTION of all... As soon as he arrived there, he announced to the Holy Fathers and Prophets who were there, that His

Daughter was the prophesied Virgin who would bring the REDEEMER to the world and that SALVATION was near, which caused Great Joy among Them...

Tell the whole world, then, My son, that, although totally conformed to the DIVINE WILL concerning Me and concerning My Father's death, I did not stop suffering because of My Father's departure, for the Daughter's natural LOVE that He had , as well as the SUPERNATURAL LOVE that united Us in such great MYSTERIES, made My Heart, although happy for the Salvation of My Father, also Bleed with PAIN for being physically separated and orphaned from Him...
I then offered My PAIN, at the time of My Father's death, as a Sacrifice to the LORD, for all men, of all times, so that at the moment of their agony and death they could have a good and holy death, like the of My Father, and that in this way they could achieve ETERNAL Happiness... The LORD answered Me that He would grant this Grace to all those who fulfilled His COMMANDMENTS with LOVE, and who had True FAITH in His DIVINE SON JESUS CHRIST, and True Devotion and LOVE for Me. and that it was in My Power to grant them these Graces as I pleased to dispose...

So tell the whole world, My son Marcos, that I will grant these Graces to all those who, full of Love and sincere Devotion, remember every day this Great Pain of Mine Unknown to the world, and that I will infuse them with a Great Strength in pain and a Great Patience in their sufferings, and they will be able to overcome everything and safely reach Heaven...
To those who venerate this Great Maternal Pain of Mine, I also promise to assist them with all My Graces at the time of their death, which will then be serene and happy...
Go, My child, and transmit all this to My children, thus fulfilling your mission of giving these My TREASURES that I reveal to you to the world, so that My little children can safely reach Salvation and Eternal Glory...

I bless you all at this moment..."

Day 24/08/2001 - Apparition of the Holy Angel of Peace Revelation of the 'Hora de São José'

(Report - Marcos) On this day, the Holy Angel of Peace appeared to me. He greeted me at the beginning of the Apparition and then said to me:

(Angel of Peace) "Marcos, I come from Heaven today to tell everyone to continue to pray... The ALMIGHTY is 'pleased' with your prayers, but we need to pray more...
I come by order of the LORD and the BLESSED VIRGIN to tell you that, from now on, every Sunday at nine o'clock at night, the 'HOUR OF SAINT JOSEPH' should be celebrated in the family. This family prayer time, like the 'PEACE HOUR, should be done with ten minutes of silence at the beginning. Then the Rosary of Saint Joseph must be prayed, imploring him the Grace of Union, Sanctification and Peace in families all over the world... After the Rosary, the Prayer to Saint Joseph and His Litany must be said . After reading the

Messages of the Book* and the Holy Bible, they will pray the Consecration to the LOVING HEART of Saint Joseph...
If this Desire of the LORD is fulfilled with obedience, families will regain Peace, Union and Harmony, lost by their sins... Young people will be preserved from many evils, such as drugs and impurity, and will be kept on the straight path ; little children will be protected and protected from the evils of today's world and couples will be preserved from infidelity, adultery and separations... Many divorced spouses will return home and many young people who have deviated from the right path will return to the life of Sanctifying Grace and the Sacraments. ..

Make, therefore, the 'HOUR OF SAO JOSEPH' with Perseverance, Love and Obedience, and He. who is the PROTECTOR of families, will help and protect them in the tribulations of life...
This 'HOUR OF SAINT JOSEPH' must become known and spread over the entire face of the earth, so that as soon as possible what can still be saved from the fury of the evil one can be saved... Pray!... Pray!. .. Pray!..."
(Report - Marcos) Then the Angel prayed a few prayers with me and then disappeared.

Day 07/09/2001 - Great Monthly Cenacle Message from Our Lady and Our Lord Jesus Christ Message from Our Lady

(Report - Marcos) After the initial greetings, I asked Our Lord and Our Lady what they wanted from me. Our Lady always in a very serious and sad tone, shedding many Tears... Her Voice, choked by Pain and Affliction, was like the voice of someone who seemed to have made a great effort and who was, therefore, as if tired ... After they had given me Her instructions, Our Lady said to me:
(Our Lady) "My Heart!... (pause) My Immaculate Heart, is overcome with PAIN... (pause)
Men ignore My messages and admonitions... (pause), and it is because of this that a great punishment will come to the earth... (pause)
If you don't pray, Russia will be the 'whip' of humanity... (pause)
If you don't pray, Brazil will have a lot to suffer... (pause)
The increase in violence and fighting between you is a punishment for your sins...
Are you crying for the lack of Peace, My children?... For I tell you that you will still cry much more... (pause)
Because they did not fulfill My Messages, Satan became the owner of youth, the owner of families... The owner of many priests and many souls, who are going along the path of perdition... (pause)

There are many who do not want to hear My Messages... Who do not believe in Them... Who have no respect for Them... And who mock them... (pause) For all this, My Son's Arm is very heavy!... (big pause)

They are already in the last Messages and, until now, they have not been converted... (pause) How can My Heart not be sad?... (pause) How can My Immaculate Heart not be pierced with 'thorns*?.. What Mother doesn't suffer when she sees her children disobeying her and going down the path of perdition?... (long pause)
Brazil!... (pause) Convert yourself!... (pause) I, your Mother, have asked you that many times...) (pause)

France, (pause) much has been given to you!... I have made many Apparitions and Graces for you... (2) Much has been given to you... Much more will be demanded of you... (pause)
Spain!... (pause) What have you done with My Messages?... (pause) Listen to your Mother who spoke to you in Garabandal, El Escoriai and so many places... (long pause)
Italy!... My Immaculate Heart has loved you and given you... And much will also be asked of you... (pause)
Chile! Chile!... Why didn't you listen to the appeals of your Heavenly Mother?... Why didn't you listen to what My Heart (pause) told you?... (big pause) If you don't pay attention to My requests , very soon, (pause) people will kill each other in the streets, and death will be seen everywhere, reigning over cities and peoples... (pause)
Only I can give you Peace!... Because GOD (short pause) has placed Me at Heaven's Gate and no Grace comes from Heaven to Earth except through Me, and nothing goes from Earth to Heaven except through Me...
I AM Theotókos... (short pause) the Mother of GOD!... (short pause) the Queen of Heaven and Earth!... (short pause) the Queen and Messenger of Peace!... (big pause) break)

Listen My son!... (short pause) My Heart can no longer bear to be pierced by so many sins... (pause) I am exhausted from asking humanity to convert, and not finding an answer in My children... (break)
Look at My Son, My Immaculate Heart... Full of thorns!... (big pause) (Note - Mark: here, I saw the Immaculate Heart of the Most Holy Mary surrounded and pierced by sharp thorns).
Console My Heart!... (pause) Remove the 'thorns' from Me, My child! Remove the 'thorns' from Me!... Don't let Your Heavenly Mother suffer like this!... You can console Me... You can console Me, through your prayers and through your life!... (pause)
Tell My children (pause) that My Heart is filled with PAIN... That My Eyes do not stop crying... And My Soul is in constant distress! Because I see My children 'going in rains' to perdition... (pause)
May souls of good will (short pause) come from all over the world to answer My Messages and My requests... Say this, My child, say this... (short pause) and be calm and do not fear... Not the slander... Not the attacks... Not the people's hatred against you... (short pause) If they persecute you, it's because Satan does it... If they hate you for no reason, it's because Satan so it encourages them...
Pray and triumph over them, My child, for your patience and trust in Me... I AM your Mother... And I am and will always be with you... By your side... (pause)

Tell My children not to offend My DIVINE Son anymore, who is already very offended... Pray the Rosary every day, My children, and live all that I have communicated to you... (long pause)
If you do not enter the Ark of Salvation that GOD gives you, the Ark that is My Messages... (pause) you will not be able to enter Heaven later... (big pause)
I give you My Messages (short pause) with My very afflicted Heart... Listen to Me!... Listen to Me!... Listen to Me! Without delay..."

(1) Our Lady refers here to the requests that She made to Brazil in the past, as in Pesqueira, Fortaleza, Erechim and others.
(2) Here Our Lady refers to the Apparitions of La Salette, Paris, Lourdes, Pontmain, Pelevoisin, Dozulé... all in France.

Message from Our Lord Jesus Christ

(Report - Marcos) During the Message, in a very serious and sad tone, representing a great PAIN... His Voice was choked with sadness...
"My child, tell souls, tell My children... That I, JESUS, am here... (short pause) I am here always, not just today... I am here twenty-four hours a day. day, with My Mother, at the foot of this Holy Tree... We are constantly at the foot of Our Miraculous Fountain... And at the foot of My Father's Fountain, São José... Tell the souls of the whole world, My child, that My Sacred Heart yearns for them... (pause)

I am HERE as the Merciful One to save you all... (pause)
If you weep for all your sins, if you repent here of all your wickedness and vileness... My Sacred Heart will be a refuge and a shelter for you... (big pause)

My Heart is sad, My child...
How sad would it not be, seeing so many sins that are committed on earth... No repentance! Without any pain, in the soul and in the heart... On the other hand, prayers are not enough to appease My FATHER's Wrath... Who is so offended... Who is paid with so many ingratitudes... (pause)
My Heart is sad, My child... Tell this to My children throughout the world!... Tell My children that My Tears and My Mother's Tears must dry!... With your prayers and with the your life... (pause)
The devil has taken possession of many priests... Many bishops and cardinals, who no longer preach the Gospel as I gave it...

The devil has taken possession of youth and manages it... As he sees fit... (long pause)
Many mothers do not allow the creatures they have in their wombs to be born... They kill them!... And this sin cries out to Heaven, it cries out to ME, for revenge... (pause)
Many (short pause) live together 'like animals', without being married in My Holy Church and My Holy Law... They live in sin and offend Me every day... (pause) Tell these My children to change of life!... Let them leave sin and walk holy in My Presence... (pause)

Many, only pray to ask for material things, and think they can deceive me... To those. I close My Ears, and I open them only to those who ask Me for Graces to do My Will, and for My Kingdom of LOVE to come to earth... (pause)
Many come here not to listen to My Messages and those of My Mother with love. but to mock and make fun of them... (pause) These people will have My Justice already in life, and at the time of death, I will be their implacable Judge... (long pause)
Some come here and don't even say a Hail Mary... It would be better (short pause) if they hadn't come... For by doing so, they provoke My Justice, and My Justice will be with them... (very long pause... a stop...)
Brazil!... (pause) What have you done with My Messages and My Mother's Messages?... (pause) Why have you stepped on Our Messages, O Brazil?... Convert quickly!... Convert you... Because otherwise, your own children will be your destruction and your downfall... (pause

If the Brazilian people do not convert soon and if they do not live Our Messages, the demons will take over and destroy everything!... They will sow war... hatred and destruction in this homeland... (pause) I cannot save you! you, if you don't want it... (pause)
I did penance! Pray the Rosary! Visit me in the Blessed Sacrament... Even for twenty minutes a week*... (pause)
Pray the Way of the Cross!... Fast!... Live My Word!... (short pause) And what I want... (pause)
Keep coming here, little children... Keep coming here because this Holy Place (short pause) is a source of Grace for you... My Mother and I are here constantly waiting for you... Come... Come ... Come to Us!... (pause)
Tell the Holy Father (Note: This is the Pope at the time, John Paul II) that I am with Him always and that My Mother accompanies Him wherever He goes... And Her Immaculate Heart (short pause) is and will be your Eternal Refuge... (pause)
Do you see, My child, how My Sacred Heart is also pierced with thorns?... (pause) It is the sins... That poor sinners commit... (pause)
Don't be afraid of anything, My child!... (short pause) You are persecuted, aren't you?... But they also persecuted ME... They scourged ME, crowned ME with thorns, crucified ME and put to death., .(short pause) but in the end, I TRIUMPHED... and you, with patience, love and trust in US, will also triumph... (pause)
Say Marcos, tell My children that I LOVE them very much... And that they stop mistreating My Mother and My Heart with their sins...
What I find most difficult is seeing My Mother cry... Because SHE, being as good as she is, did not deserve and could not (short pause) be so offended... as she has been for you... (pause)
If you don't want... the Wrath of My FATHER to manifest itself, (pause) run!! Move!! Convert!...

I bless you all now..."

Continuation of Our Lady's Message

(Report - Marcos) Then Our Lady took up the word again, she always said to me in a very serious and sad tone, with her Voice choked by PAIN and Affliction:
(Our Lady) "See My son, how men are no longer interested and do not ask about My Messages?... They are not interested, My child... They don't want to know anything... anything... (short pause)
The day of punishment will come and take them by surprise... And the number of those who will perish will be great, My child, it will be great!... (pause) I know the day and I know the hour... And it will be great, My son!... Many will perish... This is why My Immaculate Heart is transfixed and paralyzed with PAIN... (pause)
Tell My children to dry My Tears, My son... To dry them with the Rosary... With the dissemination of My Messages... Only then will these thorns come out of My Immaculate Heart... (pause)
Tell everyone, My child, that My Soul is in constant affliction, for the loss of My children... There are many, My child!... There are many!... Hell has opened its bowels and has already swallowed many , to many who have lived in sin, My child...
Tell souls not to sin anymore... and to heed My requests, for only I can save them (short pause) for the Merits of My Pains and Tears... for My Own Grace and Holiness... and for the My Messages... (pause)
Say, My child, that My Heart is filled with PAIN, and can no longer bear the sadness that causes Me so many sins... so many sins..."

(Report - Marcos) Afterwards, Our Lord and Our Lady, after saying goodbye to me, rose from the Tree of Apparitions, slowly towards Heaven, until they disappeared into the firmament...
Our Lady appeared today wearing a black robe and purple dress inside, with a Sorrowful color... Our Lord was also wearing a white tunic, slightly purple, also representing a Great Pain... During the Message, Our Lady seemed to have an appearance, as if she were so full of PAIN, a PAIN so great that it impeded her speech, made it difficult for her to speak... SHE had a very sad face, shedding a lot of Tears. Her aspect was also that of a person who looked tired, who seemed to have put in a lot of effort, and because of that, she was kind of tired.
Our Lord also spoke slowly, His Voice was choked with sadness. THEY, during the Message, did not smile at any moment...
After the Messages, THEY gave the Blessing to the people present here, to the objects, to the candles, to the rosaries, to the books, to everything you brought with you, with the intention that it would be blessed...
It remains for us this appeal, the meditation of this Message for today...

Today, I don't know if you must have noticed, but Our Lady made it possible for everyone to also hear what She spoke directly to me, what She spoke directly to me. This is a Grace from the Heart of Our Lady for sure, and it is good that this happens... and I knew that this was happening, so that you can see that in the Apparitions, Our Lady talks with the seers, She does not just come to give the Messages and then leaves, as if SHE used the seers and that's it. No, SHE talks to the seers, SHE talks to me, SHE is my MOTHER, SHE addresses me, SHE shows me HER Heart.

It is good that Our Lady grants this, so that we can perceive, recognize that She is our MOTHER, that She knows us, that She loves each one of us, and that the Message is addressed to the whole world, but is also addressed to each one of us. one of us individually. So when SHE speaks, SHE speaks full of LOVE for the whole world, as if SHE speaks for the whole world, and SHE speaks too, as if SHE speaks for each of us.

SHE speaks with enough LOVE for the whole world and enough LOVE for each of us.
How much LOVE has Our MOTHER in HEAVEN for us, and that, therefore, we do not offend Her
most...
The PAIN of Our Lord and Our Lady is very great... We need to do something quickly to console them.

Day 24/09/2001 - Message from the Angel of Peace and Our Lady

(Report - Marcos) On this day, Our Lady and the Angel of Peace came together. After the initial greetings, I asked the Angel of Peace:

(Marcos) "Beloved Holy Angel of Peace, I would like to ask You to explain to me why the Blessed Virgin said in Her Apparitions here in Jacareí, and in Medjugorje too, that if we had to choose between Holy Mass and an Apparition, we should choose the Mass... What is the true meaning of this phrase of the Blessed Virgin? "

(Angel of Peace) "You must tell the world that the Blessed Virgin said this out of HUMILITY, MODESTY and SIMPLICITY... SHE, infinitely HUMBLE, MODEST and PURE, did not want to compare the importance of Her Apparitions with the importance of the Holy Mass and of the Holy Eucharist... However, this does not mean that Her and Our LORD's Apparitions are worth less than the Holy Mass. They are different things, with different values, that no mind, neither human nor Angelica, will ever be able to probe or scrutinize, and that only in Heaven will they be able to understand...
Although the Holy Mass is the renewal of the Sacrifice of Our Lord, the Apparitions are also INFINITELY IMPORTANT, as they are the 'last lifeline of humanity', in these times in which you live...
That is why those who think and say that the Apparitions of Our LORD and the BLESSED Virgin are worthless are MISTAKES... You must say this to the whole world: That the Holy Mass and the Apparitions have an INFINITE VALUE... and that one thing is not opposed to the other, but both converge towards Heaven, towards God..."

(Marcos) "Thank you, Holy Angel of Peace, for these words of Love and Wisdom... (pause) And you, My Heavenly Mother, what do you want from me today?"

(Our Lady) "My son, today I want to show you My Immaculate Heart again. Here, in Jacareí, where I revealed My Heart to you as the 'Immaculate Heart of Mary', I wish to tell you that I want HE to also be known as THE IMMACULATE and EUCHARISTIC HEART of MARY...
You must tell the whole world that My Heart was not only the SACRARY and TEMPLE of the Incarnate VERB, but that it WAS and IS the ONLY DOOR and the ONLY MEANS by which the Incarnate VERB came into the world the first time, and comes again. in the Altars of the whole Mun...

Just as I was spiritually, but REALLY united to My DIVINE light in the Sacrifice of the Cross, so I am spiritually, but REALLY united to HIM in the Holy Sacrifice of the Mass...
The same FLESH that I gave him to be sacrificed on Calvary is the FLESH that IS present in the Holy Eucharist...
The same BLOOD that I gave him and that was shed on Calvary is present in the Holy Eucharist...
Therefore, without My MATERNAL INTERVENTION in the Holy Mass, there would be no INCARNATION of JESUS under the 'species of bread and wine'...
It is I who bring JESUS to the Altars, to be present in the 'Sacred Species'.. .
In the Eucharist, I give you the FLESH and BLOOD of JESUS, which I formed in My Most Pure Womb... In the Holy Eucharist, I give you the FLESH and BLOOD of JESUS, FLESH of My FLESH, and 'BLOOD of My BLOOD'...
I am the Mother of the Holy Eucharist!...
I am the Mother of GOD-VICTIM!...
I am the Mother of the Sacred Heart of JESUS!...

The same Heart of JESUS that I formed in My PURELY Womb is What you receive Sacramentally in Holy Communion... And My EUCHARISTIC Heart that brings you and gives you the Heart of JESUS...
It is a MYSTERY that they cannot yet fully understand, but that one day, in Heaven, they will fully understand...
Therefore, My child, I want you to say to all My children, that just as I was INSEPARABLY united with My Son in the Sacrifice of the Cross, I am also in the Sacrifice of the Mass and Holy Communion, and that in each ' Holy Particle" you will not only receive My DIVINE Son JESUS CHRIST, but also spiritually and REALLY ME...
Tell everyone that I want My Heart to be known here in Jacareí and throughout the world as "THE IMMACULATE AND EUCHARISTIC HEART OF MARY"...

I bless you all today..."

Day 26/09/2001 - Message from Our Lady

(Report - Marcos) After the initial greetings, Our Lady prayed the Our Father with me. Then she said to me:

(Our Lady) "My child, it is necessary for the world to recognize the Great Privilege of My Co-Redemption and Universal Mediation of ALL Graces...
My DIVINE Son JESUS CHRIST wants that beside HIS Sacred Heart, My IMMACULATE and EUCHARISTIC Heart and also the LOVING HEART of Saint Joseph be placed...
When the world recognizes My IMMACULATE and EUCHARISTIC Heart and My Singular Privileges of Co-Redemption and My Universal Mediation of ALL Graces with GOD, then My Immaculate Heart WILL TRIUMPH...
The moment every heart recognizes Me as the SOVEREIGN of the WHOLE UNIVERSE, Crowned with ALL the Privileges with which GOD Honored Me, then I will be able to establish MY KINGDOM of LOVE and GRACE in the world...
Pray, therefore, My children, so that as soon as possible the TRIUMPH of My IMMACULATE and EUCHARISTIC Heart may come on earth... Pray many Rosaries so that GOD may accomplish all that I have told you, and that Satan can do nothing against OUR DESIGNS...

I bless you all today..."

Note: This message must be understood in the context of the time it was given, when the apostasy of the Church was not as strong as it is now. Today, going to Mass in Brazil means drinking the pure poison of liberation theology, communism, diminishing the value of Our Lady, the saints, the Rosary, denying the existence of Hell, Heaven and other dogmas of the faith and, therefore, it means putting your faith and your salvation at risk. Day 10/07/2001 - Great Monthly Cenacle
Message from Our Lady, Our Lord Jesus Christ and Most Loving heart of san jose

Message from Our Lady

"My children, I am the Queen and Messenger of Peace... I am the Lady of the Rosary... I am the Queen of Angels... I am the Queen of LOVE...
I ask you to pray even more now that conflicts and wars are taking place... If you had heeded My Messages, there would have been no war... If you had heeded My Requests, from Paris and La Salette to here in Jacareí, Satan would not be with as much 'power' as he is now... and could not cause so much disorder and so much evil in the world...
You, with your lack of prayer, with your sins... with your disobedience to My Son's Messages and Mine, have given Satan the possibility to scourge you through war, famine and persecution against Faith...
See, My child!... My Heart is pierced by 'very deep thorns', which wound even the deepest part of My Heart... These 'thorns' are the sins of each one of My children, from the smallest to to the most serious... All of them are stuck in My Heart and there is no one to take them out, My son... There are no good and

generous souls who want to remove the 'thorns' from My Heart, for their prayers... for their sacrifices... for their lives perfumed with virtues...
Everywhere I look, I only see sin... and more sin... How can My Heart not be 'saddened', My child?... How can it?... How can I contain My Tears of Blood and prevent them from falling, if I don't find a single soul that responds to My Requests and the Requests of My Son, with LOVE?...
Console Me, My child!... Console MeL. (pause) Pray many Rosaries!... Because only then will you be able to comfort ME!... (pause) Tell My children to do the same, because My Eyes are already exhausted from crying!...
My Requests were not answered... the Evil One took over the earth... the number of My children who live and die in sin is immense!...

O My children, what can I do if you do not want to live My Messages?... If you do not want to obey My Advice?...
I have asked you many times to pray and fast for the United States... You did not obey ME, and now you see the consequence...
I asked you to pray for the Arab countries... You did not obey ME... and now... here is the consequence!...
Everyone talks about war... they want Peace... but nobody says that this war is happening because My Messages have not been heard... and nobody says that Peace can only come through obedience to My Messages... And this is what leaves My Heart so pierced. My child: the contempt, the general disregard for My Messages...
I tell you that on JUDGMENT DAY, La Salette, Lourdes, Fatima... will rise up against this generation and accuse it before My SON!... I tell you that My APPARITIONS will 'scream' before the COURT against those who despised, smothered and ridiculed them...
I ask you to live My Messages... The days are ending... The time for conversion is ending... Convert, My children!... Convert! I do not want to lose any of My children... Convert!... Convert!...
I bless everyone today and ask you to pray the Rosary... Because just as I saved the world several times through the Rosary, only through the Rosary will I be able to make My 'IMMACULATE and EUCHARISTIC' Heart TRIUMPH in this world of sin...

Pray many Rosaries, My children!..."

Message from Our Lord Jesus Christ

"My son, tell the souls of the whole world that My Sacred Heart is also pierced with PAIN like My Mother's"... Everywhere My Most Holy Eyes Turn, I only see wars, sins and violence, injustice and rebellion against ME and all that is Holy...
The 'PLACES' where Me and My Holy MOTHER APPEAR are completely abandoned and relegated to oblivion... Wherever ME and My MOTHER go and

We give Our Messages, then the Evil One moves 'his', to make My NAME and My MOTHER's NAME disappear...

Oh My child!... I have been looking for 'lovers of the CROSS'... 'Friends' of My Cross and My Passion... But... I do not find... (pause) When I present the CROSS to the My children, they... either flee... or hide... or rebel against ME... (pause) If only they had accepted the sufferings... If they had accepted My Redeeming Crosses... If if they had helped ME with their sufferings, in the conversion of sinners... There would be no more wars, and sin would have already been won... But they don't understand My CROSS... They don't understand My Passion.. They want to live only in pleasures and pleasures... In money and luxury... In comfort and amusements... They only think about amusements... And they don't care about anything, My son!... about anything ...
Poor youth!... it languishes night and day... and it has done such horrible things, such as have never been seen in the history of mankind... Kill... steal... lie... spread evil... The Evil One took possession of the young people whom I redeemed and who were baptized in My Holy Catholic Church... and made them... many of them... instruments of evil...
How can I not cry, My son?... How can I not cry in the face of such disgrace?... Tell My children... tell the young people... that I LOVE them and that I don't want any of them to be condemned... Let them convert!... Let them listen to My MOTHER!... Listen to Our Messages ... Put the Rosary in your hands... and fight against the Evil One... against the world... against sin... and against your own worldly desires...

Tell the families that My Sacred Heart is very sad, because they don't pray anymore. Because you no longer kneel at the feet of the Image of My Heart and My MOTHER, as you used to do... Satan freely enters and leaves your homes and your families, because you no longer pray... He acts for someone else... And sometimes he acts for everyone... Only the prayer of the Rosary and fasting, lived by your families, will be able to expel the Evil One from within your homes...
Oh My son!... How can My Heart and My Mother's Heart not be sad seeing so many abortions... So many bad priests, who don't pray... who don't live what they say and only set a bad example. .. who only think about mundane things!...

How can I not cry, when I see innocent children, dead in their mothers' wombs

How can I not cry when I see My Church falling apart?... Nobody knows the True Faith anymore... Nobody else believes in the Dogmas of My Church... in My MOTHER'S PRIVILEGES... Nobody else recognizes Mine DIVINE Presence in the Blessed Sacrament...
Tell My children that I want them to spread Devotion to the IMMACULATE and EUCHARISTIC Heart of My Mother... Because only then will souls recognize what My Blessed Sacrament of the Altar is!...
How can My Heart not be sad, seeing My children dying under iron and fire?... (Note: Clear reference to those who died in the terrorist attacks in the United States of America on September 11, 2001)
How can My Heart not be sad, seeing My POPE helpless and ridiculed by everyone?... (Note: This is Pope John Paul II)

How can My Heart not be sad, seeing My MOTHER being debased... Humiliated and despised within My own Catholic Church, of which I MADE HER MOTHER and QUEEN?...
How can My Heart not be sad, seeing so many crimes... so many immoralities and so many sins?... So many bad books... so many indecent magazines, filling the world with the 'mud' of sin?...
How can My Heart not be sad, seeing that, even after ten years, there were very few who obeyed Our Messages and who recognized Our Holy Presence here in this PLACE?...
My son says that My Heart is very sad... very sad... And that there is only one way to comfort Me, and also My MOTHER: by obeying Our Requests... (Note: the Messages.. .)

Tell My children that they say 'no' to the world... That they refuse the offerings of the Evil One... and renounce sin...
Tell them to meditate more often on My Sacred Passion... That they read the Book "Imitation of Christ"... That they read the "Treatise on True Devotion" to My Mother... That they read the Books that deal with Privileges and Glories of My Mother... Let them read My Mother's Life and My Life... (Note: these are the Mystic City of GOD's books) Let them read Our Messages... If this generation does this, I will have pity... I will have mercy... I will have mercy on her... Otherwise, the fire will be her end...

Say, My child, to the souls of the whole world that My Sacred Heart is SMASHED by the sins of the world... And so is My Mother's and Saint Joseph's... Console Me, My Son... Console -Me... and tell the souls to do the same...

I bless you all..."

Message from the Most Loving Heart of Saint Joseph

(Mark) "Beloved Father Saint Joseph, what is Your Message for us today?"

(Saint Joseph) "You already have many Messages... Live them without delay!..."

(Report - Marcos) We prayed the Our Father together and then the Three still said some private things to me, said goodbye and began to rise serenely from the top of the Tree of Apparitions, until they disappeared into the immense distance of the firmament...
Today, Our Lady came in a black robe and purple dress, like Dolorosa... Our Lord and Saint Joseph were also wearing a light purple tunic. Our Lady cried the entire time of the Message, and Our Lord, from one point of the Message onwards, also began to cry... Both spoke with great difficulty because of His Pain... They did not smile at any moment of the Message. .. Our Lady had Her Heart visible in Her Chest, pierced by thorns... Our Lord also had His Heart visible, only CRUSHED, with a large stain of Blood around it... The Most Loving Heart of Saint Joseph was also visible, disfigured by Pain...

Let's take these Messages in Our Hearts and live them... I asked Our Lord if, during the month, we could do something for the Peace of the world, so that the Third World War doesn't happen... and He told me that we should do many Sieges of Jericho, so that when the Siege of the Rosary of the Hail Mary is over, we should do the Rosary of Tears of Blood, the Rosary of Peace, the Rosary of Mercy, etc. May the prayer for Peace never cease... In this way, we will achieve the Grace of Peace.

Day 10/10/2001 - Message from Our Lady

"My child, the 'third part' of the SECRET of FATIMA has not yet happened... And when it does, everyone will be astonished to see that I had already given it so long before... Pray, pray a lot, My children, because if there is not much prayer, almost no one will be saved..."

Day 10/17/2001 - Message from Our Lady

"My son, tell the world that I am very sad, because My Calls have not been heeded... With each passing day, the situation of the world worsens more and more, because Humanity refuses to return to GOD. ..
Increasingly, less importance is given to the Eucharist, and efforts are made, as much as possible, to make the Prayer of the Holy Rosary disappear from hearts and families...

If Humanity does not do penance soon, a GREAT PUNISHMENT will befall it... I have made repeated Calls to the Conversion of the World, from La Salette to the present day, but... I have not been heard...
I appeared in Medjugorje asking for Peace... but, starting with Yugoslavia itself, I was not heard... The war came, many souls were lost... and despite this, Humanity did not understand that that war was a SIGN of that if all are not converted, all will perish in the same way...
Then, I appeared in Kibeho (Rwanda-Africa), warning of the war that would take place in that region... I was not heard... The war came... many perished... and even so, the world did not want to understand Me.. .
Finally, I APPEARED here in Jacareí, ten years before, to warn of the SERIOUS CONFLICTS that weighed on the world, and asking for prayer and penance... and again. I was not heard...

Until when, My children?... Until when will I have to warn you?...
Say, My child, that with each passing day the sins increase more, and while the number of prayers and sacrifices becomes more and more insufficient to stop the DIVINE JUSTICE from striking this world, which provokes and insults It without ceasing. ..

My son, if you saw how many souls are lost in a single day, you would die of sadness and pain... It is this PAIN that I have to bear ALONE, because I do not find an answer in souls to My Anguished Maternal Appeals..."

Day 10/18/2001 - Message from Our Lady

"My son, tell the whole world that with each passing day My Immaculate Heart is filled with more and more affliction, with the current situation...
More and more, My Messages are given less value, and My Maternal Voice resounds as in a desert, with no one to listen to Me...
Satan has taken over families, youth, children and 'penetrated into the Church', filling it with 'deep darkness'... He has also taken over the media, and thus spreads 'deep darkness' everywhere. ..
To stop so much evil, I asked and I ask again that the Cenacles of Prayer and Meditation of My Messages be spread everywhere... I need missionaries, fervent apostles who spread My Messages to all families, to all cities, to all Nations... to all Humanity...

Get up! Rise up, My children! ... Go everywhere with the Rosary and My Messages in your hands, spreading and announcing My REQUESTS to all souls Let's kill, so that the greatest number of souls can be saved...
Hurry, My children!... Spread My Messages, before it's too late!...

I bless you all right now..."

Day 10/22/2001 - Message from Our Lady

"My son, I gave many 'warnings' to the world, but he would not heed Me... I gave messages in La Salette, Lourdes, Fatima, Baneaux, Beauraing, Akita, Garabandal. Montichiari, Medjugorje, and in many places.. As the world did not heed Me and did not pay any attention to My Supplications, it will have to drink the CUP of the DIVINE WRATH until the end, until the last Drop...

While I 'beg' prayer and penance, My children only think of amusements and pleasures, despising My Appeals... and on the other hand, others only seek to accompany the 'NEW FASHIONS' of the world, which have penetrated even into the Holy Catholic Religion , despising the 'SIMPLE MEANS' that I gave you in past centuries, in which the Holy Catholic Faith was threatened, to follow the 'NEW FASHIONS' that now spread, dragging many souls, but that DO NOT LEAD to a true and profound life of prayer...
My children, leave these 'FASHIONS' that now seduce many and take with LOVE the Holy Rosary, which I myself came from HEAVEN to 'REVELATE and DELIVER' to Saint Dominic, for the salvation of My children... The Rosary is a ' SIMPLE AND HUMBLE MEANS' of prayer and salvation, when well meditated and full of LOVE...
If you present a prayer that is not made with MY PARTICIPATION and INTERVENTION, it will be worthless before GOD... but if you place it in My Hands, so that I can present it to GOD, it will gain infinite value, because I will supply her with My Merits and My Motherly Grace, and then she will be exceedingly pleasing to the LORD...
The Holy Rosary is the most perfect prayer, because it is made with ME and through ME, and that is why it is so powerful... The proud despise it, because they DO NOT LOVE ME and therefore do not understand it...
The Holy Rosary is the 'ONLY REMEDY' for current ills, and He is the PRAYER that will lead you to the TRIUMPH of My Immaculate Heart... it is a

simple and very effective Prayer, that even the smallest of children can pray and reach the DIVINE Compassion...
Pray, then, My children, the Holy Rosary always... Only with many Rosaries will I be able to save you from the 'threatening loss' that now weighs on the world..."

Jacareí, 04 November 2001 - Message from the Blessed Virgin Mary

MY DAUGHTER!... You've done enough, for those who don't give you a 'drop of love' and not a 'drop' of love for ME... Enough!... I will purify Humanity, because MY EYES can't stand it plus so many daily atrocities..."... Ah My children! Astro Eros will make the Earth seem to be on fire... Many will die of fear, (pause) the terror and consternation will be general... At that moment everyone will see the sky open before them... and it will it will become like a scroll that is rolled up... it will turn white... and everyone will see before them all their sins (pause) of their entire existence, until that moment... and the pain of the wicked will be terrible, My child ... terrible!..... satan will seek out many who served him for their sinful lives... it will be horrible to go with the evil one, My son... it will be horrible!..... world will be ending, carnal and that satisfies the pleasures of the senses) How can this be, My children?... how can it?... For more than 10 years I have been teaching you and asking you to renounce everything that is worldly... and choose GOD... (pause) Leave sin!... and LOVE GOD alone!..... Because the world has not listened to MY MESSAGES, from LA SALETTE, to here in JACAREÍ, will bear the weight from his madness and his insanity... He wanted to free himself from GOD, who is LOVE and JUSTICE... and now he's going to spin around like a runaway pawn... Oh children! Never have you been in such a danger as today!... but again, I speak to those souls who love ME... to MY True Apostles... to those who love ME... to those who make Me known and beloved... to those who obey MY MESSAGES... and are attentive to MY least Desires... and I say to them: - Do not be afraid!... I know those who are truly faithful to Me... who obey My WORDS!... and those I will keep! I will jealously protect in the Refuge... in the Safe Precinct of MY IMMACULATE HEART... Heaven and Earth will pass away, but MY IMMACULATE HEART... MY MOTHER'S LOVE... will never pass through you My faithful children ..... Therefore, continue to pray the ROSARY every day... to fast... to go to HOLY MASS... to CONFESS YOURSELF every month... to live the WORD of GOD and to OBEY MY MESSAGES... And so, My children, you will be consoling Me... you will be drying MY TEARS... and you will be removing the 'painful thorns' that so hurt MY MOTHER'S HEART..... Today, I, the MOTHER who AM comforted by you, bless you with LOVE..." who obey My WORDS!... and those I will keep! Message from Our Lord Jesus Christ

"My child, tell souls that MY HEART is filled with 'sadness'... with deep sadness, MY child...
In many Churches of the world... MY BODY and MY BLOOD... My HOLY SACRAMENT is profaned... How many sacrileges, MY children!... How many sacrilegious Communions!... How many souls receive ME with their souls! in a state of mortal sin!... Scourging My BODY again... crowning Me with thorns... spitting Me... spitting Me... and nailing Me to the Cross...
Ah, My child, say to the whole world: May my children not communicate with Me in mortal sin! (1)... Let them examine their consciences before the HOLY MASS, to see whether or not they are prepared to receive Me... It is quite true that only MY MOTHER was worthy to receive MY BODY and MY BLOOD, and no other creature could

receive ME, for SHE alone is the IMMACULATE CONCEPTION... But, by MY excessive MERCY and by the excessive MERCY of MY MOTHER, who so pleaded... who so desired that MY HOLY SACRAMENT be instituted... then, in attention at HER PRAYERS... and for the salvation of souls... I instituted MY HOLY SACRAMENT, which IS MYSELF in the midst of you... But I instituted Him to be loved... to be adored... to be encircled of GRACE (2)... of holiness... of piety... of devotion!... and not of contempt... of coldness... of hate... not of sacrileges!...
How MY MOTHER cries when SHE sees ME despised, desecrated in the HOLY EUCHARIST... Murdering hands will receive ME in the HOLY COMMUNION!... Impure hands will receive ME in the HOLY COMMUNION... and I, 'hostage' of evil of men, I suffer again from MY PASSION...
Ah, MY child, say that it is because of the sacrilege committed against ME in the HOLY SACRAMENT that there are so many serious, mysterious and incurable diseases among you... In MY FLESH they hurt ME... in their flesh

they are wounded... It is the JUST WRATH of GOD!... If you want these evils to disappear, make the sacrileges and profanations against ME disappear, in the HOLY EUCHARIST...
I sent MY MOTHER here to teach the Rosary of the EUCHARIST, in 1993, to remove the 'thorns' from MY HEART... To make reparation to Me... so that MY BLESSED SACRAMENT may once again 'shine' like the SUN of world... But what did they do? ... They despised all the 'GIFTS' all the 'PRAYERS'... all the 'GRACES' that MY MOTHER gave them!... They don't care about praying... All they think about is entertainment!... All they think about is in acquiring material goods to have and to enjoy...
How my heart hurts!... What word can you use more to express MY GREAT PAIN?...
Another 'sword' that terribly wounds MY HEART is the distrust of souls towards MY LOVE and MY DIVINE MERCY... In Holy Confession they are not sincere... They do not tell everything... They do not accuse themselves perfectly before ME ... With fear and false shame...
There, in Holy Confession, I am there to forgive... to save what was lost... And not to condemn!... not to extinguish the wick that still smokes!... There I am to heal and to save ...to wash and restore with MY BLOOD... Why?... Why don't you trust ME?...

The 'sword' of mistrust hurts ME much more than the 'sword' of other sins you commit!... Do not distrust Me anymore, My children!... Do not resist MY MERCY any longer, which follows and persecutes you.. .Open to ME... Cast yourselves into MY arms! ... Cast yourselves into MY Arms, passing first through the Arms of MY BLESSED MOTHER! ... I sent her ahead of ME, here in Jacareí and in many places, to prepare MY RETURN... Give everything to HER and in this way you will be giving everything to ME... It is because MY MOTHER is not known that I I am not known... And it is because She is not loved that I am not loved... Love Her... Love Her... Love Her!... And you will be loving ME... Obey the His Messages and you will be obeying Me...
MY HEART is always here in this place... Beating with Pain and Love... For this ungrateful, perverted and sinful humanity... That does nothing but pursue ME and make MY NAME and MY MOTHER'S NAME disappear !...

Return!... Return to MY HEART!...
And you, my son, stand firm in MY LOVE... Fight bravely, Knight of the IMMACULATE CONCEPTION... I give you the Sword of the Burning Love of MY SACRED HEART, so that with this Sword, you can defeat the works of the Evil One.. And make MY GRACE and MY MERCY, with MY MOTHER, reach all the hearts of men...
Pray more often to the IMMACULATE and EUCHARISTIC HEART of MY MOTHER... Talk to HER also in Communion, because MY MOTHER is WITH ME in Communion!... Not in the 'sacramental way' as I am, but SPIRITUALLY and REALLY present!. .. It is an Unfathomable Mystery of LOVE... WE ARE ONE AND SAME LOVE!... So WE WERE on earth and WE WILL BE IT for all ETERNITY in Heaven...
And do all this for the LOVING HEART of SAINT JOSÉ HE was the one who more HE LOVED MY SACRED HEART and the IMMACULATE HEART of MY MOTHER... No one was as FAITHFUL and LOVER to us as HE!

I bless you..."

Message from the Most Loving Heart of Saint Joseph

"Son, say to the souls of the whole world, My MOST LOVING HEART desires to guide them into the IMMACULATE HEART of MARY and the SACRED HEART of JESUS... .. If I performed with so much fidelity and with so much perfection the office of Guard of GOD HIMSELF and of HIS MOTHER, will I not be able to guard them? ... To protect them from all evil?... , perhaps, capable of knowing the 'Path' and the 'Only Safe and Certain Way' that will lead them into the TWO HEARTS?...
Come to ME!... Come to ME... My MOST LOVELY HEART calls you... invites you... Just one step... one act... one act of trust... one act of total surrender ... Learn from ME, that I am also Meek and Humble in Heart... that I Am Patient... that I Am Generous... that I Am Obedient to GOD... I will teach you Justice and what pleases in the eyes of GOD.. I will teach you to LOVE... and I will also teach you to hate sin...

I will teach you what leads you to Heaven... and I will also make you see, taking the blinders off your eyes, to see what leads you to the fires of hell... How much PAIN my MOST LOVELY HEART also feels for seeing that. again, the BLESSED VIRGIN is not heard... she is not welcomed nor received with Love, as she was not once in Bethlehem...
Two thousand years have passed... and men continue to repel her and close the doors to HER... and to CHRIST, who is ALWAYS with HER and IN HER... Just as I looked for a cave in Bethlehem, to shelter the BLESSED VIRGIN and the SON of GOD, even today I look for other caves in hearts... To welcome Them... To lay Them down there... But mostly part, I find only deep pits filled with darkness and impurities...

My son, I approve the Litany to My MOST LOVELY HEART that you composed... write it and spread it to the whole world, for everyone to pray... for everyone to invoke ME and experience MY POWERFUL SPONSORSHIP...

Satan will tremble before those who invoke ME and call MY MOST LOVELY HEART... I want this Litany to be known throughout the world, so that he may convert and have PEACE...
Pray for the Holy Father (Note: Pope John Paul II)... Pray for Peace... Pray for his conversion..."

(Report - Marcos) We prayed the Our Father together and then the Three Sacred Hearts still said some private things to me, said goodbye and began to rise serenely from the top of the Tree of Apparitions, until disappearing into the immense distance of the firmament.. .
Today, Our Lady came in a black robe and purple dress, like Dolorosa... Our Lord and Saint Joseph were also wearing a light purple tunic. Our Lady cried the entire time of the Message and Our Lord, from one point of the Message onwards, also began to cry... Both spoke with great difficulty, because of His Pain...
They didn't smile at any moment of the Message... Our Lady was with Her Heart visible in the Chest, pierced by 'thorns'... Our Lord was also with His Heart visible, only Crushed, with a Big Bloodstain around... The Most Loving Heart of Saint Joseph was also visible, disfigured by Pain.

Day 12/11/2001 - Message from Santa Bárbara
At the Place of the First Apparition of Our Lady in the Sanctuary
of the Apparitions

"I come today, by order of OUR LORD and the BLESSED VIRGIN, to say that the MESSAGE that I brought here on January 21st of this year was not heard or put into practice, and that is why the LORD and the BLESSED VIRGO are so 'sad and bitter'...
THE BLESSED VIRGIN is exhausted from crying and asking the world to convert, without anyone paying attention to HER SUPPLICATIONS...
Therefore, I ask you today to put into practice the MESSAGES of the BLESSED MOTHER OF GOD, as soon as possible.

possible, so that the world is converted, and thus, the PAIN of the BLESSED HEARTS OF JESUS and MARY is diminished...
As I announced, Great and Severe Punishments are about to fall on this world that, through sin, has declared war, hatred and enmity against GOD... If the people do not make a general reform in their lives, customs and actions, soon a Great Punishment will come, because sins, especially those of impurity, have grown overwhelmingly... And the LORD and HIS MOST BLESSED MOTHER can no longer contain the ARM of the ETERNAL FATHER, offended by the world...
Hurry up, Marcos!... tell everyone to convert as soon as possible and to listen to this VERY URGENT APPEAL that I make to you today, in the NAME of the BLESSED HEARTS OF JESUS AND MARY..."
(Report - Marcos) Santa Bárbara came with a light purple robe, with a very sad face, although she didn't cry... Her Hands were put in prayer throughout the

Message... During the Apparition, She also gave me particular directions and then departed for Heaven.

Day 11/23/2001 - Friday - Message from Our Lord Jesus Christ and Our Lady
Message from Our Lord Jesus Christ

"MY APPARITIONS here, with MY MOTHER, are a CALL to all Humanity... WE appear here to say that OUR APPARITIONS in GARABANDAL are True and Sacred...
OUR HEARTS have been terribly offended and pierced. because the world did not believe in OUR APPARITIONS and MESSAGES from GARABANDAL and not only that, it fought against Them and buried Them in silence...
Satan took hold of many souls who should convert and be saved with the knowledge of the APPARITIONS of GARABANDAL, forty years ago... And because They were not made known to the world, many souls were lost...
Many bishops and priests who fought to destroy and bury GARABANDAL. and who have already died, are already in Hell... And there will still be many others, who fight not only against

GARABANDAL, but also against all OUR APPARITIONS on the face of the earth, because they are obstinate in their pride... In their blindness... and in their hatred against OUR APPARITIONS... They want to make MY NAME and NAME disappear. FROM MY MOTHER...
Tell My children that they must make Garabandal known to souls... so that they can convert and be saved...
When the MESSAGE of GARABANDAL is known, then MY SACRED HEART and the IMMACULATE HEART of MY MOTHER will be comforted and repaired...
Also say that if the new contraceptive drug* is legalized and spread throughout Brazil, MY JUSTICE will fall on this country of yours... Tell everyone that those who use it will be committing a mortal sin and a terrible offense against ME...
(Note: This is the new pill known as the morning after pill)
May My children who still have a little love for Me not take it, and tell everyone not to take it too...
You must tell all My children to be chaste... to be pure... to be good... and not to sin anymore...
May OUR APPARITIONS here in JACAREÍ, in GARABANDAL and throughout the world, be made known as soon as possible, so that as many souls as possible are converted and saved...

Message from Our Lady

"My child, see how MY IMMACULATE HEART is still full of 'thorns'... All this, My child, is because My children do not want to know about MY

APPARITIONS and MY MESSAGES... They fight against ME and against MY SON... We came to what was OURS, and OURS did not receive US...
Say, My son, say to all My children who LOVE ME, that on every Saturday, say a Hail Mary and a Hail Mary to make amends to MY HEART for the refusal of men to believe in MY APPARITIONS and in those of MY SON ..."

Day 12/02/2001 - Message from Our Lady, Our Lord Jesus Christ and of the Most Loving Heart of Saint Joseph
Message from Our Lady

"Beloved children, I come again today to ask you for conversion... Another year ends... another time... another mark of your time ends... and many of you, My children, are still far, far from holiness...
Understand that, in order to be saved... to enter Heaven... it is not enough to be a mediocre and reasonable Christian... But you have to be holy, because nothing tainted can enter Heaven... And that's why, My children, that I continue to appear here for so long: because you are far from holiness... and I have the mission to guide you, form you, educate you, strengthen you and make you holy...
Little children, this Place... this Holy Place... is My school of Holiness... here, I will make you climb the steps of the ladder of perfection... that same ladder that Jacob saw in a dream, where the Angels went up and down... I'm going to make you climb this ladder, until you reach Heaven...

You must entrust yourselves totally to Me... because I, myself, am the Ladder of Holiness... whoever climbs through Me will reach Heaven... whoever listens to My Counsels, in a short time, will reach an extreme degree of holiness...
Consecrate yourselves, therefore, to Me... The best Consecration to Me is the one that My Luis Maria Grignion de Montfort composed for Me... it is the most complete, because there, you completely detach yourself from yourself in order to belong totally to me...
My children, consecrate yourselves to My Immaculate and Eucharistic Heart... speak to Me at the time of Communion... I gave the Message about My Immaculate and Eucharistic Heart, but you did not understand it... Open your hearts.. Receive Me in Holy Communion, together with My Son Jesus!... If you open your hearts to Me in Holy Communion. I will enter and My Son will enter with Me... and we will dine with their souls...*
Little children, I have already given you many Messages, but you have not lived them... and that is why I am dressed like this, as Dolorosa...
That is why the Tears do not cease to fall from My Eyes...
And that is why My Heart is pierced by very sharp thorns...
Your refusal to live My Messages is the reason for My sadness...

From now on, little children, live My Messages with all the seriousness and with all the strength that you are capable of...
It is your weakness that attracts Me to you... It is your miseries that make you... that still demand My Presence here... Otherwise, I would already have returned to Heaven to begin the decisive events that will lead to Triumph of My Immaculate Heart... If I left you now, who would be saved?...

But My children... that is not why you are going to waste time... Don't waste time!... Convert without delay!... If My Triumph has not yet happened, it is only your fault. .. They didn't obey My Messages!... They didn't spread My Messages!... They didn't make them reach all My children!... And that's why Satan is still loose in the world, 'losing' souls ... Dragging them to Hell... And causing so much harm to the earth...
My children, dry My Tears... Pull out the thorns that hurt My Heart... Making the intention to change your life and sincerely amend yourselves... If you do this, My great sadness will turn into joy.. .and My Immaculate Heart will very quickly triumph...

To all today I bless..."

Message from Our Lord Jesus Christ

"My children, today My Sacred Heart is going to grant one more Mercy excessive to all of you... Just as I asked you to do the first nine Fridays in honor of My Sacred Heart and the first nine Saturdays in honor of the Immaculate Heart of My Most Holy Mother, I also ask you today to make nine first Sundays of the month in honor of the Most Loving Heart of Saint Joseph...

I want the Most Loving Heart of Saint Joseph to be honored beside My Heart and the Heart of My Mother... He suffered beside Me on earth... He suffered with Me and with My Mother... He fled with Us to Egypt... it was He who guided us and protected us... it was He who faced the cold and heat of the desert... it was his Heart that beat with fear, with concern for what awaited us in Egypt... It was His Heart that was startled with fear, anguish, during the crossing of the desert, where we passed in the midst of so many dangers and so many strange peoples... It was His Heart that was anguished because of Me and because of My Mother when He didn't know what to do to find sustenance for Us in Egypt... it was His Heart that beat with pain and sadness when He saw Me persecuted... when He saw Me misunderstood by My countrymen...when He saw Me insulted by the other children, who were bad... it was His Heart that beat in pain for Me when I 'lost' My Parents, for three days in the Temple... That's why I want you to Heart of My Father Saint Joseph be placed next to Mine... He knew the prophecies about the Messiah and knew that I would be rejected, scourged, crowned with thorns and crucified... His Heart suffered for Me as no other suffered for Me and for My Mother... That's why I want the Heart of Saint Joseph to be placed next to Mine and My Mother's...He knew the prophecies about the Messiah and knew that I would be rejected, scourged,

crowned with thorns and crucified... His Heart suffered for Me as no other suffered for Me and My Mother... Heart of Saint Joseph be placed next to Mine and My Mother...He knew the prophecies about the Messiah and knew that I would be rejected, scourged, crowned with thorns and crucified... His Heart suffered for Me as no other suffered for Me and My Mother... Heart of Saint Joseph be placed next to Mine and My Mother...
This triple devotion... this Light with the strength of three 'suns' together... will illuminate your souls... your families... My Church and the whole world...

Where this triple devotion is practiced and lived, My Salvation will be there... Our Three Hearts will triumph... Leading the souls who practice it to a high degree of holiness and perfection...
My children, may your conversion take place this Christmas... that's all I ask of you: change your life!... Change your life!... Remember Me at Christmas!... Spend Christmas in prayer with Me... On Christmas Eve, great Graces are given to the souls that pray... Yes... I compensate My Graces in faithful souls, for those infidels who do not remember Me, and who sin and Me offend on the Night I was born...
Little children!... Convert!... Love Me!... Love My Mother!... Love Saint Joseph... Love My Eternal Father!... And so My Holy Spirit will be always leading you...

I bless you all at this moment..."

Message from the Most Loving Heart of Saint Joseph

"My children, My Most Loving Heart is also pierced with pain to see My Jesus like this, so offended by the world... For seeing My Most Holy Mary like this, so offended and despised by the world...
Many attack... many attack Our Apparitions and make Our Hearts suffer with their hatred... The world is full of hate, My children!... They hate the Blessed Virgin when she appears on earth... They hate Mine Jesus when He appears on earth... And Me too!... They hate the seers... They hate the Messengers of Our Hearts!... They hate!... They hate!... Because they don't love the Truth!. .. Because they don't want to obey Us... Because they are proud... Because they don't want to say: 'I recognize that it's true (obs.: the Apparition) and that I depend on it to save myself'...

Pride, My children, was Lucifer's first sin... And it is the sin of many of you today... Lucifer wanted to make himself adored as God!... he wanted to be equal to God!.. . and if possible overcome Him!... But, he was banished from Heaven... He became a demon... And he is an eternal wretch who will never have forgiveness and salvation... And his hatred fills the world... It fills your souls... And it is he who instills in you this terrible hatred against the Apparitions and Messages of Holy Mary, of My Jesus and against Mine...
The souls that attack Our Apparitions are led by evil spirits... to try to deceive good souls... to keep them away from the Apparitions and prevent them from converting and being saved... They disguise themselves as sheep, but they are wolves voracious... They look like doves, but they are very poisonous snakes... Stay away from these people!... Stay away from these evil and perverse people!... Flee from them and the devil will flee from you!...

Always stay at the feet of My Most Holy Mary, praying the Rosary... And don't listen to any voice other than Hers... Don't listen to another voice that is not that of My Jesus... ... other than Our Messages... Everything we say is in the Bible and the Gospel... Everything we say is in full accord with the Truth... Hear Us!... Hear Us! ... Because only We have the keys of Heaven... and we let in those who love us, but we won't open the door to those who hate and persecute us in this world...
Continue with the Novena to the Sacred Heart of Jesus and to the Immaculate and Eucharistic Heart of Mary...

Invoke Me during Holy Mass*... And especially when you go to Holy Communion... No one can express the joy I felt when I carried the Child God in My arms!... No one can also describe My Joy when I carry the Child Jesus in Holy Communion to give Him to you, in Holy Mass... and with Him, to give you My Most Holy Mary... .
Ask Me to light in you the blazing flame of My Most Loving Heart... These same flames that My favorite son (obs.: the seer Marcos Tadeu Teixeira) is now seeing in this Apparition... With this flame, you will love perfectly My Jesus and My Most Holy Mary... I will teach you to love... I will give you Love... I will make it grow in you until it becomes an uncontrollable fire that leads you to consume all your imperfections, to that, like a phoenix, you rise from the ashes... This time, beautiful... beautiful... and radiant before God...

Little children, I love you... And I give you, at this moment, My fatherly blessing..."

(Report - Marcos) Then Our Lady spoke again and said:

Message from Our Lady

"My children, I have one last thing to say to you... It is the wish of My Son Jesus and of the Eternal Father, of the Holy and Mine Spirit, that the Sunday following the Feast of the Sacred Heart of Jesus and of My Immaculate Heart, in June, be celebrated as the 'Feast of the Loving Heart of Saint Joseph'... May it extend to all families... to all nations... to the whole world... If you do this, your families will be blessed... Your crops will be covered by the protection of Saint Joseph... their works will have a happy ending... in their families will reign concord, understanding and peace...

My children, today, here, in this Holy Place, through this My Son, another stupendous Grace of the Most Holy Trinity and Our Hearts was granted to humanity... Rejoice and give thanks to God for this...
May the whole world know Our Mercy revealed unprecedented in time in this Place!..."

(Report - Marcos) After these celestial communications, I thanked the Three Sacred Hearts for this great Grace that They granted... I also asked Our Lady if She had approved what I had said during the Cenacle of this day in defense of the Apparitions , against some priests and evil people from Catholic TVs who were attacking them and me. Our Lady said that she had approved of everything I had said; that I had done very well in defending the Wraiths. Then She gave me some more personal advice and then the Three Hearts slowly rose from the Tree of Apparitions until they disappeared into the immense distance of the firmament... As they ascended, I raised my hands, for from the outstretched hands of Our Lord, Our Lady and Saint Joseph.

Messages communicated in the Apparitions of Jacare í, year 2002

06/01/2002 – Message from Our Lady, Our Lord Jesus Christ, Saint Joseph and the Holy Angel of Peace

(Report - Marcos):" On this day, Our Lord, Our Lady, Saint Joseph and the Angel of Peace came. Our Lord, Saint Joseph and the Angel of Peace were dressed in a light purple tunic. Our Lady came dressed in a black robe and purple dress.
After the initial greetings, I asked Them if they were happy with the defense of the Wraiths that I had made before the time of the Wraith. Our Lady took the floor and said to me:"

(Our Lady) "- Yes, My son, We are very pleased with what you said... Always defend Our Apparitions and Our Messages, with all the strength you can... We will always be by your side, when defend Our Messages..."

(Report - Marcos):" I asked Him if there was anything to add, and Our Lady replied no, that everything was good. I thanked Him for the Strength and Light that He gave me to defend His Apparitions from His enemies.. . Then Our Lord spoke, and said to me:"

Our Lord Jesus Christ

"- My children, My Sacred Heart is still 'transmitted from pain' by your sins... Your sins crush My Heart, and make It bleed...
... My Messages... the Messages of My Mother... of Saint Joseph... of My Holy Angels... They are fought!... They are suffocated... They are persecuted by this perverse and sinful Humanity. ..
...Just as they persecuted and killed the prophets, and just as they persecuted and killed Me, they continue to persecute and kill My Messengers... They hate us!... They hate us!... Because they speak ... Because they denounce sin...

... And how this Humanity is attached to sin... And how it has placed sin on a 'throne'... how it has placed sin on the throne of its heart... it doesn't want to leave it... it doesn't want to to let go of it to serve and adore Me... And because of that, they want to silence the voice of My Messengers, because they are like a 'scourge' for this sinful Humanity...
This is why they persecuted My little daughter Bernadette (Seer of Lourdes), Maximino and Melania (Seers of La Salette), Lucia, Francisco and Jacinta (of Fátima), Pierina Gilli (of Montichiari); My daughters from Garabandal; My little children of Mediugórle to this My dear son... (Marcos Tadeu) They hate him!... Because his words are like a scourge for this Humanity Flooded with sin... lover of sin and traitor to God... .

...But I say to you: My Apparitions and My Mother's Apparitions are like a river that men want to dam and dam, so that they do not continue on, irrigating the arid lands... the cold and arid deserts, making them greener... Every river that

is dammed, if it doesn't have a flow, one day the dam breaks... or it overflows on the sides... or it overflows on top...
So are My Apparitions and those of My Mother, here in Jacareí, and in many places visited by Us in this world... Men will try to stop Them at any cost... They will try to kill Them... to destroy Them ... smother them... make them disappear... but, like a mighty river, They will overturn all obstacles, and go on their way...
Deserts will bloom again... life will sprout again in the earth... and by the 'pure and revitalizing water' of Our Messages, we will transform this desert of hate that is the world, into a verdant garden of virtue... of purity... .of holiness and love...
It's up to you only to pray, fast and obey Our Messages... It's up to you only to work and spread Our Messages, without ever ceasing...

... Console My Sacred Heart which is so wounded... so crushed by the sins of the world...
... Seek Me in the Blessed Sacrament... Go to Holy Mass fervently... Pray the Rosary of Mercy... Pray the Rosary of the Eucharist... Pray the Holy Rosary of My Mother... Pray the Rosary all , taught by Her... Read Our Messages, and spread them all over the world...
... I bless you all now..."

(Report - Marcos): "Then Our Lady spoke and said to me:"

"- My little children, everything that My Son Jesus said is also the desire of My Immaculate Heart...
... Pray the Rosary every day, My children, without ever ceasing... without ever ceasing to do it... This year, you will obtain many Graces with the Prayer of the Rosary...
... Continue to drink from the Water of the Miraculous Fountain... from the Fountain of My Tears...
... Continue to bathe in the Fountain of São José... Many Graces await you at the Fountain of São José...
... Read My Messages again... spread My Messages by all the means you know and can...
... Wear My Holy Medal of Peace with devotion... Hold it... hold on to it with love and invoke Me many times during the day, so that I may deliver you from the attacks of Satan and the dangers of this treacherous world where they live...
... I want you to pray even more intensely for My Intentions...
... If My TRIUMPH still takes time to happen, it's only your fault... because you don't obey My Messages... If only you would totally obey Me, My Immaculate Heart would have TRIUMPHED a long time ago...

... Patience!... I hope... I hope, My children, that you convert... that you decide... I never tire of waiting for you... but I must tell you, It is true that this time of waiting... this period for your conversion is about to run out...
... Convert without delay... Convert without delay!... Convert without delay!...
... At Holy Mass... at the time of Communion... invoke Me, so that I help you to make Holy Communion... At the moment of Holy Communion, I give My Son

Jesus and I also give Myself mystically to you... Therefore, little children, during Holy Mass, invoke Me... ask My Immaculate Heart to prepare your hearts to receive My Son... and I will transform them into a pure, beautiful and illuminated tabernacle , so that my Son Jesus may enter, reign and remain in him...
... I am the Queen and Messenger of Peace... ... I am the LADY of Jacareí... ... I am the LADY of the Rosary of Peace... ... I am the LADY of the Medal of Peace..."

san jose

"- My little children, I, Saint Joseph, give you today a Blessing from My Most Loving Heart...
... My Mission is to lead you to ardently love the Most Sacred Heart of Jesus, and the Immaculate and Eucharistic Heart of Mary...
... My Most Loving Heart is the 'arrow' that shows you the way to follow, to arrive at the full Adoration of the Holy Trinity, and the full Love for the Heart of the Lord and the Blessed Virgin...
... My Most Loving Heart is the 'way always illuminated', where the 'darkness of the night' does not descend... and that will lead you surely along the path of holiness, justice, Love and Peace...
... My Most Loving Heart is the 'safe refuge' for you in these harsh 'storms' that you face in this world... It was given to you to be Strength in temptations... in despair to be Hope... in discouragement be the Breath... in the doubts be the Faith...
... My Most Loving Heart is for you the 'torch' that will surely lead you into the Eucharistic Heart of the Blessed Virgin, and the Most Sacred Heart of Jesus... 'Torch' that will light your way, way to the Two United hearts that wish to save them...
... My Most Loving Heart is the 'beacon' that will guide you
in this troubled sea, in this stormy sea of the world, and will help you to arrive safely to the port of Heaven... of Eternal Salvation... ... Pray to Me many times... Consecrate yourselves to My Most Loving Heart daily, and I will be like a 'shield' around you, against which Satan can do nothing... ... I bless you all right now..."

Holy Angel of Peace

"- Dearest ones, I, the Angel of Peace, come to say to you today: - Love the Most Loving Heart of Saint Joseph with all your strength!...
... It is because Saint Joseph is not known, that Holy Mary is not known... and because She is not known, Our Lord is not known either... Because Saint Joseph is not Beloved, the Blessed Virgin is not. .. and because She is not loved, the world does not love Our Lord Jesus Christ...
... Have a True Devotion to the Most Loving Heart of Saint Joseph, because the more you love... the more you honor... the more you venerate and obey this Heart, the more you will be loving... the more you will learn to Serve... to

Honor ...to Venerate and Magnify the Hearts of Our Lord and of the Blessed Virgin...
... I want to help you, in My turn, to cultivate, to grow, in True Devotion to the Most Loving Heart of Saint Joseph... and to the Most Holy Hearts of Jesus and Mary...

I am that Angel who appeared in dreams to Saint Joseph, and said to him: "-Joseph, don't be afraid to take Mary as your wife, because what was conceived in her is the work of the Holy Spirit..."
... Yes, I, the Angel of Peace, was charged with giving this news, this revelation to Saint Joseph, and with giving him the Peace of the certainty of the Most High Dignity and Holiness of the Most Holy Virgin Mary... My Mission to lead you close to the Most Loving Heart of Saint Joseph... it is My Mission to make you Love this Heart... to obey and have the same feelings that were in Him...

... Give Me your hands so that I can lead you to Him... and He, in His turn, will lead you to the Two Most Holy Hearts of Jesus and Mary...
... Pray Me, therefore, constantly... ask for My intercession in your daily life, especially in your difficulties... because I 'can do a lot' together with the Three United Hearts...
... Rest in the Peace of the Lord..."

(Report - Marcos): "I thanked the Three Hearts for the coming of the Holy Angel of Peace on this day, because I did not expect him to come too. I thanked him for his message, for his solicitude and concern for us; for his very important revelations...
Soon after, I raised my Rosary for Our Lady to bless it, and then they went up serenely from the Tree of Apparitions, until they disappeared..."

01/15/2002 – Message from Our Lady

(Report - Marcos): "On this day, Our Lady appeared wearing a purple dress and black mantle, despite the fact that it was a feast day. Although she was not crying, Her face was one of 'great sadness'. After the initial greetings, the Most Holy Virgin said to me:"

(Our Lady) "- My son, today you remember My Apparition in Baneaux, Belgium, in the distant year of 1933, to My poor little daughter Mariette Becco...
... It was a very important Apparition... it was a decisive Apparition...
... In that 'Blessed place', I invited the whole world to prayer, poverty and trust in Me...
... In that 'Blessed place', I offered the whole world a Fountain of Miraculous Water, to relieve the sick, to console the afflicted, to pour the balm of My LOVE on all My children...

... In that 'Blessed place', I introduced Myself as the Virgin of the Poor, to tell them that I do not abandon them in their sufferings and difficulties... life, next to My DIVINE Son and Saint Joseph, I also want to share their sufferings and works... To lighten the heavy burdens that My children carry...

... In that 'Blessed place', I introduced Myself as the Virgin of the Poor, to tell them that they are not alone in their difficulties, but that I am with all My children, and that I ardently desire to pour out My Mercy on everyone. they...
... In that 'Blessed place', I came to call all Humanity to conversion, prayer and penance... In the persevering prayer that My little daughter Mariette made in the snow and in the cold, while she waited for Me to arrive at the Apparitions, it was given to the world a profound example of prayer and penance to this atheistic, materialistic and hedonistic world... Let everyone learn from My little daughter Mariette how to do penance and sacrifice, which I am so pleased and consoled...

... In that 'place', I continued My Plans initiated in La Salette, Lourdes and Fatima, preparing souls throughout the world for the 'decisive events' that will lead the world to the TRIUMPH of My Immaculate Heart, and to the complete defeat of the Devil and sin in the world...
... Therefore, My children, today I invite you to look up to Me, as a 'sign of hope, of comfort and of love', and to prepare yourselves with Me, in prayer and in penance, in the vigil of waiting of the 'decisive events', which will lead you to the Kingdom of LOVE of My Immaculate Heart, for soon I will come to alleviate suffering..."
(Report - Marcos): "After this Message, the Blessed Virgin still gave me many personal guidelines, speaking to me as a most Loving Mother and full of Tenderness... Then, she smiled, gave me the Blessing and disappeared..."

Jacareí, January 17, 2002
Message from Holy Mary

(Marcos-Report): "I was in the Shrine of the Apparitions, on the upper Altar, just above the Tree of Apparitions, together with Marcos Augusto. We had taken the Pilgrim Image of Fátima, who came from Fátima-Portugal, to carry out the Consecration of the Sanctuary of the Apparitions, as well as the pilgrims who frequent it, to the Immaculate Heart of Mary, in the manner requested by Our Lady from Fátima... Soon after making the Act of Consecration and depositing the document in the Hands of Our Lady, we begin to pray to thank Her, when suddenly, I see Our Lady appear before me, all in white, who said to me:

(Our Lady): "The Consecration that you made to My Immaculate Heart was valid... Now, you must fulfill the Commitments you assumed in Her, and I will then assert My Power and My Grace..."

(Marcos-Report): "Soon after, Our Lady disappeared, and in Her place I saw several people being attacked by demons, who dragged them with them; others were possessed by the same; and still others were enveloped by a dark smoke that the same demons unleashed on them... A moment later, I saw how the demons rushed at other people, but they could not do anything against them, because a great clarity came out of an object they had in their chest and that drove away the demons, which They fled in terror... After a few moments, I saw clearly that it was the Holy Medal of Peace that those people carried on

their chests and that drove away the demons... Then I heard Our Lady say to me:

(Our Lady): "- The devil will flee from those who bring My Holy Medal of Peace with confidence.."

(Relato-Marcos): "And after a few moments of silence, he said to me:"

(Our Lady): "-My son, I want you to continue to have My Holy Medal of Peace minted, and to spread it throughout the world, so that evil begins to retreat, and a time of Peace comes to the world ..."
(Report-Marcos): "After that, the vision disappeared.."

Jacareí, March 03, 2002 - Message from Holy Mary

"My children, I am the Queen and Messenger of Peace.
I continue to ask you: Prayer... Sacrifice... Penance...
The world is heading towards condemnation, and every day it sins more and more... they grow in every way, and there is no longer any type of sin that is not found on Earth. The sins of men ascend to Heaven like flaming and penetrating swords, and pierce the Heart of My Son Jesus, and My Immaculate Heart. , the Holy Spirit and the Eternal Father are smitten.
Because? Why do you continue to sin, My children?
Why don't you repent of your sins?
Why do you continue to treat your God and Me, your Mother, so cruelly?
Why don't you repent?
Why don't they recognize their sins, and hate them with all their might?
Why do they delay their conversion? Why don't they want to let go of their vices and their worldly pleasures?
My eyes are exhausted from crying...
....(pause – this sentence was said here, with a choked voice, trembling from crying smothered with difficulty...)

What did you do with My Messages?
Why didn't you spread My Messages as I asked you to?
Why didn't they make them known to the whole world?
Why did you not make My Holy Medal of Peace known throughout the earth?
Why are you afraid and ashamed to face the enemies of My Apparitions?
Why are you afraid to speak in public about My Apparitions here, and My Messages?

Why have you been so lazy and so slow in spreading My Messages, My children?
Why have you been so selfish and think only of yourself? Why don't you want to sacrifice yourself out of love for Me?
What kind of love is this that you say you have for Me?
What kind of faith is this, the one you confess you have?
My children, Faith without works is dead... Prayer without works. without action, little can change... very little can change.. That's why I always asked you for a lot of prayer, and at the same time, a lot of work to spread My

Messages. Otherwise, the world will never know My Messages, and if the world does not know and practice My Messages, it will condemn itself.

My children, why then do you not fight?
Why are you not eager to spread My Messages?
Why, My children, do you not strive for Me? You try so hard for your interests and to get what you want on this earth, but for Me, your Heavenly Mother, you don't have the courage to try.
And is this how you want to live by My side in Heaven forever after death, My children?
If you love Me, keep My Words and after keeping My Words, practice them! And after practicing them, spread them to the whole world.

Oh My children, I called you here, I chose each one of you to know My Messages, to become aware of My Apparitions Here. Did I call you in vain, My children?
Will not even a good tree grow from here, among you?
Shall I not reap any fruit from among you?
Will you still remain attached to your attachments, as if you were going to live forever here in this world?
My children, convert! React! Get up! Forward! Help-me! Help Me to save souls by spreading My Messages! Help Me to hold the Arm of My Divine Son, praying the Holy Rosary and doing penance.
My children, I still had many other Messages to give you, but I still cannot, because you have not yet put into practice the ones I have already given you.

Therefore, My children, decide in this 'Holy Time', once and for all, for conversion.
Decide like you've never done before, decide with all your strength! Make up your mind... forever...
Continue to pray the Holy Rosary every day...
To all I bless now..."

Jacareí, April 07, 2002 - Apparition of Our Lord Jesus, Holy Mary and Saint Joseph
Message from Holy Mary

"- My son, today, speak to the souls of the whole world, and also to those who are here, of My Maternal Mercy...
... I am the Mother of Mercy... I am the Mother of GOD's Tenderness... I myself am 'the sign' of the DIVINE Tenderness...
... My children, for the sick I present myself today, as your health... for the afflicted, as consolation (pause) and support... for the desperate, as light, as hope, and as strength.. ... for the discouraged, as vigor and strength... for those who lie in the darkness of sin, as a shining Star, which for everyone wants to light the way and lead to GOD... for everyone I am a Mother of Mercy and of LOVE.. .
... I want the conversion of everyone... of all of you, My children...
... Be grateful to the Lord for the immense Mercy you have here

granted to you and to the whole world... Those who received Graces here and did not divulge them, will soon lose them, and will be afflicted with worse evils than those they had before... because the sin of ingratitude is terrible and very serious in the face of LORD... Therefore, let them write and spread these Graces, because LOVE is paid with love, and GOD'S BENEVOLENCE must be reciprocated by man, who is the object of GOD'S LOVE...
... Continue to pray the Rosary every day... Obey and spread the
My Messages to everyone... and do not be discouraged in the face of the obstacles, which will not be lacking, in front of you when spreading them... because I, the Mother of Mercy, am with all of you, and I carry you in My Lap, in My Heart..." (big pause)

Our Lord Jesus Christ

"- My children, My LOVE and My Mercy, no mind, neither Angelic nor human, will ever be able to...
... My Mercy will reach even the worst of sinners, as long as he repents and weeps before Me with true tears, his sins...
... Many of you think that when you sin, I stop loving you... and it is not so, My children... When you sin, although you renew My Sorrowful Crucifixion and Passion, causing Me a most bitter Pain, you do with may I, full of Mercy, bend over you...
... for everyone I want to give medicine... for everyone I want to grant My forgiveness, and a new opportunity to amend, to be saved... I just don't forgive obstinate and hardened sinners in their vices, defects and sins, and who place them above ME... those who cling to matter and what is sensible in this world...
... I am always bestowing My Mercy... As many seconds, minutes and hours of your day as there are, so many times I forgive you... that I extend My Hand to you... to save...
... My infinite Mercy wants to involve the whole world... but it just cannot involve those who have already committed and are committing the greatest sin of the present times, which is not obeying My Messages and My Mother's Messages. .. These have closed the door of My Mercy to themselves... Because OUR APPARITIONS ARE THE LAST WORK OF GRACE AND OF MY DIVINE MERCY... TO THE WORLD...
... The world did not obey My Messages given to My daughter Santa Faustina, and that's why World War II came (Mark's observation: more than 56 million dead in just 6 years) and so many other wars, catastrophes and hecatombs in Humanity... And if you do not now listen to My DIVINE Mercy, which is My Mother, greater and more terrible calamities will befall you...
... Let no one deceive you!... Outside of ME, outside of My Apparitions and those of My Mother... Outside of OUR MESSAGES, there is not, there is no Mercy for the sinner... And that is why I I instituted the Feast of Mercy through My daughter Saint Faustina, and now, the Feast of My Holy Wounds,' through this My son... Because I want to heal all your spiritual wounds; and temporal... If the world obeys ME, it will be saved!...
... I therefore want you to spread My Messages to the whole world" (long pause)

san jose

“My children, on this Day of Immeasurable Mercy for the whole world, I ask you with My Most Loving Heart full of LOVE, that you listen to Our Lord Jesus Christ and the Most Holy Virgin, Our Sovereign LOVES, in everything they ask of you. .
... I watched and watched over the Divine Mercy Work, with Saint Faustina, while she was on this Earth... How many times I consoled her, encouraged her, comforted her... and supported her...
As the Father of the Son of GOD, I took care of the Work of Divine Mercy of Jesus, so that it would not die... and after it had been buried for twenty years by the discredit and rejection of the world, I... touched pious hearts and saints, that they might revive it, that they might revive it in souls...
Just as I protected the Work of Mercy, I protect this Work, of which the CREATOR (author) is Our Lord Jesus Christ, the Merciful, and the Most Holy Virgin...

... Therefore I want... that you pray with Me, every day, for the Intentions of the Merciful Heart of Our Lord, and of the Blessed Virgin... for the Intentions that THEY have and want to operate here...
... It is My wish, that for three consecutive Thursdays, you pray five Hail Marys, so that all the Plans of the DIVINE Will on this place are fulfilled... your souls...

...Here, the salvation of many souls will be sealed.... as well as these Messages will be a cause of contradiction, ruin and condemnation for many, who will not want to obey them... Here, 'the future' of Humanity will be decided , in the next
centuries... Therefore, in the face of such gravity, pray... pray... pray...'
... Continue doing My Hour every Sunday... As I promised, I will save the families who do it with Faith and devotion... Even if one does it, the whole family will ultimately be saved.. .
... I LOVE you, and how... Father, today I bless you..." (big pause)
(Marcos) "- ...disappeared..."

Message from Holy Mary

"- My son, I am very happy for the meditations you composed for the 'Crown' of My daughter Bernadette... With these meditations, the world will see how much I Loved and granted Thanks to this My daughter, extremely Loved by ME... And seeing the immense affection I had for Her, many souls will also want to love Me and obey Me as She did...
... My child!... Disclose all that you have written about My little daughter Saint Bernadette to the whole world, so that as soon as possible the world will know the love I have for Her, and for all My Seers who truly
serve, and in order that My Plans and My Secrets initiated in Lourdes, and which must be brought to their full fulfillment here, be carried out..."

Jacareí, May 5, 2002 - Apparition of Our Lord Jesus, Most Holy Mary and Saint Joseph

Message from Most Holy Mary

“My children, I am the Queen and Messenger of Peace... I am the Lady of the Rosary... I am the Senhora do Rosário das Dores...
I wish, My children, to ask you to meditate more often on the Passion of Jesus, and Mine... because it contains 'immeasurable treasures' for all of you... Truly, I promise
: soul who venerates My Sorrows daily will not condemn himself... I will assist him throughout My Life... I will deliver him from many temptations... I will prevent him from falling into many sins and, if, even so, by Its own fault, this soul falls, soon, in a little while, I will raise it up...

Pray... Pray in Honor of My Sorrows... Say Seven Hail Marys every day in Honor of My Sorrows... if possible, pray the Rosary of My Sorrows... Above all, meditate too in the 'secret pains' of Jesus, of Mine and of Saint Joseph, revealed here, in these Apparitions, because 'they' will be comfort for you in suffering, strength in depression, light on the way, joy even in the midst of pain, hope even in in the midst of sadness and despair, you will be a shield against temptations...
My Immaculate Heart wants to make you feel and understand how great My Pain is, even today.... But if you do not meditate on My Pains... if you do not contemplate Me in My Great Pain, I cannot... I cannot show you the size of My Suffering... and so, I cannot transform your hearts....

See, My child, how these My children are here, some of them visibly tired from a long journey, but with so much love at My feet... For these children, I feel comforted, loved, reciprocated, and glorified... !... How many of these My children were in the clutches of satan, and I, with My Messages here, subtract them from the clutches of the 'dragon', who found himself, as if by magic, without the victims that he had so proudly imprisoned, and which he displayed before Me and the Blessed Trinity...
Marcos, my son!... may your heart also rejoice!... because the tears, the pains, the persecutions and all the torments that you have endured until today, for my Love, especially those of the first years (of the Apparitions) , were decisive for the conversion of these My children to happen, and to happen faster... Rejoice with Me, My little Job, and My beloved John!... Continue to serve Me... to love Me.. ... to obey Me, and to transmit all that I entrust to you...
Little children, understand that I am your Mother, and that I suffer because I see that you do not listen and that you do not want to listen to My Messages... My suffering it has lasted many centuries, but it has become especially bitter and pungent in the last 180 years....
How many Apparitions I made!... How many Messages I sent to the world!... How many 'signs' I gave!... and the world did not want to obey Me...

Why?... Why don't you obey Me?...
Why don't you pray?... and why don't you pray with love?...
God is a Living God!... and therefore, for a Living God , a living prayer!...
Why, My children... why are you so lazy?... So slow?... and so cold in your prayers?...

Why, at Holy Mass, do you not wait for the My Divine Son Jesus and Me with fervor?... Why do they remain at Holy Mass like 'blocks of ice'?...

Why, My children, are you so lazy and so unwilling to reread My Messages?
Am I worth less than your amusements?... Am I worth less than your leisure?...
Is it because I am 'last' in your souls and in your lives?... that you don't have love for My Messages?...
Why haven't you heard My Appeals from La Salette, Lourdes and Fatima, until here?... Why don't you meditate on My Messages given there, and given here?...

Why don't you want to obey My Messages, which are the 'last lifeline' that the Lord gives you?.... Why don't you want to obey My Messages, which are like 'spiritual and mystical wings' that the Holy Trinity gives you, through Me, to fly to the highest of Heaven, to meet God and Salvation?...

Jacareí, May 06, 2002
Message from the Holy Angel of Peace

"The Holy Wounds of Our Lord Jesus Christ and the Blessed Virgin Mary are of infinite value... Even if they performed an act as meritorious as a decade of fasting on bread and water, or something else of inestimable value, they could not satisfy or offer anything to the Eternal Father of as high value as the Holy Wounds of Our Lord Jesus Christ, and the Holy Mystical Wounds of Mary Most Holy...

Mark, tell everyone to constantly repeat these two invocations:
ETERNAL FATHER, I OFFER YOU THE HOLY WOUNDS OF OUR LORD JESUS CHRIST TO HEAL OUR SOULS
...
OF YOUR HOLY WOUNDS..."
Every time these two prayers are prayed, a 'drop' of Blood from the Holy Wounds of Our Lord Jesus Christ, and a Tear of Blood of Holy Mary will fall on the soul of a sinner... Offer them also for the Souls in Purgatory, so that their pains are lessened, and they can free themselves from their prison and thus fly to heavenly happiness...

The world was filled with wounds, caused by the intense activity of Satan, which made men fall into sins, making humanity look like a leper, full of wounds and in a state of decomposition, still lifeless... Therefore, for these 'spiritual and moral wounds' to be healed, it is necessary to offer the Holy Wounds of Our Lord and of the Blessed Virgin incessantly to the Most High, to assuage His Just Wrath, and achieve mercy...
Marcos, this is your Mission: to spread, through the written and spoken word, this salutary and indispensable Decoction to the souls of these times, because the world needs souls that offer the Holy Wounds in favor of the human race... your strength in this holy work and office, for it will give greater glory to God, than if you had preached and performed the greatest miracles in all the world...

Tell everyone to pray many Rosaries of the Holy Wounds, because only in this way will the Most High be able to forgive the sins of the world, annihilate Satan's plans, and prevent the extinction of the human race..."

Jacareí, May 10, 2002
Message from Our Lord Jesus Christ "My child, tell My children that I desire them to contemplate My Holy Wounds and the Mystical Holy Wounds of My

Holy Mother constantly, and to draw from them the Graces and Treasures for their lives...
Wounds are an 'endless source of Graces', and no matter how much they drink and withdraw the Graces of My Love from Them, they will never be able to exhaust them or make them sterile...
My Holy Wounds are such a 'source of Graces' that, no matter how much a soul drinks from them, they will never be able to quench their thirst for My Love and My Mercy, and they will always want to drink more, and the more they drink, more I will still give you... This cycle of Love will never cease, for I desire to intoxicate souls with this My Love, and make them even dive into the 'Ocean of My Eternal Love'...

I desire that souls throw themselves into the Ocean of My love in such a way that they get lost in it, and never leave it again... and for that, the means that I give them is the Veneration and Prayer to My Holy Wounds and to My Mother 's Holy Wounds... My Holy Wounds are a 'balm' that I increasingly desire to pour on your souls, so wounded by the attacks of the evil one... so disfigured by sin... so crushed by suffering. ..
My Holy Wounds are an 'inexhaustible storehouse' of lessons in Love, in donation, in Love of suffering, in self-denial, in obedience to the Divine Will...
My Holy Wounds are a 'ray of Light' that descends to the earth in order to tear apart the dense clouds of sin that cover it, and to illuminate souls lost and darkened by evil, so that they can still 'shine' in the world the Light of Truth, Grace and Salvation...
Pray... pray... Venerate Our Holy Wounds... Ask the Loving Heart of Saint Joseph to help you to Venerate Our Holy Wounds... I bless you all today...

Jacareí, May 13, 2002
Message from the Most Holy Mary

“My son, today, you are here at the feet of My Venerable Image, which recalls My Apparition that took place in Cova da Iria, in Fatima, in the year 1917...
Today, eighty-five years after that day, I return to earth, to tell everyone, through you, why I appeared in Fatima...
I appeared in Fatima, to call the whole world to conversion and back to God...
I appeared in Fatima, to invite the world to Peace and reconciliation with God...
I appeared in Fatima, to warn the world of the 'great dangers' that awaited him in his journey, through time, to reach to eternity...

I appeared in Fatima to reveal to you 'My Maternal Plans', and on the other hand, to also reveal to you the 'plans that hell and the evil one' have plotted against humanity, in order to exterminate forever, if possible , not only the human race, but the earth itself and the true Catholic Faith...
I appeared at Fatima, to reveal to them 'all the maneuvers of satan' and his demons, who, through Russia, from practical atheistic communism and theoretical, together with the nations totally forgotten and rebellious to God then, desired to spread all their infernal perfidy over the earth, and thus cast all souls into eternal damnation...
I appeared in Fatima to begin My Great Final Battle against the evil one and his henchmen, serving Me as 'little children' and 'simple souls', full of faith, love and obedience to My Maternal Voice...
I appeared in Fatima to reveal to the world 'all the steps' that the evil one would take, and therefore also 'all the steps' that My beloved children should take too, in order to fight against him and his infernal gangs, so that as many souls as possible could be saved...

I appeared in Fatima, to tear apart the dense darkness of humanity with My Light, more intense and more powerful than that of the sun, and to envelop all souls in this Light, thus transforming them into 'beacons of love and Grace', in the middle of a world, already darker than pitch, and totally blackened by sin...
I appeared in Fatima, to reveal to the world that My Immaculate Heart is the Only Safe and Certain Path that will lead you to God, in Heaven , and that in this Mother's Heart, I wish to enclose all of you, My children, so besieged by My adversary, so wounded and wounded by sins and miseries, in order to heal your wounds, cleanse your souls, strengthen everyone, to present them in My arms to God...
I appeared in Fatima, to reveal to you the prophecies of the Apocalypse, which you are already living, and to carry out the Great Battle between Me, the Woman Clothed in the Sun, and the Red Dragon and his infernal confederates, a fight that will soon will reach its total apex, culminating in the final and eternal annihilation of the Great Dragon, satan, and with the Definitive Triumph of My Immaculate Heart over the entire universe....

I appeared in Fatima to reveal once again how much I love the Prayer of the Holy Rosary, today so forgotten and despised, how powerful this Prayer of Mine is and how much it can change even the tragic situations of the world, thus generating a 'new source of Grace and Salvation' for the world...
I appeared in Fatima to reveal how great is the power of sacrifice and penance, and how effective these two means are to free souls from Purgatory, to convert sinners, and to save souls, even the most irreducible ones, before the last tie that binds them to the mortal body is broken, through an act of sincere repentance and contrition for their sins, thus delivering them from the fire that never goes out. .

I appeared in Fatima to leave behind Me three Saints, three 'souls of pure fire', fused to My Immaculate Heart in My Fire of Love, so that the world, in addition to finding protection and love in them, would also find ' three burning arrows' showing the way to My Immaculate Heart, Heaven's Door always open... and

for everyone to see that, just as they were able to reach Me through obedience to My Messages, all good souls who obey My Messages will also reach My Heart, which will introduce you, in turn, into the 'Heart' of the Most Holy Trinity... My son, Jacinta and Francisco will continue to accompany and protect you always... And they will also accompany and will protect all My pilgrim children who come here, too...

So today, when eighty-five years have passed since My First Apparition to My Little Shepherds Lúcia, Francisco and Jacinta, I bless you all with My Maternal Peace, from the Cova da Iria in Fátima, and from My Sanctuary in Jacareí..."

Messages communicated in the Apparitions of Jacareí, year 2003

Jacareí, January 12, 2003

Mark's account of the requests and messages given by the "Three Most Holy Hearts" at the Shrine of the Apparitions in Jacareí-SP:

Our Lady

She wants us to continue to pray the Rosary every day, the Rosary of Peace , Rosary of the Immaculate Conception and all the other Rosaries that She taught and revealed and that are contained in the Books of Messages (“ Jesus and Mary in the Apparitions of Jacareí ”).
She asked that we continue to pray for world peace.
That this month (January) we have three Holy Masses celebrated for the peace of the world, even if we cannot attend them.
May we continue to spread your messages.
And concluding Our Lady asked that we continue to pray the Holy Rosary every day, because only prayer can remedy all the evils of the world, conquering evil and planting good in the earth.

Our Lord

asked us to continue to pray the Rosary of Mercy , Rosary of the Holy Wounds , Rosary of the Eucharist .
May we continue to read the Book of Messages and also the Life of Our Lady (Books of the Mystic City of God in four volumes), because HE grants special graces to the people who read these books.
He asked me to reveal two messages that Our Lady transmitted in December 2002 about the Holy Rosary, which is both revelation and promise:
1) That every decade of the Holy Rosary (extensive to all) that we pray are a thousand demons that Our Lady traps in hell again.
2) That every prayer of the Holy Rosary will be a soul from purgatory that She will free from purgatory
Note: All souls who are freed from purgatory and arrive in Heaven, she knows by revelation from GOD who it is that prayed for her, and she will become his intercessor before the Holy Trinity and the Blessed Virgin for the rest of her life and also so that you can get to Heaven without going through purgatory like her and without having to suffer like her, with that you will win a friend in Heaven who loves you much more than your Father and Mother. Therefore, let us understand how important it is to pray for the souls in purgatory, because the more souls saved in Heaven, the more blessings fall on earth, in other words, the more good triumphs.

Saint Joseph

He asked us to pray the following prayer daily: “Most Beloved Heart of Saint

Joseph, give us peace".
He also asked us to continue to carry out the Saint Joseph time in our families every Sunday at nine o'clock at night. For I said that this hour is a moment of grace for the family, for the church and for the world, and that He will deny nothing to those who ask because of His Merits, Pains and Joys.

Jacareí, February 9, 2003

Mark's account of the requests and messages given by the "Three Most Holy Hearts" at the Shrine of the Apparitions in Jacareí-SP

Nossa Senhora - (Queen and Messenger of Peace)

He asked us to continue praying the Rosary , Rosary of Peace every day, that also during this month of February we pray for world peace, to try to avoid all the wars that are threatening to happen in humanity.
He also asked us during this month of February to offer many Rosaries and many sacrifices for peace.
He also asked us to continue reading the Book of Messages (Jesus and Mary in the Apparitions of Jacareí), because in it is contained all the will of GOD for us men of the 21st century, through his Most Holy Mother.

Our Lord (Sacred Heart)

has asked us today to continue to pray the Rosary of Mercy , Rosary of the Holy Wounds , Rosary of the Eucharist as much as we can.
He asked us to continue communing, confessing monthly and reading the messages.
He asked that we continue to read the Books of the Life of His Blessed Mother (Mística Cidade de Deus) because there in the life of Jesus, Our Lady and Saint Joseph we will find strength in difficult moments. We will also find Their example for us to follow as far as possible. And we will also find the will of GOD and Our Lady there revealed to us through the life and teachings of Our Lord and Our Lady there in Palestine and Nazareth.

Saint Joseph (Most Loving Heart)

In turn, he asked us during this month of February to continue to pray for peace. And that from now on the month of February of every year shall be called the Month of Peace. The month of prayers for peace, the month in which we must do more prayer exercises, we must pray more Rosaries for the peace of the world.
He also asked that we continue to pray for the conversion of young sinners,

because there are still many who are in sin. And St. Joseph said he wants us to continue to pray for them tirelessly, especially this month.
He also asked us to continue to do the Hour of Saint Joseph , His Hour every Sunday in our homes. For some people have already begun to feel the graces of this Hour of Saint Joseph, and that many others have felt it, just begin. For disunited families will unite, young people who are lost in addictions (drugs, alcohol, etc...) will leave will be freed, the spouses who are away from home will return, there will be more union and concord in families. GOD will bless the families who make this Hour.

Jacarei, March 16, 2003
Our Lady (Queen and Messenger of Peace)

“My children, I, the Queen and Messenger of Peace, invite you at this time to say more Prayer and more Penance, I invite each of you to make this month of March a Penance, a special sacrifice for the Peace of the World that each one of you abstains from something you like very much, meat, sweets, coffee, anything that gives you pleasure and for which you have great appreciation. Offer these little sacrifices for the conversion of sinners, you can also offer abstinence from music, abstinence from television, abstinence from games and play, you can offer abstinence from some juice, from some ice cream, from something you like.”
“If you do this and offer to My Immaculate Heart I will be able to offer these small sacrifices to the Most High, united with prayer to save the world and obtain Peace for it...”
“Thank you so much for coming this far and thank you for to put my requests into practice"

Our Lord (Sacred Heart)

"I the Sacred Heart desire that you pray the Chaplet of Mercy daily I will grant great Mercy to the souls who pray it, for each Chaplet of Mercy that they pray there will be 100 souls from purgatory that will fly to heaven, for each bead of the Chaplet of Mercy you will be a sinner who will be converted, for each Chaplet of Mercy you pray will be a divine punishment that will be cancelled.”
“Pray the Eucharist also to console My Heart so offended in the Blessed Sacrament of the Altar”
“I thank you all for obeying My requests”

Saint Joseph

“I Saint Joseph ask you to pray this brief prayer every day:”
“ Loving Heart of Saint Joseph, give peace to the world"
"Continue to make my Hour every Sunday, continue to pray the Rosary of the Blessed Virgin every day, continue to read the books of the Holy Life of the Mother of God, Mystical City of God, continue to read the book of our messages here, continue to put into practice all our requests, your prayers are

ascending to heaven and being accepted by the Most High”
“The Virgin Mary came to alleviate suffering, everything that is happening in Brazil and in the world now, can be changed by the strength of the Rosary prayer and by the power that our Three Sacred Hearts received from the Most High. Pray!... Pray!... Pray, without ceasing and with confidence”

(Mark): ..."Yes, I will, and I obey... So it will be done, I will do it... Until tomorrow!... They have disappeared."
(Observation - Mark): The Three Sacred Hearts were dressed in purple robes, and they were looking slightly sad and sweet at the same time, but they weren't crying. They blessed all those present, releasing rays of light from their hands. They also thanked all those present who are living their Messages.

Jacarei, March 19, 2003 - SANTO ANJO DA PAZ

“- I am the Angel of Peace! Marcos, today I come to tell you that the lack of affection and devotion towards Saint Joseph is the cause of the great sadness of the Most Sacred Hearts of Our Lord and Our Lady. Their Most Sacred Hearts are filled with sadness because Saint Joseph and His Most Loving Heart are neither loved nor known by humanity, leading human beings to finally ignore and not love the Most Sacred Hearts of Jesus and Mary Most Holy... because Saint Joseph is not known and loved that Our Lord and Our Most Holy Queen are not known and loved.

True devotion to Saint Joseph needs to be known and practiced as soon as possible, because the salvation of a large number of souls depends on it... all souls to be saved... This true devotion consists, first of all, in giving and entrusting everything to the Great Saint Joseph... You must give yourself completely to Him, with all your strength, with all your love and with all spiritual and physical faculties so that everything may be His and that He may dispose of everything... Next, one must live in complete and loving dependence on Him, trusting and expecting everything from His Fatherly Will, which is always in accordance with at the will of the Most High. Above all, it is necessary to give Him everything and not offer any resistance to His loving Heart, who always desires to act in the soul according to the good pleasure of the Most High. Without this total surrender and this absence of human resistance, all the other steps of this sublime consecration are impossible, because it is a two-way street. Therefore, ask for Our help (obs: dos Santos Anjos), so that we can help you in living this so sublime Consecration. Happy are those who consecrate themselves to Saint Joseph, this Most High and Sublime Saint of the Kingdom of Heaven, because they will already be one step away from the Crown of Eternal Life... and from Heaven...” (Marcos Report): Then, blessed me and disappeared. so that we can help them in the experience of this so sublime Consecration. Happy are those who consecrate themselves to Saint Joseph, this Most High and Sublime Saint of the Kingdom of Heaven, because they will already be one step away from the Crown of Eternal Life... and from Heaven...” (Marcos Report): Then, blessed me and disappeared. so that we can help them in the experience of this so sublime Consecration. Happy are those who consecrate themselves to Saint Joseph, this Most High and Sublime Saint of the Kingdom of Heaven, because they will already be one

step away from the Crown of Eternal Life... and from Heaven...” (Marcos Report): Then, blessed me and disappeared.

Jacareí, May 11, 2003

(Marcos) – I can already see the light...They have arrived!...
...Speak Lady, that your servant listens to you and obeys you...

Our Lady (Queen and Messenger of Peace)

“...Dear children, once again I come to tell you that I am the Lady Queen and Messenger of Peace, my maternal mission is to come from heaven to bring you the peace of the Holy Trinity to pour it out in this world without peace.
In these times when wars, violence, hatred and evil spread rapidly over the face of the earth, it is more than ever necessary to pray for peace, to spread peace, to be an instrument of peace, to sow peace. How can they do this?
Obeying my messages, praying My Most Sacred Rosary, also praying My Most Sacred Rosary of Peace, the Rosary of Mercy and all the others that I, My Son Jesus and My Most Chaste Spouse Saint Joseph, teach you wherever we appear on the face of the earth and also here.

You will be able to sow peace by continuing to spread My messages, doing the Holy Hour of Peace every day, trying as much as possible to spread My requests among My children.
Only in God and in Me will you find peace again for the world, the first step must be yours, and then when God Our Lord sees that you really want to serve Him then He will send you peace.
Do not be discouraged in the face of difficulty, do not be discouraged in the face of this disastrous and frightening situation in which the world finds itself in these times.

Satan worked a lot in the world and opened many painful wounds in it, wounds of sin, war and violence, it is true but I am the health of the sick, I am the Divine Balm that the Holy Trinity wants to pour on souls and on the whole world to close and heal those wounds that Satan has opened.
Satan's days are numbered, and the Triumph of My Immaculate Heart will surely happen, that's why My children, I ask you to join My army by obeying My messages, putting them into practice and leading others to do the same. , because only then will I be able to save them.

Ask for the intercession and help of the saints who have loved me most in this world, especially those to whom I have appeared, in so many places on earth and through whom I have saved millions and millions of souls and spread the wonders of My name and My love throughout the world. and for the nations, they will help you, they will strengthen you, they will be the shield that will protect each one of you from the snares of Satan in these times I want to pour out graces like I never did before.

I thank you for your prayers, that group of souls that in the previous message to which I referred are already saved, thank God, but in the meantime other souls will be heading towards the path of perdition and are in serious danger of becoming condemn, I ask you, therefore, My children, more prayers, fasting, abstinence and sacrifices to save a group of 952 (nine hundred and fifty-two) souls on which satan has already placed the shackles of his infernal tyranny, I need to free these souls that they are very dear to me, help me with sacrifices and in heaven I will thank you as soon as they are free I will let you know.
Pray for families all over the world..."

Our Lord (Sacred Heart)

"...My beloved souls, my Sacred Heart rejoices to see you here today praising and exalting My Mother, whoever exalts My Mother exalts Me, whoever praises her praises Me, whoever exalts her, exalts Me, just as whoever despises her despises Me, whoever insults her insults Me, whoever slanders her slanders Me.
My Mother and I, as well as my Father Saint Joseph, are one love, three hearts in one heart, one love, one life. An indissoluble Alliance, which no one can break or destroy.

I wish that the Devotion to Our Three Sacred Hearts take root more deeply in your hearts, place in your homes the images of our Three Hearts so that our presence is a defense, is a sign of grace and can emanate our heavenly graces within your homes, which have unfortunately been taken over by the smoke of Satan, we will begin to drive away the pestilential cloud of the presence of evil from your families and from your homes through our presence inside your homes. Pray the Rosary in front of our images because they have the sign of our grace and it is through them that we bless you and that we protect you every day.

Dear children, you cannot assess the value of our images of their presence in your homes, they are the instrument through which our blessing arrives and acts, day after day in your families and in your souls. How many times have downcast souls looked at our images and at the same moment felt their strength renewed, they felt a new influx of graces, they felt new light, new courage, new joy and a new decision to continue to love and serve us.

How many times desperate and afflicted souls were comforted, loved before our images. How many souls, many times taken by sin and already on the verge of descending the slope of perdition, were saved and converted again before our most sacred images, they are the instrument, the ray of grace by which we reach your hearts.
Therefore you must take care of them, honor them, respect them, place them in a prominent place in your homes and above all remain before them in prayer every day because your prayer made before them is addressed to our person in heaven.

Dear children, continue to pray the Rosary of Mercy, the Rosary of the Holy Wounds, the Rosary of the Eucharist and all the others daily, your prayers have saved many souls from condemnation and led them back to the fold of our Sacred Hearts, if you only knew what how much Satan hates you if he could, he would crush you here, now all at once, but he cannot, he has not my permission.

That is why, dear children, many sufferings and trials in your lives are caused by him to see if you become discouraged, if you abandon the service to us, if you abandon the messages, if you start to disobey our orders and requests, but, we watch for all of you, and my Sacred Heart watches over you with much more love than all the mothers in the world combined.
My Heart thinks of you and misses you at all times and at all times, speak to me, even at work, tell me:
“Jesus, I am with you and I love you!”
And my Heart will rejoice and forget a multitude of sins and offenses, for an act of love I am capable of doing crazy things, so say at all times:
“Jesus, Mary and Joseph, I love you, I love you, save souls!”...

Saint Joseph (Lovely Heart)

“...Dear children, I Saint Joseph, I also leave you today the message of the Holy Trinity, be strong, be firm, be persevering in everything that we ask of you, reread the messages of the book every day, so that satan find no gap in your hearts through which he can enter, spread his dark smoke in your lives and do you harm.
Dear children, only with the constant meditation of the messages will your souls remain illuminated with our light and they will not be deceived and deceived by the things of this world behind which the evil one hides. So make the message book your companion, your inseparable friend at all times.
Before going to sleep, place it on your chest so that the grace contained in it may penetrate your hearts and souls, opening them to the divine will, to our will. As you lie down, place it again on the chest of each of you so that the word contained therein will seal your hearts during the night so that Satan cannot approach you.
Satan is like a thief who wants to steal and destroy, but if you use the message book as a shield he can do nothing.
Consult the book, in difficult times, in doubts, in trials, in difficulties, consult it, read it, and in our messages you found the answer, or at least something that will help you to overcome the difficulties of everyday life. by which Satan intends to confuse them.

Pray for the nations of the Earth, pray for peace, keep doing my hour every Sunday, I am already pouring thanks in many hearts that started to do it, but there are still few, more people need to do it and spread it to may I stop the wave of family destruction that spreads like a cancer over the earth.
My heart, my Most Loving Heart will triumph, and when this happens I will make all knees bow before the Most August Queen of Heaven, Most Holy Mary, and the Most Sacred Heart of Jesus, soon after the warning my most

loving heart will have its pre-triumph. .
I bless you all now..."

Our Lady - (Queen and Messenger of Peace)

"...Dear children, I wish to ask you again to pray, pray, pray, pray, with prayer I will be able to convert all people who are now far from God and Me, living in sin. With prayer I will be able to free the captives of Satan, because I am the liberator of the prisoners of sin. With your prayers I will be able to work miracles and wonders in the souls of the whole world, transforming them from great sinners into great saints full of love for God and in this way I will be able to establish the Kingdom of My Immaculate Heart which is the same Kingdom of God on earth ...
...I am the Queen and Messenger of Peace and I ask you to pray My Rosary of Peace every day, make My Hour of Peace daily, by the Rosary of Peace I heal your hearts from the wounds caused by the devil, by hatred , for the violence and evil of this world for the Rosary of Peace I grant rest, relief and comfort to your souls, to your hearts so never forget to pray it, even if it is at least a Rosary of Peace, but pray it because only through him can I communicate to you the peace of My Immaculate Heart because this is the condition imposed by the Lord...
I wish that after the prayer:

"O my Jesus, forgive us, deliver us from the fires of hell, take all souls to Heaven, especially those who need it most"
You add:
"deliver us from wars, from evil, from violence and give us peace"
. ..If you pray often and perseveringly in this way as I just taught, we will achieve the peace of the Holy Trinity! And one day, this world full of violence, will once again be a peaceful and beautiful Garden that pleases and praises the Holy Trinity and reflects its own peace and its own beauty..."

Our Lord - (Sacred Heart)

"...My chosen souls, I have called you here to hear Our Messages that come down from Heaven in order to dew this land drier than a desert and make it green again, Our Messages are a beneficial rain, a divine rain , a heavenly rain, which should wet your hearts, take them out of the dryness in which they find themselves and transform them into beautiful gardens where I, My Mother and My Father Saint Joseph will be able to plant the flowers of our benevolence, of virtues, the flowers of our graces, the flowers of Our love and of Our Charity if your hearts are an obedient and well-disposed earth Our seeds sown here in

each cenacle that you come here to watch and pray have blossomed have grown and will become leafy trees full of fruits of holiness of eternal life...

...I am the divine Farmer who cultivates your hearts, there are hearts that resemble swamps where nothing survives and where every seed that I throw sinks and dies, because that land is rotten by your lack of faith, by your disobedience Our messages, but there are fertile lands, fertile, well-disposed and full of love, which welcome Our Messages that let them enter very deep, create very deep roots in order to give a strong tree that does not fall in the first, nor in the second, nor in the millionth trial or temptation...

...In this good land, I, My Mother and My Father Saint Joseph will plant, we will water, we will cultivate and we will take care of Our trees of choice, under their shade we will rest, from their fruits We will taste, from their leaves we will remove to transform them into balm and medicine for other sick souls around the world, in this garden, in these blessed hearts that obey Our messages, we will make our paradise of firstfruits...

...My chosen souls, let yourselves be cultivated by My Mother, who has such a kind hand to plant the seed, to take care of it and that to put the seed inside the earth, to open the earth of the heart, does not hurt, it doesn't hurt much, but on the contrary, just enough for that soul to let go of the things to which it is bound and enslaved so that it can be free and the seed can germinate, let yourselves be cultivated by My Mother and by My Father Saint Joseph who love you so much, because They know how to cultivate a tree and a seed to My liking and produce the fruits that I will come to get on the day of My return..."

Saint Joseph - (Amantíssimo Heart)

"...Dear children, I, Saint Joseph, thank you deeply for having returned here praying and glorifying the Blessed Virgin so much today, when the Virgin Mary is glorified the demons run trembling in fear of Her, they flee before the radiance and brightness that She shines that she scatters, the caves of hell return and many souls are left free and in peace, when the Virgin Mary is glorified, the devil is humiliated, when the Most Holy Mary is exalted, one steps on the serpent's head, when only glory is given to her, satan trembles and fails, so imitate the example of our son who knows so well how to praise and glorify us, this is how we want you all full of love, full of obedience to us and above all putting us first in your souls living, for Us loving, for Us praying for Us, in total dependence on Us...

...Pray more to Our united hearts, because They are your light and They have saved you. Those souls that last month, for which We asked you to pray are saved, today also 50,000 (fifty thousand) souls were saved by your prayers here, but we wish you to pray more, continue to pray more because there are 498 (four hundred and ninety and eight) who in these last days are being severely tested and persecuted by satan and are at great risk of turning away from Us and being captives of him, pray for these souls you do not know them but We know them and as soon as they are rescued by us with the aid of your

prayers in their intension we will thank you...
...We bless you now..."

(Mark) –"...Amen...Do your majesties want anything else from me today?... disappeared.

Our Lady was dressed like the painful image there (black robe and purple dress), but today she didn't have the 3 swords and I noticed that she was less sad, although her face was not a face of joy. Our Lord and Saint Joseph met, Our Lord in a light purple robe and Saint Joseph in a white robe.
The three blessed all the people present here, and from the hands of Our Lady came blue rays that came down to you, from the hands of Jesus came golden rays, and from the hands of Saint Joseph came White rays, three different blessings.
Jacareí, July 6, 2003

(Marcos) – They have arrived!... Speak Lady, that your servant listens to you and obeys you... yes... yes..."

Our Lady (Queen and Messenger of Peace)

"...Dear children, I am the Queen and Messenger of Peace, the Lady of the Rosary of Sorrows and Tears, I thank you for having prayed for those souls that I spoke to you in the previous month, I thank you all of them are already in grace of God, I ask you now to pray for sinners and to pray especially for 98 (ninety-eight) souls on which satan is focusing and wants to lose them at all costs, these souls need the help of your prayers, pray for them all the rosaries you can, make all the sacrifices and abstinence you can for their intention and I will thank them as soon as I manage to free them from danger...
... I want, dear children, that you venerate with more love the Holy Wounds of My Son Jesus in your homes, have a crucifix and kiss the Wounds of Jesus with fervor every day, in every kiss ask for the conversion of sinners, ask for forgiveness for all the ingratitude of humanity and for all the sins with which humanity strikes the Heart of Jesus in these times, above all make amends for the greatest sin with which humanity now offends My Divine Son, that is, disobedience to the refusal to obey Our Apparitions and Our Messages, this sin is the one that opens the most wounds in the body of My Divine Son and that renews His passion the most, I ask you children to make this reparation with all love...
...Keep spreading our messages, We will help you with Our grace and touch hearts so that they open and convert, do your part and I will complete it with my grace...
...To everyone today I ask pray the Rosary every day pray the Rosary of Peace and all the other Rosaries you can...
...I bless you..."

(Mark) – “...Yes, Lord Jesus...”

Our Lord Lord (Sacred Heart)

“...My chosen souls, My Sacred Heart, with tenderness and love, opens today to grant you Graces, Peace and Mercy, beloved children, see how much light My Mother and I shed on your souls in this place, see how much wisdom , see how much knowledge, how much knowledge from us you receive here in this place, indeed here is a school, it is My school of holiness, it is My school of peace, it is My school of love, here the students who enroll and attend assiduously are formed in love, are formed in the knowledge of the truth, are formed in the true servitude that I desire to receive from you, in this school of holiness we correct your bad habits, warn you of the dangers and sins that you may fall into, we open your eyes to receive the light of grace, we fill your souls with peace, mercy and love...
...Ah, My children, whoever is faithful, and whoever perseveres in this school of Ours until the end, will receive the Crown of Eternal Life, I, My Mother and Saint Joseph are your teachers, your monitors are the Holy Guardian Angels and the Saints who protect you...
...We here communicate to you the Wisdom, not the human, but the Divine, with which you will be able to overcome all the obstacles and trials of your life and you will be able to remain faithful to My Spirit of truth and love, do your lessons well, obey our messages, fulfill the tasks that we give you, and then you will be rewarded with victory...
...I bless you all...”

Saint Joseph (Amantíssimo Coração)

“...Beloved children, My Loving Heart loves you infinitely, I want to tell you that wherever one of these pilgrim images of My Divine Mary is, I will be there beside them to help in the conversion of poor sinners, and even the images who are not pilgrims and who you are taking home, with them is my special grace, and the particular blessing of my Heart that I give them now... ...Continue to make the Holy Hour of Peace of My Divine Mary every days, continue to do My Holy Hour every Sunday, I am already uniting many families, and I am already transforming them into wonderful gardens for the Holy Trinity and I will continue to do so with those families who obey My Message and do My Hour all Sundays, the transformation of some families will be rapid, others not,it will take several years maybe even four years, but I will act, I will convert sinners, unite and save the families of those who obey me...
...Do you love Jesus, do you love My Divine Mary, do you love Me? So make sacrifices for us, obey Our Messages, pray for the Holy Father the Pope, pray for peace, pray this prayer incessantly:
"...My Jesus, give peace to the world, through the merits of Your Holy Wounds..."... Pray like this the Hearts of Jesus, of My Divine Mary, and Mine,

they are attentive to you and your prayers, pray like this so that the world reaches peace...
...I bless you..."

(Mark) – "...Yes...Yes...Do your Majesties want anything else from me today?...Amen...See you tomorrow...Disappeared..."
Our Lady was dressed like the one depicted here in this image, black robe and purple dress, but she didn't have the swords today, even though her face was a kind face, but it was a grave face nonetheless.
Our Lord Jesus Christ was in white and so was Saint Joseph, around them there were 5 (five) angels, each one holding in their hands a bright rose, it was not a flower of the earth, it was a light in the form of a bright rose.

Jacareí, August 10, 2003

(Marcos) – Let's kneel down!...They are coming!...

Our Lady (Queen and Messenger of Peace)

"...Dear children, I, the Queen and Messenger of Peace, Mother of God and the Lady of the Universe I bless you all today...
...Continue to pray, pray for a month more fervently the Rosary of Peace, the Rosary of Peace, because Satan wants to destroy everything and everyone wants to annihilate peace in the world, his action is seen in families, nations, society and in souls. There is no other solution, no other remedy for the problems of this world than prayer...
...With prayer we will be able to neutralize satan, limit his field of action and even leave him inert, only the prayer of the Rosaries that I have revealed can crush his power of satan in this world...
... Therefore, little children, pray the Rosary of Peace, make My Hour of Peace, with even more fervor...
...I am always present when My children pray the Hour of Peace, and at the time of the Hour of Peace miracles and graces are granted by Me to all those who obey Me and who obey my messages..."

Our Lord (Sacred Heart)

"...My chosen souls, My Sacred Heart rejoices for the prayers, the praises, the homages, gratitude and songs that they offered in honor of My Mother; I thank everyone who loves her and who sincerely obeys her, and I say to you that peace be in your hearts...
...To those who love and obey My Mother's messages, I say that peace be in your hearts, and do not worry about anything with any illusion or thought that My enemy wants to suggest to you, whether you are doing it or not. My will,

whether or not they are wasting precious time of their lives, whether or not they are doing what is useful or what is not useful to humanity, whether or not they are doing what the Holy Spirit wants...
... My children, in these times in which we are living, nothing, nothing is more important than obeying My Mother's Messages, and whoever obeys these messages, who propagates these messages, and teaches others to obey these same messages, are doing the most holy, the most sublime, the most pleasant, the purest, the highest work in My eyes...
...Because to obey My Mother's messages, to obey My messages, is to spread the Kingdom of Our Hearts on earth...
...I know that you are attacked, I know that you are even broken by My enemy, but know that if he does this it is because he hates you and wants to take revenge on you for the souls he has lost thanks to the dissemination they made of My Mother's messages, but fear not, I know everything he does against you, and between him and you there is a wall, there is a shield that is My Sacred Heart and My Holy Wounds...
...A wall he cannot pass through, he can make you suffer a lot it is true...
...But your life it only belongs to me, and it's up to me to give it and call it when I want to...
...Dear children, during this month pray the Rosary of My Holy Wounds even more fervently, many have already begun to pray it, but there are still few, few have yet understood the value and grandeur of this Rosary that I myself revealed mine servant Marta Chambon; pray it, pray it, pray it through the Apparitions of Jacareí I have resurrected this prayer and I will make it spread from here to the whole world, and throughout Brazil...
...I therefore want you to take the Rosary of the Holy Wounds and place it in your heart, hands and soul well engraved, and take it as My thing, and take it as a treasure that I give to those I want to save...
...I bless you all now...”

Saint Joseph (Loving Heart)

“…Dear children, I, Saint Joseph, thank you all for your prayers. those souls for which we asked prayers last month are already well, they are already kept under Our Mantle but it is necessary to remember that satan loses a soul he moves away to places alone he calls other demons with him to attack and pursue new souls in order to swallow them up your spirit...
...Dear children, you cannot stop now, you must continue to pray, you must offer your work, your sufferings and your daily actions to Our Hearts, because these actions ascend to heaven as a complement to prayer and reach God, many thanks not only to yourselves, but to many souls throughout the world...
...Continue to do My Hour every Sunday at nine o'clock...
...As I said earlier, many of your families needed four or even more years to be cleansed of so much evil that over the years enters them...
...But if you persevere, if you continue, if you obey in the end My Most Loving Heart Will triumph in their families...
...So continue with My Hour every Sunday, pray My Rosary that My servant Marcos composed in My Honor and that I myself approved, because this

Rosary closes in it great power, it contains great graces and lights for the soul...
...I now bless you all with love..."

(Mark) "...Amen...Do your Majesties want anything else from me? ...until tomorrow...disappeared.

Our Lady, Saint Joseph and Our Lord were a little happier today. Our Lady still had the swords in her chest, They blessed you all by pouring rays of light from their hands on everyone present.
Our Lady wants us to continue to obey her messages. She thanked all those who made sacrifices to come here and be at Her feet today.

Jacareí, September 7, 2003
Our Lady (Queen and Messenger of Peace)

"...Beloved Children, I, the Queen and Messenger of Peace, Mother of GOD, bless you all today with love and affection. I thank you for all the prayers you have said to answer my invitation, I bless each of you, I bless your families, I bless the rosaries and the images that you have brought now...
...Dear Children, during this month of September, which is full of graces for all of you, I ask you to pray the Rosary of my Immaculate Conception very, very often, this Rosary is contained in the book of my messages, I wish that you pray it often, asking for the merits of my Immaculate Conception the grace of Peace for the world, asking for the privilege of my Immaculate Conception the conversion of all poor sinners. If you do this my Immaculate Heart will rejoice and many souls will be converted.
...Those souls for which I asked you to pray are already at peace and out of danger of temptation, of condemnation, but there are others that Satan wants, especially the young people who are the ones he has attacked the most in recent times, pray more for them. young dear children, there is a veritable multitude of them that is one step away from hell, and only our united prayers, mine and yours, will be able to obtain mercy, pray, pray and pray..."

Our Lord (Sacred Heart)

" ...Generation, my Sacred Heart exults with joy today, to see you here praising and honoring my Mother, despite the heat, offer this small sacrifice my children, for the conversion of sinners, for the conversion of the world, for the conversion of people you know...

...Dear children, I invite you in this month of September to pray intensely the Rosary of My Mother's Sorrows, you must not pray it only in Lent, but throughout the year, in My Mother's Sorrows you will find comfort, courage,

strength and faith so as not to be discouraged in the midst of trials, above all I remind you today of the promise that my Mother made in April to all those who venerate her pain every day, those souls who love my Mother's pain and never forget them will have the grace to take out of purgatory 7 (seven) souls of their relatives of their choice, they will not die without the last rites, they will escape the fires of hell and purgatory on the same day they die, these and other graces I promise to give to those who remember to venerate my Mother's Sorrows every day, whether for the Rosary of Sorrows, or for the Rosary of Blood Tears...

...I also invite you to read my Passion in the books of my Mother's life in Mystique City of God, my Passion is very forgotten and almost no one remembers it, make the Way of the Cross if possible every Friday , I love all those who obey our messages and they will not perish but in the Kingdom of My Father they will shine like the sun..."

Saint Joseph (Loving Heart)

"...My children, I, Joseph, invite you to pray today more, more and more for their families, Satan wants to destroy all families until none are left standing...
...The Rosary is what has guaranteed the survival of the world, otherwise it would already have been totally destroyed either by Satan or by the wrath of GOD offended by so many sins, if you want to save the human race, pray the Rosary more, pray more fervor, pray it passionately and don't forget one day if you want. The same goes for the other Rosaries revealed here in the Apparitions by the Blessed Virgin, pray as many Rosaries as you can and at the time of Your Death they will bless the moment you started to obey me, the devotees of the Rosary stay very little time in Purgatory, some just a few minutes, others a matter of seconds, such is the power and effectiveness he possesses to take souls to heaven a soul that prays the Rosary will escape the temptations of the Devil, and in this soul, in the soul that prays the Rosary, Satan will never you can touch, nor raise up their strongholds of darkness, nor gain any victory. The soul that prays the Rosary has the strength of the Blessed Virgin herself to spread the light and grace of God on earth, and to fight the darkness, so pray the Rosary...

...Disclose the Holy Medal of Peace, they haven't divulged it enough yet, the number of souls who still don't have a Medal of Peace, who don't know it, is very large, the Medal of Peace is the channel, it's the door through which the Blessed Virgin sheds her graces and her light on the earth, she has the same value as the Holy Rosary, so wherever the Rosary is, there must also be the Holy Medal of Peace, spread it, love it, pray to prayer that the Blessed Virgin taught holding the Medal...
...Do my Hour every Sunday, some families have already started the process of Conversion, but we are still at the beginning, patience is needed, it is necessary to pray, trust and wait. ..
...Make the Holy Hour of Peace every day, and the Immaculate Heart of Mary will triumph, the angels, the saints, the Divine Holy Spirit, the Holy Trinity land

on the souls and on the houses that make the Holy Hour of Peace every day...
...I bless you now..."

Jacareí, September 13, 2003
The Gray Scapular of Peace
REVELATION OF THE HOLY ESCAPULAR GRAY OF PEACE

(Report by the seer Marcos Tadeu): I waited for the arrival of the Lady praying the Rosary of Tears, on the cross of Dozulé, in the Sanctuary. Three young people were with me. The Lady appeared in front of the cross, with the Holy Angel of Peace beside her. The lady said to me:

Message from Our Lady

"-Dear son Marcos, today I come to give you a great grace and through you to the whole world... This grace is a new gift of love from My Heart."
Then the Mother of God took the graceful position that she has on the Holy Medal of Peace, with the roses on the cloud at Her feet, with the Luminous Host in Her right hand and the Rosary in her left. Then the Angel of Peace moved to the left, and a rectangular frame was formed around Our Lady, connected to another rectangular frame by a white cord. The rectangular frames were gray in color. The lady then said:

"-Dear child, this is the gray Scapular, the Scapular of Peace.
This Scapular is a new gift of love from My Heart to the world and also to you, My child. You have carried a very heavy cross, beyond your strength , I know... And yet, you have continued to serve Me and to spread My Messages to the world in all known and possible ways until now... Even with the great torments and persecutions you have had, you have not disobeyed Me. and he persevered in the fulfillment of My will. Suffering, accepted with patience, attracts new blessings from the Lord and makes Divine Mercy descend on the world. His sufferings served to achieve this Grace from the Most High and from My Heart."

The Lady was full of radiance and Her magnificent light dazzled my eyes. In the second rectangular frame, the figures of the Heart of Jesus crowned with thorns and bleeding were formed inside it; then the Immaculate Heart of Mary surrounded by a ring of thorns and then the Most Loving Heart of Saint Joseph in a great aura of flames of Divine Love. Around the Three Sacred Hearts appeared a luminous Rosary, whose buds shone intensely. Finally, a Glorious Cross appeared in the background of the whole scene. In the other frame, around Our Lady, the words appeared: "Queen and Messenger of Peace."

The Mother of God continued:
"-As I said, this is the Scapular of Peace... Wherever He is, I will also be carrying the Graces of the Lord.
Those who use it with fervor and devotion throughout their lives until their time of death will not know eternal fire and will be freed by Me three days after their death from the fire of Purgatory. These beloved children of Mine will be helped by Me in life and in death, and I will always be there to comfort them in their sufferings. Those who wear My Peace Scapular will be defended from evil spirits and will take My peace wherever they go. He will be an instrument of all kinds of graces for My beloved children. As soon as you can, My son, have My Scapular made so that My plan may be fulfilled."

Then the Angel said:
"-This is one of the meanings of the seven roses at the feet of the Blessed Virgin:
-the 1st rose means the seven Thirds that E1a revealed here;
-the 2nd rose means the Holy Medal of Peace;
-the 3rd rose means the Messages;
-the 4th rose means the revelation of the secret pains of Jesus, Mary and Joseph made here;
-the 5th rose means the Holy Hour of Peace and Saint Joseph;
-the 6th rose means the Fountain of the Blessed Virgin and Saint Joseph;
-the 7th rasa means the Scapular of Peace;
It is necessary to remember that the Scapular of Peace does not release the use of the brown Scapular of Carmo, on the contrary, they must be used together, because the Blessed Virgin never withdraws the graces that She has already given, but multiplies them.
You should make this Scapular preferably in taffeta (obs: I had never heard of this fabric until then) and if not, in another fabric.

Mark, make the Scapular and the Heart of the Most Holy Mary will pour out graces on souls, like this..."
This is what I saw: the Lady lowered her Hands, and from them luminous drizzles fell over the world. I understood that they were the symbol of graces that the Blessed Virgin will pour over the souls who wear the Gray Scapular of Peace.
Then the Lady blessed me and disappeared with the Angel of Peace.
The Angel also told me during the Apparition that I should write a prayer to impose the Scapular spiritually over the sinners of the world. I must show this prayer to the Lady in order for it to be approved by Her."
Since then, the Scapular has been publicized in the Sanctuary of the Apparitions of Jacareí, and numerous graces have been achieved through it.

PRAYER FOR THE SPIRITUAL IMPOSITION OF THE GRAY ESCAPULARY OF PEACE ON SINNERS AND THE WORLD

O Holy Mary, in Your Apparitions in Jacareí you revealed the Gray Scapular of Peace to be imposed on souls and the whole world as a sign of peace and a means to reach it. there. We want now, in obedience to Your Word, to impose

it on the whole world.
In the name of Jesus, Mary Queen and Messenger of Peace and Saint Joseph, we spiritually impose the Gray Scapular on all sinners throughout the world. We also impose on all cities and nations in need of divine peace. It must be imposed until the end of the mute. In their place, we want to pray the Act of Contrition:
I regret all the sins of my life. I regret it a thousand billion times. Mercy, My God, through Your Most Holy Mother and through Saint Joseph, mercy! Mercy for every sinner and dying to the end of the world. Billions of times we offer to the Heavenly Father the Most Precious Blood and the Blood Tears of the Mother of Jesus with the pains and Tears of Saint Joseph, for every sinner and dying until the end of the world, covering them with the Gray Scapular of Peace, to let the evil one have no power over them. Lord, save them!
Most Sacred United Hearts of Jesus, Mary and Joseph, pray for us sinners now and at the hour of our death. Amen.

Prayer of Imposition on Yourself from the Gray Scapular of Peace

Most Holy Mary, Queen and Messenger of Peace, in obedience to Your Holy Messages from the Apparitions of Jacareí, I wish that Your Sacred Gray Scapular of Peace be imposed now, on my body and on my soul, on my spirit.
In the presence of My Holy Guardian Angel and my Holy Protectors, with this Act, I consecrate myself totally and forever to the Most Sacred Heart of Jesus, to Your Immaculate Heart and to the Loving Heart of Saint Joseph, giving You full right and authority. about my person. I give you completely, unrestrictedly, irrevocably, my body, my soul, with all their faculties, potencies and operations; all my will, my action, my will and my freedom, in short, my whole being, so that You may dispose of me and all that I am, according to Your Most Holy Will. I am all Yours forever.
I promise to obey Your Holy Messages of the Apparitions of Jacareí, to work to make them known and obeyed by others, to spread the True Devotion to Your Three Most Sacred United Hearts, to console them, to make amends for them and to obey them in everything.
With this Act I also want to make amends to Your Sacred Hearts for the disobedience of souls to Your Holy Messages from the Apparitions of Jacareí. O Lady of the Scapular of Peace, I welcomed my Act of Perennial Consecration, which I perform before the entire Celestial Court, with a soul full of faith, love and hope in You.
Through Your Holy Scapular of Peace, O Mother of God, unite me with You, O Lady, and never allow me to be separated from You!
Through Your Holy Scapular of Peace, O Mother of God, give peace to the whole world!
Through Your Holy Scapular of Peace, O Lady of Messages, fulfill Your Promises to me and to those who wear this Scapular, and establish the Kingdom of Your Most Sacred Hearts in souls and in the world!
By Your Holy Scapular of Peace, O Lady of Tears and Peace, destroy the forces of hell and save the world from threatening loss! Amen

Our Lady (Queen and Messenger of Peace)

“...Dear children, I, the Virgin Mary, Mother of GOD, again today I ask you to open your heart to live love, only with true love in your heart will you be able to please GOD and you will be able to reach His Divine Mercy from Him, love endures everything that is difficult, love waits, love believes, love desires everything that is good and rejects everything that is bad, only with Divine Love will you be able to transform the environment, the place in which you live and will be able to help in this way my Immaculate Heart to triumph...

...I ask you, dear children, obey my messages, the Mother, when she sees herself obeyed, when she sees herself loved, when she sees herself heard by her children, she feels happy and then she can pour out the graces of her heart on the world.. ...
From my hands rays of light descend every day on the world, but many rays do not descend from my fingers because many of my children do not pray, do not obey my messages and do not ask for graces of conversion and salvation for the world...
...Pray for my plans, pray for the intentions of my Immaculate Heart, pray not so much for what you want, but for what I want and what GOD desires...

...Obey all my messages, continue to do everything I asked you, especially the Hour of Peace , my peace is already starting to descend on many families, on many souls who started to do it, continue to do it. there and in the end My Peace will triumph...”

Our Lord (Sacred Heart)

“...Dear children, my Sacred Heart blesses you today, blesses you for having praised my Mother, for having come here once again to exalt her, whoever exalts my Mother exalts me...
...My Mother's love for me is so great that if the whole world, that if the entire universe, stars, planets and constellations were placed inside it in less than a second would be consumed in its flames, my Mother's love alone, it was more than enough to save the whole world, it is this love that I invite you to receive in your souls, because this great love that she has for me also consecrates it to each one of you...

...My Blessed Mother's love for you is so great, so great, that if you felt it even for a moment, you would cry and some would even die of happiness, many complain about life, and go around unhappy, groaning from one side to the other. another because they don't want to receive My Mother's love, they don't believe in it, or if they do, they have weak faith, many have not yet felt this love from My Mother in the appearances in so many messages spread around the world...

...If you meditated at least five minutes a day on the love that my mother feels in her Heart for each one of you, that love that makes her come down from heaven and appear on earth to fight for you, to save you, to give you messages, you would not live groaning in the corners, but you would live singing hymns of praise to exalt her, to thank her, to say it well and everything would be small for you, the pain, the illness, the suffering, everything , the cross would be light because you would see, because you would feel the presence of my mother walking by your side and following you on your Calvary, if you believe in my mother's love your hearts will become sources of peace and happiness that will flood other hearts that have already withered and withered like withered flowers, for lack of love, for lack of devotion to this Mother of mine...

...So love my Mother, obey everything she says, and from within you a river of happiness, love and tenderness for my mother will flow and this river will carry grace wherever it goes, it will bring peace , will bring love to my Mother, making her triumph in the whole world..."

Saint Joseph (Lovely Heart)

"...Dear children, I, Saint Joseph, bless you today and thank all souls who are making my Hour every Sunday...
I ask you, dear children, to continue making my Hour and praying my Rosary, I promise at that moment to pour out abundant blessings on all of you, some families have already begun to have peace, already began to receive the grace of our Sacred Hearts...
... It is necessary to persevere even if everything is against it and even if everything proves the opposite, even if everything shows that it is no use praying, even if everything shows that it is no use fighting and that everything is already lost, no, dear children, continue, insist , persevere, because he who perseveres will conquer...
...Look at the Virgin Mary, who had to fight against contrary appearances throughout her life, seeing her divine son in the poor and helpless crib of all, she believed that he was the supreme GOD who with the Father and the Spirit created everything that exists, seeing him working with me in my workshop in Nazareth, seeing him tired, beaten and exhausted, she believed that he was the one who ruled over all things, seeing him crucified, shedding blood and dying on the cross as a defeated she believed that he was the living, true and all-powerful GOD, the omnipotent GOD, and when everyone lost faith she was the only one who believed...
...Dear children, imitate this virtue of the Blessed Virgin Mary and will triumph in the battles, in the trials and in the sufferings of your lives...

...Continue to wear the Holy Medal of Peace , also make the Hour of Peace every day and the peace of Mary's heart will triumph, pray for the Pope at least one Hail Mary a day in particular and ask the holy angels to keep, pray the Rosary of Tears of Blood many times and this month, in every month of

October of each year, do at least five minutes a day of meditation on the mysteries of the Rosary each day a mystery, trying to understand what lessons it contains and what fruits can take from it... Just thinking about the mystery of the rosary puts the demons to flight, just meditating on a mystery of the Rosary makes all hell shudder and just by praying the first decade of the rosary the demons already fall for earth frustrated with all their plans...
...We bless you all now..."
(Mark): They're gone!!!

Our Lady (Queen and Messenger of Peace)

"...Dear children, I, the Lady of the Rosary of Peace , the Lady of the Peace Medal, bless you all and thank you for coming here today to hear our messages and pray for the conversion of the world, for the peace of the world and for the triumph of Our Hearts on earth...
...Dear children, My Immaculate Heart is grateful for the help you have given me to build My Chapel which will actually be the Chapel of Our Three Sacred Hearts, the Chapel of the apparitions, yes My children, everything that I have shown my son Marcos in vision is true and it will happen, great sinners will enter that chapel and great converts will come out who will become great saints in heaven...

...My Immaculate Heart will do Miracles there, but my miracles are done in silence and in hiding, which is my preferred way of acting, although many conversions will be resounding. I want all of you to feel co-responsible for this chapel, in it will be prayed for the peace of the world, in it will be prayed for the salvation of nations and of Brazil, in it will be prayed for the Catholic Faith so that it does not succumb to the persecution of sects and sin that exists in this world, it will be prayed for the intentions of My Immaculate Heart, for the victory of our Three United Hearts, this chapel will be very important my children, and that is why I want you to fight for it, with prayers and with concrete acts, this chapel it will be the door of my heart whoever wants to enter my heart must come and visit me there to find favor with God and with me for himself.

...Dear Children, I have appeared in many places on earth, but most of them are abandoned and nobody cares about anything, many places where I appeared do not even have a cross, an image of me to demonstrate to everyone and serve as a sign of my presence in that place, the world has filled the stores, people fill the cinemas, the commercial establishments, the entertainment establishments, but the places where I have appeared are deserted, nobody comes to visit me, nobody comes to pray to me, no one comes to listen to my messages, why, why are you my children, why are you like this, why do you have such a hard heart, without faith and without affection for me? Have I not shown all my Love in my messages for so many decades, have I ever failed to give my Love to the world throughout all these centuries? No,

...My children, My Triumph is very close, as by magic the sky will be torn like a sheet of paper and suddenly millions and millions of angels with swords in their hands will appear guided and commanded by me, and I will give them orders and they will persecute the demons and they will also persecute all the evil ones who practiced injustice, violence, evil and spread hatred and war on the world, and they will all be thrown together, men and demons into the eternal fire from which they will never go again. come out, so my children don't stay on the dark side, on the side of Satan, come to the light, come to my side little children, for the consecration of each one of you to my Immaculate Heart...
...To everyone today with love I bless..."

Our Lord (Sacred Heart)

“...My chosen souls, my Mother appeared in Fatima, in Lourdes, in La Salete, in Paris, in El-Escorial, Garabandal and so many places on earth, but men did not want to obey her or listen to her, the day will come when men will cry tears of blood for not listening to my Mother's messages, my Mother's message books are often kept in dusty drawers without being read, without being divulged, without being put in practice, our messages will be charged one by one when I call you to my presence and ask you about them...

...I don't want you to come to us empty-handed, so work while it's day and the sun is shining, look for sinners, look for the faraway, look for atheists, look for the suffering, look for the anguished and bring them the our messages, because they are light, they are life, they are salvation...

...My Sacred Heart wants each of you to become saints, this is the school of Holiness, and we, your divine teachers, teach you peace, love, virtue, salvation and good, put into practice the our lessons, because only in this way will you be able to be pleasing in our eyes and you will be able to pass the great test...
...My Sacred Heart pulsates with love for you, and now we bless you all with love...”

Saint Joseph (Loving Heart)

“...Dear children, I ask you Saint Joseph, put the messages that we are giving you into practice, humanity has forgotten the messages of La Salete, Lourdes, Fátima, Bânno, Borein, Ridi and so many others from Aia from Bonate was a message extremely persecuted and left in oblivion and the same can be said of Montichiari, Akita, Garabandal and many others...
...The Blessed Virgin has come to Medjugore, Jacareí to so many places on earth, including from your Brazil to tell you that you must convert as soon as possible...

...My children, do not stay asleep, because when Jesus comes it will be

without warning, he will come by surprise, he will come on purpose like this, because in the surprise it will be revealed who are his true friends and children and who are not, the true ones. children of GOD and of the Holy Virgin keep and obey their messages always, every day...
...Obey our messages, only through them and that we can help you, this year was a decisive year and your prayers during this year they helped our hearts a lot to prepare the way for our return from our Triumph...
...Continue to pray, especially to make the Holy Hour of Peace , My Hour , the Holy Rosary , the Rosary of Tears of Blood and all the thirds that we teach you, a single Third of the Tears of Blood is more than enough to save the sinners of the whole world because it is the supplication to Jesus in virtue of the Tears of the Most Holy Mother that he loved so much on earth and still loves more divinely in Heaven, what can Jesus deny the soul that asks of him through the tears of his Most Holy Mother? Anything! But as faith is little, as prayer is little, sin, evil and violence still exist in the world, but if they work, if they spread our messages, if they win more souls for us, we will triumph, because the more people come to pray, the sooner evil will disappear from the world and good will triumph...

...Go in peace, work during this month so that the Chapel of Our Three Hearts, the Chapel of the Apparitions, the Chapel of Peace is completed, perhaps many of your own family members and friends will be converted in the future when they come to visit this chapel, therefore have faith and hope...
...From here a mystical peace, a mystical light will spread and spill over the world like morning dew, I bless you all now with love..."

(Marcos): See you tomorrow... Disappeared!!!

Jacareí, December 7, 2003

(Marcos): ...who art in heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread, forgive us our trespasses as we forgive those who trespass against us and lead us not into temptation, but deliver us from evil. AMEN...
...What do your Majesties want from me today?...
...Yes...yes...yes...yes...
...You are happy with the presence of the people today here?
...Yes... yes Madam...

Our Lady - (Queen and Messenger of Peace)

"... Dear Children, I wish today to ask you again to continue with the prayer of the Holy Rosary every day...
...I ask you to help build my chapel, because many conversions and the salvation of many souls depend on this chapel, I ask you to help finish this chapel that is so important to my immaculate heart, a part of my plans depends

on the chapel I asked for, so I ask you to help finish my chapel so that my image can be introduced there, I ask you to help make this chapel not only with prayer, but also with work and with the generosity of all of you, each one must help the expansion and construction of the Kingdom of My Immaculate Heart in this world according to your possessions, and I promise that I will reward you for all the efforts you make for me and for what I ask...

...I want you to make a novena praying the Rosary of Love in preparation for the birth of my son Jesus, because I want to give them to him as a gift, I want to turn them into very beautiful flowers to give him for the dry the tears he sheds for those who don't love him, who don't adore him, who don't want him...
...I bless you all..."

(Mark): ...Yes...yes Lord. ..

Our Lord - (Sacred Heart)

"...Dear souls, My Sacred Heart wants you to love my Most Holy Mother more, my Mother dressed in a black robe, in a purple dress, is full of pain, because her messages do not are obeyed by human beings, my Mother is filled with pain for humanity...
...My heart can no longer bear to see my Mother suffer like this day after day, my Heart can no longer bear to see my mother consumed with pain like this day after day, seeing that her messages are not obeyed or heeded therefore I ask each of you to love her more, to increase your prayers to her more, I want you to love my mother with fervent love, I want you to transform yourselves into souls of fire, into torches of fire, fire of love for her. my Holy Mother, for this I want you all to read the lives of the little shepherds: Francisco and Jacinta, I want you to copy the love they had for my Mother, I want you to copy the prayers they made to my Mother, I want you to copy the sacrifices they they did out of love for my Mother, I want you to bear the sufferings with the same humility and meekness that they endured to comfort my Mother's heart,I want you to have the same obedience for her that they had for my mother, if you do all this my mother's heart will rejoice, it will stop bleeding and therefore my heart will also be relieved, because I want nothing else but to find in the world souls who love my mother and suffer everything, endure everything and do everything for her..."

Saint Joseph - (Lovely Heart)

"...Dear children, I Saint Joseph, today I ask you to continue to make My Hour every Sunday in your homes, in your families, my peace will descend little by little on your families and even if everything shows you the opposite, even if the situation is desperate and it seems that it's no use saying a Hail Mary anymore if you want, I say to you continue to pray because only those

who are strong, only those who close their Listening to the temptations of the enemy, who orders everything to abandon, only those who persevere to the end, who carry the cross to the top of Golgotha, of Calvary, only these will receive the prize, the crown of triumph...

...Children, the more difficult the fight, the more glorious the victory, be patient, pray, make my hour every Sunday, continue to make the Holy Hour of Peace every day, if you do this you will be putting up a barrier , a shield, a field of spiritual force around your families that will make it difficult for the evil spirits of darkness to enter your homes, an atmosphere of peace will invade your homes, and your home will become little by little the target of God's graces and mercy, remember what I told you: the harder the battle, the more glorious the victory...
...My Heart will only triumph in the homes, in the families that make My Hour and Hour of Peace..."

(Marcos): ...Give me your Blessing...
...Amen... Do you want anything else from me today?
...Amen...

Observation: Then Marcos sang the chorus of the song A Treze de Maio, sang the Salve Rainha and said a Hail Mary, after telling us about the tribulation that the sanctuary went through during the month of November and keeps passing.

Messages communicated in the Apparitions of Jacareí, year 2004

Jacareí, April 4, 2004
OUR LADY

(Marcos) “What do you want from me today? (long pause) “- Yes... Yes...”
(Our Lady) “- My children, today I want to ask just one thing; reread all My Messages; listen again to all the messages I have already given you here; because many of them have already been forgotten. Obey this order that I give you and you will comfort My Heart.”

OUR LORD JESUS CHRIST

“- My children, My Sacred Heart wants each of you to make a novena, a novena of the Rosary of the Sorrows of My Most Holy Mother, offering this Rosary for the Peace of the world and for the conversion of sinners, because they are the ones who destroy Peace of the world with the help of Satan. If you ask me for the Merits of the Sorrows of My Most Holy Mother, I will pour Peace on Earth, I will send My angels to fight against the demons installed in the air, in cities and in houses. And My angels will imprison you again in the abysses of hell. To the Rosary of My Mother's Sorrows I cannot deny anything. Because it is the contemplation of how much she herself suffered during her whole life from the moment she was born until the end for My Love and at My side.
Yes, many think that I suffered more than My Mother. On the contrary. She suffered as much and even more than I did, because she suffered not only for herself but for Me. Her pain who can measure? Who will be able to put into words the torments of My Most Holy Mother. Yes, the demons themselves were paralyzed with the Pains that My Most Holy Mother felt. With the sorrows she felt in her heart. Especially My Passion.

The demons themselves marveled at the cruelty with which men treated me and My Mother in those terrible hours of our passion. Yes, My Mother's suffering, if it were transformed into fire, it would burn and melt all of Heaven and all of Earth. Yes, that was the price of your salvation. This was the price of your ransom from sin. This was the price of your souls. My Pain and My Mother's Pain. That is why those who pray the Rosary of Sorrows, the Rosary of Tears contemplating the Sorrows and Tears of My Most Holy Mother, I will grant everything if what these souls ask of Me is not contrary to the will of My Father and My Sacred Heart and if it is for the good of souls. because to the Merits of My Mother, I will never be able to say no. Never. Therefore, have great trust, great love and devotion to My Mother's Tears and Sorrows. Pray these Rosaries as much as you can and I confirm to you that I will give them thanks, that I will drive away and arrest the demons that I will pour out Peace like a gentle rain to wet the whole Earth transformed into a desert of hatred, violence and evil. I bless you all.”

SAINT JOSÉ

“- My children, I... José today I ask you all: Continue to pray the Holy Rosary every day.
Satan has a particular hatred for those who pray the Rosary because he knows that it is the Rosary that prevents and thwarts his plans. The devil does not fear those who do not pray the Rosary, but he fears those who pray it every day.
Continue to pray it because only the Rosary can bring Divine Peace down to Earth. Continue to do the Holy Hour of Peace every day. Satan can't stand the Hour of Peace. The demons are forced to leave the homes that make the Hour of Peace. If they persevere in it, their homes and families will be free from the influence of demons because when they leave a soul or a family, they wander and then come back with stronger spirits to try to enter again. If they persevere in the Hour of Peace every day when the demons return, they will find their families and their souls surrounded by prayer and so they will not be able to enter. Continue to do My Hour every Sunday, the Hour of Peace and My Hour, they will be stronger and more effective the greater the Faith with which you make them. Yea, the degree of effectiveness of these prayers is also related to the degree of faith you have in them. Whoever has little faith in these prayers will have little effect. Whoever has a lot of faith in these prayers, great effectiveness for these souls, these prayers will have. Continue to wear the Holy Medal of Peace every day, because It is the shield that protects you from evil. The Mantle of the Blessed Virgin, My Mantle and the Mantle of the Sacred Heart of Jesus will be covering the people who wear the holy Medal of Peace with faith and devotion. The demons recognize the Holy Medal of Peace wherever it is and therefore, they cannot stand its presence, they rebel, get angry, protest but are forced to flee. I now bless you all.” Whoever has a lot of faith in these prayers, great effectiveness for these souls, these prayers will have. JULY 11, 2004 (SUNDAY) AT 12:35 PM
MESSAGE FROM OUR LADY

"My Children, I am the “Queen and Messenger of Peace”, the Lady of the Rosary, I want you to continue to pray it every day, I want you to continue to pray the Hour of Peace, because it has had a great effect on the world. The world, my children, is small for God and for me, but it is big for you. Many times your prayers are collected by me, and they are applied in other regions of the world, far from here, that need peace, so don't be distressed if you don't see results of your prayers near you. Don't ask yourself, what has become of all my prayer?

My children, every prayer that comes out of your hearts is collected by me, and applied in the world, nothing is lost, even the thought that you sometimes have, the desire to pray, even that I already collect, I transform it into graces and I apply it to humanity, so trust, prayer is your advocate in Heaven, before our Sacred Hearts.
Through prayer, what is impossible can be made possible, what is difficult can be made easier. Prayer can open paths where there were only mountains before, everything is possible to those who believe in the power of prayer, so I want you to follow the example of my Seers, pray as they pray, pray like the soul of a child, totally trusting, totally supported, totally dependent on me, and I who am your Mother will never let you be confused or helpless.
Follow the example of the Medjugorian people who pray 4 hours a day in the Church, and who pray in their homes for a few more hours. I know that here you cannot stay in the Church, because the Fathers persecute you who come here. So, my children, pray 4 hours a day in your homes, pray as a family, be a family cenacle, make the Hour of Peace, pray the Rosary, pray the Rosary that I taught here, and the others that are also contained in the Book of my Messages from here, since here in Brazil the followers of my Apparitions are persecuted and cannot pray in the Church, pray at home, but pray, for me it does not matter the place, it matters that you pray, I need your prayers, come and pray here more often, because here in this poor and simple place graces are poured out that are not poured out in your homes and elsewhere. Those who say,

No, my children, the prayer that you say at home has its value, and the prayer that you say here is more valuable than the prayer that you say at home. It's not the same, it never was, it never will be.
And so it is with my Sanctuaries of Fatima, Lourdes, Medjugorie, Montchiari, Garabandal, Bonate, Oliveto Citra, El Escorial, and so on.
The prayer that is made in the places where I have appeared is more accepted

by the Lord, is more welcomed and welcomed by the Holy Trinity, produces more fruit, has more effects, is more effective.

Therefore, my children, correct your wrong way of thinking and judging the places where I appear, these places are unique in the world, they are singular, the graces that GOD and I grant here are not the same as those you receive at home, which the ones you receive in the Church. So come here, every place you pray has its value, of course, but the places where I appear, in them the Holy Spirit is constantly at work and at work.

Heaven is continually touching earth. The Angels and Saints continually ascend and descend with me to bring prayers to Heaven, and to bring Heaven's graces to earth. Therefore, Children, do not come here to see signs, come here to listen to my Messages, to obey them, to meditate on them, to pray the Rosary, to visit me, keep me company, comfort me, remove the thorns of sins , of the offenses of humanity, of my Heart, and to pray here for the peace of the world, this is what I desire, come here to pray, not for what you want, but for what I want, what I want to do in the world . If you do this, a river of grace will also flow for you,
on you, for you, because I will never fail to reward those who dedicate themselves to praying for my causes, for my intentions.
Thank you for coming here, and for having answered my call."

MESSAGE FROM OUR LORD JESUS CHRIST

"Dear Children, I wish more obedience to the Messages of my Blessed Mother. There are many who do not want to obey Her Messages, neither mine nor those of Saint Joseph.
For those, for the rebels, for the disobedient, fate is fire. Yes, they will burn like wood, in the eternal fire, because they have no kindness in their hearts, they do not have love for my Blessed Mother, they dedicate themselves to everything and work for everything, except for my Mother's causes.

And this is what hurts my Heart and the Heart of my Blessed Mother so much. Many are those who come here, but later when they are pressured by the Fathers, they prefer to please Them, and stop coming here, than to continue coming here to obey my Blessed Mother.
That is why many souls are condemned for sins committed against my Most Holy Mother, against Her Messages and Apparitions. That is why I ask you to offer prayers of reparation to the Immaculate Heart of my Mother, because each disobedience to Her Messages is a new thorn that is stuck in Her Heart, causing Her to suffer terribly.
May they make the first Saturdays of reparation to the Heart of my Mother, that they pray many Rosaries in reparation to the Immaculate Heart of my Mother, that they pray more on Saturdays in honor and in reparation of the Immaculate Heart of my Mother.
May on the first Saturday of each month pray more to the Immaculate Heart of my Mother, think of Him, remember Him, thank Him for His Apparitions in the

world, bless the Heart of my Mother, console it, exalt it. Continue to pray the Hour of Peace, Saint Joseph and Trezena.

My Sacred Heart, to all, at this moment, give peace, give love, give my grace. Don't think I'm happy when you stop coming here because the Priests forbade you. Don't think I enjoy doing this. Because it wasn't Me who told them to forbid people to come here. If they forbid people, it is on their own account, and they will be judged accordingly.
I always called and always wished everyone would come here.

Obedience to my Person and the Messages is above your obedience to the Church, because I am the Lord, and the owner of the Church, and it is Me that must be obeyed first.
It is clear that at this moment the Church is going through a great apostasy, a great loss of faith, she has unfortunately moved away from my will, she does not want to obey our Messages, but you stand firm, because in the end, at the end of time, our United Hearts will triumph, and they will save the Church, at the last moment, and it will be redone again, rebuilt from its beginnings, and it will return to being holy and will return to obey me as it was in the beginning, founded by me.
For now, pray for her, but know that my Sacred Heart is sad when you prefer to obey the Priests than me. I want you to obey our Messages. Many who came here in the past years, and who were destined for great holiness, unfortunately fell, because they preferred to err with the Church than to be right with my Mother and Me.

Therefore, my children, I beg you, be faithful to my Mother's Messages, obey them, go to Holy Mass, communicate with me as much as possible, but please do not get carried away, do not allow yourselves to be involved by those who want to distance you from the Messages of my Mother and my Sacred Heart. Be alert, because Satan has already overthrown many with this snare, open your eyes, watch and pray, because the spirit is ready, but the flesh is weak, above all, be intelligent, constantly meditate on what is happening around you, to that you yourselves do not tear down your own house.
Children, go forward, courage, do not be discouraged, because We are with you."

MESSAGE FROM SÃO JOSÉ

"My children, I, Saint Joseph, also say to you, the adversary, the evil one, has hit the Catholic Church hard, and that is why within her you can see the advance of Protestantism, of apostasy, of the loss of the true faith, and of so much darkness that obscured her, and simply overshadowed her beauty.
You must pray for the Holy Father, you must also offer sacrifices for him, but I tell you, my children, many, many have neglected their faith, and because of this, many priests moved by the evil one they managed to drive many souls away from obedience to our Messages, to our Apparitions.

Those souls who fell, my Children, were still very attached to the world, the esteem of the people, the opinion of the people, and so, in order not to have to face the annoyance of people inside the Church, they preferred to go with them rather than stay with us.
Ah, my Children, may you not be one of these, because if you do not return soon, their end will be terrible, my Children, and if you also betray our Messages, it will be terrible, my Children, because no one betrays the Word of GOD. , and has a happy death, at the end of his life, no one, my Children.

I ask you, therefore, my Children, that you put our Messages in the first place, because they are the anchor, the rock, the ark that will sustain everyone, keep everyone, and save everyone.
I ask you, Children, that you understand our pain, it is not easy for us to say this to you, but it is the pure truth, the majority that come here, then abandon us, and prefer to make mistakes with the Fathers, than to be right with our Messages. This is very hard for us, my children, it is very painful, so I ask you to continue going to Holy Mass, but to say your prayers at home, to prevent you, my children, from exposing yourself too much to the temptation of get away from us. If you do this, my children, you will be able to reach the end of this road, by which we call and introduce you, the road of salvation, which is a thousand times more difficult in these times than at any other time in the history of humanity. My children, have confidence in us, because in the end our Hearts will triumph, and everything that today in humanity is destroyed, is blackened by darkness, will one day be resurrected again, and covered with splendor, but until then, my children, watch, watch a lot, because there are many who fall, because they do not watch to where they are going, what is happening around them. Always ask my Heart to enlighten you, to guide you, and you will feel that my grace will lead you on the right path.

Continue to pray my Hour every Sunday. Some are already receiving the graces of my Hour, but more needs to be prayed. You guys just started making my Hour.
You must persevere in my Hour, so that in the future you may reap the fruits of this prayer.
Be patient, be persevering, whoever is patient and persevering will see the glory and victory of God.
Our Hearts bless you now.
Seer - Marcos Tadeu Teixeira:

"My dear listeners, in this Message the Three Sacred Hearts teach us something very important, obedience and fidelity to Their Messages above all, far from telling people to abandon the Catholic faith, the three Sacred Hearts are opening people's eyes to understand the snares that the evil one, opponent of the Sacred Hearts, sets up to make those who do not understand that in current times, he even uses evil priests to drive souls away from the Apparitions and Messages of the Sacred Hearts in Jacareí. in this trap, because they don't understand that the evil one can be helped even by souls who serve God, to destroy the plans of the three Sacred Hearts in the Apparitions, to save souls and the whole world.what happens most in the

current apparitions is the removal of people due to prohibitions and threats of expulsion, and excommunication on the part of priests and bishops.
I myself have seen this happen a lot, people who were living in mortal sin for many years, who were converted by the Apparitions and Messages of Jacareí, changed their lives, began to follow the Messages, and then began to attend groups, Pastorals and Movements of Church, and soon afterwards they didn't go to the Apparitions anymore, and why? Because there is a layer of flatterers and professional sycophants of Priests and Bishops, well educated by themselves, who stalk the people who go to the places of the Apparitions, eager to envelop them like sneaky snakes, to inject them with the venom of their hatred of the Apparitions, to see if they can destroy everything that the Apparitions did to those souls, and make them definitively distance themselves from the Apparitions, and later join them and the Priests in the fight and attack against the Apparitions. The Church is overshadowed by a great darkness of apostasy, Protestant ideas and many errors. Therefore, her representatives not only do not see the mystical light of the Apparitions, but they have also rejected and persecuted it. Therefore, as soon as they see a soul obeying an Apparition, they pursue it, attacking it, until it becomes discouraged, this is what is done without ceasing in the present times.
Already in Garabandal, Spain, in 1965, the Blessed Virgin had said, as my Message of October 18, 1961 was not fulfilled and not much was made known, I tell you that this is the last one, before the cup was fill up, now it is overflowing. Priests, Bishops and Cardinals go many down the path of perdition and with them they take many more souls. You must avoid the wrath of the good God on you with your efforts, if you ask him for forgiveness with a sincere soul, He will forgive you, I, your Mother, through the Archangel Saint Michael, it was the Archangel who came to give the Message in In the name of Our Lady, I want to tell you that you are making amends, you are already in the last warnings, I love you very much and I do not want your condemnation, ask us sincerely, and We will forgive you. You must sacrifice more, think of the Passion of Jesus.

And in El Escorial, Spain, the Sorrowful Virgin said to Amparo, kiss the ground my Daughter, this for souls consecrated to God. How many consecrated souls have withdrawn from the path of Christ, and introduced themselves to a life of pleasure, my Daughter. Poor souls, they clouded their minds, and the devil got in to lead them down the path of perdition, how dark their minds are. Many Priests, by their bad life, by their lack of mercy, are leading many souls to the bottom of the abyss. Some let the devil lodge in their hearts, and he is introducing them into the life of pleasure, and then introducing them into the fires of hell. I have spoken in many parts of the world, but there are representatives of my Church who make my name disappear, my Daughter. How ungrateful you are, my Daughter, I manifest myself to give warnings to all humanity, for them to be saved. What do you do, my Daughter? These, with my Church, wherever I manifest myself, seek to make my name disappear, because they themselves, my Daughter, do not believe in my prerogatives. Nor do they understand that I can manifest Myself to small and uneducated souls, to tell them that they have let themselves be guided by the enemy's cunning, which has led them into the world of pleasures. They forgot prayer and sacrifice. Warn them that the Angels of God will do great

justice. that got them into the world of pleasures. They forgot prayer and sacrifice. Warn them that the Angels of God will do great justice. that got them into the world of pleasures. They forgot prayer and sacrifice. Warn them that the Angels of God will do great justice.

And yet, I already know, my Daughter, that you are asking for the Priests. Many Priests are not even worthy of a prayer, they are the ones who are constantly offending My Son. Yes, my Daughter, some Priests, Ministers of My Son, for their bad life, for their mistakes, irreverences, for their bad life and bad disposition in celebrating the Holy Mysteries, for the love of money, honor and pleasures, lack the due purity, my Daughter. The sins of consecrated persons cry out to Heaven, and call for vengeance, my Daughter.
And behold, vengeance is at its doors, because there is hardly anyone left to implore mercy and forgiveness for the people. There are no generous souls, nor is there almost anyone worthy of offering the spotless victim to the Eternal in favor of the world. God will punish in an unprecedented way, my Daughter. Some Priests offend My Son a lot. A punishment will come upon them, for they have even more responsibility than others, because they are condemning many souls. Yes, certain leaders of the people of God have purified prayer and penance, and the devil has darkened their intelligence. The spirits of darkness will spread universal relaxation everywhere, in everything that requires the service of God, my Daughter.

The Church will have a horrible crisis, all justice will be abolished and soon there will be nothing more to be seen everywhere, except murders, hatreds, discords, without humanity, not even in families.
Yes, my listeners, this is the harshest and rawest reality. And it is these religious souls who should obey the Messages of the Apparitions in the first place, and set an example, who are the ones who most disobey, persecute, destroy, prevent others from obeying and do everything to take the souls of the Apparitions, and take them the doom. How many people have I seen, who were converted by the Apparitions of Jacareí, who the Blessed Virgin freed from horrible sins, who lived in a hell of hate and evil, who She filled with graces, peace, even physical healing, freed from diabolical possession , people who saw atmospheric and other signs, and who later joined Church Groups, and went to the side of the Fathers, against the Apparitions, and who today live to work against Them, and attack and persecute them as much as they can. Yea, today they work against the very thing that took them out of the life of sin, where they only existed to offend and hurt God. They work against the very thing that converted and took their children away from drugs, alcoholism, violence, or that delivered them in time to fall into them. They work against that which made discord disappear from their families, and gave them peace. They work against the very thing that took their husbands and wives out of adultery and vices. They work against the very thing that taught them what prayer is, what God is, what Holy Mary is, what the Catholic faith is, what Heaven is, what the Eucharist is, because they didn't even know this, they were completely ignorant, or else, indifferent. How many of these people, whom I myself helped, have I taught to pray, and even to make the sign of the cross correctly, because they didn't even know how to do that, for whom I prayed, I advised, supported, even supported, taught who is God, Our Lady,

what the Eucharist is, mass, and that today, they simply stab the three Sacred Hearts in the back. Ingratitude, betrayal, vileness, are things that hurt, and how it happens in the Apparitions. How much ingratitude, ingratitude upon ingratitude.

Of course, there is also the group of those souls who want to appear at all costs, and who cannot see a microphone, a stage, to do everything to be noticed, praised, applauded by everyone.
And to satisfy their vanity, they turn their backs on the Apparitions, where they have no chance to appear, for the only ones that must shine are the three United Sacred Hearts, and they enter the Church Pastoral Groups, where the bonfire of vanity burns. without ceasing. The reason that lead many to join these groups is not a sincere desire to serve and obey God, but to appear, be praised, admired, and command others. These people had better keep quiet at home, for they are only in the Church to provoke God's justice and wrath. They are not content to just go to Mass and do the rest of their prayers at home, to do charity work at home, they always want to have audiences to see how they pray, what charities they do, etc. They are also constantly trying to convince priests and bishops to believe forcefully in the Apparitions, being that they hate the Apparitions, and have no desire to obey the Messages. All for an attachment, an adulation, almost an idolatry, which only causes problems for the Apparitions, because this only fuels their hatred against them even more, increasing even more the number of sermons and attacks against Them. People need to get this through their heads once and for all, they don't care about Apparitions, they don't want to obey Messages, they're disobedient. The Blessed Virgin never sent anyone to run after Priests and Bishops with the determination to make them believe in Apparitions, She ordered to spread Her Messages, simply, whoever has ears to hear, listen, because whoever doesn't, will have less forgiveness than Sodom and Gomorrah on the Day of Judgment. This fixation on priests and bishops is a mental idolatry caused by the devil,

By the way, Jesus himself said in the Gospel, one should be careful not to do good works before men, just to be praised by them, for in this way, we would have already received our reward, and lost the eternal one. So let each one examine himself, and see if he is not on the same path, by which many have already entered and fallen, perhaps forever. Another group is those who suffocate and smother their conscience, out of love and obedience to Fathers and Bishops. There is also that of cowards. What I hear the most is that people distance themselves from the Apparitions because Priests and Bishops threaten with expulsion from groups, excommunication, prohibition of making First Communion, Confirmation, Marriage, for those who go to the places of the Apparitions, and people, when instead of taking a stance of adhesion and defense of the Apparitions, they are frightened at this time, and give in. One time, a Minister of the Eucharist came to tell me that she could no longer stand the pressure of her parish priest, to stop coming to the Shrine of the Apparitions, and spreading the Messages, under the penalty of being punished with expulsion from the Group of Ministers. I told her to prefer the Apparitions, because what would be the use of taking Jesus to people with His Heart hurt with her, for this disobedience and betrayal of His Messages. But she was of

no avail, she yielded in exchange for a position, for a recognition and esteem of men, despising and disobeying the desire of United Hearts that all obey her Messages and spread them to others. But there are also some positive cases, which serve as an example to others. under penalty of being expelled from the Group of Ministers. I told her to prefer the Apparitions, because what would be the use of taking Jesus to people with His Heart hurt with her, for this disobedience and betrayal of His Messages. But it was no use, she yielded in exchange for a position, for a recognition and esteem of men, despising and disobeying the desire of United Hearts that all obey his Messages and spread them to others. But there are also some positive cases, which serve as an example to others.

A girl once came to me in tears to tell me that her Parish Priest and Catechist had told her that if she kept coming to the Shrine of the Apparitions, she would not make First Communion with the rest of the class. I told her that she was innocent, and that she was the victim of an injustice, and that God was on her side who was right, not on theirs who were being unfair, and to stand her ground, and answer the next time that she would leave. of Catechesis, as I never wanted to hurt United Hearts with this sin. It was then that she came back later saying that she gave the answer to the Father and the Catechist, as explained above, and they, seeing that they could not beat her, were forced to let her make her First Communion. A lady went to confession, and the Father saw the Medal of Peace around her neck, and asked her if she was going to the Apparitions, she replied yes, he then gave her a huge sermon, forbidding, threatening, ridiculing the Apparitions, and saying that the Bishop did not approve of it, &c. She replied that she already knew all this, and that nothing would make her walk away from the Wraiths. He fell silent, indignant, and she left. The priest, since then, avoided her, and ignored her. This lady died, some time later, holy, and faithful to the Apparitions until the end. She died at a feast of the Virgin Mary, as she always asked, and the Virgin herself gave signs of her eternal salvation. and ignored. This lady died, some time later, holy, and faithful to the Apparitions until the end. She died at a feast of the Virgin Mary, as she always asked, and the Virgin herself gave signs of her eternal salvation. and ignored. This lady died, some time later, holy, and faithful to the Apparitions until the end. She died at a feast of the Virgin Mary, as she always asked, and the Virgin herself gave signs of her eternal salvation.

Another time, it was a young man they wanted to forbid from making Confirmation. Same advice, same answer. He made his Confirmation, but he had to leave his Catechesis Group. He preferred the Apparitions. Today he makes the “Hour of Peace” in the families under the attacks of the Father, in the sermons of the masses, without being discouraged. It is the cross that those who obey the United Sacred Hearts have to carry unjustly in these times. The sordid motto is endlessly preached: 'it is better to err with the Church than to succeed without it'. This is absurd, it is the same as going against conscience. How can I side with the Priests who attack and persecute the Apparitions, after I have seen signs in the sun, moon, stars, Apparition Images, or have received graces and healings at the place of the Apparitions? How can I join the Fathers to deny the Apparitions if I went there, have I found and know it to be true? How can I go against my conscience?
This is impossible, it's the same as doing like the Priests and Pharisees of Jesus' time, who saw His miracles, saw the multiplication of the loaves, the resurrection of Lazarus, the healing of the man born blind, and yet, they said it was by the power of satan that Jesus performed miracles, and that He was an imposter, blasphemer, false prophet and possessed.

And today, people do the same, they see the signs, the graces, the healings in the Apparitions, and then they turn away from Them, join with the Fathers, and say that it is the work of Satan, that it is all false. I've seen cases of people who were physically healed in the Apparitions of Jacareí, and who knew that the cure came from the Apparitions, and yet they preferred to give reason to the Fathers, who told them not to believe, than the Blessed Virgin, who performed miracles. in their bodies, and whose miracles still continued in their bodies. People would rather suffocate their consciences, which cry out to them night and day, for betraying the Sacred Hearts United in the Apparitions, than defending the truth, suffering a little for the truth. And the strangest thing is that even these people still think they love God, that God accepts their prayers in good, without hurt, without pain, without any sadness for what they do against the Apparitions. It is the same case with the Pharisees, who said they loved God, with the Priests of the time of Jesus, who said they loved God, and yet they crucified His Son.

Sometimes I hear, so-and-so doesn't come to the place of the Apparitions anymore, but he keeps going to mass, so he's with God the same way. And I ask, are God and Mary Most Holy fools?
Are they blind not to see the treason that people commit against Them in the Apparitions?
Are They Heartless and Feelings not to feel sadness, grief and pain for all that the people are doing against the Apparitions? Do they not know that the same ones who are there in the Church saying, Lord, Lord, are the same ones who paid with ingratitude and betrayal, the graces they received from Heaven in the Apparitions? No, God sees everything, God knows everything, and He knows everyone inside and out.

He sees the ingratitude, betrayal, falsehood, wickedness and disobedience of each one. No one deceives God and the Blessed Virgin. Therefore, the virtue

of sincerity, obedience, loyalty, gratitude is lacking in souls towards God and the Blessed Virgin in the Apparitions. It's no use offending and disobeying the Sacred Hearts in the Apparitions, and then going to Communion at Mass, thinking that They will receive my prayers in the same way, because my prayers will not be heard. They have feelings, if I hurt them, I become their enemy and unworthy of being heard by them. It is a painful fact for the three Sacred Hearts, as this constitutes ingratitude to Their goodness, which so many benefits have done, and do to souls in the Apparitions. A betrayal of Their Love, clearly manifest in the Apparitions, a disobedience to Their Messages, an offense to Their Majesty, because obeying the Fathers and Bishops, who are inferior to Them, and disobeying the Sacred Hearts, is the same as giving more value to the employee than to the master, to the servant than to the Lord. It is not fair for souls to obey men more than the Sacred Hearts, even if these men are somehow called Ministers of God.

Of course, if a heretic came to tell you not to go to the Apparitions anymore, you wouldn't even listen to what he says, so the evil one subtly uses evil Fathers, who hate the Apparitions, who use their popularity to say to you that you go no more, and you, if you do not have a firm adherence to the Apparitions, if you do not have a clear conscience that obedience to God is above all in this world, and that He who is the owner of the Church deserves more obedience than His servants, who are in the Church, even falls into the net of the evil one, because your tendency is for you to think that the Father is speaking in the name of God to you, as an Oracle, and not in the name of the hatred that he has of the Apparitions. And how many fools have fallen into this trap.
Going to places of Apparitions is no sin, it never was, and never will be, however, Priests and Bishops do injustice, and if they excommunicate you because you go to the place of the Apparitions, it will be an injustice that they will do against you, and it is logical that God , who hates injustice, will take your side, not theirs, understand?

God will not hear their prayers, when they pray, when they have celebrations, and will hear their prayers, who being innocent, was a victim of their injustice. God is not a being without feelings, who takes the side of the wicked, just because they are His Ministers, and turns his back on the innocent just because they are not Ministers, no, in several Apparitions the Three Sacred Hearts showed hell full of Priests , Bishops and even unjust Popes. Their Ministry only increases their responsibility and guilt, because to whom much has been given, much more will be demanded. And of course, who is behind all this, without a doubt, is the evil one, the enemy of the Virgin Mary, who wants at all costs to drive souls away from the Apparitions because he knows that They are the principle of the Triumph of the Sacred Hearts. in the land. Every Apparition that takes place on earth, crush the power of satan in the world a little more. Souls are converted, and are freed from the slavery of sin and hell, and Satan knows this, so be alert, if you no longer feel like going to the Shrine of the Apparitions to pray, if you no longer feel like reading and meditating the Book of Messages, if you feel more like being in the Pastoral Groups than going humbly to pray in the Sanctuary, you are just one step away from falling into the nets of the Virgin's enemy, who wants to keep

everyone and you away from the Apparitions, last lifeline for souls in these times. He wants to give you poison in a glass of juice, stay alert, open your eyes. I need to change my attitudes, my attitude towards the Apparitions. I must adhere to the Wraiths firmly, once and for all. Until I do this,

In short, it's not about abandoning the Catholic faith and the Mass, it's about letting go and moving away from Fathers and Bishops who teach that it's better to err with the Church than to be right with the Messages of the Sacred Hearts, before they end up taking me to sin against the Holy Spirit, and be lost forever. Keep going to mass, and the rest I pray at my house. If this is done, more than half of the problems that the pilgrims themselves cause for the Apparitions will disappear, and of course, keep coming to the Sanctuary of the Apparitions, keep obeying the Messages of the three Sacred Hearts, against everything and everyone.
Will I get this in my head? Another serious mistake that people make, was also shown in this Message, those who think that praying at home, in the Churches of the cities, and in the place of the Apparitions is the same thing. Prayer at home has its value, prayer in the Church also has its value, as explained in the Message, and prayer in the Shrines, places of the Apparitions, has its value, to which nothing compares. The logic is simple, the Chapels and Churches were an initiative of man to pray, and to go to God, while the Shrines of the Apparitions were initiatives of God himself to communicate and come to man.
The Sanctuaries of the Apparitions are unique places, where Heaven touched the earth, where God himself descended to speak, to communicate with men, and this is not granted to all places of prayer, that is why the places of the Apparitions, the Shrines are much more than other places of prayer.
This is the greatness of Fátima, Lourdes, La Salette, Montichiari, Medjugorje, Quibeho, Garabandal, and now the Sanctuary of the Apparitions of Jacareí, it is a great sin to say that prayers made at home, or in simple churches, have the same value than those of the Sanctuaries, for this is to diminish their honor, glory, importance, and even to belittle the grace and authority of those who elected and created them.

If not, what sense would it make to go on a pilgrimage to Rome, Aparecida, Fatima, Lourdes?
It is clear that this type of behavior is the result of people's lack of faith, laziness, partial adherence, ill will, ignorance. But it is necessary to put a stop to all this, it seems that in Medjugorje people have already understood this, because those hills of the Apparitions and the local Sanctuary are full of people, all the time, no matter the time, and the day of the week. In Medjugorje, the Messages of the Blessed Virgin are law, orders, for Medjugorians, everyone obeys her, everyone, it is a city only Hers, all Hers, for Her, showing everyone that the places of the Apparitions are different from all others, chosen , unique, special, incomparable. A sigh in Fatima is better than a million prayers in my house, and the same goes for Lourdes, La Salette, Montichiari, the Sanctuary of the Apparitions of Jacareí, Caravajo, Zaragoza,
Therefore, those who despise, or do not recognize the value of the places of the Apparitions, the Marian Sanctuaries, sin, and those who teach this way to the ignorant, who still do not know the right, sin even more. It is time to shout from the rooftops what is sensible, true and just. Enough of injustice with Mary

Most Holy, with God, enough with ingratitude with Them, with their Shrines, with their Seers, enough!

And what am I going to do from now on, have I understood what the Message taught me? Have I truly meditated its meaning? Do I want to correct myself for my mistakes, for my faults? Change my wrong postures? Wake up to reality? Stop being a useful idiot in the hands of the evil one? Will I stop beating the United Sacred Hearts with my ingratitude, my foolishness, my disobedience, my idolatry of human beings, my adulation and sacking in exchange for the esteem and admiration of human beings?
Will I put the United Sacred Hearts and Their Messages first in my life once and for all?

APPARITION ON NOVEMBER 21, 2004 (SUNDAY) AT 11:40 HOURS
DAY OF THE CORONATION OF THE IMAGE OF SÃO JOSÉ

(Transcribed from the recording made by the seer Marcos Tadeu Teixeira)

- Marcos: They were dressed in gold, They came today very happy and happy because of the Coronation of Saint Joseph.

The Virgin Mary blessed all the people who were present, the Sacred Heart also made the sign of the cross over everyone and Saint Joseph too.
Then Our Lady asked people to read the Messages of the Book for the month of December 1993 all over, several times, during the course of this month from November to December, until the 8th of December.
Sundays ago She had already asked for the entire month of November 1993, whoever has read it, now changes the Messages from November to December, and whoever has not read even November, make an effort to read both, November and December.
The Sacred Heart in turn asked us this week, to do on Thursday abstinence from chocolates, total abstinence from chocolates, from waking up to going to sleep, only on the other day you will be able to eat chocolates, only on Friday.
And this small sacrifice, the Sacred Heart wants to be offered for the end of the current wars in the world, and already for the cancellation of the future wars that are being prepared in humanity, so the intention is serious, the intention is important and it is also simple to remember, so when you go to sleep on Thursday you will pray as follows: Oh Jesus, it is for your love, for the conversion of sinners, in reparation for the sins committed against the Immaculate Heart of Mary, for the end of current wars and for future wars humanity that I offer you the sacrifice I made today of going all day without eating chocolates. Amen. This is how you will pray.

Saint Joseph, in turn, asked us to make a very simple Novena of 1 Our Father, 1 Hail Mary and 1 Glory to the Father for three Sundays in a row for the intentions of this Chapel and this Shrine of the Apparitions.
In the course of the Apparition the Sacred Hearts asked me to kiss the ground,

make the sign of the cross, acknowledging Their dignity and asking for mercy, and then They asked me to step back a little, I did all that, I obeyed, and then I gave in Then They said: for this further act of humility on your part, and also for all the merits of all the works, and things that you have accomplished for us during this year, we will grant you a grace, on the 8th of December to the noon, when it will be the 'Hour of Grace', the Three of Us will return here, accompanied by Pierina Gilli and Saint Bernadette, and they will come with us to pour out on those who are here and on humanity, for which they will be praying, the graces celestial bodies of Our Three United Hearts.
After that, the Three Sacred Hearts smiled for a long time, and Saint Joseph, He said that finally His Heart will be crowned and exalted in humanity, He who for so many centuries was left in oblivion, in the corner, in the universe, in the great temple of Catholic devotion, He who no one cares much, no one talks much about Saint Joseph, He who was always very forgotten, in most Churches, on His day, they don't even talk about Him, even then, even in families, devotion Saint Joseph is very weak, it almost doesn't even exist, it's rare for the family to have an image of Saint Joseph, so He who was for so many centuries, right, vilified, He who was forgotten for so many centuries, and finally today in this Coronation he is exalted, is glorified, is replaced in the place from which He was rightly taken, is placed in the place of glory, Saint Joseph is the gate of Heaven,whoever wants to enter Heaven and reach the Hearts of Jesus and Mary, has to pass through the door of Heaven which is Saint Joseph, so today finally after so many centuries, Saint Joseph will be magnified, he will be exalted, he will be glorified, of course the our number here compared to the number of human beings on the face of the earth is very small, but it is from this first step taken towards the glorification of Saint Joseph that many others will come in the future, and this Coronation of today already marks the beginning of the era, of the new time of the Most Loving Heart of Saint Joseph, and that He will work intensely on earth to produce the Triumph of the Hearts of Jesus and Mary.It is clear that our number here compared to the number of human beings on the face of the earth is very small, but it is from this first step taken towards the glorification of Saint Joseph that many others will come in the future, and this Coronation of today already marks the beginning of the era, of the new time of the Most Loving Heart of Saint Joseph, and that He will work intensely on earth to produce the Triumph of the Hearts of Jesus and Mary.It is clear that our number here compared to the number of human beings on the face of the earth is very small, but it is from this first step taken towards the glorification of Saint Joseph that many others will come in the future, and this Coronation of today already marks the beginning of the era, of the new time of the Most Loving Heart of Saint Joseph, and that He will work intensely on earth to produce the Triumph of the Hearts of Jesus and Mary.

One day, maybe 100 years from now, for example, when we are no longer here, the people who are going to watch this Coronation, or who are going to know that this Coronation existed, they will remember, oh my, if I had been born 100 years ago, and I could have been there, at that Apparition of the Three Sacred Hearts, oh if I had been one of those souls chosen to be there inside that Chapel, to watch this Coronation, oh if I had been born 100 years ago, like me It would be more blessed, happier, today I remember that 100 years ago Saint Joseph was crowned, I'm watching that 100 years ago He was

crowned, but nothing compares to the grace of having been there, at that time, on that day, see well, you were graced by Them to be here to see this Coronation, in the future, who knows, your great-great-grandchildren will remember,my grandmother was there, my great-grandfather, my great-great-grandfather was there, and today I remember that they were there in this Coronation, how blessed, how blessed were those great-grandfathers of mine, they lived at the time when the Three Sacred Hearts they still appeared, now there are no more Apparitions, but what a pity, what a pity, ah if I had been born in the place of my great-great-grandfathers.

Yes, because in 100 years there will be no more Apparitions on the face of the earth, the Apparitions of Jacareí and Medjougorje will never be over They will come back here, so this grace that we have today, it is a grace that if we were to stop to think about we would spend day and night meditating on it, great, long and deep meditation, and at the end of this meditation, after considering the size of this grace and excellence that we have received, we would cry with joy, we would not stop crying anymore , to see so many past generations who wanted to be here today in my place, and how many future generations will want to be here today in my place, and they won't be able to, I was called, I was chosen, I was elected by the Three Sacred Hearts to be here today witnessing this Apparition, witnessing this Coronation.
So we should, after this here, pray night and day, pray night and day, even though we work, be grateful, saying a hundred times a minute, thank you, thank you, thank you, thank you, thank you, for choosing me to live in this time, for to be born in this time, to be able to come and watch these Apparitions, to be able to be in the time of the grace of mercy of the Three Sacred Hearts, thank you, a thousand times thank you, thank you, a thousand times thank you, that's what we should pray without ceasing.
and now she comes again, she is two seers, one from Montchiari in Italy, and the other from Lourde, which we call Lourdes, in France, where you have already seen in the movie of her life, the Apparitions, her whole life , everything she suffered, all the love she has for Our Lady. Then these two Seers will come with Them on the 8th of December at noon, when the Virgin Mary, the 'Queen and Messenger of Peace' will be Crowned Queen of the World.

We are now going to proceed with the Coronation of Saint Joseph.

Coronation of the Most Loving Heart of Saint Joseph , let us sing praising Saint Joseph, husband of the Blessed Virgin Mary, guardian of the Child Jesus, head of the Holy Family, our Father and protector, who in the Apparitions of Jacareí reveals himself full of kindness and mercy, with Messages of peace and salvation.

For his patience, his constant exercise of virtues, his pains, tears and works, for his meekness, for his obedience, for his immeasurable love for Jesus, the Most Holy Mary and the Most High God, Saint Joseph deserved a degree of glory in Heaven that exceeds that of all Angels and Saints together, God has made him Lord of all his goods, and therefore he reigns forever in Heaven, alongside Jesus and Mary, over all creatures, over all angels and men together. .

Give us the blessing, oh Father of faith, Holy Heart of Saint Joseph.
Long live San Jose!

When I tested the crown on the head of the image of Saint Joseph, the first time this week, to take a test to see if everything was right, not only me, but also some people who were with me, organizing everything, were like this, for a few moments in silence, without uttering a word.
The crown on Saint Joseph's head thus gave him one, increased all the majesty that he already had, but which thus conferred a shine, a beauty, a majesty, and at the same time a figure, an image of the glory, of the power that He really has, that we stay like that, moments without uttering a word.
So, I turned to the people who were with me, and I said like this, finally Saint Joseph will have the reparation, simple, of course, but he will have the reparation that he has been waiting for so many centuries, and that I particularly dreamed of, waited for, and prayed for during how many years, how many years I had to pray, I had to fast, I had to wait for this image of Saint Joseph to become reality, and to be able to reach this day and today He is crowned, how many years praying for this intention, every Rosary, every Rosary that I, in every little act I offered to Our Lady and the Sacred Heart, how long I had to wait, how much dream, how much expectation..., I had to wait, and now finally I can say that one of the my dreams are fulfilled, and fulfilled with glory, it's a simple gesture, but glorious gestures that come from the bottom of the heart,the flower we place at Saint Joseph's feet is the symbol of our flowers that I dream of placing in His arms one day in Paradise, the Rosary that I place at Saint Joseph's feet is the symbol of the 'Hours of Saint Joseph', of the Rosaries of Saint Joseph that I always pray, and that I dream of one day placing in His hands in Paradise, and the crown, is the crown that I dream of one day personally placing on His head, if He allows me in Paradise, and the

crown that I also hope that He will put it into my head one day in Paradise, to enjoy eternally with Him in Heaven.It is the crown that I dream of putting on His head personally, if He allows me in Heaven, and the crown that I also hope He will put on my head one day in Heaven, to enjoy eternally with Him in Heaven.It is the crown that I dream of putting on His head personally, if He allows me in Heaven, and the crown that I also hope He will put on my head one day in Heaven, to enjoy eternally with Him in Heaven.

I am sure that this is the dream of all those who, because of the Apparitions of Jacareí, became devotees of the Loving Heart of Saint Joseph, and when I finished, I told the people who were close to me like this, Saint Joseph now with the crown, he is no longer looking like that Saint Joseph we know, simply like a Father, but now he is looking like a King.
Someone who can command a lot, someone who can save the world, someone who with a word, with a gesture of his hand can transform all this sad reality of our world, into a world of peace, a world of love for God and the Holy Mary , in a world of obedience to Them, in a world, in a Kingdom of United Hearts.
So, the people who were on my side, said, Saint Joseph is beautiful, the desire is to stay all day sitting in front of him admiring him, and telling him that he is beautiful, and telling him that he is magnificent, and telling Him that He is splendid, resplendent.

So I'm sure this is also the blessing, it's the beauty, that you are feeling in your hearts.
A little while before the Apparition, Our Lady told me, the Blessed Virgin told me that the moment the image of Saint Joseph was crowned, that They were going to pour out on the people here a feeling of jubilation, of uncontained joy, and They were going to grant a grace that They were only going to give when the crown was touching Saint Joseph's head.
It is a grace for this day only, for this moment alone, a grace that will not be repeated during other days.
That's why I told you after the Apparition that your future descendants, when they watch this Coronation, or maybe see it, will feel desires, desire to be here in your place to receive the grace that comes from Heaven just this minute, just at this moment, and you were the ones chosen to receive this grace.
What grace? Our Lady did not explain, She knows, Her designs are mysterious.

The important thing is that She told me that we would be receiving a unique, particular grace, just for this moment, which will not be repeated again, that this grace blossoms, manifests itself in our lives from now on, and that this blessing, this grace that She has bestowed, which we do not know what it is, but She does know, may this grace lead us to holiness, may it take us to Heaven, may She lead us safely into the arms of the Eternal Father there in eternity, He who awaits us with so much love, so much affection, with so much longing for us. The Eternal Father who sends the Three Hearts here in Jacareí to help, as we sing here, blessed be the Heart of St. Joseph, the Loving Heart of St. faith. If He did not appear here, woe to us, if They were not here, woe to us,

It is They, They who give us the strength not to be discouraged and to reach Heaven one day.
May you take these graces from the Heart of Saint Joseph, and all these blessings to the families, to the cities where you came from.
And don't forget, every Sunday, no matter what the weather, we have Upper Room here at 9 am.
And on the 8th of December, it will fall on a Wednesday, at noon sharp, we will have the 'Hour of Grace', with the Apparition of the Three United Hearts, with Pierina Gilli, Saint Bernadette and the glorious Coronation of the Queen and Messenger of Peace.
From today, with this Coronation, Saint Joseph becomes King, King of this Sanctuary, King of this city of Jacarei, King of the State of São Paulo, King of Brazil, King of planet earth, King of the universe, the one who made himself obedient servant of Jesus and Mary in Nazareth, in Egypt, in Bethlehem, today he is King, Saint Joseph is King, now not only the Sacred Heart of Jesus is King, and not only Holy Mary is Queen, now Saint Joseph too is King.
May peace, may grace, may mercy, may light, and the protection of the Three Sacred Hearts be with us always, in the name of the Father, the Son and the Holy Spirit, Amen.
Hail Jesus, Mary and Joseph! Save!

DECEMBER 08, 2004 (WEDNESDAY) AT NOON,
APPEARANCE OF THE THREE SACRED HEARTS UNITED OF JESUS, HOLY MARY AND SAINT JOSEPH, AT THE HOUR OF GRACE
CHAPEL OF APPARITIONS

(Transcript of the recording made by the Seer Marcos Tadeu Teixeira)

The Three Sacred Hearts were accompanied on this day by Saint Bernadette of Lourdes and Pierina Gilli, the Seer of Montichiari, it was the Feast of the Immaculate Conception of Mary Most Holy.
The Three Sacred Hearts appeared dressed in brilliant gold, and the Blessed Virgin, after the initial greetings, gave this following Message to the world, through her Seer Marcos Tadeu.

"I am the Immaculate Conception, today, my children, contemplate the Celestial Mother in the splendor of her spotless conception. I am the Immaculate Conception, that's what I said to my little daughter Bernadette in the Grotto of Lourdes, confirming once and for all the ineffable truth of my spotless conception.
I have come to testify to this eternal and infallible truth, once and for all, personally at Lourdes.
The Most High so loved me that he freed me from every stain of sin, not only original, but also from all habitual and temporal guilt, thus making me most

holy, beautiful, blameless in his eyes, full of grace, full of his friendship and of your peace.

The Word loved me so infinitely that he gave me the greatest favor that a creature could receive, to leave the hands of the Divinity, full of his grace, full of his most blessed light.
The Holy Spirit loved me so deeply that he made me all full of heavenly beauty, full of his kindness, and a perfect mirror of divine splendor.

In me He recreated humanity, in me He formed the true humanity, always desired and dreamed of by the Lord, in me all creation was reborn to the life of divine grace. I am, therefore, all beautiful, all full of grace, I occupy a unique place between Heaven and earth. I am the mediator of all graces, I am the gate of Heaven, I am the only sure way to God. By the splendor of my Immaculate Conception, I illuminate the paths of all my children so that I can safely lead them to God. With the splendor of my Immaculate Conception, I dispel the darkness of sin, lack of faith and errors, discord and war, evil and sadness. With the splendor of my Immaculate Conception, I dissipate and upset the forces of my eternal adversary, the infernal dragon, Lucifer, blind his sight, so that he cannot see my plans clearly, and where I lead my obedient children, I disorient the dragon's footsteps to finally bring it to its total fall, and thus obtain my greatest triumph. With the splendor of my Immaculate Conception, I defeat the incidences of my adversary against my obedient children, I drive away the demons so that they stop harming my children, I frustrate their evil plans.

With the splendor of my Immaculate Conception I communicate strength to my obedient children, I instruct them about what they must do for the dissemination of my Messages, I explain to them how they must obey them, how they must make them reach the most away from me. With the splendor of my Immaculate Conception I help the world in these times of affliction and tribulation, of war and the temporary predominance of evil.

I shine my great light on events to lead all humanity to the triumph of peace and my Immaculate Heart. The splendor of my Immaculate Conception prefigures the total liberation of all of you from the dominion of sin and the infernal dragon, it announces the total renewal of all creation that will soon take place. It will be the triumph of God, it will be the triumph of peace, it will be the triumph of my Immaculate Heart, so I invite everyone to raise their eyes to me, the Immaculate, and to be filled with hope and trust, because through my Immaculate Conception the The Most High has already assured me of my victory over the dragon and the world.
I bless everyone who came here for my Hour of Grace, and I cover everyone today with my Mantle, I enclose everyone in my Immaculate Heart right now."

Messages communicated in the Apparitions of Jacareí, year 2005

Jacareí, January 9, 2005
(Marco Report): The Sacred Hearts asked that the Hour of Peace 25 be prayed twice in a row this month. The apparition took place at noon on the apparition tree. His robes were white. Our Lord, Our Lady and Saint Joseph came together.

Jacarei, January 16, 2005
(Marcos report): The Apparition took place at noon in the Chapel of the Sanctuary of the Apparitions. The robes of Jesus, Holy Mary and Saint Joseph were white. The Three Sacred Hearts asked that day for the fervor of prayers for peace and an end to violence.

Message from the Most Loving Heart of Saint Joseph on January 25, 2005
Apparition in the house of the seer Marcos Tadeu

(Mark): Saint Joseph, deign to give your message to your children. Guide them, form them, educate them, correct them and enlighten their souls.

(St. Joseph): My beloved, write what I am going to say and communicate it to my children so that they all know my mercy even more and my sadness for the sins of the world.

“My heart is increasingly afflicted by the fate of humanity. Months and years pass quickly and humanity continues to disobey our messages. Our hearts are filled with pain for the sins of disobedience of this perverted and rebellious humanity to our messages.
If humanity had obeyed the messages of La Salette, Lourdes, Fatima, Garabandal, Heede and the rest, the world would not be in such a terrible situation.
The last hope of the Hearts of Jesus and Mary are these apparitions here. They hope that the apostles of the last times will come from here, that they will spread their messages to the whole world... They hope to find here the industrious bees they always dreamed of, bees that pray and work without ceasing for the sake of their messages.

If this does not happen here, they will give up and the Eternal Father will abandon the world to the fury of punishments and the evil one, to whom humanity pays obedience for its current way of living.
If here the hope of the Hearts of Jesus and Mary is frustrated, they can expect punishments greater than the flood!
Humanity has not yet reached the height of its ruin and if our messages are not obeyed, it will still be worse off than it is now.
I do not say these things with joy, but with sadness to see so many disobeyed messages and humanity going full speed along the path that leads first to its destruction and death and then to Hell.
My eyes are filled with tears of blood when I see that disobedience to our messages has become the rule of life for Catholics and humanity in general...
My heart is wounded by a sword when I see that nowhere do the Hearts of Jesus and Mary find kindness, obedience and collaboration.
There are no souls who want to carry the cross with Jesus and the Blessed Virgin, there are no souls who want to help them in their mission to convert the world.
The time has come for the apostles of the last times, their time has come, my children, arise apostles! Forward! Announce our messages to all peoples, to all souls, because only they can transform and save this evil and cruel world. Be the apostles we seek! My heart will follow them and keep them with my grace and light.
If you do, our hearts will triumph and the world will know the era of love, kindness and peace. Continue to pray my hour every Sunday, for I will give you many graces through it and I will save your families!
I bless you all today."

Jacareí, February 20, 2005
Our Lord Jesus Christ

"-Write, My son, that there will be a great battle in the air, the Holy Angels and the demons will clash in an unparalleled fight... The clash of the swords of the Holy Angels with the of the demons will produce great lightning and thunder that will terrify the whole world. Then, the sign of the Woman clothed with the sun will appear in Heaven, and with just one gesture of hers, she will banish the demons and all of them to the eternal fire once and for all and , then, all the children of my Most Holy Mother who obeyed her Messages will be gathered by the Holy Angels in her presence, and they will be crowned with luminous crowns that will never cease to shine."

Jacareí, February 27, 2005
Our Lord Jesus Christ

" -I wish March 8th to be the Feast of the Tears of my Most Holy Mother. The world does not know the Tears of My Most Holy Mother, and that is why it is so ungrateful to Her. Human evil wanted to make the Tears of my Most Holy Mother and her Messages to my daughter Amália Aguirre, but I will resurrect her and make her shine through these Apparitions in this favorite place of my Heart. and sinners be converted. I want to console my Most Holy Mother with the institution of the Feast of her Tears and thus dry her Sorrowful Tears."

Jacareí, March 06, 2005
On this day, Our Lord Jesus Christ made 10 Promises for those who pray the Rosary of the Tears of Blood of Our Lady every day.

1) They will not die a violent death.
2) They will not know the fire of hell.
3) They will not be plagued by misery.
4th) They will not know the flames of Purgatory.
5th) They will not die without first receiving God's forgiveness.
6th) You will be comforted by my Mother in person in agony.
7th) They will be translated by Her and placed beside her Queen's Throne in Heaven.
8th) They will occupy the Martyrs' Choir as if they had actually been on earth.
9th) The souls of their relatives will not be condemned until the fourth generation.
10th) In Paradise they will follow my Mother everywhere and will have a knowledge, a singular happiness, that others who have not prayed the Rosary of My Mother's Tears will not have.

Jacareí, March 13, 2005
On that day, Our Lord Jesus Christ made 6 Promises for those who spread the Messages of the Apparitions of Jacareí.

1st) They will not be scourged either by spiritual or temporal misery.
2) They will be protected by My Most Holy Mother and by Me throughout their lives.
3rd) They will be protected by Us at their death and directly sent to

Paradise.
4th) They will be placed among the most beautiful and sublime Seraphim in Paradise.
5th) They will always be immersed in deep divine ecstasy in Paradise, contemplating the Divine Mysteries, and receiving from them light and endless happiness.
6th) In life and in death they will obtain everything from Our Hearts, and will always be comforted by Us.

Jacareí, March 16, 2005
Our Lord Jesus Christ

"-My son, write to the whole world what I am going to tell you:
For centuries I have been bestowing merciful graces on the world. As if the promises I made to my daughter Margarida Maria Alacoque and the Apparitions of my Most Holy Mother were not enough, in these Apparitions of Jacareí, we grant the Holy Medal of Peace, the Scapular of Peace, the Hour of Peace, the Hour of Saint Joseph, the Image of our Hearts, our Rosaries, the Setena, as powerful means of salvation, so that everyone can escape eternal damnation and reach Heaven. And as if even all that wasn't enough, we gave miraculous signs seen by all, even in photographs and films, to see if this evil, disobedient and skeptical generation would turn to our side, and kindly obey us. But even with all these graces of mercy that we bestow, she does not obey us and does not return to our arms.

That is why fire, water, earth and air will turn against this evil generation, because not even inanimate beings can bear the disobedience and ingratitude of human beings to our Hearts that have benefited them so much.
The ingratitude of human beings towards us even leaves the demons perplexed and that is why this current generation will be judged more rigorously than the others, because being the most benefited, the more gratitude they should show their Heavenly Benefactors. Happy are those who now obey our Messages, for the rays of my Eternal Father's wrath will not reach them. By his mysterious designs the punishment is still temporarily withheld, He is waiting for the number of the elect to be completed and when this number is completed, then my Mother will leave the face of the Eternal Father, from whose gaze will come rays that will do justice to the good and innocents, and will punish the wicked.

For now the wheat and the tares coexist for the greater suffering of the wheat, but soon the Angels will come to pull up the tares and throw them into the most ardent fire, which will never go out. My Blessed Mother and I never sleep, and we see every tear that falls from your eyes... They are collected by Us and are transformed by our hands into so many prayers to reach a new time, a time of peace for yourselves. and all of humanity. Hope, trust! Whoever trusted my Sacred Heart was never helpless, whoever trusted in my goodness was never without mercy.
Continue to pray to my Most Holy Mother, for only She will be able to save you from all this and obtain my forgiveness for you."

Message of March 21, 2005- First Apparition of the Angel Saint Mariel in Jacareí

(Marcos Tadeu): "I heard. "Glory to God!""

(Marcos Tadeu): "I looked and saw a new angel, that is, an angel that I had never seen in the apparitions until then. He was gorgeous, brown hair, blue eyes, white tunic, glowing intensely. I asked his name, he replied: "

(Angel Mariel): "I am the Angel Mariel. I was sent here by the Lord and the Blessed Virgin to help you Mark, the Sanctuary of the Apparitions and everything here that is the property of the Mother of God. "

(Marcos Tadeu): "Smile. He also smiled at me and continued: "

(Angel Mariel): "Marcos, tell everyone to pray daily to the Holy Angels of the Lord, because we can help you a lot! Trust us with your worries and anxieties and we will comfort you and act on your behalf.
It is necessary to pray to the Holy Angels incessantly in these times, because Satan is furious against those who pray and obey the messages, because they snatch many souls from him with their prayers, sacrifices and works, those who obey the messages take many souls from the clutches of Satan. If you pray to us, we will be able to help you a lot and Satan will not be able to defeat you.
I am one of the Angels of Light of the Immaculate Heart of Mary, I protect these Apparitions of Jacareí and those of the whole world, pray daily like this:

“Holy Angels of Light from the Immaculate Heart of Mary, help and protect us”, and we will come to help and comfort you immediately.

Continue to pray and obey the messages, because in this way many souls will be saved and at least a third of humanity must be saved, peace Marcos.”

(Marcos Tadeu): “Then the Angel disappeared.”

Jacareí, March 27, 2005
Our Lord Jesus Christ

"- I promise to all those who pray My Rosary of Mercy daily and throughout the year, that on the Feast of Mercy each year, they will have the grace to have decreased 1 month of fire in Purgatory, counting after his death."

Jacareí, April 3, 2005 – Feast of Divine Mercy

(Marcos Tadeu): The Three Sacred Hearts, Jesus, Mary and Joseph appeared together dressed in white and surrounded by wonderful light. I asked them: Majesties, do you have any Message for the people today?
The Sacred Heart replied:

(Our Lord Jesus Christ): “Yes. In the excessive mercy of our Sacred Hearts, we promise to all who make the Setena monthly that:

1st) They will have the grace to free 1000 souls from Purgatory with their prayers every day.
2nd) These 1000 souls will be chosen by my Mother among those who would stay in Purgatory the longest, and among the most forgotten souls for which no one prays.
3rd) On the last day of the Setena, 7000 souls will be released at once.
4th) On the last day of Sethena, We will pass by the houses where the Setenas were made, and we will mark them with the blood of our Most Holy Tears, these houses and their inhabitants will not be injured by the punishments, and will be helped by Us in all their afflictions. .
5th) We will place an Angel in each of these houses to guard them.
6th) On the last day of Setena we will give the people who made Setena a blessing that we will not give to those who didn't.

Jacarei, April 10, 2005

(Marcos Tadeu): “What do you want from the people who are here today?” (big pause)
“Do you want anything else from me today? Is there anything else I can do?” (pause)
“See you soon!”
“Disappeared”

Report by the seer Marcos Tadeu about the Message of this day

(Marcos Tadeu): Holy Mary appeared today together with Saint Joseph. The two in a light purple robe and the Blessed Virgin Mary in a gray mantle, descending from head to toe and a crown of 12 stars.
I asked them what they wanted from me and they told me privately.
I asked what they wanted from the people present. Holy Mary replied:

(Holy Mary): “I want them to continue with my Trezena, my Septena, my Hour of Peace, the Hour of Saint Joseph and the prayer of my Rosary. I hope that this month they will spread the word: Trezena, Setena, the Rosary, the messages and the Hour of Peace to five people. If you do, my Immaculate Heart will shed its light on the whole world. I want now more than ever to meet my children. I'm in a hurry! Everyone needs to convert! Take my things to them and I will be deeply grateful!”

(Marcos Tadeu): I would nod my head telling Our Lady and Saint Joseph that we would do that. whom we with all love and with all haste too.

(Holy Mary): “Not only that, I wish that during this month they will make a novena of five Hail Marys a day, in the intentions of my Immaculate Heart and for the conversion of Brazil.”

Jacarei, May 2005
Message from Holy Mary

“If after the warning there were no punishment, I would say that the warning is the greatest punishment that men will have...
The shock will be so strong in their souls that they will fall to the ground, writhing and crying with remorse for having lived without God, for having

offended and hurt God so much, for giving him so much time behind his back... You will feel a fire burning inside and then divine truth will shine to every soul. After the warning, many will convert and become better. They will obey my messages and love them more than life itself.
But, as many will not want to convert and will remain disobedient, the punishment will come!
Convert and obey my messages before it's too late.
I love them so much I don't want anyone's condemnation... I have fought tirelessly for everyone's salvation, but what can I do if they don't help me?
I have still wandered all over the world, but they don't listen to me, they don't obey my messages... That's why God will cleanse the face of the Earth through a rain of unprecedented punishment in the world. Fire will rain from heaven, men will look like living torches running through the streets... God can no longer bear the ingratitude and disobedience of human beings! Look how few those who pray and obey us are...
Time runs out and you lie still, sleeping in indifference and unbelief and disobedience. Convert! Obey my messages without delay."

Jacareí, June 12, 2005 - Monthly cenacle at the Santuário das Aparições in Jacareí

(Marcos Tadeu): "What message do you have for everyone today?"

Message from Saint Joseph

"...Dear children, I, Joseph, say to you: convert without delay! Obey our messages before it's too late. The Blessed Virgin Mary appeared in La Salete and there, in addition to her complaints and her tears confided to the little shepherds Maximino and Melani, she also confided in them a terrible secret. The secret of La Salete is about to happen and when it happens, a part of humanity will perish, fire will rain from heaven and most of humanity will be destroyed, because they do not obey the messages of the Mother of God... , make her cry and because they live turning their backs on God's warnings. The warnings are being given in abundance to the whole world by the apparitions of the Mother of God, but they don't want to know anything, they turn their backs and want to do nothing, that's why the punishment will come, the demons will come out of hell at the moment of the punishment and they will grab many and carry them, they will take them with them, because many lead a life contrary to GOD, because they do not obey the messages,

because they do not pray, and they have already let the devil lodge in their hearts...

My children, these Apparitions in Jacareí are the continuation and completion of La Salete, Fatima and Lourdes. It's the last warnings! After these apparitions are over, we will never return to this world! There will not be a single apparition, you will not hear a word descended from Heaven, so read, meditate, obey our messages now while they are still being communicated, convert before it is too late..."

(Marcos Tadeu): . .."Yes sir, I will do it and disclose it soon with your grace"...

Jacareí, August 10, 2005 – Message from the angel Beliel
(Incomplete message – recording available for transcription, inaudible)

"I came to help you! I know that you are constantly hurt, even though you have always sought the good and salvation of all. I know you feel like a foreigner at times in the midst of humanity and that makes you suffer. But, offer all this right now to the Mother of God and she will transform everything into graces of salvation for humanity.
Pray me always! I am very attentive to your voice and at the slightest groan, at the slightest look of pain from you, I will turn faster than lightning to help you and comfort you. I offer you my wings of light as an abode and protection.
Know that the meditated Rosaries you make are improving many souls and saving many others around the world. They are neutralizing Satan's plans and blinding him, preventing the infernal serpent from doing more harm to souls than he has done so far.
Keep going more and more!
Knight of the Rosary, forward! Forward! Here is the Shrine of the Rosary. You are the seer, the messenger of the Most Holy Rosary. I will always be with you. Peace!

(Marcos Tadeu account): Afterwards, the angel smiled at me and disappeared, leaving me with an enormous peace.
As the angel said, if the world had obeyed the messages of La Salette in 1846, if the world had obeyed the world in 1858, if the world had obeyed Fatima in 1917, if the world had obeyed Bouraing and Bannoux in 1933, the world he wouldn't be in this calamitous, horrible state he's in now. Full of evil, of violence, of sin, of hatred for God, of hatred for our neighbor... If things have reached the

point where they are, it is because humanity has been around since 170 years ago when Our Lady began to multiply her Apparitions on Earth, the world never tires of saying to you: No! I will not obey you, Mother of God! I will not obey, Virgin Mary, your messages.

Jacareí, August 14, 2005 – Promise of 7 annual apparitions to the seer Marcos Tadeu.
Apparition of the Three Sacred Hearts of Jesus, Holy Mary and Saint Joseph, Saint Alfonso and Saint Margaret Mary Alacoque

(Marcos Tadeu): “Stretch out your hands. The Mother of God will give her blessing now.”
“In the name of the Father, the Son and the Holy Spirit. Amen."
"Reply? Would it be the one that the Angel Beniel said that I would soon have from the Lady?”
"Oh Mother! How could I thank you for such a great favor? I have been praying for this grace for many, many years... And now, I finally get your answer! The Lady tells me yes, yes!
I will thank you working from now on even more than I have already done, because despite being in your service for more than 14 years, I recognize that I did nothing to deserve it... But from now on, I will work twice, triple if that's the case, but I'll thank you for all my life!

After the Appearance:

(Marcos report): Today, Our Lord, Holy Mary and Saint Joseph came dressed in white. The Virgin had a pink mantle on her head, a white dress and a pink sash. A very soft pink, almost white.
The Lord at the beginning of the apparition gave me his guidelines, what he wants me to do and then he told me that these people who are here are very loved by them, but they have to convert. You have to decide once and for all to obey their messages, as two punishments will soon come to Brazil.
Our Lord announced to me that the tornadoes will increase this year here in Brazil... Everyone knows that there was no such thing here, it has been starting for a few months now... And this is a punishment for Brazil because Brazil did not obey the messages of the Mother of God nor the messages that the Mother of God gave right here in Brazil, in Europe, in other countries. Tornadoes will increase, floods will increase this year, and unknown pests and diseases will begin to appear on crops and, in many regions, on people. This

will be a punishment because Brazil does not obey the messages.
Our Lord also said that if Brazil does not obey his messages, there will be famine in Brazil. Many people will starve, they will die of hunger...
The decision is ours! If everyone's decision today is to obey the messages, there will still be hope. I asked Our Lord what we can do to avoid these evils. Our Lord replied:

(Our Lord Jesus): *“The means have already been mentioned thousands of times in the messages. Read them and you will know what to do! Listen to them and you will know how to prevent these punishments.”*

After that, I looked at Santa Margarida Maria and Santo Afonso Maria de Ligório, who I like so much about them.
Santa Margarida Maria looked like a young woman of about 20 years old. Blue eyes and she was dressed entirely in white with a golden veil that descended from her head to her feet. The veil was held on her head by a wreath of roses, a wreath of roses. She held in her hand a third of beads of light.
Santo Afonso came as a young man of about 20 years old, blue eyes too, more or less dark brown hair, he wore a well-made tunic. On his chest was written MARIA with letters that pulsed as he seemed to breathe and held a rosary in his hand.
After the message, Our Lady told me that she had an answer for me. I asked her if it was the same answer that the Angel Beliel, in one of the apparitions I had this week, told me that I would soon have from Our Lady. She said yes... I was scared, because this “soon” of the angel, I thought it would be in a few months, I didn't imagine it would be in a few days...
What is this grace I asked for?
Many years ago, since the beginning of the apparitions, since the first months, Our Lady revealed to me:

(Our Lady): *“I will appear to you every day until I entrust you with 13 secrets... After I entrust you with the 13 secrets, I will only appear to you once a year, until the end of your life, and at the time of your death, I will appear to you to seek you and take you with me.”*

So I always suffered a lot with this idea, because after I got used to seeing and talking to Our Lady every day at 06:30 in the afternoon, the idea that one day I will be deprived of this grace of when the clock strikes 06:30 and When I look at him, that Lady brighter than the sun will no longer be there in front of me, so

full of kindness, talking to me, blessing me, understanding me, helping me, giving me her messages... terrified. And I can imagine, for example, the great suffering that was for Mirjana, one of the six visionaries of Mejugorje. She received the ten secrets at Christmas 1982 and since then she has only seen Our Lady once a year for over 20 years.
Ivanka, since May 1985 in Medjugorje, she doesn't see Our Lady every day, because she received the ten secrets, and Jakov, since Christmas 1998. Only the three: Viscka, Maria and Ivan continue to see Our Lady there in Medjugorje daily at 6:40 pm. And when the three of them receive the ten secrets, they will also stop seeing her every day and see her just once a year. If we add it all up:
Mijiana sees Our Lady in Medjugorje on March 18th, which is her birthday.
To Ivanka on June 25th, which is the anniversary of the Medjugorje Apparitions.
Jakov December 25th, at Christmas.
We still don't know about Viscka, Maria and Ivan, as they haven't received the ten secrets. All in all, Our Lady would continue to appear in Mejugorje six times a year, even after the daily apparitions ended. And here, she would only appear once a year, because I am only one... And so, I said to Our Lady: “Reconsider Holy Mother, this is not fair... In Medjugorje the Lady will appear six times a year after the daily apparitions are over, and here only once... I won't be missed so much, I won't be able to wait, I won't survive..."
And so, I have been asking for this grace from the Most Holy Mary for many years: that she give the grace to appear here in this place, even after the daily apparitions are over, not just once a year, but more times... year only, it would be like living dead 364 days a year and living only one day... only the day she came to talk to me.
And Our Lady today brought me that answer. My heart skipped a beat... Will she accept it?
Then Our Lady said that she spoke with Jesus, spoke with Saint Joseph, with the Eternal Father himself and they all made the following decision:
The annual February 7th apparition continues. And now, the big reveal! The great extraordinary grace!

07 Appearances per year:

February 7th;
February 12, my birthday, every year - Vision and inner locution with Our Lady;

At the Feast of Divine Mercy each year, a new apparition – Mobile Feast, one Sunday after Easter;
May 13 – Anniversary of the Apparitions of Fatima;
On the Feast of the Assumption, which is not exactly the day of the Assumption, but the Sunday closest to the Feast of the Assumption;
November 8th – Revelation of the Holy Peace Medal – Peace Medal Party;
December 8th – Feast of the Immaculate Conception – at noon;
(At this moment, the seer Marcos Tadeu together with the pilgrims present, raised a great praise to Our Lady in gratitude for this extraordinary grace)
At the end of the Apparition, Our Lord Jesus, Our Lady and Saint Joseph, gave a special blessing to all the pilgrims present. Pilgrims who have received this blessing can pass it on, just with a look and inner prayer, to all the people they meet.

Jacareí, September 16, 2005

(Marco Report): The Divine Holy Spirit gave me a Message this day. He appeared as before, dressed in white, with light hair, looking like a young man of 25 to 30 years of age, more or less, shining a lot. The Message was given to me, but addressed to each one in particular, so the Holy Spirit speaks to each one in the 2nd person singular and not in the plural. Here is the Message:

Divine Holy Spirit

“-Mark, My Beloved, write what I am going to say to you: Come to Me, son; you who are suffocated in darkness and can no longer breathe the air of Grace; come to Me, you who are already in spiritual decay and can no longer say a word. Come to Me, you who walk like an exile, an abandoned one... Come to Me, you who look like an uninhabited house and already in ruins! Come to Me, you who are like a dry river, which has nothing but dry stones and branches! Come, you who no longer pray, do not believe, do not hope, do not love, and who resemble all these things! Come to Me, dear Mine, I still love you! Come to Me, and I will make you a mighty river full of the waters of Life! Come, and I will make you a green garden; the birds will sing without ceasing and the flowers will never wither in you. Come, and I will make you My garden of rest;

Come, and I will make you My reserved field; My real good! But, before I become all that for you, I and you will have to put all My rivals, one by one, on the run from your soul, so that there will be room for Me. I want to do this through My Heavenly Spouse and Consort, the Virgin Mary. Those who think and say that I work in souls and in the world without Her are deceived and deceived! Where She is not, I am not and never will be! Where she is, I am and always will be! This is why I cannot act as much as I want in the world, for I do not find My Wife reigning in almost any soul! Without her, nothing you do pleases me, nothing attracts me! Nothing attracts me! Nothing delights me, nor makes me happy! I resist those who resist Him; I hate those who hate her; I reject those who reject her; and I drive away those who drive her away. I love those who love Her; I exalt only those who exalt her; I ennoble those who live by her and for her; and I prefer only those who want it most. Therefore, I only descend and communicate My Love to the souls in which I find It Alive and totally reigning! In the souls where I do not see My Untouched Spouse, I do not enter, but I flee; and then enters into that soul another spirit, the devil, My enemy from the beginning, and that soul will be total darkness! That is why in certain favorite places of My Wife, places of the Apparitions, I pour out such overwhelming graces of My power! another spirit, the devil, My enemy from the beginning, and in that soul will be total darkness! That is why in certain favorite places of My Wife, places of the Apparitions, I pour out such overwhelming graces of My power! another spirit, the devil, My enemy from the beginning, and in that soul will be total darkness! That is why in certain favorite places of My Wife, places of the Apparitions, I pour out such overwhelming graces of My power!

In Medjugorje itself, whose hymns from there I am listening... (note: they are the hymns of Medjugorje that I use in my prayers) It is I myself who pour out such abundant and profound grace, moving millions of hearts to My Wife and Her , in turn, for Me! I love to hear the voices of Medjugorjians singing to Her, and I give them extreme thanks of love! Here, too, I pour out these extreme graces of My power for the sake of you, My little son Mark, and for the few who have love for Her and in whom I find Her! Therefore, son, you, soul that hears me, engrave in you this immutable law of mine: I do not operate outside the Trinity without the Virgin Mary! I will repeat it to you once more, in an even more solemn voice so that you will never forget it: I DO NOT WORK OUTSIDE THE TRINITY WITHOUT THE VIRGIN MARY! If you believe and obey My Law of Love, you will live and you will be saved by My Grace! Marcos of the pains of the Mother of God, you wrote everything. Now, secretary of the Living God,

announce all this to the world! Whoever believes will live! Whoever does not believe is already condemned and will perish! I, your God, love you and say goodbye to you for today! Peace! I'll be back on Tuesday! Peace!"

(Marcos report): Then he blessed me and disappeared. There were personal conversations of mine with the Holy Spirit, but that I cannot reveal here.

September – 2005

(Angel Zanael): “Marcos, I am the Angel Zanael, I come to say that the world did not obey the messages of the Mother of God in Fatima and after the First World War came the Second War that exterminated millions of men... But, despite the Second War, the world did not learn its lesson, it continued in systematic disobedience to the messages of the Mother of God! That is why the world will soon be punished again, not only by war but by natural and cosmic calamities as well. Then men will recognize that the messages were true but it will be too late! The world will soon suffer an earthquake from which it will no longer recover.”

Holy Mary crying in the Apparitions of Jacareí, September 2005

“Woe to those who did not want to listen to my messages from Heroldsbach, Umbe, Kerizinen, Garabandal and other places... If they only knew what awaits them, if they only knew how many souls they could have saved with their example, dissemination and obedience to the messages. .. They will be responsible for these souls! I want it to be different here, for what I say to be truly obeyed here and what I want to be fulfilled. Soon the world will be punished with a great famine... The hurricanes of the United States are punishment for the sins of the world... If they are not converted, they will increase and destroy various regions of the Earth.
Pray, pray a lot.”

Jacareí, October 13, 2005

(Marcos Tadeu Report): The Holy Spirit appeared as before, with the appearance of a man of about 30 years old, blue eyes, although today he was wearing a light blue robe in an intense light. The Message was given in the 2nd person singular, as the Lord addressed each one in particular. After the initial greetings, he said to me:

DIVINE HOLY SPIRIT

“-Come, my child, listen to what I, your God, have to say to you today. I am the One that your heart seeks tirelessly, without however being able to find it, because you seek what only I Am and can give in the creatures of the world. I am the One who comes to meet you to grant you Light, Peace and Love! Son, I want you to come to Me so that I can give you My wisdom. For this you must come to Me through Mary. She is the only one who enchants Me, who touches My heart and who can get what she wants from Me. Those who turn to her to acquire Divine Wisdom reach it in fullness, because, at the voice of Mary, I cannot resist and I grant everything she asks of me to the soul that turns to her. She can bestow Divine Wisdom upon souls, as She has always been and is full of Wisdom! The souls who receive the gift of Wisdom from the hands of Mary know how to recognize the sign of these times, that is, the VISITATION of God with Her and in Her to admonish, warn, form and prepare the whole earth for My Second historic descent. Those who do not have Wisdom through the hands of Mary, cannot recognize this VISITATION of God in the APPARITIONS, since they refused and rejected Mary, they did not want to obey her, therefore their own wickedness blinds and deceives them. If they truly loved Me, they would recognize My VISITATION in the APPARITIONS of My Heavenly Spouse Mary! This is why their life is a continuous error, a continuous 'assumption', a continuous 'fantasy', because they do not have the Divine Wisdom that I can give them only through Mary! Now, you, son, who hear Me, if you want My Wisdom, pray to Me like this:

“O Holy Spirit! O Spouse of my soul! Come to me to transform me into Your work of joy and election, so that Your eyes may rejoice and be pleased with my soul! You want to rest in my soul: make me Your garden, give me Your peace! You want to act for me: give me Your Grace! You want to work in me: be the Life of my life! You want to radiate Your light: be the light of my eyes! You want to make your love known: be the flame that burns me! You want to water what is dry: thirst for the water that softens my hardness and dryness! O Holy Spirit! All this I beg of you through Mary, with Mary and in Mary, for only through She can I receive any and all Grace from your Love! I ask you, for your most ardent love for her, that you come upon me and that you carry out in me your holy plan of salvation. Amen!"

Pray to me like this, son, and I will hear you favorably and inclined, and I will give you the lights of My infinite Love, I will seal you with my predilection and I will make you my object of love every minute. Stay in peace. I bless you.”

(Marcos report): Then he blessed me, spoke privately to me and disappeared.

Jacareí, October 30, 2005

(Marcos Report): The Divine Holy Spirit appeared unexpectedly. He came dressed in white, with His beautiful blue eyes, luminous hair, youthful and radiant face.

(Mark): “-Lord, with you my soul spends indescribable moments. Even after the Apparition, I cannot describe or reproduce what I felt to those who ask me how it was.”

DIVINE HOLY SPIRIT

“-Son, I, God, am the one who fills you with favors and makes your cup run over. Listen and tell everyone that the Holy Medal of Peace is the Medal of the 2nd World Pentecost. That is why I appeared at the time of the revelation of this Medal, so that My Image would be engraved on the model. This Medal is the means by which I want to spread My Kingdom of Love throughout the earth. This Medal is the channel through which My Grace is carried everywhere, to all souls. If the world receives you with sincere love, then My power will be unleashed in massive conversions. This Medal will prepare the world for My 2nd historic descent.”

(Marcos report): Then he spoke to me privately and disappeared.

Jacareí, November 5, 2005
ANGEL SÃO KAMARIEL

“-I am the Angel Kamariel. I come to say that the wrath of God, which is inflamed by the world's disobedience to the Messages sent from Heaven, must be appeased. The Justice of God is resolved to let several countries be wiped off the map, since they have despised the Messages from Heaven. Ask for the intercession of the Angels, because our prayer is a great counterweight to Divine Justice. Pray! Peace!"

Jacareí, November 06, 2005
OUR LORD JESUS CHRIST

“Son, do you know why I asked you to give me your life? Do you know why My Mother asked you to climb the mountain, in the first years of the Apparitions, and that My Cross be placed there? It is to show you how much your life must conform to Mine in everything, including suffering... Just as I went to the top of Calvary, to the Cross, so must you, to be like Me. Your cross is humanity's indifference to the Messages you transmit from Our Sacred Hearts; your scourging is the continual attacks of God's enemies on Me and My Mother; your crown of thorns is the continuous misunderstandings even of those around you; your nails are the continuous desertions you see in the number of those who come here; your cross is the continuous daily suffering that attacks you more and more.

This suffering serves for the salvation of souls, otherwise, not even a third of humanity will be saved. To My children, I ask that you are not Judas traitors, but faithful and obedient Johns. Let them fulfill these Messages, for whoever does not want to comply will be judged by the Justice of My Father. The punishments arrive and everything remains the same. If there is no penance and conversion, I will let the greatest misfortune befall humanity. The Angels already have the whips of pain in their hands, and if they do not listen to Me, I will give them permission to strike the earth with their nations full of luxury, pleasure and evil. These are the last warnings.”

Jacareí, November 07, 2005
Message from Our Lady

“-My children, despite My repeated Messages, the world continues to follow the path of rebellion against God and His law of love. I appeared in different nations, but My interventions to save human beings were of little use, because thanks to their wickedness, My efforts were almost nullified. Fulfill all that I say to you, for those who do not comply will be judged and condemned by God the Father. Soon, My Last Admonitions will be given to the world, and then Divine Justice will purify the entire world with fire and punishment. My Tears are so abundant that there is no container on earth that can contain them. Talk less and pray more. Ask less and obey more. Be true apostles of My Messages to the world. Do not be Judas traitors, but obedient and faithful Johns. Continue with the Hour of Peace, São José, Rosário and Trezena and Setena. These prayers will save many souls. At least a third of humanity must be saved, so continue to pray these prayers that I, the Mother of the Creator, have given you. Make reparation to the Heart of My Son Jesus who is cruelly scourged for

the offenses he receives, especially in the Eucharist. There are many sacrileges. Let them all take communion, preferably in the mouth, lest He be taken away and desecrated. I bless you all from La Salette, Turzovka and Jacareí on that blessed day.” Make reparation to the Heart of My Son Jesus who is cruelly scourged for the offenses he receives, especially in the Eucharist. Jacarei, November 08, 2005
12th Anniversary of the Revelation of the Holy Medal of Peace
(Marcos Tadeu report): I expected to see the Mother of God happy, but She was sad. With great kindness and sadness, she said to me:

OUR LADY

“-I am the Lady of the Holy Medal of Peace!... I come from Heaven to call all humanity to enter the refuge of My Immaculate Heart through this Holy Medal, which was born from the mystical light of My Immaculate Heart. Today marks 12 years since I descended from Heaven full of power to reveal to the world this Medal of recent times and of the triumph of My Immaculate Heart. She is the powerful shield that I have given to defend My children from the attacks of My enemy. This Medal is a sign of recent times! She is particularly My great sign of My certain and definitive victory over Satan and all the forces of evil. She is the sign of My comfort, which I offer to each of My children, who, in these times, are so beaten by Satan and so tormented by the pains of the great tribulation in which they are already living. Through this Medal, I pour balm on your wounds; I heal the wounds caused by sin, by the devil and by living with this treacherous world; I pour peace and strength into the souls of the weak and downcast.

This Medal is My great sign of mercy towards sinners, and it is My maternal net with which I can still save them from eternal damnation. The Holy Medal of

Peace is the great instrument by which I will prepare and open all humanity for the 2nd historic descent of the Holy Spirit, who will come to purify the earth with His overwhelming fire, and thus place all things in order and holy harmony. . My Medal of Peace will be a great shield, remedy and light in times of great punishment, especially in the three days of darkness, and those My children who have always brought it with faith will feel and know the wonders of My constant patronage and love. But how much sadness I still feel to see the lack of faith in the revelation of this Medal of Mine! How many do not believe in it because they do not believe in these My Apparitions here! How many do not use it and do not respect it! How many do not pray the prayers that were given to pray holding this Holy Medal! How many despise it, mock it, and blaspheme the Me represented in it! Therefore, I ask you, My children, to console My Heart; relieve this great pain that I feel to see this proof of My love for men being so despised by those I have so benefited. Console My Heart using the Holy Medal and spreading it to everyone you can. Part of My triumph depends on men's knowledge and use of this Medal... If you do, My Heart will triumph! Today I bless you all from La Salette, Garabandal and Jacareí, in the name of the Father, the Son and the Holy Spirit.” mock it and blaspheme Me represented in it! triumph! Today I bless you all from La Salette, Garabandal and Jacareí, in the name of the Father, the Son and the Holy Spirit."
(Marcos report): Then he spoke to me, blessed me and disappeared.

Jacareí, November 9, 2005

(Marcos Report): Today, the Angel Mariel appeared to me. After the greetings, he said to me:

ANGEL SAINT MARIEL

"-Mark, write down all that I'm going to tell you... If the world doesn't repent of what it did against the Apparitions of the Mother of God in the city of Heroldsbach, a great punishment will fall on the entire planet earth. If humanity had not harmed those Apparitions, they would have been known and obeyed. Because the clergy forbade the spreading of those Messages; because he excommunicated the visionaries and the people faithful to the Mother of God, he will be punished with the persecution and desertion of the people. If the clergy had not done all this, Heroldsbach's Apparitions and Messages would have been known and obeyed by all mankind... The Heart of Jesus, Our Lord, was once again pierced with a painful spear, and so He remains until now.. You must tell people to make amends, to pray many Rosaries to appease the Lord's wrath. May people pray to neutralize Satan's force, for he wants to destroy all Apparitions, all! May all the wrong done to the Apparitions of Heroldsbach be repaired, otherwise the Eternal Father will justly strike the world with the whip of punishment."

(Marcos report): Then he disappeared.

Jacareí, November 13, 2005

(Marco Report): Our Lord, Holy Mary and Saint Joseph came in soft purple and were sad. There were two angels, one on each side. After the initial greetings, Saint Joseph dictated the Message to the world.

SAINT JOSEPH

"- My Most Loving Heart is sad to see the Messages of Jesus and Mary so despised and disobeyed! The Eternal Father will send two punishments to

Brazil, another to Germany and another to Italy... Latin America will also be punished for its sins... Spain will shed tears while France will groan... If the Father Eternal not find true love in hearts through the Messages, the punishments will come... Only true love can save the world now... Love the Messages, and God will save humanity. God doesn't want to punish you, but he can't do anything in the face of your disobedience and rebellion to His Messages and His Most Holy Mother. Always pray to My Heart so that new apostles of the Messages are raised throughout the world... Continue with all your prayers (note: the Meditated Rosary, the Hour of Peace, the Hour of Saint Joseph, the Hour of the Rosary, the Trezena, the Septena) that We have given you here in the Apparitions. We bless you all, from Lourdes, Marpingen and Jacareí, in the name of the Father, the Son and the Holy Spirit."

Jacareí, November 15, 2005
ANJO SÃO LABARIEL

(Marcos report): Today, the Angel Labariel appeared to me. He is blond, has blue eyes, wore a light blue tunic. After the greetings, he said to me:

"-Mark, I am the Angel Labariel. I come to insist that all the harm that the world has done to the Apparitions of Garabandal and Heroldsbach must be repaired. If a great reparation to these two Apparitions is not made, a great punishment will befall the world. The mother of God is increasingly sad to see that her appeals are not heard, that her Messages are not obeyed, and when they are, they are partially or very late. This false peace that now exists in the world is a sign that soon Divine Justice will punish all humanity... Convert immediately! It's the last warnings! Peace, Mark!" (Mark): "-Peace, Labariel, peace!"
(Marcos report): Then he blessed me and disappeared.

Jacareí, November 17, 2005

(Marcos Report): Today, the Angel Lubatel appeared to me. He is blond, has blue eyes, wore a white robe. He gave me the following Message:

(Angel Lubatel): "-The three days of darkness were not cancelled. Since 1994, the Mother of God has been able to postpone it with Her supplications and tears offered to the Most High, but the moment will come when she will no

longer be able to do so, and then, woe to the inhabitants of the Earth! Pray a lot and sacrifice yourself to help in the salvation of souls!
Exercise the virtue of patience that has been so forgotten! Continue with the prayers and comfort the Heavenly Mother! Peace, Mark!”

(Marcos Tadeu): “-Peace, Lubatel!”
(Marcos report): Then he blessed me and disappeared.

Jacareí, November 22, 2005

(Marco Report): Today, Holy Mary appeared to me dressed in soft purple. With tenderness and sadness, she said to me: “I am the Lady of the Rosary! I will gather in My refuge all My children who love Me through Him! I am the Mother Shepherd of souls! Everyone who is My sheep hears My voice, recognizes it and follows it! I am the Heavenly Ark! Everyone who is of the truth will be saved from the next punishment and kept safely in My Heart!”

Jacareí, November 22, 2005
ANGEL SÃO MIRIEL

“-Marcos, I am the Angel Miriel. I come to reveal how urgent and necessary it is to pray, begging for the grace of the Angels' protection in these dangerous times in which they live. Angelic protection begins at the moment of each person's conception. There, the Angels are destined to guard the soul newly created by the Most High, until it is baptized, redeemed from original sin, when it will then receive its definitive Guardian Angel.

The Angels and the demons fight for that soul: the Angels, highlighting and presenting the graces, merits, pains and works that Our Lord and the Blessed Virgin suffered for her redemption; and the demons, claiming that she was conceived in excess at the time of her generation by her parents; the Angels, contending that Our Lord shed all her Blood for her and that Holy Mary cried tears of blood for her; and the demons in turn, that that soul is still the slave of original sin and that, therefore, they have a right over that soul. Worse is if the child is an illegitimate child or conceived without the sacrament of matrimony, or with excesses at the time of generation, because then the demons, under these conditions, are really free to act more on that soul, since there the grace of God.

And Mary Most Holy then orders the Angels to protect and defend that soul, because despite everything, she can still become a great saint. Therefore, from the beginning of human life, our action of protection for souls is present. It is therefore necessary to ask insistently for our protection and our constant help. Happy is he who recommends himself to us with confidence, for he will never be abandoned by us."

Jacareí, 27 November 2005 - Feast of the Lady of the Miraculous Medal

(Marcos report): The Lady appeared with Saint Joseph, both dressed in white. They had an Angel on each side accompanying them. After the initial greetings, the Lady dictated this Message to me:

OUR LADY

"-I am the Lady of Graces!... Today, remember My Apparition to My daughter Catherine, whom you affectionately call Saint Catherine. On that day, 175 years ago, I revealed to her My Miraculous Medal! Since then, I have multiplied My descents to the world to prepare My children for the terrible battle that has been raging from then until now between Heaven and Earth; between Angels and Demons; between good and evil; between Me and My Adversary. I have repeated the same calls throughout these centuries, but humanity remains deaf and disobedient to My voice. Fulfill My requests and obey My Messages, for anyone who does not do so will be punished by God the Father. In punishment, two out of three human beings will be swallowed up by hell. But if you pray, if you obey Me, I will be able to free you who love Me from this scourge... Punishments will come, as human beings become more and more evil and enemies of God and Me. Only the Meditated Rosary and the prayers that I have given you here (obs: the Meditated Rosary, the Hour of Peace, the Hour of Saint Joseph, the Hour of the Rosary, the Trezena, the Setena) can save the world. Continue with the prayers and the spreading of the Messages. Think of the Passion of Jesus and My Sorrows."

(Marcos Tadeu): "-Madam, how should we prepare for the Feast of Your Immaculate Conception and for the Hour of Grace that we will do here at noon on December 8th?"

(Holy Mary): “-Pray the Rosary of the Immaculate Conception and the act of contrition every day. At the end, make the sign of the Cross 3 times in honor of the triple love that the Holy Trinity had for Me when creating Me immaculate. This for 9 days straight.”

(Marcos report): Then he spoke privately to me, blessed me, kissed a large Miraculous Medal that I had placed in the hands of His venerable image and disappeared.

Jacareí, December 1, 2005
Message from the Angel Leniel

(Marco Report): Today, the Angel Leniel appeared to me. He is blond, has blue eyes and wears a white robe. After the greetings and some conversations with me, he said to me:

(Angel Leniel) “-Reread all the Messages that have already been given to you. The Lord will collect the fruits of each Message that descended from Heaven on human beings. The Wraiths are not toys and must be obeyed with seriousness and fervor. The Most High is saddened to see that the Heavenly Messages are not taken seriously and are not read, heard and meditated upon. Dedicate time to this holy task and you will see how your souls will find peace and the light of truth.”

Jacareí, December 04, 2005
Report of the seer Marcos Tadeu about the apparition of this day

(Marcos Tadeu): Today the Blessed Virgin Mary, Saint Joseph and two Angels came: one on each side. Holy Mary was dressed in light purple, Saint Joseph too and the angels in white. I asked Holy Mary what she would like us to do at the Hour of Grace. Holy Mary gave me her guidelines and said that on December 8th, despite the sadness she is in due to the fact that humanity does not obey the messages, she will appear extremely beautiful to me, with Saint Bernadette and the Little Shepherds of Fatima: Lucia, Francisco and Jacinta.
Our Lady said that they will come to bless me, to console me, to comfort me and also to bless and pour out graces on all the pilgrims who come with faith and love for her. Then Our Lady dictated the following message to humanity:

Message from Holy Mary

“May my children pray the Holy Rosary more! I am the Lady of the Rosary! I will save the world through the Rosary! Whoever serves me through him will not perish!
Let them come here in procession! Keep praying all the prayers I have given you here.
Pray! Pray! Pray!
I bless you all from Fátima, São Damiano and Jacareí. Peace"

(Marcos Tadeu): Our Lady blessed her children with the graces of the places of her Apparitions. When she says: “I bless you all from Fatima”, she pours out at that time all the graces of her Apparition in Fatima on those she is blessing. When she says “from San Damiano”, she is blessing everyone with the graces of the Apparition of San Damiano, in Italy and when she says” and from Jacareí”, she is blessing with all the graces contained in her messages in her appearances here , in Jacarei.”

APPARITION ON DECEMBER 8, 2005 (THURSDAY) AT 2:32 PM IN THE CHAPEL OF APPARITIONS
DAY OF THE IMMACULATE CONCEPTION OF OUR LADY AND HOUR OF GRACE

(Transcript of the recording made by the seer Marcos Tadeu Teixeira)
(Marcos) "-Here She comes, here She comes....”
“Oh, very image of Paradise, oh very reflection, portrait of God.
“Forever be praised Jesus, Mary and Joseph.”
"Yes, those I already knew. And is she?"
"Oh! Mistress passed away at nearly 100 years old and yet she looks like a girl... I am ready to write. Yes Mistress."

OUR LADY

" -Yes my son. Yes Marcos. I am here, your Mother, the Immaculate Conception. I am the Mother of grace, I am the Queen of Peace, I am your Mother, the Mother of all my children who are present here today, the Mother of all humanity, I will transmit my Message today through inner locution, together with this Apparition, which you have, my son.
I want to tell my children how much I love them, and how grateful I am that they came here today. I am the Immaculate Conception. I was conceived without the slightest stain of original sin, why? Because the Most High, even before creating the world, already loved me to such a high degree, and so infinite, that he wanted to create my soul, a true reflection of his Divinity, a most pure

reflection that casts its light over the whole earth, over all nations. Even before creating the seas, the Sky and the oceans, the Most High was already thinking of creating me. I was in God's mind and because of the love that He had already had for me since then, He created all the things that exist, including Adam and Eve, so that they would also be a cause of joy for me. Because all things the Most High created for my joy, for my pleasure and satisfaction, I saw all my life, in all creatures made by Him, and given to me, that I might reign over them, and that I might be their Lady, I thanked the Most High, therefore, for all that He did, for all that He created, and for maintaining , for conserving all creatures and all things for his greater glory, for my joy, to show that he loved me, and that I was his Princess, his favorite flower. My Immaculate Heart exulted with gratitude and joy for my Lord all the days of my life. I never stopped blessing, loving and glorifying God. for my joy, to show that he loved me, and that I was his Princess, his favorite flower. My Immaculate Heart exulted with gratitude and joy for my Lord all the days of my life. I never failed to bless, love and glorify God. for my joy, to show that he loved me, and that I was his Princess, his favorite flower. My Immaculate Heart exulted with gratitude and joy for my Lord all the days of my life. I never stopped blessing, loving and glorifying God.
That is why I grew every day in wisdom, in virtue and in personal holiness before the Most High. My life has always been one of constant loving and loving God. Everything I did was out of love for God. All I thought was for the love of God. All I wanted was out of love for my Lord. Because conceived Immaculate, it was possible for the Word to come into the world to bring about redemption. Yes my son Marcos, you were not mistaken, on the day of my Immaculate Conception God has already begun to inaugurate the great work of the redemption of the world. This is why this is the most important day of the year. This is why this is the most blessed, holiest and most propitious day for God's mercy throughout the year.

The graces that are poured out from Heaven on earth today, especially here in this favorite place of my Heart, never, even if you lived 100 years, 100 lives, millennia, you could not thank the Most High enough. Only the one who rejects them will not become worthy of these graces, only the one who does not take advantage of them will not bear fruit of eternal life, the one who does not receive them with an open heart, joyful, grateful, grateful to the Lord, full of love for Him and for me. I am the gate of Heaven, I am the bridge that leads all men to God. I am the ladder of Heaven. Whoever ascends by me will surely and surely reach God. Whoever refuses to go up for me will be lost and will fall into a thousand mistakes in his life. My Immaculate Heart is the door, it is the source of peace, it is the door through which the Divine Holy Spirit descends from the Supper of the Trinity over the whole world. My children, I revealed the truth of my Immaculate Conception to my daughter Caterine Laboure, whom you affectionately call Santa Catarina, then in Lourdes to my little daughter

Bernadette, and I left this truth also included in my Apparitions in Fatima to my three beloved children Lucia , Francisco and Jacinta, when I appeared to them not shining like the sun, but shining brighter than the sun. I am the Lady brighter than the sun. In the splendor of my Immaculate Conception I emanate my mystical and maternal light over the whole earth that puts to flight and destroys all darkness. My Immaculate Heart has also revealed this great truth here, to you, to you my little son Marcos, since the first years of my Apparitions, and I have always asked you that the 8th of December of each year be celebrated here with particular love, joy , with particular veneration. And you, my son, faithful to my order, faithful to my desire, every year you have always endeavored to obey this desire of mine.

Today I am particularly happy. This is the place that most comforted me today, on the whole face of the earth. Rejoice with me, the Heavenly Mother is overjoyed with you, and now I will send these two Holy Angels who came with me to mark you all, to give you all my special grace for this day. Children, the Angels will pour my special grace on you from this feast, I want you to listen to my appeal, thank you for spreading my Messages throughout this year, I thank you. Many were converted, but not yet all. It is necessary that you continue to spread my Messages and my Prayers, the Prayers that I have given you here, the Hour of Peace, the Hour of the Rosary, the Trezena, the Setena, the Hour of Saint Joseph, along with my Messages because not all still converted. Disclose this rest of the year and also next year. Don't be discouraged, don't be discouraged. I know that some days you feel very discouraged, very afraid of the future of the world due to the gravity of the situation and the terrible state in which humanity finds itself.

What you have to do is pray and obey my Messages so that your personal triumph with me is also guaranteed. I ask for trust therefore in me, trust in me.

When you feel discouraged, in the face of temptations, trials, difficulties, remember my Immaculate Conception, remember what I am saying to you here, now, on that day and in this chapel, and have confidence in me, it is written since before all centuries that it should be like this, that the world would have to reach a terrible state of evil but that in the end my Immaculate Heart, and only he, will triumph, my triumph is written before all centuries it was already written, and nothing that demons or men can do can change that. That's why I say to you, my victory is guaranteed, assured, it is only yours that still needs to be guaranteed, conquered and deserved through your obedience to my Messages, if you obey them, your Triumph with Me will be assured. Do not worry, my children, with the future, if you will be able to do everything I ask in my Messages or not, and also don't keep thinking about the past, about all your mistakes, about all your sins, so that discouragement doesn't overwhelm you. You can think about your faults and your sins, but

asking God in prayer for the grace that He will set you free. I ask you not to think about the future or the past, to think about the present, to think about what you can do today for my Messages, what you can do, what you can do to spread my Messages today. but asking God in prayer for the grace that He may set you free. I ask you not to think about the future or the past, to think about the present, to think about what you can do today for my Messages, what you can do, what you can do to spread my Messages today. but asking God in prayer for the grace that He may set you free. I ask you not to think about the future or the past, to think about the present, to think about what you can do today for my Messages, what you can do, what you can do to spread my Messages today.

This is what I ask of you. My Immaculate Heart will always be the refuge of all those who seek comfort and strength in me. Walk the road of good. Walk the road of prayer. Walk on the road of peace. Walk on the road of God's grace. And do not in any way allow my enemy to succeed in doing so, to dissuade you from prayer, from obedience to my Messages, and from everything that I have revealed to you here and taught you. You are the most blessed people on earth, because you are fed by my hand in person, you are fed by the Holy Spirit with His Messages in person, you are fed by the Sacred Heart of my Son Jesus with His Messages in person, you are the people most blessed, happiest, most rewarded on the face of the earth, by the mercy of the Most High, the contemplation that the Most High has given you has not given to anyone else. This, my children, must be for you a cause of great joy, of great jubilation, of great love and of great gratitude, but it is also a cause of a great responsibility and a response of love, of an obedience that the Eternal Father awaits. yours.
If you take my hand, if you trust me, if you do what I tell you in my Messages, my Immaculate Heart will surely triumph, and you will be the most blessed, most blessed people that has ever been on the face of the earth again. . My children, listen to my call, listen to what the Heavenly Mother asks and tells you. I, your Mother, cover you with my Mantle, and now I give you my special blessing, this blessing that I will give you will remain with you throughout your life, and you will be able to pass it on to everyone you meet. on the street, at work, at school, at home, wherever they go.

Whoever is worthy of this blessing, the blessing will remain in him, whoever is not worthy of this blessing, it will return to you. This blessing you must give in my name, it is the effort of the Mother of God to reach her children, even the most distant, even the most hardened, even the most fallen into the darkness of evil, violence and sin. You won't need to say anything, just with a look, and saying that you transmit that blessing in my Name, it will be enough for my blessing to reach that person. If she is worthy, my blessing will be with her, if

not, the blessing will return to you. Take, receive, distribute my blessing and my grace. I bless you now. This place is the pearl of my Immaculate Heart.

This place is my favorite place where I pour out my mercy on human beings with a greater profusion than God poured out the flood on the earth. Here my Immaculate Heart will always be present. Happy and blessed is the man who comes to this place to look for me and find me, because here he will find his own life, the very salvation of his soul."

BLESSED JACINTA DE FÁTIMA

" -Marcos, I am Jacinta de Fátima. My angel, I am always with you in every moment of your life. I will never abandon you. I am your protector. I am your guardian. I also pray for everyone who comes here in this place, pray and listen the Messages of the Mother of God. Do not be afraid. I always listen to your prayers. I observe all your afflictions and anxieties. I will always be ready to comfort you, I will always be ready to comfort those who work here with you and fight for this Sanctuary. I love and protect everyone."

SAINT BERNADETE

And the words that the Mother of God spoke to me in the Grotto of Massabiele were my rock, my strength for all the days of my life. Whoever puts his strength, his light, his hope, his trust in the Messages of the Mother of God will not perish. I lovingly protect all pilgrims who come to this Holy place to visit the Mother of God. I protect your families from Satan's attacks. I am their shield. Whoever invokes me in their prayers will not be without comfort. Peace. I am their shield. Whoever invokes me in their prayers will not be without comfort. Peace. I am their shield. Whoever invokes me in their prayers will not be without comfort. Peace.

BLESSED FRANCISCO MARTO - OF FATIMA

Marcos, I, Francisco Marto, Pastorinho de Fátima, also give you today, my hug, my love, my peace. Tell everyone who comes here to this Sacred place that they must continue firm and persevering on the road of the Messages of the Mother of God. The great punishment is approaching. The great Pentecost is approaching. The great purification is approaching. The great Triumph of the Mother of God is approaching. And whoever is not with her, will burn like wood in the blazing fire that will never go out. Tell everyone, Marcos, never to

abandon the prayer of the Rosary, no matter how great the temptation or illusion, because the Rosary is, and always will be, the secret of the Saints, the secret of salvation, the secret of peace in the world, the secret of conversion the secret of world peace, the secret of conversion, the secret of Divine mercy. Peace to you Marcos peace.

SISTER LUCIA OF FATIMA

Marcos, I, Lucia, whom you lovingly know as Sister Lucia, come today exulting with joy, together with my cousins Jacinta and Francisco, and Bernadette, I come with the Mother of God, to say to you, peace, peace, peace, peace your heart, peace to the hearts of all who hear me now, peace throughout the world. I suffered a lot, I drank the bitter cup of suffering, persecution, incomprehension, judgment of people, deprivation, I knew the pain of loneliness, all the pains they feel were experienced by me. I understand everyone's suffering. I understand what each one feels, what each one suffers, because through all this I also went through on earth. But, trusting always in the Immaculate Heart of Mary, I have triumphed, and all those who trust in the Immaculate Heart of Mary will also triumph. I ask everyone present here for the devotion of the first five Saturdays.

I passed away with a great pain in my heart for not yet seeing this devotion spread, lived, obeyed and practiced with firmness and perseverance throughout the world. Now from Heaven, I must continue, therefore, my mission, and until I achieve the reparative devotion of the five first Saturdays to the Immaculate Heart of Mary, until I see this devotion lived and practiced throughout the world, I will not be able to stop working. From Heaven I will look for souls here on earth who will become Apostles of the Immaculate Heart of Mary, propagating this devotion that so pleases the Heart of the Mother of God, that consoles her so much, that cancels punishments so much, that achieves so much mercy for all humanity. Marcos, it is clear that those who want to make nine first Saturdays of reparation to the Immaculate Heart of Mary, instead of just five, it is clear that these will also be fulfilling the great desire of the Mother of God. This Sanctuary must become the great focus, the great propagator of this devotion in which the conversion and salvation of the nations of the whole world is linked and contained. I, Lucia of the Immaculate Heart of Mary, embrace, protect, love and also bless everyone today. Peace, Mark.

-(Marcos Tadeu) : “When will you return again?”
"Okay... I'll wait... Can I count on your help and your protection?"
“Thank you, thank you, thank you... See you soon Madam, see you soon Pastorinhos, see you soon Saint Bernadette.
She disappeared. "

Messages communicated in the Apparitions of Jacareí, year 2006

Jacareí, January 2, 2006

(Report-Marcos): “-Unexpected appearance of the Holy Spirit. He said to me: “

Divine Holy Spirit

”-From now on, until the 15th anniversary of the Apparitions, you will receive great Messages from Me to be communicated along with the others. I want all humanity to come to Me through Mary. Whoever wants to please the Lord, do so through Mary, who is My delight and love. Grace rests upon all who love and serve Her. He who says he loves Me, but does not love Mary, My favorite, is a liar, for it is impossible to love the sculptor and not love his sculpture and love the painter without loving his painting. He who truly loves Me also loves Mary, the great work of My goodness. This is the beginning of truth and love for Me. Tomorrow I will see you again, My child. Peace!"

(Marcos-Report): “-I spoke privately with Him, he blessed me right away and disappeared.”

Jacareí, January 3, 2006

(Marcos Report): “-The Holy Spirit appeared to me today as before, that is, as a very beautiful young man between 20 and 30 years old, light hair, shining face, blue eyes , wearing a luminous white robe. After the initial greetings, he dictated the following Message to me: "

Divine Holy Spirit

“-I live and reign in Mary forever! I am the Lord, the love and life of all that exists! For Maria, I took everything from nothing and took everything that exists in living and from everything that exists, I keep existing for Maria! Through Her, I grant men the grace to know Me and love Me. Through Her, I enlighten the intelligence of men to understand My beauty and will and to carry out what I desire for their good and for My glory. Blessed is the soul that turns to Mary, My Beloved Spouse, to know My desires, because for Mary I am willing to give everything, everything! I am your God and My desire is to be worshiped by all in truth and with life. And this will only be possible through Mary. Just as to remove the treasure from the safe, it is first necessary to ask the treasurer or cashier, in the same way, in order to remove My treasures, I must first ask My Treasurer, Mary, into whose hands I have placed all My riches and possessions. I will reign on earth through Mary, despite all opposing forces. My Second Descent will be through and through Her. Pray the Holy Rosary fervently, for with each prayer of the Rosary I unleash a ray of My light on your souls. The Holy Rosary will be decisive for My Second Descent into the world. I also appealed to Joseph, who was My burning Tabernacle on earth

and is even more so in Heaven, for it is He who will have to introduce into the Upper Room of the last times the elect who will receive Me in the 2nd descent that I will make. Peace to all. Peace, my dear Mark." despite all opposing forces. My Second Descent will be through and through Her. Pray the Holy Rosary fervently, for with each prayer of the Rosary I unleash a ray of My light on your souls. The Holy Rosary will be decisive for My Second Descent into the world. Peace to all. Peace, my dear Mark."

(Report-Marcos): "-Then, he spoke to me intimately and disappeared."

Jacareí, January 4, 2006

(Report-Marcos): "-The Holy Spirit appeared to me as before. He looked at me with a sweet look, one of deep affection and affection. He asked me to write down everything he was going to say."

Divine Holy Spirit

"-Mark, son of the earth, write this carefully: the Immaculate Heart of Mary is My joy and eternal dwelling! Yes, in this Immaculate Heart I made My abode forever, and therefore, whoever wants to find Me and know Me must also make his home in this Heart. This is what I wanted to show you, Marcos, every time you saw that very strong, immense light, coming out of the Immaculate Heart of Mary in the Apparitions and descending to your heart. Yes, that light I am myself united to the holiness of Mary, My dear mystical Spouse. Only in the Immaculate Heart of Mary can men find Me. As long as you continue to fight this truth and law of My love, you will remain in darkness and ignorance of Me. Only this Heart will be able to reveal My true face to the world.

The Immaculate Heart of Mary is My Ark of the Covenant, My golden thurible, My tabernacle of delicious light! I am Love, and I want to attract all souls to Me,

and for that, I send My light to the whole world in my eyes, in my face, in the Immaculate Heart of Mary. Make Mary loved and known and you will see how powerfully I will reveal myself through her to souls, even those most darkened by sin. It is through the Immaculate Heart of Mary that I will descend into the world for the second time, and He will never be the same again. And the Immaculate Heart of Mary is the mystical cenacle where the elect will be locked up on whom I must descend to finally make My Kingdom of grace and light be established on earth. Remain in My love always. Son, guard well these treasures that I give you and make them known to all souls. Stay in peace. Peace, My favorite!"

Jacareí, January 5, 2006

(Report-Marcos): "-The Lord God the Holy Spirit appeared to me as in the previous days. He dictated this Message to me: "

Divine Holy Spirit

"-I, God, will come. I will come to transform the whole face of the earth. I will come like a devouring fire to consume every tree that has not borne fruit. I will come like rain to water the good trees and make them bear even more fruit. I the Lord have said it."

(Report-Marcos): "-Then he spoke to me intimately and disappeared."

Jacareí, January 6, 2006

(Report-Marcos): "-The Holy Spirit appeared to me as on other days. He dictated this Message to me: "

Divine Holy Spirit

"- Mark writes what I am going to say now: the Heart of Joseph will be the great door through which I will come and descend on all humanity. Together with the Immaculate Heart of Mary, He will be the great portal through which I will descend upon all humanity. Yes, it will be through the mediation and intervention of Joseph that I will pour out Myself with an abundance much greater than the waters of the Flood. When I descend, I will flood everything with My Grace and make even the most intense darkness a bright day. I the Lord say it."

Jacareí, January 9, 2006

(Relato-Marcos): “-The Holy Spirit appeared to me as before. He said to me: “

Divine Holy Spirit

"-Oh, how blessed are all those who love and serve Me through Mary! These souls will never fall into spiritual disgrace and will be preserved in a very high degree of holiness! Yes, how I rejoice to see her so fervently praised and exalted here, in these Apparitions! To all who love Her I impart My Blessing. Peace.”

(Marcos-Report): “-Then he disappeared.”

Jacareí, January 10, 2006

Marcos-Report): “-At the appointed time, the Lord Holy Spirit came to contemplate God, Our Lord filled me with extraordinary joy. He said to me: "

Divine Holy Spirit

“-I am the Lord and I say that the darkness of this humanity will be transformed into a bright day. Yes, by My power, the darkness of this world will become a shining lamp. From America to Oceania, I will bring down My radiant Light and I will cause all to be illuminated by it. I will blow over Europe, Asia, Africa, and from one pole to the other I will cause My name to be heard and My Light to be seen. I will do this grace through the Hearts of Mary and Joseph, who together prophesy in My name to this generation. I, the Lord, will come and at My passing, many spiritual dead will revive. Rest in peace, My child. Peace!"

(Report-Marcos): “- Then he blessed me, spoke privately to me and disappeared.”

Jacareí, January 11, 2006

Divino Espírito Santo

- My plan develops on earth perfectly. In each place of the Apparitions of My Spouse Mary I work the wonders of My Grace. In each place of the Apparitions where we find docile and obedient souls, We, the Trinity, pour out Grace and Salvation. This has been the case from La Salette, Lourdes, Fátima, Pontmain to here in Jacareí. I myself am preparing holy abodes for Me, for I am Holy. I am preparing temples, palaces, holy, living cities for Me, where I myself will dwell night and day and I myself will be their light. These cities are the souls that I am purifying and beautifying for Me, Your God. Blessed is everyone who allows himself to be taken by Me by the hands of Mary and Joseph, for he will not remain in the darkness of the death of the soul! Peace, My child.”

(Report-Marcos): “- Then he spoke privately to me, blessed me and disappeared.”

Jacareí, January 12, 2006

(Relato-Marcos): “-At the appointed time, the Lord appeared to me. He was very beautiful, very merciful and sweet. He looked at me with kindness, and smiling, ordered me to write: "

Divine Holy Spirit

“-My power and joy is to grant everything through Mary, My Beloved Spouse. As at the 1st Pentecost I descended through Her upon the disciples, so it will be at the 2nd Pentecost. And just as in the first the hour of My descent was anticipated by the prayer and the desire of Her, of Mary, so it will be in the 2nd Pentecost. I will come much faster than I was scheduled, to answer the fervent desires and pleas of Mary, My beloved Spouse, who calls Me to descend on this lost generation, otherwise not even the elect will be able to be saved. Yes, I will come upon this world which has already reached the bottom of its decay and wickedness. I will come to bring about the triumph of My Divine Spouse throughout the world. Blessed is everyone whom I find under the Mantle of Mary when I return!”

Jacareí, January 13, 2006

(Relato-Marcos): “-The Holy Spirit appeared to me as on other days. He dictated this Message to me: "

Divine Holy Spirit

“-I am Holy, and therefore, the dwellings where I live or will live must necessarily be holy. Therefore, it is necessary that all the souls of this evil generation be purified, which, more than all the generations before it, was tainted by sin, darkened by the darkness of evil and plagued by general decay. For this to happen, I will come with My devouring fire and I will burn everything that is not in keeping with My holiness, is not in tune with My Being and is out of harmony with My Sovereign Will. I will kindle My holy fire upon the world, and how much I desire it to spread! That is why I have already lit very strong sparks in the places of the Apparitions of My Divine Spouse Mary and I am going to pour out even more of My fire in these places! Yes, these chosen places, when there are docile souls in them, they burn with My own fire and I will make this My fire to be seen and beheld by the whole world. Here, I will

always pour out of this fire and pour even more into it. I the Lord say it and I will do it!”

Jacareí, January 13, 2006

(Report-Marcos): “- Today, the Mother of God appeared to me. She was distressed, her eyes were full of tears. With kindness and sadness, she said to me: “

Mary Most Holy

“-My Immaculate Heart is distressed to see that time passes and My Messages are not obeyed. Every day thousands of souls go to hell forever because there is no one to pray and sacrifice for them. I want you to continue to do My THIRTEEN every month, because during THIRTEEN I can save many souls with this sacred prayer. This year the sufferings for everyone will increase as the time draws near. But I will be with those who obey Me and keep My words. I am the Mother of all who believe and I will see to it that they are protected in My Maternal Mantle. Reread and comply with all Messages. These are the last warnings I give to the world. This place (obs: the Sanctuary of the Apparitions of Jacareí) is sacred and there are graces that I only grant here. Blessed is the soul that knows how to believe and love this truth!”

Jacareí, January 14, 2006

(Relato-Marcos): “-The Holy Spirit appeared to me as before. He said to me: "

Divine Holy Spirit

“-I, the Lord, come from above to fill with light the souls of this generation, which have been darkened by the rebel, and which so much need to be clarified with My beatific Light. Yes, the Eternal, the Love, the Most High, left His throne in Paradise to come to the aid of His creatures, who no longer know Him and are no longer capable of knowing Him. I am the Lord and I do not tolerate any form of resistance to My grace. I do not require holiness and extreme perfection to enter My service, but only love. Oh yes, sincere, loyal, true, total and faithful love, this yes, I demand it and it is indispensable for you to serve Me and please Me. When I look at a soul, then I look at love, I look for love in its heart. If he is sincere, I can come in and perform My operations of grace on such a loving soul. The purer and stronger the love, but I will act on the soul. The soul that I love the most is the one that has the most love for Me! The measure of love is the measure of faith and the measure of faith is the measure of trust! How much I like the soul that trusts in Me and that gives itself entirely to Me! That's it for today, my favorite! Keep in mind that all these things I always do and will do through Mary, without whom I do not work in souls! Peace, my little pigeon! Peace!"

(Report-Marcos): “- Then he spoke privately to me, blessed me and disappeared.”

Jacareí, January 16, 2006

(Report-Marcos): “-Today, Holy Mary appeared to me. Extremely luminous, she said to me: “

Mary Most Holy

“-My Heart is the great light that the Lord has given to all humanity, so lost in these bad times. I showed it in Fatima to the 3 little shepherds, here, to you, My son Marcos, and in so many places in the world, to show that it is this Heart that will have to free all humanity from this vast slavery of the world and of souls to Satan and there is to lead all souls of good will to the perfect glorification of the Most Holy Trinity. Therefore, intensify and deepen your devotion to My Sorrowful, Eucharistic and Immaculate Heart, because whoever embraces this devotion will not be condemned to the fires of hell. This devotion contains all the elements to keep any soul in grace and take it to Heaven. My son, be at peace. I bless you from Montichiari, Bonate, Fátima and Jacareí, in the name of the Father, of the Son, and of the Holy Spirit.”

(Report-Marcos): “- Then he blessed me, spoke privately to me and disappeared.”

Jacareí, January 17, 2006

(Relato-Marcos): “-Unexpected appearance of Saint Bernadette in a moment of suffering. Dressed in white, with a veil descending from head to toe, a blue sash around her waist and a rosary in her hands, she said to me: "

St Bernadette

“- I, Bernadette, come today to console your hearts and tell you: trust! Persevere in prayer and do not be discouraged! Because you are in the times of the great tribulation, the difficulties are many, but all Heaven is with you. I am with you always and remember: nothing is lost! Everything can still be changed and achieved by fervent prayer. Therefore, continue with all your prayers, for the Lord allows himself to be moved by insistent and persevering prayer. To all today I hug and cover with light. Peace be with you!”

(Report-Marcos): “- Then he spoke privately to me, blessed me and disappeared.”

Jacareí, January 18, 2006

(Report-Marcos): “-At the appointed time, the Holy Angel of Peace came. He was beautiful and sweet. He looked at me kindly, and smiling, ordered me to write: "

Angel of Peace

“-I, Angel of Peace, am with you always. I keep you always with My light and My shield. Continue to pray and trust in the Lord who can do everything, because everything was made by Him. Your prayers are always heard by the Lord and He provides the most appropriate grace for everything. I am always with you and I pray for your intentions always. Trust is never wrong!”

Jacareí, January 19, 2006

(Relato-Marcos): “-The Holy Spirit appeared to me as on other days. He dictated this Message to me: "

Divine Holy Spirit

“-I, the Lord, breathe My life-giving breath over the entire earth, and for 180 years, through the frequent Apparitions of My Beloved Spouse Mary, I reveal My desires and precepts to all souls of good will. Through the mouths of the little ones, the children, the poor and the pure in heart, I teach My laws of love, I reveal My holy will and I lead all good souls to true love and salvation. This is exactly what I did with the little shepherds of Fatima, those of La Salette, with Bernadette of Lourdes, with the children of Heroldsbach, Heede, with Juan Diego, with you, Marcos, and with all our seer messengers. Yes, My child, I, your God, perform these wonders throughout the world and will still perform them, to prepare the way for the return of the Word and for My second historic descent. Here, in this favorite place of mine (note: the Sanctuary of the Apparitions of Jacareí), I performed portents of unparalleled graces in favor of all My servants and I placed a fire here that will never go out. And it is this divine fire that you must bring to others through the dissemination of these words, so that this fire may spread from heart to heart until it takes over the whole world. Continue with all the prayers given to you here. I leave you peace. stay in My peace. May the God of Love bless you.” stay in My peace. May the God of Love bless you.” stay in My peace. May the God of Love bless you.”

(Report-Marcos): “- Then he spoke privately to me, blessed me and disappeared.”

Jacareí, January 20, 2006

(Relato-Marcos): “-The Lord Jesus appeared to me at the usual time. He said to me: "

Our Lord Jesus Christ

“-Mark, My favorite son, this is what I want you to write: My Sacred Heart is full of love for you, My children, but how little you respond to this love! The greatest love there is is Mine for you, and yet you do not respond to this love. Most Catholics betray Me like Judas, offending My Heart with their bad way of life and their disobedience to My words. Yes, Satan's smoke has already entered everything and everything has already been obscured. See how many are fascinated by errors today, and how most people follow these errors with delight! Yes, these errors have entered and are widely propagated among Catholics, the church, and most embrace them with gusto. Therefore, the beauty of the Catholic faith is increasingly blurred and disfigured, causing an ever greater number of souls to be lost forever. See also how devotion to My Heart is neglected and devotion to My Most Holy Mother is increasingly fought, depreciated and diminished, in order to make My Mother come down from the place where I placed Her, to place Her in an erased point and diminutive form of the Catholic faith, if not, in a completely non-existent point. This and other factors cause more and more the smoke of apostasy to spread and dominate all things. How great is the pain of My Heart and how deep is My sadness! But if My Heart is wounded by some, by others it is comforted! Yes, My Heart is comforted by the poor, by the simple, by the pure in heart who listen to My Voice, that of My Mother in all the Messages and fulfill everything that We desire! The rich, the learned, the wise, the great of this world do not listen to Our Voice, but in the hearts of the poor, it falls and is lovingly guarded, producing love and fruits of holiness. That is why I have called you, My little ones, to be part of My victorious phalanx, which will crush the head of the enemy, who thinks he is invincible; with your faith, prayer and obedience to Our Messages, he, the enemy, will be annihilated. Therefore, have confidence in My Sacred Heart and do everything We tell you and the victory will be logically certain. I bless you all today with love.” have confidence in My Sacred Heart and do everything We tell you and the victory will be logically certain. I bless you all today with love.” have confidence in My Sacred Heart and do everything We tell you and the victory will be logically certain. I bless you all today with love.”

(Report-Marcos): “- Then he spoke privately to me, blessed me and disappeared.”

Jacareí, January 21, 2006

(Report-Marcos): “-Today, the Holy Spirit appeared to me. He looked at Me with predilection and affection. He said to me: "

Divine Holy Spirit

“-I, the Divine Spirit, the Thrice Holy, continue to cast upon the earth the intense rays of My Grace. I am the same yesterday and today, and I will be the same tomorrow. I am the one who worked wonders in the first apostles and disciples of the Son, of Jesus the Word, and I continue to work today, with the same profusion and mercy of that time. All those who deny that I work today and that I descend on My creation are wrong. I continue to descend on all those who believe in Me and sincerely invoke Me through Mary. I, who performed so many signs in the time of the apostles, continue to perform the same signs today, in the places of the Apparitions of My beloved Spouse. Yes, every manifestation of Her is made by Her Immaculate Heart united with Me, and We work together for the conversion and salvation of souls. I work with Mary and it is with her, and only with her, that I will work until the end of the world. To say that I do not work wonders in the Apparitions of Mary is the same as saying and teaching that I do not exist and do not work in My own creation. Take care not to commit the sin of blasphemy and denial of My Works of Grace operated in the Apparitions of Mary, for this sin will not be forgiven, either in this life or in the next life. I, the Lord, live, and I will make alive all who come to Me and carry the sign of the Mother of God in their souls.”

(Report-Marcos): “- Then he blessed me, spoke privately to me and disappeared.”.

Jacareí, January 22, 2006

(Report-Marcos): “-Apparition of the Mother of God with Saint Joseph and the Sacred Heart of Jesus. She dictated this Message to me: “

Mary Most Holy

“-I am the Virgin of Love and Revelation! My mission is to lead them to perfect love and a perfect understanding of God's will, the divine word, and the events that await them. Above all, My mission is to form them more and more in total docility of heart and will, so that all the Lord's plans are fully accomplished. That is why I have multiplied the Messages so much in so many parts of the earth, especially here, for I am the true Mother and Teacher of all My children. Every day, I wish you all to be more docile to My voice and to everything I reveal to you in My Messages. Don't keep looking for other confirmations here and there, but let yourself be guided completely by Me through the Messages that I have transmitted here. If you want to prove to yourself and to the world the truth of what I say, obey and do everything I have revealed and asked you, for only then will My maternal design be clear to

everyone. Keep and obey everything I have told you. Today I bless you all from Lourdes, Heede and Jacareí.”

(Report-Marcos): “- Then he spoke privately to me, blessed me and disappeared.”

Jacareí, January 24, 2006

(Relato-Marcos): “-The Lord Jesus appeared to me at the usual time. He said to me: "

Our Lord Jesus Christ

"-Mark, just as no one goes to the Eternal Father except through My Sacred Heart, no one comes to Me except through the Immaculate Heart of Mary! This is sublime!”

(Report-Marcos): “- Then he spoke privately to me, blessed me and disappeared.”

Jacareí, January 25, 2006

(Report-Marcos): “-Today, the Mother of God appeared to me. She looked at me with predilection and affection. She said to me: “

Mary Most Holy

“-I am the Immaculate Conception! Just as no one comes to the Eternal Father and the Heart of Jesus without Me, so also no one comes to Me without the Heart of Joseph. Without Joseph, it is impossible to reach Me, and without Me, it is impossible to reach Jesus and the Eternal Father. Blessed is the soul that believes and loves this truth!”

(Report-Marcos): “- Then he blessed me, spoke privately to me and “disappeared. The Lady looked very majestic on this day.

Jacareí, January 26, 2006

(Report-Marcos): “-Apparition of the Holy Spirit. The Lord appeared to me in the same way as the other times and said to me: "

Divine Holy Spirit

“-I am the Light and Life of all My creatures. I am the source of life, peace and happiness. Whoever comes to Me through Mary and invokes Me through Her, I will receive him and introduce him into the bosom of the Light and My love. I am among you, but you do not recognize Me. Yes, you do not recognize Me because you do not want to recognize Me in the Apparitions of My Most Holy Spouse. I am the Eternal pilgrim who passes through the world with Mary, and men do not want to recognize Us. Yes, men seek Me here and there, and where I truly am, they do not seek Me. They cannot accept that I am present in simple places, without human approvals and without earthly honors. Their rationalism has blinded them and they cannot see Me! Therefore, whoever wants to find Me, he must first prostrate himself at Mary's feet and beg her to allow him to see Me, that is, to perceive Me in the places of the Apparitions of Mary, so that he can find Me and know Me. This is what I desire. Without that first step, all others on the path of conversion and sanctification are useless.”

(Report-Marcos): “-Then it disappeared.”

Jacareí, January 27, 2006

(Report-Marcos): “-Apparition of the Holy Spirit. The Lord said to me: “

Divine Holy Spirit

“-I, your God, come from above to tell you: it is Mary who can only bring you closer to Me and make Me favorable to you. I am a saint, and therefore, saints must also be all those who wish to live by my side. The world does not know Me, and so it languishes in the darkness of evil and sin more and more. The world refuses to recognize My presence in the Apparitions of My Spouse Mary, and for this reason, it has already lost My Grace a long time ago, and darkness, seeing the absence of light, dominated and enveloped everything. Men sin against Me by refusing to recognize My presence in the Apparitions of Mary and to recognize that they come from Me and are produced by Me. Both those who believe and are Catholics and those who are not, sin mortally against Me by refusing to see the truth and give Me glory for it. That's why the announced punishment will come, for every day I am covered more and more with offenses and ingratitude. There must be souls who console me and repair these offenses of humanity, otherwise the forces of darkness and punishment will continue to advance on you. Blessed is the soul that, having eyes, sees the greatness of My Work in the Apparitions of My Spouse Mary and glorifies Me above the mountains and roofs, that is, without fear before men.”

(Report-Marcos): “- Then, he gave me particular directions, blessed me and disappeared.”

Jacareí, February 5, 2006

(Report-Marcos): “Today, the Lord Jesus Christ appeared to me. He looked at me with affection and predilection. Shining brighter than the sun, he said to me: "

Our Lord Jesus Christ

“-Dear children, know that My Most Holy Mother is the one who stops the punishments that should have hit the world a long time ago. She suffers withholding the punishments, and I can no longer see My Most Holy Mother suffering like this. We search all over the world for souls who have a pure love for Our Hearts; that they have a pure and upright faith; but we didn't find it. This is the cause of Our great sadness! If there were souls with pure love, with pure faith, Our Hearts would not suffer so much and we would be able to carry out Our designs more quickly on earth. Those who say they believe in the Apparitions of Lourdes and Fatima and therefore it is enough and they do not need to believe in the current Apparitions are false devotees of My Mother and do not love Her. She is the same and therefore their guilt remains and only increases each day. If they had lived in the time of Bernadette and the Little Shepherds of Fatima, seeing them poor, destitute of everything and with the church and society against them, they would not have believed them either. Therefore, I invite you to pray a lot so that I can purify your hearts, because only pure hearts can recognize Me with My Mother in the Apparitions. I bless you all today with love.”

(Marcos-Report): “- Then, he gave me particular directions, blessed me and disappeared. The Lord had a very sad look during this Apparition.”

Jacareí, February 10, 2006
Feast of the birth of Saint Joseph

(Relato-Marcos): “-Today, Saint Joseph appeared with Our Lord and Holy Mary, dressed in white. He gave the following Message: "

Saint Joseph

“Thank you to everyone who came to My party. I bless you all. I ask you to re-read and re-listen to all the Messages that We have already given you here. Your weakness is very great, and those who do not reread the Messages

for at least 20 minutes a day will not be able to persevere to the end. Each Message is eternal in its essence and the light it contains is never gone. Long live all the Messages. Continue with My Hour on Sundays. Upon those who do it faithfully, full indulgence descends today. Today, I promise to cover families who are faithful to Me in My Hour of prayer. My Most Loving Heart has never expanded so much as here, in this holy place. This is My favorite place. Here, I will perform the greatest wonders of grace within souls. Peace. I bless you all today.`

(Report-Marcos): “-Then they spoke to me, blessed me and left.”

Jacareí, February 11, 2006

(Report-Marcos): “-Apparition of the Lord Jesus. The Lord appeared to me as before and said to me: "

Our Lord Jesus Christ

“-Mark, write that I did not become incarnate only to redeem the human race, but also to become a son of Mary. Yes, I loved her so much that I wanted to become her Child and be in her arms! And She, on the other hand, loved Me so much that she came to possess Me as Her Son. Yes, Mary, My Mother, loved God so much that she became His Mother, and I then came down from Heaven to give Myself completely to Her. As the master does, so must the disciple. If I gave Myself and loved My Mother Mary so much, so must all My true disciples. Whoever is My true disciple imitates Me in My love for Mary, and whoever is not, cannot bear having to love and exalt Her as I did. Transmit all this to all my servants.”

(Mark): “-Lord, there will never be a love as great as Yours for Your Most Holy Mother!”

Our Lord Jesus Christ

“-I want you to have a love like that for Her, because it is the only way to please Me.”

(Report-Marcos): Then he blessed me and disappeared.”

Jacareí, March 5, 2006

(Marcos Report) “-The Three Sacred Hearts appeared together, Our Lord, Holy Mary and Saint Joseph dressed in soft purple. They spoke to me privately and the Message to the world was given by the Sacred Heart of Jesus. The

Lord Jesus said:

Our Lord Jesus Christ

“-Whoever honors the Sorrows of my Most Holy Mother will be raised by Me to a high degree of holiness, and he will even become the joy of My Heart. I will make you the favored target of my kindness, bestowing on you the mercies of my indulgent Heart. Convert yourselves children, for I will send my fire on the earth and woe to him who finds it dry as straw, this fire will burn you inside showing you all your life, and all the times you have offended Me your God, all the time you spent without me will be shown to you, and the inner impact will be so great that many will die when contemplating the greatness of their own ugliness. Then will come the fire that will burn the outside of all those who did not want to become the first fire.”

(Report-Marco:)“For those who don't know, ugliness is the ugliness that sin produces in the soul, it is the ugliness that evil provokes in the soul, that disobedience to God and the Holy Mary provokes in the soul, it is the ugliness that the distance from God provokes. in the soul itself. So, therefore, there will be two different times, first an interior fire will descend, a spiritual fire over the whole earth that will make us see our whole life as in a movie, we will see all the time that we live far from God, all our disobedience, all the offenses, all the hurts that we caused God and his Mother.

And for some and in some it will provoke a feeling of terror, of remorse so strong that they will die when they contemplate how ugly their soul was, how unhappy it was, that is, without sanctifying grace. Many will convert after going through this experience, so to speak, many will become better, many will convert, many will become good and better for God and their Mother, but many will not convert, and then the second fire will come, but the second fire will no longer be interior, it will be an exterior fire, a real fire that burns the flesh, that burns the body, this fire will devour all those who did not want to become the first fire, despite having felt the first fire. fire, even though they had felt the warning, seen their whole life, even though God showed them in a supernatural light,

Let each one of us prepare ourselves every day, prepare yourselves, fight to convert, make an effort, and above all that on no day we forget the Sorrows of our Blessed Mother, as She said it here, she said it in Kibeho, and in other places also of her Apparitions, that devotion to her Sorrows and her Tears is the greatest and the best way to achieve true contrition of heart, repentance of sins and sincere and lasting conversion.”
Jacareí, March 28, 2006
Angel Saint Oniel

" - Marcos, I, Oniel, come to say once again; great is the sin of the world. the places of the Apparitions and Manifestations of the Mother of God are

numerous but they are empty and they don't want to know of nothing, these men of today. For whatever reason they stop going to pray in these favorite places of the Mother of God, and they are not saddened by it. For their interests and entertainment they are always ready and willing to do anything, but for the Mother of God and her Apparitions are never. That is why fire will fall from Heaven, and will devour this ungrateful and evil world, and no one will be able to apologize. The Mother of God suffers and cries with sadness to see this world indifferent to her love. The Lord will punish unprecedentedly."

Jacareí, March 29, 2006
Our Lord Jesus Christ

"-Joseph is my living mercy for the sinners of this earth. Whoever looks at Joseph with love will be saved. The Heart of Joseph is the door of Heaven, and whoever enters through it will reach me. world of original sin, but also to be the son of Joseph, my beloved servant. He possessed so many virtues and in such a high degree that he so attracted me to him, that I became his son."

(Mark-Report): “-Jesus smiled beautifully when he said that. "

Our Lord Jesus Christ

" - Oh, how pleased I am to grant everything to souls through Joseph, My beloved Father. My Eternal Father is pleased that souls receive everything from My hands through Joseph, united to My Mother. Mark, great is the love that my Father Joseph has for you, of which I asked them to obtain everything from Him, if according to My will. Whatever you ask Him to destroy, He will destroy, whatever you ask Him to bless, He will do it, for My Angel, turn to Him at every moment to ask for His protection and support. In Joseph are all the treasures of My mercy, through Joseph My Sacred Heart will finally reign on earth.

(Report-Mark): "-The Lord he had a majestic countenance that day, even smiling when he said these wonders of Saint Joseph. Jesus was in white.”

Jacarei, March 30, 2006
Our Lord Jesus Christ and Two Angels

(Marco Report) “-Today Jesus came surrounded by two Angels, they were dressed in white and Jesus held in his hands a luminous blue scepter, smiling, he said to me:

He would not have left us as the Apostles did. Mark, this is why I do not deny anything that is asked of me through Joseph. This is why those who do His Hour with love will surely be saved.

To José I can deny nothing, nothing. My Sacred Heart will reign on earth through Joseph, when this devotion reserved for these Apparitions has established itself on earth, then the arrival of my Kingdom will be near. Peace, My Angel Marcos."

Report-Marcos: "- Then he blessed me, spoke privately to me, and disappeared."

Jacareí, March 31, 2006

Marcos-Report: “-Holy Mary gave a big message, most of it to me, there was only one part that She told me to say to the people, and that part was this:”

Holy Mary

"-Tell My children to be alert, because Satan is on the lookout for them to lead them to perdition through the things of this world. Pray the 'AUGUSTA QUEEN' prayer a lot, because this current generation desperately needs it. overly involved with the things of the world will end up getting lost in them. This time of Mercy is unique and will not return after it is over."

Jacareí, April 02, 2006
Our Lord Jesus Christ

"- My Angel, write that my love for men has led me to suffer for them in such a way that they cannot plead anything not to believe that I love them, and that I am goodness and mercy. men that I make known to you. When they locked me in the dungeon, heated a red-hot iron, and branded my back with it. The pain I felt made me almost faint. Drops of sweat bathed my whole body, My vision darkened My legs became weak... My Mother saw everything through a supernatural vision, and her Tears of Blood pierced My soul like a spear. Later, when the Scourging, that part of burned flesh from my back was torn away by the blows from the executioners, that Pain that My Mother and I felt was so great that no mind will ever be able to understand it all.Blessed is the soul that honors this great Pain of ours, for We will quench the flames of Purgatory for her, and deliver her from the flames of Hell."

Jacareí, April 03, 2006
São José

" - My Heart is the source of peace for this world without peace. For the soul

that wants to please the Most High perfectly, I offer the effective and the only right way.

True consecration and devotion to my Most Loving Heart, to have it, three things are necessary:

- First: surrender yourself completely to me and let yourself be guided by me docilely.

- Second: Imitate My virtues and promptly obey my Messages.

- Third: Pray My Time and often contemplate My Most Loving Heart.

If the soul does this, I can lead it to the perfect glorification of the Lord and true life in God. I am ready to take all who want to give themselves to Me to elevate them to greater heights. height of the interior life in God."

Jacareí, April 04, 2006
São José

"- My most loving Heart seeks true children and devotees in the world. to be a true child of mine, you must give yourself completely to me without reservations, without questions and without considering where I take your soul and what I desire from it. to be a true my son, we must stop calculating, that is, pondering how much I have asked or will ask from the soul that has given itself to me. different from mine because only then will I be able to start my work of molding the soul that wants to be mine. Just as a sculptor cannot carve wood before it has been treated, so I cannot work on souls unprepared for my paternal action. , to the self of each one so that I can do my work in their souls.To everyone especially you Marcos, today I bless you."

Jacareí, April 5, 2006
Angel São Marani

"- I am Angel Marani. I come to say that the Rosary of the Immaculate Conception can save many souls and attract Peace to the world. Before starting it, make eight signs of the Holy Cross in honor of the Immaculate Conception of the Mother of God.

True devotion to Saint Joseph is the great lifeline for the men of this time and the supernatural ladder for them to easily ascend to Heaven. To have it, it is necessary to offer all the merits of the good works practiced by the soul aspiring to the daughter of Saint Joseph in the hands of this good father. When the soul offers all its good works in his hands, it is offering great help in the salvation of the world and of the very soul that it offers, because Saint Joseph

will apply these merits in the best possible way. He who is the steward of the Lord's treasures will apply the merits of the soul that consecrate himself to him with the same wisdom with which he administered the life of the Lord's greatest treasures. JESUS AND MARY."

Jacareí, April 6, 2006
Our Lady

"- I know that you are preparing Holy Week to spend those days consoling My Son and I. I will reward you for all the annoyances you have for this.

The Heart of Saint Joseph is the most effective devotion to reach true devotion to My Heart and to the Heart of Jesus. It is therefore necessary to detach oneself from everything, that is, to leave everything to find everything. It is necessary to entrust everything to Him and surrender everything to Him. This devotion will prepare the world for the second Pentecost."

Jacareí, April 07, 2006
Our Lady

“- My Heart anxiously awaits the second Pentecost and my triumph. Therefore, I will hasten even more this time of Peace that I so long for. You see how the days, the months and the years are passing quickly. I will further accelerate this phenomenon produced by me so that the Second Pentecost arrives faster. Continue to pray all the prayers I have given you here. My Heart is the only bridge that leads you to God. Enter into Him therefore. The sins of the world have crossed all limits and God will punish suddenly without warning. Convert now before it's too late. Tornadoes and floods will continue and increase even more because they do not obey my Messages. Diseases have spread throughout the world and many will perish. Only prayer and obedience to my words can save them. The eternal father has placed me so deeply within the trinitarian mystery that among the divine people nothing is done without me. See you soon, my beloved angel. Peace!"

Jacareí, April 9, 2006
Our Lady

“- My son, I am going to reveal to you one more of my pains unknown to men. When we arrived at Calvary, the soldiers crucified the thieves and My Divine Son. The evil ones then considered tying a heavy stone to my son to make his agony on the cross even more difficult. They did this great cruelty to My Son. Knowing this by the Divine Light, I decided to intervene to alleviate at least this torment to my divine son. So I prayed to the eternal father and he heard me. The soldiers left the stone tied to My Jesus for just a little while, and then Longinus, one of them, took it off. The Pain I felt was so great that it would

be possible to fill all the seas of the Earth with it. Blessed is the soul that remembers her, for I will accompany her on her journey to eternity."

Jacareí, April 10, 2006
Our Lady

"-When I said that the Eternal Father placed me so deeply in the trinitarian mystery that among the divine people nothing is done without me, it means that in everything the Three Persons think, feel or wish to do me they science and participation. In everything they want to do in the world, they give me a share and want my consent. In everything they think, in everything they feel and decide, they give me knowledge and want my loving participation".

Jacareí, April 11, 2006

(Marcos Report) "– Today Holy Mary appeared with a purple tunic, black cloak and a sword stuck in her chest. Shedding tears she said with great sadness: "

Our Lady

"-My Son tell the world that he must live everything I said in 'San Damiano'. For decades I have been waiting for the fulfillment of the Messages I gave there. What I said there and what I say here must be fulfilled to the letter. Difficult times will come for humanity. Men will feel suffocated at a given moment and many will perish at once. In that dreadful hour they must pass the water of my miraculous spring on their faces and they will be saved. Those who carry my gray peace scapular and my peace medal will not be harassed by evil spirits. Keep praying my Rosary meditated from here as it is the best ever made. In it I myself lead prayer and speak to men. My son, great is the man who speaks of God to men. Greater still is he who speaks and prays to God. But he who makes men hear his word and mine and speak to God at the same time, this is a perfect man. Keep doing my meditated rosaries, my son, because in addition to consoling my Son and me a lot, they will free many souls from slavery to Satan and will take these souls to Heaven. Rest in Peace, my son."

"-Dear children, the prophecies of La Salete will be fulfilled. The world will be in dismay. Brother will fight brother. Men will bang their heads on walls looking for death, such will be the suffering. Only great obedience to the Messages of the Mother of God will be able to change the destiny of humanity. Only spiritual discipline can produce perfect obedience to the Messages."

“–Marcos, write this and then announce it to the whole world. To grow in true devotion to me, it is necessary to act for me, with me and in me, that is, in everything that is done, do it with me and in complete dependence on me. It is necessary to invite me to act together with the soul and to carry out everything in my spirit according to my good pleasure and my will. Then you have to see if what you want to do is according to God's will and for His glory. As well as if it is according to my holiness and what I am. Then carry out all the tasks trying to imitate the same solicitude with which I carried out mine with love and total trust in myself leaving everything in my hands. The acts themselves, their success, the application of the merits of good works according to my good pleasure. Finally, always offer good works through me to the Most High, so that they will gain in value. Without fulfilling these conditions it is impossible to grow in true devotion to me.”

“- Marcos, I come to say that the Mother of God wants her sacred face revealed here, to be even more venerated by all. Therefore, the second Saturday of each month must be dedicated to a particular veneration of this heavenly face. The Mother of God appears to you for so many years and even in the first few years she gave you and the world her holy merciful face as an extraordinary gift of her Immaculate Heart in these recent times. Blessed One, behold, you must now cause all souls to see this heavenly face, for the souls who worship it will feel the desire to love it and make amends by living a holy life. In these times of sin and evil, a divine remedy is needed to stop the wave of evil that advances over the world and this remedy is this face of the Mother of God in whose face souls will find their own sweetness, Goodness, Pity, Peace and Mercy of the Most High. Favorite is your reward. Forward! Peace, Mark.”

"- I am the mother of God and I can give as much as I want, as I want and to whomever I want my grace, I promise that everyone who serves me all their lives praying my Rosary will have death the presence of São Miguel, São Rafael and São Gabriel together with many angels who will bring their soul to me and in the private judgment all of them together with me will place these

Rosaries before the Lord in the balance of justice in favor of the soul that prayed it. That soul will also have the defense of My Saints, especially Saint Dominic and Alano de La Roche."

“My Heart is going in search of poor sinners to introduce them into the Banquet Room of the Kingdom of Heaven. More than the father of the prodigal son, I have loved you. Not waiting for you, but going out after you to rescue you and take you home. Can anyone love Thee as I do? In these times, My Mother, My Father Joseph, and I, have seen your relentless search and in every way we are trying to save you, but this world, which has ceaselessly rejected all Our Messages, will already know the time of his overwhelming martyrdom, because this disobedience of the world has no justification before My FATHER. Quickly, my son, read all Our Messages again, pray the Meditated Rosary and the prayers that We have given You, because the Punishment will come like a thief and like death, suddenly... I love you, and I say to you,

Peace, my Marcos... Peace, my son...”

“-Poor people on earth. The Holy Angels will pour out the bowls of punishment on Earth and no one will be able to escape so many evils. Poor humanity that said no to my calls. She herself seals her doom. poor humanity that rebel despised my Messages because it will produce its self-destruction. My heart aches for being rejected by my children. Did I deserve to be treated like this?”

Our Lady

“- My children... remember that My Son Jesus said to you: Come to me all who are burdened and downcast and I will give you rest. Now who can be more burdened than the sinful soul, full of sins and daily offenses against his God. However, what My son said was not a mere invitation but a command. And the same I repeat now: Come, all you sin-laden sinners. Come to us through many supplications, rosaries and prayers and my son and I will give you rest and relief from forgiveness, peace and divine friendship. And what I tell you is not a mere invitation but an order. Prayer can do everything. It can convert the sinner enemy of God into his sincere friend. Prayer is

all-powerful because, being one, it reaches all things.”

(Report-Marcos) “-Today, the Divine Holy Spirit appeared to me as before. With kindness and love, he said to me: "

Divine Holy Spirit

“-Today, I come to grant one more wonder of My excessive love for men: My Hour!... THE HOUR OF THE HOLY SPIRIT! I want it done every Monday at nine o'clock at night. It should begin with ten minutes of contemplation of My Person, followed by My Rosary, reading a Message from Me, reflection, consecration to Me and, finally, a song in My Honor. I promise that I will be present wherever it is made, pouring out My light and grace abundantly. Elected! Here is your new mission from now on! This is another grace that I bestow on you and on this place for the predilection I have for you and for him, and also for the excessive love of My dear Mary and My beloved Joseph for you. Peace!"

First Appearance of the Angel Melin

“-Mark, I am the Angel Melin! I come to say that true devotion to Saint Joseph is full and of total surrender, that is, it makes the soul surrender and live completely dependent on Saint Joseph, always seeking in Him the grace to be faithful to the Lord and in everything waiting for Him the supernatural light of Divine Providence; it makes the soul trust in Saint Joseph and not in itself to persevere to the end; it makes the soul distrust itself and ceaselessly ask for the grace of Saint Joseph to be faithful to the Lord and the Mother of God; it causes the soul to become totally dependent on this kind Father to advance in conversion and salvation. São José

“- My children, I, Joseph, once again today I invite you to conversion. Convert! because your time is running out. Your days and your hours are already numbered. Heaven can no longer tolerate the great sin of humanity's disobedience to our Messages given in so many places, and in so many countries on earth to so many seers. If you do not convert, if you do not obey our Messages, if you do not follow the path of holiness to which we invite you, a great punishment will befall you without warning and suddenly. If this punishment comes, it will be far worse than being cut in half by fire. If the

punishment comes, two thirds of humanity will be destroyed and most of these souls will go to hell. If they do not do penance, if they do not sincerely weep over their sins and offenses against God, if they do not sincerely weep for the offenses and sorrows they have caused to the heart of the Mother of God, Jesus will let the arm of his Justice fall upon the world. After so many years of continuous Messages in Medjugorje, in Olivetro Titra, here... in so many other places, in El Escorial, in Bayside, in San Damiano, the world has not heard our Messages and that is why the Punishment will descend. He will descend on this world to cleanse it of all the offenses that it has committed against God Our Lord and His Mother. My Most Loving Heart, intercede for you all my children, but if you don't pray, if you don't make my time, if you don't make the SEVENTH, THIRTEEN the Rosary meditated, if you don't make the hour of peace, if you don't make the hour of Holy Spirit, the mercy of God will depart from you and the most painful and terrible punishments will approach. Let no one say how many things have already been foretold to us and have not happened. Because of the justice of God, of the Pain of God and of the Mother of God no one will ever mock and go unpunished. Punishments will come when least expected. No warnings. No alerts. Woe to those souls who, in addition to doing nothing to appease the divine wrath and obtain mercy, and who still say: "... its ugly ingratitude, with its ugly mockery. For all these sins the Eternal Father will punish. He didn't want to do it but humanity itself demanded it and there is no other way. You my children, who obey our Messages and who have faith in them, persevere. Do not be discouraged, remain faithful and firm. Your deliverance is near. Peace is near. be persevering, be faithful. You will be saved in the measure of your faithfulness and in the measure of your love, your perseverance and your obedience to our Messages. He who says Lord, Lord... but does not obey our Messages, will not enter the kingdom of Heaven. He will not enter. He who says to me: Saint Joseph, Saint Joseph, but he does not make my prayer time, does not obey my Messages, will not enter the kingdom of Heaven. He will not receive the crown of eternal reward. Therefore, if you want to be saved, be truly obedient to us and sincerely love us. To everyone today I leave my blessing and my peace." Saint Joseph, Saint Joseph, but he doesn't make my prayer time, he doesn't obey my messages, he won't enter the kingdom of heaven. You will not receive the crown of eternal prize. Therefore, if you want to be saved, be truly obedient to us and sincerely love us. To everyone today I leave my blessing and my peace." Saint Joseph, Saint Joseph, but he doesn't make my prayer time, he doesn't obey my messages, he won't enter the kingdom of heaven. You will not receive the crown of eternal prize. Holy Mary

"– I am the Mystical Rose of the Holy Spirit. I am the Lady of the Apparitions of Jacareí. I want you to continue to pray all the prayers I have given you here and to do everything I have told you. My Sorrowful and Immaculate Heart must be more loved and known because it is through it that the Holy Spirit will descend upon the world. Yes, true devotion to My Sorrowful and Immaculate

Heart consists in ardent charity towards him, that is, not offending or hurting him and seeking in everything to obey him for his greatest joy and satisfaction. When the soul has this perfect charity, My Heart is consoled and the Holy Spirit rejoices, descending then on that soul to elevate and deify it. My Heart wants to find souls that have true charity towards Him, but it doesn't. If there were but pure charity for Him, what wonders would the Holy Spirit not do. Today I bless you all from Montichiari, Fátima and Jacareí."

Jacareí, June 17, 2006
Divino Espírito Santo

"- I am the elixir of Life. Everything that exists originates in Me and must return to Me. In Mary I find My full consolation and My full joy. Only through Mary will you be able to serve me with the perfect love and righteousness that I desire. Outside of Mary there is no Grace, Light or Mercy of Mine for souls. Yes, Marcos is right to say that I Am Love in operation. I am what you say. I am Love. I will live forever and always act and operate in my creation through Mary. Mary was created not only to generate the word but for God to console himself in her by giving himself entirely to her. Mary is my home. Whoever wants to find me, look for Mary and he will find me living in her."

Jacarei, June 18, 2006
Our Lord Jesus Christ

"- Blessed is the soul that praises My Blessed Mother wearing the Holy Medal of Peace. Blessed is the soul that keeps the days of My Most Holy Mother because she will always be her peace and protection. Blessed is the soul that honors the images of my Mother, for she will be honored one day before my angels in Heaven. Blessed is the soul that exalts and blesses Mary, My Mother, for she will receive My Mercy from Me and will be happy in Paradise. Blessed is the city that honors My Mother with the bells at the Hour of the Angelus every day because it will have peace and constant protection. Blessed is the city that obeys the Messages of My Most Holy Mother for She will find Mercy for that city before me on the day of judgment. My Heart will fulfill all these blessings to the true children of My Mother who are My true followers.

Anniversary of the Apparitions of Medjugorje

Our Lady

“-I AM THE LADY OF MEDJUGORJE, I AM THE LADY OF JACAREÍ, I AM THE LADY OF ALL THE PLACES OF MY APPARITIONS. I come to form a holy, spiritual, elevated, enlightened, faithful, courageous people, deep in the faith and, above all, made only out of love for MY LORD and ME. But where are the loving souls? Where are the strong souls filled with the spiritual strength I've been looking for? It is necessary that new souls filled with the HOLY SPIRIT arise, so that I can give a holy people to the LORD. For that, re-read, meditate and listen again to all My Messages. The faith of those who do not meditate on My Messages is a house built on sand, which will not withstand the fury of trials and temptations. I have been coming to MEDJUGORJE and HERE for so many years to help you on this path that will lead you to Heaven. Peace to all!"

Jacareí, June 27, 2006

(Report-Marcos) “-Today came São José. He was in white with a blue-gray robe, very sweet. He gave me this Message: "

Saint Joseph

“-I, Joseph, come once again to say that true devotion to Me makes the soul desire to go deeper and deeper into the ocean of My love and the knowledge of My person; it causes the soul to soar to the greatest heights of love and union with Me; it makes the soul increasingly hungry and thirsty to love Me and to give itself to Me. I Am Holy, and therefore, saints infallibly become all who come to Me. Just as a person warms up more and more as he approaches the fire, so also all those who approach Me and cooperate with My Grace are certainly sanctified, being malleable to My action. Let no one doubt My Mercy, because I am the only elevator that can make souls ascend and reach the Hearts of Jesus and Mary. My goodness embraces the whole world.”

(Report-Marcos): “-He then spoke to me, blessed me and disappeared.”

Jacareí, July 2, 2006

(Marcos Report) “- Today, Saint Joseph came, dressed in white with a gray-blue robe, Mary Most Holy in bluish-gray and white robe, and Our Lord in white with a red robe. Saint Joseph gave the following Message to the world:

Saint Joseph

“-Dear children, once again I ask you to reread My Messages, because it is the

only way for Me to feed your souls so that they do not die spiritually. I am with you always, and I want you to continue with all the prayers that We have given you here. Know that the punishments will fall suddenly while men will be only occupied with themselves and will not suspect anything. When they find themselves, it will be too late. There will be a country that will be destroyed by earthquakes and another by the sea. Serious diseases will arise and many will perish. I have recourse to My Heart which is the sun that the Lord has placed to give you light. Devotion to My Heart is the medicine that will heal the Catholic faith and the world in accelerated decay. Pray! Pray! Peace to all!"

(Report - Marcos): Then they spoke to me, blessed me and disappeared."

Jacareí, July 4, 2006

(Report-Marcos) "-Today, the Angel Senarye came. The Angel Senarye is blond and wore a white robe. His eyes are blue. He said to me: "Peace, Mark!" I replied: "

Angel Senarye

"Peace!" The Angel continued: "I am the Angel Senarye. I come to say that true devotion to Saint Joseph is the great sign of salvation in recent times. This devotion makes the soul imitate the virtues of Saint Joseph and do everything with Him, that is, everything seeks to do in union with Him, for the glory of Him and the Lord and for His joy. That's why, if she goes somewhere, she says: "I'm going with São José and for São José"; if he is going to do something, he says: "I'm going to do it with São José and for São José"; and in everything she invites Saint Joseph to join her in joy and pain, work and rest. Blessed is the soul that has this devotion and that it faithfully practices it, for its works will be highly meritorious and will give great glory to the Lord... The soul that practices it will become a fragrant flower that will adorn the throne of Saint Joseph forever in the Sky. Peace, Mark."

(Report-Marcos) “-He then spoke to me, blessed me and disappeared.”

Jacareí, July 6, 2006
(Report-Marcos) “-Today, Saint Joseph came, dressed in a white tunic and a blue mantle. He said to me: "

Saint Joseph

“-Mark, My favorite son, listen carefully to what I have to say to you and write: True devotion to Me is the remedy and cure for all the diseases and spiritual ills of these times. If anyone wants to get rid of vices and personal defects, let him turn to My Heart and he will find all the strength he needs to change. When I say 'recourse', I mean 'live the true devotion' to My Heart, already explained in these Apparitions of Jacareí. If this is done, the transformation will be easy and can be achieved by all who want it. True devotion to Me is the great spiritual strength for souls who want to be saved in these times of apostasy, loss of true faith and contempt for everything supernatural, and love of evil and sin. True devotion to Me is the great miracle of conversion for these evil times. hug her, and you will see how you yourselves will change so much that you will never be the same! True devotion to Me is the providential force of the Holy Trinity for the men of these times, it is the timely and appropriate grace for this extreme hour! With this devotion, souls will be able to love and desire the good and the virtues, and flee from evil and sin, deploring them. With it, souls will hate everything that offends and hurts the Lord and His Mother and will love everything that pleases Them! This is My Time! These are My times! My extraordinary action will now be manifested to everyone. I came to raise up and form great souls, that in holiness and love, console the Hearts of the Lord and His Mother and be the joy of the Holy Spirit. Mark, write all this down, for his own benefit and that of all My children, and announce it to all souls. Elected, peace!

(Report-Marcos) “-He then spoke to me, blessed me and disappeared.”

Jacareí, July 7, 2006

(Report-Marcos) “-Today, Our Lord, Holy Mary and Saint Joseph came. They looked at me with tenderness and kindness. What I feel right now is indescribable. After the initial greetings, Saint Joseph dictated the Message to the world:

Saint Joseph

“-My Heart wants ardent souls, souls that are not afraid to give their whole life for My glory and the salvation of those I want to sanctify. These souls must be filled with divine fire, and they must fill the earth with that fire until it burns whole in divine love. Today, in which another month of apparitions is completed, I call all souls to be these admirable souls in fidelity and obedience to the Lord. May all My Messages be re-read and obeyed urgently. May the apostles of the last times wake up and go forth to bring the Light of Heaven to this darkened world. Many souls can still be saved. Work, pray, walk, talk. You need to read the Messages until you get to the heart of them, into their spirit. My son, today I bless you with love, and I leave peace in your

heart. Favorite! Courage! Forward! Peace!"

(Report-Marcos) “-Then they spoke to me, blessed me and disappeared.”

Jacareí, July 8, 2006

(Marcos Report) “-Today, the Angel Celin appeared to me, through vision and inner locution. He is so beautiful! His blue eyes delighted me; her long blond hair shone; her white tunic with the name of Holy Mary written on her chest gave her a majestic and simply wonderful look. I could see him perfectly, life-size, and hear his voice as clearly as the ringing of a bell. He said to me: “

Angel Celin

“-Marcos, I am the Angel Celin. I am one of the Angels of Light of the Immaculate Heart of Mary. I come to say that true devotion to Saint Joseph makes the soul surrender everything to Saint Joseph, both its external and interior goods, so that even the merits of its prayers and good works the soul surrenders to Saint Joseph. , so that He can dispose of them and apply them the way Saint Joseph wants, wherever he wants and on whomever he wants. This devotion makes the soul, out of love for Saint Joseph, go beyond the limits of the 'I' itself, of self-love, to donate and surrender to Saint Joseph completely. In this way the fearful soul becomes courageous; the lazy become hardworking; the selfish and petty becomes generous; pride becomes humble; the rebel becomes docile; the tibia becomes fervent; the insensitive becomes loving towards Saint Joseph. This true devotion makes the soul place everything in the wise hands of Saint Joseph: his gifts, talents, aptitudes, intelligence, youth, work, his time, and sacrifice, if necessary, even his personal plans for the love of Saint Joseph. . Blessed is the soul who possesses this true devotion, who practices and knows how to preserve it, since it will reach a very high degree of holiness on earth, and finally, a very high degree of holiness in Heaven, among the Angels and Saints of God. Frames! Elected!Peace! I am always with you! (Marcos-Report) “-Then the Angel spoke to me, warned me that Holy Mary and Saint Joseph would come at 9:30 pm, and that I should wait for them. Afterwards, he blessed me and disappeared.”

Jacareí, July 8, 2006

(Report-Marcos) “-Later, at the announced time, Saint Joseph came with Mary Most Holy. Saint Joseph, dressed in white and with a gray-blue mantle, with the Blessed Virgin Mary beside him, dressed in a gray-blue tunic and white mantle, greeted me, and said to me: "

Saint Joseph

“-Mark, my love, I, Joseph, come once again to say to you: great are the designs of the Most High for you! You were entrusted with the great revelation of devotion to My Heart, which is the final part of the triple revelation of devotion to Our Three Hearts United in Love, Pain and Glory, which began with Margarida Maria Alacoque, continued with Luís Grignion de Montfort, with the Apparitions of Fatima, to Josefa Menendez, Berta Petit, Consolata Betrone, and now, finally, after Montichiari and Bonate, with these Apparitions of Jacareí, where We shed the most intense light in human history in this devotion to Our Hearts , this true devotion to Us will reach its fullest. You were chosen, Mark, to be the revealer of true devotion to Me, to My Heart, to the whole world, and to illuminate and resurrect devotion to the Heart of Jesus and Mary. You are in this unfathomable plan of the Most High and for this you were destined from the beginning of the world. My Heart loved you and chose you, and you answered 'yes', making it fully possible for Our loving plan to come true. So forward! My Most Loving Heart is with you and with everyone who is for you and is with you. This place, from the origin of the world chosen for this dignity, will be the place where Our Three United Hearts will emanate the mystical light that will transform the whole world and make it sing the hymn of perfect and perennial fidelity to the Holy Trinity. Our Hearts, in the same thrill and supernatural movement, will miraculously overturn the wicked thrones of this world and lift the thrones of Our Hearts into place. At the right time, this will happen and Satan will be left with nothing; Our Hearts will shine intensely and Satan will be blind and alone, because many who are now under his dominion will convert when they see Our Mystical light. Devotion to My Heart is a terror to Satan, as it is destined to snatch many souls from him and lead them back to the Lord. My Heart will triumph! Forward! Pray! Pray! Teach this devotion to everyone! Pray! To everyone, and to you in a special way, My child, I bless today with all My love. Peace!" since it is destined to snatch many souls from him and bring them back to the Lord. (Report-Marcos) “-Then they spoke to me in private, blessed me and disappeared.”

Jacareí, July 9, 2006

(Report-Marcos) “-The Three Sacred Hearts United came together. They looked at me lovingly. With great kindness, Saint Joseph gave the Message to the world today: “

Saint Joseph

"-Dear children, I, Joseph, once again come from Heaven to call you to true and sincere conversion. Look, My children, that some time ago the Blessed Virgin said that She would make the days go by faster, so that may the world arrive soon in the triumph of Her Immaculate Heart, because the Most High can no longer bear so much sin, so much evil, and so much indifference of men towards the Mother of God on earth. how the year is passing quickly; this is a sign for you all!... a sign that time is running out; a sign that the time for the conversion of the world is running out; and whoever does not convert; who does not become a saint , will not enter the Kingdom of God.

Humanity has rejected Our Messages, the Messages from Heaven, from Paris, La Salette, Lourdes, Fátima, even here, to those in Jacareí, and that is why the world is now covered with suffering and pain, with violence and nature's punishments; of disunity and coldness among men; of hatred and malice; of violence that erupts from all sides. Humanity has turned away from God, has rejected the Holy Faith and the Holy Law of God; wanted to shake the authority of God off of itself, and now, that's why the world is in the sad state it is in today. Only a great force of prayer, of obedience to the Messages, of spreading the Messages; only a great movement of prayer can save this humanity. If you don't do what I'm saying, two-thirds of humanity will perish, and with sacrifice a third of humanity will survive the punishments that are coming. My Heart trembles for what may fall on the world if you continue to refuse to listen to Our Voice. If you continue to disobey Our Messages, the punishment that will befall the world will be so great that it will astonish even the demons of hell, so terrible will it be. The flesh will come off the bones and many bodies will explode in the air. Fire will fall from Heaven and two-thirds of humanity will be burned. If they do not listen to Our Voice, men will reach a degree of evil so great that they will kill each other, in the streets and in the houses. the punishment that will befall the world will be so great that it will astonish even the demons of hell, so terrible will it be. The flesh will come off the bones and many bodies will explode in the air. Fire will fall from Heaven and two-thirds of humanity will be burned. If they do not listen to Our Voice, men will reach a degree of evil so great that they will kill each other, in the streets and in the houses. the punishment that will befall the world will be so great that it will astonish even the demons of hell, so terrible will it be. Our Voice, men will reach a degree of evil so great that they will kill each other, in the streets and in the houses.

Oh My children, why don't you wake up? O My children, why don't you pray? Why don't you do penance? Why don't you get to work for Our Hearts spreading Our Messages, and taking Our prayers to every family and everywhere? What are you waiting for? May you be the next to perish? What are you waiting to get started? Detach yourself from yourselves; let go of your own 'I', your own will; go out, walk, pray, speak, take Our Messages, before it's too late. There are many souls that can still be saved yes! Yea! It's not all lost! There are still hearts that will listen! You have to go to them... because if you don't, you will be guilty of their condemnation... Go forward My children! In front of! Time is short! Time is running out! And you're still parked in the same place, not obeying the Messages, failing to obey them; failing in prayer; failing to publicize; failing in faith and virtues; failing in everything... My children, arise! Convert! Transform! You can transform! You can convert if you turn to Our Hearts, if you obey Our Messages, if you live true devotion to Us! I am close to you to help you. I am your Father. Anyone who asks Me for My help will never, ever, ever be helpless! I need workers. I need apostles, who do all that I'm saying. If you do this, Our Hearts will triumph and the world will be converted, and the long-awaited peace will finally arrive. Forward! Continue with all Our prayers that We have given you here: with My Hour, with the Hour of Peace, with the Hour of the Holy Spirit, with TREZENA, with SETENA, and above all with the Meditated Holy Rosary that My favorite son Marcos makes, because this is the most perfect Rosary there is, the one that most consoles and fully satisfies us, and it is also the most powerful to save their souls. I bless you all today. Peace."

(Report-Marcos) “-Then they spoke to me, blessed me and disappeared.”

59th Anniversary of the Apparitions of Montichiari-Italy

(Our Lady, Pierina Gilli the seer of Rosa Mystica in Montchiari and Fontanelle 1944-1991 and Sister Amália, seer of Our Lady of Tears of Campinas appeared on this day , 1929-1932)

Most Holy Mary

“- These are the two handmaidens of My Tears. They came with me today to greet you and bless you who are the continuator of the devotion of My Holy Tears to the world and the Comforter of My Immaculate Heart.” (pause)

“-I am the Mystic Rose, I am the Mother of God, through these Apparitions here I continue and finish the work I began in Fatima and Montchiari. My Heart

has chosen this place and you, my son, and through THIRTEEN I am saving many souls who were under the dominion of Satan. I am particularly comforted today by the prayers, THIRTEEN and sacrifices you have made. I will carry out my great work of salvation through this place, spreading my mystical light to souls all over the world. Here, where I am most consoled and fully heard, I will perform the wonders of my Immaculate Heart, defeating Satan and producing my greatest victory. Forward. Pray. Continue with the prayers and with the THREENA. Defeat the enemy with the Rosary. Only through him, the Rosary, will peace come. I bless you all from Fátima Montchiari and Jacareí."

(Report-Marcos) "- Then Saint Pierina Gilli said to me: "

Pierina Gilli

"-Marcos, I am Pierina Gilli and I am your protector. I also protect all the pilgrims of this Sanctuary and all those who spread the Messages of the Mother of God. I pray constantly in this Chapel for all the people who come here and who spread the Messages of the Mother of God. Marcos, remain faithful to the Mother of God and never give up. I am with you, always and I will never leave you. I will always be by your side, always! Peace, Mark!"

(Marcos report) "Next, Pierina opened her arms in a gesture of welcome and protection for me. At the beginning of the Apparition, I asked the Mother of God who that other luminous young woman on Her left side was, for The one on the right, Pierina Gilli, I already knew. The Virgin herself sent me to ask the luminous young woman; I did, and she replied: "

Amália Aguirre

"I am Amália Aguirre, the seer Messenger of the Lady of Tears." After the Messages from Mary Most Holy and Pierina, Santa Amália said to me: "Marcos, you were chosen by the Mother of God to continue to spread the Messages that the Lady of Tears communicated to me. What I could not do, because I was so hindered, you must do now. Men hindered me in every way, and I, though I very much wanted to, could not make the Messages known. You must now make the devotion to Our Lady of Tears known to everyone, and for that, you must have the image of the Lady of Tears made, as it appeared to Me, and also the Medal of the Lady of Tears with Jesus Bound, and disseminate everything along with Messages. The image of Our Lady of Tears must be placed here in the Chapel, so that she may be venerated by all. Frames, if you spread the Messages of the Lady of Tears with the Medal and the Image, great conversion graces will happen! In front of! Elected, forward! I will always be with you! Ever! Peace!" Then Pierina Gilli said to me: "- Marcos, the time has come for you to have the Medal of the Lady Rosa Mystica and the Green Holy Scapular made, so that the extraordinary action of the Mother of God spreads more quickly on earth. , and Her design of salvation be accomplished. Elected! Peace! I am and will always be with you!" the time has come when you must order the Medal of the Lady Rosa Mystica and the

(Report-Marcos) "-Finally, the Mother of God, Saint Pierina and Saint Amália blessed me and those present in the chapel and disappeared."

Jacareí, July 14, 2006

(Relato-Marcos): Today, Our Lord appeared to me at 6:30 pm. He was sad and from His divine eyes thick tears were falling. He said to me, with kindness and sadness: "

Our Lord Jesus Christ

"-Son, I am Love rejected and persecuted by men. I am scourged again in these times, but this time by bishops, priests and other religious, and My Most Holy Mother is also scourged with Me. They scourge Us by persecuting Our Appearances and Messages. We are filled with atrocious suffering every day, because we only receive persecution, indifference and disobedience from those who have the obligation to defend Us, to make Us known and obeyed by all. Those who call themselves 'My friends' and 'My ministers' are the ones who scourge Me in the most cruel way. I seek souls like John, Mary Magdalene, Veronica and the Holy Women, who console My Mother and Me, on My Cross. I am on the cross with My Mother every day, and we suffer together; we thirst for souls who take Our Messages to everyone and set a good example of obedience to them, and who do not become discouraged by the persecution of bishops and priests, but who go beyond this for love of My Mother and Me. I call, but will anyone hear My groans?"

(Report-Mark): "- Then Jesus spoke to me and disappeared, still shedding copious Tears. The Lord seemed inconsolable today. My heart broke with grief to see the Lord weep and speak such painful words. Today, while I was working on making the Messages booklets, a very strong scent of lilies along with the scent of another flower that I couldn't identify the scent of invaded the room where I worked. I looked around, but there was no flower in the place that could give off such a scent. In today's Apparition, I asked the Lord if the perfume I smelled was a sign. The Lord replied that 'yes', and that sign indicated the presence of Him, Mary Most Holy and Saint Joseph next to me while I work, blessing me, because the dissemination of the Messages gives them much Glory and consolation.

Jacareí, July 15, 2006

(Report-Marcos): “-Today, São José appeared at the usual time. He was sad. With kindness and sadness, he said to me: "

Saint Joseph

“-My Heart breaks with sadness to see the Hearts of Jesus and Mary scourged by the persecution of bishops, priests and religious to their Apparitions and Messages. Because of all that the bishops, priests and religious did, the youth infallibly fell into perdition and many souls were condemned forever. The systematic denial and persecution of the Apparitions, Messages and Lachrymations for years in a row caused an astonishing number of souls who could have been converted to continue in sin and atheism and fall into perdition. The enemy is now the king of many hearts that should have been converted...(note: here the tears began to flow from Saint Joseph's eyes)... It is necessary to pray the Rosary every day to console the Hearts of Jesus and Mary, to make amends for them. Why everyday? Because every day in various parts of the earth the Apparitions are persecuted and denied by those souls who call themselves ministers of God. The suffering of Jesus and Mary is immense, and I need comforting souls to join Me in prayer to comfort them. If this is not done, the Eternal Father will do justice, and terrible justice.”

(Report-Marcos): “-Then he blessed me and disappeared. The sorrow of Saint Joseph is so painful that my heart was plunged into sadness.”

Jacareí, July 16, 2006

(Marcos Report): “-Today, Saint Joseph appeared to me dressed in a white tunic and a gray-blue mantle. With kindness, he said to me: "

Saint Joseph

“-Dear children, I want you to live true devotion to My Heart that will surely lead you to Heaven and to the Hearts of Jesus and Mary. I came to Jacareí to teach this devotion and make it spread throughout the land. I want everyone to embrace this devotion which is the remedy for these times of atheism and hatred of God and the Apparitions. My Most Loving Heart will only be able to fully manifest its strength when this devotion to Him is known and practiced by everyone. Therefore, spread My Image quickly (obs: it is the image of the Loving Heart of Saint Joseph as He appears in Jacareí), My Hour of Prayer and My Messages, so that the world can be regenerated and saved as soon as possible. by the strength of My Heart. Peace to all.”

(Report-Marcos): “-He then spoke to me, blessed me and disappeared.”

Jacareí, July 17, 2006

(Marcos Report): “-Today, Saint Joseph came in a white tunic, with a gray-blue cloak. He said to me: "

Saint Joseph

“- Son, tell souls that I seek souls made of pure fire, pure love for the Lord and for Mary, the Lady. I desire fully spiritual souls. The man who speaks much with creatures does little to pray, and the man who spends too much time with creatures has little interior life. It is necessary to balance the contemplative life with work, prayer with the dissemination of the Messages and the apostolate for the salvation of souls with interior life and recollection. The souls who want to be My daughters must be friends with silence and prayer, with recollection and interior life, so that each time the Grace of God grows in her and I can act in her. The Holy Spirit is not in the hustle and boil of the mobs and I cannot act in souls to give them My Graces. The soul that wants to be My daughter, seeks Me in prayer and silence, where I can fill you with peace, light and love. The soul that desires Me, seeks to be alone with Me for a few moments in its day, and even when it prays with other people, it seeks to be alone with Me to receive My light and My Grace, looking only to Me. Blessed is the soul that cultivates the interior life, with prayer, spiritual reading, silence, serenity, for in it I will be able to perform great works of grace and sanctification, which will give glory to the Most High and the Mother of God and will greatly comfort the My heart. Son, peace.” spiritual reading, silence, serenity, because in it I will be able to perform great works of grace and sanctification, which will give glory to the Most High and the Mother of God and will console My Heart very much. Son, peace.” spiritual reading, silence, serenity, because in it I will be able to perform great works of grace and sanctification, which will give glory to the Most High and the Mother of God and will console My Heart very much. Son, peace.”

(Report-Marcos): “- Then he blessed me, spoke to me and disappeared.”

Jacareí, July 19, 2006
1st Apparition of the Angel Saint Manuel

(Relato-Marcos) “-Today, the Angel Saint Manuel appeared to me for the 1st time. The Angel Manuel is blond like the other Angels that have appeared to me, he had blue eyes, he wore a long white tunic that had a blue cross printed on his chest. He said to me:

“-Marcos, I am the Angel Manuel. Write, for your good and that of all souls,

what I am going to say to you: I come by order of the Most High and the Mother of God to say that devotion to Us, the Holy Angels of the Most High, is necessary, conditional and indispensable to reach the Loving Heart of Saint Joseph. This devotion is more than necessary, it is indispensable, it is vital in these evil times in which you live, if you want to keep the true Catholic faith firm and preserved in your souls. Through true devotion to Us, the Holy Angels, will reach the Heart of Saint Joseph; through Him, they will reach the Heart of the Mother of God; through Her, they will reach the Heart of Jesus and the Holy Spirit, and finally, the Eternal Father as well. Only We, the Holy Angels, can protect them, help and guide them in these evil times in which they live so that they may preserve the true Catholic faith and be saved from the general shipwreck and apostasy of souls from the true Catholic faith. Please pray again the prayers and Rosaries dedicated to Us, the Holy Angels, because we can help you a lot through them. Pray to us and we will help you. The Rosary of Triumph is very effective in stopping the advance of evil in the world. We bless you all from Heaven. Peace."

(Report-Marcos) “-Then he spoke to me, blessed me and disappeared.”

Jacareí, July 20, 2006

(Report-Marcos) “-Today, the Angel Manuel appeared to me again. He's so beautiful, so brilliant. After the initial greetings, the Angel said to me:”

Angel Manuel

“Mark, write what I am going to say and announce it: only We, the Holy Angels, can take you to the Heart of Saint Joseph and introduce you to it. Only We can keep them obedient and faithful to the Heart of Saint Joseph. Only We can lead them to Saint Joseph, so that later He will lead them to the Mother of God and She will lead them to the Lord Jesus and the Father. Only We can keep them faithful to the Lord and to the Mother of God in these evil times in which they live. For this, a true devotion to Us, the Holy Angels of God, is necessary. In order for a soul to have true devotion to Us, it is necessary that, first of all, it firmly believes in Our existence, loves Us as brothers, respects Us as its ambassadors before the Lord, and prays fervently for Us. Then your love and devotion to Us must be pure, that is, disinterested, tender, constant, gentle, profound and holy. The soul that wants to have true devotion to Us must want to have Our Holy friendship above earthly friendships, so that it can unite itself with Us in life and in grace. Happy is the soul that possesses Our Holy friendship, because it will feel and have at all times our loving presence, our comfort and our help, which will give peace and protection in life and in death. Peace, Mark. See you soon." Frames. See you soon." Frames. See you soon."

(Report-Marcos) “-Then the Angel spoke to me, blessed me and disappeared.”

Jacareí, July 21, 2006

(Relato-Marcos) “-Today, Our Lord came dressed in light purple. His physiognomy was serious. He ordered me to write: "

Our Lord Jesus Christ

“-My Sacred Heart is filled with bitterness and sadness for what was done with the Apparitions of My Blessed Mother in Montichiari. Yes, because of the bishops, priests and religious who persecuted the Apparitions of Montichiari, My Mother's Messages did not become known worldwide. Many souls were lost because the Messages of My Mother, who appeared in Montichiari to My daughter Pierina Gilli, were not disseminated to them. My Mother's most loving Heart was pierced with pain to see her Messages, her appeals, Her Tears and her lamentations being fought, despised, denied and discredited by the clergy, without anyone standing up to defend Her! How much softness, cowardice and languor surrounded the Apparitions of My Mother in Montichiari! How sloppy and relaxed! What a weak and uncompromising faith towards the Apparitions of My beloved Mother in that place! My Mother and Pierina were left alone, without almost anyone defending them after that Hour of Grace in 1947. It was only after 20 years of unfair silence and solitude that My Mother was able to manifest herself again in Fontanelle, thanks to a extraordinary action of Mine who provided all things for this to happen. And here... will there be the same? Will there be only cowardly, languid and soft souls who will not defend My Mother to the end? What will happen? Will faith be lacking here, as it was lacking in Montichiari? I want souls made of the pure fire of My Holy Spirit, who defend My Mother and the truth of the Messages with the strength of true faith. Happy is the soul that is so, for I myself will be its strength and reward; but, woe to the cowardly soul that does not come out in defense of My Mother and Her Apparitions, for I myself will scratch the name of that cowardly and soft soul from the Book of Life. Woe to My Mother's traitorous soul! It would be better for him not to have been born! Son, remain in your unique and exclusive obedience to My Mother, for in this way you obey Me fully and perfectly. My favorite Mark, peace! I bless you and your loved ones.”

(Report-Marcos) “-Then the Lord blessed me and left. The face of the Lord had a mixture of sadness and indignation today. I didn't even dare ask Him anything. The wrath of Jesus against the enemies and traitors of His Most Holy Mother is holy and terrible!”

Jacareí, July 23, 2006
Saint Joseph

(Report-Marcos) “-Today, Saint Joseph came, accompanied by the Mother of God and Jesus. Saint Joseph gave the following Message to the world today:”

“-Dear children, I invite you today to renew your consecration to Our United Hearts. In these times of apostasy and violence, you must turn fully to Our Hearts, so that you may be free from evil and We will transform you into the apostles that We so need in these days. Reread Our Messages without delay, especially those of April and May of this year. Continue with Our prayers. The world is on the verge of great punishment and does not know it. Pray for this Shrine, for the graces that We bestow on Him are proportionate to the love and prayer you have for Him and do for Him. I bless you all today. Peace."

(Marco-Report) “-Then they spoke to Me, blessed Me and disappeared.”

Jacarei, July 30, 2006
São José

“-My Heart seeks souls to console the Heart of Jesus and Mary Immaculate, but it doesn't find them. Where are the souls made only of fire? Of fire of divine love? Where are the ardent apostles who must bring the light of Our Hearts to the whole world? Let more prayer be made, to be transformed into the strong apostles we seek. We are looking for true fighters, warriors of light who fight darkness and make the light of faith and Divine Grace win. Keep praying the Meditated Rosary that My son Marcos does, because it is what pleases and consoles us the most. Continue with all the prayers we have given you here. We Bless you all. Peace."

Jacareí, August 5th, 2006

FESTIVAL OF THE NATIVITY OF THE MOTHER OF HEAVEN AND EARTH

Our Lady

"-My Children, today when you celebrate my 2020th birthday, I come again to say that My Immaculate Heart will triumph. My maternal plan of Love will manifest itself in the world and the infernal empire will be overthrown by Me. I will manifest the powerful light of My love to the whole world and the darkness will be conquered forever. That is why I chose this favorite place of My Heart, to manifest in advance the strength of My light to the whole world so that it may come and recognize the strength of My Love and My Power. The battle is now stronger and more difficult, but I am with you and only I will triumph in the end. My Heart will take decisive steps towards My triumph in the coming months. So pray many, many Rosaries, continue with the prayers that I have given you here, make sacrifices, spread My Messages without stopping.often offer sacrifice and prayer as I taught you:

“O JESUS, IT IS FOR YOUR LOVE, FOR THE CONVERSION OF SINNERS AND IN RESOLUTION FOR THE SINS COMMITTED AGAINST THE

IMMACULATE HEART OF MARY”

That a great amount of prayers and sacrifices may daily ascend to Heaven, so that it may be a great power. , in prayer, in love, in holiness. May the light reflections of My Heart illuminate this world full of darkness. Dedicate more time to prayer, the devil will try to occupy you with a thousand things, so that there is no time for prayer. Beat him! Praying more and more, always! You can overcome it. I bless everyone today with the Special Blessing of My Birthday and My Heart. PEACE."

Jacareí, August 6, 2006
Our Lord Jesus Christ

Until when My children? How long will I have to put up with them? Until when My children will I have to wait for your conversion? If you do not do penance, if you do not pray with all your heart! With your sincere faith! You can expect the punishments, you yourselves have seen the punishments of nature scourging the earth in this month of July, you have seen how the drought has spoiled several crops in your country. My children, as the heat in Europe and the United States has killed many people, and that same unusual heat that you feel in winter is a purification for you, it is a purification because the earth is saturated with sins and My Justice is already beginning to manifest by repairing My Holiness and My Glory offended and despised by men.

My children, the Rosary Crusade that we asked here in 1999 through Our Angels has just begun and you yourselves have already left. You do not persevere in anything, you fail in everything, in prayer, in spreading the Messages, in obedience to the Messages, in penance, in sacrifices, you fail in faith and in the virtues. You pray for a few days and then you drop the prayer to chase after your interests, your entertainment and your money. Until when my children? How long will I have to put up with you? Behold, now I renew this request of the Crusade of the Rosary, but this time I want you to do it only on Sunday, I will not ask every day because I know My children, that you are a well of weakness and you will not do the crusade every day. I want you to do the Crusade every Sunday, you will choose a Sunday time and for an hour you will pray the Rosary, not for your requests and for your intentions, but for the intentions of My Mother's Heart, for the Triumph of Our United Hearts in Brazil, in Latin America and in the World. You will carry out the Rosary Crusade for the conversion of sinners, you will carry out the Rosary Crusade so that I can save your Brazil from the domination of the infernal empire, you will carry out the Rosary Crusade for Peace, you will carry out the Rosary Crusade so that souls may hear Our calls that leave this place and come here to pray, to convert, to change their lives and to enter the path of Heaven on the path of Holiness. That's why you will do the Crusade, I will not listen to private requests during the Crusade, I will only listen to the prayers of people who pray for the intentions of My Most Holy Mother. for the Triumph of Our United Hearts in Brazil, Latin America and the World. You will carry out the Rosary

I want these apostles of the last times to forget about themselves to care only for My Most Holy Mother, for what She wants, for Her desires. Therefore, at the end of this Cenacle, I want you to put your name on a list that will be made now, with your schedule with which you will pray the Rosary every Sunday. But it's not the dry Rosary, it's the meditated Rosary that my son Marcos makes, because this Rosary is what pleases Me the most, it's what Consoles Me the most, it glorifies Me the most, it's the one that conquers the devils hell, it's the that most consoles My Mother and My Father Saint Joseph. It is the most effective, this is the Rosary I want you to pray, you do it from now on without missing a single Sunday. I want you to reread, to listen again to all Our Messages, I have already ordered them and My Father Saint Joseph to do this too, but so far they have not obeyed Me, they have not done what I commanded. If you do not reread the Messages, if you do not listen to the Messages again, you will all perish. Your faith will not last, it will not withstand the fury of the devil, the fury of the trials and sufferings of this life, you will surely fall into sin and offend, you will die and go to the fires of hell, to suffer and be tormented forever. .

Pray! If you don't pray the punishments will decimate most of humanity, if you don't do penance two thirds of humanity will perish and with sacrifice one third will be saved. If the world had obeyed Our Messages from Paris, La Salete, Lourdes, Fatima to here, the world would not be in such a terrible way as it is. Convert! See that the Apparitions of My Mother, with me and Saint Joseph here, are the last for humanity, when they finish the period that I gave for your conversion, for your return to Me it will end and then I will send My Angels, which in two seconds they will appear covering all of Heaven and they with their flaming swords will burn the Earth and with it all those who did not want to hear Our calls, Our Messages, who did not want to obey Us. Stand firm with My Most Holy Mother and with Me, with My Father Saint Joseph here, do not obey the bishops, priests and religious who forbid you to come here, because they are evil, they do not love you. Behind them is the devil trying to deceive you and keep you away from Us. Do not fall into this trap, do not fall into the temptation of the devil, stand firm with My Mother, stand firm with My Father Saint Joseph and with Me and you will see that in the end you will triumph. And those very ones who forbid you will be condemned in your sight, save your souls, stay faithful and obedient to Me, for My Catholic Church was dominated by apostasy. Only the prayer of the souls of the places of the Apparitions will help the restoration of My Church, the salvation of My Church and in the Triumph of My Immaculate Heart only there will it return to the way I created it, that I made it . Now My children, pray, pray in your homes and stay away from those people who want to keep you away from our apparitions. Be humble, be good, walk the path of prayer, walk the path of grace, walk the path of penance My children! From penance! Do not obey any other voice that is not my Mother's and Mine, read My Word, live My Word, fulfill My Word, be apostles of the last times, take Our Messages to all the ends of the world, because the Time is running fast and it will soon run out. Be holy My children, give a good example of holiness to the world, do not live like the pagans, like the atheists, love My Mother, make her known, speak of Her, carry Her Messages with Her Images to all the ends of the earth. world, so that everyone may know this tender and good Mother and thus return to Me through Her, convert and save your souls. Do not pay so much attention My children to material things, because they only serve to condemn you, use them to save your souls and the souls of your brothers. Live only with what is necessary My children, because everything that is superfluous will only serve as a temptation and a reason for condemnation for you.

The soul is worth more than the body, the body My children, if you give it to all your tastes and whims, then it will be burned and it will not even serve to dung the earth. Convert My children! Convert! See that my Mother for almost 180 years has lived more on earth than in Heaven! Speaking and communicating Messages and the world for nothing, for nothing, cares about none of this. My children, obey Our Messages, otherwise one day and that day is not far away, you will regret the moment when you did not want to do it, when you did not want to obey. our light and with our love your souls and we give you our peace and our love."

Our Lord Jesus Christ

"- My Mother's Tears were of little use in Juiz de Fora, Louveira, Tabuleiro and Oliveira Fortes. The same also in the other places where she cried, because men continued in their bad lives and bad ways. I will punish you without precedent, because I cannot tolerate that My Mother's Sacred Tears are trampled and mocked like this. Men have seen Her cry here, but who has repented and truly loved Her? I want souls to obey, love and defend I want prayer, reparation and reparation for what was done to My Mother, otherwise My arm will send much worse punishments than those I sent to Egypt. ."

Feast of the Assumption of Holy Mary

Our Lady

“- Dearest children, today, on the day of my Assumption into Heaven, I hear souls: I say to you, lift your eyes to me, the Woman clothed with the sun, crowned with twelve stars with the moon under her feet and terrible as an army in battle order. The perfume that My Glorious Body exhales, the perfume of paradise descends now over the entire earth to abolish the stench of sin that has taken hold of all humanity, to give it again that state of grace in which the Holy Trinity created it. the first time, so that the perfect love, perfect adoration and perfect glorification that is due to her by all her creatures may ascend to the Holy Trinity. My Glorious Body is a sign of terror to Satan. As they look at Me, the demons tremble and are paralyzed by My power. They are obliged to return to the infernal caverns and cannot leave there for a long time, until they are given permission again. My glorious Body is a sign of consolation for the souls in purgatory during my visits to that place of atonement. The sufferings of souls are relieved, their hearts exult with joy and they then enjoy great happiness and comfort at the sight of My Glorious Body. My Glorious Body is a sign of joy among the Angels and Saints of Paradise. These rejoice with joy when they behold me. Their own glory has a significant and very considerable increase when they praise me, bless me and glorify me. In Heavenly Paradise, My Glorious Body is for them a sign of love. It is for them a sign of increasing love and gratitude towards the Holy Trinity who made me this way and created me so beautiful,

My Glorious Body is a sign of hope, grace and salvation for My militant children on earth. Yes, for My servants who militate, who fight for me, for my cause, for the cause of My Son Jesus on earth, for them My Glorious Body is a sign of love, of hope, of comfort in suffering, of balm in pain, of joy in sadness, of light in darkness, of certainty in confusion and uncertainty, of hope in difficult times. Of love and rapture in prayer. Of grace, sanctification, salvation and redemption in times of sin. And for all these My children, My Glorious Body is the Sure Pledge of victory that awaits all those who consecrate themselves to the service of the Most High and My Immaculate Heart. My Glorious Body is the defense, it is the guarantee of God's victory definitively over satan, sin and death.

My Glorious Body is for everyone, for all My children, a safe refuge. My Immaculate Heart is the safe haven for all My children, where they will be sheltered, guarded, protected, nourished, fed and maintained by Me. My Glorious Body is a sure sign that My Immaculate Heart will triumph in the end and this world, dominated by the darkness of evil and the devil, will finally be freed from its slavery, and then it will be able to enter the new times of Peace, of the Grace of Holiness Universal Love and Salvation that I myself eagerly await and prepare to give to all My children. That is why My children, on this Sacred and Blessed day, I invite you: lift your eyes to Me, the Woman Assumed to Heaven in Body and Soul, dressed in the sun, brighter than the sun. And be filled with hope!

My victory is certain and imminent. I did not pay attention to what my enemy does to discourage them or to dissuade them from the certainty of the Triumph of My Immaculate Heart. Lift your eyes to me and fix your eyes only on me not looking, not paying attention and not considering anything else that exists in the world that is done by My enemy to discourage you. Fix your eyes on me and then, My children, you will never, never perish. For whoever looks to me will be saved. I bless you all today with my special blessing, which you must convey to everyone you meet... with love, from Lourdes, from Fátima, from Garabandal and from Jacareí."

Jacareí, August 27, 2006
São José

"-My children, as I desire "prayer and penance" to save the world, I desire more prayer from children, because their prayers do great miracles of conversions on Earth. If there were more children praying the Rosary of Mary Immaculate, more and more sinners would convert.

The places of My Apparitions are numerous, but who loves Us? Who fights for Them? Who gives their life for THEM? If it weren't for these places of Apparitions and manifestations of the Mother of God and Ours on the face of the Earth, Catholic faith would have disappeared a long time ago.

My children, pray! Pray, therefore, for all the places of the Apparitions and continue praying all the prayers that We have given You here. Forward! !

Spread the Messages even more ardently! Peace to all!"

Jacareí, August 30, 2006
Angel Loriel

(Report-Marcos) "-Today, the Angel Loriel came. He is blond, has blue eyes, wore a light yellow robe, almost white. He said- me:"

"-Marcos, I am the Angel Loriel and I come to say that devotion to Us, the Holy

Angels will be the powerful catapult that will launch souls further and further into true devotion to Saint Joseph and the Mother of God. For a soul to have true devotion to Us, it must first have a pure heart, pure faith, pure and firm trust like a child's, firm hope and above all, pure love for Us. For the soul to unite with Us spiritually, it must say the prayers in Our honor, it must invite Us, the Holy Angels, to pray with it always; when she makes a sacrifice she must invite Us to offer it with her so that it may be better accepted by the Most Sacred Hearts of Jesus, Mary and Joseph; when in doubt, he must fervently invoke Us so that he may be enlightened by Us with Holy ideas; in anguish, afflictions and temptations must call to Us and recommend herself to Us to be comforted, sustained and strengthened. If the soul does this, it will have a true union with us and we will be able to make it advance on the path of true devotion of love to Saint Joseph and the Mother of God. Mark, I, Loriel, have communicated the will of God to you. Stay in peace. Peace, beloved of Heaven."

(Report-Marcos) "-He then spoke to me, blessed me and disappeared."

Jacareí, August 31, 2006
Angel Liriel

(Relato-Marcos) "-Today, the Angel Liriel appeared to me, who has the same appearance as the previous Angels. After the initial greetings, the Angel said to me:"

"-I am the Angel Liriel. I come to say that spiritual union with us, the Holy Angels of God, is necessary so that a soul can have true devotion to Us, the Angels. The degree of Our union with a soul will be the same as the degree of love he has for us. I come to say that if a soul wants to unite with us, it must first renounce all the false loves of the world and of creatures, which do so much harm to the soul that wants the perfection of heavenly love and which so often lead it to harmful unions with the creatures of the world. It is necessary to 'lose' first and then 'find'. After the soul takes this step, it will be able to advance on the path of true love and devotion to Us, the Angels, so that later, through Us, it can reach true devotion to Saint Joseph and the Mother of God. As we, the Holy Angels, we are eager to unite with souls to participate in their lives! Through the Communion of Saints, We, the Angels, Rejoice in their joys, We care about their afflictions and difficulties, and We approach all the facts of their lives to help them. Marcos, I Liriel, I revealed to you the desire of the Lord and the Mother of God. Rest in peace, chosen of Heaven. Peace.' Then he spoke to me, blessed me and disappeared.
Jacareí, September 1, 2006

(Report-Marcos) "-Today, the Angel Muriel appeared to me. He is blond, has blue eyes, wore a light blue robe. After the initial greetings, he said to me:

Angel Muriel

“-Mark, I am the Angel Muriel. I come to say that the souls that have true devotion to Saint Joseph are of the number of the predestined, as well as all who will embrace this devotion explained in these Apparitions of Jacareí will be of the number of the predestined, as opposed to the number of the reprobate, who will always be enemies and opponents of Saint Joseph and His devotion. Joseph, son of Israel, of the Old Testament, was the one His father loved most, not only because he was the son of his old age, but because Joseph was good and just. Joseph's brothers hated him for being so loved by their father and for being good and fair and not agreeing with the bad things they did and said. Joseph, from the Old Testament, is a figure of Saint Joseph the Just and the one most loved by the Heavenly Father, while his brothers are a figure of the reprobate, who hate Saint Joseph and all who are his devoted children. These reprobates are nothing more than the offspring of the serpent, the friends of this world, the servants of the devil, while the predestined are the true children of Saint Joseph who embrace true devotion to Him and live in His spirit. As Joseph, son of Israel, was his father's favorite, so the true devotees of Saint Joseph are not only the favorites of Saint Joseph, but also the favorites of the Eternal Father, who loves them in a very unique way. And just as Joseph, son of Israel, moved the hearts of his fathers to love him more and more for his goodness, justice and virtues, so the true devotees of Saint Joseph will incline both He and the Eternal Father to love them exceedingly. for his personal virtues and his justice. And as Joseph's brothers hated him, so also the reprobate, the children of the rebellious and wicked from the beginning, the devil, will hate the predestined, the children of Saint Joseph forever, and between them there will never be friendship, love or even sympathy. The reprobate will humiliate the children of Saint Joseph, despise them, disregard them, put them aside and will be considered 'nothing' in the eyes of the world, but these children of the serpent will never be able to triumph over them nor deprive them. of the help, love and paternal predilection of Saint Joseph, who received them as children. And that is why in the end they will triumph gloriously in Heaven alongside Saint Joseph while the reprobate will be tormented in eternal flames forever and ever, in the company of evil demons. Happy is the soul that belongs to the number of these predestined ones and belongs entirely to the Heart of Saint Joseph, since it will be the favorite of the Eternal Father, of the Lamb, of the Divine Spirit, of the Great Mother of God and of Saint Joseph, and she will deserve to be a daughter of divine blessing for ever and ever. Marcos, favorite of Saint Joseph, peace. Peace, Mark.”

(Report-Marcos) “-Then he blessed me and disappeared.”

Jacareí, September 7, 2006
Divino Espírito Santo

(Relato-Marcos) “-Today, the Lord God, the Holy Spirit, appeared to me unexpectedly. Looking at me kindly, he said to me: ”

“I am Life: whoever loves Me will live eternally. I am joy, whoever follows Me will never be alone. I am Peace. Those who serve Me and have Me will inherit the earth and will be called children of God. I am Wisdom. Those who possess Me will never sin. I am Eternal Life: those who love Me will enjoy forever in My eternal dwellings. Mary is My shining Harp who will sing in My praise the eternal hymn of love and adoration. Only in the souls in which Mary lives and reigns and sings My song, My hymn, can I dwell and reign. In souls where Mary does not absolutely reign, I will never be nor will I act. Happy is the soul that believes in these My Words without being able to see them come from My lips, for I myself will be her prize and her reward! Marcos, My favorite, rest in My peace, now and always. Peace."

(Report-Marcos) “-He then spoke to me, blessed me and disappeared.”

Jacareí, September 10, 2006

(Report-Marcos) “-Today, Our Lord came together with Holy Mary and Saint Joseph. Their countenance was grave and sad. Our Lord has given the Message to the world today:

Our Lord Jesus Christ

“-Dear children, I am with you once again today. I am Jesus, Son of God, the Eternal Word. What My Holy Mother said in La Salette, I say again here: souls consecrated to God, many bishops, priests and religious, for their bad life; for his pursuit of pleasures, of honors; living to please people; by their bad examples, they became cesspools of impurity. The sins of these souls, of these people, cry out to Heaven for vengeance, and behold, vengeance hangs over their heads. These priestly and religious souls, who persecuted the Apparitions of My Mother in so many places, who wanted to silence My Mother's lips in so many places, the sins of these souls have already betrayed and will soon attract many more punishments to humanity, since, obstinately , stubborn and hardened, in their refusal to obey the Messages, they continue to persecute My Mother, to discredit Her Apparitions, to deny Her signs, miracles and her Tears. Yes, My Justice will punish in a way never seen before in the history of mankind. I will punish in unprecedented ways! The sins of these souls, of these souls consecrated to God, who deny My Appearances, who forbid the people to believe in Our Messages, in Our Tears of Blood, in Our warnings, and still tell the people that this is My will! These sins of those souls consecrated to Me, will attract the greatest hecatomb in the history of mankind! The sins of these souls, of these souls consecrated to God, who deny My Apparitions, who forbid the people to believe in Our Messages, in Our Tears of Blood, in Our warnings, and still tell the people that this is My will! These sins of those souls consecrated to Me, will attract the greatest

hecatomb in the history of mankind! The sins of these souls, of these souls consecrated to God, who deny My Apparitions, who forbid the people to believe in Our Messages, in Our Tears of Blood, in Our warnings, and still tell the people that this is My will! These sins of those souls consecrated to Me, will attract the greatest hecatomb in the history of mankind!

These children today who do not like to pray My Mother's Rosary, who are rebellious to all kinds of teaching, whether moral, spiritual or religious, crucify Me again. These young people of today, enemies of prayer, crucify Me anew; enemies of My Mother; enemies of sacrifice; of penance; of the virtues, which are so dear to Me. Crucify Me again, these parents of today, who are concerned with giving everything to their children, except prayer! They do not teach them to make small sacrifices; they do not teach them to pray the Rosary; they do not teach them to listen to My Word and the word of My Holy Mother... These parents today who offer all material comfort to their children, neglecting the spiritual, these parents crucify Me again! Me again because they don't have love for Me...

The sins of this people, these men, these fathers of families, who prefer games, drinks, parties, instead of praying with their family, teaching them to pray, announcing Our Words and giving them them the example of prayer and holiness in the first place. Crucify Me anew those men of today who pretend to live without Me, rule without God, live without God, grow without God, progress without God, and die without God. Those men of today who deny that Hell exists, in order to excuse and justify all their disorders, evils and all their sins, crucify Me again. These men of today who deny that Purgatory exists are crucifying Me again; who deny that Heaven exists; who say life ends here and then nothing else. These men of today crucify Me again, who deny that My Mother, the Queen of Heaven, Assumed into Heaven in Body and Soul, may appear with Her Glorious Body on earth, to whomever She wants, however she wants, as long as she wants, to say what she wants. Those who deny that My adoptive Father, Saint Joseph, can appear here are crucifying Me again; that He can communicate His Messages, revealing My will; that My Angels and My Saints can communicate with each other by My power and authority, to communicate My will to men. Crucify Me again these men of today who no longer know what it is to pray, who no longer have an interior life, who do not care about the salvation of their souls, the elimination of their defects and faults, and the acquisition and the increase of virtues in their souls! Disobedient people! Breed of vipers! Who taught you to flee from the wrath to come? My ax is already laid at the root of the trees... every tree that does not bear good fruit, I will cut it down and throw it into the fire. Crucify Me those men of today who teach that both the righteous and the sinners will all go to the same 'place', thus discouraging the righteous from continuing to be good and righteous, and thus justifying the worst evils and disorders of sinners... Crucify Me again! Crucify Me again!...

Crucify Me! The men of today crucify Me without mercy! They also repeat the betrayal of Judas, especially consecrated souls: the bishops, priests and religious who persecute Our Messages, which are the last means of salvation for this humanity that has become worse than at the time of the Flood. They

commit Judas' betrayal again... How many Catholics are Catholics - Judas! How many souls consecrated to God are consecrated souls - Judas! Crucify Me again! Crucify Me again!... I ordered them to read the books: "Imitation of Christ", the "Treatise on True Devotion to the Blessed Virgin", and the Book of Our Messages daily, but they never obeyed Us... No They obey us... Breed of vipers! Who taught you to flee from My wrath to come? Look at the sun and I will see that it revolves around you. It is the sign of Our Sacred Hearts that we are present here. Yes, behind the clouds the sun appears to you to confirm Our Words and to indicate to you that this is the time of times and the end of ends. The signs in the sun, moon and stars are given to you to indicate that this is the time for conversion, and that this time is running out. What My Mother said in La Salette, 160 years ago, in the year 1846, in France, everything will be fulfilled! These Apparitions are the crowning of those of La Salette!... they are the glorious ending of the warnings given by My Mother in the terrible secret of the Mountain of La Salette. Be converted! Stop crucifying Me again, and stop crucifying My Mother and Saint Joseph with Me, because they also suffer the same pain as Me...

I am crucified again by these families of today who only think about fun and pleasures and neglect, neglect praying the Rosary, repentance, reading Our Messages... neglect!... neglect!... neglect prayer! ... Many families have already let the devil harbor within them; many families have already let the Asmodean devil, the destroyer of families, live in their homes because they do not pray the Rosary; because they watch violent and indecent movies; because they dress in these indecent clothes of today; because they utter ugly words inside their houses; because they don't pray and they don't have My image in their houses anymore, that of My Mother and that of Saint Joseph enthroned in their houses, so that we can be the kings of their houses... that's why the devil comes and goes, governs and maneuver the families as he wants. The men of these times crucify Me again, evil men, perverse men and justifiers of all their refusal to obey Our Messages! ... Crucify Me again! Convert without delay! This is My warning!... Continue with all the prayers that We have given you here: Hour of Peace, Hour of Saint Joseph, Hour of the Holy Spirit, Meditated Rosary, which My son Marcos does, because it is what most pleases us, consoles us, glorifies us, exalts us and which is the most effective for your salvation in these evil times. Continue with the Rosary Crusade. Continue reading the books We send you. Continue to read the life of My Mother revealed in the Books “Mística Cidade de Deus”. Yes, My Mother is My Mystical City, in her I dwell, in her I am King, I have always been and will be the supreme and absolute King for centuries of centuries. And you, my son, Mark, My Sacred Heart blesses you today, little son, for having made the Image of My Most Holy Mother, the Lady of Tears. Yes, My Mother and also My daughter Amália Aguirre, they themselves assisted the sculptor who made the Image, according to your instructions. Yes, the Hand of My Mother and the Hand of My servant Amália Aguirre guided the sculptor's hands. You took the sword of pain full of blood from My Mother's Heart... sword of pain that the clergy nailed in the 1930s when they prohibited the apparitions of My Blessed Mother in Campinas, prohibited the dissemination of Messages, Image, Medal ... the Hand of My Mother and the Hand of My servant Amália Aguirre guided the sculptor's hands. You took the

sword of pain full of blood from My Mother's Heart... sword of pain that the clergy nailed in the 1930s when they prohibited the apparitions of My Blessed Mother in Campinas, prohibited the dissemination of Messages, Image, Medal ... the Hand of My Mother and the Hand of My servant Amália Aguirre guided the sculptor's hands. You took the sword of pain full of blood from My Mother's Heart... sword of pain that the clergy nailed in the 1930s when they prohibited the apparitions of My Blessed Mother in Campinas, prohibited the dissemination of Messages, Image, Medal ...

Yes, My child, you took the sword... you healed, you closed that wound in My Mother's Sorrowful Heart... Child! This is why I entrusted you with so many important missions and so many tasks: because you are docile... because you obey... because you fulfill what we say without asking, without questioning... because you give your all to fulfill Our desires... you strive beyond your strength to see Us satisfied, attended to and obeyed. That's why here, this poor place, will always be Our granary of graces, Our ark of salvation, where we will gather all the elect, all the predestined, all who are destined to be saved, and whose name is written in the Book of Life. This is why this place will be the great pole, the great sun that will illuminate the whole world. Here will be attracted all the predestined, all who are destined to go to Heaven. The reprobate, those destined to go to Hell, will always loathe, hate, and look upon this place with disbelief and skepticism. Their name is already blotted out of the Book of Life... But those who have a good and pure soul, like a child's, who have pure faith, like a child's, those will recognize us here, they will hear us and will come... They will obey Us... They will love Us and become the great saints who will shine like a constellation of stars stamped on the mantle of My Most Holy Mother, the Lady of Tears... They will be these stars that surround the head of My Most Holy Mother who appears here, the Queen and Messenger of Peace. My child, Marcos, My son, the smallest of all, the smallest and the most dear, I bless you... I bless you because today you closed a bleeding wound in My Mother's Heart for 70 years... By making this image, you closed yet another painful wound in the Heart of My Mother... Keep it up, nurse of the Heart of the Mother of God!... Angel who pours balm on the wounds of the Heart of the Mother of God!... The world and the clergy open new wounds in the Heart of My Mother, you close them!... Keep closing!... continue to be the nurse of the Heart of the Mother of God!... I bless you... I bless the images from My Mother, from My Father Saint Joseph, your Rosaries, Medals and Scapulars; the Message Books, the Meditated Rosaries... I bless you all and My Mother and Father Saint Joseph also bless you with Me. Go in peace! Rest in My peace!" While the world and the clergy open new wounds in the Heart of My Mother, you close them!... Keep closing!... continue to be the nurse of the Heart of the Mother of God!... I bless you... I bless the images of My Mother, of My Father Saint Joseph, your Rosaries, Medals and scapulars; the Message Books, the Meditated Rosaries... I bless you all and My Mother and Father Saint Joseph also bless you with Me. Go in peace! Rest in My peace!" While the world and the clergy open new wounds in the Heart of My Mother, you close them!... Keep closing!... continue to be the nurse of the Heart of the Mother of God!... I bless you... I bless the images of My Mother, of My Father Saint Joseph, your Rosaries, Medals and scapulars; the Message Books, the Meditated Rosaries... I bless you all and My Mother and Father

Saint Joseph also bless you with Me. Go in peace! Rest in My peace!”

Our Lady

“-I am the Lady of Sorrows and Tears. With deep pain, I followed My Divine Son throughout his life, suffering with Him and uniting Me with His Divine sacrifice for the redemption of humanity. My Heart has always lived crucified with My Divine Son and none of His suffering has failed to martyr My Heart. I have always lived pierced by the sword of pain. My eyes were sources of continuous tears. Even today, I suffer to see humanity sinking deeper into the abyss of sin and disobedience to the Lord. I suffer to see humanity systematically rejecting all My Appearances, Tears and warnings to convert. I suffer to see more and more the church darkened and taken by apostasy, which leads more and more souls to perdition. I suffer to see that every day the human being becomes more violent, evil, enemy of God and Me, and more affection for evil, sin and the devil. I suffer because My Voice falls in a desert and does not find an echo in hearts. Only a great force of love for My Sorrows can save this evil humanity and lead it back to the path of peace and salvation. My Heart cries out... but will anyone respond to My piercing cries?”

(Marcos-Report) “- Today, the Lady came dressed in a purple tunic and black cloak. Beside her were two angels, dressed in purple as well. His face was one of great sadness. My heart broke with grief to see the face of the Mother of God like this.”

Jacareí, September 17, 2006

Day of Our Lady of La Salette

(Report-Marcos) “-Today, the Lady came dressed as she appeared in La Salette, and was accompanied by Saint Joseph, the Angel Mariel and the Angel Manuel. Her countenance was sweet, but sad too. Kindly she said to me, after the initial greetings: ”

Our Lady

“-I am the Lady of La Salette. Today, when you are already contemplating My Apparition in that place, I come to remember My urgent maternal appeal: convert before the arm of My Son removes from the earth even the last vestige of the human race through the terrible punishments that I announced in La Salette and that the world deserves. Convert and dry My painful tears through a holy life. Convert and be docile and obedient to My voice like My two little shepherds Maximin and Melanie and like My current good seers. Convert and seek fidelity to the love of God and his Law. Be converted and make reparation through prayer, sacrifice and penance for the sins of this wicked

world. Convert and be My true apostles of the end times. Only in this way will I be able to fully realize My plan and lead you all to the glorious triumph of My Heart with the Triumph of the Kingdom of Christ in the world, announced in My Secret of La Salette. Peace."

(Marcos-Report) “-He then spoke to me, blessed me and disappeared”

Jacareí, September 19, 2006

Celebration of the 160th anniversary of the Apparition of the Mother of God in La Salette-France

(Marcos:) “-The Mother of God appeared today as she did in La Salette, with her apron, long sleeved robe, peasant cap, and wreaths of roses on her head, shoulders and feet. On her chest was the crucifix with pincers and hammer. She cried throughout the entire Wraith, ceasing only at the last moments. With kindness, she said to me:

Our Lady

“-I am the Virgin of La Salette! Today, they commemorate My Apparition 160 years ago on that high French mountain, to My two little children, the little shepherds Maximino and Melanie. It was a serious Apparition. It was an important Apparition. It was the decisive Appearance for the beginning of the fulfillment of the facts and secrets of the Book of Revelation in the whole world. In La Salette, as in Paris and Lourdes, I opened the sealed Book that contains the secrets of recent times, some of which have already occurred in these 160 years and which are about to end in human history, which will culminate with the decisive struggle between Satan, the demons and the evil men who follow the devil in this world, against Christ and His followers, together with the Holy Angels. Yes, human history lives under La Salette's secrecy. Human history develops and unfolds in light of La Salette's secret. Human history lives under this continuous duel between My Son and Satan, between good Angels and bad Angels, between good men and bad men. Heaven, Earth and Hell fight. All good Angels and good men fight under My orders, for I am the General of the armies of God. Together with Me, Saint Michael and the good Angels fight, good souls fight. Together, we fight against satan, against evil angels and evil souls who live in this world spreading the errors that lead to the destruction of souls. Yes, I am the General of God's army, I am the Commander of God's army and I come to Jacareí to make all good souls gather, group themselves around My sign and, together with Me, fight, together with Me, fight , together with Me fight for the salvation of all souls. And what is My sign?... This sign that I quoted in Marienfried, in Akita, and which I quoted here? IT'S MY ROSARY! Around My sign, this My sign, My Most Holy Rosary, good souls gather, in prayer, they meditate on My Messages, they deepen My Words in their hearts and in their souls, and with that sign, they fight, pray, announce My Messages, so that this world can be

saved from the terrible and great apostasy that has already ended up taking all things. Behold, now is the decisive moment of the battle. Fight, soldiers of Christ! May all of you wield the sword of justice and faith, prayer, sacrifice, devotion and obedience to Me, so that together we can fight the last battle of this war, which, since My Apparitions in Paris, La Salette and Lourdes, extends to the present day. It's time for the last fight, the last battle. Whoever faints will lose everything. Whoever perseveres will receive the crown of eternal life. Whoever gives up, will lose salvation. Whoever persists will receive Paradise as a reward and the salvation of his soul. I appeared in La Salette to finally summon all My children and transform them into these roses, with which I appeared to gird My Head, Heart and My Feet... so that these children would become fragrant roses of virtues that, with prayer, sacrifice and penance, together with Me, would rescue souls, prisoners of sin, prisoners of Satan, to free them, and to restore them to God, their only and true Lord. I appeared in La Salette, together with My children, to undertake the last battle,

May My children listen to Me! May My children hear Me! May My children give Me their 'yes', the definitive answer that I have been waiting for for centuries. I tell you, My children, this place of Apparitions of Mine here in Jacareí will end the secrets of La Salette. From the beginning of My Messages here, I have quoted the secret of La Salette in My Messages, to indicate to you that this My Appearance here is the conclusion of La Salette, it is the completion, the glorious crowning of My Messages and My secret of La Salette. Trust Me, obey Me and you will see My Triumph and the Triumph of Christ with his Kingdom on earth. The awful crisis of the church, which I described in My Secret of La Salette, has been going on for many decades now, and now it must reach its full apogee, its apex. But I say to you, little children, you who obey Me, who obey My Messages, and who today are excluded, marginalized and persecuted by the members of the church, you will save the church, with your prayers and with your obedience to Me. And in the future the whole world will see that it was I who saved the church, I raised it from the ashes; I made her resurrect in glory. And I will do this through My children who are persecuted today by those same church members who are sinking and destroying the church. Yes, these humble souls, unknown to the world, suffering, poor, who renounced themselves to follow and obey Me, these souls will save the world and the church. My Immaculate Heart will triumph. You must obey Me in everything now. the only voice you must obey and listen to is Mine, for I proclaim to you the pure Gospel, uncorrupted and untainted, not obscured by the apostasy that today has spread throughout the world and entered the church, obscuring it. I repeat to you the Gospel of My Son Jesus pure, and it is My voice that you must hear, follow and obey. Thus, My Heart will triumph as I prophesied in La Salette and the glorious Kingdom of My Divine Son will come to the earth and then it will be pure, holy and there will be no more sin, evil, the dominion of Satan. I call you, My children, to wait with Me, full of faith and hope, for the new heavens and the new earth that are about to arrive. Today, with My two little shepherds Maximin and Melanie, who are with Me in paradise, triumphant, I bless you all." My Heart will triumph as I prophesied in La Salette and the glorious Kingdom of My Divine Son will come to the earth and then it will be pure, holy and there will be no more sin, evil, the dominion of Satan. I call you, My children, to wait with Me, full of faith and hope,

(Report-Marcos) “-Today, the Angel Paniel appeared to me. He is blond, has blue eyes and wears a white robe. After the greetings, he kindly said to me: "

Angel Paniel

“I am the Angel Paniel. I come to bring light to hearts. Only when souls understand and embrace true devotion to Us, the Holy Angels, will they reach the Hearts of Jesus, Mary and Joseph and will they be able to live true devotion to Them. Only when souls understand that We, the Angels, live in God, in divine transcendence, and therefore are heavenly, holy, very living spirits, and we act in the lives of men to help them do the will of God, men you can begin to have a true inner union with us. This union must manifest itself in every operation of the soul and in every moment of life. Therefore, when the soul goes to pray, it must call on Us so that its prayer may be made more and more with us and offered to the Sacred Hearts through Us. When doing any task, invites us to carry it out with her, so that she will never work alone for the glory of God, but will do everything with our help and participation. If she undergoes suffering, she also calls us to help her, strengthen her and offer her suffering to the Lord for the salvation of souls. In all that the soul does and does, we must be present through this true devotion that leads to a deep union with ourselves. (Marcos Report) “-Today, the Mother of God appeared to me splendorly beautiful, surrounded by two beautiful Angels. With kindness, she said to me: ”

Our Lady

“-I am the Lady of the Rosary. Today, when you remember a great victory of Mine, which took place in Lepanto, I remind you of the great power of the Holy Rosary. It was through Him that I won the battle of Lepanto. It was through the Rosary that I defeated all the heresies and evils of the world. You must pray the prayer of My Rosary more, with confidence, fervor, love and in total surrender to Me. The Holy Rosary moves the whole of Paradise to fight against the forces of evil when a soul prays it fervently. The Angels collect each Hail Mary that comes from the lips and hearts of My devotees and bring them to Me, and then, I myself present them together with My Maternal prayer to the Holy Trinity. During the prayer of the Rosary, many demons are paralyzed, without action, and many are imprisoned by the Angels of the Lord. During the Rosary, many chastisements are removed from the earth, and the anger of the Lord is appeased. During the Rosary the deadly smoke of Satan is dissipated from the world and My Maternal perfume of grace and bliss is spread among souls and nations. Pray the Meditated Rosary, the Meditated Rosary that My son Marcos makes for Me, because in Him I poured out all My blessings and all the graces necessary and possible for the salvation of all. Today, on My feast, as Our Lady of the Most Sacred Rosary, I bless you all. Peace, my favorite son Marcos. Peace.` (Seer Mark's account): Then he

Jacareí, October 8, 2006

(Report-Marcos) "-Today, the Three Sacred Hearts United came together. They were sad. With kindness and sadness, Our Lord gave the Message to the world today: "

Our Lord Jesus Christ

"-I, Jesus, the Sacred Heart, speak to you today once again, with pity and mercy, but also, My children, with great distress, because I see that time passes and you continue to be parked on the way, without advancing in conversion. Convert, convert without delay! Repent of your sins and make your hearts truly pure and holy before Me. You know, My children, that I am a merciful God, but I am also a very strict and severe judge... every evil servant who has not cultivated My vineyard and made it multiply, that evil servant I will command My Angels to bind him on his hands and feet and throw him into the lake of fire and brimstone, where there will be weeping and gnashing of teeth. Behold, My invitation to conversion was sent to everyone through My Mother and in many cases I did it myself... We descend to many places on earth, in many Apparitions to call men to conversion and repentance. But they didn't want to listen to Me, they didn't want to convert, they didn't want to return... The King sent an invitation to his friends, but one by one they apologized: "I got married, I can't go! I bought land, I can't go! My kids are already sleeping, I can't go! I have urgent business to do, I can't go!" And what will the King do? He will order his servants and his soldiers to go to that city, set fire to it and kill all its inhabitants, who received the King's invitation but refused to heed. And the King will then fill the royal banquet hall with sinners, with the lame, with the blind, with the deaf, that is, with those who walked in darkness and some were already almost on the verge of spiritual death and eternal damnation. And then the King will give them a new garment. A robe of grace, a robe of beauty, eternal, incorruptible, and great will be the joy in the King's house. Yes, I sent the call to many, but most of them shied away, apologized and did not come to the banquet that I set, that I prepared with so much love in each place of our Apparitions. Well then, to those who refused, I will order My Angels to bind them and throw them into the outer darkness in the lake of fire and brimstone where there will be weeping and gnashing of

teeth for centuries of centuries. To the poor sinners who answered “yes” to My calls and the calls of My Mother, we will give them a new garment of grace, a new incorruptible garment and its beauty and its luminosity will be much greater than a thousand suns together in My Father's kingdom. All those who received My call but did not want to come here are crucifying Me again. They didn't want to be here, they didn't want to obey Our Messages. They did not want to be a presence of love, obedience, prayer and fidelity in our blessed place of the Apparitions. Crucify me again! Crucify me again! I will not accept any justification from those who are not here today, because whoever is not here with Me and My mother and Saint Joseph is already against Us. Regarding us, there is no neutral position. There are only two positions: for or against and whoever is not here with Us is already against Us, is already against Us, is already fighting against Us and is already serving Our eternal enemy, the serpent, the devil, Satan. I will not accept any justification because to anyone I have denied My Grace, nor have I denied My signs to see that I, My Mother and My Father Saint Joseph are here, here we remain. To no one who prayed to Me humbly and sincerely I denied My light, the spirit of understanding, the spirit of piety and the spirit of wisdom, science and strength. So they crucify me again!

Crucify me without mercy! But I say to you: My Father will do justice just as He did justice by avenging His Son whom men crucified. He will also punish all those who crucify Me again today, who crucify Me in an even more cruel and brutal way than the crucifixion of My first coming into this world. I am crucified again by these men of today, completely immersed in materialism, immersed in hedonism, in Protestantism, in spiritualism, in occultism and in all the false doctrines that have spread throughout the world like a fatal cancer of souls. Crucify me again! I am crucified again by these men of today who are deaf to any call from Heaven, who observe cold as ice and harder than stones the Blood Tears of My Holy Mother without a trace of repentance, pain, contrition and of desire to love her, obey her and comfort her. These men of today crucify Me again, rebelling against any and all teachings that My Mother and I give them in Our Apparitions. These men of today who have already given themselves to Satan, who have already consecrated themselves to the devil through a pagan life, an atheistic life and completely contrary to My will, My commandments and My word, crucify Me again. Crucify me again! This is why the terrible punishments will have to come: the three days of darkness, the star Eros and so many other punishments to punish this humanity, which comes to scare away even the demons, for its malice, disobedience and hatred against Me and My Mother. But I call on good souls, simple and humble souls to come to Our Hearts, that they unite with Us as a great and strong current of love and salvation to still try to save what can be saved. My children, continue with the prayers that We have given you here and today I make another request to you.

Pray again the 15 prayers that I gave to My daughter Saint Bridget of Sweden. I know that you will not be able to pray the 15 prayers every day, so I ask you, pray them on Fridays. If you pray the 15 prayers to Me on Fridays, I promise at the end of a year to take 4 souls of your relatives out of the fire of purgatory that you will be able to choose and say to Me. I will take these souls

out of the fires of purgatory by My great mercy if they have prayed My prayers every Friday. Make the Way of the Cross whenever you can. How glad I am for the souls who come here in this Sanctuary to make the Way of the Cross along the 14 crosses, here, on the hill of the Sanctuary. I promise to drop a drop of My sanctifying and savior blood at every station of the Way of the Cross that My children make here. Come and pray the Rosary here, alone or in a group. There are many who have not yet obeyed this Message. Rosaries prayed here have more power than those prayed elsewhere. The prayers of this place are decisive for the salvation of the earth, for the salvation of many nations. That's why I want you to come here, singing and praying in procession. My Sacred Heart seeks souls who are like blessed Veronica, who dry My face, who dry the face of My Mother and My Father Saint Joseph, with the handkerchief of their love, of their prayer, for Our Three faces, Our Three sacred faces are full of sweat and tears of blood, as we contemplate the world that today looks more like hell than the paradise that I created... This world full of violence, hate and total absence of love for Me, for My Father, for My Holy Spirit, for My Mother, for Saint Joseph, for the things above... This is what you have turned the earth into! My children, dry Our holy faces bathed in blood. Comfort Our hearts and Our great pain and you will have a prize in Heaven, you will have the crown of Eternal Life, you will be known among the blessed, and among My Angels, as My true children, as My chosen race, as My branches, tightly bound and united to the vine... Yes, my children, you will be known as My blessed seed...

You will be known, My children, as My posterity, as My holy and immaculate generation, and then you, My children, will already feel, in some moments, you will experience on earth, a certain joy and a certain bliss from Heaven... You will have peace and in that peace you will live and one day you will return to Me. I am with you and I want you to pray 50 times during this month on your rosary beads: “Divine Heart of Jesus, provide new apostles for the Messages of Your Holy Mother”... Yes, because the harvest is great and the workers are few . I asked the Lord of the harvest to send new workers to his harvest. To all with My Mother My Father Saint Joseph, today we bless you. We bless the images of My Most Holy Mother, of My Father Saint Joseph, the Rosaries, the Medals, the Message Books, the Meditated Rosaries and everything you are taking from here to your homes, so that My Grace may act powerfully where you live, carrying out conversions, carrying out changes of hearts, saving souls and causing the infernal empire of my enemy to collapse. And as for you, Marcos, MY son, the smallest of all, I again bless you today with My Mother and My Father Saint Joseph. I bless your works, prayers and everything you do for Us, so that Our Messages are known and loved by all. We bless you, My littlest child, My little stone stuck in the most intimate corner of my Heart... We also bless your friends who here, with you, pray, work, suffer and fight... I promise you, you will be rewarded for all your troubles , weariness and afflictions that you will experience and that you will experience for a while yet,

I will reward you by giving you the crown of eternal Life, giving you a place of glory and of highest prominence in Heaven, among My Angels and I myself promise to be your inheritance already here on earth and then even more intensely in Heaven. I, My Mother and My Father Saint Joseph bless you now

and give you Our Peace! My dear angel! Peace, flower of My Sacred Heart! Peace my children! Go in Peace! Go in My Peace!”

(Report-Marcos) “-Today, the Angel Janiel appeared to me. He is blond, has blue eyes, wore a white robe. His countenance was very grave in this Apparition, but very kind to me. He said to me:"

Angel Janiel

“-Mark, I am the Angel Janiel. Let all souls know that this place, this Sanctuary of the Apparitions has its dignity related to the dignity of the Most Holy People who descended here to communicate their supreme will. This holy place must be dignifiedly honored where even We, the Holy Angels, are afraid to step on without the due love and reverence, respect and veneration that is due to it. How the disrespects, irreverences and offenses made against this holy place and all the sacred acts and facts that take place in it cry out to Heaven for vengeance! Some have already been punished, and others will still be. Woe to those who move their lips against this holy place and all that is in it!... Woe to those who devise and execute evil against it!... it would be better if they had not been born! Pray the Rosary of Triumph even more intensely, for the very Triumph of the United Sacred Hearts is conditioned to some degree by this prayer. May souls of good will come to remove the thorns of the Sacred Hearts United with their love, obedience and devotion. Peace, Marcos, beloved of the Angels. Peace."

(Report-Marcos) “-Afterwards, he spoke to me, blessed me and disappeared.”

Jacareí, October 14, 2006

Our Lord Jesus Christ

“-It is My will that My Most Holy Mother be recognized as Co-Redeemer by all souls. She is the Co-Redeemer of all humanity. She suffered in Her Immaculate Body through mystical wounds all the pains and wounds that I suffered in My own Body. When I worked miracles, She also did it with Me, although this was not visible to human eyes. When I rejoiced, She also rejoiced with Me; when I suffered, She also suffered with Me. She has always been united to Me in everything and, above all, in the Redemption of humanity. My Mother has always been the Forerunner of the Son, and now she is the forerunner of the Spirit. Only when She is recognized by souls as the Co-Redeemer of humanity will My Kingdom come to the world and I will reign

as God and absolute Lord of hearts. My favorite son, peace. Rest in My peace."

Jacareí, October 16, 2006

(Report-Marcos) "-Today, My Lady, the Mother of God, appeared to me beautiful and very tender. With kindness, she said to me:

Our Lady

"-I am the Co-Redeemer of humanity! In these end times, the Trinity sends the 'Co-Redeemer', the Mother of God, to prepare the world for the manifestation of the Spirit and the restoration of all things in the Lord. In the Old Testament, the Lord Yahweh was the one who most manifested himself to the world; in the New, after I came into the world, the Word, the Son, came to be revealed through Me; and now, I am the Forerunner of the Spirit, the One who will come to convict the world of sin, remember the Words of the Word and teach all things. And as I was the Forerunner of the Son, so now I am the Forerunner of the Spirit. When I am recognized as the Co-Redeemer of humanity, then the plentiful Redemption of the Son will unleash its full effects throughout the world. I am the Redeemer's Co-Redeemer and the Mediator's Mediator. I will reign and shine as Co-Redeemer...

(Marcos-Report) "- Then he spoke to me, blessed me and disappeared."

Jacareí, November 12, 2006
Our Lady

"-My son Marcos, It's Me, your Wonderful Mother, It's Me, your Light, your Hope and your Joy, who speaks to you again today. My son, My Immaculate Heart has chosen you among millions of men to communicate My will to human beings in these last times. Be just, My children, be holy, be honest. Do not steal, do not kill, do not take from others what is not yours. Do not be dishonest. Do not be liars, do not be accomplices, conniving with evil. Do not be unjust. Do not be, My children, lovers of evil. I ask you to wish well. That you want justice. That you want honesty. That you want the truth. That you want holiness and that you fulfill the commandments of God, for anyone who does not fulfill the commandments of God will not enter the kingdom of heaven. He will not enter! Seek your sanctification. Do not waste time, My children, with mundane things that are fleeting. Take advantage of your short and precious time to fulfill your daily obligations, and what's more, to seek your sanctification. Seek the things above.

Seek the kingdom of God first and everything else will be given to you in addition. I am your Mother who tell you: your time is rarer today, it is scarcer

than ever. Don't throw it away. Be converted! Read all My Messages again. Obey them and lead as many of you as possible to obey them too. Yes, My children, pray a lot. Pray for the mercy of God to descend on you and the Lord to have mercy on you... because when the punishment comes, it will be horrible, My children! It will be horrible to see bodies exploding in the air everywhere. It will be horrible to see the houses collapsing... it will be horrible to see the earth being shaken by forty earthquakes together... It will be horrible, My children, to see the enemy appearing before you... It will be horrible to be grabbed by the enemy and taken away with him to the eternal flames... It will be horrible, My sons! Pray that you are not one of those who will have to go with the enemy because they lived badly; because they disobeyed My Messages and because they did not want to hear the Lord's call as He spoke. Pray that you may be among those that the Holy Angels will come to guard and protect and that the Holy Angels will transport unharmed to the triumph of My Immaculate Heart. Pray, My children. See you soon. Pray!"

Our Lord Jesus Christ

"–Yes, My children, My Sacred Heart blesses you today and says to you: Fulfill My Word! I have given you My Word, but men have not fulfilled it; and that's why the world hasn't changed a bit since I first gave My Word two thousand years ago. I now come in My Apparitions to give My Word again, to remind you of My Word and to make you finally fulfill My Word and bear the fruits of holiness that I hope and desire. Yes, My children, your time is short. I say to you, I would like you to be like the brother of the prodigal son of the Gospel. Yea, the one who never left his father's house; that he never spent his father's goods on harlots and pleasures; one who never left his father's side, but rather stayed with his father all the time, loving him, helping him, and taking care of him. But since you were not like the righteous youth, then at least you were like the prodigal son! Repent! Return to your Father who calls you! Since you could not be like that son who never left his father's side; who never lost his justice; then at least be like the prodigal son. Return, shedding fervent tears of contrition and repentance, to Me, your God.

Weep for your sins! Beat your breasts hard, hating all the time you lived without Me; deploring all the time you spent loving the creatures of this world and despising My Love. Cry bitter tears, sincere tears, capable of purifying and cleansing your souls, and then I promise you that I will have mercy and pity on you. But woe to those who hear the voice of the Son of Man calling in these times and continue to despise the Love of the Son of God and prefer the love of creatures, of the things of this world. Woe to him who betrays My Love! Woe to him who knows My Love once, tastes the beauty and softness of My Love and despises My Love; betray My Love, preferring the love of things, of the creatures of this world!... It would be better for this one not to have been born!... Woe to the one who makes My Mother cry tears of blood because he does not hear Her voice; because he doesn't want anything to do with her and because he remains hard and indifferent in the face of My Mother's calls! Woe to him who disdains and despises the holy Love of My Most Holy Mother

because of the love of creatures and the things of this world!... It would be better for him not to have been born!

Be faithful to My Sacred Heart through the Heart of My Mother and then I will have pity on you. Come to My Heart and to the Heart of My Mother through the Loving Heart of My Father Saint Joseph! Those who prefer to ascend to Me and to My Mother without passing through the Heart of My Father, Saint Joseph, will not be able to. Whoever ascends to Us by Joseph, My heavenly ladder, will quickly reach Us, He will find Us, and We will unite with him and be one! Peace."

san jose

“- Marcos, My beloved son, it is I, your father, Joseph, your secret love, enchantment, joy and ecstasy of your heart, which speaks to you once more now. You know... My child, that My Heart is always, always with you and never leaves you. And let My children also know that I am always with them, especially in the hour of suffering. Do not cast anxious glances in all directions when you suffer... cast trusting glances at Me and you will feel My peace. You will have My help and protection. I will alleviate your suffering and inspire you what you must do to overcome all the trials of life. With Me, you will be invincible and no suffering or creature will overcome you, nor will it ever separate you from Jesus, from Mary Immaculate or from Me. My Most Loving Heart will surely lead you to the Hearts of Jesus and Mary and, finally, to the Eternal Father. Venerate more the image of My Most Loving Heart so that the second Pentecost may hasten. Be good, be faithful, keep coming here to this place and don't stop coming here for nothing... for nothing. Be faithful to this place, plant your soul here and do not depart from this place for anything. Stop looking for signs, confirmations here and there; miracles here and there; blessings here and there; for here you have everything. You have Our Messages eternal sources of Light, of truth and holiness, of perfection and of love. You have the Sources that We have given you, which are for you inexhaustible sources of all blessings; inexhaustible and perennial sources of everything you need for soul and body. Here you have peace; you have silence; you have peace; you have recollection... Here, you have the Holy Spirit in Person, which is revealed and communicated here in His Messages as never before in the history of humanity. Here you have the Holy Medal of Peace, the Holy Scapular of Peace, the rosaries and the prayers that We have given you here. You lack nothing. Anything! We cannot give you more than we have given you here. Here you have everything. You lack nothing. Therefore, be faithful to this Place. Do not be Judas; do not be traitors; Do not be unfaithful to this place, for I say to you that whoever betrays and is unfaithful to this place will seal his own damnation and it would be better if he had not been born, for he will despise divine mercy. Woe to the one who attracts the disgust of the Lord and His Mother by his infidelity and by his betrayal to this place of Apparitions!... That person will never have the grace of God in his life again! Beware! Do not commit the sin against the Holy Spirit, for, if you do, all prayers and good works, until the end of your lives, will be dead works... They will no longer please God!... Be faithful. Blessed be the souls faithful to this

place, who love Him, who defend Him and spread these Messages; who pray the prayers that We have given you here and who live loving this place. Woe to those who despise this place!... Blessed be all those who have made these Apparitions and the Mysteries that take place here their greatest treasure, their greatest bulwark, for great will be their reward in the kingdom of Heaven. Feast of the Holy Face of Our Lady

(Relato-Marcos) "-Today, the Mother of God appeared to me beautiful, all dressed in gold. She said to me: "

Mary Most Holy

"- Dear Children, My Immaculate Heart rejoices today in the celebration of the feast of My Holy Face. I gave you this Holy Face of Mine 12 years ago to show you how much I love you, how much I am present in your lives and how much

these My Apparitions here are the greatest gift of My Immaculate Heart ever made to humanity. My Heart, is revealed in this My gaze. My Love and My goodness are transmitted from My sweet and gentle smile. My glory and My holiness are reflected in the beauty and beauty of My face and My Peace emanates to all of you from My gaze inclined towards you. My Pity, My compassion for you are stamped and shown to you in My gaze lowered to you on this Holy Face of Mine. I have given you this sign of Mine... sign of My immense tenderness, kindness and compassion so that all my children could find Me, could recognize Me, look at Me and then receive My Peace, My Love and the certainty that I am with them and that I never abandon them. These My Apparitions here were chosen among so many for this most extraordinary grace of My Immaculate Heart. If I gave you so much love, so much more love I ask. From you, to whom I have given everything, of so many treasures and blessings from My Heart, I ask: more prayer, obedience to My Messages and correspondence to the desires of My Immaculate Heart. Collaborate with My maternal plans. Collaborate with My great plan of salvation for humanity. they were chosen among so many for this most extraordinary grace of My Immaculate Heart. If I gave you so much love, so much more love I ask. From you, to whom I have given everything, of so many treasures and blessings from My Heart, I ask: more prayer, obedience to My Messages and correspondence to the desires of My Immaculate Heart. Collaborate with My maternal plans. Collaborate with My great plan of salvation for humanity. they were chosen among so many for this most extraordinary grace of My Immaculate Heart. From you, to whom I have given everything, of so many treasures and blessings from My Heart, I ask: more prayer, obedience to My Messages and correspondence to the desires of My Immaculate Heart. Collaborate with My maternal plans. Collaborate with My great plan of salvation for humanity.

Collaborate with the plan for the triumph of My Immaculate Heart. Be My obedient children. Be my subjects and vassals ready and courageous. Be My faithful and fearless soldiers. Take to all My children My Messages, My prayers, My Medal and My Scapular... My Gray Scapular of Peace, My Holy Medal of Peace. Bring the light of My Immaculate Heart to this world that lies in darkness. Take My Motherly Love to all My children who live dominated by hatred, selfishness, in the slavery of Satan. Take My light to this world that has already turned into a deep night, such is the darkness that surrounds it, from errors, vices, sins and all the things that go against God and His Law of Love.

Take My Grace to this world sunk in the mud of sin. Bring My Peace to this world oppressed by wars, hatred, discord and violence. Take, take My mystical light so that, where Satan has wounded, I can heal; where Satan has thrown down, I may raise up; where Satan has endowed himself with the things of God I may defeat him, recover what is My Lord's and give it back to Him. Thus, My children, you will be helping My Immaculate Heart to triumph in this world. In moments of fatigue, affliction and suffering, look at My Holy Face that I have given you here. Exchange glances with Me, even without saying anything. I promise you that I will give you peace, I will give you My love, I will give you My serenity, I will give you My comfort, My consolation and I will renew your strength to keep moving forward. I will lighten the weight of your

cross through My Face. Trust in Me, wait on Me, be truly Mine. I AM YOUR MOTHER AND I EXPECT GREAT THINGS FROM YOU, A GREAT HOLINESS, A GREAT PERFECTION. Do not defraud Me. Do not disappoint Me, My children. Continue to pray all the prayers that I have given you here. Today, once again I bless you through My Holy Face, I give you My Blessing and My Peace forever. Peace."

Jacareí, November 19, 2009

(Marcos) “May Jesus, Mary and Joseph be praised forever. What do Your Majesties want from me today?

"Your Highness would you like me to write it? Yes Your Majesty."

Saint Joseph

"-Dearest children, I, JOSEPH, speak to you today in the name of Jesus, our God and Lord, and of Mary Immaculate, our Queen and our life

. fulfill the commandments of the law of God, you will not enter the Kingdom of Heaven, you will not enter. May your life be pure, pure, or else you will not enter the Kingdom of Heaven.

Fulfill our Messages, obey our Messages, for anyone who does not obeying will seal your own damnation, and you will not enter the Kingdom of Heaven, you will not.

Be Apostles, true Apostles of our Most Sacred Hearts, going all over the world, announcing our Messages.

Bow down so that then our glory will shine and the world will see our light. Be true imitators of Christ, for anyone who does not imitate Christ will not enter the Kingdom of Heaven.

He who does not have the virtues of Christ will not enter the Kingdom of Heaven, he will not enter.

Whoever does not have the virtues of Mary Immaculate will not enter the Kingdom of Heaven, he will not enter. Be true imitators of Mary Immaculate.

Know, my children, that your prayers are dead if you consent to sin. Know that your prayers are dead in themselves and do not please God, nor can they save your souls, if you, even praying, consent to error, sin and evil, you will go into eternal fire, even so, even though you have prayed, because your mouth praises God, but your hearts are far from him. If you want your prayers not to be put to death, and that your good works not to be put to death before God, keep the commandments, keep our Messages, hate evil, renounce evil, break with evil, for whoever does not break with evil, will not enter the Kingdom of

Heaven, will not enter.

Here in our Holiness School you must be saints, you must have clean morals, pure morals, upright morals. We will not admit immoral people here for a long time, people who have no morals, who have no justice and who conform to this depraved world, this perverse and evil world in which you live.

If you want to be the true students of Us, in our School of Holiness that we have created here and inaugurated here, you must have clean and upright morals, you must fulfill the commandments, you must fulfill our Messages, you must hate evil and want to the good above all.

I know that because of the original sin with which you were all born, you are weak and miserable, and often do evil that you do not want to. To these the Lord will have mercy, with these He will have mercy and patience, but woe to him who does the work of God wrongly, woe to him who does the work of the Lord badly, better would he be who had not been born. Woe to him who does not hate evil, who does not love good above all else, and who does not seek to have in himself all the moral virtues, the cardinal virtues, and all the other virtues that a Catholic should have, to be an example to others, and teach others.

Woe to him who loves sin. Woe to him who loves the unjust, injustice and loves error, and loves what is contrary to the Lord and Mary Immaculate, it would be better if he had not been born.

Therefore, my children, dear children, children bought and redeemed from the tyranny of the devil, with all the Blood of a God shed on a cross, children bought with all the Tears of Blood that the Mother of God shed, with the Pains of her Immaculate Heart, children bought with Sorrows and with all the Tears that I myself Joseph shed throughout my life together with Jesus and Mary, suffering with them, dear children, be good, be perfect as Jesus Christ is perfect, be perfect as Mary Immaculate is perfect, whoever is not perfect like them, will not enter the Kingdom of Heaven. Therefore, my children, so that you want the good, so that you love the good, and so that later you can succeed in doing good, continue, continue with all the prayers that We have given you here and command you to do, because only through them will you be able to receive the energy,

Continue to say the prayers that We have given you here, especially SETENA and THREENA every month, the Meditated Rosary that my son Marcos makes, which is the best of all times of humanity, of the entire history of humanity, and it is what pleases us the most, consoles us the most, glorifies us the most, and reveals us the most to the souls of these times. Continue to do the Hour of Peace, the Hour of the Holy Spirit and my Hour every Sunday.

Yes, our Most Sacred Hearts have attracted you, they have called you to come here to know our School of Holiness, which are our Apparitions here, in this Sanctuary, now the decision is yours, we are waiting for your answer, if your answer is yes, we will take it to you, we will teach you, we will nourish, we will

form, we will educate, we will sanctify you, if your answer is no, we will have to abandon you and leave you at your own mercy and at the mercy of the rebel, the enemy from the beginning. My children, pray, pray, because your time is short, pray, do penance, weep for your sins, pray." (Mark) "-Everything will be done as your Majesty has commanded me. Is there any

more of your wishes?

for the 8th of December at the Hour of Grace? Yes...

And that soul for whom You sent me to pray was in great danger of condemnation, has she returned to Your arms? Blessed be your name.

And for the Feast of the Miraculous Medal next Sunday, do you want something special?

I can yes. And I thank you with all my heart.

Father Saint Joseph, can you give a special blessing today to... Peace. See you soon. Disappeared."

Message from Santa Catarina Labouré (Seer of Our Lady - to whom the Miraculous Medal was revealed in Rue du Bac, Paris, in 1830)

"- Marcos, I am Catarina Labouré, I am Protector of this place, your protector, protector of these Apparitions, protector of your companions in struggle and slavery of love to the Mother of God and protector of all pilgrims who sincerely try to obey the Messages of the Mother of God and who here have true faith. I, also suffered a lot in my life as you also suffered. As you were contradicted, I was also contradicted. I faced the skepticism and disbelief of men regarding the Apparitions I had of the Mother of God. I understand your sufferings. I always understood them, and I always supported you even when you didn't know it. Marcos, how my Heart loves you and prays for you without ceasing in Heaven, never ceasing to watch over you, guard you, protect you and keep away from you so many evils. Know Marcos, that I Catarina, I am constantly here at this location. And here, I protect all the souls who sincerely come to me, who sincerely trust me and ask for my protection. All those who come here and invoke my protection and intercession so that I can lead them to the Most Sacred United Hearts, I will do it together with the Holy Angels, I promise: I will! I, every day, spread over this place a mantle of light, peace and protection to guard it from all its enemies and from all evils. Blessed are the souls who wear the Medal they call Miraculous and which was revealed to me by Holy Mary in the Chapel of Rue du Bac. For I will also be with her, LIVE protecting these people, removing evils from them and attracting abundant blessings from God. Blessed are the souls who celebrate every year on the 27th of November, the day of the Medal that the Mother of God revealed to me

because these souls will have the grace to be defended by this Medal at the time of death and the demons will not be able to molest her and she will emerge victorious. That soul that uses the Medal and celebrates the party, will emerge victorious from the last fight. Come to this place with faith, with devotion, with ABSOLUTE TRUST because trust is the vessel with which you can reap the Graces and Blessings of the Mother of God. Without Faith, without trust, you cannot receive the blessings that the Mother of God wishes to give here. Come here to pray the Rosary, singing and praying in procession. I want a picture of me to be posted here so that souls get used to asking for my intercession and my protection because they have forgotten a lot and I can help them a lot, but the condition is that they ask me. I also ask all of you to pray the Rosary of the Immaculate Conception if you cannot every day, at least on Saturdays, to honor the Blessed Virgin more with this Rosary praying the Prayer that She herself showed me in the Holy Medal, so that the Immaculate Conception of the Mother of God be your protection, be your guard, be your shield and be the only Light that illuminates your hearts. I bless everyone at this moment. Marcos my beloved, I am always with you. Whoever loves you will be blessed by God. Whoever hates you and slanders you will be rejected and blotted out of the book of life by the Lord. Whoever loves and fights for the good of this place will be blessed by the Lord. Whoever harms this place will have his name blotted out of the book of life. He will be banished from the Assembly of Saints and will be the object of the displeasure and wrath of the Most High. The Lord so decreed it before His Angels. Holy is the Lord. Holy is his Decree."

Message from Saint Margaret Mary Alacoque (Seer of the Sacred Heart of Jesus)

– Marcos, I am Margarida Maria Alacoque, the seer of the Sacred Heart of Jesus of Paray-le-Monial. I also love and defend this place with the Grace that the Lord God Almighty has given me. I watch over this place and every time some evil approaches it, you and your companions, soon I raise the Most Sacred Heart of Jesus, I cry out His Name and thus defeat the evils that arise against this place. In the same way, I defend everyone who spreads the Message of the Most Sacred United Hearts of this place and who fights and works for the good of this place. I wish that the first Fridays of the month in reparation to the Heart of Jesus and the first Saturdays will be practiced again with the fervor and devotion of the beginning. I wish that this reparative devotion to the Hearts of Our Lord and the Mother of God, together with the devotion to the Loving Heart of Saint Joseph on the First Sunday, spread and be practiced by all. If the King of France had listened to the appeals that Our Lord addressed to him through me, if he had made the reparatory devotion to the Heart of Jesus and made the whole kingdom of France practice it, there would not have been the French Revolution with its evils. and its persecutions against the Holy Catholic Faith and the servants of God. In the same way, if you do not make this reparative devotion and do not spread it, serious sufferings will come for you in Brazil and for the world. As serious and even

worse than those who came over the kingdom of France for not having obeyed the Messages of Our Lord in Paray-le-Monial. That's why I ask you, all of you, that you spread reparative devotion to United Hearts; May you pray the Holy Rosary Meditated daily; That you place the Three United Sacred Hearts enthroned in Your Homes and that before them on the first Fridays, Saturdays and Sundays you consecrate your families, consecrate your souls and do this act of reverence of reparation and renewal of the promises of your baptism, of your faith and of your Consecration to the Most Sacred Hearts United for all Eternity. If this is done, you will attract the mercy of God. If it is not done, you will attract justice, wrath and punishment from God. Holy are the decrees of the Lord and righteous are his plans. Marcos, I bless you with all those who are dear to your hearts, to all your hearts. I bless you and I bless all those who are dear to your heart too and today,

Message from Saint Alfonso Maria de Ligório

- Marcos, I, Alfonso Maria, come to bless you today, beloved of the Mother of God and of the Most High Lord. I thank you for disclosing in the Meditated Rosaries the glories of the Most Holy Mary that I have written. Oh yes, through these Meditated Rosaries those glories of the Mother of God that I wrote 300 years ago and left as a testament of love to humanity, finally these glories come to the knowledge of the multitude of the children of the Mother of God, and these glories finally realize their work and produce its fruit, the fruit of love, obedience, reverence, of great esteem and of the total and complete consecration of souls to the Mother of God. I thank you. I thank you for being my echo. It continues to be my echo in the midst of a world that has lost its love for the Mother of God. In a world that lost what was most beautiful and most charming, which was filial devotion, tender, submissive and full of fear towards the Mother of God. Be my echo! It continues to be my echo so that this humanity can be healed of the wounds that the evil one has opened up, so that humanity can once again find devotion and the supreme love to Holy Mary that it lost through its own fault and negligence. Heals the wounds of devotion to the Mother of God made by the evil one, which greatly diminished it and made it almost disappear. Truly I tell you Mark, everyone who listens to you will listen to the Mother of God and to Our Lord, will listen to the United Sacred Hearts. Everyone who hears the glories of Mary that you record and spread will hear my voice. He who does not listen to you will despise me, will despise the United Sacred Hearts, will despise the Most High himself. be faithful. Be the continuation of my ideal of making Mary loved, known, venerated, admired, exalted, obeyed and loved by each and every human being. Be my continuation on earth and you will have a great treasure in Heaven. Treasure that you have already accumulated and that is already in great abundance waiting for you. I bless everyone who is here today, everyone who loves the glories of Mary that I sang, that I wrote, that I left as a testimony of my love for her. I bless with the most abundant blessings of the Immaculate Conception of the Mother of God all those who pray the Meditated Rosaries, the THIRTEEN Prayers that leave this place. Message from Saint Bernadette (Seer of Our Lady in Lourdes-France)

“Marcos, every time I came here I told you that I loved him, and I repeat now: I love him very, very much, and whatever you ask of me, I will give you. Mark, where your treasure is, your heart is. Here in these Apparitions is your treasure, and that is why your heart must be here, which now beats in your chest after its departure from this world. Yes, his body must stay here, for he must continue to glorify God and the Most Holy Mary even after his death. Yes, continue to be the echo of the Mother of God. Be the echo of the Mother of God making her messages reach the four winds, the four corners of the world as quickly as possible. Continue in your work of spreading the Meditated Holy Rosary, because this Meditated Rosary has already made many souls progress on the spiritual path. Ah Mark, can't you see, you cannot see the good these Rosaries have already done for so many people. How many who were already on the edge of the precipice, just a light breath would throw them, how many who were already in the mouth of the serpent, enchanted like birds, ready to be devoured by the enemy in temptations, pleasures, amusements, glories and honors of this world, and that thanks to these Meditated Rosaries they were saved and preserved. Oh can't you see! You cannot see how much good these Rosaries and these Prayers that you make and that you publish here have done for souls. There in Heaven you will see how many souls, how many

thousands of souls were helped, were spiritually healed, advanced on the path of perfection and holiness, and today they have become a cause of joy, no longer of sadness and tears for the Most Sacred Hearts United. Oh yeah, I tell you that here the Most Holy Mary revealed her love as intensely and even more intensely than in Lourdes, and the glory of her presence, of her coming here, will last through all generations, until the end of the world; and the name of the Mother of God will be glorified here by the works that she has done and that she does. He will be glorified by the holiness of all she has called into her service. It will be glorified by all those who obeyed the Messages, who prayed these Prayers that come from here, and it will be, above all, extremely glorified by you Mark, who gave himself entirely to her, like me. He will be glorified by the holiness of all she has called into her service. It will be glorified by all those who obeyed the Messages, who prayed these Prayers that come from here, and it will be, above all, extremely glorified by you Mark, who gave himself entirely to her, like me. He will be glorified by the holiness of all she has called into her service. It will be glorified by all those who obeyed the Messages, who prayed these Prayers that come from here, and it will be, above all, extremely glorified by you Mark, who gave himself entirely to her, like me.

Who consecrated himself fully to her Immaculate Heart to serve her, without reservations, without imposing conditions, with all your strength, and even when you had no more strength. Yes, the Mother of God will be glorified here and her Name will shine and will be seen by all the nations of the earth, and Her Immaculate Heart, which poured out all its love and goodness here, will shine and will be seen by all men. who will come here to praise her, to give themselves to her, and to give themselves to her for all eternity. Mark, I tell you, all tribulations pass and will pass. All crosses pass and will pass. Calvary passes and the resurrection comes, although many times the cross returns and is present.

The Most Sacred Hearts United will triumph here, and you with Them will also triumph, and all those who obey Them will triumph, and I say to you that the graces that the Mother of God performed and performs here will endure forever, and all your enemies will be put in Her footstool. Mark, I am here to guard and bless this place day and night, and to guard and bless you too. Ask me today whatever you want, and I will give it to you.` Mark: `-Beloved Saint Bernadette, I ask you and the Most Holy Mary through you and in your name to grant to all the people who are here today, with true faith, with a sincere desire to obey the Messages, may they have all their punishments due to their sins erased and forgiven, to all the people who pray the Meditated Rosary and the Prayers that left here daily,

The grace of remission of the penalties due to their sins will also be granted now, by the Mother of God, at the moment of blessing to all those who pray the Meditated Rosary from here daily with the Prayers from here. But the grace of final perseverance, this grace Holy Mary can only grant to those who ask for it daily in the Holy Rosary, for this grace is conditional on the soul's petition and desire. The soul that faithfully asks for it, for life and is forced to do and that deserves it, this soul, in the name of the Mother of God, I promise you, this soul will have it. Behold, now the Mother of God will speak.”

Message from Our Lady

“-I am the Immaculate Conception, I am purity, I am grace, I am holiness, I am justice, I am beauty, I am peace, I am Divine Mercy. Today, my children, on the day you celebrate my Immaculate Conception, I say to you all: Walk in grace, walk in love, walk in holiness, walk in the way of God's Commandments, walk in obedience to my Messages, walk in serenity, in peace, in faith, in the confidence that in the end, only the Immaculate Conception, your Heavenly Mother, will triumph. The great dragon will be defeated by me, and I, the Immaculate Conception, will triumph over it, freeing humanity from its yoke and its evil bondage, and all my children of good will who now groan under the weight of my enemy's oppression, will finally be set free and enjoy perpetual peace, happiness, love that will not end. My Immaculate Heart will triumph and the most evident sign of my triumph are all my very numerous Apparitions on Earth, which despite the devil trying to make them disappear, destroy them, suffocate them, submerge them with the river of water that he spews out of his mouth, he cannot, and in every place of my Apparitions I have raised very many souls to a degree of holiness so great that only on the day of my triumph will it be known and seen before the eyes of all. The evident sign of the triumph of my Immaculate Heart are my very numerous Lacrimations, including those of Blood, which converted so many sinners who had already had their sentence decreed, and thanks to my Tears they were converted, they returned to the Lord and saved their lives. souls. Therefore, my children, I invite you to move forward in trust and hope, in love and joy, in peace and in the complete certainty that in the end, only the Heart of the Immaculate Conception will triumph, bringing new days to the world. of joy, grace and peace."

(Marcos) "-Since then your Majesty allows me, I would like to ask for myself and for my companions who work here in this Sanctuary with me, who give their lives, who fight and who suffer with me, the grace of final perseverance. I would like then, since the Lady grants me to ask, I would like to ask for the

grace of being able to see your Mother, Saint Anne, on February 2nd of next year, for whom I have great love and great gratitude for having brought you into the world, because she gave you to me and to all humanity. You who are all my treasure, all my love, all my life and all my joy and the reason for my living. I want to thank Saint Anne personally for having brought You, the most great Mother of God into the world, and for having given You to me as a Lady, as Queen and also Our Lord Jesus Christ,

Thank you very much, my lady."

Our Lady continues

"My children, lift up the roses now because I will bless them. You will take these flowers to your homes, you will distribute them to the sick and the suffering. You will place these rose petals on the bed of the dying. You will place these rose petals in your homes so that my grace and my blessing will fill and envelop your home, and free it from the onslaughts of satan. You will keep the stems of these roses in your homes, even after they have dried, you will place these stems, my children, next to your holy images so that my blessing remains for a long, long time, enveloping and filling your home with benevolence and Mercies of the Most High. Raise them, I will bless them.` `-You can download them my children, they have already been blessed, and with me all my Saints have blessed you who came with me from Paradise today to bless you. One last thing, dear children, I wish from all of you more fidelity, more obedience to my Messages, and above all, my children, that you pray my Holy Rosary with more fervor and devotion. I wish to see you here constantly in this Shrine, praying the Holy Rosary, and that you come here singing and praying in procession. I also wish, my children, that you be more constant and more firm in penance and sacrifice, as I asked you here and in Montiquiari. and that you come here singing and praying in procession. I also wish, my children, that you be more constant and more firm in penance and sacrifice, as I asked you here and in Montiquiari. and that you come here singing and praying in procession. I also wish, my children, that you be more constant and more firm in penance and sacrifice, as I asked you here and in Montiquiari.

I also wish you to be more ardent in the dissemination of my Holy Medals, both Miraculous and Peace. And I wish, finally, that all of you, my beloved children, do your best to make the existence of this place known to my children so that as many as possible come here to pray, and I can then convert them, and raise them to God. **Finally, my children, I ask you to remember my Immaculate Conception on the 8th of every month by praying 3 Hail Marys in honor of my Immaculate Conception with the ejaculation: 'By the Immaculate Conception of the Mother of God be my soul. Amen.' And I promise you, my children, to give you all the graces necessary for you to become holy and be saved, if you are always careful to do so as I now instruct you.**Finally, my children, I ask you all to celebrate the Feast of my Tears on March 8th of each year and to come here for this Feast, so that in front of my image of Tears you can console my Heart and bless the price of your

And I bless all those who serve me and work for me by your side and together with you."

Angel Meriel

"-Mark, I am the Angel Meriel. I come to say that true devotion to Saint Joseph makes the soul grow in the service of God and the Most Holy Mary, unlike the false devotion to Saint Joseph, which makes the soul settle down and not worry about perfecting itself in the virtues and sanctify me. False devotion also makes the soul think that it does a great thing just by saying a few prayers to Saint Joseph or by claiming to be devoted to Him. Renounce false devotion and seek the true one. Pray to Us, the Holy Angels, that We may help you to have true devotion to Saint Joseph, for only We can achieve this grace for you."

(Report-Marcos) "-He then spoke to me, blessed me and disappeared."

Jacareí, December 22, 2006
Angel São Baruel

"-Marcos, I come to say that true devotion to Saint Joseph is profound, making the soul that possesses it love Saint Joseph with all its heart, and have for Him a very deep, non-superficial love, and for that love , in order to possess it, makes the soul despise all earthly affections in order to be more fully of Saint Joseph. This deep devotion causes the soul to become strongly attached to Saint Joseph and thus to live permanently, and it is easier for the body to lose its breath than for the soul that has this devotion to separate itself from Saint Joseph. This devotion will revive the strength of countless downcast souls and will impart new light and new vigor to the devout souls of Saint Joseph. This devotion of deep love to Saint Joseph makes the soul that possesses it do everything and suffer for the love of the Lord, the Mother of God and the salvation of souls. This deep love devotion will never end! Frames, whoever is worthy of Saint Joseph will embrace this devotion; whoever rejects it is not worthy of Saint Joseph. I, Baruel, have revealed to you the will of the Lord. Mark, peace! My beloved, peace!"

(Report-Marcos) "-He then spoke to me, blessed me and disappeared."

Jacareí, December 24, 2006
Divino Espírito Santo

"-Marcos, Beloved Mine, I am Love and only those who want to love Me can find Me. I only communicate My Graces of love through Mary, My channel of

graces. Come, therefore, to Me, who I am all-merciful and merciful. Come to Me, I call you without ceasing. Come to Me, even with your faults and weaknesses, and I will receive you. If you come to Me through Mary, I will not reject you. Is it not written that love is patient, compassionate, bears all, hopes all, and suffers all? Well then, I am Love, and therefore I will wait for you, I will endure, I will be patient with you, I will suffer your imperfections and I will lovingly await your sanctification, provided you have a true desire to love Me and serve Me through Mary. Mark, peace. My Beloved, rest in My holy peace."

(Report-Marcos) "-He then spoke to me, blessed me and disappeared.".

Jacareí, December 25, 2006
Divino Espírito Santo

"I want to unite myself with souls, but many times I cannot do it, because they offer Me obstacles. I could forcefully remove them, but that is not My will. I want souls to unite themselves to Me freely and with the full concurrence of their free will. True devotion to Me must come from the depths of the soul and be the fruit of a free and sincere desire to love Me and unite with Me. May the soul that wants to unite with Me approach Me and lay down all the earthly affections outside its heart, which so impede and block My union with Her. To reach this grace, may the soul fervently resort to My Heavenly Spouse, Mary, and She will grant you this great good, without which it is impossible for Me to unite with anyone. Pray the prayers to the Heart of Mary that ask for My descent into the world. Pray My Rosary, the Rosary contained in My Hour, even on the other days of the week, to invoke My descent on the world more so that I can act more in you and in humanity. Mark, peace. Beloved of Mine, be My echo and rest in My eternal peace."

(Report-Marcos) "-Then he spoke to me, blessed me and disappeared."

Messages communicated in the Apparitions of Jacareí, year 2007

Jacareí, January 1, 2007

Message from the Most Holy Mary

"- Dear Children, in this new year I present myself again to you as Queen and Messenger of Peace. I will continue to come and bring messages of peace, of prayer, of conversion, of penance, of holiness of obedience... of obedience to the Lord I adore.

This year I want to lead you to holiness as never before. I want to elevate you to a very great degree of holiness. If you, My children, do not get in my way and if you do not offer me resistance, I... I will raise you to a high degree of holiness. Do not be afraid of the sufferings, nor of the trials that you may have this year, because My Heart... My Heart, which is your Shield, will always defend you as I have defended until today. With the Holy Rosary, you will overcome all trials, all sufferings. With the Holy Rosary you will obtain many Graces and even Miracles if you pray it with faith, with love, with perseverance and in complete conformity with the will of the Most High and Mine. I wish you, My children, great things this year. I expect from you many sacrifices, much prayer, much dissemination of My Messages, much dissemination of the Meditated Rosary, of the Hour of Peace, of the Hour of Saint Joseph, of the Hour of the Holy Spirit, of My Messages, of My Apparitions. I wish you great courage. I wish a great love, a great trust, a great dedication, a great consecration of each one to My Immaculate Heart. Work hard without ever getting discouraged or tired because My victory is certain and near, but it has not yet been achieved. Therefore, dear children, work tirelessly for the Triumph of My Immaculate Heart. I leave peace to all." Work hard without ever getting discouraged or tired because My victory is certain and near, but it has not yet been achieved. Therefore, dear children, work tirelessly for the Triumph of My Immaculate Heart. I leave peace to all." Work hard without ever getting discouraged or tired because My victory is certain and near, but it has not yet been achieved. Therefore, dear children, work tirelessly for the Triumph of My Immaculate Heart. I leave peace to all."

Message from Saint Águeda

"-Dear brothers, I Águeda servant of God and Mary Most Holy, I love you, I defend you, I guard you and I guide you. Be saints... seek perfection... love God... with a pure, good and innocent Heart. Love God unselfishly. Love Him more than the people you love. Love Him more than yourself. Love Him more than all created. Be firm and faithful to the Lord. I love you so much and I really want to help you. Pray to me always, ask for my help and you will have it. In moments of suffering, difficulty or temptation, invoke me and you will see how

you will triumph over suffering and temptations, because I will help you and I have been entrusted by the Lord and the Mother of God with the task of defending his servants, especially the young. Pray, and I will always be your friend, companion and defender. Peace."

Jacareí, January 1, 2007

Message from Saint Inês

“- Dear Brothers, I, Agnes, servant of the Lord and of the Mother of God, give you today my love and my peace. I come from Heaven to offer you my help, my protection and my light. I am in the highest heights of paradise, very close to the Mother of God and the Holy Trinity. I can help you a lot and I want to, but the condition is that you ask for my intercession, my protection and my help. Be faithful to the prayer of the Meditated Rosary that Marcos makes, because it is the Rosary that most glorifies the Mother of God and the Holy Trinity, because in it man hears the voice of the Mother of God herself in Her Messages to teach him, admonish him warn him, rebuke him, encourage him, enlighten him and discipline him. Be faithful in Trezena, in Setena, in the Hour of São José, in Espírito Santo, in the Hour of Peace. Be faithful to all those prayers that the Sacred Hearts have given you here and that Marcos makes and gives to you. These prayers are strong, holy and wholesome food and will always keep your souls in perfect spiritual health. He who prays and is faithful to these prayers will never suffer from any spiritual illness... ever!... And if, by chance, he ever has the misfortune to become spiritually ill, he will quickly get up and return to spiritual health again.

I, Agnes, am your sister and friend. I want, can and must help them. But pray to me, invoke me in suffering, in difficulties and I will be like a 'protection wall' around you to defend you from Satan's attacks, from temptations, from bad thoughts, from bad desires. And I will defend you, I will give you strength in times of trial. Dear brothers, have a very deep devotion to the Blessed Virgin, because I tell you, it was this devotion that gave me the strength to overcome all suffering and martyrdom and reach Heaven where I am now happy forever. I tell you, it is useless for man to possess everything if he does not have true devotion to the Mother of God. Therefore, love her, love her very much, certain that you will never, ever defeat Our Lord Jesus Christ in His love for the Blessed Virgin, for He was the one who loved Her the most. Therefore, never think that you love her enough or even that you love her too much. No! No one will ever love the Blessed Virgin more than Jesus. Therefore, love her so much, love her in such a way that for you to love her is more precious than life itself.

Love her and rather wish to lose your own life than to lose your love and devotion to her. Put devotion to the Blessed Virgin within your Heart. Lock it up and throw the key into my hands so that I can keep it so that the devil can never harm, weaken or destroy that love and devotion to the Mother of God within your hearts. Peace to all.”

Jacareí, January 14, 2007

Divino Espírito Santo

“Mark, My Dearest Son, My Beloved, I bless you again today with all the heavenly blessings of my love. Come, be my Echo. Be my continuation on Earth. Make my voice in your voice spread and reach all hearts that still don't know Me and don't love Me. My Beloved, come... communicate my will and my Word, my love and my poem... My Song of Love and kindness to all these children of mine.”“- Dear Children, I, Love in person, Your God, I call you and invite you to open your Heart to Me. A soul that does not obey My Messages and still says he loves Me, lies! She does not love me! Whoever keeps My words, whoever obeys My Messages is the one who loves Me. Do not be inconsistent my children. What your mouth says, let your acts fulfill and confirm it. If your mouth says one thing, if your mouth says that you obey Me and that you will fulfill My Messages but your life shows something else, you are liars. You lie to yourselves and to others, you do not lie to me because I know what is hidden and I probe what is inside you. Therefore, I say to you My children: -BE SAINTS. BE TRUE AND OBEY MY MESSAGES. I offer My love to everyone but I tell you that most prefer the false love of the world and creatures. For a few seconds of illusory love, for a few minutes of fleeting pleasure, for a few minutes of fame, glory and human esteem, for a few moments of self-satisfaction, for a few pieces of fleeting and obsolete goods, they despise My Eternal, Immutable, Unfathomable, Unlimited, Infinite, Just, Merciful, Merciful, Compassionate. oh, how can men of this generation indulge in such madness? How can men of this generation give themselves to such baseness? How can the men of this generation indulge in such perfidy to the point of despising My love for a vain vanity that will not bring them any good, in fact, it will only bring them evil and eternal damnation?
My Love is trampled underfoot by My creatures. How many are those who say to me: Lord, Lord, but they do not have Me. I am not in them, because they are not in Me. I do not dwell in them, because My Heavenly Spouse Mary does not dwell in them. If She dwelt in them they would love Her and obey Her Messages, and if She dwelt in them I would also inhabit her because where Mary is there I am too. Where Maria is not, I am not. She alone is worthy of possessing Me on Earth and those who possess Me on this Earth will only be able to possess Me in Mary, with Mary and in Mary, that is, if Mary lives and reigns in their soul, spirit and will. My Love is given if it is given, it seeks you with a violent force, but you do not receive it. I came for what was mine. I came to My people, but mine did not receive me. If they had received me, would have obeyed our Messages from the beginning to this day. But they did not receive me... They despised me... I seek love... Give Me a spark of pure love that is and you will possess me and I will give myself to you complacent and compassionate. Give Me a spark of love, whatever, to quench the burning flames that consume me in love and pity for you.

Give Me even a spark of love, to quench the fire, the burning of the flames of desire to unite Me with you who consume Me, who consume your God. Give me a spark of love, just a spark make you capable of at least giving me a spark of love. I asked my Heavenly Spouse Mary and My Beloved Joseph to teach you to have at least a spark of love for me. They alone can teach you and will teach you only if you humbly, contritely and sincerely turn to them. I want love! I came to this place looking for love. I came to make this place My nest of love where I can unite myself with My seeds. With My children, with My offspring and delight in them and they in Me. And until I obtain it by my Glory, Oracle of the Lord, I say to you:

Our Lord Jesus Christ

"- My children, I Jesus, The Sacred Heart bless you once more and I say to you: - Be faithful to Me and My Mother even if everyone is against you because of your faith and your obedience to with us. Do not be cowards My children, be courageous, be faithful... Always be loyal. Truly I say to you, many in the judgment, will come before Me and say to Me: Lord, here I am. are you? And the soul will say to me: It is I, Lord, who used to communicate with you every day in the Eucharist, who did not leave your tabernacles and from your presence. But I will say to that soul: I do not know you. Depart from Me. Why My children? Why were they taking communion every day and at the same time persecuting Me in My Apparitions with My Mother, with My Father Joseph and My Holy Spirit.

They communed with Me and were denying Me, denying My Apparitions. They communed and went about spreading the darkness of apostasy, lack of faith, doubt and disobedience to our messages in souls.

They communicated in vain. They worshiped Me in vain... because I do not know these souls. And I will tell them that when they come before me. Know that the prayers, adorations and even the communions of those who deny my apparitions, my messages with My mother and My father are Joseph, the prayers of these people are dead works. It has no value, because they have already committed sin against the Holy Spirit. God does not think as men think. And I cannot accept that a soul first kisses Me and then sells Me and betrays Me when he leaves the Church and pursues My Apparitions. I cannot tolerate such a thing.

I am the God of justice and I cannot accept the smallest betrayal, the smallest duplicity and the smallest treachery of the heart. Therefore I say to you: - Beware of committing the sin against the Holy Spirit. Beware of denying and persecuting Our Apparitions and beware also of remaining in that neutral position, of not persecuting but also not obeying because both I will vomit from My mouth and I will throw it into the eternal flames.

I, the Lord, do not allow the smallest disorder, the smallest duplicity, I do not

allow the smallest falsehood in My presence. If, then, you want your communions to be truly beneficial for you, to be healthy and saving for you, then make them in perfect obedience to My Messages and willing to make the sacrifice even of that if one day it is necessary to stay and defend the truth. of Our Messages. To stand by our side with us. If you want your prayers to be truly good and useful to you, then remain in obedience to us, so your prayers will really be salutary, otherwise they will only serve to increase the reasons for your condemnation.

I, the Sacred Heart, have to tell you these hard truths but if I don't tell you, you are lost My children, because you are a well of weakness, of cowardice and you easily become indecisive, you betray Me and My Mother and you still delude yourselves thinking that I receive the prayers of those who have already crucified me, of those who have persecuted me with My Mother in Our Apparitions. You are such fools My children, and if I do not instruct you and do not teach you the truth and what pleases Me, you make mistakes, you stumble and you fall over and over again.

Therefore, I say this to you with all complacency and the goodness of My Heart. Not to annoy you but to make you understand My children that God does not think like men and if men say that it is not necessary to be faithful to Our Apparitions, it is enough to continue communing, praying in church and persecuting My Apparitions same time and that you will still have Heaven! If men say and teach this, it is on their own account, for I have never authorized anyone to say such treachery and such a lie, I want you to be obedient to US. Continue to spread the Messages, because at least a third of humanity needs to be saved and there are not even a third of people converted yet. Continue to work for the dissemination of the Messages, because only they with the prayers that we have given you here the Hour of Peace, the Hour of Saint Joseph, the Hour of the Holy Spirit, the Meditated Rosary and the other prayers can save this world. My children, Peace! Rest in My Peace."

Our Lady

"-Little children, I am the Lady of the Rosary of Peace, I am your Mother. I bless you again today, little children. My Heart trembles with joy to see you here today in such great numbers. Thank you for coming. My Mother's love will last for centuries of centuries... My Love is Eternal, come to Me My children... Rest in My Heart and I tell you that if you come to Me with faith and trust, I will give you to taste a unique dish of the knowledge of My privileges, of My virtues, of My Glory that the Lord hides from those who do not love Me but reveals them on a large scale to all those who truly want and desire Me. I bless you all today, I bless you. Peace! ”

Jacareí, January 20, 2007

Divino Espírito Santo

“-I see you are tired. I will speak to you shortly. Rest in My love. Rest in My love. Restore strength in the strength of My love. I fell asleep in the peace of My love.

Blessed is the soul that does not stumble in My love and that is not offended in Me. My love far surpasses all that the human heart can yearn for. Happy who knows how to find the door. Peace."

(Report-Marcos) “-He then spoke to me, blessed me and disappeared.”

Jacareí, January 22, 2007

Angel Keryel

“-Mark, I am the Angel Keryel. I come to bring light and peace to your hearts again. The love of the Lord is gentle and sweet to the soul that finds it. He makes the soul see all things clearly; he makes the soul blossom into the rays of Divine Grace like flowers to the sun in spring. Love makes the soul perceive the sweetest presence of God in events and even in sufferings, making them sweet, even though they are painful. Love makes the soul bear what is difficult; overcome the insurmountable and achieve the impossible. Love will never be defeated. Love will never end. Mark, peace. My beloved, peace.”

(Report-Marcos) “-He then spoke to me, blessed me and disappeared.”

Jacareí, January 23, 2007

Divino Espírito Santo

“Son, be my echo. Spread My Messages. continue to make My voice echo. My love descends to the bottom of your abyss of misery to reach you. My love even forgets the hurts and offenses that you have done to Me to reach you and offer My love and My divine friendship. But most of the time, you despise Me, and then, no one consoles Me... If you do not open the door of your heart to Me, My grace will not be able to save you. The love that is true is quick and prompt in its response, as was that of Mary at the Annunciation, and it does not wait to hear My voice a second time, but rather goes ahead with the answer. Love doesn't ask for time to calculate, because it just doesn't know how to do it. Peace."

(Marcos-Report) “-He then spoke to me, blessed me and disappeared”

Jacareí, January 28, 2007

Our Lady

"-Beloved children, today I thank you for coming, continue to pray all the prayers that I have given You and sent You. The Anniversary of My Apparitions is approaching here, pray, pray to obtain the Grace to renew your conversion of each one on the Anniversary of My Apparitions My love has done great things here throughout all these years and will do many other great things if you are docile and meek to my maternal action.
I want each of you to deepen your True Devotion to ME, to the ANGELS, to MY HUSBAND SAINT JOSEPH, to the HOLY SPIRIT, to MY SON, to GOD. For that, reread all the Messages until the Anniversary of the Apparitions at least “Three” Messages a day, if you do My children, truly, on the Anniversary of My Apparitions I will be able to accomplish a great transformation in you. Apparitions also prepare, with a week of personal resignations that you can choose what you will give up. In this way, My Children, you will truly purify your hearts for the day of My Feast, and on that day you will be more beautiful, purer, more open and more detached from earthly things, and therefore more open and more prepared to receive the things of Heaven. I bless you all today.

16 YEARS ANNIVERSARY OF THE APPARITIONS OF JACAREÍ

(Messages from Our Lady, Saint John the Evangelist and Saint Eulália)

Message from Holy Mary

“My Son, I am “THE QUEEN AND MESSENGER OF PEACE”, today you and your brothers celebrate the 16th anniversary of My first coming, of My first Message to you. Little son! My Heart leaps for joy, leaps for joy upon hearing his words, giving yourself entirely to Me, for another year and for your entire life.

Oh my son! Here I will compare you, you are My little one, you are My favorite white lamb, you are the one who was nourished by My own hand, you are the one who was fed directly with the bread of My Grace, of My love, of My predilection, of My kindness. To you My Son, to you I reserved the most extreme care of My Heart, as a trembling Mother I took care of you, I protected you, I loved you, I guided you, I led you and I formed you, I raised you, I deified

you, I united you with My LORD and with Me.

Oh my son! I swear by My Glory, I will transform you into a beautiful diamond of rare beauty and incomparable value, so that you may be a glory engraved in My Crown. Yes My child... I will transform you into a shining star that around My head will form with the other stars a crown of Glory, of joy and of honor for Me, your Mother, your Lady, your sustainer, your co-redeemer , your protector, your defender, your trainer, your teacher, your Queen.

My Heart has done wonderful things in you and there are still many things to do, many more... because to you My son, to whom I have given so much, I say: - I still want to grant much more... son I have treasures for you hidden in the vault of My Immaculate Heart, which I will open to you and I say to you son: your soul will not die of joy when you see these treasures that I have to give you, because it is not My will that you still come to Paradise with Me. You must see and have these treasures on earth, so that through you they may also enrich, elevate and ennoble all those who listen to you.

Oh yes My son! When you speak My Messages, the Messages of the Holy Spirit, of My Son, Our Messages, we are the ones who speak through your voice and the hearts that have faith and true love feel it, prove it and receive our light, our light thrice holy that transforms even the deepest night into the brightest day, and in these souls it is always noon, always!

Behold, it is sixteen years ago today that I met you for the first time My child. do you remember? How scared were you? When did you see My light on the altar? And did you hear My voice speaking to you and you didn't know what was happening? You thought you were dying, didn't you, my little son? So it is! You were scared, because you were so small and so fragile, you knew nothing, you could do nothing... and from that day on My son I transformed your soul into My garden... That day I planted seeds of holiness, seeds of love, seeds of grace, virtue and peace, so that in your soul, in your Heart, these seeds would grow and become a fruitful and fragrant garden for My rest, for My delight, for My contentment. and My joy, and indeed, my little son, what I have done in you, I have also accomplished,

Yes My son... In many hearts the fruitful and fragrant trees are already growing, which give me rest, which please me, which make me happy, which enchant me and in these souls I can rest from My hard and painful work of converting the hearts of who do not believe, from hard and cold hearts, from skeptical and unbelieving hearts, slaves to the things of this world. Yes, in these hearts I can rest from My hard struggle, to make My Messages obeyed with fidelity and perfection. Yes My child... I can rest in that garden inside your soul and in the souls of My children who said yes to me and are faithful to this yes.

Oh! My Heart today looks back on these past sixteen years and although I feel the pain for all those who heard My voice and said no to me. My Heart, however, rejoices, because it sees that those who said yes to me truly, perfectly and faithfully kept this yes.

Oh! My Heart sees that all My work was not in vain! My Heart sees that My Tears even of Blood, that My pain, that My fatigue, that My supreme and extreme effort was not in vain... The seeds sprouted, the seeds grew and already glorify the holy hands that planted them.

My Heart blesses you today, my little son... Because you had to endure loneliness, you had to endure misunderstanding, persecution, slander, defamation and public execration for My love and for love of the designs of My Immaculate Heart.

Yes my son! You were a little martyr, even without shedding blood, you were a little martyr, you suffered for me, you were martyred by human evil for my love.

Oh my son! I will reward you, I promise you and I swear to you by My honor and Glory, I will reward you for all the annoyances you have experienced for My love and for love of My designs, My plans, My Messages, I will reward you generously and amply in Heaven and I say to you My son:- Great will be your reward, so continue, Be My Echo,

Be our Echo, Be the Echo of our voice on earth, Be our continuation on earth, be My son, the good angel who never tires of repeating, saying and re-telling our word, our desire, our will.

Oh My son! I tell you that today all Seraphim, Cherubim, Angels, Archangels, Thrones, Powers, Virtues, Dominations, all Angels are having a solemn feast in Heaven, for this blessed day!

Yea! Because when I came to Jacareí for the first time, full of love and kindness to have My first encounter with you, My Son Jesus showed humanity the breadth, height, depth and extent of His immense Mercy towards all human kind. Because in truth, after the Word became flesh, there was no other Grace as great as My coming here with the Holy Spirit, with My Son, with Saint Joseph, with Our Angels and Our Saints... Paradise exults with joy, sings, prays, rejoices, exults with joy, the angels tremble with love and jubilation for the great goodness of GOD and of My Heart, which sent Me here with these Messages of salvation, of love and of Peace.

Rejoice with Me, My Children, rejoice with Me My Son, rejoice with Me, because the names of those who obey My Messages with perfection and fidelity are written, there in Heaven, in the Book of Life, and those names already in advance they give to the Lord part of the Glory that will be paid to Him in Paradise for the centuries of endless Centuries...

MESSAGE FROM SAINT JOHN THE EVANGELIST

“-Marcos my brother, my love, my ward, my defender. I am John the beloved apostle, I am the one who protected, loved, guarded, honored and obeyed the

Most Holy Mother of GOD for 20 years after the ascension of OUR LORD JESUS CHRIST to Heaven. I am the one who loves you and protects you and who has the mission of teaching you true love for GOD, perfect love for GOD, for HOLY MARY, for the LORD.

Oh yeah! Those who do not fight for HOLY MARY and her Apparitions, those who are torn between obeying Her or obeying men, however holy they may seem, but who are contrary to Her Messages, these do not love her.

Those who do not fight for the BLESSED VIRGIN who appears on earth, in persecution, in poverty, in simplicity, in pain and suffering, in the abandonment of her own, these do not love her.

Those who do not give their whole life for HOLY MARY, still wanting to keep their life for themselves, do not love her, and will lose their life because they did not give their life to MARY.

Those who love everything and everyone, but the BLESSED VIRGIN don't love first and foremost and for that reason they leave everything else to possess this everything that is MARY, they don't love her... they don't love her!

Those who believe in part in the Messages, who have partial faith in them, and who some Messages accept and obey and others do not, do not love MARY and will lose her affection and friendship.

Those who don't bear everything for Mary, who don't suffer everything for Mary, who don't expect everything from MARY and in MARY and who don't give everything to MARY and to MARY, don't love her... don't love her... And they won't have the love of this HOLY MOTHER.

Those who don't love MARY, don't know love, those who say they love MARY, but keep away from Her Apparitions and Messages, to please men, to please anyone, and to have a false obedience to anyone whether he does not love MARY... He is not worthy of MARY.

It is not worthy of the love of MARY who does not embrace the Cross with HER and with OUR LORD and does not carry that Cross for all the days of his life, with humility, patience, resignation, obedience and absolute FAITH.

Whoever loves the world more than MARY is not worthy of MARY.

Whoever loves his loved ones more than MARY is not worthy of MARY.

Whoever loves priests, bishops and religious who are against the Apparitions and Messages of MARY, whoever loves them more than MARY, is not worthy of MARY... is not worthy of MARY.

Whoever loves himself more than MARY is not worthy of MARY.

Whoever loves his own interests, who loves his own will more than MARY, is

not worthy of MARY.

Whoever does not die to himself, whoever does not renounce himself, is not worthy of MARY... He is not worthy of MARY.

Anyone who is not willing to sacrifice everything, even everything to stay faithful to the Apparitions and Messages of MARY... Is not worthy of MARY... Not worthy of MARY...

I left everything for My LORD and for my LADY, to the THEM I consecrated my youth, my life, my strength, my old age. I suffered for THEM, I loved them with all my strength, and whoever does not do the same for MARY and for the LORD will not be worthy of THEM.

I made myself worthy of the LORD and of his Mother by living only for THEM, existing only for THEM... using all my strength just to obey and love THEM.

Blessed are the souls who left everything for the sake of MARY in her Apparitions, for they will be worthy of her.

Blessed are the souls who endure everything and suffer everything for the love of MARY, because they will be worthy of her.

Blessed are those who carry the Cross with JESUS and MARY in their Apparitions, enduring persecution, annoyance and abandonment of the earth, because they will be worthy of THEM.

Blessed are the souls who die to themselves to live only for MARY and only for HER in her Apparitions, for these souls will be worthy of eternal life with MARY, in Paradise.

Brothers, I give you PEACE, I leave you PEACE and I promise you I will defend you from all evils, from all the snares of the infernal enemy, I will always be with you to comfort you in the persecutions you suffer because of the Apparitions of MARY, in your sufferings, in your difficulties.

I will always be your Brother, your guard, your shield and your defender. Until Heaven where we wait for you. PEACE!

This is my task... Teach you to be faithful... Teach you to be obedient to the Mother of God... teach you to be docile, to be WORTHY of the Mother of God and of the Lord who descend here to communicate such high riches and such ineffable and elevated sacraments of His love and grace.

I... Eulalia, I promise to be with you, especially when you read the Messages from here to help you understand the meaning, the core, the Heart and the spirit of them...

I promise to help all those who spread these Apparitions and Messages.. .who make and publicize the Hour of Peace, from São José do Rosário meditated, from Trezena to Setena and everything else that the Lord and the Mother of God have given you here. I promise to be a lamp for you in the dark night of this world... I promise to be for you a path... always paved, straight, direct and sure to lead you to the Sacred United Hearts of Jesus, Mary and Joseph.

I promise to be for you always..., the arrow that indicates the true path... and that will not allow you to get lost by the false shortcuts and wide and spacious paths that the enemy opens before you in the middle of the journey to deceive you. .. to snatch you from the Sacred Hearts and lead you to damnation.

Marcos... how I love you... how I love you and protect and defend you... My brother... how I watch over you when you sleep and when you wake up... ,

when you go to bed and when you work... when you pray... when you read... when you meditate... I'm by your side daily and I don't leave you for a moment... I work with you... I give you strength... , I encourage you.. ., I enlighten you..., I encourage you, I support you when you need me.

Yes, I promise to give my help to all those in need who come here looking for the messages that save... that lead to Heaven.

I will always, always be by your side... just think of me and I will immediately help you and help you.

I swear by my holiness in Heaven and by my perpetual happiness in paradise I swear to you Mark: I WILL NOT REST UNTIL I BRING YOU TO MY SIDE IN PARADISE.

Peace!."

Start now son! So that as soon as possible, the HOUR OF THE SANTOS ANGELS is made and propagated.

This HOUR will free many captives from the devil and prepare souls and the world for the Triumph of our Hearts!

Message from the Divine Holy Spirit

“- I bless these Medals of the Lady of Tears, My Celestial Spouse, and I grant them the Grace of My Eternal Love. Wherever they go, there will also be My grace and My sanctifying love. Through them I will convert many sinners, I will free many slaves from the devil and I will turn back the wave of perdition that sweeps away the youth of today. Through it I will cause the infernal forces to retreat and be annihilated. By the power of My dear Mary's Tears, the infernal empire will be overthrown. I will overthrow the infernal empire through Mary's tears, to better make her Merits, Pains, Sacrifices and Martyrdoms shine with which She redeemed the world with Jesus... and so, every knee bows before Her and every tongue proclaims that she is the lady...

Yes... My love wanted all this for these Apparitions of Jacareí... My love reserved for this Apparition the task and grace of remaking this Medal, taking it out of hiding and finally making it known, loved and used by all my beloved children. The devil will rage before her, but... he will not prevail for I have given Mary's tears a virtue against which he can do nothing. This Medal, like the Medal of Peace, is the powerful sign against hell and the safe shield that we offer to all who fight for Our Messages and are persecuted because of Our Apparitions. The reappearance of this Medal already announces the defeat of hell and the fall of Satan... Above all, it will be a sign of failure for the red

dragon.

Obs.: Holy Mary blessed these Medals and while doing so, luminous stones fell from Her Hands on them. The Most Holy Mother of God was visibly so moved that her beautiful eyes began to shed Tears of Light that ran down her cheeks to her chin. Her tears of emotion and happiness spoke more than a million words ...

Message from Our Lady

“-Dear children, it's been 16 years since I've been appearing here and communicating messages with My Divine Son Jesus Christ, Saint Joseph, the Holy Spirit and Our Angels and Saints. I invite you, once again, to re-fervor your hearts in reading my Messages, in prayer, in conversion and in penance. I invite you to “Love-Friendship”. You must go beyond the servile love of God, that is, that love that makes the soul serve Him more out of fear of punishment and hellfire than, properly speaking, because God is lovable. You must go beyond the self-seeking love that sees in God a source of graces and benefits, whether spiritual, temporal or eternal, so that your love may be a pure, disinterested and sincere love.

You must also go beyond the love that sees in God someone who can make you wise, full of knowledge or great in the eyes of men, so that your love (pause) for God is not a love seeking glory... ... or the esteem of men, but a love that wants to love him filially... eternally.

Finally, my children, you must reach “Love-Friendship”, the love that loves God from the heart..., the love that makes the soul be friends with God, that makes the soul seek God with all its strength to love God. Lo, serve Him, adore Him and offer Him and make Him happy.... You must overcome my children, every kind of love that is not true love... The love that seeks itself and not God... The love that wants to make God accomplish his own interests and his own will...

My children, you will have to overcome all this, to reach true love, tender, filial, sincere, disinterested, good, persevering love towards God.

I thank you all for coming today, on My feast day.

I hope to see you here soon, my children, so that I can continue your conversion. Continue with all the prayers that I have given you and commanded you to do. Soon, My favorite son, Marcos, will give you the HOLY HOUR OF THE ANGELS, which you must do every Tuesday at nine o'clock at night, as My Son Jesus himself commanded you on February 7th of this year.

Wait my children and as soon as you have it, start doing it with love and fidelity

every Tuesday and you will see how the holy angels will act in your lives helping you to progress and advance on the path of holiness. To all My children I give Peace and I thank you for your sacrifices made here today for My love. Go in the Peace of the Lord and in My Peace too."

Message from the Most Loving Heart of Saint Joseph

"-My children... I, Joseph... once again today I greet you and I give you My Peace... I invite you to read all our Messages again. I invite you to meditate deeply on all of them. See, dear children, that you have been entrusted with a treasure of incalculable value... Treasure, which thieves will try to steal at all costs... What is this treasure? They are Our Messages. Who are the thieves? Demons, the world, creatures, the flesh and your own corrupt and evil 'I'.

These are the thieves who will try at all costs to steal your treasure. If you don't take care of the treasure... if you don't keep the treasure well guarded, well looked after and protected... You will lose everything and you will be reduced to a much greater misery than you had before receiving the treasure, that is, of know the messages and own them.

If you do not take care of the treasure, temptations, attachment to people and creatures, doubts, distractions, pleasures, amusements, your own 'I' corrupted... evil... lazy... negligent and disobedient they will end up destroying everything that the Messages have already produced in you.

If you, my children, are not prudent, if you are not zealous for the treasure... thieves will rob you... they will exfoliate you from everything... they will steal all the treasure and you will again be in the most miserable and dreadful poverty!

May this not amaze you my children... DO NOT THINK THAT BECAUSE YOU HEAR MANY MESSAGES AND ALREADY HAVE MANY OF THEM WRITTEN AND RECORDED AT HOME, THAT YOUR FAITH IS SECURE FOREVER... WHY IS IT NOT...

If you don't take care of the Treasure day by day... moment by moment... If you don't reread the Messages... if you don't meditate on the Messages... If you don't pray a lot for the gift of love, understanding, obedience and fulfillment of the Messages, your faith will not last long because thieves are bent on stealing your Treasure and leaving you in the most astonishing poverty, in the most astonishing spiritual indigence...

My children, I invite you see what a wonderful treasure these thousands of messages are that we have given you here... Do not be unworthy of this treasure... Do not become unworthy of it.... Do not lose this immense treasure, My children, through your wickedness. .. By your carelessness... By your negligence!

On the contrary, be fervent, zealous, loving, dedicated, careful, PROTECTORS OF THIS IMMENSE TREASURE that we here communicate to you, which are our messages.

If you do this, my children, the demons, the world, the flesh, your own corrupt 'I', the thieves... They will not be able to steal a single coin from this immense spiritual treasure of yours...

Pray every day to the Angels and the Saints that they may protect and keep in you this treasure always unharmed... Always unharmed... Always intact...

Pray to our United Sacred Hearts that we may make you capable of guarding this treasure well and even of doing so. multiply and double in amount...

For remember my children, that one day... when the Son of God comes on a cloud... accompanied by all his angels to judge the living and the dead, he will call each one before himself and to him who gave two talents, he will ask for four... to the one who gave five, he will ask for ten... and the one who gave ten, will ask for twenty...

Know My children that all these Messages that have been given to you will one day be demanded by the Son of God that will come on a cloud in the sky...

Yes, He will ask for the fruits, the profits of these messages and woe to him who has not produced any fruit who has not given any profit... nothing... It would be better for him... not being born...

Free yourselves! Get rid of it my children... YOU WILL BE CHARGED FOR THE MESSAGES THAT YOU ALREADY KNOW AND HEAR... Therefore... Therefore commit yourselves... Commit yourselves to make these Messages bear fruit, you to make them produce twice as much in you so that you can then stand and hand over to the Son of God and the Mother of God the profits and the fruits of all these messages and thus be worthy of the Crown of Eternal Life.

I, your father... Joseph... I promise to help you in this arduous task and I say to you: If you are docile to me and my action, you will SURELY manage to bear all these fruits and profits from the Messages... I GUARANTEE YOU... YOU WILL ACHIEVE IF YOU BE DOCEL AND OBEDIENT TO ME... Peace!..."

Message from the Angel Joriel

"-Mark, I am the Angel JORIEL... The soul that has true devotion to us, the

Holy Angels, strives every day to imitate our virtues, that is, our obedience to the Lord... our readiness in executing His orders... Our immense love and our fervor in carrying out His orders...
Our ardent devotion to His law of love... Our dedication to taking care of everything that is His and belongs to Him.. .

The soul that has true devotion to us.... seeks every day to increase more and more in the fervor, in love, in devotion and in the perfection with which it executes all things, no matter how small they seem, for the glory of God and the Most Holy Virgin... A soul that doesn't put more and more love every day in everything it prays, in everything it does in the name of God and the Blessed Virgin... doesn't have true devotion to us... It doesn't have true love and will be a cursed soul.

The soul that does the works of God and the Blessed Virgin poorly done will be cursed and will not have access to the kingdom of Heaven.

The soul... That treats God's treasures, His Messages... His prayers... His words with carelessness... With carelessness and in any way... With irresponsibility this soul does not have true love for God, for the Mother of God and not for us the Angels... And that cursed soul will be and will be expelled from the conviviality of the saints.

Take care, then, that you have the true devotion to us and not the false one. Do not allow yourselves to be deceived by yourselves for a moment, because often your Heart already gives you the impression that you have a true devotion for us so that you remain stationary in the place where you are...

Don't be deceived... Always think that you still don't have true devotion... Always think that you still don't have true love and that's why you need to seek true love even more so that it doesn't happen to you. delude yourself and delight yourself, thinking that you already have true devotion and so do not progress on the path of true devotion and do not rise even higher in true devotion and holiness....

Beware of yourselves... Beware of yourselves... And so, you will certainly never stop... You will advance forward at full speed, climbing the steps of perfection, of true devotion, and of true love surely and surely and our virtues will be able to rise again in you... The virtues of the Angels and the whole world, seeing that light in you, will seek it and thus the darkness will be banished and annihilated.. Peace!”

Jacareí, February 20, 2007

Message from the Angel Juliel

“-Marcos... I am the Angel JULIEL... how I love you, my dear... Joriel and I love you very much and all the other Angels in Heaven love you. ..

Come... Speak to the souls of the whole world about devotion to us the holy Angels with all courage and always imperturbable. Yes.. Fearless speaks... Speaks to the world of true devotion to us... For the devil rages when it is spoken of and when it is meditated upon, for he knows that when souls invoke our potent aid they will escape from his claws and he will see himself as if by magic WITHOUT NOTHING... He will see himself poor... He will see himself again MISERABLE and those souls that he took for granted that would be his forever will escape him like birds and fly away from him and higher and higher in the sky of Holiness...

Ah Marcos... Do not fear the fury of the demons... They got angry because of prayer... THE HOUR OF THE HOLY ANGELS... Know, my beloved, that prayer will triumph... GOOD WILL TRIUMPH... THE LIGHT WILL TRIUMPH AND WE THE HOLY ANGELS WILL TRIUMPHATE... IN THE END WE WILL TRIUMPHATE... AND THROUGH US GOD WILL TRIUMPH, THE UNITED SACRED HEARTS

WILL TRIUMPH... FAIRS, no matter what happens... May the souls who love us, give us this proof of love and prove us their love by teaching other souls to do this hour too... .

Ah Marcos, the condition for obtaining grace is prayer... When the number of souls who make our time asking for our powerful help is great, so will the miracles... Numerous will be the miracles of conversion and of salvation of souls that already seemed to be condemned in life.

Yes Marcos, I tell you, this HOUR OF THE HOLY ANGELS, will finally make the bonds... The bonds that hold many souls come loose and many of them who were paralyzed and couldn't take a step towards this place, these Messages, of these Apparitions and of the true love to these Sacred Hearts that appear here, finally these souls will be freed from their paralysis and their freezing and finally they will open their hearts... And the light.. The grace of this place will enter them and they will be spiritually resurrected .

Yes, those hearts will be resurrected... These souls will be resurrected... The final decision will always be theirs but I tell you... MANY WILL ANSWER YES!

Marcos, I Juliel protect you... I protect all your true friends... And know, Marcos, that those who don't accept what you say, actually don't believe that you come from the Blessed Virgin... That you are Her ambassador , of Our Lord and of Saint Joseph... Those who revolt against what you say, in fact, in the depths of their hearts, do not believe that you are the ambassador of the Sacred Hearts... If they believed, they would obey your orders, your advice and your commands... Know, Mark, that you are that ambassador and you must not care about those who are rebellious goats and who do not obey what you say on behalf of the Sacred Hearts. You shouldn't care about those who aren't

docile sheep... But rebel goats...

Pay attention to the sheep Mark... Take care of them, because sometimes the wolves introduce goats among the sheep so that distracted by the goats, forget the sheep and so the wolves devour the sheep... Yes Mark, take care of the sheep, watch out for them so that they grow strong and firm and docilely follow the Divine Shepherdess along the path that leads to Paradise... To the heavenly fold...

Marcos a Paz! I give you Peace, have my Peace... Don't worry... In the end, God will win and you will win with him too! We the Angels follow you and accompany you all day wherever you go... “Peace...”

(Marcos) “-Beautiful Messenger from Heaven, who are you?”

Message from the Angel Raniel

“-I am the ANGEL RANIEL. Dear Mine, he writes… True devotion to Us, the Angels, is the fire and at the same time the fuel of the fire. The more the soul has this devotion, the more it will be on fire with love for Us, and the more it will be on fire, the more and more it will be on fire. Filled with this fire, the soul contemplates Our glories; our power; our supernatural goodness; our perfect charity and zeal; and you feel aflame with love and desire to love Us and belong to Us, and that desire and that love will grow from flame to flame, from flame to flame, until it consumes your whole soul, so it will eventually be Ours at last, for all eternity in Heaven. Those who don't advance, regress. Who doesn't walk, comes back. The soul that does not deepen and does not take the necessary steps in true devotion to Us, will soon return to the river of lukewarmness, indifference and sin. Reread all Our Messages and meditate on them if you do not want to regress. Pray more to Us. Seek to advance in true devotion to Us, the Angels, so that the evil one cannot embarrass you. Remember that it is when the sheep naps that the wolf attacks it. Stay alert. Be vigilant in reading, meditating and studying the devotion to Us revealed in Our Messages from these Apparitions. Beloved Marcos, peace.”

Jacareí, February 25, 2007

(Marcos): “-Beautiful Celestial Messenger, who are you?”

Message from the Angel Samuel

“- Marcos, I am the ANGEL SAMUEL. The soul that wants to have true devotion to Us, the Holy Angels, and to be totally Ours, must not listen to the devil after the sin committed, who tells him not to pray anymore and not to read the Messages, because if he does, he will be hopelessly lost, as he will plunge into great spiritual and mental confusion, and will end up letting himself be chained again by the devil. Similar to the child who sees a snake and then runs into the arms of his parents, the soul must immediately run to prayer, to the reading of the Messages, to retreat and penance. The soul that wants to be Ours must not grieve too much if it does not yet possess the perfection and holy love that we desire in Our Messages, because it could sin out of impatience and there the devil could enter, pushing it to fatigue and confusion, and in this way the soul would lose all that it has gained. The soul must seek perfect love unceasingly, but without confusion or impatience.

The soul that wants to be Ours must not give itself a moment of self-complacency and condescension, for in doing so it would be giving the devil the opportunity to find the house of his soul empty and tidy for him to enter. Keep the houses of your souls always full of Our presence, reading Our Messages and praying Our Hours, and the devil will not be able to enter, because he will find the house guarded by Us. May the soul that wants to be Ours not pass a day without examining itself and correcting itself for its sins, doing penance for them and trying not to repeat the same mistakes again. To do this with fruit, ask Us, the Angels, to help you by illuminating your memory to remember your mistakes; opening the intelligence to understand them as an offense and betrayal to the Lord and the Mother of God; and moving the heart to detest them, and sincerely to love good and virtue. Let the soul that wants to be Ours not neglect its soul, because when it does and judges sin already conquered, then it sits pompously on the throne of the heart. May the soul that wants to be Ours always try to fight against its corrupted background, its self-love and its false love for God and the Mother of God, so that it does not happen that the soul becomes the prison of itself and do not produce the poison that can kill itself. May you continue with Our prayers always. Peace, blessed Mark. Stay in peace." his self-love and his false love for God and for the Mother of God, so that the soul does not become the prison of itself and does not produce the poison that can kill itself. May you continue with Our prayers always. Peace, blessed Mark. Stay in peace." his self-love and his false love for God and for the Mother of God, so that the soul does not become the prison of itself and does not produce the poison that can kill itself. May you continue with Our prayers always. Peace, blessed Mark. Stay in peace."

Jacareí, March 10, 2007

(Commemoration of the Feast of Our Lady of Tears on March 8)

Message from Holy Mary

"-Dearest children, I am the LADY OF LOVE, from My Heart filled with LOVE, the Tears that shed from the My eyes throughout my life, beside my son JESUS and it is from my heart full of LOVE that the Tears that flow in my eyes in front of you flow.

Yes! My children! It is necessary to have LOVE. a soul has LOVE, it does everything in union with GOD.It is love that elevates, that divinizes man's actions and makes them pleasing in the eyes of the Lord.

When a soul loves the other, that is, GOD, when the soul “LOVES TRULY” the BEING LOVED, that is, GOD, does everything to please him, he does everything to please him and give him satisfaction. The soul does nothing seeking its interest, nor obtaining the Lord's Mercy, not even discounting its sins, not even canceling the punishments it deserves for its personal sins.

Oh! No! When the soul loves, it does everything selflessly! Do everything for the Lord out of pure LOVE! And out of pure desire to see the LORD happy and satisfied. And for the soul that LOVES, it matters little if what she is doing is picking up a straw from the floor of My Sanctuary or praying a Rosary. Oh! No! If she loves, she does both one thing and another with an intense and burning love.

The soul that truly loves, does everything for the BEING LOVED, that is, GOD, with perfection!... with care!... with care!... with dedication!... with TOTAL LOVE! Because she sees in everything she does for the BELOVED BE LOVED, and that is why she uses all her LOVE, all her effort, so that it is done in the most perfect way possible to please the BELOVED, that is, GOD. Because the soul thinks that if it doesn't do it with total dedication, it would be demeaning [1] , offending, hurting the BEING LOVED-GOD, so it gives all its LOVE in what it does.

It is LOVE that gives meaning to human life on earth. Man is only happy, he will only be happy and he will only see meaning in his life when he loves GOD with all his strength, with disinterested love. Only LOVE can make the HUMAN BEING understand, at least in part, ETERNITY, which is ETERNITY.

HEAVEN is nothing more than ETERNALIZED LOVE, the state of eternalized love so those who do not love GOD in this world do not understand what HEAVEN is. Those who do not live in this world to love God with all their strength do not understand Heaven. And that's why you won't be able to enter there, because you won't be able to live and be in a state that you don't understand, that you don't want, that you don't desire, that you don't seek.

That is why many in this life even confessed in a certain way to have a little faith in GOD and in ME, but they did not reach Heaven, because they were not able to love Us. In HEAVEN you will not learn to love GOD. One can only learn to love God during a life that is short and passes quickly. Whoever does not learn to LOVE Us PERFECTLY in this life will not come to Our side in Paradise.

That's why LOVE is needed, the soul that does the work of GOD without love, that is, that prays without LOVE... that fasts without LOVE... that goes to Masses without LOVE... that preaches without LOVE.. ... that speaks of GOD without LOVE... that soul will not be able to come to Our side in Paradise, because its prayers are empty... it has no light... it has no LOVE... it has no effectiveness. Because what makes prayer effective is “FAITH PLUS LOVE”, it is necessary to LOVE... pray to have that “TRUE LOVE”, pray to be able to LOVE.

Only through prayer can man open the door of his heart, only through prayer can man soften his heart, fertilize the earth of his heart so that the seed of “TRUE LOVE” germinates in it.

LOVE... If it were sought with more ardor in prayer, if it were asked for and desired with more LOVE. Oh! How quickly would the LORD pour it out and give it to all hearts!

I am here, I am the LADY OF LOVE, I want to give LOVE to all those who ask for it, this is why many have failed miserably in LOVE and have moved away from ME here in these Apparitions of Mine, because they did not know how to have LOVE for ME. They loved men more, bishops, priests, their relatives, their friends, their companions, their lovers, they loved themselves more than ME, that's why they failed. That's why the flower of LOVE barely born, withered and died.

I asked for love, when I said years ago that people ask, pray the wrong way, ask only for material things and don't ask for the HOLY SPIRIT, that's what I meant... they ask for everything, they just don't want to ask for LOVE and that's exactly HE is the most needed thing. If you do not ask for the LOVE that is the HOLY SPIRIT itself, HE who is “LOVE IN OPERATION”! If you don't ask HIM to give you HIS LOVE, so that with HIM you can love GOD and souls in a perfect way!.... You will not be saved...

Pray, therefore... pray...

PEACE My sons!

PEACE Marcos, I love you, have MY PEACE, BE MY ECHO, rest in ME."

MESSAGE FROM OUR LORD JESUS CHRIST

"-My beloved children, dear children! I love you very much!

LOVE never tires, LOVE will last forever. The soul that truly loves us, that loves My BLESSED MOTHER, that loves My FATHER SAINT JOSEPH, my ETERNAL FATHER, who loves the HOLY SPIRIT, who loves ME, who loves My SACRED HEART... this soul seeks us! us, never tires of donating for Our LOVE, for the LOVE of Our HOLY CAUSE.

The soul that has LOVE for US does not measure sacrifices, does not measure efforts to please us and satisfy us more every day. When a soul loves us, it does not pray out of obligation or duty, nor does it pray only to obtain spiritual or temporal graces. The soul that loves us prays for us because it is Our will that she prays, prays because she knows that prayer is LOVE that ascends to Heaven, she prays because she knows that prayer is the best way to love and glorify us. us, to give us joy and contentment. This is why the soul prays, although one must ask for the grace of Final Perseverance and the Eternal Salvation of the Soul, not even for this reason the soul that loves us prays. She loves us above her own salvation and prays more because she knows that prayer makes us happy and pleasing than for her own salvation.

The soul that loves us looks at everything related to US with LOVE, and treats everything related to Our SACRED HEARTS with LOVE. That is why the soul that loves us never forgets to pray for what is ours. Never forget to pray for Our visionaries, because they are ours! Never forget to pray for this Sanctuary, because it is Ours! Never forget to pray for the dissemination of Our Messages, because they come from US! He never ceases to pray for the salvation of souls, because it is our desire that they be saved!

The soul never stops fighting! to spread Our messages! to work for Our Holy Cause! Because you know that this is Our will and that will give us joy...

That is why the soul that loves us forgets itself, forgets its will, forgets what it wants, to think about what WE want, what WE desire.

The soul that has “TRUE LOVE” for US, takes care of Our interests, takes care of what is Ours because it knows that this gives us immense joy and consolation.

The soul that truly loves us is always ready to serve us, no matter what time of day or night, no matter what day of the week or year, no matter where she is

and where WE ask her to go, she does it all. for LOVE for our greatest joy...

Oh! How beautiful are the souls that love! Oh! How beautiful are the souls that have “PERFECT LOVE”! They are like lush flowers, flowers that with their perfume attract Us to them... They are beautiful and lush flowers that enchant Our eyes... They are fragrant flowers of splendorous beauty that cheer Our SACRED HEARTS and diminish great sadness that we feel, to see all humanity that does not know how to love us, that does not have the “TRUE LOVE” for US that is insensitive and more brutal than stones, than rocks.

Oh! My children! How beautiful are the souls that have the “PERFECT LOVE”... They never say no to us, they always say yes!

How beautiful are the souls that have “PERFECT LOVE”! They don't expect us to call them twice, the first time they hear Our call, answer our call, answer YES and then sustain that YES by obeying us in everything!

The soul that loves us does not obey us or serve us just for a day, a week, a month or a year... but a whole life... A whole life! And she doesn't offer us LOVE just for today, but promises LOVE for a lifetime, even if she may still slip, stumble on her weakness... But she soon gets up, looks at US with confidence and moves on. . Because LOVE... LOVE never gets discouraged... LOVE never gets tired... LOVE can't stand being away from the Beloved One, that is; of Our SACRED HEARTS. Even if the soul has sin that it knows that saddens us and hurts us... but not even this, not even the sins themselves, it uses as an excuse to stay away and away from us. Oh no! The souls that “TRULY LOVES US” pass over their sins, despise them, overcome them to stay with US!

Oh yeah! Oh Yes, my little children!... How beautiful are the souls that have the “PERFECT and TRUE LOVE”... the soul that possesses the BEAUTIFUL LOVE, loves intensely... its heart is scorched by the flames of the most ardent divine fire, nothing is impossible for him, even what is hard, what is bitter, what is difficult to bear. LOVE makes her bear everything with patience! May she wait for the hour of Grace with submission and LOVE and in the end she sees that everything that seemed impossible became possible Thanks to LOVE... that is patient, that supports everything, that waits for everything, that everything suffers, that everything believe...

Oh! How beautiful are the souls that have TRUE LOVE! These souls, not even when they are sleeping, are separated, separated from US. Oh no! Your soul is well united to Our MOST SACRED HEARTS and even your sleep ends up becoming a prayer of LOVE and Praise to US.

There! How beautiful are the souls that possess “PERFECT LOVE”! Everything they do gives Glory to Our SACRED HEARTS, everything she does is with perfection... it's with dedication... it's with LOVE... it's with care... it's with care... it's with the juice desire to please us and give us joy!

That's why she fights from sunrise to sunset, day by day for US without ever

getting tired. And even as the years pass, she remains unaltered in her service, in her dedication, in her LOVE for US. That's why LOVE will never end, LOVE will eternalize the soul, it will eternalize the union that it already has on earth with us and will only elevate it to a very intense degree in eternity. But that will be Heaven for the soul that loves us, Heaven will be the union with Us that the soul already has on earth eternalized forever! And now free from the dangers and threats that exist in the world, which can break, destroy this soul union with Us. In Heaven the soul no longer fears this, because it is already beyond the reach of its enemies who can destroy its union with Us. This is Heaven... the peace of the certainty of being united with US forever... forever...

Oh! How beautiful are the souls that have “PERFECT LOVE”! “PERFECT LOVE” is more valuable than all the treasures in the world! “PERFECT LOVE” is more desirable than pearls and rubies! “PERFECT LOVE” is more sublime and more desirable than beauty, than wealth, than health, than Glory... Oh Yes! The soul that possesses it will be beautiful and pleasing in Our eyes, it will be Our friend, Our companion, WE will admit it to Our Royal Apartment... WE will share Our “LOVE SECRETS” with it and everything it will have in common with Us.

Oh! Yea! How beautiful are the souls that have “TRUE and PERFECT LOVE”... They are happy, they have everything! They have OUR LOVE! Live together with us! And they desire nothing else... That's why they smile, despise fame, glory, the esteem of men, wealth, power, earthly love.

Oh! Yea! The soul that "TRUE LOVE", is not sad, on the contrary, it is happy, it is joyful, in its chest there is a fire that consumes it night and day! And the more it consumes her, the more she lives and is happy... the more she loves and the more she rejoices. WE are already her inheritance and her reward. She has put in US her inheritance, her reward, she has chosen the best part that will not be taken from her. She has trusted in US, we will not abandon her, she has made US her treasure, her reward, her inheritance... And that is why she will inherit Us forever in Heaven!

Oh! Blessed souls who have “TRUE LOVE” for US, they are in some ways more blessed than the ANGELS themselves. Yea! Because WE give you, on earth, the grace to unite with US in a supernatural, intimate and profound way. Not that the ANGELS do not have this union in paradise. Oh yeah! They have! But human beings receiving this Grace now through these Apparitions can already, in a certain way, anticipate the joy and happiness of Paradise on earth, in this time of so much evil and so much hatred towards God and Our Hearts...

Oh! Blessed souls! Those who feel Our LOVE and understand this LOVE of Ours... When they discover what a treasure this “PERFECT LOVE” is, they will want nothing more... they will not beg or seek another affection, because they will have everything, they will be immensely happy, they will have our own HEARTS for Friends, for Companions, for Parents, for your home, for your refuge, for your inheritance and reward.

To all of you we now bless, MY MOTHER, MY FATHER SAINT JOSEPH and I.

We give you the blessing of Our SACRED HEARTS and finally I say to you: - Pray, asking for the Grace to possess OUR PERFECT LOVE, sacrifice yourselves to possess this PERFECT LOVE, despise everything else so that you may know and possess this OUR TRUE LOVE and you will have everything... you will be happy, you will have the possession of OUR ETERNAL FRIENDSHIP guaranteed to you by OUR MERCY and OUR EXTREME LOVE for you! Continue with all the prayers that WE command you to say, as they will surely lead you to this PERFECT LOVE that pleases us and that we demand of you.

Peace!

PASSION FRIDAY OF OUR LORD JESUS CHRIST

Message from Most Holy Mary

“- Dearest Son, I AM THE PAINFUL VIRGIN ... I come once again today to

reveal to My children the Ocean of Pain of My Immaculate Heart with which I collaborated with My Divine Son in the redemption of all humanity.
Yes My dear children, I am your Sorrowful Mother! At the foot of the Cross I shed Tears of BLOOD during all the agony of My Divine Son Jesus Christ. The Tears of Blood that flowed from My eyes were the fruit of the most bitter pain I suffered in My Heart. How much Blood have My eyes seen this day... How much Blood of My Son Jesus on His Crown of Thorns, on His Face, on His Hands, Feet and Side... on His entire Body... My Tears of Blood united the Drops of Blood of My Divine Son were offered to the Eternal Father, they ascended to Him and achieved Redemption and Salvation for the entire human race.

I saw My Son Jesus lying on the ground on the way to Calvary... I saw Him burning with fever... full of pain, overwhelmed and then nailed to the Cross... Dying in great asphyxia in the midst of the most bitter and indescribable torments .
I saw Him in His great solitude, helpless from all men, having His Sorrowful Mother as His only faithful companion and a little less... the company of João and Marias Santas...
Oh yes, My Tears of Blood united to the Blood of My Divine Son, shook and destroyed the infernal powers... Lucifer found himself precipitated with his followers at the moment that together with My Divine Son I mystically died. His infernal empire was then overthrown... God's justice was redressed... Order and Peace was restored again... Friendship between God and his creatures and thus, hell ceased to have the last word over human kind.
Repair My children, what your redemption cost... Repair the infinite value of My Tears of Blood and the effects that They produced on Good Friday and that they continue to produce in humanity throughout all the centuries. Look and think that it was for you that I suffered and for you that I shed such Painful Tears.
I beg you My children: DON'T MAKE ME CRY THESE TEARS OF BLOOD AGAIN FOR YOUR LACK OF LOVE, YOUR INDIFFERENCE, YOUR COLDNESS, AND YOUR REFUSAL TO LOVE MY DIVINE SON AND ME. Love us... Love us... Love us... See My children, all this... All those Tears of Blood, all this Blood shed by My Divine Son was for you... For your love. .. Could WE suffer more for you than we suffer? Could we do more for your good and your salvation than what we did?
So My children, open your hearts to love... Love My Divine Son, love Me... What we want most from you today besides your contrition and repentance of sins is your LOVE, YOUR RESPONSE OF LOVE, YOUR YES TO OUR LOVE.
Love us, love us. Don't be insensitive anymore, don't be My children like "Cain", like Judas, like Herod... Be My children as I was Myself, Burning with love for My Divine Son, For Our Lord....
That's what I want from you! MEDITAL MY PAIN DAILY. The constant and fervent meditation of My Sorrows will soften your stony hearts and cause love to be born in them... Seek My children, contemplate daily the Ocean of Sorrows that I suffered with My Son for your salvation and in this way you will no longer have love self-interested for Us to have true, pure, sincere and loyal love.

Contemplate My Tears of Blood often. The contemplation of My Tears of Blood will make you think about how much I suffered for you and how much I loved you and still love you. I bless everyone today with the blessing of My Seven Sorrows and My Tears."

SATURDAY OF THE SOLEDADE OF OUR LADY OF DORES

Message from the Most Holy Mary

"Dearest son, I am very happy with your prayer here this afternoon and that of everyone who came to pray with you! You have done me a great service and you have given me great consolation, everyone has given me great consolation! They wiped away many TEARS OF BLOOD, removed many thorns from MY Sorrowful HEART, greatly softened My Great Pain and My Great Sadness.

This is the Saturday of My Pain and My Solitude... I remained without My DIVINE SON who was buried and so all day long I prayed, I cried many TEARS OF BLOOD and I remembered many, many times the Painful Passion of MY DIVINE SON JESUS CHRIST.

Today I am the VIRGIN OF SOLITUDE, I am the VIRGIN PAINFUL... All the pains of the day before... Today... They hit MY HEART in such a way that I couldn't help but shed Copious and Painful TEARS OF BLOOD... That's why Saturday afternoon must be consecrated to Me so that My Pains and My BLOOD TEARS may be venerated with special attention and devotion by all My faithful children.

Saturday afternoon is reserved for Me, and those who are devoted and faithful in this holy devotion and attention to My Sorrows and Tears, will receive from Me a singular draft of the knowledge of My Virtues, My Glory, My power, My Majesty and also of My Sorrows that I will not give to those who forget Me on Saturday afternoons.

My faithful children, who consecrate Saturday afternoon to Me and come to relieve Me and comfort Me, will not be devastated by spiritual and temporal misery, nor will they die of sudden death and at the time of death they will not be tormented by demons. I will not forget at the last moment those who never forgot me during all the Saturdays of their lives... of their lives...

Those who remember ME on Saturday afternoon and come to comfort and support me will have ME all the graces necessary for your salvation and I will write your name in the Book of Life" with My TEARS OF BLOOD and I will do

everything for them to be saved. The salvation of these children will be certain, as long as they do not spoil everything and they themselves do not oppose their salvation by seeking sin.

My children who remember Me on Saturday afternoon and come to comfort Me with their prayers and with their love will always have My Black Mantle of Pain and Suffering as a refuge. You will always have MY BLOOD TEARS as your pledge and as a guarantee of salvation.

My BLOOD TEARS will be the 'pearls', the blessed 'rubies' with which they will pay all their debts to DIVINE JUSTICE... And therefore their death will be blessed and they will surely inherit Heaven.

I make all these promises and I renew all those I have already made in previous years, for my Children who will comfort me all Saturday afternoon! You cannot imagine the relief you give me, consoling me on Saturday afternoon and wiping MY TEARS on Saturday afternoon.

To all My children who love Me, who want Me, who desire Me and who want to live only for Me and for Me, I am sure that My appeal will enter their hearts and they will love Me, comfort Me and unite with Me in prayer for the salvation and conversion of all humanity.

To all of you My children, I leave you this appeal and I want your hearts to be truly converted in these holy days. Leave My children this traditional faith, which many of you have and which remains only on the surface of your souls, without entering them. By that I don't mean that traditions are not good, no! They are the men who cling only to what is external and do not worry about transforming the interior... In making faith internal! And transform the intimate, the deep, the core of the heart, spirit and soul.

Stop having a superficial faith and have a truly profound faith! May it transform you, may it change you, may it free you from your faults and sins so that it does not happen that you drag them away and take them with you until the end of your lives, when it will be impossible to correct faults and weaknesses.

My little children... Cling to the ROSARY, cling to the THIRD OF MY PAIN, cling more to the THIRD OF MY TEARS, cling more to ALL THE PRAYERS that I have commanded you to say, for they are your ladder with which he will be able to ascend safely to HEAVEN, without danger of falling and condemning himself.

Continue with all these prayers, for they dry My Tears... Dry My BLOOD TEARS with all these prayers and never neglect the reading and meditation of My Life, My Examples and My Messages.

I bless you all today with the blessing of the virtue of My Sorrows and Tears...”

EASTER SUNDAY

Message from Most Holy Mary

“-Mark, blessed and dear son, I bless you once again today with all the solemn blessings of MY Immaculate HEART, which today was so consoled and rejoiced to see before Me My DIVINE SON resurrected shining brighter than the sun!

I bless all My Children who have come today, I bless you all at this moment. Dearest children, continue with all the prayers that I have commanded you to make, because they dry up My Tears very much and remove the Thorns of pain from MY HEART. Keep praying little children because this year I have big plans for you, I want to make you great saints, but I need your collaboration, your prayer, your prayer, your obedience and docility to My voice. Therefore, I want you to pray, to make a novena praying the following prayer daily on the beads of the rosary:

“Divine Heart of JESUS Provide, that I become a great saint, for Your glory and that of Your Holy Mother”.

If you pray like this My little children, I promise you that My Son JESUS will give you many Graces and help so that you can advance and rise in holiness. I want great holiness from you, I expect great things from you! You are very much loved by the Lord and you cannot remain stationary in sin. The things of the world are not for you, the things of HEAVEN are for you. HEAVEN has already chosen you little children, it is enough now for you to choose HEAVEN and what it desires and has planned for you.

Continue to pray the HOLY ROSARY every day, continue with all the prayers that I have given you and commanded you to do. MY Immaculate HEART was very much consoled by you in those days and also the HEART OF MY SON JESUS.

Upon you today I pour out the abundant blessings of MY IMMACULATE AND RAISED HEART, fruits of My pains and Tears."

MESSAGE FROM SAINT BENEDICT

"-Marcos dearest, I, Benedict, am delighted to see you again today. It's been

almost two months since Rita and I came with Our QUEEN and great LADY, to bless you on your birthday. And today I I am glad to be able to come and also bless all these people present

Pray the HOLY ROSARY... The Rosary took me to HEAVEN, it was not so many My miracles that took Me to HEAVEN, but the HOLY ROSARY!

How I loved the HOLY ROSARY! I prayed it in the caves where I lived and later also in the monastery. I liked to spend many hours praying the Rosary without anything else wanting or desiring... THE HOLY ROSARY for Me was like a delicious and sweet honeycomb, which enchanted My soul and made My soul simply burn and burn. out of love for GOD and for BLESSED MARY.

How many times did she visit me during the prayer of the ROSARY, to show her appreciation and predilection for this most holy prayer, so saving and powerful.

HEAVEN... HEAVEN has become close and accessible to ME, thanks to the HOLY ROSARY! How many graces the HOLY ROSARY has given me! How many blessings and spiritual lights the HOLY ROSARY has bestowed on me! I am very grateful to the HOLY ROSARY! I am very grateful to My QUEEN and LADY who gave it to us, who gave it to all humanity!

I wish you to be very hot with love for the HOLY ROSARY! I want you to pray it piously and fervently! Whenever you can, on your knees and shedding copious tears of gratitude to the LADY for having given it to all humanity.

THE HOLY ROSARY is the greatest gift, the greatest prize and gift that the BLESSED VIRGIN gave to the world after the Word became flesh.

Oh yeah! On each Rosary bead you dry a tear from the MOTHER OF GOD and at the same time you receive from her a new grace. Every time you uttered those most blessed and wonderful words, the sacred words “HAV MARY FULL OF GRACE” a ray of GRACES will be released from the BLESSED VIRGIN and descend upon your souls.

Pray the HOLY ROSARY, pray also all the prayers that SHE has given you, because these prayers annihilate Satan and the demons and make many souls escape from their clutches and convert and be saved.

I BENEDICT give you Peace, I leave you Peace and I promise you My constant protection. For to you who always come here in this sacred place and who are always here at the feet of the Lady consoling her, you are My brothers, you are My proteges, you are My property.

And I will guard and defend you as such.

PEACE..."

MESSAGE FROM SANTA RITA DE CASSIA

"-Marcos... Marcos Blessed I RITA DE CASSIA, servant of the LORD and of the BLESSED MARY, RITA of the PAIN and ANXIETY of the LORD and the LORD, I give you today My blessing and to all who are here My blessing too... Love the Passion of JESUS, venerate it more, contemplate it more. Make especially on Fridays a special reverence for the Passion of JESUS and adoration of the SANTA CRUZ. Try to meditate every Friday on the WOUNDS of OUR LORD JESUS CHRIST, try every Friday to also meditate on the torments of the LADY OF PAIN. The Passion of Christ is the greatest book of holiness there is, in it there are lessons for all men and for all situations in life.

In the Passion of JESUS I found all My joy and all My Peace... In the Passion of JESUS I found all my strength and all My Love... In the Passion of JESUS and MARY I found all My comfort and all My joy...

You will also find it, if you dedicate yourself every Friday to meditating on the sufferings of OUR LORD and the MOTHER of Sorrows, even if it is for at least ten minutes.

Seek... seek on Saturdays to consecrate Saturday afternoon to the LADY of PAIN as SHE herself asked you yesterday. Obey these Messages from the MOTHER OF GOD and you will have the blessing of GOD, in your souls and in your lives...

Truly I say to you, whatever you ask on Saturday afternoon during prayer and reparation to the LADY of SORROWS will be granted, provided that it is not contrary to the will of GOD and does not lead your souls to depart from Him. Whatever is asked on Saturday afternoon, in the Saturday afternoon prayer the LADY of Sorrows will grant you and OUR LORD JESUS CHRIST will give you, because HE wants more than ever to see HIS HOLY MOTHER comforted-loved by all Her Children.

This place is Holy, the HEAVEN here touches the earth, the Saints and Angels populate and inhabit this place night and day. Come here and join us in prayers so that in one choir we adore GOD, we bless his Name and the name of His BLESSED MOTHER and we love and venerate them with special affection, love and devotion.

Truly I say to you, whoever defends this place by saving the souls of others will predestine his own soul to salvation. I RITA, I will defend you, I will always help you, pray for me more, remember me especially on the 22nd of each month and especially remember BENEDITO on the 4th of each month with special prayers. In these days, speak more with us, pray for us, take place at the feet of Our Images so that there we can fill you with Graces... No Grace will be denied there, you will have free and full access to all of them, you will reap as many Graces as you can carry, How many Graces can you reap...

Truly I say to you, imitate me in accepting the sufferings and in conforming to the sufferings, the afflictions and anguish of this life. This life passes quickly and the pain and suffering will not last forever if you know how to use them for your own benefit and favor, accepting them as true steps of the holy ladder, which lead you to HEAVEN.

We now bless you all and wish you Peace..."

Jacareí, April 21, 2007

Message from the Most Holy Mary

"- Dearest children, I LOVE you all! And that is why I keep coming from HEAVEN constantly to give you MY MESSAGES...

It is MY LOVE that makes you here in My presence, to hear My Voice today!

It is MY LOVE that makes Me constantly run after all of you with MY MESSAGES, to try to convert you, transform you into true 'children of light' for the greater GLORY of the LORD and MY HEART...

I want SINCERE LOVE , I'm tired of the falsehood of human beings! I am already exhausted from the falsehood of so many who say they are My children and My devotees... But in their hearts it is not TRUE LOVE that I see, but the love of themselves, the love of creatures, the love of the world and fleeting things. . This is what I see... The love of one's own will, the love of the self... the love of evil.

I'm exhausted from looking for love in hearts and not finding it... With that I appeal to you, open your hearts and start creating TRUE LOVE in yourselves and cultivating it. Otherwise I will not be able to enter and live in their souls and in their hearts.

I approach many hearts, but they give off a horrible odor! Because they are full of attachments to themselves and creatures and that's why I withdraw from them. Try to have in your hearts a pleasant odor of MY LOVE, TRUE LOVE, SINCERE LOVE, DEEP, LOYAL and HOLY LOVE...

May the swamps of your hearts, rotten by the love of creatures and by the love of yourselves, convert in fragrant gardens full of beautiful and fragrant flowers to please God and to please MY HEART.

Use all the means that I have given you:- THE MEDITTED ROSARY, THE HOUR OF PEACE and ALL THE OTHER PRAYERS, asking, to ask for the

Grace to create in you TRUE and PERFECT LOVE.

I tell you My children:- Whoever leaves this life without learning and without creating TRUE LOVE in his heart will NOT enter the KINGDOM OF HEAVEN

... create in yourselves the TRUE LOVE and make them produce fruits of sanctification, of perfection for the GLORY OF GOD!

I am here to help you in this great task and all those who believe in MY GREAT POWER and who are docile not resisting MY ACTION, they will all achieve the GREAT GRACE of achieving PERFECT LOVE! PEACE..."

Jacareí, April 22, 2007

Message from Most Holy Mary

"-Dearest children... I AM the MOTHER OF GOD and your TRUE MOTHER... Love... Love the LORD... And never forget all the sufferings of MY DIVINE SON... Try to meditate My children... How much My DIVINE SON loved You with SUBLIMISM LOVE! Dying to save each one of you as if another soul in the world did not exist to be redeemed!

Consider how HE shed all His PRECIOUS BLOOD, until the last drop for each one of you...

See, My children, that I shed all My TEARS OF BLOOD for each one of you, in order to collaborate in your Co-Redemption

. LOVE WE sacrifice ourselves for your redemption and for your salvation... And consider how hard, cold and insensitive your hearts have been towards OUR LOVE.

See how your prayers are made with little love... Your works for the sake of MY DIVINE SON and for the sake of MY IMMACULATE HEART, have been made with little love or with self-serving feelings mixed with them and so they are done with imperfect love.

See! How still your souls are attached to the love of creatures, to the desire for the honors, pleasures and enjoyments of this world and how much still your hearts are different from MY HEART and from the HEART OF MY SON and do not have the same feelings that WE have in WE.

See! How much still your actions are tainted by your corrupt fund, which stains even the best deeds you do! Because you have not yet renounced your will... Because you have not yet renounced your desires... Because you have not yet

renounced your own will.

See My children! how much you still lack for you to be perfect and pleasing to GOD and MY HEART, and your faith and your love truly console and glorify Us.

See My children! how much you are loved by God and by me...
MY APPARITIONS here with MY SON, with SAINT JOSÉ, with the HOLY SPIRIT, the ANGELS and the SAINTS are the greatest proof of GOD'S LOVE for your lives! Don't wait for another PROOF OF LOVE greater than this one because you won't have it! Expect no other manifestation of GOD concerning you than these APPARITIONS!

Because THEY are the greatest manifestation of God's love for you 'men of the last times'...

Embrace OUR LOVE... Correspond to OUR LOVE... Give your all to work WITH US and to cooperate with OUR LOVE! Overcome yourself!... Sublimate! overcome! Suspend your corrupt nature! Lifting you above yourselves and deploring your ideals so often low and insignificant, so that you can aspire and desire the highest and most sublime ideals, to which I and the LORD call you in OUR MESSAGES...

Pray all the PRAYERS that I I gave, looking in THEM, the grace and the necessary strength, the courage and the detachment of yourselves to love GOD and ME with all your strength! Continue to dry OUR TEARS by praying all the PRAYERS that I commanded you to do here...

Be brave! Don't get discouraged!... Don't cross your arms!... Walk! Come on! Speak! Fight!... Fight for the causes of MY MESSAGES! Fight for ME! Fight for the triumph of MY IMMACULATE HEART! And then I assure you for sure
HE WILL TRIUMPH... PEACE..."

Jacareí, April 28, 2007

Message from Holy Mary

"-Dearest children... I AM the MOTHER OF GOD and I come from HEAVEN again to tell you :- “Convert!” May conversion be a constant in your lives...

Every day you must convert from your bad habits, bad thoughts, bad words, bad actions and bad omissions!
Yes, My Children! You must reflect every day on how great is your omission to do good, to fulfill what I say to you, to fulfill what GOD has revealed to you through ME over these years!

You must convert every day, looking for the next day to make an effort to fulfill God's will, without wasting any time... In this way My children, your conversion will truly be firm... true... fast. and lasting.

Get up each day and make a little examination of conscience about how the previous day was and then, when you see your faults, try not to repeat them for the day! If you do so, you will improve each day and become more perfect with each passing day...

May your conversion be the fruit, consequence and effect of LOVE...

LOVE must be the cause of your conversion!

The cause of your conversion must not be fear of punishment, nor fear of GOD, hell, suffering or anything else! Your conversion must be the fruit of LOVE.

Only if your conversion is the fruit of love, will it be true, sincere, holy, faithful, lasting and will please GOD and ME, and will be accepted by US as an act of perfect praise, love, and gratitude.

The soul that LOVES always seeks to resemble the BEING LOVED more so that it can please Him more, be more in conformity with what He is and thus give him joy, contentment and happiness.

If you love GOD and if you love Me, you must try each day to look more and more like Me and MY DIVINE SON JESUS CHRIST! You must resemble US! Only with LOVE will you be able to reach this most high Grace My Children!

Without LOVE you will never be copies of ME or of MY DIVINE SON... But rather, without LOVE you will be copies of the devils, where there is not, where there is not even a trace, a drop of LOVE!

I want each one of you to become more and more like Me, only in this way will you be beautiful.... Only in this way will you be filled with beauty! Not of that vain and nefarious beauty that the world exalts... But you will be filled with divine beauty, with celestial beauty! You will become beautiful like the ANGELS OF PARADISE, if you have true LOVE...

There is no one who does not want to be beautiful! Therefore, try to have that beauty in you! That beauty that I told you so many times, the beauty of LOVE!

Only LOVE makes sense to your life!

Only LOVE makes sense to your existence!

Only LOVE makes your life sweet, even in the midst of many sufferings!

Only LOVE illuminates the soul of the human being, so that he knows where to walk while living on earth!

Only through LOVE can you find GOD!

Only through LOVE can you find ME!

Only through LOVE can you feel my LOVE!

Only through LOVE can the meanings of My Words be understood!

Only through LOVE can the meanings of My Words be understood...

Only through LOVE can what I want in My Messages be understood...

Only through LOVE can the human being then understand what to do!

And only through LOVE can man have the strength to fulfill MY will and the will of GOD...

Without LOVE man cannot do anything! Man is nothing! Go nowhere! Nothing reaches! And it cancels out...

Only with LOVE can the human being find and enter the Gates of Paradise...

That's why I asked for LOVE in your prayers... I asked for the increase of LOVE! Beg that LOVE descend upon you... pour itself into you and open your hearts!

I am ready to pour out on you the effective graces of MY LOVE. I have asked for them and I will without delay give them to you.

PEACE..."

MESSAGE FROM OUR LORD JESUS CHRIST

"-Dearest children, I, JESUS, bless you today in a particularly and extraordinarily beautiful way... I give you the Blessing of the Peace of MY HEART and I also give you new Grace to resist Satan's will and to remain unharmed on the way of salvation and sanctification to which I have called you!

I love you very much! MY SACRED HEART is your refuge that I have already offered you so many times. Enter HIM through the "Gate of LOVE"

. HEART to stay there safe and calm within this HEART that is your refuge and your fortress

Yes, those who dwell within MY SACRED HEART will always dwell in an unshakable fortress and no evil will be able to overthrow or defeat them.

They will emerge victorious from all temptations and tribulations. And although they have gone through suffering, their souls will always triumph and win!

I wish you to pray more often if possible the THIRD OF MY SACRED HEART, praying 33 times in honor of the years I spent on earth, that prayer that so pleases and consoles Me:

“SACRED HEART OF JESUS, I TRUST YOU!

I TRUST YOUR LOVE, I TRUST YOUR MERCY!”

And at the end, pray that prayer of offering to the ETERNAL FATHER through MY WOUNDS and the TEARS OF MY HEAVENLY MOTHER.

I promise you My children... Many of your sins will be forgiven the moment you pray that prayer together with that Rosary! Many stains from your souls will be erased and I promise to grant them and pour out new and stronger blessings on you during the THIRD OF THE SACRED HEART so that you can fight them with combat and overcome the devil.

Keep in your hearts the TRUE LOVE...

Without LOVE you cannot live!

Without LOVE, nothing you do pleases Me, nor inclines Me towards you! Without LOVE My children, none of your works has supernatural value for 'eternal life' or merit for HEAVEN.

Only with LOVE will your works and prayers be truly meritorious so that you can achieve eternal salvation!

So do everything with LOVE! Pray! Offer your daily works to MY SACRED HEART and MY MOTHER'S HEART in reparation for all the sins of the world, including your sins! So, even if you work without stopping to pray Our Father and Hail Mary, your work will become prayer, sacrifice, penance... The three mystical roses... The white, red and yellow roses and those mystical roses then they will ascend to Our Hearts consoling Us and above all reaching for You new Graces of Love and Salvation to save your souls and the souls of those you love!

In OUR LOVE, in the LOVE of MY MOTHER and MINE, nothing is lost. Not even your works will be lost, if you know how to offer them as a sacrifice, as an act of penance, of expiation of your sins and as a prayer of reparation

... and if it is for OUR LOVE she will have immense merit to HEAVEN!

So My Children! Don't waste a minute, an instant! Do not miss an opportunity

to offer us something for the salvation of all humanity, for your own salvation and so that you can gather many merits for HEAVEN.

Love... Truly Judas' sin was not having loved MY MOTHER and not having nourished a tender, sincere, deep and full LOVE for HER! If he had loved MY MOTHER he would have been able to love me perfectly. For he would have become so similar to MY MOTHER and his heart would merge and unite so much with MY MOTHER'S HEART that he would have loved Me with an immense LOVE following the example and following of MY BLESSED MOTHER. Because he did not love My BLESSED MOTHER MARY, he fell into disgrace, he fell into My reproach! And that's why it was lost...

If you little children don't want to commit the same sin as Judas and end up as Judas ended! Love My MOTHER... Love her with truly burning LOVE!

Do not be afraid to love My MOTHER too much, because you will never love her as I LOVED her! Therefore, love her very much! Love her with all your strength, which will still be little!... Little indeed!

Love Her as much as possible! For when you have already learned to love My MOTHER with all your heart!!! With all the strength!!! And with all my soul!!! And with all my strength...

My Mother is My net, with which I capture sinners.

My MOTHER is the magnet through which I draw sinners to ME.

My MOTHER is the anchor of salvation that I cast to save those who are already sinking, to save them and lead them to HEAVEN.

My MOTHER is the instrument that I myself have established and determined so that all sinners come to ME, know Me, love Me and be saved!

It is by no other means that sinners come to ME than through My BLESSED MOTHER! Therefore love Her Run into HER arms! Because when you run into HER arms you will be imitating Me. Because what gave me the most happiness in life was running into the arms and lap of My BLESSED MOTHER! Kiss her! Hug her! And be united with HER in one heart! In a single flame of love!

Imitate Me and you will be happy as I was! For in My MOTHER there is nothing bitter, there is nothing hard and terrible... She is goodness, She is LOVE... There is no regret in her! Running to HER you will find happiness and you will find ME! Because it is in the arms of MARY that you will always find Me.

Little son, continue with all the prayers that WE command you to say! I continued to dry OUR TEARS with these prayers.

Now the MONTH OF MAY will enter, the month of My BLESSED MOTHER, pray the ROSARY more intensely.

Offer her less sacrifices!...

Honor her more!...

Glorify her more!...

Praise her more!...

Think more of her!...

Meditate more on her privileges and glories! And I say to you, little children:

It will be a Holy month for you! In a single month you will progress in holiness. By meditating on My BLESSED MOTHER you will progress more in holiness than in many years that you have spent without applying to yourselves so much meditation on the Glories of mine and the Privileges of My Mother!

Honor Her more!

Respect Her more!

Praise Her more!

Continue My children with the Holy Rosary Crusade, as it has saved many souls and prevented many punishments that your country justly deserves from My Justice.

Continue to come here, for here in this place receive blessings that you cannot even imagine! And that only in HEAVEN will you know and how effective they were for your salvation!

Continue to come here with good will and with a heart that is truly sincere and willing to love My MOTHER, to love ME with all your heart and to consecrate yourselves fully to US, making the sacrifice of yourselves and renouncing your will. Renouncing your desires by dying to yourselves so that you can do My Will.

I now bless you all with My MOTHER, with My FATHER SAINT JOSÉ and with My ANGELS who came with ME..."

Message from Holy Mary

Dearest children... I wish your hearts to have 'True Love'! Only the 'True Love' consoles Me in My great sadness and anguish, as I contemplate the whole world that does not truly love its GOD and not even its CORREDENTING MOTHER...

Oh! Souls don't love us! And some who have some feeling for US, some love... is so weak! So languid! So petty, so selfish yet! It cannot even be called love... The souls that possess True Love are still so few...

This number must increase in intensity and quantity... So that the Kingdom of My Immaculate Heart, so that the Kingdom of My Love grows, spreads and spreads throughout the world!!!

I started! Planting True Love and cultivating it in yourselves! True Love is like a plant that you have to water!... that you fertilize!... that you prune when necessary!... that you support so that the wind doesn't bend it and don't break it, so that the flower can to blossom and blossom...

If you forget to water that 'Flower of Love' for a single day, let it be with much prayer; with small sacrifices; with the reading and meditation of My Messages; with the reading and Meditation of My Life and My Advices this flower will die... Yes! Will wither... will wither... will die! And if not wither! Rather it will be broken by the wind of temptations, of attachment to earthly things, of the love of creatures so false and illusory...

In order for 'The Flower of Love' in you to survive and be viscous, beautiful and exude the pleasant odor of holiness, it is necessary that you cultivate it every day... My HOUR OF PEACE, the HOUR of SAINT JOSEPH, the THREETENS, the SEVENTHS, the HOURS of the HOLY ANGELS, the HOUR of the HOLY SPIRIT, outpouring of DIVINE LOVE without equal on the face of the earth!

Yea! All these means I will give you My children! Know how to use them and use them widely because I say to you My children: - If you do not use them, if you do not use these means that I have given you! Your souls will wither, you will die spiritually... Therefore, feed the LOVE in you every day, always have an immense desire to know My LOVE! Because I only reveal My LOVE to those who want to know it and to whom they ask Me with many groans, many supplications and many burning desires of the heart!... To them I will reveal My LOVE here in these Apparitions where I revealed My LOVE like never before in human history...

Pray, asking for the Grace to know My LOVE! Of preferring My LOVE to that of the world and of creatures and the Grace of being faithful to this LOVE, every day corresponding My LOVE with your LOVE and repaying My LOVE with your LOVE for ME!

PEACE...

Message from the Most Holy Mary

"-Dearest children... Everything that was said today in this cenacle came from My Immaculate Heart, passed through the heart of My son Marcos, to reach the hearts of all of you!

Live all that you have heard, prayed and meditated today. Also keep the dream of Eternal Life in your hearts and in your souls so that the DIVINE LOVE in you can always grow more and bear fruits of salvation, fruits of love, fruits of holiness...

I wish from you the increase of LOVE!

See My children! As the world dies spiritually and is destroyed for lack of LOVE... Because human beings are ungrateful and do not love their GOD and their LOVING MOTHER, the world is destroyed and given over to satan, condemned, lost up..

See My children! How much evil and hate is there in the world, because human beings don't have LOVE... And why don't they have LOVE? Because they don't love GOD, for He alone is the source of LOVE!!! The human being cannot have that same LOVE alone, only from GOD can he receive it! Possess it and give it to others!... That's why your hearts seek GOD, seek GOD's LOVE and HE will give it to you!

I am with MY HEART burning with LOVE, I want to give you MY LOVE. Do not close the door of your hearts to MY LOVE, but rather receive it in you, accept it in you, live with it and try to make it known, try to communicate it to all other My children who have not yet known the beauty and sweetness of MY LOVE!

Serve me in the truth, turn away from all those who have already lost their faith! Who have apostatized and who teach errors in the world!

Seek My Children, always keep yourselves in the light! Always in truth! Always in pure faith!!

I am exhausted from calling humanity to conversion. I have appeared in thousands of cities on earth over the centuries, but only a tiny part of humanity has responded to MY LOVE and obeyed My Messages...

See My children! May the same thing not happen here! That's why I ask you to correspond MY LOVE. I ask you once again, obey My Messages, for they are for your good!

These messages are the last for the world, what I have said before I repeat again: After Paris there was the Apparition of La Salette, after La Salette, after La Salette there was Lourdes, after Lourdes Pontmain, Pellevoisin, Fatima and the others until they arrive here, but after this My Appearance here there will be no others...

They are the last ones for humanity! Therefore My Children, you see that the time of Mercy is at an end, do not waste this chance that the Almighty has offered you and that if you waste it, if you reject the salvation that THEY offers you now, you will seal your damnation forever!

The time of Mercy is now present in the world... But still a sinful soul, who does not recognize this time and does not seek his conversion by listening to My voice, obeying My Messages! It would be better for HER not to have come into the world...

Pray, continue to dry My Tears with all the prayers I have given you here. Meditate on My Messages, read and meditate on My Life, spread My Messages.

I love you very much My children!

Think of how many privileges and how many Graces I have given you here in this place!

Do not be ungrateful My children!

You see that I have given you My Special Blessing!

You see that I have often blotted out the pains of your sins, which you would have to pay in this life with sufferings and perhaps in purgatory in those very ardent flames!

See My children! How many privileges, how many promises have I made to those who pray the ROSARY! Those who pray the THIRD OF BLOOD TEARS! What do My HOUR OF PEACE do! Who fulfill My MESSAGES!

More than that I can't give you... I can't give you! I gave them everything! In My excessive MERCY I have given you too much Thanks...

What do you lack to be happy???

What do you need to decide for GOD and ME??? What do you still want???

Therefore My children, love GOD with all your heart, love your HEAVENLY MOTHER with all your heart! Because she loves you so much My children! SHE is doing the possible and the impossible in the world for the salvation of all.

See that I did everything I could for you! I appeared! I cried to blood! I cried! I spoke! I have given Miraculous Signs to confirm My Messages and to show you that I want your salvation!!! I want your conversion!!! That I want you all together with ME, close to ME!!!...

Why do you keep away My children???

Why do you still close the Door of your Hearts to Me???

Because you still don't obey My Messages as perfectly as I try!

You see... if anyone loved you as I have loved you!!!

Do you see if anyone loved you as GOD and I have loved you???

No! Therefore little children today immediately! Give your hearts to ME... Give Me your lives... Consecrate yourselves to MY HEART completely so that I can save you...

PEACE to all...

Jacareí, May 12, 2007 - (Saturday)

Message from Most Holy Mary

Dearest children... I am the “Virgin of the Most Holy Rosary”, I am the “Virgin of the Most Holy Rosary of Peace”! I want you to continue to pray the Meditated Rosary that My son Marcos does every day... It is mandatory to pray this meditated Rosary that he does and no other, because this one he makes is the best ROSARY that exists and that has already been made for the My honor and glory!

To this MEDITTED ROSARY that My son Marcos makes with MY MESSAGES and HOLY MEDITATIONS, I give all the blessings of MY IMMACULATE HEART. And those who love and pray these MEDITTED ROSES will also be blessed and cherished with the Special Love for ME.

I want you to have true love in your hearts! Have true love in you, for My Messages, for GOD and for My Immaculate Heart.

Go beyond yourselves!

Exceed your own measure!

Go beyond your own will!

Go beyond your attachments and pleasures!

Overcome your corrupted self!

So that your softness, lukewarmness, vices, self-love, attachment to your own way of thinking, attachment to your own desires, to your own will and to creatures are replaced by holy and even heroic deeds! I call you to the heroism of faith! I want you to practice the virtues to a heroic degree! so that you form around My head a Crown of many beautiful stars of holiness!

I don't want you to be just ordinary Catholics!... I want you to be 'holy Catholics'!... I want you to be holy children!... That's why I came down here and that's why I called you!

The 'First Message' that I gave here was about holiness, it is the difficult path, but its end is real and glorious.“-It is necessary to sanctify yourself!” I said to My son Mark in the 'First Apparition'. This is the purpose of My coming here! To arouse and form great saints! And I cannot admit that a soul comes here, asks for My Graces and does not want to be sanctified!

I want everyone who comes here to become saints, surpassing themselves! Surpassing the ME itself! For LOVE!...To rise higher and higher in holiness.

Think about it, think about the HOLY ROSARY and see that it is a true mold of holiness. In the ROSARY the soul is molded in my own mold and in the mold of JESUS and therefore it takes on Our own form and becomes Our Image and Likeness. Therefore pray the ROSARY, seek in the ROSARY the means of your sanctification and you will find them!

THE ROSARY is My 'Heavenly Mold of Holiness'. Whoever prays it, whoever prays My MEDITTED ROSARY that Marcos makes is placed by ME in 'My Holiness Mold' and becomes an image and living copy of My own holiness...

Peace My children! I give you My blessing!

Jacareí, May 13, 2007 (Sunday) - ANNIVERSARY OF THE APPARITIONS OF FATIMA

Message from Holy Mary

"-Dearest children, today May 13, celebrate the 90th anniversary of My First Apparition in the poor Cova da Iria in Fátima, to My Three Little Shepherds Lúcia, Francisco and Jacinta My IMMACULATE HEART came to earth in 1917 to initiate and follow up on My Plans, the designs of My IMMACULATE HEART summarized in My Secrets of La Salette. should enter its concluding phase that will lead to the Great Triumph of My IMMACULATE HEART...

The invitation I made ninety years ago in the Cova da Iria, of conversion, of returning to the Lord, of penance, of prayer, of fulfilling the Lord's Commandments was not heeded... The world continued on the road of sin, of violence. , rebellion against GOD, indifference, lovelessness, hatred, atheism, materialism, hedonism, paganism and so many other sins that offend GOD OUR LORD!

That's why I kept appearing in many other places on earth, until I finally appeared here in Jacareí for this beloved son of Mine who is a pearl of My IMMACULATE HEART!

I tell you little children:- After Fatima there were Beauraing, Banneux, Monchichiari, San Damiano, Garambandal, Umbe, El Escorial, Medjugorie, Naju, Akita, Kibeho and so many other places that I appeared until I arrived here in Jacareí. Apparitions here there will be no other Apparitions, for the 'Time of Mercy' and the 'Visitation of the LORD' for the men of these times will be over.

I therefore invite you to sincerely convert, not out of fear, not out of fear of punishment, but out of LOVE for the LORD! Because you no longer want to hurt them, hurt him, hurt the Father and the Son, the Holy Spirit. Because you don't want to offend him anymore! Because you no longer want to fill the LORD with sadness, but rather, you want to give the LORD love, joy, contentment!

I want your conversion to be sincere so that GOD can receive from you the True Love that is due to him and that he deserves to receive from all creatures of all that he created and made.

My IMMACULATE HEART will surely triumph! But until then, My little children, it is necessary for you to spread My Messages so that the number of those who pray and those who live according to My desires, pope to please God, increase!

There is not even a third of humanity converted yet! You must fight my children! May you continue to pray and take My Messages further and further! For those who are far from God and do not pray... Because among them there are many who are souls of good will and who do not know God because no one has revealed him to them...

If you take to them My Messages, My Meditated Rosaries and everything that I have given you here, through this dearest Son of Mine! Many souls will convert, come into My arms and overcrowd this place of prayer, penance and love!

Do not be discouraged! I am with you... I know that you suffer because of me... I know you all by name, I know what you do... I know what you suffer... I hear what you pray and I know your life better than you do. ! And of everything My children, I am aware of everything! And the solution of everything I will provide... Just pray and don't despair! Place all your sufferings in My Hands and you will see how I will take care of everything! I just want you to obey My

Messages, to take My word to all souls and I will take care of the rest... Do your best!

Give your best and I My children will act in your favor!

For your cause is My cause... and My cause is your cause!

Because you have consecrated yourself to ME, you have given yourself to ME totally!

Obey My Messages!

You do everything I say and therefore your life is Mine, Mine is yours! Your cause and Mine is yours!

Your sufferings are Mine and Mine are yours!

I My children will ask the LORD to do you JUSTICE and to give you PEACE and SALVATION... And the LORD refuses nothing to My supplication because HE LOVES ME infinitely! You can be sure that whatever I ask of Him, He will give to me! So, little children, you live every day under my sweet gaze, under my mantle and under MY HEART which is the sun that illuminates you and then you will live in Peace...

Continue to pray all the prayers that We have given You here...

Continue to dry Our Tears with your prayers...

At this moment I give you all PEACE..."

Message from Our Lord Jesus Christ

"-Children My... I, the SACRED HEART, bless you today once again and give you Peace!

Be faithful to My MOTHER... My MOTHER who appeared in FATIMA was neither obeyed nor heard... And for that I punished the world by allowing the 'second world war' and so many hundreds of other wars that devastated humanity throughout the 20th century and start of this one!

If the world does not respond to My Mother in the 'Last Appearance of humanity', which is this, I will again do JUSTICE to HER and to ME, even allowing new punishments to the world!

Human beings are very ungrateful My children!

They pay MY LOVE with sins, offenses and persecutions!

They pay MY GRACES and BLESSINGS with indifference and evil plans against ME!

Human beings are very ungrateful!!!

From the day I was born on earth to this day they only live to offend and hurt Me! They only live to thwart my will and to follow their disordered desires!

Human beings only live for themselves! And when they approach ME, it is with some interest to achieve some benefit and nothing more!

NO LOVE!!!

These men of today have no HEART!!!

He has NO LOVE for me, nor for MY MOTHER, nor for MY FATHER, nor for MY WORD!

That's why MY HEART is saturated with so many ingratitudes and offenses!" And I will do JUSTICE! But... If today you are truly converted and open your heart, accepting MY LOVE and loving Me with a sincere, pure and disinterested heart! Then very soon I will send PEACE to the world!

What I want is LOVE!

What interests ME in you is LOVE!

I look at many souls, but LOVE I only see in very few! Most have their hearts occupied only with the things of this world, thinking they will live here forever! And that they will never have to leave all this behind to one day appear before ME, be judged and go for what they deserve... Either HEAVEN or HELL!

In most hearts I only find a thirst for pleasure! Of amusements! Your own well-being! Self-indulgence! Luxurious! Greatness! Wealth and Power!

In hearts I only see this... In very few souls I see LOVE... In very few souls I find 'True LOVE'! THE LOVE OF THE CROSS! LOVE even in the midst of suffering...

LOVE that does not seek itself, but like this... but rather, seeks to please ME, love ME, give ME contentment and do MY NAME and MY GOODNESS shine and be known and loved by all men!

This is the LOVE I seek! This is the LOVE I want!

If today you open the doors of your hearts to MY LOVE, I will enter, I will dwell with you, I will unite with you! And we will be one! Just as I entered the hearts of the 'SHEPHERDS OF FATIMA' when MY MOTHER opened her Hands and communicated the LIGHT to them! There I joined them and WE became one heart in LOVE!

If you today open your hearts to MY LOVE, I will do this for you!

I will live in you and you will live in ME and we will be one in the LOVE of MY FATHER...

PEACE My children!"

Message from Saint Joseph

"-Little children! I end today's Message asking you to continue to do the HOUR OF PEACE, the MEDITTED ROSARY, the THREETEN, the SEVENTH and MY HOUR THE TIME OF SAINT JOSEPH every Sunday!

May you continue to dry OUR TEARS with all these 'Most Sacred Prayers that WE have given you here! And above all My children, during this year, you spread more about the 'APARITIONS of JACAREÍ, disseminating those pamphlets that contain the information of the Apparitions and the existence of this Holy Place.

I wish, little children, that you be missionaries of Our Messages!

Go around the world delivering and spreading Our Messages!

Do not worry if many souls refuse and reject the Messages! Worry ever more about moving forward, taking Our Messages to other new souls!

For in the world there are souls of good will who have not yet known Us and that is why they are still far from US... And there are many sinners who need to be converted My children!

Bring them the LIGHT! THE LIGHT has been given to you! The LIGHT is in your hands and that LIGHT is 'OUR MESSAGES'! Take this LIGHT to the whole world! Propagating 'OUR WORD' so that darkness is overcome by LIGHT and the world can finally see the LIGHT of GOD! THE LIGHT of LOVE, the LIGHT of HOLINESS, GRACE and PEACE!

To all today My children I bless you and I say:-

“RELEASE OUR MESSAGES!!! “

Meditate on all that WE have already given you!

The thousands of Messages that WE have given you here are not to be forgotten or just in books and pamphlets! They are to be kept and meditated upon and in your hearts and obeyed promptly with perfection and without delay!

Therefore, dedicate more time to reading, rereading, listening, meditating on Our Messages.

I say to you: “The soul that does not dedicate time to meditating on Our Messages, is in great danger of losing not only faith, prayer and LOVE, but also of losing sanctifying Grace and falling into sin...”

That is why I say to you :- “Dedicate time to OUR MESSAGES. They are the BIGGEST TREASURE that WE have given you! Worship this TREASURE! Love this TREASURE! Honor this TREASURE! Dedicating time and attention to HIM...

PEACE..."

Jacareí, May 19, 2007
Message from Holy Mary

"- Dearest children, I call you to 'PERFECT LOVE', which is pleasing to GOD! Without LOVE you cannot please GOD or ME. That is why I ask you, out of LOVE and not out of fear of punishment or hell. to sin, and return to GOD who loves you so much! And to MY HEART which has so much LOVE for you and which has already shown you so much! "

Surely you have already seen how much LOVE the cow has for her calf... the cat for her kitty... If a little animal has so much LOVE for its child! How much more I My children who AM the "QUEEN OF HEAVEN AND EARTH"! THE "IMMACULATE CONCEPTION" I love you and I have a simply scorching LOVE for you! When I lose a child to sin, I suffer a pain so acute that it would be enough to give Me a thousand deaths...

That's why I ask you My children! May you no longer make MY HEART suffer with sin, with evil, and with your refusal, your rebellion against the Will of GOD! If I could die, the pain I feel for the loss of a single child of Mine would be enough to give Me a thousand deaths in a row!

That's why I ask you:- "Renounce sin!" Do not resist the LOVE and WILL of GOD over you any longer! WE know you by name and for each one of you we have drawn a special, singular and unique plan... If you don't want it with great pain I will let you go away with the devil, with the world and with evil and I will call others to put in your places... But that is not My will! My will is that you My children never turn away from Me by your rebellion, by your rebellion and by your disobedience to My will, My Messages and My desires...

What I want from you little children is LOVE... Docile LOVE... Pure LOVE... Only when you have LOVE can the beauty of GOD be reflected in you! Oh yeah! I AM BEAUTIFUL BECAUSE I LOVE IT, BECAUSE I LOVE I AM BEAUTIFUL! And when you My children, also love GOD with pure and sincere LOVE, and love your neighbor with charity for the LOVE of GOD! Then you

also become very beautiful, that is; your souls shine and reflect the beauty of God himself! And My beauty...

Therefore, seek LOVE!...

Desire for LOVE!...

Open your hearts to LOVE!...

STRIVE! So that you may have, live the LOVE... the 'TRUE LOVE'!

My children, time is short! Time passes quickly! MY IMMACULATE HEART will surely triumph! But not everyone will triumph with HIM! Because not everyone obeys My Messages and does what I command....

If you My children, even today, do not listen to My repeated and distressed appeal to do everything I say to you! You will not be able to reach the end My children!... Because for the good, for the just, the road is tight and difficult. And only those who have a 'True and Solid LOVE' will make it to the end!

That's why I say to you:-"Pray all the prayers that I have given you with LOVE!!! And not out of duty and obligation! Pray them with 'SOLID LOVE' and asking for 'SOLID LOVE'!!! So that My children, receive the grace and strength necessary to overcome everything for the LOVE of GOD and ME...

Whoever has the DIVINE LOVE in them, conquers the world and has already conquered the world... It is LOVE that conquers the world! I conquered the world through LOVE and with LOVE...

Continue to dry MY TEARS with all the prayers I have given you, tomorrow I will return with My MOTHER SANTA ANA as promised and SANTA CECÍLIA... We will come to bless you all our children. And to give all of you My children once again the revelation of the LOVE, the WILL and the TRUTH of GOD... THE PEACE..."

Jacareí, May 20, 2007

Message from Santa Ana (Mother of the Blessed Virgin)

" -Marcos, dear son, I love you very much and I am with you... I come today to bless you and to bless all My dear children! For all the children of MY DAUGHTER “HOLY MARY” are also My beloved children!

Fight children of Light!

Fight apostles of the last times!

Fight true disciples of CHRIST!

Fight, fight with the light of Truth!

Fight with the Holy ROSARY!

Fight with Santa Fe in your heart and on your lips, to overcome the errors of today's world! To rekindle the flame of Santa Fe again! Erased and diminished by the wickedness of men, so that the Light of Truth that is CHRIST may shine before the whole world! The Light of Truth that is Mary! The Light of Truth that is GOD!

Fight with the weapons of Faith!

Fight with Prayer!

Fight with Penance!

Fight with Love!

Fight with Truth!

Make the 'True Devotion to My Daughter MARY' shine again... For on this depends the coming of the 'Kingdom of CHRIST' to Earth!

It is the 'True Devotion to MARY', it is the 'Kingdom of MARY' that will prepare the coming of the 'Kingdom of CHRIST'!

If the 'Kingdom of MARY' is not established on earth first, then the 'Kingdom of CHRIST' cannot be established! For as in the same way, as the first time HE came first through MARY! The second time must also be first through MARY that HE will come!

Yea! First Mary came into the world the first time, the 'LADY of all Peoples' and then came CHRIST. Now, in the same way, it is MARY who must come into the world and reign in the world so that then CHRIST can come and reign CHRIST!

Do it... Do it My children and you will see the TRIUMPH of the HOLY CATÓLICA FAITH! You will see the TRIUMPH of GOD!

I fought! So that My Daughter MARY can be replaced again from the place from which she was made to descend... Make the 'True Devotion' to HER flourish everywhere! Make her loved! known! Venerable! obeyed! Praised and Blessed! For all languages, peoples, races and nations of the four corners of the Earth!

Make HIS IMMACULATE HEART known! Loved! Venerated! Praised! Wanted! Wanted!!! For only when that happens will the HEART OF JESUS also be known... Beloved... Desired... Pursued! Wanted! Praised! And Beloved!...

First, Devotion to the IMMACULATE OF MARY must reign so that the HEART OF CHRIST reigns later! I fought! So that the 'Devotion to My Daughter MARY' may regain the splendor of Her early times of Faith! Because only in this way will Christ find hearts prepared, purified, formed so that He can then work, save and reign in them...

I bless all your efforts in defending My Daughter MARY, in loving My Daughter MARY, in making My Daughter known. MARY! I am your defender and I want all of you to commit yourselves here, making a 'True Consecration' of yourselves to my Daughter MARY to live only for HER! To fight for HER! To love Her with all my heart! In spite of men, of the world! And the devil...

I will help you with such abundant blessings! And with Graces so effective that the good will not be able to resist your words! And they will fall in love with GOD and with My Daughter MARY, when they hear the voice, when they hear your voice spreading Her Messages!

The good will not be able to resist your words, when they hear you announcing HER Messages!... The good will not be able to resist! And even the wicked, though not converted, WILL FEAR your words! They will fear MARY!

Yes, My children! I will be with you and I will help you... You can be completely sure of My assistance, My presence and My constant companionship with you! All the days of your life... As long as you are faithful to MARY in these Apparitions here! As long as you are faithful to HER Messages! You will always have in ME a friend, a companion and a protector...

But I warn you: - If you betray MARY, if you betray MARY's LOVE in this Apparition! Look no longer at ME, for I will no longer be your Friend! Rather, you will be your enemy! For you will have already passed to the side of the infernal serpent and therefore we will be in opposing armies, on opposite sides and I will have to fight you!

That's why I say to you, little children: - I asked every day for the 'Grace of Fidelity to MARY', the 'Grace of Fidelity to MARY's Messages'! For many have betrayed her, many have already betrayed His LOVE here because they did not watch! Why didn't they pray! Because they didn't ask for the Grace of FAITHFUL LOVE...

Pray every day, to have a SOLID LOVE for the Messages of MARY! A LOVE that resists all temptations, trials, tribulations and sufferings! A LOVE that resists the 'contrary winds' that Satan will never stop blowing to try to destroy your LOVE! A strong LOVE that resists all storms! A strong LOVE that resists all setbacks...

If you My children ask this Grace to the FATHER, to JESUS to the HOLY SPIRIT through ME! THEY will quickly give them to you, they will give this Grace. Yea! GOD will soon give this Grace, because what is asked through ME is always achieved, because I enjoy a lot of favor with the HOLY TRINITY...

My greatest desire is to see the 'Kingdom of My Daughter MARY' spread, spread across the world! Until it becomes a Garden of PEACE, GRACE, LOVE, FAITH, DEVOTION and HOLINESS...

Do all that I tell you My Children and you will see the miracle! Follow the indications that I have given you and you will not be wrong, because those who go for ME never make mistakes and always arrive at MARY! And whoever comes to MARY comes to SALVATION, because whoever lives for her will never sin...

Yes my children, I am your MOTHER, pray for me! I thank everyone who devoutly kisses My Image, I have received these caresses, these caresses that you give me! And for everything I am very grateful! Know that no kiss will be given to ME in vain, everything will have its reward and prize in the Celestial Glory!

Continue My children! Spreading all the prayers that My Daughter MARY has given you here, as these prayers will save the world!

Believe it!!!

Do not do anything other than what My daughter MARY has told you to do!

Are you smarter than SHE?

Have you more wisdom than SHE? Which is the seat of wisdom! The Throne of Wisdom! The tree, the river of wisdom!

Are you holier and more perfect than My MARY, to create things that save and convert more than HER?

DON'T SIN FOR HIGHER CHILDREN! FOR ALL THE PROUD SHALL NOT ENTER THE KINGDOM OF HEAVEN!

HEAVEN belongs to the humble... It belongs to those who obey GOD and MARY, despising themselves! HEAVEN belongs to the humble in heart! Whoever is not humble is not worthy of MARY! Whoever does not despise himself and his will to do the will of MARY is not worthy of her and whoever is not worthy of MARY is not worthy of God who lives and reigns in her!

Therefore, little children, take... Take these wonderful prayers that My MARY gave you and that My Marcos made for you... Spread these prayers, pray them fervently! And you will see, little children, how 'Divine Grace' will act, converting sinners, saving them and transforming them into 'great saints' for the Glory of GOD, JESUS, the HOLY SPIRIT and My MARY...

I am with you, always! When you pray the Rosary I join you! And I also pray the HAIL MARY, greeting My Daughter with those wonderful words of the

ANGEL GABRIEL:-”AVE MARY FULL OF GRACE”... Yes My children, I pray the ROSARY with you, because nothing gives Me more joy than blessing MARY the Immaculate fruit of My bowels. Nothing gives me more joy than saying: - “THE LORD IS WITH YOU”. Yea! Nothing gives me more joy than to bless the ALMIGHTY for having created MARIA Santa, Beautiful, Perfect, Pure and for having united with HER in an indissoluble and mysterious way. And for having given me the great happiness, the great happiness of having been the MOTHER of the MOTHER of My own GOD and LORD...

Oh! Oh! Wonder of wonders! MARIA MOTHER OF GOD is the wonder of wonders!!! Oh yeah! MARIA is the star of the stars, she is the sun of the suns! MARIA is the light of lights!

And I was chosen to be the MOTHER of this most wonderful creature! Incomparable! And unmatched in the entire universe!...

Blessed be My GOD! God of Israel! God of SKY! Earth God! God of the Seas! GOD of all that exists!!! For having created MARIA and for having given Me as a MOTHER to MARY!

Oh yeah! I am ANA the blessed one! I am ANA the happy one! I am ANA the always happy! Because I was elected to be the MOTHER of the MOTHER of My own GOD... I am ANA the blessed one... I am ANA the blessed one... I am ANA the one always favored by the ALMIGHTY! Because HE gave me the favor of favors that is MARY...

I AM MARY'S MOTHER and SHE is all MY LOVE and together we love GOD! And GOD is all Our LOVE!... Oh! Bliss of Bliss! Oh! Wonder of wonders!

I will bless the efforts of all who dedicate themselves to fighting to establish the 'Kingdom of MARY' on Earth. And now together I, My Daughter MARY and Our Daughter and Servant CECÍLIA bless you all with LOVE...

I will return here... On the Feast of the Assumption of MARY in August, on the second Sunday of August I will return and I will be here with you more once to bless you...

PEACE... PEACE My Angel... PEACE Mark..."

Message from Saint Cecília

"-Marcos, I am CECÍLIA, servant of GOD... Servant of MARY... Servant of SANTA ANA... Servant of the HOLY SPIRIT...
I am the servant of the servants of the LORD and I also come today to bless you and to tell you:
-Be faithful!... Be holy!... Fulfill and obey all the Messages that have been given to you here so that you may be worthy and deserve eternal life. ..
See... See my brothers... How great is the reward of the LORD for the short

time of life on this earth where faith is tested, where LOVE is tested...
If you are faithful to GOD, if you love GOD with a pure and sincere Heart for the small space of this life! You will deserve an incorruptible crown that will never be stolen from you, neither by the devil, nor by the world, nor by human flesh, nor by anything...
Your crown is already being prepared in heaven! Take care not to lose her through sin... take care not to lose her through disobedience to the Mother of GOD.

DO YOU NOT SEE THAT DISOBEDIENCE TO THE MOTHER OF GOD IN HER CURRENT APPARITIONS IS THE CANCER OF THE WORLD??? AND THAT ALL CURRENT PUNISHMENTS AND EVILS ARE CONSEQUENCES OF THIS DISOBEDIENCE, WHICH HAS BEEN WORSE AND GROWING MORE SINCE 180 YEARS AGO???

How long will you continue to mistreat and make the MOTHER of GOD suffer like this? Will even you who call yourselves her children and who say that she is your MOTHER... will even you repeat the sin of the wicked and torture the MOTHER of our LORD even more?
Will you not even pity and have pity on her? Oh no! May the great conversion begin from you!... May the great transformation begin from you!...

Transform yourselves into ANGELS... Obedient, docile and saints who love her who praise her who want her who obey her who please her... who give her contentment and satisfaction!
I am here with you to help you in this holy task which is not easy!... But with My help and that of all the Saints who have already come here and who are in HEAVEN, it will be possible for you! IT WILL BE POSSIBLE....
I GUARANTEE YOU... THAT EVERYONE WHO OBEYS THE MESSAGES FROM THE MOTHER OF GOD WILL NOT PERISH! OH NO! WILL NOT PERISH! WILL NOT PERISH...

I tell you, if there had been Apparitions of Her in the time I lived... In that time of the Roman empire, everyone would have converted more quickly and the world would have been a paradise, oh yes... But our LORD has his designs and HE reserved for this time the multiplied Apparitions of the HOLY VIRGIN on earth... And you... What fruits do you present??? And you... What fruits have you had so far?
Did you respond to so much love? Did you respond to so much grace? Have you responded to so much benevolence from the Most High and the Mother of GOD for you?
If not, there's still a little time left... Return... Return... Transform yourselves and then the fruits of the Messages from the Mother of GOD... From the SACRED HEARTS...
With these fruits many souls will be saved and satiated from the spiritual hunger they feel and then they will live... For the fruit of these Messages does not end in this harder life for eternal life.
Oh yeah! If you bear these fruits very quickly the 'Kingdom of MARY' will come into the world and soon after it the 'Kingdom of JESUS'.
I will be with you, I will bless your voice... I am the 'Protector of the Voice'! I will

bless your voice so that it is completely anointed by the HOLY SPIRIT and souls will not be able to resist your words full of anointing when you announce not your Messages, The Messages of the MOTHER of GOD, of the SACRED HEARTS.
THIS IS WHY PREACHING HAS NO EFFECT, MEN PREACH THEIR OPINION, THEIR GOODNESS, THEY DO NOT PREACH THE WORD OF THE MOTHER OF GOD. IF THAT WERE DONE, THE WORLD WOULD ALREADY BE IN GREAT HOLINESS.
But there's still time! Leaves! Fight apostles of light! Bring to everyone the light of the IMMACULATE HEART of MARY so that the darkness may be overcome by light and the HEART OF MARY, the HEART OF JESUS, the HEART OF JOSEPH, the HEART OF GOD triumph...

I am with you always! Pray me! Speak to me! call me in moments of doubt and suffering and I will enlighten you and tell you: whoever gives himself to me, whoever gives me a hand will not fall and even if he falls he will not remain fallen. You must get up! The race will continue and the prize of victory will be reached...
To all I give PEACE... PEACE Marcos... I love you... PEACE... Stay in Me, rest in My LOVE. .. PEACE..."

Jacareí, May 24, 2007 - Anniversary of the Apparitions of Oliveto Citra

Message from Holy Mary

"-Marcos, I your MOTHER bless you again today and I give you My PEACE!

Today you commemorate My 'First Apparition' in the distant year of 1985 in Oliveto Citra to eight children, to call the whole world to conversion!

I appeared that day at the castle gate, with the DIVINE KING of HEAVEN in his arms showing the HOLY ROAD! To show you the way and give you the secret of victory!

However, My Messages from Oliveto Citra were not followed or obeyed... Men became soulless and did not want to obey Me! Not even after I have filled you with LOVE and GRACE. That is why violence, wickedness, impurity, desertion from the Catholic faith, apostasy spread throughout the world, filling souls and nations with darkness...

Men followed the path of evil, summarily rejecting My Messages and running frantically after amusements, pleasures, personal interests and money. Without paying attention to the painful Messages that I gave, shedding copious tears...

That's why the time for its punishment will come for this world... This one will be tremendous! And it will come at a time that no one will wait!

My obedient children will be perfectly prepared... But those who do not obey My Messages will be taken by surprise! And woe to them! ... It would be better if they weren't even born!

I call on My True Children to go out and take My Messages to souls of good will who do not yet know Me! So that they may find the LIGHT and be saved by the resplendent LIGHT of MY IMMACULATE HEART...

Shout over the mountains and roofs My Messages of LOVE and PAIN! Until My good children gather under My mantle.

Do not be discouraged if some people say no to you and if the devil shows himself as the king of hearts! For I will triumph in the end and he who has always acted with pomp and noise will be defeated by the One who has always acted in simplicity and silence. And then, then, the full power of the SUN-DRESSED LADY will be revealed!

You have confidence! For I know you by name! And all of them, all your names were written in MY HEART! PEACE! PEACE..."

Jacareí, May 25, 2007 - Message from Saint Joseph

"-Son, have My PEACE! I'm with you!

MY LOVE is a pearl of great value! And happy is the soul that renounces everything to possess it!

MY LOVE is so precious that only those who love it and desire more than life itself can make themselves worthy of it. A soul only proves that it is worthy of MY LOVE when it renounces everything for IT!

A soul is only worthy of MY LOVE when it is placed before and above all other loves in this world...

Happy is the soul that loves MY LOVE and is loved by HIM!

The soul that receives MY LOVE is always happy! For there is MY sweet LOVE that contemplates everything and overcomes everything!

Son PEACE! PEACE to all..."

Jacareí, May 29, 2007 - Message from Saint Joseph

"Dear son, I give you the blessing with My Peace! Oh! How I rejoice when you pray "SAINT JOSEPH, FATHER OF THE SON OF GOD AND OUR FATHER".

When you pray these comforting and powerful words, you give My Heart unprecedented joy ...With these consoling words, you console My Heart that is so forgetful of men and pays only with ingratitude... With these powerful words, you put the demons to flight! When you pronounce this blessed greeting, you give Me all Honor and Glory! Filling My Heart with joy and with Heavenly Light the world... Every time you pronounce these Holy Words, I will release a ray of light from My Heart illuminating the soul of a sinner and converting it. Children, PEACE! Praise Me! Pray Me! Glorify Me! PEACE..."

Jacareí, May 31, 2007 - Message from the ANGEL JARIEL

"-I am the ANGEL JARIEL, dear Marcos, THE PEACE!

The devotion to US the Holy ANGELS, is the great wonder of recent times! This TRUE DEVOTION TO US kept for so many centuries and reserved for these Apparitions here, now it must shine to overcome the darkness and prepare the world for the coming of the Luminous Kingdom of the SACRED HEARTS to the world...

Yes! This devotion must precede, that is, it must establish itself in souls to prepare the world for the Kingdom of the SACRED HEARTS!

The world is a great vine that will be prepared by the Holy ANGELS, for the arrival of the LORDS of the vines who will come to demand fruit even from the seeds they have not sown... And woe to the barren vines!

Forward! That there is still a lot to work on in the vineyard! What WE desire is PURE LOVE, but... only those who have a pure heart can achieve it. Purify him by prayer and intense penance.

Devotion to ANGELS is necessary for the salvation of men, for only WE can safely guide them to the SACRED HEARTS! WE are the straight path and without stumbling for those who truly want to finish the journey started...

Marcos a Paz!"

Jacareí, June 02, 2007 - **Message from Holy Mary**

"-Dearest children, I am the LADY OF LOVE... I AM THE LADY OF DIVINE LOVE! It is this DIVINE LOVE that I wish to place in each of your hearts! So that your souls may be the abode of LOVE...
Where there is LOVE, GOD is there!
Where GOD is, there is and is LOVE!
Where GOD is, there is and there is LOVE!
Where GOD is not there is no LOVE!
Where there is no LOVE GOD is not!
In the soul where sincere and true LOVE for GOD and ME is not, in this soul

GOD is not!
The soul that truly has GOD with it!
The soul that truly shares with ME, your MOTHER and with GOD, has true and sincere LOVE for US!...
The soul that does not know how to love Us with Pure LOVE! Disinterested! Honest! Perfect!... This soul has no part with GOD or with ME...
WE are not in a soul that does not have TRUE LOVE for US! Only in souls where there is TRUE LOVE for US! WE can TRULY LIVE, REMAIN and REIGN there... In the soul that does not have the TRUE LOVE for US we cannot LIVE, REMAIN or REIGN in it... And as WE cannot LIVE, REMAIN or REIGN in it, this uninhabited soul will not remain ! Another will enter the place that WE should occupy! And there in that soul that other will live, will remain and there will reign... And who is this other? He is Lucifer, Satan, my enemy and the enemy of GOD!
In the soul, in which GOD and I are not, because it does not have LOVE! Who lives, who remains, who reigns in it is satan... This soul lives, fulfills and follows only the motions that satan gives it... The plan that happens in the life of such a person is not of GOD, but the from the enemy! And everything that person does is of no use to him for his salvation...
You cannot serve GOD and the world!
You cannot serve GOD and the devil!
You cannot serve GOD and yourselves!
You cannot serve two Masters!

The soul that does not serve only GOD, only ME, YOUR MOTHER, Co-redeeming Queen, Lawyer and Mediatrix! That soul serves the devil!
That's why children... Pray all the Prayers that I gave you here asking for the Grace of PERFECT LOVE! And after receiving it from GOD in Prayer, in Penance, in the exercise of the Virtues! I asked the LORD through ME, the Grace that this LOVE will increase more and more, until it becomes a true mystical fire of LOVE!
That's why I say to you: - Whoever does not have PERFECT and PURE LOVE will have no part with GOD, nor with ME! And then, you will also have no part in OUR KINGDOM OF LOVE, which we will bring into this world! To reign in him Eternally, with all Our true children and beloved servants, who have in their souls the TRUE and Perfect LOVE and carry in their hearts OUR SIGN...

Continue to pray all the Prayers I have given you here! Continue to dry MY TEARS with the Prayers I have given you... I will always help you in your sufferings! Pray! And I will always help you with My PERPETUAL LOVE! PEACE..."

Jacareí, June 03, 2007 -

Message from Our Lord Jesus Christ

"- My children, pray the THIRD of MY SACRED HEART every day of this month, which is consecrated to ME! Asking for the Grace of the encounter of your souls, with MY LOVE! And so that I grant you My PURE and HOLY LOVE so that with this LOVE, you love ME, MY MOTHER and also the souls of your brothers, to save them! Pray this Rosary, begging this Grace many times! That I will grant it to those who sincerely ask for it!"

Message from Holy Mary

Know My children that the works, that the acts, that the example is more powerful than even physical signs that I can manifest in My APPARITIONS! In the acts, in the works, in the examples of those who truly love Me, there is no mistake or illusion! There everything is light, everything is true! Everything is real...That's why I said in My First Message here, in February 1991: “IT IS NECESSARY TO SANCTIFY YOURSELF!

No one can doubt the examples of a holy soul, who truly loves Me... The example crushes the forces of evil! The example is a light that dispels darkness! The example is a strength of GOD that the world cannot overcome! That the world cannot erase! That the world cannot make disappear! If you give the world the True Example of LOVE for ME and GOD! The True Example of PERFECT LOVE, of holiness, of dedication, of devotion for US!... Your example will win many souls to OUR HEARTS and then CONVERSION will spread! And the world will be saved by the strength of the GREATER LOVE, PERFECT LOVE, PURE and HOLY LOVE. Only PURE and HOLY LOVE can save the world! Only when everyone has this LOVE and gives an Example of this LOVE to the world! He will be saved... Therefore, My children... Clothe yourselves with TRUE LOVE, which I give you abundantly in My Messages!... Clothe yourselves with this LOVE that I have always offered abundantly since My First Appearance here! And I have always given... If you truly love GOD and ME with SINCERE LOVE, with PURE, DISTRESSED LOVE...

If you really love My Messages of LOVE and PAIN, with PURE and SINCERE LOVE!... Then My Children, VICTORY will be easily achieved! For you and for all those who know you... Because then the LIGHT of MY LOVE will shine in you, which always conquers and always will conquer darkness... Seek LOVE! Ask for the Grace of this LOVE, praying all the Prayers I have given you here! Continue to pray them, to dry MY TEARS! And to give the ALMIGHTY reparation and reparation for so many sins and offenses, with HIM he is offended! And above all, for the great lack of love and ingratitude with which His children repay His LOVE and also MY LOVE! PEACE... Pray!... Pray!... Pray always..."

Message from Saint Joseph

"-Dearest children... I love you very much and I wish to help you also to have PERFECT and HOLY LOVE!
Continue to pray all My Prayers, especially 'MY TIME' on Sundays! HEART,

may I communicate to you the Burning Flames of MY LOVE, which burn in My Chest, so that you can then resemble ME in the ardent and holy LOVE for JESUS and MARY...
Do you want to learn to have TRUE LOVE for GOD and for BLESSED MARY? So My children, turn to ME many times! Many times, whenever you can, come to My Image! Commit yourselves to ME! Commend your soul to the care of My HEART! And above all, stay even if only for a minute contemplating MY DEAREST HEART on Fire! Asking HIM for the grace to receive a spark of MY LOVE!
And I say to you My children: - I will give it to you! If you ask Me daily, I will give it to you... Because I LOVE JESUS and MARY infinitely and I want to make you, TRUE FLAMES of LOVE for THEM on earth!
PEACE..."

Jacareí, June 07, 2007 - Corpus Christi

Message from Our Lord Jesus Christ

"-My children, dear children... MY SACRED HEART rejoices for your coming here today. I, My BLESSED MOTHER and SAINT TARCISIO who came with Me, bless you now!
My children, sincerely love ME your GOD! sincerely my BLESSED MOTHER! sincerely love my FATHER SAINT JOSEPH, my ETERNAL FATHER, GOD, YAHWEH ... Love my HOLY SPIRIT sincerely
! and pray for the CONVERSION of the world! For the punishment My children is certain and infallible for this world! The world is cruel to ME and to MY MOTHER! We give warnings! We give Messages! We give so many Messages of LOVE and men pay us only with ingratitude , with sins and with offenses!...
They don't want to know anything! They run frantically only after amusements, pleasures, money and a comfortable life!...
They don't think about the day of their death!
They don't think about the day when they will have to give an account to ME for their whole life!
They do not think that their days are numbered on earth! And that from My call at the hour of death no one will be able to escape!...
These men of today! Who run frantically only for what gives them pleasure, without caring about MY LOVE! Without caring about the LOVE of My BLESSED MOTHER! Without caring for the salvation of their own souls! These men will have the most terrible punishment!...
But before it, I will give a sign to the world, it will last three days and three nights, all summer, no one will be able to explain it! And everyone will see that he comes from ME. Some will even go back!... They will reconsider!... They will regret it!... And they will still return to ME...
But most, even if they see that sign for a few moments, soon after, they will turn their gaze to the pleasures again. , the amusements and your easy and comfortable life around you and soon you will give in to the same things as always...

That's why the punishment will come! It will also come because many will see that sign and say:- I don't want to! I do not accept you! I don't want to love you!!! So it will be ME who will send the punishment! I will send the punishment, because this world has already reached a level of cruelty like ME and My MOTHER! To such a level of ingratitude with ME and MY MOTHER, that I can no longer tolerate it! That's why the punishment can no longer be cancelled... It can be lessened for you, more or less according to your prayers...
Therefore pray a lot... If My MERCY is great, My JUSTICE is not smaller. .. And I will have to come to clean this land soaked and soiled with crimes and sins! My creation has been deformed and is completely disfigured!
I will make it return to its initial beauty... And I will make it come back purifying it, with fire and with columns of smoke! I will turn in a terrible fire! And when those who did not want to heed My Calls, and pay attention to My Ears, see Me! Coming in terrible fire, in rolls of smoke, lightning and thunder!!! They will wish they had not been born... I
TELL YOU! I TELL YOU:- “It would have been better for them if they had not been born... It would have been better for them to die in their mother's womb than to come into this world and not hear My Voice! Do not love My Voice! And not obeying My Warnings and My MOTHER's Warnings!

Be strong My children! You still have many souls to save!
Pray, work without ceasing, for the dissemination of Our Messages! And fear nothing! Fear nothing at all! Because whatever happens, I and My BLESSED MOTHER will always be with you! Even if men do you injustice, WE will stand by your side because you are right! You prefer to obey the Messages that I give you, that My MOTHER gives you, that My ANGELS and My SAINTS give you!
You work for the good! For the conversion! For the salvation of souls! You work to carry out My will on earth! You are My seed! You are My chosen race! You are the people of My family, of my kinship! Therefore, little children, We will be with you always! Ever!!! Ever!...
Be our brave announcers! Be our instruments of conversion and salvation, taking Our Holy Messages to all our children... Always have all the Messages that WE give you before your eyes. Meditate on them often and constantly, so that your eyes never lose the light and so you never sink into darkness!
Always have My Will before you... Flee from evil, flee from those who want to take you away from Me and we will triumph over evil and sin! You always seek My advice in Messages, Prayer and Meditation. I will inspire you! You will be inspired by ME! Always seek the advice of My Servants, SAINTS who have virtues! Always seek advice from virtuous men! So that wisdom may always be in you!
Who are the virtuous men?

They are those who have the SEAT OF WISDOM, living and reigning in them, that is; My BLESSED MOTHER... Those who have her living and reigning in them, those who obey the Messages from the HEADQUARTERS OF WISDOM, those who fulfill the will of the THRONE OF WISDOM! These are the virtuous men! In them WISDOM rests... And WISDOM will rest in you all, if in you all, the SEAT OF WISDOM which is MY BLESSED MOTHER also LIVES AND REIGN...

Praise God! Bless GOD! Because he has placed you here IN THIS APPARITION! THE EUCHARISTIC APPEARANCE OF MY LOVE!
Praise and bless God! Because HE has placed you here in this APPEARANCE. Where I, MY BLESSED MOTHER and My SAINTS and ANGELS give you so many blessings, so many treasures, so many spiritual lights!
Praise, bless God! Because the KING of HEAVEN and Earth, the QUEEN of HEAVEN and Earth! The Rulers of Heaven and Earth! They left their THRONES of GLORY and bowed down with Benevolence, Mercy and Indulgence to you!
Praise and bless God! For ye, though wretched, though weak, and though utterly impoverished by your sins! They were treated with Benevolence, Mercy and Mercy by OUR SACRED HEARTS!
Yea! You had nothing to attract Our eyes! You had nothing to attract Our gazes of MERCY and LOVE!... You only had miseries! sins! Defects! Blasphemy! You only had truly spiritual indigence! But even so, OUR HEARTS came down to you. They cleaned you! they washed you! They gave you a new robe! Ring of Grace on the finger! Our HEARTS have prepared for you a beautiful feast and banquets filled with Blessings, Graces and Gifts of OUR LOVE and of all Luck! And you were invited to sit at the table to dine with US!
Yea! All this you received here! Praise and bless God for this!
Glorify the NAME OF GOD! THE ETERNAL! The One Who Reigns! Who governs and who judges for centuries of centuries!... Praise and bless him! Because he was so good to you... For you he was not a boss, he was a most loving FATHER! HE was a most faithful friend! HE was Confident, Faithful and Loyal! He was always the inseparable friend!
Praise and bless God! That here in this place for you and in you revealed so many wonders...
Peace My children...

Continue to pray all the Prayers that WE have given you here! Continue to dry Our Tears of Blood with them... Continue to spread Our Messages, because at least a third of humanity must be saved... There is not yet a third of humanity praying and fulfilling the Messages!.. Therefore, fight My children! I fought! I will fight with you! We from Heaven will fight for you! Your cause is Ours and Ours is yours... That's why we will fight together! We will suffer together! And together we will triumph!
PEACE for all! PEACE, dear children!"

Jacareí, June 10, 2007

Message from Holy Mary

"-Dearest children, I am the MOTHER of GOD and the LADY of LOVE!... I want each of you to open your heart more to DIVINE LOVE... Detach yourselves from the things of this world! who deceive your hearts and want to distance you from ME and GOD and take you away from US!...

Renounce everything that opposes My School of Holiness, which are these Apparitions here in Jacareí
! ... despise! And oppose everything and everyone, who want to take you out of My daily School of Holiness, which are My Apparitions here!
Be courageous!!! Be faithful!!! DO NOT BE 'CAIMS' MY CHILDREN !.... DON'T BE 'ESAUS', REBELS WHO DO NOT ACCEPT THE MOTIONS, ADVICE AND THE COMPANY OF THEIR MOTHER!
Be My 'ABEIS': Faithful.... Good... Just... Correct, and who give the best of you, for GOD and for ME your MOTHER!
My 'JACOBS': Good.... Obedient... Docile to My advice and My orders.... Always present with Me, well united to Me... Keeping Me company in prayer, in reading the Messages and in meditation!... Be my 'Jacob' obedient... Ready and always faithful...
Do not be 'CAIMS' My children... Who offer to God the worst and keep the best for themselves ...
Oh no!!! BE LIKE ABEL, WHO GAVE THE BEST OF HIM FOR GOD!!! Give the best of yourselves to GOD!... Give the best of yourselves to Me your MOTHER! Give Me EVERYTHING!!! Your freedom... Your youth... Your strength... Your time... Your life... Your interior and exterior goods... Your work... Everything! All! For only then will you be truly and completely Mine!
The soul that does not give the best of itself to God, but rather reserves the best for itself and gives God the worst of itself! This soul will be cursed as Cain was, and will bring the displeasure of God upon it...

Be like Abel... Give everything!... Give your best to GOD and to Me and you will be blessed and loved by the LORD, as His true children and as people of His family and His chosen race!!!
Continue to pray all the prayers that I have given you here...
Continue to dry My Tears with these prayers My children!...

These prayers will save the world! If the people of the world pray them with obedience, fidelity and success every day...

FLEE FROM ALL THOSE WHO WANT TO LIVE DIFFERENTLY, THE WAY I TOLD YOU TO LIVE HERE, BECAUSE THEY ARE OF THE DEMON... of satan AND LOOKING FOR YOUR LOST... YOUR LOSS!!!! BE FAITHFUL TO ME!!! DO AS I TELL YOU, AND YOU WILL NEVER MISS... YOU WILL NEVER SIN!...
Those who go for me, those who walk for me... Those who let themselves be guided and led by me... will never sin....

"- I am Luís Maria Grignion de Montfort. I am your brother... protector of this place, of this Blessed Sanctuary and protector of all those who love Him, work

for Him... Fight for Him... Pray for Him... They spread it and for all those who always come here, to console with their loving and faithful prayer and to dry the Tears of the MOTHER of GOD
. Unfortunately, until today, few have known how to appreciate and even less to fulfill...
LEDE!!! RELED!!! LISTEN AND RE-LISTEN TO THE TRACT OF TRUE DEVOTION, MANY, MANY TIMES, UNTIL THE SPIRIT OF THE WORLD LEAVES FROM YOU AND ENTERS THE PLACE THE SPIRIT OF MARY!... THE SPIRIT OF GOD!... THE HOLY SPIRIT...
So that it is not you who live for yourself, but rather that MARY may live in you!... To love God in you!... To glorify the LORD in you!... To obey the Lord in you! you!... Giving thanks to God in you...
Yes!... Let the spirit of the world come out of you all!... The spirit of darkness!... The spirit of the flesh! And let the SPIRIT of MARY enter you, which is the SPIRIT of the LORD...
May she be the one to live in you!... May she be the one to love in you!... May she be the one to give Glory to God in you! ... May it be SHE to illuminate the WORLD in you! May she be the one to triumph in you!...
To do so, read and reread THE TREATY ON TRUE DEVOTION many times, EVEN IF YOU HAVE ALREADY CONSECRATE YOURSELF BY THE WAY I TAUGHT YOU THERE. Because the spirit of the world, at all times, tries to return to the heart from which it came! The soul, even after being consecrated to MARY, is in danger of going back to living as before, because the corrupt I still remains there! And the victory has not yet been achieved...
Therefore, read the TREATY... Hear the TREATY... Live the TREATY... Meditate on the TRUE DEVOTION that I taught you in Him... Lean on Him... Savor it like a delicious delicacy that deserves to be savored with all attention, taste and esteem!
Make it known to the whole world! Hence also to know to the world the SECRET OF THE ROSARY, which I left and revealed to you in such a beautiful and beautiful way!!
Follow the examples that I left you of LOVE for the BLESSED MARY! May she be everything to you, just as she was everything to me!!! May She be your great and only LOVE, as She was for Me... For only then will GOD be your True and Only LOVE! Because those who try to love him without the Blessed Virgin fail! Only those who try to love GOD through, with and in the BLESSED VIRGIN succeed in the holy task and attempt to love the LORD GOD with pure and perfect LOVE...
Flee from all those who contradict the TRUE DEVOTION TO THE HOLY VIRGIN!!!
Flee from all those who say you shouldn't love her like I taught her! Praise Her as I taught! Serve Her as I taught! Obey Her as I taught! Glorify Her as I taught... For these are not moved by the good spirit! But by the infernal spirit, satan, the enemy serpent of the Virgin Mary...
Even if they wear badges, clothes and religious attire and seem to be ministers... Servants and prophets of GOD, don't listen to them! It is for the devil they speak not for the Holy Spirit.0!
BE FAITHFUL IN DEVOTION TO THE BLESSED VIRGIN THAT I TAUGHT YOU!!!
Praise her as I taught you!!! Love her as I taught you!!! Serve her as I taught

you as her TRUE slaves of LOVE, who want nothing more in this life than HER herself!
WHO DO NOT SEEK ANOTHER REWARD! ANOTHER HAPPINESS! ANOTHER PLEASURE! ANOTHER JOY! OR ANY OTHER LOVE OTHER THAN THAT OF HOLY MARY, AND OTHER THAN OWNING THE FRIENDSHIP OF THE HOLY VIRGIN!!!
Those who follow My Examples, My Advice, My Teachings, My Lessons!... They will not be wrong! They will find the BLESSED VIRGIN They will truly unite with HER; with HER you will live in this world and then with HER you will triumph and remain living eternal life united with HER forever in Heaven...
PEACE to all... I pray for everyone who comes here every day! I protect everyone and I help everyone to be faithful in true LOVE and devotion to the MOTHER of GOD... PEACE..."

Message from Santa Luzia

"-Dearest brothers, I am LUZIA... Servant of GOD and BLESSED MARY... I love you all!... I wish you all very well!... I want to have you all in Heaven with me one day!
I will not rest until I bring EACH ONE OF YOU to Heaven! To together with me we praise GOD and the BLESSED MARY, without interruption or fatigue for all eternity!...
Follow the examples that I left you!!!
Imitate MY LOVE burnt by GOD and by BLESSED MARY!!!...
Follow in the footsteps of Christ!!!
Be true imitators of Christ!!!
Follow in the footsteps of HOLY MARY!!!
Be true imitators of HOLY MARY!!!
Follow in the footsteps of Saint Joseph!!!
Be true imitators of Saint Joseph!!!
May your life bear witness, more by deeds and deeds than by words! Your LOVE to GOD, the BLESSED MARY and Saint Joseph!

It's no use saying: - LORD! MR! If the word of GOD, the will of GOD, is not fulfilled...
Therefore, dear brothers, be more of the number of those who do, than of those who only speak and do not do....
Be true doers of the will of GOD, of GOD's Commandments so that you may one day receive in you the 'Crown of Eternal Life' and be truly accepted in Heaven by GOD and by BLESSED MARY.
PRAY THE HOLY ROSARY WITH ALL YOUR FERVOR AND LOVE!
At the time when I lived on Earth, the Holy Rosary did not yet exist!... The Blessed Virgin had not yet given it to Saint Dominic.
Oh! If only I had the Grace of the Holy Rosary!!! Oh! If only I had known this wonderful prayer!!! How My joy would be even greater!!!
You have this joy! You have not only the Holy Rosary, but SO MANY RODS AND PRAYERS! THAT THE MOTHER OF GOD IN PERSON HAS GIVEN

YOU HERE AND IN OTHER PLACES!!!
What do you do with all these Treasures???
What fruits do you bear?... Of these Treasures of Prayers?
You have to be saints!!! You must bear fruit of these Prayers! Of these Messages!... Of these wonderful and extraordinary Apparitions of the BLESSED VIRGIN!...

You have to be saints!!!
You have to glorify GOD!!!... Bearing fruit from all this!
DO NOT BE NEGLIGENT!!!
DON'T BE UNGRATEFUL!!!
DO NOT BE JUDAS MY BROTHERS!!!
Do not be like 'EZAUS', who displease their MOTHER and who waste, despise so many incomparable and priceless Treasures of GOD! Because of a plate of lentils, that is, the 'little pleasures' and 'little joys' that are fleeting, futile and useless in this world!...
Be true 'ABÉIS'... Who Truly LOVE and HONOR the Graces their MOTHER from the! And who bears the fruits of these blessings and these Graces, thus providing joy, jubilation and contentment to the Heart of his MOTHER!!!
Do not be 'Caims' My brothers! Who do not give to GOD what is due to GOD, that is, all the LOVE of the heart, all the strength of the soul and body! All the powers of being, all the affections of the heart!
Give to GOD what is due to Him... Be like ABEL and then you will be blessed by the LORD! With the rich Graces of His LOVE and Mercy you will be great saints... You will be luminous stars of holiness, so that the world will finally see the 'Divine Light' and find GOD our LORD.
You invoke me as the 'Protector of Vision', but the main vision that I want to give you, that I want to purify and even heal in you, is the vision of the soul...

So that you may see your sins and regret them and deplore them sincerely...
So that you may see your faults, so that you can correct them...
So that you may see how far you are still from perfection! So that you can look for it with firm and decisive steps!...
So that you can see how immense is the love of God and of the most holy Virgin for you, in these Apparitions here! And so that you may recognize this IMMENSE and TRUE LOVE in each of the Messages given here! And can you respond to that immense LOVE, with a sincere heart, with a sincere, ready, docile, obedient and faithful LOVE...
It is the vision of your soul that I want to give!...
It is the vision of your soul that I want to purify!...
It is the vision of your soul that I want to lighten and illuminate! That you may clearly see all the wiles of Satan!
That you may clearly see all the chains which you yourselves bind! And that bind you to the devil, through the pleasures and creatures of this world! That deceive you, entangle you and distance you from GOD so many times...
It is your vision that I want to bless so that then with clear views, you can move forward, without making mistakes, without stumbling... without falling...
Be faithful to GOD!!!

Even if it costs you a lot!... Even if it costs you suffering, as it cost me... Be

strong in the hour of pain... Be strong in the hour of suffering and faithful to GOD in the hour of suffering.
Imitate the Blessed Virgin who suffered unspeakable torments! WHAT A MARTYR SOMEONE SUFFERED and who nevertheless remained aflame with LOVE for GOD... faithful to GOD next to the CROSS...
Always resort to the Messages of c!
Oh! If I had had Messages from OUR LADY, at the time I lived on Earth!...
But this grace was more reserved for this generation! And how does the MOTHER of GOD PAY this generation?
Only with ingratitude... with sins... offenses... persecutions and mockery of your Messages
Oh! If only I had had one apparition of the BLESSED MARY in My time! And you have these APPARITIONS every day... You have Messages every day...

And you?... HOW DO YOU RETRIBUTE??? Do you try to be present as many APPARITIONS as possible?
Do not forget that this great grace of the Apparitions for which I would be able to die a thousand times over! Just to witness one of the Apparitions of the MOTHER of GOD to her visionaries! THIS GRACE WILL END SOON! And how much remorse will be felt by those who failed her out of sheer laziness, ill will, out of LOVE for entertainment, money, pleasures and the world...
How many are committed to the world and therefore not committed to the MOTHER GOD.
Ah... What terror will men feel on the day of punishment when they see clearly before their eyes all the Apparitions of the BLESSED MARY! All the LOVE she offered them! All the blessings that SHE has offered you! And they despised everything because of the loves of the world... Of the loves of life... Of the loves and amusements of the earth... Of the passions of the earth...
Their terror will be so great, that many will cry out to the mountains for let them fall on them and cover them from the eyes of GOD and the BLESSED VIRGIN!... Such will be the terror they will feel, for the ugliness of their souls suffocated and drunk with sins, amusements and earthly passions..
Therefore, if you do not want to be one of these unfortunate ones, give yourselves completely to the MOTHER of GOD in Her APPARITIONS, to obey everything that She commands and says. And to be completely according to Her will, LOVE and Her Heart.
I, Luzia, promise to help you... I promise to be by your side.. I will lend a hand to anyone who asks me for help and I will lead each one on the path of perfection, of perfect LOVE, of prompt and perfect obedience to the MOTHER of GOD... But the condition is that you want that above all else! And that you renounce everything and that you renounce EVERYTHING that divides your hearts... That prevent you from giving yourself totally to the MOTHER of GOD!... That you renounce everything that separates your hearts from her and that tries to take, usurp the place which belongs only to GOD and the BLESSED VIRGIN in your hearts...

If you renounce everything, then yes! I will take you by the hand and lead you on the path of holiness.
I resign!!! Is not difficult!
Just be brave!!!

Just be strong!!!
Just have faith, and FULLY TRUST IN GOD AND IN HOLY MARY AND TAKE A LEAP IN FAITH.
Jump into the will of GOD!..
Jump into the LOVE of GOD!...
Jump into the Arms of GOD and BLESSED MARY in THEIR Will... And then, everything will be done...
To everyone I recommend: READ AND REREAD THE MESSAGES ! LEAD AND RELAY THE LIFE OF THE SAINTS... LEAD AND RELAY EVERYTHING YOU HAVE BEEN COMMANDED HERE TO STUDY... MEDITATE AND FULFILL...
Continue with all the Prayers that the MOTHER of GOD has given you here, because SHE, She alone has the power to transform even the hardest stones into saints into true children of God...
Open, therefore, your hearts and pray with all faith and with all LOVE and you will achieve sanctification!!!
Peace to all...
Peace to you beloved and dear Marcos, I and LUíS together with Our Queen bless you and cover you now with our mantles! You are our favorite!!! You are our beloved and dear angel!!! You are the one that heaven looks on with benevolence, with LOVE and with kindness...

Hell chases you, bad men chase you! but fear not! You have Heaven for you... You have Me for you... You have the whole of paradise with all its ANGELS and SAINTS for you... You are Our beloved Treasure, you are our dearest favorite and hell has no power over you ! And no evil can overcome you, for you are with us and we are with you and even TRIUMPH together we will arrive.
PEACE... PEACE Marcos!"

Message from the Most Holy Mary

"-Dearest children, I am the Lady “ROSA MYSTICA”...
My HEART is adorned with three Mystic Roses: of PRAYER, SACRIFICE and PENITENCE, but I also have my HEART pierced by three Swords of PAIN...
In the past, when I appeared to PIERINA GILLI and explained to Her the meaning of the Swords, she understood that the meaning of My Three Swords were:
· The betrayal of souls consecrated to GOD;
· The offenses they do to GOD;
· And the non-correspondence, to the Call to the Special LOVE of GOD, that they had.
Now in this end of time, these Swords take on the new meaning, which I have given here in these APPARITIONS to My son Marcos...
· The First Sword means: The persecution, disobedience and hatred of souls consecrated to GOD, by My APPARITIONS, MESSAGES AND

LACRIMATIONS.
· The Second Sword means: The disobedience of the people, both atheists and Catholics, towards My Messages. Their indifference and their lack of love for My APPARITIONS, MESSAGES AND LACRIMATIONS, which show the size of My immense LOVE...
· And the third Sword, means: All those who knew My APPARITIONS here in Jacareí, and also in other places... And they turned away, betrayed My LOVE and even My persecutors, enemies and deniers of My APPARITIONS became...
The meaning of these Three Swords must be present in your hearts... You know that every day, I am pierced by these Swords...
Every day men stab Me with these Swords at all times, causing Tears of Blood to flow from My Eyes! And how few are those who console Me... Those who dry My Tears, trying to be different from the rest of men!
How few are there... Those who try to dry My Tears, through a holy life! Through obedience to My MESSAGES! Through sincere, total and radical LOVE for ME, with My MESSAGES and with GOD...
How few are there... Those who see in ME, being pierced every day like this! And they don't feel a drop of compassion for ME, nor for the pain I feel...
That's why I came here, in these Apparitions of Jacareí! To form around ME a 'Circle of Souls', a 'Crown of Souls':
May they love Me with the LOVE of SERAPHINS!
May they obey Me with the same readiness as the CHERUBINS!
May they console Me with the same fervor as THRONES and DOMINATIONS!
Let them fight for ME, with the same courage, decisive spirit of THRONES, PRINCIPALIES, ARCHANGELS, POWERS and ANGELS!
I came here to claim these souls! To separate them from the rest of the world and reserve them only for My LOVE!... But how many there are who run away from it! Who do not want to answer My Call! To be this My Circle of loving souls and totally dedicated to My LOVE!

How many souls there are who do not want to give Me all their Heart, with all their affections, to be completely Mine!
This is what hurts Me the most and what makes My Eyes shed Tears of Blood! For everywhere I try to collect LOVE! But at most, I gather only crumbs of LOVE... They gave the bread of their love to the creatures, to please them, love them and please them... And they consumed everything! They consumed all the love... And for me only the crumbs are left...
This is what makes My HEART suffer so much, and is so pierced with swords!
I call My True children to come from all corners of the earth! Let them rise up from the quagmire into which the world is fallen! And come here to form around ME, the 'Circle of LOVE' that I so desire!
These souls who want to give themselves completely to ME! I will cleanse them! I will purify! I will clean! I will beautify! I will light! I will perfume with My Virtues! I will wrap you in My Mantle of LOVE, Holiness and Grace! I will place on Their heads mystical 'Wreaths of Roses' of all Virtues and Good Works! I will fill your Prayer lamps of the highest, purest, and good quality with Incense! So that, as true earthly ANGELS, love Me! listen to me! Follow me! obey me! Make me acclaimed and known! And follow Me wherever I go!

I call My True children! Let them come from all over the world! Unite with ME, so that together we form a 'Circle of LOVE', of devotion, of obedience... To bring contentment and to appease the Wrath of the Almighty...
My Son JESUS told you a few days ago, that it will be given to the world that Sign, which will last three days and three nights... And I say to you, because many will see that Sign, but:
They will not want the LOVE of GOD!!!
They will not want to correspond to the LOVE of GOD!!!
They will prefer the love of creatures!!!
They will prefer the old life!!!
Then comes the punishment, which will last for three days and three nights too! And that will start one morning... Suddenly! Men will be taken by surprise and they will find themselves in the deepest darkness!... And desperate they will cry, they will cry! But God's ears and Mine will no longer hear them...
There will be panic everywhere! And while the ANGEL of FIRE passes in a whirlwind! All the enemies of GOD and of the Holy Catholic Faith will perish...
The good ones, My children, will be WITH ME... Those who have always been WITH ME, will be WITH ME at that moment and I will also be with them!... And let no one pretend , now pray for fear of this punishment that I announce... Because those who pray for fear of punishment and follow Me only for fear of this!... They will not be in the midst of My True children, who follow Me out of LOVE!.. .

I know My sheep! And I know which ones LOVE is in and which ones are covered by the wool of LOVE...
Therefore, I say to you My children:
-Hasten your conversion and at the same time rejoice! You who are always with ME!
You who preferred ME to the world, to yourselves, to creatures!
You who gave Me your whole heart!... You are Mine and I am entirely yours!
And for this My children, you will be standing with ME, when the ANGEL of FIRE and STORM departs in the whirlwind of flames! And leave the earth completely purified of evil, sin and violence...
And you will see that then, the greatest TRIUMPH of My IMMACULATE HEART! That I prophesied in FÁTIMA, confirmed in MONTCHIARI and also here in JACAREÍ!
Today I bless you all from Fatima, from Montichiari from Bodonou and from Jacareí... Peace..."

Message from Saint Joseph

"-Dearest children, I am JOSEPH! Your Father, Your Lord, Your Light and Your Joy!...
“I will rise and go to My Father”
That's what the prodigal son said in the GOSPEL, he knew how much it was His father's love and kindness is great! And that's why he didn't hesitate to run

into his arms! Even though he was loaded with guilt and sins, and having betrayed and offended his father's love...
Oh, My children! I want you to say: -
"I will get up and go to My Father, to My Father SAINT JOSEPH!
Yes, little children! Get up and come to ME! I love you immensely and I want your salvation, I want yours eternal happiness!...
Come to ME! And I will teach you the Truth! I will teach you Love! I will teach you kindness! I will teach you how to please GOD, with perfect LOVE!

Come to ME and tell more, because in ME there is nothing to frighten you! I am all GOODNESS and LOVE... And I only get irritated when you don't want to pray and don't want to come to ME, through prayer...
Your sins My children, cause Me pain, it's true!... But don't I am angry with you because of them... Rather, I am angry when you, because of your sins, do not want to return to ME...
I want you all to come to ME, as you are, so that I can receive you, cleanse you you, purify yourselves, reconcile yourselves with Jesus and with God! And give you a new garment of grace, beauty and holiness!
Come then, all to ME! Come to ME through 'MY HOUR' every Sunday! Whoever comes to ME through Her, I will not reject!...

Whoever makes 'MY TIME' has everything with ME! You have free access to MY HEART, and you can receive the Lights and Flames of LOVE, which He intensely wants to throw on you!
Come to ME, through 'MY HOUR' and I will give you the effective Graces of MY HEART! With which you will conquer everything and will surely reach HEAVEN!
PEACE... PEACE to you..."

Jacareí, June 21, 2007- DAILY APPARITION 6:30 pm

ª Public participation, authorized by Our Lady on 6/16/07 during the Cenacle of reparation on Saturday

. Holy Mary

"-Mark, I am your Most Amiable MOTHER, who once again descends from HEAVEN to bless you and fill you with graces...
As you were told a few days ago, today I bring you something new, something very good! That will fill your soul with new Graces and also the souls of My children, who obey My desire and My Order with LOVE and readiness!
I wish that on every Wednesday, from now on, it will be done at 9 pm, right after the TIME OF PEACE to:
“HOUR OF THE SAINTS OF GOD”!
This Hour of Prayer, which will be to honor the SAINTS! To pray to Them! Ask for His powerful help, so that all of you may also sanctify yourselves and achieve PERFECT LOVE for GOD, the LOVE that They had!!!

This Hour will be very potent, very potent against hell, it will extinguish the:
- Heresies;
- Combat errors;
- It will shake languid and soft souls;
- It will dispel the darkness: from error, from paganism, from atheism, from hedonism, from materialism.
- And it will transform many lukewarm, weak, vacillating souls into faithful, fervent, ardent souls and, above all, courageous in the service of the LORD, in obedience to My messages, in LOVE for GOD and in LOVE for the Salvation of souls.
The 'HOUR of the SAINTS' will make many souls become friends with the SAINTS! Think more about HEAVEN!

Think more of Holiness!
Desire Holiness!
And above all, fix yours on the SAINTS, always trying to become similar to Them!
With the 'HOUR of the SAINTS', many Graces will be poured out from Heaven on souls! Many souls will achieve true spiritual miracles, which will transform them into extremely beautiful and pleasant souls in the Eyes of GOD!....
With the 'HOUR of the SAINTS', discords will be overcome and PEACE will be established in hearts and homes , where it is made with LOVE and DEVOTION...
With the 'HOUR of the SAINTS', many souls will feel in their hearts an ardent LOVE for GOD and for ME! AND A SINCERE DESIRE to carry out HOLY works, to glorify GOD and to glorify My Name like the SAINTS that you will honor and contemplate.

You My son, will do This Hour! You will make the Rosary of the SAINTS as you did that of the ANGELS! I will inspire you, you will be inspired by your prayers and you will understand how I want you to compose the Prayers and Invocations of the tens... You will make the Rosary with 6 (six) tens, honoring in each of the tens a different SAINT.
You will ask for things for the soul;
You will ask for the virtues;
You will ask for holiness;
You will ask what suits the Catholic;
You will ask what pleases God!
Through this HOUR, through this THIRD of SAINTS, many souls will have the TRUE LOVE for Holiness! And true contempt for the wrong way of living in the world!... And these souls will then safely advance towards GOD...
I will be with you My son, in the 'HOUR of the SAINTS', you will have a few minutes of meditation on the messages They have given here! Then in the THREE, you will place one of the Messages that the SAINTS have given here. Then you will place an excerpt from 'Imitation of Christ'. And then the Consecration to the SAINTS, so that all may surrender to THEM and by Them be guarded, protected and guided. And so that everyone, by giving themselves completely to the SAINTS, renounce once and for all the world and give themselves totally to the LOVE of GOD!...

In this way, my dear son, Holiness will become more accessible to all My children who make it....
My IMMACULATE HEART has never expanded so much in the world as here In This Place! That's why I never get tired of offering new Graces and new ways to help your souls, to overcome the world, the devil and the flesh and thus arrive triumphant to the Glory of Heaven!
According to one of the Messages I gave in January 1994, within the 'Twenty Messages' most urgent, the 'HOUR of the SAINTS' on Wednesday is yet another proof of My great LOVE for all of you!
PEACE My dear son... PEACE to all of you!
I bless you..."

Message from Mary Most Holy

"-Dearest children, I come to look for love in hearts. Every day I go from heart to heart looking for love, but many times I only find emptiness... I only find coldness, indifference, disobedience towards My Messages! laziness and dissipation... That's why My Heart is pierced by 'Swords of Pain', because it doesn't find love in hearts!...

How many times do I need more prayers to save souls! So I look for these prayers in my hearts, but I don't find them... I often look for a refuge in my hearts for Me, for My Son JESUS and for JOSEPH! We are often tired of knocking on the doors of hearts that do not open to us! So we look for shelter in our hearts, but we don't find that rest... Because hearts are so often distracted by creatures... They are so often cold, hard and insensitive and because of that we have nowhere to rest

... souls who offer us love, every day and with fidelity!... We need more loving souls... More loving souls where we can find a refuge, a rest for Us and where we can find more Prayers and Sacrifices to save souls!

What I desire is love... Always try to do everything, everything according to the will of GOD! Many times you begin to do something for the Glory of God and end up doing it for your own glory! Instead of giving joy, glory and contentment to GOD... End up doing things to satisfy yourself! So that this does not happen, do everything in My Spirit, that is:

WITH ME, IN ME AND THROUGH ME!

Totally surrendering to Me what you do; totally consecrating to Me what you do! And above all, putting aside your will to carry out Mine, even if yours seems better and seems to be more successful in the end. But, mortify yourselves, renounce yourselves, and do as I command and then My children,

your works will be exempt from any personal interest and thus they will be pleasing to the LORD...

To everyone today I give My Peace and I say to you :

This is My chosen place! I chose you, here is the place of My Apparition! No other place can be compared to Him, no matter how good! This is where My eyes rested, and therefore anyone who despises this place will despise Me. Whoever loves and fights for this place will love myself and fight for me and I will love him and call him my son...

As for those who despise this Place and everything that belongs to Me, when they come before Me, I will say on the day of their death and judgment: Depart from Me, I do not know you!

Therefore, children, check in your hearts if you truly already love this place as myself! And you always remember: Blessed are those who do not see Me and believe.

Peace..."

Message from Holy Mary

"- I am the 'LADY OF PEACE', I come from Heaven once again to communicate Peace to your hearts. Be faithful My children, always defend the truth with courage, do not be cowards... Because cowards will not enter the Kingdom of Heaven... The undecided, the confused will not see GOD.

Decide for Me in the Messages, for only then will I be able to save you... The will of GOD for all humanity in this century, in these last times is that the world believes, obeys and follows all the Messages that I have given with My Son and with JOSÉ! This is the will of GOD for all humanity... And this is why the punishment will come, because it is this will that human beings do not want to do, they do not want to obey, that is why they sin and that is why the punishment will come !

If the world would obey the Messages instead of obeying the will of men, the world would be saved! But since it doesn't, the world can expect its punishment, which in view of the others that the world has had will be without comparison!... If human beings obeyed the Messages, the earth would be changed into heaven, there would only be peace, there would only be holiness and love... But, as human beings do not want to, they will therefore be scourged by the consequences of their disobedience. Scourged by hunger; by war; by sufferings; by the cataclysms of nature.

Everything could be changed if human beings were willing to obey My Messages! But you want to love, have and obey everything and everyone except My Messages... That's why the sin of this world cannot go unpunished, I've been trying to avoid it for a long time, but I have to let go. come, I have to drop the great punishment because I can't stop it anymore...

I look for love in hearts, but they are like dry wells: There is no love; I do not find true love for Me in them; I do not find in them the contempt of creatures; of honors; of human esteem; of the creatures of this world!... I do not find detachment in them; the detachment; the brave, absolute, total and unconditional love for Me... That's why My heart is crushed with pain and bleeds, because I look for love in hearts - perfect love, but I don't find it.

In some places in the world where I have appeared like Medjugorje, for example, I have found this love, but My heart still suffers because there are so few who love in the world, so few... I want love! I'm looking for love! I wish love! I ask for love! I'm thirsty for total love!!! I thirst for perfect love for Me and for the LORD...

If you have this love, My Heart will stop suffering and will rejoice and I will then be able to release to you new Graces of 'Divine Love' that will transform not only you, but will transform the face of the earth, transforming it into a beautiful garden where the HOLY TRINITY delights, rejoices and is content...

Therefore, once again renew, obey My Messages with redoubled love! Follow the example of the Medjugorian people: Obedience to Me above all!... And in spite of everything, more prayer!... More penance!... More sacrifices!... More fidelity to the consecration you have made to My Immaculate Heart! ... More love, true love!... Sincere love is what I desire... Detach yourselves!!!... Finally from everything that still holds you back, from everything that still takes your freedom inside! So that you can be totally Mine and I don't have to share you with anything or anyone else...

Give yourself completely to Me, so that the plan that I have traced for each one can truly come true! Pray that you may know My will and after knowing it: want it; to love it and, finally, to have the strength to fulfill it and obey it... Not for your glory, but for My Glory and the Glory of God and Our perfect joy...

I bless you all today from Medjugorje, of Erechim, Fortaleza and Jacareí...

Peace..."

Message from Our Lord Jesus Christ

“-Mark, dear son, I bless you and I give you My Peace...
I give the Peace of My Sacred Heart to all My children who came here today.
Truly everything that has been said of the Book 'Mystical City of GOD' is true. I constituted My superior Mother, head and mother not only of the Church, but of the entire universe, of all creation. And for this reason, any and all other authority is subordinated to the authority of My Mother.
They owe him obedience; all the men!
They owe him obedience; all Catholics!
They owe him obedience; all the Angels!
They owe him obedience; all the Saints and Blessed in Paradise!
They owe him obedience; all creatures even animals and the elements of nature!
Everything is subordinated to My Mother, it was I who made her Mistress of everything and who thus prepared her to be Queen of the entire universe and of all the works of My hands!
Whoever obeys Her; She will obey me!
Who to honor Her; will honor me!
Who to know; will know me!
Who to her to pray; She will pray to Me even though she doesn't name Me in her prayer...
Whoever praises Her will praise Me even though she doesn't name Me in her praise...
Whoever blesses and exalts Her; will bless and exalt Myself!...
For I and My Mother are one heart and one love... She is not separate from Me, nor I from her; we are neither enemies nor antagonists; we are Mother and Son, mother's heart and son's heart, one love! We always live together; together we suffered, together we were crucified, together we rose, together our hearts are in glory.
Our Hearts are one love! They are inseparable and what GOD has united man will not separate, he cannot separate and may he not separate with his lies...
Therefore, everything that is done to My Mother will be done to Me... Whoever does not obey My Mother's Messages , even if he says he obeys My Gospel, he has no part with Me...
Who truly wants to have a part with Me, let him obey My Mother's Messages!
Whoever does not serve her, does not work for her, does not defend her, does not fight with her in the places of her apparitions; he has no part with Me, he is not with Me and I am not with him.
Only with those who fight, love and work for My Mother in the places of her Apparitions, only with these, only with them I am and they are with Me...
Whoever is not with My Mother in the Apparitions is already against Me! And whoever is against Me scatters My sheep, My dear souls. Blessed are the souls who love Me in the Apparitions of My Mother, who serve Me, who work for Me in the Apparitions of My Mother! For these souls who work for the salvation of My blessed souls together with My Mother; these souls comfort Me, please Me, cheer Me up and give Me satisfaction and contentment... These souls are truly sheep of My fold and their name is written in the 'Book of Life', the 'Eternal Book'. ..
Continue to pray the 'Holy Rosary', because the 'Holy Rosary' reaches all of My Sacred Heart, if it is not contrary to My will! With the Holy Rosary unbelievers will be converted; heresies and errors will be extirpated from

humanity. If all Catholics prayed the Rosary the world would be saved! But how flawed are Catholics with this holy prayer!... That's why Satan triumphs, that's why Satan triumphs in so many regions of the Earth, in so many Catholic homes. Because the Rosary, for a long, long time... was forgotten, it was despised in Catholic homes and that's why now evil triumphs, dominates and leads to perdition so many souls.

Practice love... Live love! The soul that truly loves Me is the one that keeps My Words and puts them into practice! This is the soul that truly has love for Me, for My Mother, for Saint Joseph, My Nurturing Father, and for My Eternal Father. The soul that truly loves Me; renounce everything, detach yourself from everything, to be truly Mine!... Many times I cannot grant the Graces of My love to a soul, because it is too attached to creatures and things on Earth! But as soon as she renounces, as soon as she lets go, as soon as she lets go, I flood her with so many Graces of My love that these Graces overflow to other souls and so many are saved!
The soul that wants to be Mine has to embrace its Cross and carry it behind Me, that is, it has to renounce its will; he has to renounce what he wants; you have to renounce your way of thinking; it has to renounce its own self attached to the things of this world, so that it can be truly yes, free and Mine. Then I will look her in the eye, I will love her, I will call her, I will take her hand, I will give her My Cross and together we will follow the path that goes to Paradise...
The soul that wants to be Mine must renounce! You must want to be all and only Mine! Otherwise, you will not be able to sanctify yourself... That I am a jealous GOD, that I do not accept competitors in your hearts, you all already know it from the many Messages that have been given to you here about it!

Not only do I not accept competitors, but I do not accept that I am not the only love in your hearts!... The only GOD and the only life in your lives! Therefore, if you want to live by My side eternally in Heaven, live in this way already on Earth. Detach yourselves from everything that competes with My love in your hearts, so that you can be truly Mine.
Have the desire for My love in your hearts! Have the desire for perfection and holiness! Ask in your prayers for the Grace of My love's desire!

For I say to you:- Whoever does not ask for the Grace of the desire of My love will not have it and whoever does not have the grace of desire cannot possess My love and without love he cannot understand My will, he cannot understand the meaning of My Words...
What My Mother told you I repeat: “Be like Saint Agnes who used to say: Another first loved me GOD and that is why it is only right that I consecrate my heart, the affections of my heart to Him alone” .
Yea! I loved you first... Before the world could exist I already thought of you and I already loved you! I loved you despite your flaws! I loved you despite your miseries! I loved you, I loved you, even though you still didn't love Me and you were still My enemies. I loved you even before you were redeemed and freed from the bondage of the devil and My enemies, you were made My friends... I loved you before all centuries!

And I loved you with so much love that I did not hesitate for a moment to repair

the majesty of God offended by the sin of man... and I became a man by being born from the Most Pure womb of My Mother, incarnating Me, passing through everything in a life of suffering; poverty, persecution, incomprehension and rejection of human beings... and finally dying nailed to a Cross, shedding all My most precious blood, in the midst of the most archbishops pains, all for your love!

I could have redeemed you with just one of my sighs, but I wanted to redeem you in the most archbearing pains, and in the cruelest and most painful death so that you would not have any doubts about My immense love for you!... When you look at Me nailed to the Cross, if you still doubt My love, I don't know what other proof to give you... if you still resist My love, I don't know what else to do to you to be attractive, kind and conquer you. all your love, all your heart!
Oh yeah! I am your GOD who proved his love to you not only with words, but with pain... And in the same way My Mother, She proved all My love to you not with words, but with pain and Tears of Blood, with his Heart pierced by swords of pain!
What more can we give you? What else can we show you and prove to you, so that you will believe in Our Love? If in the face of such a great love you remain insensitive?... What else can I do for you, if all My love I showed you in the maximum intensity?...

Well, come and give Me your hearts... Come, come My children and be all Mine...
If a King offered a poor villager, a poor wanderer, his friendship and his love, wouldn't that poor little thing quickly leave everything? Would you not leave your dishes and then accept the friendship of that great king, that great prince, and be adorned, embellished and exalted by him? Oh, yes, he would accept the love of that king, that great king, and he would never forget him, and he would love him... and he would serve him and do anything to please him! I am this King and you are the poor thing that I want to exalt, elevate, purify, beautify, enrich with the treasures of My Divine Grace! But you My children, you have resisted Me, you have preferred your miserable dishes... Your worldly attachments, your earthly attachments, your illusory and transient loves that so often undermine your love, compete with My love and attack it. you my love.
Why My children? Because? Why don't you just want My love and not accept My love that I so generously offer you! Be Mine, it is the appeal of My love... Here in these Apparitions, I truly make the last and vehement appeal of My love... What do you answer Me?... What do you say to Me?... What will you do?... I await your yes... My Most Holy Mother awaits your yes... We await your yes, with holy joy and holy expectation!

Give Me your hearts; and I will give you My...
Give Me your love; and I will give you My...
Give Me your life; and I will give you My own! I will give you My grace and together we will be one!
Give Us your love and My Mother and I will give you Ours with Our Hearts...
Give us your love and I promise you, I, My Mother and My Father Saint Joseph, will come to you and in you we will make Our abode and we will be one!

Peace to you Mark, I give you My Peace... Remain always in My love...
Pray! Pray! Pray! Pray for Our intentions! Pray for Our plans! Pray that Our apostles rise up to propagate, to spread, to spread Our Messages! Pray for all Our intentions and you will see Our Graces...
Pray Marcos, pray... Your prayer rings in our ears like a sweet and irresistible song. Pray, pray and pray! Peace..."

Message from the Blessed Virgin Mary

"–Dearest children, I AM THE MOTHER OF GOD THE IMMACULATE CONCEPTION... THE LADY OF SORROWS... OF GRACE AND PEACE. My Immaculate Heart wants to give Peace to the world, but it cannot do it because the world does not want to convert... Because the world does not want to obey My Messages... it does not want to do what I say...
Without obeying My Messages I cannot give Peace to the world... I cannot save the world from the punishments that have already happened and that will intensify even more until the last one comes... the one who will purify the world with fire during three days and three nights of darkness...

My Immaculate Heart is all pain and is drowned in a sea of pain because the world does not want to obey My Messages... does not want to hear My appeals... does not want to hear My warnings for anything... I have traveled the countries from all over the world and I communicated My Messages through My seers spread throughout the world, but humanity did little with My Messages... it did little with My Apparitions... it did little with My Tears, even of blood.. Men remain in

the most inhuman and cruel disbelief... they don't think about the day of their death... they don't think that one day they will have to leave this world and give an account to God for their whole life.

They don't fear hell... they don't fear sin... they don't fear the evil that they have already committed and that they commit daily. They don't think about their souls.
Those who do not take care of their souls... who do not seek to be saints... who do not seek to obey My Messages... who do not seek to live in God's grace do not love either God... nor Me... nor to the world that they make every day more sinful and worse and they don't even love themselves because if they loved themselves, if they loved their own souls, they would take care to save them from the terrible fire of hell...

They don't fear for the fate of their souls... they give themselves up to all kinds of evil... to all kinds of sins... have no mercy on their own souls that they will throw into hell by their own hands, for their own sins
... are human beings... How foolish are human beings... How foolish are human beings...

The devil offers them the attachments, the illusions of this life, the glories, the goods, the pleasures of this world as a thief offers a dog a piece of meat and human beings... later fall into hell.

They don't understand that it is the devil that is behind everything that seduces them in this world and that the devil's intention is to enslave them in the things of this world and then introduce them to the fires of hell and still mock them for all eternity. torment them for all eternity... how can men exchange the love of God so sweet... so gentle for a cruel master like Lucifer is? How can men despise the love of God so tender and gentle to be treated so by a master so cruel as the devil? Let the men wake up!!! May men be converted!!!... so that they can have the true life that only in God they can have and live.

I am calling men for the last time through My Appearance here. After this Apparition I will never return anywhere in this world. Therefore, these are the last appeals... they are the last warnings I give you! Convert, because I say to you My children: just as God will send a sign to the whole world that will last three days and three nights, God will also send a punishment that will also last three days and three nights because human beings, even after warning and even after the signal they will not want to convert.
You won't want to love God... You won't want to love Me!

I tell you, some who sin not out of malice, but out of ignorance because they never had anyone to speak to them about God and His Heavenly Mother, these will still become the last sign... but... those who always knew everything all the time... those who have always known about my messages... those who have always known the TRUTH, who have known the truth all the time and did not want to pay attention... those, will already have their hearts so hardened that they will not be able to convert more.
So I tell you: the time is now! CONVERT WITHOUT DELAY!!! It's my warning!
Continue to pray all the prayers I have given you here! Pray for love and not for fear of punishment! Pray for love and not for the sake of grace! Pray for love and not so much for fear of hell!

Yes, you fear hurting God... Yes, you fear offending God... Yes, fear hurting My Heart... make tears flow from My eyes. Yes... you fear...
But pray only for love. Just to please God. Just to please Me and for the conversion of all sinners as I so desire. Peace to you Mark! Now, My most beloved children, Filomena and Alano, will speak to you. Listen... Listen... Learn... Rejoice..."

MESSAGE FROM SANTA FILOMENA

"-Mark... I am FILOMENA... servant of God... of Holy Mary... your sister. .. sister, protector and defender of all who are here. I protect all those who truly consecrate themselves to Mary Most Holy. I am the protector of all who consecrate themselves to Her who love Her... who serve Her... who obey Her...

who give their whole life to Her.

There is no greater gift than offering your whole life out of love for God and Mary Most Holy, consecrated totally to them. The greatest sacrifice that God wants to receive from you, in addition to prayers and sacrifices, is the TOTAL consecration of your lives: body and soul totally at the service of God and Mary Most Holy.

For those who consecrate themselves in this way to God and to Her, there is no loneliness, there is no sadness, there is no suffering, there is no pain that can separate the soul from God and the Mother of God.
For the soul that consecrates itself, that gives itself totally to God, nothing is impossible, nothing is difficult to do because love conquers everything... love supports everything... love will always win!
I am your model. I am a light that God gives you to guide you on the path of holiness.

THE FIRST STEP TO HOLINESS is to renounce your earthly pleasures and attachments. Without this, God does not accept you, nor does Mary Most Holy. SECOND, pray the HOLY ROSARY and the PRAYERS THAT THE MOTHER OF GOD HAS GIVEN YOU HERE EVERY DAY, because without these prayers no one can maintain their renunciation of earthly things for a long time. THIRD, meditate on the Messages, the word of God day and night, because if your hearts are not fed with the heavenly Word, they will soon become weak and fall into sin. FOURTH, to remain firmly united to the Most Holy Mary, renewing the act of total consecration to her every day and committing yourself to to the protection and love of the Blessed Virgin. FIFTH, to do violence to oneself, that is, not to give human nature itself anything it wants... nothing it asks for... If it asks for rest (leisure) , don't give it to her... if she asks for something material (consumerism), don't give it to her. If she requests some physical pleasure, don't grant it. If she asks for some glory, some human praise, don't grant it. Escape from the glories! Flee from human praises! Escape from flattery! Escape the hype! Flee from everything that excites vanity. If the body asks for vain care to increase its beauty, to increase its own beauty, do not give it this taste. Even in spiritual things, if human nature asks you to do something, some prayer, exercise of piety, work different from those that the Blessed Virgin sent you, do not satisfy your will! To obey... to mortify one's own will... to repress the contrary desires of human nature. Then the other steps will be easy to take. The love of sacrifice, the love of humiliation,

If all this is done, your souls will quickly advance on the path of holiness. If you do this, your souls will fly like birds in the sky of holiness. If you do this, your souls will run faster than hares on the road to perfection. And you will be pleasing to God, you will be dear to God, you will be BEAUTIFUL in the eyes of God.
I will be with you to help you... I will be with you to accompany you... I will be with you to bless you always, I will be with you to lift you up whenever you stumble, I will be with you whenever you call on Me.

Peace... Peace to you Mark. I love you! I defend you! I take care of you, of this Sanctuary, of all the pilgrims who come here. Call on Me in your daily work... Call on Me in your daily difficulties... and I will help you with My powerful intercession. Peace to you!”

MESSAGE FROM BLESSED ALANO DE LA ROCHA

“-Mark, I am ALANO DE LA ROCHA, servant of the Mother of God and the Most High Lord.
I love you, I love everyone here and this place. I give you My peace... I give you My blessing today.
I received from the Mother of God, through many APPARITIONS like you, the mission to propagate the Holy Rosary... To make it loved, dear to all human beings. I will help you in the hard task of making the meditated Rosaries reach every corner of this country and the world. I will help you to make the Holy Rosary more loved by human beings than life itself.

With the Holy Rosary I arrived in Heaven! With the Holy Rosary I overcame all the temptations, trials and tribulations of My life. With the Holy Rosary, I conquered all My spiritual and temporal enemies. With the Holy Rosary I achieved even those graces that were impossible for Me. With the Holy Rosary I achieved the conversion and salvation of many souls. With the Holy Rosary I achieved much more than if I had preached and performed the greatest miracles in the world, in the history of mankind in all nations.

With the prayer of the Holy Rosary, I managed to cast out many demons from many people. With the prayer of the Holy Rosary, I achieved the conversion of sinners who looked more like demons than human beings. Yes, with the prayer of the Holy Rosary, I achieved everything... and with it, with the Rosary, you can achieve everything, everyone can achieve conversion... salvation... everyone can achieve sanctification. Everyone can achieve the perfect love that God and Mary Most Holy expect and desire from you all. I protect all those who pray and propagate the Holy Rosary and fill their lives with so many graces that they practically swim in so many graces from God.

Come all here... singing and praying in procession. Come here often, for here is the refuge prepared for the Mother of God so that your souls may meet with her in silence, in retreat and in prayer. Come here, for here the Mother of God has graces to grant you that she will give you nowhere else!
Come here, because here you will find her alive with Our Lord and Saint Joseph, merciful and pious for you, twenty-four hours a day. Come here, for here I say to you: you will easily ascend to Heaven, here you will learn what pleases the Lord. Here you will learn what pleases the Mother of God and you will then be beautiful, beautiful and pleasing to Them. May no lie be in your mouth! Let no slander be in your mouth! May no evil be in your mouth! May in your hearts and in your souls only goodness and justice!

Do not steal anything from anyone, do not deceive anyone, do not lie to anyone, do not harm anyone, do not harm anyone, do not take away your neighbor's goods, respect property, life and everything that belongs to your neighbor. as if it were yours. Tend to all holy counsels. Have the charity of Christ towards all. Be good to those who want to convert. But be firm, inflexible and energetic against those who betray the truth, against those who attack the truth. I defended the truth. Defend the Messages! Defend God and the Most Holy Mary with all the strength of your love, of your hearts. Do not yield to anyone. Defend the truth courageously and always. Always be punctual with your duties. Always be punctual with your prayers. Always be punctual in obedience to the messages of the Mother of God. WORK!!! WORK!!! Work for the Messages of the Mother of God and for her desires to come true. You will have all eternity to rest. Now is the time to fight and work to save many souls, to bring many of them back to the fold of the Immaculate Heart of Mary. Now is the time for you to be TRULY HOLY, so that everyone will then see the holiness of God of Holy Mary and glorify Them.

I am with you. I bless you and I give you My Peace."

Jacareí, July 13, 2007 - 60th Anniversary of the Apparitions in Montichiari –

Message from the Most Holy Mary

"- Marcos... dearest son... I AM THE MYSTIC ROSE... Mother of God... your Mother and Mother of all My children.
Today you celebrate the 60th anniversary of My Apparitions in Montichiari where I revealed to My poor little daughter PIERINA GILLI all My love and My immense desire to save all My children throughout the world...
The call to prayer... to sacrifice. .. and the penance that I did then, even today... remains... echoing in the hearts of all My children and waiting for the loving response of all of them to My call to conversion...
I came to Montichiari to call all humanity to return to the Lord... I came especially to call all humanity TO LEARN TO LOVE GOD DEFINITELY WITH PERFECT LOVE AND DUE JOY, but to love God with PERFECT LOVE man would have to renounce to your sins... to your disordered attachments... to your will... to your vices... to your pleasures... to your way of living CONTRARY to the love and will of God...
I was not heard ... I wasn't answered... I wasn't obeyed... I wasn't followed!...
Men continued to live contrary to God's love and goodness, seeking only their personal satisfaction, in their vices... in their pleasures... in their disordered attachments... in the unbridled search for pleasure... for money... for well-being... for comfort... for impurity... for glory and power.

Behold, today... I call all humanity to return to the Lord along the path of LOVE,

the true and right path that leads to Him. But in order to love God perfectly, you have to renounce your disordered attachments to creatures, to yourself and to the world so that you can climb the mountain of perfection, the mountain of Divine love... quickly and easily.
A person who wants to love God but doesn't want to give up his disordered attachments is like a person who wants to push a heavy stone up a mountain... He won't be able to do it.... he'll get tired right away from the ascent... he will faint... he will fall and there he will fail!

If, therefore, you want to truly love God in order to be worthy of going to Heaven, YOU MUST RENOW YOUR DISORDERED ATTACHMENTS so that you can climb the mountain of Divine love without this UNNECESSARY, HARMFUL AND FATAL BURDEN... Only then will you succeed. to climb with agility and readiness the mountain of Divine love.
I wish that the Messages that I gave in Montichiari would be disseminated and obeyed everywhere...

I wish that my appeals for Prayer, Sacrifice and Penance would be heeded and obeyed without delay...
You will only succeed in propagating the Messages and the Apparitions with much... much prayer!
Intercessory prayer... prayer of supplication... prayer of love...
SPEAK LESS AND PRAY MORE THREE... and the result will be better!...
SPEAK LESS AND PRAY MORE THREE... and the Apparitions will spread better!...
SPEAK LESS... PRAY MORE THREE... and you will see that the number of converts will be greater!...
SPEAK LESS .. PRAY MORE THRIES... and you will see that the number of obstacles that Satan puts against you will be overcome with greater ease!...
SPEAK LESS... PRAY MORE THRIES... and you will see your spiritual progress in holiness, perfection, it will be greater... it will be more fruitful!!!...
SPEAK LESS... PRAY MORE THRIES... and you will see how My Maternal Action in your lives WILL INTENSIFY until it goes to the perfect and glorious Triumph of My Heart Immaculate in yourselves and in the whole world.
I bless you all today...
To everyone today I grant a special indulgence... All the penalties for the sins of those who make My Trezena with love, fidelity and devotion throughout the year will be erased...
At this moment, with this Blessing that I will give, I will erase all these penalties that you would have to pay to Divine justice with sufferings in this or the next life.

And from now on My children, always seek to be better... more holy... more obedient and docile to God and My Voice...

I bless you all, from Fatima... from Montichiari... and of Jacareí... in the name of the Father... of the Son and of the Holy Spirit.
I bless you Marcos, rest in peace to you who made five* Trezens in My honor and who spread them with so much effort and love, I give an even greater and more singular blessing from My Immaculate Heart.”

(NOTE* Here Maria Santíssima does not refer to the number of times that the seer Marcos Tadeu prayed to Trezena, but to the number of Trezenas he RECORDED on CD or K7 so that they could be disseminated to the whole world.)

Message from Most Holy Mary

“Dear children, My Immaculate Heart loved you even before you were born. My Heart desired to be with you... At the annunciation of the angel I thought before answering “YES” in each one of you... I knew that the “YES” that I would give to the LORD would not only be for the Incarnation of the Word of the Son of God, but also for your salvation, for your redemption, so that the doors of Paradise closed by the sin of Adam and Eve could be opened again for you, for the human race.

I also knew how much suffering I would have to go through! How many pains I would have to suffer together with my Son Jesus throughout My life, for your redemption and your salvation to happen.

I loved you My children... The “Yes” that I gave to GOD was out of love for you! It was for you that I accepted to be a mother persecuted with Jesus! It was for you that I accepted to suffer all the pains I suffered in My life...

I thought with Love of each one of you for a brief moment, that with God's Grace it was as immense as an eternity... All of you passed before My eyes! In My thought... I already knew you there, I saw you and I loved you the way you are and are now! And even before you could love Me and want to be My children, I had already loved you. I had already taken you as My children... I had already received you into My Heart... I had already received you in the safe refuge of My Heart and there I had already adopted you all as children, I had already received you as My loves , as My beloved children.

I loved you first My children! I loved you before you could have a movement of love for Me.

And why did I love you so much?

Because I always, always wanted your salvation... I always wanted that you My children, could one day live in paradise again with GOD...

I loved you together with GOD, with pure, deep and great Love... of this Love, I ask only for your love! Before My Heart so full of love, My Heart only asks for your Heart!...

Renounce, therefore, All the things that hinder you and prevent you from loving My Love and surrendering yourselves to My Love body and soul ... Entirely.. Look at My Heart and see if there is a love equal to My Love!!!

Oh no! There is not!

Only My Heart has this Love for you My children... And I am willing as I have always been to suffer whatever I still have for your salvation.

If you, My children, let me know that you want to be totally Mine, I will never leave you...

The only soul that I abandon is the one that abandons Me; who rejects My Love; that despises My Love, putting another love in the place of My love in your heart. This is the only soul I reject... The soul that despises all My Love! Who steps on My Love, who turns his back on My Love!

I pray that all My children come back to Me! But, unfortunately, there are some who have already despised My Love beyond all limits, beyond all measure... And for these I suffer great pain, because their return is already impossible!...

That's why I ask little children, always stay close to My Love. Seek My Love! Correspond My Love! Open your hearts to My Love! Give yourselves to all My Love, which is sweeter than honeycombs. I offer My heart to all of you!

My Heart will not reject anyone! My Heart will not despise anyone who comes to Me, with their heart in their hand to give them to Me. My Heart will always be calling all my children.

Hear My voice! Look for Me while I am near and I let myself be found and

(*) by you...

Peace to you Marcos... My beloved son. I bless you all with the Blessing of My Immaculate Heart...

((*)= The recording failed in this word.)

Jacareí, July 15, 2007

Message from the Most Holy Mary

"-Dearest children, with love you will be able to reach God's Mercy for you! Love erases a multitude of sins, when the soul truly decides to love GOD, to

love Me, your Mother with Perfect Love...

When the soul truly renounces everything and surrenders totally to GOD... When the soul truly has true love for the LORD, then a multitude of its sins are blotted out. Even if they were more intense than scarlet! The Lord forgives everything... I also forgive, and I receive that soul in My Heart as the precious treasure that I must keep, protect, defend always!

When you decide for love... When you decide to be all of GOD, totally of GOD! An ocean of Graces that were held back for many years are released to you!... These Graces of Mercy are to help you in the growth of love and in the union with God through love...

Look at the immense Love that God has for you !

You had nothing! And you still have nothing to give Him!

You have no virtue! You don't even have a merit to attract His loving gaze from God to you!...

But even so, He looked at you with love, He desired you all! You are very dear to GOD! You are important for GOD's plans... Not because He needs you, but because He wants to associate you with His work so that later you can also participate in His happiness...

The LORD loves you very much! You are very valuable to the LORD... You are very valuable to Me! I love you My children, and you who have already read all My life that I have revealed to you! You who already know the Secret Sorrows that I revealed here, you know how much I suffered for you...

But I would suffer all this again if I had to, to prove My Love to you and for you to finally believe in how much My Love for you are immense!

See my children, My Tears of Blood! My Immaculate Heart, spiked with thorns and pierced by Swords, are my proofs of Love for all of you...Believe in My Love, embrace My Love with violent force! He comes looking for you, receive him!... Renounce everything for love of him! For My Love is demanding, it is jealous, it demands renunciation, it demands that you be only Mine and nothing else!...

So renounce everything to be totally Mine and I tell you My children: - You will feel in you such great joy, such great peace, such great love that you will even jump with happiness!

I give you My Heart; give me yours! I give you my love; give Me yours! I give you all My affection; give me yours too! Continue to pray all the prayers I have given you here. Continue to dry My Tears with Them! Through these Holy Hours, I will triumph, My Heart will triumph... Continue to come here, so that I can continue your conversion... Peace Marcos, I bless you all today from Bodonou, Marpingen and Jacareí.. ."

Jacareí, July 22, 2007

Message from Saint Joseph

“- Dearest children, My Most Loving and Most Pure Heart blesses you now at this moment and casts upon you rays of love... rays of light... rays of graces... rays of blessings... rays of peace.. .”
“...Dearest children, pray full of faith and trust in your hearts. You, My children, when you pray, ask the Eternal Father for the graces you need for soul and body in the name of Jesus, of Mary and in My name. On our merits. Then the eternal Father, by virtue of Our merits, will grant you graces. I remind you that the graces for the soul, these, the Eternal Father will certainly grant you, without delay. But, the graces for the body, the Father will not always grant you, because what you ask is not always for your good and for your Salvation. In fact, at times, many things that you ask for will lead you away from God instead of drawing you closer to him and sanctifying yourselves. Therefore, graces for the body will not always be granted. Then your prayers will be applied to yourselves, giving you other graces, that will be applied on the souls in purgatory and on other souls, for their conversion. My most loving Heart wants you to live constantly in prayer. If you only knew, my children, how many souls still need to be converted... If you only knew how many souls are condemned every day and fall into the fires of hell, you would pray without stopping for nothing. So pray!!! I prayed a lot!!! Pray as much as you can. Prayer is the greatest strength in the world! The man who prays is the most powerful because with prayer he can change the course of events, he can prevent many wars, he can achieve the conversion of sinners, he can achieve peace. With prayer, you obtain all the graces of God, even those that your merits do not reach, because if you ask the Eternal Father in the name of Jesus, of Holy Mary and in My name, then you obtain these graces. with prayer, you will be able to overcome everything: your defects, your weaknesses, miseries, sins, vices and everything in you that is contrary to the Lord Our God. With prayer, you become strong like an army in battle array. Therefore, make My hour of prayer every Sunday at nine o'clock at night. In this hour, which is totally dedicated to Me, I correct you, I form you, I strengthen you, I enlighten you, I enlighten you, I fill you with new strength. I fill you with new courage, I fill you with new holy desires. I give you the necessary spiritual strength so that you fight bravely for your conversion fighting the good fight, which means fighting your evil inclinations, your corrupted will, your “corrupted self”, your disordered desires, your earthly attachments to that then all your powers,
Through My hour of prayer, I become like Me, making you pure, obedient, docile and ready in the service of the Lord as I have always been. I give you My prudence, I impart My wisdom to you, I shed light on your understanding so that you can understand what is happening to you, what is wrong with you and what needs to be improved and converted in you. Through My hour, I flood your hearts with love, with peace, so that you can love God with all purity of

intention, with all the strength of your heart, with all the energy of your soul. During My hour, I fill your souls with profound peace so that you can pass through the tribulations and sufferings of everyday life with total peace, with total serenity and unshakable trust in God,
During My hour I carry out transformations in your hearts in deep areas of your being, changing your desires, changing your inclinations and leaning towards God and His Most Holy Will. I touch your wounds! I heal them, I heal your spiritual wounds. These wounds were acquired in the fight against the devil, against the world, against temptations, against the enemies of the Lord. These wounds are also often open in your souls, given the coexistence with the people of the world, full of coldness, hardness and rebellion towards God our Lord. So I close these wounds by pouring over them the balm of My love, of My sweetness, of My goodness. And during My hour, above all, I cover them with my graces and my virtues so that, then, stronger and more immersed in My love and in My own grace, you can love, serve and obey God and be a sign of My presence, My love and My mercy to the world. Therefore, children, keep moving forward with My hour, making it known, loved and prayed for by all, so that I can extend My great work of conversion, My great work of salvation and sanctification, to the souls of My most away from Me. I bless you all today and I assure you of My love and My peace."

Message from Our Lord Jesus Christ

"-Dearest children, My Sacred Heart has called men through My Most Holy Mother, and sometimes personally, throughout these one hundred and eighty years, to conversion, but ...they don't answer "YES". They remain attached to their earthly pleasures and affections... They do not think about the day of their death. They don't think that they will grow old and die one day... They don't think that, from one moment to the next, they will leave this world and will have to give an account for all the time that they despised My love, dedicating themselves only to satisfying their inordinate pleasures and desires. That's why this world will soon meet its doom! Because Heaven can no longer bear so much ingratitude...
Self-denial is the first step towards sanctification. Renunciation of oneself is the first step in the school of perfection. If you don't want to take this step... If you don't want to renounce, how do you want to go to Heaven? Only the one who fights the good fight will possess Heaven, that is, the one who fights himself, who fights his disordered attachments... His vices. He who fights his own will, he who fights the lust in him.
Only he who fights the good fight, AND WINS, will be crowned in Heaven. Heaven is the place of those who during their lives waged hard and arduous wars against themselves, against their own will... Against their own disordered desires and walked the path of prayer, penance and mortification, always saying "NO" themselves and always saying "YES" to God.
He who truly loves My Mother renounces everything for her. Whoever does not renounce everything for Her does not truly love My Mother. Whoever does not renounce everything for Me does not truly love Me. Love for Me is proved in

WORKS and not so much in promises.
Give thanks daily to My Father... To My Sacred Heart... To the Holy Spirit, who showed so much mercy to you, drawing you here in this holy place so that you can learn here to renounce attachments and walk the true path of holiness, for many paths present themselves to Catholics today as the path of holiness, but they are not the path of holiness!!! The path that accepts that a person lives at the same time with God and in search of the world is not the path of holiness.
The way of holiness is the way of RENUNCIATION OF YOURSELF!!! The path of holiness is the path of those who fight the good fight... Who fight their own disordered attachments... Who fight their own will, which at all times contributes to those who are contrary to My will.
Blessed is the soul that knows how to renounce itself to do and embrace My will. This soul will find Me, it will be My friend... It will sit at the table with Me and it will drink together from the same cup that I drink and in Heaven it will taste a singular drink... A special drink of the knowledge of My divinity. Thus, the soul that renounces itself becomes worthy of knowing and seeing God in paradise. The soul that loves Me more than anything and that renounces everything out of love for Me will receive, in the next life, the love it has given me here on this Earth a hundredfold.
I bless you Marcos and I bless all My children who have come today to hear My Message. Continue to dry the tears of My Mother, mine and those of My Father of Saint Joseph with the prayers that we have given you here. These prayers will save the world if you pray them in faith, with love and dedication. Love proves itself in zeal for everything that concerns Me and My Mother. I bless you all now."

Message from Holy Mary

"Dearest children, great is the love of God who has chosen you! And for great things this love has chosen you. Do not be negligent! Do not be cowards, my children! Fight the 'good fight' of daily conversion with courage and determination. Don't be content with just praying: you have to be saints!!! You must make all the virtues grow in you if you want to enter the kingdom of heaven.
Fight the good fight, fighting against your faults, fighting against your faults... Trying to be better... Trying to conquer your corrupt nature... Trying to bend your will to the will of God, so that then in you fulfill and take place the will of the Most High.
It is time for the light of faith to shine over the whole earth. Take faith where it is extinguished. Take faith and light the flame of faith where it was never, never born, where it was never lit. Take love for God, love for my Divine Son, love for Me to every corner of the earth. Be true apostles! Be my true children who fight darkness with the light of love, with the light of prayer, with the light of truth, with the light of penance, with the light of courage!
I told you that as soon as you start praying the first Hail Marys of the Holy Rosary, hundreds of demons immediately fall prostrate like flies killed by

insecticides. And so it is true my children. This is the great power of the Holy Rosary! This happens with demons and, on the other hand, when you pray the Holy Rosary, an immense crowd of souls like swarms of bees leave purgatory and fly to heaven. Just today, with the Rosary and the prayers you made here, I freed FORTY THOUSAND SOULS FROM PURGATORY and I will take them now, at the end of the Apparition, with me to heaven. You must pray full of faith, love and perseverance, certain that every day, in different parts of the world, I convert different hearts. Therefore, I want to ask: Pray more!!! SPEAK LESS AND PRAY MORE THROUGHTS... SPEAK LESS AND PRAY MORE PRAYERS!!!
I am the Lady of the Rosary and the one who prays my Rosary with love and pity every day, the one who IMITES MY VIRTUES, the one who puts into practice the lessons that the mysteries of the Rosary contain, that one will not perish! He will not know eternal fire. You must strive to be better every day. The prayer of the Holy Rosary is the favorite prayer of my Heart. And it is the one that has the most power to increase true love in your hearts.

It is the most effective prayer to increase perfect love. It is the most effective prayer for you to receive the strength, the energy you need to overcome your will, renounce it and do the will of God. With the prayer of the Rosary, you will always be able to say “NO” to your impulses, desires and desires, and you will be able to have a decided spirit, to always say “YES” to what the Lord wants from you... To what I desire from you in our Messages. With the prayer of the Rosary you will be strong! With the prayer of the Rosary, you will have in you an UNBREAKABLE armour, a breastplate and a shield with which you will overcome every kind of temptation, every kind of evil, you will overcome all trials and you will reach victory, you will reach heaven, you will reach salvation!

Read the heavenly word every day! Meditate on it! Respond to the love that God has shown and consecrated to you in these Messages. Seek to be more intimately with me and with the Lord by reading our Messages, meditating on our Messages. Be silent for a few moments after you have read some Messages so that our word can act in you... May it take root in you, may it enlighten your soul, may it dissipate the darkness of your ignorance by making you see your sins... Making you see your souls full of spiritual wounds... Making you see how far you are still on the path to holiness. And then pray!

Then you will be truly pleasing in the eyes of the Lord and every day you will become more beautiful... You will become more pure... You will become more holy and more pleasing in the eyes of the Lord like flowers that grow, bloom and show all their beauty and beauty. I pray for you everyday. Continue to dry my tears, our tears, with your prayers. Meditate again on the Message that my children RITA and BENEDITO gave you here. Listen to them again. Read them again if you can, so that my children, the heavenly word may produce in you abundant fruits of love and holiness. Peace."

Message from Saint Joseph

“-...I, Joseph, bless you and say to you: continue to do My hour every Sunday

at nine in the evening. During My Holy Hour, I visit purgatory and free many souls from that devouring fire and lead them with me to the throne of the Most Holy Trinity. I also travel the Earth touching different hearts so that they open up and welcome Our love. Make haste to spread our Messages, to spread Our Apparitions. Above all, pray more intensely during this month of July the THIRD OF TEARS OF BLOOD, begging that Mary's blessed tears fall on souls and evoke new propagators of her Messages, new instruments and apostles for her Immaculate Heart. I bless you all. Peace."

AUGUST/2007

August 5th, 2007 - ANNIVERSARY OF THE NATIVITY OF HOLY MARY

Message from the Blessed Virgin Mary

(The Seer Marcos Tadeu Teixeira presented to the Blessed Virgin the film that at her request he produced about the Apparitions in La Salette and this caused great joy and comfort to the Heart of the Most Holy Virgin.)

"-Dearest children, I am the Mother of God... Your Mother... Mother of My Divine Son Jesus Christ.
Today, on the day you celebrate My Birth, more beautiful than the moon ... brighter than the sun... more radiant than the stars... more beautiful than the flowers, I come to bless you once more and to give you My Peace...
I now give you My SPECIAL BLESSING that will remain with you and will give you all the Graces necessary for your salvation until the end of your lives.

I AM THE MOTHER OF BEAUTIFUL LOVE!
The Mother of Beautiful Love I was called at My Immaculate Conception... at My Birth... at My Presentation in the Temple... at My Assumption and at every moment of My Life.
To Belo Amor, I also come to invite you today.
I want you to have in you holy, perfect, pure, beautiful and pleasing love to God.
You must love God purely because God is infinite Goodness and deserves and must be loved by all his creatures.
Every day you must say in your hearts:
" -Lord... even if there were no Heaven, I would love you and serve you!!!
... and even if there were no hell, I would fear you*!!!" (*corrected on 09/24/2007, it was written I would want.)

You must seek God, for God himself and not for yourself, for the benefits that you can receive in seeking God.
You must seek the Lord seeking to please Him, love Him, serve Him, and glorify Him and not glorify yourselves, please yourselves, please yourselves, and benefit yourselves. The true religion ...
The true PURE Catholic Faith is this: THAT THAT ELEVATES THE SOUL TO SEEK GOD FOR HIMSELF AND NOT FOR HIMSELF!
When you are able to seek God for God himself and not for yourself, for your sake, for the benefits you can gain, then you will be closer to knowing God's

love... To knowing the wonders of God, to knowing a little, a spark of the greatness of the Holiness of God.
For your hearts to reach this great grace, you must pray a lot... You must renounce yourself... You must renounce your earthly attachments so that, FREE from all earthly affection, you can have your hearts cleaner, more purified to then seek God with pure intentions so that the Lord does not flee from you... does not depart from you and does not resist you, but rather, so that He draws near to you, draws near to you and gives Himself to you. meet you.
God only makes himself known to hearts that seek him with right intentions, with pure intentions.
Those who seek Him with self-serving intentions seeking their benefit and personal satisfaction, God does not reveal Himself to them. God distances himself from these, God hides, hides from these and does not give himself to be revealed to them, he does not communicate with this type of soul, therefore, you must seek God with pure intentions. You must die to yourself at all times. You must MORTIFY your personal will, your corrupt "I" that stains, stains, distorts and corrupts even your best intentions, Your best actions and even your prayers...
You must renounce this corrupt "I" that is inside of you and that at all times, distorts your intention in the relationship with the Lord.
I want you to relate to God, I want you to relate to Me with holy, pure and correct intentions.
You must look for My Apparitions and My Messages here, not for the benefits you can gain, but for Myself... To please Me by obeying My Messages... To glorify Me by showing the world the fruit of My Messages... To me console them by obeying My Messages and thus giving Me your pure and faithful love.
You must seek Me and not you! In praying the Holy Rosary, you must seek My joy, My contentment, My satisfaction, My glorification and not your benefit, your satisfaction and your pleasure. No! You must seek ONLY to give love for love's sake...

How few souls give the Lord and Me love for love's sake! We offer all Our love to the world!... We offer all the means of salvation! ..
I came into the world and went through a life full of pain to help your redemption. From the day I was born until the day I ascended to Heaven in body and soul, when I was assumed, I was never without pain... I was never without tears... All for your salvation... All for your good and your happiness in Heaven.
The Lord has given you everything!!! He sent His own Son into the world to live a life of poverty... Of suffering... Of pain... Of humiliation so that, by His sacrifice, all of you could be redeemed... The doors of Paradise were opened and you could again enter Heaven.
Then, out of so much love that we have given you, how few souls give pure and total love to respond to Our so great love.

At least ye be the number of those souls who give love for love's sake. At least you are among the number of those souls who correspond to Our so great and immense love with pure love, disinterested and detached from themselves and their own "I".

You must pray more, you must pray asking for this grace, this grace to forget about yourself, to die to yourself, so that your purest, purest and most sincere hearts may seek Me and seek the LORD with the purest, highest love. , more perfect and more beautiful!
Marcos... I'll reveal another great thing to you!
On the day of my birth, when I was taken up into Heaven before the Holy Trinity, the Trinity made me a great distinction, although at that moment the veil of mystery veiled many things from my understanding, reserving them for the appropriate time... But on that occasion the Holy Trinity brought all created beings into My presence. All Angels, all men, animals in short, all God's creatures! All of them were presented to me... I knew them all, and THE LORD, before Me, declared to ALL that I was His Queen, that I was His Mistress, His Sovereign and His Empress! And that therefore all of them, all creatures owed Me obedience, love, reverence, respect, submission, service, veneration and gratitude...
The Holy Trinity declared to all, to all creatures, that I was its Favorite, its Beloved, its Beloved, its Faithful Daughter, Spouse and its Mother, and that I, therefore, should, as Mother of the Word, be loved. , known and respected by all creatures!
I humiliated myself in the presence of the Holy Trinity, calling myself the smallest and vilest of her servants. But the Trinity commanded all beings, all creatures, that henceforth always serve me, always delight me with their beauty, their perfection and their own characteristics, filling Me with joy and enchantment, and I, in My turn, gave the Holy Trinity My thanks and praise for having distinguished Me with such unmerited favor by Me, blessing You for all Your works, for all Your creatures and for all Your perfection so reflected in Your creation.
The Holy Trinity then declared Me Queen of the Universe and gave Me as an inheritance and possession all the Nations, races and languages of the Earth. Therefore, My Heart Will Triumph!!
Since My Immaculate Conception and My Nativity I have already won!!! I am the Queen of the Universe!!! I have already been decreed Queen of the Universe... And nothing and no one will be able to deprive Me of this August dignity and this sublime condition to which I was raised and in which the Holy Trinity placed Me. Therefore, I WILL ALWAYS TRIUMPH OVER EVIL, ALWAYS!!!
Even when you barely seem to triumph over Me. Oh no! I know the way to conquer evil! I know how evil works!!! I know what he wants! I know his way of acting...
Therefore, I also know how to defeat him, I know how to limit him, I know how to crush his pride, I know how to triumph over him... With power and glory!
Therefore, have absolute trust in Me, that My Immaculate Heart has already fixed the moment of His Triumph! And nothing, nothing can change this sentence! Nothing will be able to change the victory to which my IMMACULATE HEART has been predestined since before all centuries!
Pray to Me and work only for Me... Spread My Messages... You do not need to draw your sword, you must use the tools I have given you, you must fight with the weapons of prayer, penance, sacrifice, continuous work the dissemination of My Messages, in defense of truth, love, grace, the purity of charity, faith and love.

With these weapons My children, I will lead My army to victory, Peace will triumph over discord and hatred.
Love and good will triumph over the darkness of evil. Then the whole universe will know the glory, the power that the Most Holy Trinity conferred on Me. Power and glory that today shine in all creation, in all the universe in the birth of your Mother Child, of your Queen Child, of the Princess of God, Immaculate and without sin conceived.
I bless you all... My last request for today is: SPREAD MY MESSAGE, MY SECRET FROM LA SALETTE, WHICH IS THE BEGINNING OF MY SECRETS AND OF MY PLANS THAT SHOULD BE GLORIOUSLY COMPLETED HERE... SO THAT MORE AS SOON AS POSSIBLE MY IMMACULATE HEART TRIUMPH AND A LARGE NUMBER OF MY CHILDREN BE ATTRACTED TO MY IMMACULATE HEART, WHICH CALLS EVERYONE TO REFUGE IN HIM HERE IN THIS PLACE."

Message from Holy Mary

"- I am the Mother of Beautiful Love, and I always want more to make you grow in this love....
I always want more, to make your hearts have this beautiful love.
Fulfill... live... and make it known to all men.
Beautiful love is demanding! I said that he who wants to possess Him renounce everything that competes with him, that enslaves him to everything that stands before him, so that then, and only then, he can fully dwell in the soul... fully occupy the will, the faith of her heart and so can perform in her the aspirational and sublime works of love so that the Lord can truly be pleased to see His love reflected in His creature.
Beautiful love demands from the soul detachment from itself, detachment from earthly things so that the soul can then be totally conquered and full of beautiful love be docile and fulfill the will of its Lord without however, without any maybe so that the soul do your Lord's will promptly, correctly* and quickly...
Beautiful love wants nothing more from the soul that wants to possess it than TOTAL GIVING, total dedication, total consecration and total surrender.
Give me this yes! Give yourself in this way and beautiful love will come to live in you. The beautiful love is My own Divine Son Jesus Christ.
If you give yourselves to Him with this total donation and this total detachment from yourselves, He and His Divine love will come to live and dwell in you and I will also be with Him, and then, WE WILL BE ONE WITH YOU IN LOVE.
Then you will be EVERYTHING, you will be love, you will have everything... You will have love, and you will need nothing else.
Peace My children. I bless you today and finally say:
CONTINUE TO PRAY ALL THE PRAYERS WE HAVE GIVEN YOU HERE.
CONTINUE COMING HERE TO DRY OUR TEARS SINGING AND PRAYING IN PROCESSION.

CONTINUE WITH THE PUBLISHING OF OUR MESSAGES IN A HURRY, THE PUBLISHING OF THE BROCHURE OF THE APPARITIONS UNTIL THE MONTH OF OCTOBER, THEN HURRY MY CHILDREN, DELIVER THESE LEAFLETS SOON SO THAT MORE PEOPLE KNOW OUR APPARITIONS HERE AND COME HERE TO KNOW OUR LOVE AND DELIVER YOURSELF TO OUR LOVE.
Peace... to you Marcos... Most preferred son..."

Note*: This word was not clear in the recording. We will confirm and correct if necessary.

Message from Santa Ana (Mother of the Most Holy Mary)

" - Dearest children... I, ANA... I come today with My daughter MARIA and also with SANTA FLÁVIA DOMITILA...
I come to give you My blessing and to say to you: - Great is the Love of GOD, which chose you and called you!... Great is the Love of GOD, which has offered you so many treasures and so many Mercies!.. Great is the Love of GOD, who is pleased to call you to his friendship and union with Him...
I bless you all now, with My Daughter and Saint Flavia... (pause)
Dearest children.. GOD in his infinite goodness created the human being, so that he would be happy forever! That he might be a partaker of God's own happiness.
GOD was already infinitely happy in himself, and he didn't need anything else to be happy, because he was already fully!... Why then did he create the human being? He created the human being by an infinite act of his great and liberal LOVE... He created the human being, so that the human being could be a participant in his immense happiness... And GOD created the terrestrial paradise, created the world to put the man, so that then man would know his GOD, love his GOD and live eternally happily with his GOD, free from all sorrow and the shadow of sin...
When the creature knows that GOD created it out of nothing, out of pure love and not out of need or utility. When the creature understands that GOD made the human being out of nothing, out of pure goodness, to communicate his happiness, to communicate to him His joy and the fullness of His Love; then the creature recognizes and feels indebted to its GOD!... Who took it out of nothing, who called it into existence and placed it in the world out of pure love! The creature then feels this desire to love its GOD and creator, to respond to his love; so love him and serve him!
The creature was made to love its Creator, not to love creatures and itself in

place of its creator! This is the sin of the world: to put creatures and even herself in the place of her creator and to love herself in his place.
The Lord created you out of pure goodness, he had no need of you, yet in his infinite goodness he created you; so that you might know him, and by knowing him, loving him and loving him, you might be partakers of his eternal and infinite happiness... That's what GOD created you for! To be eternally happy in the participation of his infinite happiness... That's why you can and should say as Saint Agnes used to say:-" Another loved me first, GOD, that's why it's just; that I give you, consecrate to you and offer you all the affections of my heart and not to creatures..."
Yea! Another loved you first GOD our LORD, He loved you first and in this His great love He called you all to know Him, love Him and receive your Peace, your Happiness and Salvation... Therefore, little children, do not disappoint the Lord! Do not defraud the LORD, who has shown you so much kindness!
Do not thwart God's plans for you... By a selfish, cold and closed-in refusal!... But on the contrary, be generous! Renounce everything that has hitherto hindered your souls from giving themselves completely to God and loving God with all the strength you are capable of!
Renounce everything that until today has masqueraded as God to occupy the throne of your hearts!...
Renounce everything that you yourselves, deluded, blind and seduced by your own will, have placed in the place of God, on the throne of your hearts and that you have served until today and to which you have dedicated your whole life and your strength
... to all this! And again return to the LORD... Return to the living GOD!... To the Holy GOD!... To the True GOD!... To the Real GOD, who calls you to be not his servants, but his children!. .. His beloved children, that is, to be partakers of his eternal inheritance, of his eternal happiness! GOD has called you to be members of his family, of his house... Do not let the LORD down! Do not despise the LORD because of the trifles, dust and ashes of this world that is passing away!...
How many have despised the LORD because of the creatures of this world, who perish!... And that is why they perished along with them!... Do not be afraid of the number of these foolish little children! Seat the number of wise men!... Who, looking at the creatures of this world, see them as transitory, as fleeting, as mere creatures! And then they look to Heaven and see in Him the true GOD, the eternal, living and immortal GOD for the love of which you were all created and called to life!
I, Ana... I love you all and I will help you to overcome the attachment you have to yourselves and to creatures, so that then truly free of spirit, you can love and serve God as He should be loved and served. .
See My children, that when you were still enemies of GOD... GOD loved you and gave his life for you on the Cross! Jesus loved you even when you were under the bondage of the devil, of original sin!... Even before you were reconciled to GOD! And yet He and Mary, My daughter, loved you... They accepted to suffer for you! They accepted a whole life, they embraced a whole life!... Of suffering, work without any pleasure, of any kind!... To carry a hard and rough cross for you, for your redemption and your salvation!...
So I ask you My children: Do these Hearts, which have loved you so much, not deserve your love??? Don't they deserve that you give them your whole life,

with all your strength and with all your consecration???
I will help you... To rise more and more in perfect Love, in perfect and total dedication to these Hearts that love you so much! TO GOD Our LORD who loves you so much!...
Consider the immense love that GOD has for you, making these Apparitions happen here in this city!... Sending you beautiful Messages, Messages full of love, peace, wisdom, of divine science, of truth and of salvation!...
You My children, were contemplated with such great goodness, with such great love and choice of the LORD!...
Correspond, therefore, to so much love, striving to the utmost! Doing your best to obey these messages! To be true apostles, true instruments of this Love that chose you, that called you, that brought you here and that keeps you in its grace and friendship!...
I will always be with you!... At all times... In your spiritual difficulties and even in your temporal ones!... Call on Me! And I will come faster than the wind... I will help you, comfort you, give you strength and guide you along the right path. And with My help you will overcome all trials and difficulties and you will certainly reach that victory; which is the victory of love, of love that never tires of loving GOD! Who never tires of serving Him, who never tires of praising Him, blessing Him, seeking Him and being with Him...
Peace I give to all, rest in My Peace My beloved children! Peace to you Marcos, My most favorite son... I give you a particular blessing..."

MESSAGE FROM SANTA FLÁVIA DOMITILA

"Marcos, I Flávia Domitila, come here once again today with the Mother of GOD, with Saint ANA to say: Only GOD is, only GOD will be!
Therefore, every man must serve him, love him and adore him with all the strength of his heart! The path of virtue, the path of holiness is arduous, it is difficult and stony... But with Our help, with the help of the Saints of the LORD, the soul passes over the stones, the soul arrives safely to the end of the path and is crowned with the crown of eternal life...
I, in My life, have known many sufferings for My faith and faithfulness to the LORD. But at no time did I get discouraged, at no time did I look even for a moment at creatures and I never had, I gave in to the temptation to exchange the love of My Lord for the ephemeral and fleeting love of creatures... The same love I want you to have and I want to infuse you! I want every day to lead you along the road of this perfect Love; who knows how to renounce himself! Who knows how to give himself to the Beloved, to GOD and Holy Mary! That does not seek material or spiritual benefit in exchange for the love and service provided!... I want to lead you to that love that only wants to give love and receive the love of its LORD... LOVE for LOVE this was and will always be the love of true Saints. It is this love that you must have in you, that you must place in your hearts!

Oh! How the Most Sacred Hearts rejoice to see that here this true love is taught, is propagated and that the errors of false devotion, false love, false faith are fought!
How they rejoice to see that here true love for the LORD and for the Mother of GOD is taught! It's nailed! It is propagated with energy, with courage, with strength and constancy!... This love must be taught to everyone! This love must be spread to all! So that the disease of false love, of false devotion is finally extirpated from the face of the earth and the world truly seeks and loves GOD and the MOTHER of GOD in spirit, in truth and in life...
Marcos, I am here and I bless you constantly every day!... I also bless those who love these Messages more than anything, and who renounce everything out of love for Them. I bless all those who truly come here looking for GOD and the MOTHER of GOD with pure love, with the desire for pure love! With the right intention of getting to know them, loving them and pleasing them always more and better...
I am the defender of all these souls of good will!
I am the defender and protector of all those who come here with the true thirst, with the true hunger to love GOD and the MOTHER of GOD with pure, perfect, disinterested, holy and faithful love
... will receive great favors, both for body and soul...
I will be more pleased to bestow spiritual graces for the sanctification of all!... But My desire to help you is so great that these graces have overflowed even in temporal matters!
Let them ask for My protection!
May they beg me with many novenas and prayers! And the graces I will obtain, for these devotees of mine... Because I enjoy great favor with the Most Sacred United Hearts...
The soul that prays to any of us, to any of the Saints who came here, and to those in Heaven with the right intention of pleasing GOD and achieving the grace of Perfect Love; of attaining the grace of holiness; you can be sure that you will achieve all these graces!... And even temporal matters that are related to these spiritual graces, that is; of the service of GOD, of the sanctification of the soul and of the salvation of the world, even these graces will be granted!...
I, Flavia, bless you Marcos... And I bless you abundantly... I bless everyone who came here today to pray with you sincerely and hear and know the will of the LORD and of the LORD Mother of GOD... Peace!..."

Message from the Most Holy Mary

"Dearest children, My Immaculate Heart blesses you and again repeats My song of Love... Pray!... Pray!... Pray!... Renounce!... Renounce!...
Renounce everything that binds and distances your Hearts from GOD Our Lord and from My Love... Be saints! Walk in grace! Walk in holiness! Walk in love! In kindness! In virtue!!! In purity! Walk in obedience to the will of God! In

obedience to My Messages! So that the Holy Trinity may be reflected in you as in a limpid mirror... As the ray of the sun reflects its most brilliant rays in the mirror... And then it is reflected in objects, so be you... very pure and clear mirrors! Where GOD projects his light, to then be reflected in everything around him... So that all darkness, that every shadow of evil and sin, be dissipated... and then the good, the light of the Love of GOD triumph in this world!

Continue to pray all the prayers that I have given you here, and dry My Tears with them!... Through these prayers I will form great saints of the last times!... Through these prayers I will feed My children, like a dove do with your lovebirds... I will give them healthy food that comes down from heaven... I will feed them with fruits of honey and they will grow with the strength of this food, they will become strong and unshakable in their faith and in their faithfulness to GOD, to My Heart!...

Through the Holy Rosary I will save the world. It is because of these Meditated Rosaries that My son Marcos makes and gives to you, that the world still survives! Otherwise, a great punishment would have ended the human race over the years...
Pray them! Disclose them! Spread them all over the world, so that everyone will repent, convert and return to the LORD as soon as possible!...
I am the Mother of Belo Amor, Belo Amor is My son JESUS in person!... I want Belo Amor to come to live and dwell in you! If you are docile to Me, if you do exactly what I command you!... My Son and I will come to you!... Beautiful Love and his Mother will dwell and will live in you... We will unite with you! and we will be one in Love... Then all of you will be most beautiful before GOD, because the Beautiful Love itself and the Mother of the Beautiful and Beautiful Love will live in you, they will reign in you and then the ETERNAL FATHER will be pleased to finally see His will performed in you, that is; that Beautiful Love and the Mother of Beautiful Love reign without rival or competitor in you! And then he will be pleased and rejoice that his work has come to success...

Obey what I command you My children and you will be happy! Those who go for Me have never sinned, never will! Those who allow themselves to be led and guided by Me, love eternal Life and certainly arrive at It!
...
Therefore, little children... Come for Me!... Come with Me!... Come in Me along the path of holiness to meet the LORD, who returns to you soon... With Love, for Love and in Love. ..
To all I give My Peace, My Blessing... Peace to you Marcos My dear angel... Peace!..."

Message from Most Holy Mary

“I am the blessed Virgin Mary Mother of GOD... My name given by GOD himself and brought by GOD's own Angels to be placed in Me, will always be a source of Peace, Light and Salvation for all My children from the whole world!... My true devotees who love Me, who honor Me, who praise and bless My Name enjoy without ceasing; of the benefits, graces, peace and light that My Name contains in itself...

Through the confident invocation of My Name, how many of my children have obtained graces of holiness and salvation not only for themselves, but for so many other souls!...

With the confident invocation of My Name, how many of my children have warded off temptations, recognized and overcome the snares of the devil! They triumphed over sin and evil and arrived safely in the heavenly paradise!

To My Name, it burns to the Eternal Father to grant all the blessings of His Mercy!... My true devotees, who invoke My Name with faith and security, obtain from the Lord GOD their Mercy, their mercy and their benevolence. ..

My Name for sinners, for obstinate sinners who do not want to convert, who do not want to renounce themselves, to be My true children... For them My Name is a torment, because they continually remember My virtues that they do not want to imitate!... They continually remember the existence of GOD Our LORD, who created Me and who gave Me such an excellent Name! Remind them that one day they will have to leave this world, they will have to appear before the Lord and give an account of all his deeds, thoughts, words and omissions!

My Name is not a sign of hope for them, as it is for My True devotees and children... who at the time of death invoking My Name, as they have always done throughout their lives, expire gently and sweetly in My arms ...

My Name at the time of death is honey for My children, it softens the torments of agony, it makes the soul ascend to Heaven without difficulty or terror...

My name is terror for Satan! It's failure for hell's plans! It is annihilation for all evil wiles!

Blessed are the souls who invoke My Name and who pay Him honor and praise all the days of their lives!... In Heaven I will give them the knowledge and a unique, particular and singular accidental enjoyment of the efficacious graces contained in My Name .

Jacareí, August 15, 2007 (Feast of the Assumption into Heaven of the Blessed Virgin Mary)

Message from the Blessed Virgin Mary

Marcos: “-Oh Prodigious vision of Paradise!!!... Oh Enchantment of the Angels!!!...Oh Mystic Flower of the Sky Empyrean!!!...Oh Divine and Wonderful Work of the Hands of God!!!. .. Oh Prodigy three times incomparable: Daughter of God... Mother of God and Spouse of God at the same time!!! Oh Glorious Virgin!!!... Oh Prodigious and Specious Virgin, deign today on the day of Your Feast to cast a benign look at us poor and exiled children of Eve who in this valley of tears we groan and drag ourselves under the weight of our miseries..."

Our Lady: “- "- Dear children... I greet you today! I greet you Marcos, beloved and blessed son of My Immaculate Heart. You glorified Me in the Assumption into Heaven with worthy words... adequate and justly exact! Yes , the weight of your words does justice and perfectly matches the dignity of My

Assumption ... to the mysteries it contains and the lessons it offers for the meditation of all mortals who walk this earth. , it is for you a sign of hope and victory!
I am in Heaven already glorified... I am already a winner! When I say in My Messages that I will win, or that My Immaculate Heart will triumph, it does not mean that I have not yet won. I've already conquered the world... I've already conquered the devil... hell... evil...
There will soon be a day when I will MANIFEST My power throughout the world, so for you it will be as if I had triumphed on that day, but I have already triumphed My children...

The devil has already lost the battle against Me, so he can't harm Me... He can't do me any harm, because he can't reach me anymore! He never had power over Me because I was conceived without the stain of original sin, so I was never his slave, I was never his servant, he never had any communication or interference with Me, not an act... movement... thought or impulse of Mine, was never disordered or ordered by the influence of evil and sin. That is why, in My Assumption, My victory, My supremacy and My reign, My UNIVERSAL empire, was proclaimed in Heaven before all Angels and Saints and before Hell also of Lucifer and all demons!!!

Since then Satan can no longer reach Me, as he can no longer do anything against Me, then he tries to hurt My heel, that is, you!!! It turns against you in fury and rage to try to bring you to condemnation, thinking thus to cause me pain and sadness with your loss.
He knows that I suffer from the loss of souls, so he works intensely in the world to seduce everyone, to lead everyone to perdition in order to take revenge on

Me.
But I, who since My Immaculate Conception have crushed and have always crushed your head, will finally crush you on the day of the manifestation of My power to all humanity. Then your proud and proud head will be crushed and evil will be conquered in this world, and from the swamp of sin, evil and darkness the world will be transformed into a bright, fragrant, beautiful and flowery garden of holiness, love and devotion to God and Me.

It is up to you to believe, it is up to you to pray... Even in the obscurity of faith without seeing My victory, but already believing in it as if you already possessed it and had already achieved it.

That's faith! Faith is believing in what is not yet seen, not possessed and not achieved, but which one already believes in the object as if it were already possessed. You must live like this My children, in the virtue of faith... In the merit of faith, so that when My Immaculate Heart triumphs, I can place on your head the crown of the award of the merit of your faith.

You must work for the victory of good in the world!!! You must fight tirelessly to prepare the world and souls for the glorious triumph, for the glorious manifestation of My Immaculate Heart that will soon free all of you from the yoke of My enemy, from oppression, from the suffering of this time of tribulation and will give you end My children, the 'Crown of Happiness' that is reserved for all those who, despite suffering under the weight of their sins, of their miseries... Even suffering the weight of the persecution of My enemy, love Me... Obey Me.. They serve me without discouragement, without imperfection... Without negligence; but zealous, dedicated, fervent and extremely hardworking, they seek every day to please Me by giving their best for Me. Doing everything I have commanded you in My Messages.

The 'Crown of Happiness' for these My children is woven and prepared by Me. It is made by Me every day and how I long for it... How I long for the day when I will give these beautiful crowns to these My children!!!

Keep on praying!!! Keep praying all the prayers that I have given you here. Through these prayers My children, you will sanctify yourselves, you will save yourselves and you will sanctify and save others as well. Be therefore zealous in these prayers.

Obey My Messages... Practice My Virtues... Imitate My Virtues!!! Especially on this day when My Body was taken to Heaven. I invite you, once and for all, to lift your eyes to the Heaven that awaits you and for the sake of that Heaven you must renounce all the things that still hold you to the dust of the Earth and still keep you so low, so that you can ascend... elevate yourselves over the world, over the flesh and the creatures so that your souls ever more yearn, desire, yearn and seek what is from Heaven and what comes from Heaven.

Hearts up!!! Your hearts must be IN GOD in Heaven, where the infinite love awaits you!
Your hearts must be in Heaven where your most Loving Mother is who waits

for you, prays and asks for you!

Your heart must be in Heaven, where your Mother is, who every day pleads your cause in Heaven and from where she pours out on you all the graces necessary for your salvation.
Your hearts must be in Heaven BEFORE you even leave Earth.

You must be on Earth but not of it! You must be from Heaven!!! You must be with your souls and your hearts always, always fixed on Heaven.
If you do this My children, you will already have the grace to feel the joy of Heaven on Earth, then your death will be nothing more than the passage from a beautiful garden to an even more beautiful one, which your Mother prepares and cultivates every day. for you.
Strive to reach the heavenly abodes, strive to reach the abode that My Son Jesus and I prepare for you every day in Heaven.

The dungeons of hell are already prepared for those who must go there, and the abodes of Heaven are also already prepared.
Make an effort My children, to reach the abodes, where it will be horrible to be locked in the cell of torments by the demons of hell. I bless you all today, with the effective Graces of My Immaculate Body Subject to Heaven..."

Message from Most Holy Mary

" - Dearest children, My Immaculate Heart desires that you all have in you the true and holy love and may it grow each day more towards infinity... to God our Lord!
You must always be more careful that in your souls your corrupt “I” never tarnishes the works, prayers and intentions with which you wish to serve God our Lord.
Often the corrupted “I” disguises itself as disinterested love, but in the end, it is clear that it is still the soul that moves the soul to pray, to do penance, to help others and to cultivate religion in oneself.
Oh no My children! You must have pure and disinterested love. Fight it with fervent prayers, with self-denial, and above all by joyfully embracing the mortification of your own “I”.
Accept the most painful jobs...
Accept the humiliations...
Accept the forgetfulness and contempt of other human beings...
Accept the most onerous and unpleasant tasks...
Accept everything that is difficult and bitter with joy and love, because in this way My children, always accepting the thorns and the cross, your own "I" will be mortified and will die... and then your rebellious, indocile, self-serving will

will finally be defeated and annihilated in disinterested good... By disinterested love... By disinterested faith and the desire for holiness that seeks only to please and please God.

So that you can make spiritual progress in holiness, My children, you must embrace the YELLOW ROSE, the rose of penance. Only in this way can you grow in holiness so that your “I” disappears so that Christ appears in his place. You will do as John the Baptist did, saying: I must decrease so that He, Christ, may increase!
Yes, for Christ to grow and occupy your whole soul, your own “I” must diminish and disappear. As long as your “I” does not diminish and disappear, as long as your self-will, your disordered attachments continue to take up all the space in your souls, Christ cannot grow and take possession of your whole heart.
Therefore, little children, I invite you to imitate Me...
I, although Holy and Immaculate Conception, always thought of Me as the last of the sinners.
I considered Me as the vilest little animal and I always tried to mortify Myself by renouncing everything I could in order to then leave the temple of My soul fully prepared, decorated, perfumed and unoccupied for My Lord.
It is true that due to My Immaculate Conception I never had in Me any desire, impulse or disordered inclination, but this did not prevent Me from also voluntarily renouncing in My full freedom all things in the world and embracing of My own free will, works, pain, humiliation, forgetfulness, suffering, POVERTY, persecution and finally the cross.
Therefore, little children, if you want to follow Me on the path of holiness, follow My examples, imitate My virtues! Follow Me in self-mortification and then you will truly follow Me along the path of true holiness that immensely pleases and pleases the Most High.

I give you Peace... Stay in My Peace My children... Peace to you Marcos, My most favorite!...”

Message from Most Holy Mary

“ - Dearest children... I am the Lady of the Rosary and of the Assumption. I bless you all today on this wonderful day...
Have much veneration My children for My Glorious Body present here from which so many blessings, so many lights and so much peace descend... to be guarded, meditated on and, above all, passed on to others by all of you with all love...
How healthy it is to meditate on eternal life... happiness for which man was created and which Is the end for which he was created.
The human being was not created to be a slave to the things of earth nor to surrender to them in order to sin.

Man was created to enjoy God's infinite happiness in Heaven. To be with Him, sharing eternally in His glory, in His grace, in His joy, for centuries of centuries...
Human beings are in this world, to learn to love the Lord with perfect love, for that, they must live continually renouncing themselves. even his own will... dying to himself, that is, mortifying himself.
The human being must live in continual penance, incessant ardent fervent prayer, CONTINUOUS AND PERSEVERING VIGILANCE because his enemies... the devil... THE WORLD with its people and creatures and the FLESH will at every moment try to bring it down and drag it down. there to perdition.
If the human being does not live constantly garrisoned and "quartered" by his enemies, then he falls and perishes...
That is why he must always have the lamp of faith, of love, of VIGILANCE, of meditation and of constancy, always lit in his soul.
The way in which the devil most deceives the human being is the way of appearances, that is, the human being often wants the good so the devil presents him with something, with the shape and appearance of good but in fact, it is evil. .. and then the human being makes a mistake and follows the false path.

This is how it is in human relationships, in human attachments, in dealing with the things and creatures of the century, and most often in the affairs of mundanes.
So that the soul... that belongs to the Lord, that wants to be his true child, is not deceived by the appearance of good, it must continually have its eyes fixed and focused on Me.
Always imitating My virtues and always distrusting everything that seems to be good but that takes away the peace of the heart, disturbs the peace and serenity that always accompany the things of Heaven.
This serenity... that always accompanies the works of God is felt in the Sound Doctrine that teaches men the way of penance, of renouncing prayer, contempt and personal mortification and not in those things that often flatter man, magnify, excite people their passions, their pride and the greed of life, thus seeking to give the soul poison in a glass of juice.
In this way the soul can identify what comes from Heaven from what comes from the devil and the flesh.
That is why I come from Heaven to always put you on guard My children, to always leave you quartered and vigilant against your enemies because they are fierce and plot your eternal damnation at all times.
They want to drag as much as possible along with them and that is why I fight every day in My Apparitions to stop them, annihilate their plans and keep My true children born of My Tears of Blood and the My Pains.

I have the mission to keep for the Lord a faithful people, a faithful flock, a crown of souls faithful to His love, to the truth, to His Grace, to His Law. And that is why I am here on this noble and holy mission.
Therefore, little children, turn your eyes to My Glorious Body today and you will never be wrong, you will never be wrong, you will never take false shortcuts that will not lead you to Heaven, but to the abyss.

With your eyes fixed on Me, LIGHT STAR of Heaven, your steps will always be firm, sure and sure and you will triumph over your enemies.

I will place on your head the crown of eternal life in the day of the reward of the good and the punishment of the wicked. On the day of retribution, I want to have you all together with Me crowned as heroes, as saints, as souls who knew how to renounce themselves, who knew how to mortify themselves, who knew how to do penance, who knew how to pray, who knew how to love, suffer, wait until achieve victory.
Thus My children, you will give me holy joy, contentment and satisfaction and you will also give honor and perfect glory to the Most High The Almighty.
Continue with all the prayers that I have given you here, it is through them that I will shape you as saints, as heroes, as seraphim of love. Continue to dry my Tears with them and always be constant in the meditation of the Messages, of My life... And so Imitate MY VIRTUES.
To all today, with great love, I bless..."

Message from the Most Holy Mary

"- Dearest children, with prayer you will achieve holiness for yourselves and for the rest of the world. With prayer, you will be able to let go of everything that still holds your hearts to the vile and fleeting things of this world. With prayer, My children, you will achieve those virtues that will make you pleasing to God, masters of yourselves, that is, you will manage to dominate your inclinations, your own will and your disordered desires and thus triumph over the devil, the world. and the meat.
With the prayer of the Rosary, with reading, meditation and perfect obedience to My Messages, you will be able to triumph over everything and everyone.
Know that your interior freedom must be full and total in order to be able to advance without anything that delays you on the path of perfection. Therefore, you must be free from scruples, you must be free from exacerbated affliction at the sight of your sins and miseries; you must be free from the exacerbated attachment that you may have even to spiritual practices so that nothing can stop you and the Lord can move you from one side to another and dispose of you as He pleases.
You must be fervent..., you must be good..., you must be ready and obedient..., you must know how to triumph over the devil and over yourself, resisting them with the opposite virtues of your defects and temptations. You must be ever more and more ready to hear My voice and carry out My will without delay, without reply and without contestation. In this way, the devil will not be able to stop you, he will not be able to paralyze you or embarrass you in anything because free as eagles you will fly swiftly to the top of the top of the mountain of holiness and there you will make your nest.
I bless you all today with the blessings of My Immaculate Heart..."

Jacareí, August 26, 2007

Message from Mary Most Holy

"-Dearest children, My Immaculate Heart blesses all of you today and gives you new peace, new light in your souls!...
Be careful because the devil, Mine and your adversary, seeks at all times to deceive you, to deceive you. and entangle yourselves in the things of this world, giving you even a certain impression that you are already free and free, but in fact you are still full of self-love, attachment to yourself and attachment to fleeting things!
Seek, therefore, to identify and expel him! Expel the diabolic illusion from your souls; always trying to humble yourself before the LORD, recognizing your misery, recognizing your nothingness and, above all, begging the LORD to take you by the hand and lead you along the path of interior mortification, of detachment from yourself so that you can then love GOD without barriers, without delays and without delays... And so you can carry out the plan that the LORD created for you at the moment he created you, so that your life becomes for the whole world a sign of greatness of greatness , of His goodness, mercy and perfection...
My children, man only achieves happiness when he detaches himself from everything and lives here in this world, living with everything, but without letting himself be enslaved inwardly by anything. It is not by giving everything that the human being is completely happy; but it is by stripping himself of everything that the human being truly achieves peace, tranquility and happiness...
How happy is the man who knows how to live on this earth, but without letting himself be embarrassed by anything...
How happy is the man who understands that happiness... true happiness is not found outside of him, but within! When the human being meets God in the depths of his heart! When he has a personal encounter with the LORD in the depths of his soul... And he accepts the LORD! He loves the LORD! He wants to be a friend of the LORD!... So then truly the human being is happy forever!
What is the man who has happiness?
He's not the one who wants to have it all and he's not the one who really gives up everything! But he is the one who truly knew how to get rid of everything and live with things in this world, but with the only true treasure in his heart: GOD, his infinite love and goodness.

I am the Mother of 'beautiful love'!
I am here, I come here to teach you the way to happiness, the way to peace, the way to Heaven!
I want to take you with Me to Heaven!
I want to lead you to that perpetual happiness that will never end!
There in Heaven, in eternity, the soul will drink from knowledge, from inexhaustible happiness, from friendship, from the divine fruition that never

runs out and that is why it will be happy, eternally happy! And with each sip of divine fruition that she has, which she receives, her happiness will be even greater... And so... From happiness to happiness; from enjoyment to enjoyment; from exultation to exultation she will live... eternally with GOD, inexhaustible goodness... This is Heaven...

That's why in Heaven there is never monotony!
In Heaven there is a joy, an indescribable happiness that is always increasing and intensifying, making the soul immensely and infinitely happy together with its Creator!...
Seek Heaven! I wanted heaven!
Aspire to Heaven! Seeking on this earth to fulfill everything I say to you, to obey everything I command you, to follow My examples and then without error you will reach Heaven!...
I bless you all today with My Angel Manoel and with My Most Chaste Spouse Saint José...
I give you Peace, I leave you Peace, stay in the Peace of the LORD!"

Jacareí, August 28, 2007

Message from Saint Joseph

"- Son, spread the Most Holy Rosary even more. If everyone prays and spreads the Meditated Holy Rosary that you do, and if they only do that, it is enough for the world to convert and be saved. Peace."

SEPTEMBER/2007

Jacareí, September 02, 2007 (Sunday)

Message from the Most Holy Mary

“ - Dearest children... Desire the supreme good that is GOD above all...
Seek Him... While He is near!
Seek him... While he lets himself be touched by your hands!

GOD is visiting Earth in these last times in My Apparitions, in a way never seen before!
He is close to you... He is within reach of your hearts!

He comes as the King of Majesty, but His voice is like that of a poor pilgrim; who asks for a little love, who asks for a little attention..., who asks you to surrender your lives completely to Him...

Do not defraud the LORD! Do not let him down by running away from him, running away from his will or the plan he has for you!
My Apparitions are the last call that the LORD makes to you!
Heed his call, listen to the voice of the LORD who calls you in every word of My Messages!...

Behold, your gross deafness... That your foolish ingratitude will still destroy you!

Return from the evil way you are going, seeking to have a true, sincere and inflamed love for the LORD!...
See that you were created only for Heaven, you were not created for the things of this world!...
Therefore, do not give yourselves to them! Because they pass as quickly as life... They pass... You were created for Paradise, it was for Heaven that GOD formed you out of nothing and called you into existence...

And to enter Paradise you must be saints, how holy is Paradise! How holy is God!
Therefore desire, seek the things above! Seek the virtue of temperance, which regulates all your acts! All your desires, thoughts and intentions...
With the ruler of the virtue of temperance, you will perfectly balance all your desires..., all your acts..., all your intentions..., and your words. ..

With the virtue of temperance you will never exaggerate, nor will you be spiritually greedy!... You will never be lukewarm and small in faith and love; in action and at work; nor will you be exaggeratedly given to other things...
With the virtue of temperance, which is the sister of prudence, you will correctly consider all things and helped with the Light of the Holy Spirit you will avoid all error and evil and you will always be able to remain in grace , in the will and plan of God concerning you...
With the virtue of temperance, your spiritual taste and your temporal taste will be regulated! So that you will only desire what GOD wants and you will reject and renounce everything that GOD does not want for you!

With the grace of temperance your souls will mature in faith, in divine love and in holiness... And then your hearts will have Peace, Perpetual Peace... Because they will never be tormented either by the greed of one thing or the scarcity of others stuff!
Your heart will be in the most perfect balance, peace and moderation...
Due to the sufferings resulting from original sin and your personal sins and also from the will of GOD who wants human beings to reach Him by the way of the Cross..., you will have sufferings in this life... But you can always be in peace!... If you have your hearts perfectly balanced and perfectly tempered as GOD wants!

In this way, the disturbance and restlessness, fruits of sin and of Satan, will never drag your hearts either to the right or to the left; neither up nor down; you will always remain in the center as GOD wants..., in the perfect peace, balance and harmony of all things...
And then, the Peace of GOD that exceeds all human intelligence, will shine and radiate from you to all souls at your turn! And all of them also fascinated, enchanted and attracted by the Peace of the LORD that radiates from you, they will also want to be like you. And they will join you in this path of holiness, which will result in the greatest good and eternal happiness for yourselves, and in the greatest glory and joy of the LORD in heaven!
I give you peace...

Continue to pray all the prayers that I have given you here: the THREETH, THE SETENA, the MEDITTED ROSARY, which My Marcos makes for you, which is the best Rosary in the world!... What pleases Me the most and what communicates the most your souls in My light, My will and My Blessings, the Hour of Peace, the Hour of Saint Joseph and all the other prayers I have given you here! For these prayers have the property of forming saints wherever they are prayed and there is good will...
I bless you all now with the effective graces of My Immaculate Heart..."

Messages of September 7, 2007

(Argentine pilgrims were present at the Sanctuary on this day and Our Lady gave them a special blessing. Saint Joseph and Our Lord also blessed them and through them all of Argentina. The Three Sacred Hearts kissed an image of Saint Joseph who belonged to them.)

Message from Our Lord Jesus Christ

"- Dearest children, My Sacred Heart comes again today to meet you to give you My Peace.
The peace that I can give you, the world cannot give...
Know that the world will only have Peace when it walks and treads the path of holiness. As long as the world walks the road of sin... of disobedience to Our Messages and evil, it will only reap violence... it will only reap disunity... it will only reap evil... it will only reap pain and suffering...
As long as the world continues deaf to the voice of Our Messages, there will never be Peace.
The lack of peace, violence and discord are the punishments for the people's deafness and disobedience to Our Messages.
Convert... Obey Our Messages and you will have Peace... Lasting Peace... Peace that knows no sunset!
Know that true happiness lies in letting go of everything and not in possessing everything.
The more human beings have, the more dissatisfied they are... The more they accumulate, the more arid... the colder... and dissatisfied they become!
Only when the human being understands that in detachment from fleeting things and in the search for heavenly things does true Peace reside and the perpetual Peace of the heart is found; only then will the world have Peace because then the human heart will rest in Me, it will rest in Me, it will rest in My

Sacred Heart.
I want your hearts to turn to Me and open completely to My love. To do so, renounce everything that embarrasses your hearts and prevents you from being completely Mine for all eternity.
I am jealous little children and I do not like to share you with transitory things. I want you only for Me. I came to Earth and I gave myself... I gave myself totally to you out of love. Therefore, it is right that I also want you to give yourself to Me totally out of love without reservations without conditions... and without any other rival in you.
Continue to pray all the prayers that we have given you here. Your prayers have saved many souls. Through your prayers, songs and meditations here today, we will take with us to Heaven fifty thousand souls from purgatory and we will convert another eighty thousand on Earth.
Prayer can save many souls. Your prayers can help many souls to know My love, to know My Mother's love, so they can be saved.
Continue, therefore, to pray, for prayer is the most powerful thing I have left in the world. The Holy Rosary is the most powerful thing that I, My Mother and My Father Saint Joseph, left you on Earth. With the Rosary you will be saved. With the Rosary you will save many souls, with the Rosary you will save nations. Peace be with you My children."

Message from the Most Holy Mary

"- Dearest children... I am your Mother. I am your mediator... Advocate... Co-redeemer... I am the one who comes down from Heaven every day to defend you, to fight for you, to give you strength, to show you that you are never alone.
I am your Mother and as such I defend you with all vehemence of My love.
As the lioness defends her little lions with all her strength, so I defend you, little children! I drive away from you the demons with their evil thoughts... their temptations...
I free you from many accidents that they want to cause you, I free you from many diseases, even physical ones that they want to inflict on you to weaken you and to overcome you prostrate in the midst of the struggle for your salvation. I keep away from you the snares that they set for you under the guise of good things. I take away from you so many illnesses... so many worries... so many vicissitudes and annoyances. I take away from you disgrace, misery and death.
I have been your Mother of love! I have been an unshakable fortress for you!!! An insurmountable shield that surrounds you... that defends you... that guards you... that keeps you always in the Holy Peace of the Lord.
Sometimes, I allow some sufferings in your lives so that you sanctify yourselves, so that you spy on your sins and those of others, so that you can reduce the fire of purgatory for you in the next life and you can go directly to Heaven as I want so much. .
I have spoken to you of My immense love in My Messages. I have taught you

holiness, I have taught you the virtues that please God, that make you perfect in the eyes of the Lord, that sanctify you, that make you ascend to the condition of Angels and leave the condition of earthly and carnal men. In My Messages I have done everything I can to enlighten you, enlighten you..., help you..., make the path of holiness easier and less painful for you. I have sought My children, to cut the sharp stones of the path of holiness for you so that they hurt your feet as little as possible. I've been trying to make your paths easier for you..., that's why I'm more on Earth than in Heaven lately. I have been on Earth speaking, calling you from all parts of the world to enter the refuge of My Heart,

Give me your lives completely. Completely and perfectly obey My Messages. Let yourself be guided by Me! Don't be stubborn! Don't be "Cain", don't be "Cain"!!! Be “Abeis”, that is, be righteous! Be good children..., meek and docile to My voice.

Do what I tell you, even if you do not understand and do not understand my will! Give me a test of faith! Hence a proof of obedience! Give a proof of unconditional and complete trust and, My children, you will see the fruit of My Messages: holiness..., perfection..., the SALVATION of your souls!

I am with you all the days of your life!!! If you have faith... if you have a pure and innocent soul like that of children, you will be able to understand Me in the events of your life. You will be able to feel Me in the events of your life, then your hearts will be happier, more joyful and more full of light and life because in everything you will feel Me, you will see Me and you will therefore always be with Me and I will always be with you!!!

I want to bring you to a very high union with God. To this end, renounce all those earthly things that have hitherto obstructed the entrance of God's grace into your souls. All of you have earthly attachments..., some more..., others less... To which to cast out of your heart these attachments that do so much harm to your souls and prevent you from flying in the direction of holiness.

I My children..., as your heavenly gardener, want to prune you! I want to pull out of you all the dry branches, all those weeds and all those weeds that have grown together with your souls, sucking your spiritual strength, undermining your spiritual strength, that is, those attachments that do not let you be saints to the extreme. . Give yourself to God in the extreme. To serve God perfectly and to the extreme. I will prune you My children, I will pluck from you these dry branches that hinder your spiritual growth.

I wish that from now on, you will meditate even more on My Messages and that in the midst of your daily work, you will spend a few moments of intimate and silent prayer with Me, uniting yourselves to Me. Entrusting your work to Me as part of the prayer so that, My children, I can lead you to do everything, even the smallest day-to-day things with perfection in order to derive such great merits from it, the meritorious value as great as that of the saints who did immense things for God but who also knew how to do small things with immense perfection and love for God.

I love you all and I bless you all today. I bless these My children who came from Argentina to be here at My feet, at the feet of My Son and José.

Argentina belongs to me!!! The Plan of My Immaculate Heart in Argentina is going perfectly well! Everything that I planned is there taking place as I had planned with My son and with Joseph. I will now act even more powerfully to bring that Earth to great holiness so as to make it a truly shining jewel of

holiness for the whole world to see..., praise God and follow..., copy the example of holiness. . In Argentina, My Immaculate Heart will triumph! My Heart will be loved!!! Praised!!! Obeyed!!! Followed and glorified by all My children!!!
On that Earth I will triumph through the Most Holy Rosary. Oh yeah! I will triumph! That day will come! It's close!!! My Heart will transform Argentina into a pearl, into a precious bead of My mystical celestial Rosary and it will shine for all humanity, for the whole world...
I love you My children and I want you to pray even more intensely for Brazil today.
He is mine!!! Satan tries to take you from Me, to steal you from Me, but in the end, My Heart will triumph!
I will not allow it.... But My victory will be more or less rapid..., more or less delayed as long as your prayers, your Rosaries, your supplications..., your groans..., the your sacrifices and your intercession offered for me to save Brazil.
Prayer is the condition for the Lord to grant grace. This is the law of Heaven. That is why My children, pray even more ardently and even longer for Brazil so that My Heart may save it and free it from Satan's evil..., from Satan's dominion. Through the Most Holy Rosary My heart will triumph! Peace..."

Message from Saint Joseph

"- Dearest children... I, Joseph, give you my blessing today. My Most Loving Heart fills them with love of grace and peace. I give you today a special blessing from my Heart. You have already received the special blessing of the Holy Virgin, today I give you the special blessing of My Loving Heart. A blessing that you can transmit just by looking at all the people you meet and are able to. Blessing that will continue with you all the days of your life until death, and that will be more or less effective in your life according to the degree of your faith, your love and your HOPE! I give you that blessing that will free your body and your soul. Fill your body and soul with grace and above all, give you the strength to advance on the path of holiness that we open here and offer for you.
To grow in holiness, you must keep in mind that Our Lord wants you to die to yourself at all times, that is, at all times to say NO!!! Renounce your will to do his will...
You must also cultivate in yourselves the great and wise virtue of PRUDENTITY!!! From the fortress! You must be prudent with yourself. Often, your own will disguises itself as obedience to God, but in fact the intention behind your actions is only one: your benefit..., your satisfaction and your glorification, not the glorification of others. God.
Often your will seems to be subject to that of the Lord, but in fact it is only preparing the right moment to attribute and retain everything to yourself, that is, from what you do, from what you seek and from what you have to do in the end, still taking some benefit to yourself, even if it is spiritual benefit.

So pure must your love for the Lord be that you should not seek even your spiritual profit, either in prayer, or in faith, or in any holy work. It is clear that the prayers, the sacrifices, the meditations, the readings, that everything that Our Lord has left you, all this produces in you spiritual benefit, spiritual benefit, spiritual holiness, but the intention of the soul cannot be this. In all your acts the only desire and spirit, a single intention and scope must be in you: Love the Lord!!! Please him... Praise him... Bless him... Serve him in the best way possible without putting conditions and without wanting anything in return!
When your love is pure like that, when the spiritual love in you is pure and white as snow, then you will be close to that purity that the holy Angels have in Heaven. They fulfill God's will purely out of love. They carry out the decrees of the Lord purely out of love. When your soul reaches this level of purity and spiritual disinterest, you will be close to the purity that the Angels have in Heaven. They love God and their love is so pure that they do not seek the increase in beatific joy which they can obtain in Heaven. They do not seek to increase accidental enjoyment. They do God's will purely out of love for the Lord.
It is with this pure love that you too must love..., serve..., fulfill the will and law of the Lord on this earth.
I am here as your loving father to help you on this path! I am here to guide you in holiness... and I will not rest until I have transformed you into Seraphim and Angels of the highest love!

Continue with all the prayers that we have given you here and, above all, pray to Me more so that I can purify your love. So that I may pull out of it all the herbs of self-love that secretly grow in your souls and distort..., distort and corrupt the intention with which you do things for the Lord and for the Sacrosanct Virgin. With My hand, I will snatch from you all those harmful things that harm your souls and that rob you of the merits of even the best actions you perform.
I am your father and I do not want to see you grow up with rickets, that is, without merit in your soul.
I want to see you growing strong, robust, with the greatest merits.
Therefore, My little children, let Me purify you!!! Let Me sanctify you so that I can make you robust, graceful and beautiful flowers to give as a gift to the Most High God. Peace to you!”

Message from the Most Holy Mary

“-Dearest children... I am your Mother the 'LADY of the ROSARY', I am the 'QUEEN and MESSENGER of PEACE'!

Again I ask you dear Children, continue with all the prayers that I, My Son and JOSEPH have given you here, because these prayers will save most of

humanity.

Be faithful! Always remain Catholic despite encountering opposition within Catholicism itself.

Yes, My children, the Catholic faith is the only and true one, so you must have it to the end, even if you suffer persecution and injustice! You must continue to pray the Rosary, you must continue to love Me, loving My SON, loving JOSÉ, loving the Saints and Angels, loving all the truths of the faith that My Son JESUS taught you and of which I have always been a witness, bearer and final...

Pray! Renounce your earthly attachments, so that your souls can be free and free from everything that prevents them from being holy and fulfilling the will of the Lord fully.

I desire My children to be strong, you have the virtue of fortitude! Ask for the virtue of strength for you and for your brothers, so that you may be strong in trials, in sickness, in suffering, so that you may be strong in temptations, so that you may be strong in the fulfillment and witness of the Holy Catholic Faith.

I have appeared in many places in the world, but they are deserted and My children do not want to know anything. There are few places where My Love was not paid with ingratitude, forgetfulness and indifference; with disobedience and disdain.

May that never happen here My children! Therefore, be true children of Mine, singing and praying in procession to participate and pray from beginning to end in these Cenacles that do you so much good!... That strengthen your faith, correct you and teach you to see your mistakes, your mistakes, your faults and which lead you to overcome them and overcome your own “I”, so that you may then be ardent children in the Love of GOD and in My Love...

I am with you every day, but only the pure hearts can feel Me and recognize Me in the events of their lives. If your hearts are purified you will feel My presence, you will feel My constant help, protection and support in your daily life.

If your hearts are pure, you will understand My will in My Messages and events in your lives, you will understand what you must do! To purify hearts, shed many tears, with many groans and supplications, renounce your own will to your own “I”, to your attachments, and then your heart will be pure as that of a child.

What is a child?”

He is someone who has no attachment to anything, because his heart is pure, free and innocent like a dove. This is what My Son meant when he said: “Unless you become like little children, you will not enter the Kingdom of Heaven”.

If you don't have that purity, that innocence, that detachment! You will not enter the Kingdom of Heaven...

Return, then, like little children, return to innocence, letting go of your disordered attachments, of your will that tends to evil, to what is contrary to the LORD and you will have the purity of children and then your hearts will be able to understand My Messages, to understand My will and fulfill it perfectly. And then you will even jump for joy, because you will be able to feel My presence! Feel of My Love! Prove My Love! You will understand My will! You will understand My Words! You will understand the Love I have for you...

Without that inner innocence, without that inner purity, you cannot understand My Love or My Messages... Be pure as children and you will understand Me, you will feel My presence and you will always have it with you!

Continue to pray the Holy Rosary for the Triumph of the LORD! For the Triumph of the Catholic Faith! For the Triumph of the Good! For the Triumph of My Immaculate Heart and for Peace throughout the world!

Only when everyone prays the Rosary will everyone have Peace! Then spread the Meditated Rosary that is given to you here in profusion, that this My beloved son Marcos makes and gives to you! Propagate it as it is engraved with these Messages so that the whole world may know My Love and My Pain, respond to My Love and come to comfort Me in My great Pain and dry My Tears. And so, my children, I promise you the world will be saved by a miracle of the Love of My Immaculate Heart.

Rest in the Peace of the LORD...

Message from Saint Joseph

“-Beloved children... I, Joseph, give you today the blessing of My MOST LOVELY HEART!

Be faithful to Our LORD and Most Holy Mary! Offer your sufferings for the salvation of souls, for they can save many souls! You cannot imagine how great is the power of suffering offered with prayer, when you suffer there My children, you save more souls! Therefore, offer your sufferings with the Rosary and all this will be turned into Graces of conversion and salvation for many, many souls! The more you suffer, the more we love you!...

See My children that all the sufferings that GOD allows in your lives have no other purpose than to save you and to save the world, to save so many souls

that need more Graces intense to save themselves!

That's why the LORD allows suffering in your life, so that you unite it with the sufferings of Our LORD and complete what is lacking in the Passion of JESUS for the salvation of so many souls, who need it so much!...

If there were more patient souls, more strong in suffering the world would have more holy souls! There would be more conversions! The Holy Catholic Faith would spread faster. Offer, therefore, your daily work, poverty, humiliations, privations! Offer the physical sufferings and the sufferings of the soul with the Rosary, so that all this may be converted into more intense blessings that can save so many souls, even yours!

Henceforth, therefore, murmur no more! Do not rebel any longer against the will of the LORD who allows you the Cross for a few moments so that you can help them in the plan of humanity's salvation!

You will not be alone, I will always be with you and also HOLY MARY and OUR LORD JESUS CHRIST.

My Most Loving Heart will be your refuge, today and always!

Pray for our intentions! Imitate My poverty, I voluntarily wanted to be poor so that My Heart would have no other Love than JESUS and MARY, I freely detached myself from everything, I renounced My own will always and I consecrated myself to the LORD from my earliest days. years of life, so that My only Love would be Him and later BLESSED MARY...

Since the LORD gave her to Me in custody My great Love, the most pure, most holy and heavenly Love was She and the Child JESUS... It was the LORD who gave these two incalculable Treasures to all humanity... You must follow Me on the road of poverty, on the road of total consecration, on the road of detachment, so that your love may be only GOD and BLESSED MARY. So that in your heart there is only space and it may only be occupied by the LORD and by her with her holy will and worthy of all honor, all love, all obedience and all praise!

Rest in the Peace of the LORD..."

Mark: "-Beautiful Princess of Heaven who are you?"

Message from Saint Edwirges

“-Mark, I am EDWIRGES servant of the LORD and of HOLY MARY, I am

known to all of you as the protector of the indebted...

Yes, I paid the debts of the poor to the King and he forgave them and sent them to go in peace! And even new gifts I gave them out of love for Me and in response to my request.

But now the main debts of yours that I want to pay and obtain forgiveness are your debts to the Justice of GOD, caused by your sins! I have the mission to implore the forgiveness of the LORD and of the BLESSED MARY day and night, the forgiveness of your debts! Forgiveness for the pain of your sins and thus obtaining mercy and mercy from the Lord for you!

I pray, I intercede without ceasing with the LORD and with the BLESSED MARY for you! That is why you must bring to Me every day your worries, your pains and, above all, your prayers so that I may unite them with Mine and thus present these gifts on the Throne of the LORD and His Mother to obtain from them the forgiveness of your debts!. ..

You must follow Me along the path of detachment, of poverty, of penance that I myself have trodden... Being a queen, I detached myself from My royal power to make myself a poor religious... Being of noble birth, I have always sought penance! I have always looked for sacrifices, I have always prayed for many hours every day, even barefoot in the snow and ice!... I have always tried to console Our LORD and BLESSED MARY with many prayers, many tears, many fasts and abstinence... You must follow me for this way, you must follow Me in the way of obedience to the LORD! I have always fought for the Holy Catholic Faith, for the Holy Rosary, for devotion to the BLESSED MARY and to Our LORD to spread not only in My kingdom, but in all others and for everyone to love our LORD and BLESSED MARY of whole heart! You must follow Me on this road,

My examples! If you do this, you will have the same glorious end that I had, Paradise, Heaven!

In Heaven I am extremely happy! In Heaven I have a full vision of My LORD and His Mother... In Heaven I receive without ceasing the infinity of GOD's Love, of GOD's knowledge of the participation of GOD's infinite happiness... There I have the full fruition of the LORD!

If you follow Me along the path of penance, of prayer, of detachment, of poverty, of unrestricted and unconditional obedience to the LORD and His MOTHER, you will be very happy like Me!... You will shine brighter than the Sun in the midst of God's Angels. .. I come to tell you that I can help you a lot and that it is My mission to teach you to love and obey the BLESSED MARY and Our LORD with all the strength and love of your heart!

Therefore consecrate yourselves to Me! Make a special delivery of your souls and your lives to Me on the 16th of each month. Always try during the day to raise your thoughts to Me, pray to Me, ask for My help, because I can help you a lot on the path of holiness! And even in your daily earthly concerns, even in

these, I want and can help you provided that: you recommend yourselves to Me, you surrender yourselves totally and docilely to My direction and that you fully trust that I can with My prayers grant you many graces of Our LORD and HOLY MARY for you!...

On earth I wore a crown, in Heaven I prepare crowns for all the true children of GOD and BLESSED MARY, who obey Their will! Who renounce their own will! Who let go and who know how to fight with Them and love Them with perfection... I prepare for you crowns in Heaven, I eagerly await the day to place them on your heads. Don't let me down! Therefore, do not lose these crowns for temporary attachments, for earthly loves that do not lead to Heaven...

EVERYTHING PASSES... ONLY GOD STAYS!

EVERYTHING PASSES... ONLY THE SKY LASTS FOREVER!

EVERYTHING PASSES... ONLY FAITH WILL LIVE...

Come to me! I am your sister, friend and companion... I want to help you, give me your hands, then I will take them and lead you along the path of holiness that I have walked... Which is tight, but which is the path of life, which is the way that leads to Heaven!

With My help and My company it will be less harsh for you, for I will go before you smoothing all the stones, that Our Lord allows Me to make your journey easier and you reach Heaven with more security! Rest in the Peace of the Lord..."

Message from Saint Joseph

"-Beloved children... I am your Father... Whoever gives himself to Me totally will be enclosed within My Most Loving Heart and with Me it will remain forever and we will be one in Love!

Live in the grace of God!... Practice and exercise virtues so that your life may be pleasing to God and give him glory and praise...

Remember children:

that the arrogant will stumble in their pride!...

The lazy man will fall into misery and will know hunger!...

The disorganized and relaxed will live in continuous confusion!...

The vain will wither in himself, like a dry flower without water!...

The proud who trusts in himself, instead of put his trust in GOD, he will fall into all the snares of the enemy and lose the friendship of the LORD!...

He who does not keep his language will become a victim of it!...

He who withholds his life for himself and does not give it to the LORD is like someone who throws a great treasure into the abyss!... He will lose his life... He will lose his treasure...

He who does not renounce himself himself, to follow behind JESUS carrying the Cross of daily renunciation of his own will... It is like someone who, even having a rich treasure, exchanges everything for a worthless coin and clings to it, despising the true treasure that is CHRIST-JESUS!...

He who offers his whole life to GOD and follows HIM, renouncing his own will, is like someone who puts the only valuable coin he has in the hands of the one who will make it multiply, and at last it will give you back a treasure in eternal life that the moth will not eat away and none of the infernal pirates can tread!

He who seeks his joy in God... And he who puts his hope in God will never be disappointed... He who has made God his treasure... He who has made the HOLY VIRGIN his treasure, to this nothing is lacking, nothing will be lacking!...

Whoever gives everything to GOD, whoever gives everything to the HOLY VIRGIN, from them will receive everything, a thousand everything!... In perpetual joy in the glory of paradise...

I am the one who holds all in my hands the Graces of the LORD!

I am the steward of the LORD's heavenly goods!

I have the autonomy to give these Graces to whoever I want, as I want and as much as I want!

I am your mediator with the LORD and with the BLESSED VIRGIN!...

My prayers are very well accepted by Them! And they deny me nothing...

Therefore, come to Me and I will fill you with the Graces of Holiness, Virtues, Love, Obedience, Purity, Holiness and Peace!!!... There will be no limit to loot for you, you can take as much as you can. to charge!

I want to give a lot! Well, I can give a lot, a lot... Whoever comes here in this chapel and kneels in the upper room at this altar and asks me for the grace of sanctification, of the eternal salvation of his soul

... ask for the grace necessary to live well and exercise them... This one will not leave here empty-handed, on the contrary I will carry him with such great Graces! That he will soon become a giant of love, holiness and virtue!...

My LOVING HEART is the abode of all who make Me known!... I know how to prefer those who love Me the most, who make Me known and who work to increase My devotion and My reign over souls...

And these My favorite children, in Me always have their Father, their friend and their defender...

Pray... Talk less and pray more... I wasted less time on useless things and pray more! For what the world needs is prayer! The world needs prayer, supplication, that it may be saved by the will of the LORD from the threatening loss that threatens it.

Pray more and more... You will achieve nothing with words; with prayers you will be saved!... With many Rosaries you will be saved!...

With meditation on Our Messages you will be saved!...

Continue with all the prayers that We have given you here, as they dry Our Tears, remove the thorns stuck in Our Hearts and save many souls every day!

Peace Marcos... I give you Peace... Remain in My Peace always..."

(22/09/2007) Message from Saint Joseph: “-I am your father. Whoever gives himself totally to Me will not be an orphan. Those who love Me love eternal Life. Those who live for Me and through Me will be loved by the Word as his brothers. He who makes Me known will save his soul and live by My side forever. Whoever declares himself for Me before men will be My favorite son and I will declare Myself for him before Jesus, Mary and all the Angels. He who teaches men to love Me will be My true child, and he will live eternally in My lap in Heaven. I am the guardian of the Source of life. Whoever wants to drink of the water of life, that is, of Christ, come to Me, and I will give him to drink. I am the guardian of the Tree of Life. Whoever wants to eat of your fruit of salvation, come to Me and I will feed him. The Tree of Life, Christ Jesus, he has placed his salvation fruits in My hands so that I may give them freely and abundantly to whomever I want and as much as I want. The only requirement is that the soul be humble and ask Me. Marcos, I bless you from this chosen place. Favorite, peace.”

Message from Saint Joseph

“ – Dearest children, have more love for the Gray Scapular of Peace.
Whoever despises the Gray Scapular will despise the Most Sacred Heart of Jesus, the Immaculate Heart of Mary and My Most Loving Heart that are stamped on it.

The Gray Scapular came from the depths of Our Three Sacred Hearts and was given to you by the Blessed Virgin.
This Most Precious Treasure is not loved as it should...
This Most Precious Treasure is not appreciated as it should...
It is like a lightning rod. The person who uses Him will not be hit by the rays of God's wrath, by God's punishments.
Through it, one can obtain peace of heart, peace of mind..., liberation from diabolical possession..., the cure even of some bodily ailments.
Through this Rosary, this Meditated Rosary that My son Marcos makes, great graces are granted to you. When he is prayed, the Holy Spirit descends upon you... He is drawn to the places where this Meditated Rosary is prayed.
Demons flee from the house where he is prayed for and where his sound is heard.
The devil will not remain close to the people who wear the Gray Scapular of Peace...
Wherever this Scapular is, the Angels will always be present surrounding and circling this person with their wings to defend him from evil.
If it is placed in a plantation with pests, this plantation will be free of pests and will return to production...
If it is hung on the wall of a house, in that house, evil will not enter...
But remember: it is necessary pray the Meditated Holy Rosary together with the Gray Scapular.
This is Our will for you.
Be holy... Be holy as Mary Immaculate is holy. Be holy, as God is Holy!
Try each day to strengthen yourselves more through prayer, meditation, spiritual reading, supplication, novenas, chants and silence...
Mortify your will!!! Renounce your own will to do God's...
And especially when you notice your faults, you must deplore them, but you must not discuss them with the devil, for therein lies a dangerous temptation.
Give your hearts into God's hands asking for the grace to be better and don't waste time trying to find out why you sin, why you have such or such misery.
For you will enter a whirlwind that will lead you to despair and you will fall into

the dangerous temptation of My enemy. Immediately after recognizing your miseries and crying over them, you must lift your eyes to Me and surrender yourself again, totally to Me so that I can carry you in My lap and lead you on the path of holiness.
I give you peace... I give you My blessing... Peace Marcos, My favorite son!..."

Message from Saint Joseph

"-Dear children, My Most Loving Heart blesses you again. I am your father. I am your Mediator of all graces to you. Whoever believes that I can do everything together with Jesus and Mary Immaculate, will know My power. (Note Mark: here Saint Joseph shone more before me). Where it is taught that I can do everything together with the Hearts of Jesus and Mary, the devil will not obtain any victory. Where I am recognized as Co-redeemer together with Mary, it will be I who will produce the miracles of the Lord and bring about the greatest wonders of Divine Grace. Peace, Marcos, My most beloved son."

Message from Saint Joseph

"- Dear children, time passes and men do not change. Time passes and hearts do not change. Time passes and Brazilians remain in disobedience to Our Messages. They continue to prefer creatures over the love of Our Three Sacred Hearts United. Our Hearts are full of ingratitude... there is no one to console Us... there is no one who fights for Us to the end... there are no generous souls... there are no souls that want to give themselves completely to Us without looking for themselves or their interests. in Us… Console Us, with your prayers, sacrifices and with your change of behavior and attitudes. Console Us by renewing your consecration every day and fulfilling it with love and dedication. I am like a heavenly cloud… cloud of thanks… As all the droplets of water gather in the clouds to make the rain come down to the earth, so also I gather into My hands all the graces of the Lord to pour them out on men. I am the true Mediator of all graces together with Mary, the Mediatrix of all graces. As the scent of cedar drives away serpents, so do demons flee

before My holiness. That is why the soul that is in Me and in which I am, the devil has no power, for he cannot stand My presence and My holiness drives him away and annihilates him. The soul that is well united with Me will never be the prey of demons, because it has Me, its Father, and We are 'one in love', and therefore My holiness removes from it all evil and all temptation. I am your Loving Father, but in order for you to be My true children, you must grow in your life of union with Me through prayer, through meditation on My Messages, for the consecration and surrender of each one's life to Me and for the constant imitation of My virtues and for the docile and unconditional obedience to My voice. Those who love Me love eternal life. Those who find Me find wisdom. Those who dwell with Me will live forever. Those whom I myself feed will not grow weary, nor will their strength be extinguished, but they will live forever and will forever be with Me. Those whom I uphold and whom I am favorable will reach the end of the race and claim the crown of victory. Peace, Marcos, My favorite son. I give you My peace. I love you. He comes. We? Message from Saint Joseph

“- Dear children, I am compared to the vine. As she shoots her branches to the highest trees, so I have reached the greatest virtues and the greatest heights of holiness. The orange tree, the mulberry tree and other trees are bigger than the vine, but none of them can shoot its branches to the top of the trees and even pass them, like the vine. So am I: I excel the other saints in all virtues, in love and in degree of holiness. I throw My branches over theirs like a vine that climbs and passes the branches of other trees. It is quite true that only Jesus and Mary had merit and grace to satisfy for all human beings, but I too, with My love, with the degree of holiness and virtues that I reached, was able, after Jesus and Mary, to be the one who could most satisfy men before God, Our Lord. I am like the cedar of Lebanon. As he excels the other vegetation in his height and grandeur, so I also excel the saints in holiness and virtue. I am compared to the rainbow. As he has multiple colors, so I have multiple virtues

in My most holy soul. And just as the colors of the rainbow are varied among themselves, so also were My virtues varied to form in My soul the iris of beauty, holiness and perfection. He who gives himself to Me; that is directed by Me; who is led by Me; he will reach great heights of virtue and holiness. Message from Saint Joseph

“ - Beloved son... I bless you once again Marcos. I am the fragrant tree of the Lord. For everyone, I have the fruit of Peace, Grace and Salvation. For everyone, I emanate perfume from My flowers and I offer everyone to taste the fruit of My virtues. I am your father and you must come to Me to satisfy your thirsty souls for love.
Whoever eats of my fruits will not be hungry, because they come from the seed of the Lord..., the seed of love...

Whoever asks me for any of my fruits, if he asks me sincerely, I will not deny it!!!
Whoever comes to Me will always be satisfied and for all the diseases of the soul I am a medicinal tree that offers everyone the medicine that heals, that restores, that resurrects the sick soul.

From My foliage comes the remedy for all your spiritual ills. The remedy for all your spiritual misery comes out to you.
True devotion to Me consists in imitation. The soul that does not imitate Me is not My true devotee. The soul that is My truly devoted soul imitates My total surrender to God.
I gave myself completely to him at the age of twelve, taking a vow of chastity..., surrendering to the Lord My freedom, My will, My body, My soul with all its powers. And the soul that is My true devotee..., the one that is truly My child, does the same.

I lived in complete surrender, submission and consecration to the Lord since I was 12 years old and even before that I loved him and wanted to be all his.
The soul that is My true devotee imitates Me! She gives herself totally to the Lord, she gives herself to Him with all her powers, she hands over her freedom to Him above all, so that the Lord can dispose of it as He wants.
From then on, the soul no longer has a will of its own. He no longer does what he wants, he only does what God wants. It does not choose for itself this or that path, this or that way of life. Will do what God wants.
He will do what God commands. True devotion to Me is a lifeline that God only grants to those He wants to save and those who are already predestined to Heaven. Devotion to Me is only granted to those souls over whom God has designs of salvation. Peace Mark. I bless you and all those who came to pray with you and who sincerely love you.”

Message from the Angel Saint Nadiel

“-Mark, I am the Angel Nadiel. I love you and all those who obey the Messages of the Mother of God. I am always by your side and I never leave you alone. Have faith and pray to Me constantly and I will help you a lot. We, the Angels, are the most ready servants of the Lord and of Mary Immaculate. As soon as we receive an order from Them, we immediately rush to carry it out. We are zealous in fulfilling the will of the Lord and Mary Immaculate and our greatest joy is when They send us something. We eagerly desire to hear the orders of the Lord and the Mother of God. We are filled with an indescribable joy when someone obeys the Lord and the Messages of Mary Most Holy, Our Queen. Sin, besides being an offense, is an ingratitude of the soul towards the Lord and His Mother, after so many benefits received from them. We are seized with such great wrath when someone commits this ingratitude, that if the hand of the Lord did not stop us, we would exterminate that person, so great is our justice and zeal for Him and His Mother. When a soul turns away from the Lord and His Mother through sin, the sadness we feel is so great that it would be possible to fill an ocean with the tears we shed. When a soul is eternally condemned, our sadness is so great that we don't even move... we cover ourselves with our wings and only after a long time do we sing the hymns of glory again. When a soul is sincerely converted, the joy we feel is so great that we fly in all directions, we sing vibrant songs of joy, we shine with greater glory, we circle the throne of the Trinity and the Blessed Virgin in flocks, in multivocal choirs we bless the Lord and the Blessed Virgin for their great power and love that triumphed in that soul; we also descended to earth pouring new light, peace and graces on souls. We are always at the side of the soul that blesses us, loves us, defends us and spreads our devotion. Continue to pray to Us, above all, make Our Hour every Tuesday. Every day we love you more. Peace."

Message from the Angel Letiel

we would melt the whole world with the heat that We would send out. Our joy is so great when a soul is consecrated; he gives himself totally to the Blessed

Virgin, renouncing himself and her will! When such a soul gives itself totally to her, it makes up for thousands who say 'no' to the Blessed Virgin and who resist her, not wanting to surrender their whole life to her. When We, the Angels, meet such a blissful and blessed soul, Our joy is so great that we immediately shower upon him blessing upon blessing. We, the Angels of the Lord, are day and night traveling the earth, knocking at the door of hearts, trying to give men good and holy inspirations; inviting them through events and interior motions to open their hearts; to accept the Messages, obey them and adhere to them with all your heart to be saved. Every day, we drive away from souls many demons that tempt them to doubt, to disobey the Messages of Holy Mary, to resist Her will and not want to renounce her will. The soul that is willing will accept our illuminations; Our advice; Our good inspirations and will follow us along the path of holiness, of obedience to the Lord and His Mother and of fidelity to Them. Peace, Mark. Favorite of the Angels, I give you peace. Come, let me hold you in my arms and make you feel how much We, the Angels, love you and want you. Peace. Message from the Most Holy Mary

“ - Mark, dear son... I bless you again today and to all those who sincerely came to pray with you in My honor!
I am the Lady of the Rosary... The souls who are the most lovers of My Rosary in this life, I promise in Heaven to place them in the empty place that the angels who fell at the beginning of the world left vacant...

I will place these souls in the their place, so that, like the Seraphim of Love, they may occupy the place that those bastards left empty...

The souls who are most devoted to My Rosary on earth, I promise to place

them now, in the first line of the Angelic and Saints Choirs, which are closest to the Throne of the Holy Trinity; that they may enjoy greater joy, greater rejoicing, and greater enjoyment of the happiness, love, and glory of God in Heaven!

The souls who are most devoted to My Rosary, I promise to give them the place closest to My Throne and there I will smile at them, I will speak to them in their ear and in their hearts as a tender Mother for centuries of centuries; giving them light, knowledge of Me, of My Love and of GOD, which I will not give to souls who did not want to be devoted to My Rosary...

Pray Me! My Rosary is your salvation, it is the salvation of the world! No problem is impossible to solve with the Prayer of the Rosary!... With the Rosary, nothing is impossible My children, nothing!...

Pray it! Pray Him! Pray Him and entrust yourselves to My hands, for I am your Mother and I will defend you like a lioness to her little children!... There is nothing that happens to you that escapes My gaze... I know everything and I take care of everything! Pray the Rosary and I will see you..."

Feast of Our Lady of the Most Holy Rosary
Message from the Blessed Virgin Mary

"-Dearest children, I AM THE LADY OF THE MOST SACRED Rosary. Today, when you celebrate My victory in the battle of Lepanto, again I say to you: I AM THE LADY BRIGHTER THAN THE SUN. I AM THE GREAT SIGN THAT ARISE IN HEAVEN..., TERRIBLE AS AN ARMY IN ORDER OF BATTLE AND THAT SOON I WILL BRING TO THE WHOLE WORLD, THE VICTORY OF CHRIST, THE KINGDOM OF LOVE, THE KINGDOM OF CHRIST WITH THE GREATEST TRIUMPH OF MY IMMACULATE HEART.

What I said yesterday here, I repeat again: The soul that Prays My Rosary every day with love, I myself will take it and place it in the first row, closest, next to the throne of the Holy Trinity in Heaven to receive there a greater enjoyment and a greater participation in the infinite happiness which the blessed have in Heaven.
The soul that truly prays and loves My Rosary, I will take it and place it in the place that the evil angels left empty when they rebelled against God and fell from Heaven. Yes, My children who love My Rosary the most, I will put them in the place of fallen angels to fill those abodes that those evil angels left 'empty'. Those My children who pray My Rosary and love it tenderly, those My children, I myself, will place them as close as possible to My throne in Heaven, where I will give them a unique drink of the knowledge of My mysteries, of the divine mysteries, and of the My love that I will not give to other souls who are not so devoted to My Rosary.
I tell you My children, disdain..., contempt for the Holy Rosary, is a sure sign of eternal damnation. While love..., devotion to My Most Sacred Rosary, is a sure

sign of eternal salvation. Devotion to My Rosary, the Lord only gives..., and only preserves it in those whom He wants to save and whom He loves with a love of predilection!!!

Through My Rosary I will triumph!!! Soon, I will chain the great dragon with My Rosary and cast him and his minions into the lake of fire and brimstone from which he will never leave to lose the earth, and with them, all those who are not in God's grace.
Pray the Rosary!!!, The Rosary is the most powerful prayer to obtain Divine grace, to preserve it and increase it in you. The Rosary is My favorite prayer. It is through him that I will save the world. My Divine Son gave the Rosary all the power in Heaven and on Earth and that is why it is through him that He wants souls to reach His Sacred Heart in Heaven. To the Rosary, My Divine Son gave the power to hasten the times and make the Triumph of His merciful love arrive as quickly as possible.
You are at the advent of the coming of the kingdom of Christ. Get ready to receive him with the Holy Rosary in your hand.
Propagate My Rosary because the world only survives thanks to the prayer of the Rosary.
Spread My Meditated Rosary that My Marcos makes and gives to you because it is through this Rosary that souls will be converted and My Immaculate Heart will triumph in the world and in society. Peace... My son Marcos... I bless you with all those who sincerely came to pray with you on My feast..."

Message from Saint Domingos de Gusmão

"-Marcos, I DOMINGOS de GUSMÃO, servant of the Queen of the Most Sacred Rosary , seer and messenger, and slave of the Most Sacred Queen of the Rosary, I bless you today with all those who have been here praying with you for so many hours!
Be faithful every day to the Most Sacred Rosary of the VIRGIN MARY! I saved myself through the Rosary, through it you will also be saved!

With the Rosary you will achieve the conversion of great sinners, of many heretics!... With the prayer of the Rosary you will achieve Peace for your lives!... With the prayer of the Rosary you can influence and even change world events... with the Rosary you can ward off wars, you can ward off pestilence, hunger...

With the Rosary you can ward off the devil, with his temptations...

With the Rosary you can triumph over sin! With the Rosary you can reach the grace of Divine Wisdom, to understand the will of GOD, the plans of GOD, the love of GOD for you and you will even reach a high degree of knowledge of the Divine Mysteries!

With the Holy Rosary you can assure yourselves and others of salvation!...

Pray! Flee from sin! Obey the Messages of the Mother of GOD... Fulfill the word of GOD and you will surely be saved!

Be good! Love the BLESSED MARY, because while I lived on earth, I loved Her with all the strength of My Heart! And if there was a fiber in My Heart that wasn't Mary's, I would certainly ask the LORD to pull it out, and if He didn't pull it out I would put my hand inside My chest to rip it out of My Heart

! my heart was all hers!

She was My great and Holy Love! And the Holy Rosary was the great treasure, the legacy that I received from her, gave and left to the world.

Love her, obey her, be totally hers, because in this way you will be totally CHRIST's. Give yourself totally to her and you will be totally Christ's!

It is because She is not known that CHRIST is not known!...

It is because She is not loved, that CHRIST is not loved!...

It is because She is not served, that CHRIST is not served...

It is because the Rosary it is not known and prayed for, that evil so often triumphs in this world!

Pray the Rosary! And be sure that good will always win over evil!... And in the end, the triumph will be good, it will belong to the LORD, it will belong to HOLY MARY and it will belong to all the faithful devotees of Her Rosary...

Read Her Messages. .. O happy time in which you live! When you have so many Appearances of Her daily on Earth!
This is the most evil time in the history of humanity, it's true... Where sin, violence, evil grace as profit! But it is also the most visited time in the history of humanity by the Most Sacred Lady of the Rosary!

What luck you have! What a richer blessing you have to have her every day with her Angels on earth communicating Messages to the world!

Honor her! respect it, value it! Give yourself totally to her and you will not regret it!...

Now you will decide your eternal destiny:

either you love the Lady and obey her and you are saved;

Or disobey it and condemn yourself forever!

Reach out to whatever you want Heaven and hell are before you, good and evil; obedience and disobedience... Reach out to whatever you want...

Take advantage of this time of infinite graces that you now have with the daily visits of the Mother of GOD on Earth and even of the Lord Jesus Himself!

Love these Messages! Propagate them so that more people know them, convert and save!

I am with you everyday! I protect you and I will help you... In your Rosary, call on Me! Ask for My protection in the affairs of your life and you will have My help! I want to participate in your life, help you, support you!...

Call Me and I will help you always! Count on Me! I count on You to make the Prayer of the Rosary triumph on Earth!

Peace Mark! I bless you with all those who sincerely believe in these Apparitions and have come to pray with you..."

Message of October 12, 2007

Feast of Our Lady Aparecida
Message from the Most Holy Mary

"-Dearest son… I accept your surrender and your plea for love and allegiance that you make again today to My Heart!…
I bless you Marcos and I say to you: Follow in your obedience to Me, keep praying, because I and the LORD fight for you and for all the righteous who in this world suffer injustice because of Our Love and Our Name...
Don't be discouraged My son...
Pray! Pray and Pray! Fight! Fight! Fight!Walk! Walk! Walk!
Go forward, My child, with the same Love!... With the same faith!... With the same prayer, joy and hope! And so do all My children who come here, whom I love so much! I love my people so much!...
And just like Queen Esther, she presented herself before King Assoelius and when he, enchanted by her beauty asked her what she wanted, she then said to him: - Grant me the salvation of my people! This is what I desire, grant life to my people!
I do the same every day before the Most High... who is My Father, My Son and My mystical Spouse, asking him: - Save My people! Grant Me Your Grace! Save My people!...
I am your Mother and Queen Esther was My figure in the Old Testament, prefiguring here what I myself would be for you, your Mother, and the one who placates the King offended by your sins and obtains from Him the life, eternal salvation!
My children, have trust in Me!... And keep obeying My Messages... As I said, in this world you will have sufferings, but courage!... I have conquered the world!... Christ conquered the world and you like Him you will also win!
After Calvary comes the Resurrection My Children! Pray, pray only, so that before victory comes, you will not be beaten down and overcome by the fatigue of waiting.
Pray the Rosary, to await the reward and inheritance that I have prepared for you!

Pray for the conversion of Brazil... A great punishment will fall on Brazil, because Brazilians do not stop sinning! And sin, wickedness and disobedience to My Messages increase every day!...
This prolonged drought in some parts and the floods in others are punishments for your sins!... If the sins of these people continue like this, the droughts will end up ruining the crops and there will be famine and widespread famine in this country, with a punishment for the sins of this people!...
I raise my arms to try to stop the punishment, but when I see human beings chasing My Apparitions and trying to make My presence disappear from the places I have chosen, I am forced to agree with My Son and let Him send a terrible punishment!

PENANCE!... PENITENCE!... PENANCE!...
PRAYER!... SACRIFICE!... PENANCE!...
Pray the Rosary if you do not want to be struck by the Justice of My GOD! If He wants to punish you because you do not obey My Messages, it will be Myself who will let the punishment come and send it on this world! Because I cannot tolerate that GOD continues to be offended as he is until now!
Pray the Rosary... The Rosary is the most powerful prayer that I left in this world and with Him the Catholic, my true son triumphs over everything!... He is tried, but he triumphs!... He cries but he will reap singing hymns of happiness! He suffers but finally rises...
Pray the Rosary! With the Rosary My children, you will triumph over the devil! With the Rosary My Heart will triumph!
I asked My servants Domingos, Bernadette and all My Saints who loved Me so much and served Me all their lives for the Rosary, that They hold the Rosary in your hands!... In your hands! Together in your hands, to pray them! So, My children, we will triumph over the darkness and the infernal empire will be overthrown!...
Pray for Brazil! The devil travels through Brazil from north to south, east to west, sowing his darkness and his works of death.
That nation became the most guilty before God.
Pray many Rosaries, because only the Rosary can save Brazil!
Pray My children! Pray with Me! I will pray My Rosary with you...
Peace Marcos... I bless you and all My little children who are here!
Do not let your heart be drowned by sadness or discouragement... May My children today pray a lot and praise Me, because at no time did I fail to summon you...
I have always been your Mother, always present and loving!... Peace!..."

Message of the 13th of October 2007 - Anniversary of the last Apparition in Fatima - Portugal

Maria Santíssima

“- Marcos, My most beloved son, My angel, I bless you... I bless you son because you love Me from the bottom of your heart. I am your treasure, your life and your love... And My Heart recognizes all this My child! I am recognized for everything you do for Me, for everything My child! It has served Me for almost twenty years, day and night without ceasing... And all that you do and

that you have done for Me My child is kept and engraved in My Heart. A great reward awaits you in Heaven My son, but you still have to fight; you must reveal me to men; you must make Me known and loved; you must make My Messages known and obeyed by everyone!

Today, when you celebrate the Anniversary of My last Apparition in the Cova da Iria of Fatima to My Little Shepherds Lucia, Francisco and jacinta; and that was confirmed with the Miracle of the Sun, I again say to you:

- MY IMMACULATE HEART WILL TRIUMPH!

The promise I made from the Cova da Iria in Fátima will come true, the snake can whip its tail all it wants! But My Heart will win and I will crush your head with My Immaculate and victorious Foot...

Through my Most Sacred Meditated Rosary, which this My son Marcos makes for you, My Immaculate Heart will win and triumph! What I said to my little daughter Lucia will come true! My Immaculate Heart will triumph and I will give the world a new time of peace... Russia will be converted, the nations will sing the hymn of love, obedience and perfect faith in GOD and in Me... Of all the nations of the world, I will gather My dear children whom I have already marked with the Sign of the Cross and the “M” of My name. And these children will come, they will gather under My Mantle so that together in the new world of peace, in the new Heaven and new earth, we will worship the LORD, serve the LORD and glorify the LORD with 'Perfect Love'...

Prepare yourselves, renouncing yourselves, your attachments, your inordinate pleasures and desires; so that you may be worthy of being able to enter the new time of peace of the Triumph of My Immaculate Heart.

When the soul is full of GOD, it occupies all space, and therefore there is no more room for the passing things of this world, which then for the soul become like shadows, like a mist that disappears!

If the soul is still greedy for fleeting things , it is because GOD still does not fully occupy its interior... Light; that he may climb that high mountain of perfection which is difficult to climb, and even impossible for those who are laden with attachments to transient things.

Continue to pray My Rosary every day, because it is through it that I will save you! Pray My Meditated Rosary and I will save you... In this I commit My word...

Imitate My Little Shepherds of Fatima; in the love, obedience and fervor they had for Me. If you imitate them you will be saved...

Today I bless you all, from Fátima, from Bannneux, from Fátima and from Jacareí..."

Message from Holy Mary

"- Marcos, dear son... I bless you today once again My angel, and I bless these My children who have prayed with You all these hours, with love and hope in My Heart.

I am the LADY of the ROSARY, I want you to continue to pray it every day with love and perseverance... The soul that seeks GOD preserving in itself attachments to the things of this world, to things that are fleeting and transitory; it's like someone who looks for GOD at night... He won't find him because he can't see him.

Only when the soul detaches itself from its attachments will it have a clear, clear and enlightened vision; to then find the LORD, feel Him, know Him, taste His Love; taste His sweetness and then know the treasures of His wisdom, His science and His word.

That's why the earthly and carnal man, attached to the things of this world, cannot understand the LORD, nor know and love Him! As long as you don't let go of everything, what holds you, cannot take flight... When the bird lands on a snail's mistletoe, before flying it has to clean itself first, clean its wings, or else it won't be able to take off. flight. In the same way, the man who already has the slime of earthly attachments, of the passing things of this world, must first detach himself, otherwise he cannot take the flight of love in GOD, the flight of holiness in GOD!

May he cleanse himself then through prayer, above all My SACRATIC ROSARY; let him cleanse himself by penance; let him cleanse himself by conversion; that it be cleaned by the means that I have given and recommended here so many times!...

May man free himself from his attachments, so that God alone, fills his entire soul and occupies it entirely as his only and absolute LORD!

When the soul is completely absorbed in GOD, drenched in the Grace of GOD... When the soul is completely inebriated with GOD; then all other things appear to him as obstacles to him. Therefore, if you truly want to grow in GOD, have GOD's holy love; you must live with a free and unimpeded soul, so that the Grace in you does not find any trench...

When the soul feels that fleeting things no longer make it happy, on the contrary, they annoy it because they are obstacles to flying in the love of GOD; it is already the sign that this soul is growing in the 'True Love', in the 'Perfect Love', in the perfect obedience to the LORD, in the unitive life with GOD!...

Therefore, little children, I want to lead you to a high degree of holiness! Come with Me, obey what I command you and I will transform your souls into angels

of great holiness, for the greater joy of the LORD and of My Heart...

Continue with all the prayers I have given you, through them I will save your souls, your families and the whole world!

BY MY MOST SACRED ROSARY, I WILL TRIUMPH...

Peace!..."

Message from Saint Anne (Mother of Our Lady)

"-Mark, I am Ana, Mother of the MOST SACRED VIRGIN MARY and also Mother of all who are here...

Thank you My son, for having defended My daughter MARY with such tender words and at the same time so strong. That's right Marcos, My daughter MARY is owed all the love, all the respect, all the obedience, all the veneration and all the gratitude...

Unhappy are those who diminish her, who despise her, who demean her, who offend her, that make her shed so many Tears of Blood!

I can no longer see My daughter suffer like this, so if men do not change I will also ask Heaven's punishment for this world that has become worse than the world at the time of the flood! The blasphemies against My daughter Maria do not stop increasing every day... Put a barrier to them, spreading the Most Sacred Meditated Rosary that you Marcos do; spreading the life of My daughter Maria "Mystical City of GOD" to the whole world, with her Messages; with My Messages so that souls will repent of these horrible sins and do rigorous and sincere penance for them!

Continue with the prayers that we have given you here, follow us on the path of detachment, of poverty. When you are like little children who are content with little, who are detached and who have no other love; who has no other treasure but his father and mother! When you have such a love; detached, free of interests and totally centered in the LORD and in My BLESSED MARY daughter, then; you will be close to that holiness, that pure love that the Angels and We the Saints have in Paradise!

If you My children really want to grow in the path of unitive love with GOD, that is; in the mystical and supernatural union with GOD and with BLESSED MARY, the path is asceticism. And this ascent on this high mountain of union with GOD and perfection you will only be able to climb; if you have pure love in you, if you renounce yourself and if in your hearts you seek nothing more than to love the LORD and the BLESSED MARY, because they are lovable and your love is owed to them! And only who is in Them and in Whom They are is there truly love...

It is love that gives eternal Life! It's love that saves! It is love that sanctifies! It is

love that makes man a sharer in the infinite happiness of God and that even divinizes him, as Christ said in the Gospel: That all who believed in him and loved him; and who followed him would be divinized, united with GOD by Love.

Who is born in love was born of GOD! And whoever lives in love lives in GOD and GOD lives in him...

If you therefore want GOD to live in you, and for your soul to live in GOD for ever and ever; there is to seek true and real love above all. It must be cultivated and fostered, but the LORD will only give this love and will only preserve it in those who love Him for the pure and immaculate in truth and in life.

I will help you My children, to reach this most profound union with the LORD and with my Daughter MARY.

Continue to pray the Meditated Rosary that My son Marcos says for you and all the prayers that have been given to you here. Many souls are already growing like viscous roses of holiness, beauty, thanks to these prayers! If you do all that we told you, little children, you will become great saints in Paradise and there, with us and with the Holy Angels, you will sing forever the Glory of God and of the one that the Lord gave me as a daughter on earth and whom I ardently love in Heaven as a scorching flame of love.

Peace!..."

Message from the Blessed Virgin Mary:

Whoever asks the Eternal Father in the name of My Tears and through Them will be renewed and purified by the love of the Holy Spirit who always lovingly responds to everything I ask of him. Whoever constantly prays the Rosary of My Tears with fervor and love will be purified by My Tears, which have the virtue of converting, freeing and leading to the Lord of salvation and peace. I bless you, Marcos, My most beloved son, with all those who sincerely came to pray with you today. Continue with all the prayers I have given you here. They are saving many souls." he will be purified by My Tears, which have the power to convert, to set free and to lead to the Lord of salvation and peace. (20/10/2007)

Message from the Blessed Virgin Mary:

I liked to pray to Him; liked to meditate; he liked to be alone with Him, adoring Him; praising Him; giving Him thanks; atoning and asking for so many sinners. With the gift of fear of God, she respected Him, always tried to please Him and avoid everything that could offend Him. With the gift of the fear of God, I always sought what was most pleasing and well-pleasing to the Most High. With the virtue of faith, I believed in the holy Word of God; in His promises made to our prophets and in all that the Lord had promised and taught in His holy Law, with all the strength that My soul was capable of having and consecrating to Him all the affections that My Heart could have so that everything was His, so that everything would praise His name and go to His service. Imitate Me in these virtues, so that your holiness may be a reflection and copy of Mine, as much as possible for you to achieve it. And above all, My children, respect Me, for I am your Heavenly Mother. Respect My rights, because anyone who does not respect Me will have to see himself with the justice of the One who loves Me and who is the Lord of all things. Respect My rights to be praised; to be loved; deferred; glorified; to have my holy days; my processions; the devotions consecrated to Me; My images honored in places of prominence, praise and devotion; to have My sacramental saints: My Rosary; My Scapulars; My Rosaries; My Medals; loved, respected and honored by all My children. For I say to you: whoever does not respect these things that belong to Me will have to deal with the Justice of the One who loves Me and who is the King of the universe. When My rights are respected, then perhaps the Lord will forgive the world and give it peace. May they respect Me and give Me the love, obedience and praise that are due to Me. Peace, My children. Peace, Mark. I bless you, My child. Rest in My peace always."

(21/10/2007)

Message from the Blessed Virgin Mary:

“Dear children, I, the Mother of you all, desire to enter your hearts and dwell in them so that your hearts, personally cultivated by Me, may grow day by day, until reaching the fullness of the age of Grace. I want you to be deeply trusted and docile to My direction. The soul that truly loves Me imitates My virtue of total surrender and docility to the Lord. I always went to Him to ask Him what He wanted from Me, considering Me the vilest and the last of His creatures, and as soon as the Lord revealed His will to Me, He hurriedly directed Me to fulfill it. Therefore, as soon as I knew that it was His will that I go to My cousin's

house, because the Lord had designs of grace and mercy to carry out in that house with My presence, I hastened to the mountains, as you well know. The same readiness and the same determination to fulfill the will of the Lord, even if you do not fully and fully understand it, this same determination I desire from you in everything I command you; in all that I say to you; in all that the Lord wants of you, here in these Apparitions. The soul that hesitates, that thinks, that sits down to calculate the sacrifices it will have to make; the sacrifices you will have to make to fulfill My will cannot follow Me. I want souls who do not know how to calculate, who do not hesitate, who do not ponder My orders and My will. I want souls fully docile to Me, as was My son Luís Maria de Montfort; how was My little daughter Bernadette and My little children Lucia, Francisco and Jacinta. I want you like this: fully docile; fully obedient, giving and giving yourself more and more to the designs and loving will of My Heart. I also want you to imitate Me in the virtue of patience. In the house of My cousin Isabel, while I was there, I was constantly tormented by a woman, her servant, who insulted Me; who addressed me with rude and offensive words; and that in front of My cousin I was pleased not to be discovered, and outside My cousin's presence I tormented Me without rest. But I, as Mistress of patience and virtue, treated her with meekness; prayed for his conversion; he tried by all means to show her that he wanted her good and happiness above all else. Finally, that woman was overcome by My meekness; he shed abundant tears in front of Me and above all, he voluntarily accused himself before My cousin Isabel, who only then learned of everything that had happened. I want you to imitate Me in this virtue, praying for the salvation of souls; always behaving with holy meekness, so that the world may see in you My faithful portrait and the pure reflection of My virtue and holiness, without stain or blemish. If you follow Me on the path of perfection then I will recognize you as my true children and I will declare Myself for you before the Angels of God. Peace, Mark. Practice, imitate My virtues. Follow Me, my son, like a gentle sheep. Continue to follow Me, as you have been doing for almost 17 years now, for I will lead you to a safe fold, through green meadows and in the end I will place you in the arms of the One who loves Me and loves you, and then there, we will be one in love and the party will be eternal. Peace, my angel. I bless you."

10/21/2007Message from the Blessed Virgin Mary

"-Dearest children, I, Mother of you all... I desire to enter your hearts and dwell in them, so that your hearts, personally cultivated by Me, may grow day by day until they reach the fullness of the age of grace. you are deeply entrusted and docile to My direction... The soul that loves Me truly imitates My virtue; of total surrender and docility to the LORD. I always went to Him to ask what He wanted from Me, considering Me the vilest and the last of His creatures. And as soon as the Lord revealed his will to Me, he hurriedly directed Me to fulfill it. Therefore, as soon as I knew that it was his will that I go to My cousin's house, because there the LORD had designs of Grace and Mercy, to carry out in that house through My presence. I hastened to the mountains as you well know... The same readiness and the same determination to fulfill the will of the

Lord, even if you do not fully and fully understand it, this same determination I desire from you in everything I command you, in everything I say to you, in everything that the Lord wants. of you here in these Apparitions! The soul that hesitates; who thinks; who sits down to calculate the sacrifices he will have to make; the renunciations that you will have to make in order to fulfill all that the LORD wants from you here in these apparitions. The soul that hesitates; who thinks; who sits down to calculate the sacrifices he will have to make; the waivers you will have to make; to fulfill My will cannot serve Me. I want souls that do not know how to calculate, that do not exist, that do not compel My orders and My will. I want souls that are fully docile to Me, as was My son Luiz Maria de Monfort, how was My little daughter Bernadette and My little children Lucia, Francisco and Jacinta! I want you like this; fully docile, fully obedient, giving and giving yourself more and more to the designs and loving will of My Heart. I also want you to imitate Me in the virtue of patience. In the house of My cousin Isabel, during the time I stayed there, I was constantly tormented by a woman, her maid; that she insulted Me, that she addressed me with rude and offensive words and that in front of My cousin I was pleased not to be discovered. Outside the presence of My cousin, she tormented Me without rest, but as a teacher of patience and virtue, I treated her with meekness; I prayed for her conversion, I tried by all means to show her that I wanted her good and happiness above all. she shed great tears before Me and, above all, voluntarily accused herself before My cousin Isabel, who only then learned of everything that had happened! I want you to imitate Me in this virtue, praying for the conversion of sinners, always acting with the holy meekness, so that the world may see in you My faithful portrait and the pure reflection of My virtue and holiness; without stain, without any stain. If you follow Me along the path of perfection, then I will recognize you as My true children and I will declare Myself for you before the Angels of GOD... Peace Mark... Practice and imitate My virtues, follow Me My son like a gentle sheep... Continue to follow Me as you have been for almost seventeen years! For I lead you through a safe fold, through green fields and in the end I will place you in the arms of the one who loves Me and loves you;

The Most Loving Heart of SAINT JOSEPH was not revealed to Me at that time, that revelation was kept for you Mark, for these Apparitions here. And when I arrived in heaven I met her, My heart rejoiced! When I met, when it was revealed to Me that Saint Joseph would appear here and here would reveal His Most Loving Heart that is unknown to the world, Mine exulted with joy and jubilation! And when I met you, I knew that you would come to this world to propagate this devotion, I immediately loved you and I have already started to pray for you, so that you Marcos will lead the whole world to love the Most Loving Heart of SAINT JOSEPH; My love, My life and My joy...I am with you always! Always turn to Me as you learned a long time ago! ask Me for help and thanks; ask Me for the blessings of Saint Joseph, for I enjoy much favor with Him and what I ask of Him He denies me nothing in Heaven, just as I asked Him for everything on earth in favor of others He would not withhold anything from Me...Mark asks Me for graces, prays to Me , turn to Me...Call Me in your work, in your day-to-day, in your dissemination of the works of SÃO JOSÉ and all the things that the SACRED HEARTS UNIDOS told you to do here! I will always be with you, helping you and helping everyone who goes for you and fights with you. I will love whoever loves you; I will help whoever helps you; I will support whoever supports you; I will punish those who make you suffer; and I will hate those who hate you; whoever is your enemy will also be Mine! Therefore, Mark, always trust in Me that I am your shield, your shelter and your eternal refuge. I bless you and I bless all the pilgrims of this holy place, who are always here with a true desire to love the BLESSED VIRGIN, My love and My life, our love and our life. to give birth to every good seed of holiness

and salvation. Peace Mark! I bless you... Continue with all the prayers that the SACRED HEARTS have commanded you to do here, continue with the HOUR OF SAO JOSE, with the MEDITTED ROSARY, with all the prayers; for through them the infernal empire is being shaken little by little and will soon fall. Peace!... Peace Mark!... Mark: Thank you very much My dear Saint Andrew. I believe in you; I believe in Your Holiness; I believe that you are the beloved, the dearest, the favorite of SÃO JOSÉ; I believe in you; I believe all my life!(23/10/2007) Message from Saint Joseph: You must imitate Me in this patience and meekness when you suffer mockery, insults and humiliations because you pray, because you are silent; for ye are more lovers of the inward life of the soul than of outward things, of amusements, feasts, and things of this world, and affairs of this world. When men treat you like this with contempt, imitate Me, offering these sufferings and humiliations to God in expiation of the sins with which He is offended every day and also to beg that the second Pentecost comes to purify this world with fire and cleanse it. him from so much filth. I was a true Co-redeemer with Mary Immaculate and I helped Jesus and Mary with My sufferings to redeem all humanity. The Lord allowed that during my life, before my death, I was aware of all the sufferings that Jesus and Mary would have to undergo for the redemption of the world, and I shed abundant tears, often of blood, pierced by an arrow of terrible pain as I contemplated all the torments that Christ would have to suffer and the torments that the Immaculate Virgin would have to suffer with Him, for this reason I suffered throughout My life the most bitter pains that the Lord kept in deposit, so that in the passion of Jesus and Mary I unite them with the sufferings of the Lord and His Mother for the redemption of all mankind. Therefore, my physical absence did not diminish in any way the merits of My pains and tears, which were so united and so well accepted by the Eternal Father to collaborate in your redemption. Therefore, I am your Co-redeemer and whoever believes in Me as his co-redeemer, mediator and advocate, next to Jesus and Mary, next to their Sacred Hearts, from Me you will receive all the grace, all the help for your salvation. He who loves Me as his co-redeemer will not perish, for I will uphold him with My power, with My most powerful patronage. Continue with all the prayers that We here command you to make. They are saving many souls daily. Don't stop praying them anymore. Peace, Mark. I bless you."(24/10/2007) Message from Saint Joseph:" Dearest children, together with Mary, I am the door of Heaven. Whoever wants to enter Heaven will have to go through Me to reach Mary and then to reach Whoever does not enter the door, who does not pass through Me, whoever does not enter through Me, does not reach the Virgin Mary, and also does not reach God. Devotion to Me is a sure sign of salvation just as contempt and resistance to it is a sure sign of condemnation. The Word loved Me as a true son, he trusted in Me; He has placed his life, his Body, in My care. Imitate this love of Jesus for Me and then you will please Him. And your souls will forever remain safe in My arms. The souls that give themselves fully to Me as the Child Jesus gave themselves, please Him and are loved by Him with predilection. I am the true Mediator of all graces for you. The Lord has placed the administration of all his goods in My hands, and there is no soul that receives grace if I do not dispense it. Come, therefore, into My hands, which are full of heavenly riches to pour out on you. I am your Co-redeemer together with Mary. As I said in the previous message, the Eternal Father allowed Me to suffer in advance the most acute pains when I knew how much Jesus and Mary would suffer on Calvary, in the Passion, for your Redemption. And the Eternal Father himself asked me if I accepted the sacrifice of dying before the passion of Jesus, so that my suffering would be greater and that of Jesus and Mary too, and I accepted this sacrifice otherwise I would have lasted until after the passion of Jesus in this life. I shed abundant tears of blood when I knew how much Jesus and Mary would suffer for your redemption and how much my physical absence would cost them, because I would have already left this life. For all these sufferings offered for your Redemption, placed in deposit in the hands of the Eternal Father and united to the sufferings of Jesus and Mary in the

Passion, I became your Co-redeemer together with Mary. With God nothing is impossible, and therefore He united Me in an incomprehensible way for you in the work of Redemption. Have recourse, therefore, to Me, who have the fruits of Redemption kept in the vault of My Most Loving Heart, to pour out these treasures of graces upon you and thus make you holy and perfect for the glory of the Lord. Continue with all the prayers we have given you, especially the holy Hour of Peace, on which the peace of the world depends. Every day I love you more. Peace, Marcos, my angel." Every day I love you more. Peace, Marcos, my angel." Every day I love you more. Peace, Marcos, my angel."

Message from the ANGEL BENORIEL

“-Marcos... Marcos dos Anjos, I bless you again today, BENORIEL, and to all those who sincerely came to pray with you and console the Mother of Our LORD.

Come, give me your heart! May everyone give to Us the Angels of the LORD their hearts, so that we may deliver them to the Most Sacred Hearts of Jesus, Mary and Joseph, as property, gift and (_____)*.

If men understood that true holiness does not consist so much in working miracles and in giving beautiful lectures to men that generate applause. But true holiness consists in renouncing oneself not only to the vices of this world which are evil and harmful; but also to the tastes permitted out of love for God and even to spiritual tastes, so that in this way we can better find Christ who is inseparable from his Cross.

Only when man finds Christ crucified in all his nothingness, in all his detachment, will man truly attain the perfect holiness that gives glory to God.

True holiness does not consist so much in knowing everything or understanding everything, but in each one renouncing himself, his will, his desires, his way of thinking, his inclination; so that then truly bereft of himself, he may do the will of the LORD of all!

This is why so many fail to follow Christ and the BLESSED MARY, because they do not want to imitate their total detachment that culminated in the Cross! They want to follow them, but only to Mount Tabor, only to the Transfiguration, from then on they no longer want to follow them to Calvary, which is the Mount of self-denial, of self-denial; so that then he may receive the sacrifice (_____)*. This is the fault of Catholics... of Christians... It is necessary to follow CHRIST and BLESSED MARY along the road of renunciation and detachment, of detachment (_____)*, otherwise you will never reach holiness and if you do not achieve holiness you will not achieve holiness. Heaven, for only the Saints can enter the clarity of Paradise in order to enjoy the beatific vision of GOD...

If you do not learn to die to yourself, to renounce yourself, you may even have an apparent holiness in the eyes of the world, but in the eyes of God you will continue to be nothing... you will be nothing in His eyes.

Therefore, seek true holiness. In your prayers, fervently implore the Lord to transform you into grains of wheat, which you cause to die to yourself so that only then can you

bear fruit and fruit that remains for eternal life!

I BENORIEL am with you, but many are still far from the true devotion that I and the other Angels of the LORD want from you: an intimate, deep, tender, gentle, trusting, constant, burning devotion! For this, cultivate prayer to Us, increase prayer to Us, increase the reading of Our Messages, increase the songs and spiritual hymns to Us, increase the conviviality with Us kissing Our Images and coming to their feet every day to receive blessings before, during and after the work; at the beginning and end of your days. And also always put yourself in front of us, telling us about your life... It is clear that We see your lives before the light of GOD, but we want to form you in that intimacy, in that closeness with Us; that is not fictional and surreal, but concrete, palpable and tangible to you!

Come to us, who are with Our arms always outstretched to welcome you, understand you, comfort you, relieve you and support you... Our protection, assistance and help in life...

Peace Marcos... Marcos dos Anjos I bless you..."

Message from Most Holy Mary

"-Mark, I bless you again today and to all those who have come to pray with you...

My heart desires from you great holiness, so that the whole world may see the works of holiness and how many Graces here He has performed...

But the world will only know My power when your hearts are truly free and detached from everything; so that, freed from any inner bondage, your hearts may serve Me with all their strength.

See My children, that My desire for you is that through holiness, perfection, self-denial; may My Immaculate Heart dispose of you, for its plans of salvation as it pleases!

In these times of dense darkness when hearts have become completely, completely rebellious to the LORD, I come to call you to this Love of GOD that descends from Heaven; who chose you, who called you here and even today asks you to renounce everything to embrace Me with My Messages and My plan of salvation...

Pray, because only with prayer will you have the inner strength necessary to embrace My will and despise yours. Peace!..."

2nd MESSAGE FROM SANTA ROSA DE VITERBO

Marcos: “-Beloved Santa Rosa de Viterbo, what do you want from me today?”

“Mark, as I told you this week, I come again today to exhort you to holiness; so that you can enter through the door of salvation which is narrow and which requires that in order to pass through it, the soul detaches itself from all attachments, earthly loves and burdens that they bring with them. It is necessary for the soul to enter that narrow door, truly, to be free from all the currents that bring lead balls and that can prevent it even at the last moment from entering this door of salvation!
Only through total renunciation of yourselves and your will is this possible...
True peace does not lie in seeking the things of this world, nor even in possessing them in great numbers; but true peace lies in not being attached to anything and not being enslaved to anything. The fewer earthly passions a man has, the freer he is, the more happiness, the greater happiness he enjoys, the greater inner joy he has in himself and the less he has to worry and worry about...
Only when the soul exercises itself in renunciation her mind will open to understand the word of GOD, to understand the Messages from the UNITED SACRED HEARTS and to understand GOD's will for her; God's plan for her.
That's why the Angels here have always said that in order to find yourself, you must first lose; it is necessary to lose all attachments and all earthly affections first, in order to find the “True Love”, the “Love of GOD”.
The soul that truly wants to attain holiness must be fully and solely enclosed in God. Only in this way will the love of GOD dwell in your souls and they will be the perfect reflection of the LORD for yourselves and for this world.
So love GOD, not with words but with deeds... Do not be a meaningless song, but let your life be a true hymn that glorifies the LORD in truth, with sincerity and with realism...
Never leave: prayer; the works of penance; meditation; spiritual reading and retreat; even if in your conscience some sin accuses you, because these things are the only salvation and the only remedy for the sinner and if he turns to the LORD and his MOTHER, with a true desire to change, he will be forgiven!
May your life be a copy of Mine; lived always in penance, in prayer, in constant search for the will of GOD and a constant war against one's own will, with one's own nature and with one's “I”, never giving him what he wants, nor what he seeks; but always submitting nature and “I” itself to the spirit that lives in you, THE HOLY SPIRIT.
Tame your human nature, tame your will, submitting it to the spirit through the exercises of prayer, renunciation, detachment and mortification...
Follow Me on this road and then you will truly find peace.
Marcos, I bless you in the name of the MOTHER of GOD, of Our LORD and of SAINT JOSEPH! I bless you in the name of the Holy Spirit and to all those who sincerely came today to pray with you...

Message from Most Holy Mary

“Mark, dearest son... I bless you today with all these My beloved children who have come sincerely to pray with you to My Heart...
Little children, I want in all of you the virtue of magnificence[1], this virtue which I spoke to you in the preceding Message, is the virtue that makes the soul undertake arduous things for God, for Me and for the salvation of the world, even bearing the consequences, sufferings and expenses that arise from this, you lack this virtue My children... I want you to undertake arduous and great things for GOD, for Me, for the salvation of your neighbor! Do not be cowardly[2] My children, cowardice makes you close in on yourselves... Think only of your problems, your life, your desires and ambitions..., renounce all that, renounce ambition too , which makes man want to elevate himself by knocking others down...
Magnificence, on the contrary, makes man rise above others; in zeal, dedication, work, but also elevating other souls, sanctifying other souls by their work, by their commitment, by their ardor.
My children with this virtue of magnificence, you will be those ardent and zealous apostles that I have been looking for so much in My Apparitions throughout the world! Be courageous and do not stop on the path of obedience to My Messages because of anyone and nothing... Follow My voice, let yourself be led only by It, only by Me. Do what I tell you My children! Be brave! Do not be lazy, laziness makes you content with the spiritual level you have already reached; laziness makes you content with a little bit of conversion, love, holiness and religion that you have. Thus making you stop in the middle of the way and not seek to sanctify yourselves more, to perfect yourselves more; elevate you further on the path of perfection.
Little children with the virtue of magnificence, you will truly advance quickly and ardently on the path of sanctification, to which I invite you!
Continue all the prayers I have given you, asking for this grace of magnificence for you in souls.
Greater opportunity and condition to exercise the virtue of magnificence have people who have more possessions, because they have worked harder and because they have been more successful in the temporal mode of life. These people can help My work, the work of God, more generously and more profusely, although all the simplest people of this world can exercise the virtue of magnificence; putting themselves with everything they have, with everything they do, with everything they have under My service and My works.
I am your heavenly commander, if the soldier disobeys his commander, he will surely be hit by the enemy and perish! Or else he will later be punished by the Supreme General of all!
He who disobeys My Messages: or he will perish in sin; or he will perish in the punishments that My Son will send to all those who are rebellious and do not bend their service before Me.
Continue on the path to which I have called you... Every day I love you more...
I bless you...”

Message from Santa Flávia Domitila

“ Marcos, I FLÁVIA DOMITILA am happy to be able to give this 2nd Message to you and to these beloved brothers of mine!...
Marcos, you said it well! Defend HOLY MARY with all your strength and always! Propagate obedience to the Messages of HOLY MARY, strengthen the faith of the people in the Messages and encourage all your brothers, always, to obey these Messages and not to leave them for anything or anyone ... to follow these Messages, because the path to which BLESSED MARY calls everyone through Them is the same path through which GOD called SAINTS, the path of perfection that necessarily passes through the path of the Cross and suffering.
People misunderstand the word “consecrate oneself”; they want to be of HOLY MARY, but without letting go of anything!... Without renouncing anything!... And without accepting to suffer anything!... And that is not consecration...
TO CONSECRATE YOURSELF means to renounce everything ! , detach yourself from everything! If you want to have the love of the MOTHER of GOD and if you want to be marked with The Cross of CHRIST, with the “M” of the BLESSED VIRGIN, the “M” of MARY as a sign of the elect and to have your name written in the book of life. ..
Marcos, tells everyone that the consecration to the BLESSED MARY passes through this path of renunciation. If the soul does not renounce its desire to esteem other people, to be honored by other people, even to be well-liked and well-regarded socially by other people, it will not be able to follow the path of holiness; because the Saints have always gone against the grain of the world and even against the majority of Catholics and Christians.
The Saints were not understood, not because they were strangers, but because they lived the true path of holiness, which Our Lord came to plant in the earth and which most did not want to follow, for having made concessions and compromises with the mundane way of people.
That is why the Saints were frowned upon, they were judged, condemned, misunderstood, excluded and abandoned. But they endured it all with joy and strength of spirit and because of this they became worthy not only of the Crown of Eternal Life, but also the honor of the altars, shining as models and as stars for all the walkers of this world!
If you want to be truly holy, pleasing to GOD, if you want to be truly children of GOD and of the BLESSED VIRGIN: follow her, follow the LORD along the path of renunciation, sacrifice and penance.
Now is the time to plant among tears, but soon the time will come to reap singing songs of joy! Now is the time to hurt the Hands by plowing the earth and planting the seed, but soon the time will come to harvest beautiful bunches of grapes amidst songs of joy! Those who suffer today for following the Apparitions and Messages of the MOTHER of GOD and for fighting for Her, will soon sing songs of joy and victory because She is the Victorious Queen of the world...
Marcos the Messages that Our LORD and the MOTHER of GOD gave to SISTER NATALIA there in Hungary in the last century are true, you always believed and you were right Marcos, you have greater merit for having believed before seeing all the Messages that were given there. It tells the people that that renunciation that Our LORD asked through SISTER NATALIA is necessary and obligatory for everyone as it was for SISTER NATALIA. And

if everyone imitates that Holy Seer of the HEARTS of JESUS and MARY, in the life of renunciation and sacrifice they will be happy just as she is happy and glorious forever in the Glory of Heaven.
Marcos, I bless you and everyone here today.
In the month of January I will return once again on the 2nd Sunday to give you a new Message, fulfill the one I gave you so that I can give you other Messages.
Peace!..." (See 1st Message from St. Flávia 12/08/202007 -

15/11/2007 - Feast of the Holy Face of Our Lady

Message of the Most Holy Mary

"-Dear children... today you celebrate the Feast here of the Sacred Face of your Heavenly Mother, the Face of My Love...

I gave you the face of My Love, to show all My children the great, immense, infinite and eternal love I have for all My children, all those I received at the foot of the Cross of My Divine Son on top of Calvary!

I have given you the Face of My Love to show the whole world how close I am to you! That is why I allowed myself to be photographed so that My children would understand how close I came to you through these Apparitions and how much I desire to be at the Center of your lives: living with you; suffering with you; helping you; praying with you and serving the LORD with you.

I gave you the Face of My Love, so that the whole world could also understand My son Marcos, the great extension of the Love I have for you, how much I favored you, elevated you and blessed you...

I gave the Face of My Love to the world, so that all humanity could, looking at Me, be enlightened, be healed, be strengthened in faith, be consoled in their great sufferings and, above all, be led and transformed into a perfect and pure reflection of what I am and of what My Face represents holiness itself.

I have given My Face of Love to the world, so that at all times My children can be close to Me and I hereby close to all these.

Where this Holy Face of Mine is, there I will be in person performing the Wonders of the LORD, may hearts be docile to Me so that I can perform these wonders. Let them renounce their will; that you renounce your own "I" so that My will prevails and triumphs within you!

Do not frustrate God's plan and My plan for you through your gross

disobedience, resistance and rebellion to My voice; but rather, like meek lambs, let me lead you into the fold of him who has loved you from all eternity...

Mark, I bless you and everyone who sincerely came to pray with you today..."

Message of the Most Loving Heart of Saint Joseph

"-Mark..., dear son, I bless you today with everyone who sincerely came to pray with you.
It is necessary to wage "war" on one's attachments... on inner passions... and on one's own defects every day.

The greatest work that man can do to glorify and please God is to make war with himself every day.

The man who does not make war on his defects..., on his attachments..., even if it is his ideas, judgments and thoughts, will end up becoming a victim of himself.
True holiness is not being popular or even earning the esteem of men.
True holiness is fighting against yourself and your defects and then letting go of everything, dying to yourself and the world to live only for the Lord.
It is better for the man who makes war against his defects for a single day than the man who spends his whole life entertaining himself with creatures, even if it is with the best intentions.

The man who entertains himself too much with creatures cares little for his soul. The man who talks a lot and entertains himself a lot with the world is certainly careless of his soul and that's why he doesn't see the poisonous trees that thrive in it.
The spiritual man concentrates on the fight against his defects, against his attachments and against his selfishness so that then, truly free, he is worthy to unite with God..., with Mary Immaculate and with Me. And only then, after having possessed this crown of freedom, does it go to bring other souls along the same path of detachment and mortification so that they too may attain the crown of freedom.

My Most Loving Heart desires to raise souls to a great union with God. But it will only take souls truly engaged in the war against their own will, against their selfishness, their self-centeredness and their inner vanity.
May you continue to pray all the prayers we have given you here, asking for the grace not to be cowardly [1] but to fight the good fight, that is, the fight against your will, your attachment and your self-love. same.
I bless you Mark with all My children who yearn for Me and seek Me every day..."

Message from the Blessed Virgin Mary

“-Mark, dear son, I bless you today with all those who sincerely came to pray, came to console Our Hearts and dry Our Tears through reparation and reparation... total detachment, without which I cannot lead you on the path of perfection and holiness.

You must be detached from everything, for the man who is attached to something, when he loses it, is soon clouded in his heart; and there Satan enters who puts the soul in constant agitation and takes it in the whirlpool of illusions and deceptions through which the soul moves away from God; she turns away from Me and the divine plan we have for her. So, let go of everything!

It is better for the man who struggles all day with himself to detach himself from something than he who preaches a whole year to men, but retaining attachments in his heart... For he, though perhaps free to others, you are still attached to your attachments and therefore you are still a slave. The 1st no, the 1st freed himself is no longer a slave, as a free bird can fly.

It is clear that teaching others the Holy Law of GOD is good, but those who teach must first be free from all attachments, interests and goals that stain and corrupt intentions and will, so that only then can they help others to be free and faithful too...

It is better for man to make war against his defects for a single day than to raise the dead all over the world in the eyes of all;

because when the dead are resurrected, the moment passes and only a mere memory remains... But to the man who makes war against himself, seeking to mortify his will, the fruit of this remains for life... to defects against attachments, self-love and everything that clouds the splendor of your soul and obscures it...

I am with you... at all times to help you climb that steep mountain of holiness! I will sow flowers for you along the ascent so that you My children can follow and climb the path, along the path that your Mother leaves you and so do not make mistakes and do not be deceived on the way, do not be deceived on the way!

I am with you always and I want your prayers to continue to be said; asking for

the grace of detachment, asking for the virtue of Magnificence, asking for the virtue of justice, asking for the virtue of religion, asking for the virtue of patience, asking for the virtue of conformity to the holy will of God, asking for the virtue of total abandonment, surrender and detachment from your souls.

I want to bring you into a deep union with GOD and WITH ME, but no one will be able to unite with us if he does not first disassociate himself from his disordered attachments and excessive love of himself and the world.

Pray, because only with prayer you will be able to reach this great grace, this state of union and make the necessary detachment, without prayer you will never be able to! So pray, it is prayer that gives strength to your souls, strength to your will to want to let go and to want to supernaturally unite with GOD and WITH ME...

Mark, I bless you and all those who truly love Me , obey Me and spread My will in My Messages."

11/18/2007

Message from Saint Joseph

"-Dearest children... My Most Loving Heart blesses you and says to you: - Peace!

Marcos, I bless you with all those who sincerely came to pray with you today!

Many times I visit souls with My lights and My Graces, but I cannot enter their hearts because they are full of earthly attachments, of vanities; and then I walk away sad because in that soul there is room for everything, for all the illusory loves in the world, but there is no room for My Love...

The fact that many souls cannot obey the Messages is due to the reason that they are still attached to themselves, to their wills, to their ideas, to their desires, to their inclinations and to the illusory loves of this world.

Until you vacate your interior house, I will not be able to enter with My Graces and My lights. And without them, the soul alone will not be able to achieve perfect union with God in this life, so that it can then be admitted to the fellowship of God in Heaven.

There are souls who have hunted this all their lives... struggling to release their attachments from their hearts and some have not even been able to. So get to work right away, working so that your hearts are soon freed from your

attachments, because time is pressing!

Detachment is the first step that must be taken, on the ascent of the high mountain of perfection...

I want your hearts to look at My Heart and reflect if there is any Love that can compare to His. May you look at the world and consider if there is any love that can compare with My Love! Surely you will answer Me no, but does this answer really come from your heart? Is your heart truly willing to let go of other loves for the sake of My Love?

Are your hearts truly ready to renounce themselves so that they can know My Love and unite with Me?

Whoever wants to be My friend cannot be a friend or even a sympathizer of My enemies! That is why you have to choose between Me and them, between My Love and their love.

Therefore, see children that I invite you and call you to a holy, total and full love... That makes you truly malleable in My hands like a docile wood, which is allowed to be plowed, cut, chipped and sculpted by Me.

I want to do a beautiful work in you for the glorification of GOD, but I can only do it if you give yourselves totally to Me, that is; if you completely renounce yourselves so that you obey, love, follow and listen only to Me!

You continue with the prayers that we have given you here, because if they are prayed in the sense of asking for the Grace of detachment and self-denial, they are very powerful to achieve such divine help.

Pray the Rosary of Saint Raphael always, so that you are healed from the blows and battles against satan, evil and sin! This rosary is very brief, but very effective, with it you will obtain great Graces of peace and strengthening of your souls.

Marcos, I JOSÉ, I bless you with those who sincerely came to pray with you."

Message from Most Holy Mary

"Mark, I bless you today and comfort you My son... Do you remember that when you were in Egypt, you had to work to help SAINT JOSEPH?... To earn a living for Our family, to take care of the BOY JESUS.

Some women began to work with Me, attracted in part by My sweetness and goodness; and also because I worked admirably at manual things.

Then I entrusted the work I was doing to one of them so that she would sell them in the cities and thus obtain the necessary sustenance for Me. At first she was honest, but after a while, she became a thief, a liar and a fake.

My Divine Son, who like GOD knew everything, did not want to reveal this to Me at the beginning, only later did He reveal it to him. And great was Our pain to see that the one who was so benefited by us, for at first she was clumsy and did not know how to work; and by Me she had been treated so kindly and so sweetly that she had become Our traitor.

Great was My pain... But see son that I went through this pain and despite this and many others that I revealed to you and will still reveal to you, I conquered the world! The world did not prevent Me from triumphing in My Assumption. While I ascended to Heaven in body and soul, those who betrayed Me so much and made Me suffer in life, descended to Hell to suffer there for all eternity!

Think son, what happens to you is just the same as what happened to the Lady. What happened to the Lady happens to the servant...

I have told you many times that whatever is done to you, consider done to Me.

And that everything My child that they do to you in this life will be taken as done to myself! Yes Marcos, those who make you suffer no matter what way in this life will not enter the Kingdom of Heaven, because I will not let them!

Know My child that those who make you suffer will not enter the Kingdom of Heaven!... Woe to the one by whom the innocent is deceived, woe to the one by whom the obedient to My Heart is harmed and suffers, it would be better for him if he had died before to be born...

Therefore, Marcos, have Me, have Me, and always remain firm in My service. I will console you, in exchange for these sufferings I will give you Heaven, think about it and you will console yourself! I know that you will continue to suffer for the rest of your life for many things that have been done to you...

I know that you will shed tears when you remember the pain that has already been done to you. But take heart, My child, take heart, with the thought of the Paradise that I will give you as a reward for suffering so much at My side.

Cheer up! console yourself! I will be yours for all eternity in Heaven, think about it and you will be comforted...

Have My peace, I bless you...”

Message from Most Holy Mary

“-Dearest children... Today I bless all those who sincerely came to My presence to learn righteousness, truth and justice.. The desire of all

for the `Virtue of Prudence', this virtue makes the soul direct exactly what should be done, pondering whether it will be possible to do it. And, above all, feel yourself and avoid the risks of the work you want to carry out.

With Prudence you will see if you will be able to accomplish what you desire for the honor of God, for My honor and to fulfill the good pleasure of the Most High.

Also beware of the risks that surround you, the risks that circulate you throughout your daily life, in the fulfillment of your duty. And so, seeing the dangers to which you are exposed, you will seek to flee from them, avoid them and in this way assure yourselves of Triumph and Victory!

With the Virtue of Prudence applied to the tongue; you will measure what to say, how to say it and how you will say it.

Applied to gluttony; It will make you eat with moderation and regulation without taking the risk of eating more than you need, thus making your spirit and your body heavy for you!

With Prudence applied to the mind; I will remove from your thoughts bad thoughts, bad inclinations, bad judgments and everything that can stain the purity of your thoughts.

With Prudence applied to your works; you will do everything correctly, avoiding any type of error, thus making your works more and more pure and free from flaws and defects!

With Prudence applied to your dress; you will dress modestly, always observing the simplicity, honesty, and kindness that all of you should have!

With Prudence applied to your leisure; you will measure the time of your rest so that you do not fall into the sin of laziness and indolence!

With Prudence applied to your work; ye shall not work excessively, not falling thus, avoiding falling, at the risk of over-activity, greed and spiritual dryness!

With your Prudence applied to your studies; you will moderate your thirst for knowledge in order to magnify yourselves and in this way you will avoid the

danger of pride and vanity.

With Prudence applied in your day-to-day; you will avoid either extreme or the other that the human being is always prone to fall, because he is a sinful creature and with original sin man's faculties become unbalanced and disordered!

With the Virtue of Prudence, you will be more and more firm and strong in the Faith!

Marcos, I know you suffer a lot, but think about the Messages I gave you this week, the Pains I revealed to you. Especially those that My Spouse JOSÉ and I suffered when we saw people who worked with us, being dishonest with us, harming and harming us.

Think of how much We suffered in Egypt and if your Lady suffered so much, you My son also suffer in imitation of her who is your Lady and Queen!

Think of the Paradise that awaits you and you will be consoled! Think of the prize you reserve and you will be consoled!

I know that when you think of Paradise, your soul will come back to Me, because I have conquered the world! All the sufferings that men have passed on to Me did not prevent Me from ascending to Heaven in body and soul and from sitting* at the right hand of GOD! Think... My son...

Think that I, your Mother, prepare you a great reward in Heaven, think of Paradise and your soul will be comforted...

As I said other times, I repeat: - Everything that is done to you becomes as done to Me! All those who make you suffer will not be saved, because the door of Heaven will be closed. All who lie to you and harm you will be blotted out of the book of life.

Because My Son JESUS said: `-Blessed are those who cry, for they will be comforted! And cursed are the unjust, for they will groan and weep!'

So my son, think that I, your mother and your lawyer, am always by your side and in Heaven I will reward you!

Blessed are those who suffer injustice on earth, because from Me they will receive the prize of consolation, in eternal bliss...

I bless you Mark with all those who truly believe in Me and My Messages and lovingly obey Me...”

December 08, 2007
HOUR OF UNIVERSAL GRACE AT THE SANCTUARY OF THE APPARITIONS OF JACAREÍ

Message from Holy Mary

"-I am the IMMACULATE CONCEPTION, I am the Woman crowned with twelve stars, with the Moon under her feet, coated with the Sun and terrible like the army in battle array.

Yes, out of love for Me, GOD created everything that exists!... Everything that exists was created for CHRIST and for Me... Even the human being, man and woman were created in My image and likeness and in the image and likeness of My Son

It was in view of My Most Holy Body that GOD created the body of EVE and also in view of the body of My Son that GOD created the body of ADAM.

All animals, all plants, all animate and inanimate beings; all were created for Me, for My joy, for My joy, for My service and to make Me happy.

From the tiniest bird, to the big sun that lights up the Earth every day. From the smallest ant to the most beautiful star in Heaven, the LORD GOD created everything for Me and for CHRIST, for My joy, for My service and for the rejoicing of My Heart.

If GOD loved Me so much, He wants all His children to love Me too; that they trust in Me and have a true, sincere and ardent devotion for Me...

This devotion must be generous, making the soul serve Me and love Me more, better and with more burning love every day!

Through generous devotion, the soul expands in the desire to serve Me, to love Me, to praise Me and work to make Me known and loved by everyone. And the more the soul serves Me, the more it still wants to serve Me! And the more you love Me, the more you want to love Me!

The generous soul does not know how to calculate, that is; he does not measure up the work, the efforts, the prayers, the services and the acts that he has already done and that he does for Me. But before that, every day more and more he tries to throw himself and be ignited in this flame of generosity; that is born and that is the fruit of love.

Love is the tree; and generosity the fruit...

I wish this devotion from all of you!...

Peace My children! I give you peace!..."

MESSAGE FROM MELANIE (PASTORINHA DE LA SALETTE)

"-Beloved brothers, I MELANIE de La Salette bless you today also with the BLESSED VIRGIN!

Spread the Message of La Salette, spread "THE SECRET OF LA SALETTE", spread this Apparition with the film that Marcos made that consoles HOLY MARY ; and that so glorifies the Apparition of HOLY MARY in La Salette. Propagate the appeals of the Mother of GOD in La Salette, with love, devotion and perseverance!

Pray the Rosary every day, because it was the Rosary that took me to Heaven Through the Rosary, I easily ascended to Paradise, where there I enjoy for ever and ever the eternal bliss of seeing GOD and His MOTHER forever and ever...

Take the Apparition of La Salette and spread it as you have never done before! Make the Appeals of the Mother of GOD in La Salette reach every corner of the world!

Come here often, you who cannot go to La Salette every day! Come here, singing and praying in procession, for I MAXIMINO, and the LADY of La Salette, are here in this sacred place day and night.

In your tribulations, call on Me, and I will help you with My prayer, with My intercession, with My love!

Peace!..."

MESSAGE FROM MAXIMINO (THE SHEPHERD OF LA SALETTE)

"- I MAXIMINO, the little shepherd of La Salette, also today I bless you with THE BLESSED VIRGIN...

Propagate the "SEGREDO DE LA SALETTE" quickly, so that as many people as possible are warned of the punishments that must come to the world; and

convert before the time given by the LORD for conversion is over!

The Secret of La Salette hasn't happened yet, many parts of it will still happen and woe to the inhabitants of Earth! No one will be able to escape so many evils together!...

But those who love the BLESSED VIRGIN, those who work for Her and propagate Her Messages, will always have her on their side as a mediator of all Graces, as a lawyer, protector, helper , and helper.

I MAXIMINO strongly recommend the prayer of the Holy Rosary to you, because that prayer has been My strength, My consolation and My refuge in all my needs and in all the moments of My life.

Hell raged against Me and MELANIE, persecuting us both through common people; as through bishops and priests who persecuted us, who called us liars and who denied the Apparition we had of the Beautiful LADY on the high mountain of La Salette.

But We suffer everything with patience and always praying the Rosary we triumph. While those who denied The Apparitions were punished in life, with sudden death and by painful accidents, and after death with eternal fire.

That's why I preferred to stay with HOLY MARY; you must prefer to stay with her, believe in her, obey only her, love and spread her! For those who do so, for a short period of probation in this life, receive an eternal and immortal prize in Heaven!

I MAXIMINO, together with MELANIE, promise to present your afflictions before the BLESSED MOTHER; every day and obtain for you the Graces of peace, sanctification and salvation...

Peace to you!..."

MESSAGE FROM SANTO ISIDERO

"-I... ISIDORO, servant of the Mother of GOD and of Our Lord JESUS CHRIST, I greet you with peace!
THE BLESSED VIRGIN, is the masterpiece of the hands of GOD...

She is also a stone of scandal, that is to say: Whoever stumbles on Her; who do not love Her; who do not obey Her; that not serve Her... After having known: HER holiness; HER privileges; HER prerogatives; the love with which God created her and the singular gifts with which he adorned her... He will

sin unto death, he will have no forgiveness and will surely condemn himself...

Devotion to the Blessed Virgin in a soul is a sure sign of salvation; as well as the lack of devotion to the Blessed Virgin, or even, the hatred of Her is a sure sign of condemnation to the fires of hell!
Beware, beware that ye commit no sin unto death; which is disobeying, not loving, not serving the Mother of GOD after having known her glory, her holiness and the truth.
I ISIDORO, I reaffirm to you: that everything that the Lord GOD created, man and everything that was made for the use of man, was made for MARY. And therefore everything must serve MARY, glorify MARY, bless MARY and be under the dominion of MARY.

And whoever thus does not want to serve, live, submit, let him be anathema[i]! Let it be anathema!

The Lord GOD desires from you this burning love and truly ingrained by His BLESSED MOTHER!
Powerful, right and effective instrument to achieve this true love and true devotion for HOLY MARY; and keep them throughout life without running the risk of losing this treasure or of them being stolen by the infernal pirates, the demons, an effective means to obtain this grace and keep it is the "TRUE DEVOTION TO SAINT JOSEPH" here in this Sanctuary revealed .

Here in these Messages explained and offered to you as a very rich treasure of Heaven and that all of you must have, you must practice and observe punctually and faithfully...

I ISIDORO, I give you today the blessing and I say to you:
THE “SCAPULAR OF THE IMMACULATE CONCEPTION” that you will have blessed by the Mother of God today and will take home, will be for you a new source of grace and peace from the IMMACULATE HEART OF MARY.
It will serve to protect you from all evil and should also be placed on the doors of your houses to protect you from sin, apostasy, evil and violence!
It must be placed in your plantations, so that they may be blessed by GOD and free from plagues! They must be placed by you, in your body, so that body and soul always live under the lordship of MARY IMMACULATE.

It should also be placed in your place of work, so that it may be blessed by God, free from accidents, free from evil, free from sin and peace reign in it!
You can also place it on the sick, so that they may be relieved and consoled by the Mother of God and those who are in the holy will of the Lord, will even be healed!
This “BLUE ESCAPULAR OF THE IMMACULATE CONCEPTION” should be placed mainly on the children's body; so that, from a young age, your innocence, your purity, your faith, your devotion to HOLY MARY, your little soul, be guarded and protected from the temptations of this evil world dominated by the devil. Obscured by the darkness of apostasy, sins and vices.

The dying ones who die with this “BLUE ESCAPULAR OF THE LADY OF

CONCEIÇÃO“, will not know the eternal flames!

Those who use it with faith and confidence will have the grace to be escorted to Heaven at the hour of death; by the angels who accompanied the soul of BLESSED MARY from the hands of GOD in Paradise, to her little body in the womb of SANTA ANA in her IMMACULATE CONCEPTION at the moment of her most Holy conception!
Use it with devotion, propagate it! For this gift of the Mother of GOD was given with love to you,
and given especially with love to you Mark. This is your task from now on: To propagate this BLUE SCAPULAR together with the GRAY that the Mother of GOD has given you here; with the GREEN and the BROWN and all the others that She sends you. So that this people may suffer less from diabolical influence, diabolical infestation, diabolical possession and diabolic interference in their minds, bodies, houses and businesses. And so, the grace of God, have more effectiveness, more power and more freedom of action in the lives of all of them.

Will you do that Mark? Will you do this out of love for you and My Lady? (PAUSE)

So blessed be you, the Little Shepherd of the IMMACULATE CONCEPTION!...

Now THE LADY, and all of us together, are going to bless the BLUE ESCAPULAR, which you will then pray and impose on everyone. And we will bless the flowers that were brought so that wherever they arrive, the blessing of the MOTHER OF GOD, conceived without the stain of original sin, can also arrive." (PAUSE)

MARCOS: “- Thank you, they are already blessed! Thank you, a thousand times thanks!...”

MELANIE (PASTORINHA DE LA SALETTE)

"-Marcos, we the Little Shepherds of La Salette as well as ISIDORO, we love you very much, we bless you!

You must continue what We started. You must fight for the LADY and Her APPEARANCES and MESSAGES as I and MAXIMINO did, as all Her visionaries who are in Heaven did.

We will help you, I MELANIE will be on your right, and MAXIMINO on your left, and ISIDORO will be behind you to protect and bless you always , and before you will be all the ANGELS and SAINTS of GOD to smooth the

way.Confidence, hope, courage and strength, and you Mark will triumph!

Resist a little longer, hold on everyone just a little longer! Because the day of the Victory of the Mother of GOD is near, when She will renew and purify the entire face of the Earth, transforming it into the garden of Her Heart and then it will be Earth only of peace, only goodness, only love, only holiness ...

Hold on tight Marcos, it's not long, everyone hold on, it's not long!... And the LADY will triumph and we will be waiting for you to give you the Victory Crown too!

Peace!..."

(12/18/07)

Message from the Angel Mariel

"- I MARIEL bless you Marcos....

Know, and all those who love the BLESSED VIRGIN, that when they pray the “BLOOD TEARS” it is as if you went back in time; in those exact moments when She suffered those Pains so great, which you contemplate in the “THIRD OF TEARS”! It's like you're there wiping Her Blood Tears in person!

Therefore, whoever prays this Rosary does the greatest and best work of all humanity; and renders the BLESSED VIRGIN the greatest service and gives her the greatest love and the most perfect consolation possible.

The soul that prays this Rosary truly has compassion on the Mother of GOD and becomes her consort.

Peace Mark...”

Message from the Blessed Virgin Mary

"Dear children... Today I come with the King of Peace, born for you!

Prepare to receive him soon in Glory, for you are in the SECOND ADVENT of his new CHRISTMAS...

Over the years, I have traveled the road of this ADVENT with you, just as I walked the road to Bethlehem...

It is Mine mission to bring you to meet the LORD, who returns to you in glory!

Be from now on even more fervent in obedience to Me, to My Messages so that soon I can present you: perfect, holy, beautiful and immaculate, standing before the LORD who knows you all by name and who all of you loves and gives the opportunity of salvation...

I bless you now with JOSEPH and the KING of PEACE, who was born for you today in Bethlehem!..."

(30/12/2007)

Message from the Most Holy Mary

"- Dear children, I thank you for following Me throughout this year, obeying My Messages and doing what I have commanded!

I want the last hours of this year to end to be spent by you in great prayer. For this, pray the 1000 Hail Marys, or 500, pray as much as you can, but always pray more.

Offer these prayers for the world that has fallen into sin and that once again ends the year far from conversion, far from GOD!

Offer these prayers so that in the next year I can convert and save many and thus hasten the Triumph of My Immaculate Heart!...

I wish for you My children, for the next year: redoubled obedience and redoubled correspondence to my desires...

Thank GOD because He has been very good to you this year by allowing Me to continue appearing here with My Angels, My Saints and Mine and My Spouse Joseph!

Peace! I bless you Mark with all those who are sincere and believe in My Messages..."

Messages communicated in the Apparitions of Jacare í, year 2008

January 2008

01/01/2008
MESSAGES FROM OUR LADY, SANTA INÊS and SANTA ÁGUEDA

Message from Most Holy Mary

“-Dear children... penance.
Humanity turned away from GOD, rebelled against His Law of Love, returned to being pagan and freely surrendered to the devil's slavery.
Thousands of souls go down the path of perdition every day...
It is necessary that the valiant fighters of faith arise! May they carry the light of truth, may they carry the light of God's grace everywhere!...
Apostasy spreads more and more with its mortal errors, leading more and more souls to the denial of truth and faith ...
Take My Messages to all paths... Pray a lot, because GOD has for you this year, great designs that can only be carried out if you collaborate with grace.
Collaborate! Work together! Work with the LORD! That's what this word means. COLLABORATE... Work together with the Grace of GOD!... Work together with My Heart to achieve the Triumph of My Immaculate Heart, which is the work of GOD, but which in many points requires your collaboration.
Don't spoil my plans... Don't spoil what with so much love I accomplish for your own salvation and that of the world.
Especially in this year, make the definitive renunciations, which you should have made so long ago and which continue to hinder your spiritual growth, because you have not yet completely renounced your attachments.
I desire to transform you into malleable clay, so that the Lord may make of you and in you the image that He wants!
Follow Me, therefore, on the path of personal renunciation and of perfect consecration to My Immaculate Heart. In this way we will make around the world a true mystical Rosary of holiness, grace and salvation; leading all humanity to return, to My Son Jesus who returns to you in Glory!...”

MESSAGE FROM SANTA INES

“- Marcos, my beloved Brother, how happy I am to see you again!
A year ago, I INES, came together with Águeda and Our QUEEN to bless you and to entrust you with a Message...
On that occasion, the Mother of GOD said that if She were not disturbed by you, she would take you to a high degree of holiness!
Today, I repeat the same thing to you: - If you collaborate, that is; if you work together with the Mother of GOD, She will lead you to a high degree of

holiness...
Unfortunately, human beings are much more determined by sin and evil than by virtue and good; Satan knows this and takes advantage of this weakness of human nature to take everyone from abyss to abyss, to perdition.
The angelic nature does not get tired, and Satan's nature, though fallen, is an angelic nature; therefore he never tires of tempting man to evil.
While man, in the face of suffering, withdraws, becomes discouraged, while his will is not carried out, he rebels and stops! This madness of mortals is what leads them to perdition...
Therefore, it is necessary that the valiant warriors of faith arise! May they fight for her without getting tired, without being discouraged, without withdrawing and without any trace of faintheartedness, of weak spirits!
Only when these valiant warriors rise up to work continually, even suffering, for the glory of God and the salvation of souls; the world will come to perfect and true peace!
I invite you to imitate My constancy, to imitate my faith, so that I can truly lead you to that fidelity and that love that GOD expects from all of you!
The enemy, the devil, cannot be overcome with words, but the only way to triumph in temptation is by closing the door of the senses on it and not consenting to any image, suggestion, word or idea that the devil suggests in your fantasy, in your your imagination.
Only when the door of the senses is closed and you enter the true inner fortress, the inner castle of your souls, will you triumph over all temptations and all the suggestions of the devil.
I, INES, exhort you once again: - Remain faithful to the BLESSED VIRGIN MARY in her school of holiness and love! For all who have done so have triumphed over the devil, the flesh, the world, and have arrived at eternal bliss.
I will always be with you, to help you... Every day that passes I love you more...
Peace Marcos..."

MESSAGE FROM SANTA ÁGUEDA

"- Peace Marcos, my beloved brother... I am very happy to see you again today.
My brothers, I am very happy to see you here today and to be able to bless you all.
You know that both I and Inês suffered most painful martyrdoms for the love of our LORD JESUS CHRIST, for the love of the BLESSED MARY, for the love of the Holy Catholic Faith.
You all know how much I suffered to testify to My faith and My love for My LORD and for My MOTHER...
I invite you to be strong in this time of the great tribulation, which is already at an end.
Keep the flame of faith burning, and fight the good fight, detaching yourselves from yourselves and renouncing your disordered desires, and your will that always leans towards the contrary direction of the will of the LORD.
It opposes effects to virtues... Better a man who spent the whole day fighting his own will than a man who spent a whole year traveling the earth, preaching that admires men.

The fruit of the man who fights against himself will be lasting and truer. This is the greatest work that GOD wants from you! May you fight against your will, against your inclinations and triumph over your corrupted “I”, always opposing virtues to defects and crucifying your will so that only the will of Our Lord may live in you...
This year I will help you a lot and perform great operations of grace in your souls.
Collaborate with Me! So that together we may reach the holiness that the Mother of GOD expects from all of you!
The Triumph of the Immaculate Heart of MARY will happen, even if everyone converts sooner or later; let no man convert. But the 'Crown of Victory' will only be given to the one who now fights the battle.
It is the desire of the Mother of GOD that throughout this year you will do your best to make her Messages known to all.
See that the hours pass quickly and the time slips away! It is necessary to act with prayer and effort and the rest will do it by the grace of God!
Be truly imitators of Christ... Only when your heart is changed, replaced by the Immaculate Heart of MARY, will your souls truly be pleasing to GOD!
And how do you replace one heart with another?
Dying to yourself, renouncing your own will to do the will of the Immaculate Heart of Mary. So, day by day, your heart will die and another heart will appear in its place "The Immaculate Heart of MARY"...
Only when your heart disappears and in its place the Immaculate Heart of MARY arises, will the Holy Spirit be able to descend upon you and live in you forever! Do this exercise every day and then in place of the 'old creature' there will arise a 'new creature' in GOD!
Peace Mark! I bless you deeply today!
In the month of March, on the 3rd Sunday, Inês and I will return here once again.
Pray for us more, make us novenas and We will be able to act in your life with more strength...
I bless you Marcos!...”

Marcos: “- See you soon! Thank you again, see you soon!”

05/01/2008

Message from the Angel Celiel

“- Peace Marcos! I CELIEL bless you today again.

You must all have the virtue of Prudence... This virtue that makes the soul ponder before acting, reflect on how to act, to avoid dangers so that it can reach the safe goal that is GOD.

The fool acts without thinking!

The virtuous man thinks, reflects before acting and speaking. And with the virtue of prudence, he looks for the best way of doing and saying things, in order to achieve the desired goal.

With the virtue of Prudence, you will regulate your attitudes and your thoughts; directing them more and more to God. Pray, asking for this virtue!

I bless you Marcos and I bless all those who are obedient to the Messages of the Mother of GOD!..."

Message from Saint Joseph

"- Dear children... I, JOSÉ, bless you today on the 1st Sunday of the Month , the day of My LOVING HEART.

Children, TEMPERANCE is the sister of PRUDENCE...

TEMPERANCE applied to eating; she will preserve you from gluttony and obesity.

Applied to drinking; will save you from destroying your body and your health through drunkenness.

Applied in the thirst for novelties and euphoria; will save you from risking your life on dangerous things.

Applied to the thirst for wisdom; will keep you from becoming haughty and arrogant!

And applied in your speech; will save you from passing evil through your tongue.

With PRUDENTITY, with TEMPERANCE in your way of dressing; will keep you from setting a bad example!

Applied to your laziness; will keep you from becoming vagabonds!

In this way your being will become more and more free from human defects! And you will begin to approach that model of holiness, which is the BLESSED VIRGIN and JESUS CHRIST himself!

With PRUDENTITY, with TEMPERANCE; you will avoid everything that is harmful to your souls and your bodies and then you will be able to enjoy the perfect balance, the perfect freedom to reach the perfect happiness of the children of GOD!

Mark, I bless you with all those who truly believe and obey Our Messages.

Pray more! With your prayers this year, I will be able to accomplish great things in you..."

12/01/2008

Message from the Most Holy Mary

"- Dear children... My presence here is a great grace...

But I have already given you account of it?

Do you value this Grace?

Have you put it first in your lives?

By this grace are you able to make renunciations?

By this great Grace, are you able to leave even your loved ones and the creatures you love to be here?

Are you aware that this Grace could have been given, could have been given, to others far holier than yourselves? What would you repay with much more gratitude and love?...

Are you aware that you do not deserve the Grace of My Apparitions and that it was given to you out of the pure goodness of My Heart?...

Are you aware that you are, most of the time, ungrateful ? towards this great Grace and do you only reciprocate with indifference and forgetfulness?...

Think... Reflect... Peace My children... Peace Mark..."

13/01/2008

Message from Saint Joseph

“-Dear children... Have you already realized the immense gift that GOD gives you, sending here the SACRED HEART OF JESUS, THE IMMACULATE HEART OF MARY and MY MOST LOVING HEART, to give you these precious Messages?

Have you already realized the immense gift that GOD has given you, calling you to that place, to reveal to you all His Love, His Goodness and His Will that saves the sinner in these Apparitions?

Do you realize that the LORD has made and given you far more than many kingdoms of old?

Are you truly aware that the LORD has offered you much more than he has offered to many kings, princes and sages in the history of mankind?

Do you realize that the LORD has offered you much more even than many saints of old?

Are you aware that if men of the past had received what you receive in these Messages, they would certainly have produced the fruits of holiness that GOD desires?

Are you aware that you My children, despite having received so much, correspond so little to what the LORD has given you?

Do you recognize that your ugly ingratitude and your ugly forgetfulness of the favors and graces that the LORD has given you here, through these Apparitions, is something worthy of punishment? What makes you worthy of eternal damnation in hellfire?

Do you recognize that every day your ingratitude increases more, thus making you unworthy that the LORD will look at you again with Eyes of Goodness and Mercy?

Do you recognize that you have been called to great holiness, here In These Messages, but that you have not wanted this holiness, because you do not want and do not seek to renounce your earthly attachments?

You acknowledge that your souls could already be in an advanced state of sanctification, but through your ill will; are they still completely obscured by attachments, by earthly loves?

Do you recognize that your souls could already be a clear crystal, where GOD could reflect his marvelous light, but he still cannot because there are still stains in you that have not left because you have not collaborated with the

Action of the HOLY SPIRIT and HOLY MARY?

Do you recognize that here in this Sacred Place, Our HEARTS have bestowed upon you very rich Treasures, but have you despised Them for the Miseries of this world?

My children, think... Reflect on all this... And change yourselves completely!

Pray! I prayed a lot! For only with Prayer will you achieve all this, to which we invite you in Our Messages.

Pray more for the Anniversary of the Apparitions!

Thank you... Pray more...”

Message from the Divine Holy Spirit

“- I am the source of Eternal Life, which is born in the 'Celado Garden' [1] ... Seek the 'Celado Garden' and You will find me!...

I am the scorching fire, which where it starts does not stop burning, until it consumes everything that has nothing to do with me and ignites the flame of My Pure Love there.

I am the Oracle of Wisdom... He who allows himself to be instructed by Me will not walk in foolish paths!

I am the foundation stone, whoever loves, whoever loves Me and builds on Me will not perish, buried by himself!

I am the door, what comes to Me will reach the embrace of the FATHER and the SON.

Peace...”

[1] Seer Marcos Tadeu explained that the 'Celado Garden' is HOLY MARY.

15/01/2008

Message from the angel Lariel

“- Marcos, peace to you... Only something of value is entrusted, in deposit to someone of total trust.
If the Eternal Father delivered his two greatest possessions, JESUS and MARY, to the custody of SAINT JOSÉ; it is because no one deserved the trust of the Eternal Father more than He.
Imitate the Eternal FATHER, trusting Him in Saint Joseph and you too will have your souls well guarded. **Trust in SAINT JOSEPH, and in the same way that the Eternal FATHER was not disappointed by SAINT**
JOSÉ, neither will you ... Keep praying the HOLY ROSARY every day!

As a 'Celeste Jardineira' I gather each of the Hail Marys that you pray to Me, I keep them in My Arms; to then transform them into burning arrows, with which I announce and prostrate the infernal spirits, scattered through the air.

With your Hail Marys, I reach the demons and destroy their perfidy!

Pray... Pray... Pray without ceasing! Peace...”

Message from Most Holy Mary

“- Dear little children, I bless you all today with the effective Graces of My Immaculate Heart...

Follow the path of self-denial; and you will find true peace!

Follow the road of detachment to yourselves; and you will know true happiness!

Understand, little children, that happiness, peace and the fullness of joy are not in you and do not come from you, but only from GOD!

But in order for Him to give this fullness to the soul, it requires that it be willing to sacrifice everything for His sake; so that your GOD is the sole object and sole purpose of the soul, so that the LORD truly reigns in her and thus pours out on her the fullness of peace, happiness and joy that only flow from the mystical and supernatural presence of GOD!

Therefore, My children, you must be ready for the sacrificial love that GOD wants and expects from all of you!

In everything in your life, do not look for what you like best; but that which most contradicts your sensitive delight. Do not give yourselves what most satisfies your hearts; but that which most mortifies your sensitive appetite for pleasure, satisfaction and compensation.

In this way your senses will close to everything that is ephemeral and miserable, to finally open to what is truly rich, eternal and immutable!

Peace..."

Message from Saint Ursula

"- Dear brothers in Christ, in Mary and Joseph! I, URSULA, bless you today with the Mother of GOD and I give you peace!

I love you very much and I really want to help you reach holiness, especially this year. For that, take up the weapons of faith and the will decided by GOD, so that you can follow without stumbling, the path that Heaven here points you and invites you to follow.

For the journey of holiness, which is long, which is difficult; you must carry neither purse, nor sandal, nor cloak, that is; you have to let go of what you are still attached to and which still pulls you down and pulls you down!

So that you can truly look and seek things from above...

With My powerful help, I will lead you, as I have led My companions, to the perfect holiness that God desires for you!

I shed My blood for CHRIST, it was a great honor for Me! But you, the holiness that God wants from you; this is what is taught and proposed to you here In These Apparitions, not elsewhere!

The state of holiness to which the Most Sacred United Hearts call you here is the best form of holiness, chosen by Heaven itself! By GOD himself! By the Most Sacred Hearts, for you of these times, of this region, of this country, of

this world!

Follow these messages! Follow these teachings! Be docile to the direction given to you here!

Be obedient to these orders that are transmitted to you here, and you will reach the best form of holiness that you could reach on this earth!

Even if you lived 1000 years, seeking holiness on your own, and even if you had attained it on your own, you would not give to GOD and TO THE SACRED HEARTS the glory that you could give; renouncing your way of seeing, wanting and doing, to follow THEIR orders and will here In These Apparitions...

If you choose the best part, I guarantee you: It will not be taken from you...

Be courageous combatants of the faith! Fight even more for the cause of GOD, the BLESSED VIRGIN and HEAVEN in these Apparitions.

Follow, always fighting, for the prayer, the messages that you hear here and the truth that is given to you here; it contains within itself a light that the darkness of the world cannot pass through!

So follow, brave soldiers of CHRIST and MARY; praying, spreading peace, spreading conversion and the perfume of holiness, throughout the earth. So that the nauseating smoke[1] of the great infernal dragon may finally be dissipated and the light and odor of the Grace and Triumph of GOD and of the SACRED UNITED HEARTS may shine upon the world.

Continue with all the Prayers given to you here, because through them you will overcome all obstacles and you will surely reach that eternal 'Crown of Glory', which the Mother of GOD makes with her Immaculate Hands for you in Heaven...

Pray, trust, wait... And you will see the Triumph of the Grace of GOD. Peace, Marcos!... I bless you, My favorite..."

Message from the Divine Holy Spirit

"-I am the giver of life... Whoever does not believe in Me lives in death...

I Am the water of life... Whoever does not drink Me will die eternally... He who comes to Me

and drinks from Me has eternal life!

My Mystical Spouse

Immaculate, to look at Me;

Faithful, not to lose Me;

Big, to contain Me;

High, to reach me;

Small, to hide myself in it;

Luminous, for me to shine in it;

Loyal, to deserve Me!

So come to Her, and you will come to Me... If you come to Me without Her, I will never come to you.

I am the rushing wind that no creature can encompass or contain.

I come to blow on you so strongly that I push you forward, until you reach the summit of holiness!

I come to move you forward and even to drag you, so that you get out of the lethargic point where you lie and even to break the bonds of your personal attachments, until you become light enough for Me to lift you, lift you up and snatch you away. to the summit of holiness so that I may delight in you and you in Me...

Message from Saint Joseph

“- Dearest children, I bless you all this day!

My true devotee always imitates My pure and unalterable faith in GOD!

In every moment of My life, especially in the most difficult ones, like 'The flight into Egypt', like 'The loss of the Child Jesus', like the events of My hidden life with JESUS and MARY in Nazareth; I have never, ever lost confidence and faith in God!

I never, ever let My faith be changed by anything.

You must have the same faith!

You must ask Me to increase your faith every day. You must, in difficult moments, think of Me, invoke Me, call Me to help you!

And above all, think of Me, reflecting on how I behaved in difficult moments, so that you too can behave in this way.

In all difficult moments I prayed, maintained peace, faith, trust, serenity and also collaborated with Divine Grace.

You must do the same in difficult moments, which you will not lack in your earthly life. In doing so, you will copy My example and as I have triumphed in all things, so will you!

My true devotee reflects My own faith.

I give you Peace! I bless you...”

Everyone needs to reconvert; that you return to the primitive spirit of fervor and

Reread all Our Messages, and above all, in this time of Grace, free yourselves from all your attachments; giving the LORD a sincere “YES”, which until today many of you have never, never been able to give!

For this, turn to My MOST LOVELY HEART, which has the power to help each one of you and everyone together!

07/02/2008 17 YEARS ANNIVERSARY OF THE APPARITIONS OF JACAREÍ

Marcos: “- Always praise JESUS, MARY and JOSÉ!... Yes, I am very happy!... I thank you for all the graces you have granted me over these 17 years and that you will still come to grant me, grant...

Message from Holy Mary

“- My little children... Today you celebrate the 17th anniversary of My frequent Apparitions in this city of Jacareí, which is for you the greatest proof of My Immaculate Heart...

Yea! These Apparitions of mine here are My greatest proof of love! In addition to My other Apparitions in tactful places around the world, through which they accompany My children on their pilgrimage on earth; consoling them, strengthening them, encouraging them, healing them, helping them, protecting them, delivering them from evil, leading them to Heaven, to holiness! These daily and constant Apparitions of Mine are the greatest proof of My Love for all My children!

For 17 years I have accompanied My children in these Apparitions; I keep them, I help them, I am always there when they suffer, when they need Me! I am always attentive, vigilant and concerned with their lives, with their souls, with their salvation, with their eternal destiny...

Through these Apparitions, here, I have come closer to you, as never before in the history of humanity! Through these Appearances of Mine here, I have truly been present in the lives of My children, day by day, month by month, year by year. These are 17 years of love, dedication, constant care and vigilance of My Immaculate Heart for you, for you and over you.

Is this proof not enough for you My children?

What more do you want for me to love me?

What else are you waiting for, to start obeying the messages of those who love you so much and want your good?

What more could you wish for, to feel complete and fully! What other love can you desire besides Mine?

Am I not here, who am your Mother? Am I not here with My gaze constantly on you?

Am I not here, with My gaze constantly fixed on you?

What more could you wish for?

What other love can compare to Mine?

Therefore, obey My Messages... because they are the greatest proof of love that I can give you!

Obey My Messages, which for you is the greatest grace that GOD has given to man, and is the last lifeline for you!...

If I called you and chose you to be here, it is because I love you with an immeasurable love. !

Believe, therefore, in My love, make My love your treasure, put it in the 1st place in your lives and then your souls will no longer hunger for any other transitory or transitory love. And then it will be easy for you to detach yourself from things and creatures and unite yourselves perfectly to God, with pure and total love, in pure transformation...

Peace, My beloved children, I bless you today, on this most blessed day. and so sacred..."

MESSAGE FROM SAINT JOSÉ

Dearest children, I, JOSÉ, your Father, bless you today!... I am happy to see you here at Our Feet, on this feast day for Heaven and for men goodwill on earth...

The soul, when it loves God, is united to Him by the bonds of love. When the soul surrenders to God and desires to love Him with a pure and loyal love, nothing else satisfies it, nothing else attracts it. It's as if she got sick of love and the only remedy for her illness is GOD! It is to be united to GOD, to lose oneself in GOD, to become inebriated in GOD and to disappear in GOD!

That's why the things that used to give him so much pleasure and pleasure now appear to him as shadows, sad, gloomy and fleeting.

So the soul seeks God, like that wife in Song of Songs: 'I will seek My Husband and My soul will not rest until it finds Him!'

Yea! As long as the soul does not find Him, it will not rest and will not be satisfied or happy. And the Bridegroom, after having wounded the soul with a single ray of His beauty, His love and His softness, hides from her to provoke even more love and thirst in her to find him.

Then the soul faints in the courts of its Beloved... It seeks God and finds Him with difficulty! And this pain, far from discouraging her, inflames her even more and increases her thirst for his love even more!

The soul when it knows the love of God, when it has a true encounter with Him, the Spouse of its soul, once the soul wants to be with God, it wants to consume itself in Him like wax in the heat of fire; he wants to dive into the sea of His Love and His presence and lose himself in Him like a stone thrown into the middle of the sea, he loses himself in the depths of its waters.

The soul, when it has a true encounter with GOD, looks forward to nothing more, wants nothing more than to strengthen the bonds of friendship that unite it, that unite it to Him and in this embrace they remain for all eternity

... soul to detach itself from everything and become free, and between it and GOD there is nothing in between preventing and hindering the embrace of the mystical union, the more GOD will tighten the bonds that unite the soul to Him, until they merge into one !

It is characteristic of the one who loves to unite the Beloved to him, until he equals himself with Him. In this way GOD also wants to make you sharers in His happiness, in His glory and in His beatitude; uniting yourselves deeply to Him; divinizing you, elevating you until you become perfect images of His love, of His holiness and of what He Himself Is.

To this most profound union with GOD We want to bring you, through Our Apparitions here!

Be docile! And let Us lead you to this perfect union and then My children, there will be nothing more to fear; neither of the world, nor of demons, nor of the flesh, nor of human nature. Because when the soul truly unites with GOD, then it has triumphed over the world, it has triumphed over nature and nothing else can separate it from its Beloved...

I love you so much... Every day I love you more... And I take care of you...

Be Mine as I am yours; love Me as I love you; give yourself totally to Me, as I also give myself to you, without measure every day.

Peace My children!..."

MESSAGE FROM SANTA MARINA

“-My dear brothers! I, MARINA, servant of GOD, servant of the BLESSED MARY, bless you now...

I give you the peace with which the LORD and His Mother have filled Me... I give you My protection; I love you, I protect you and from now on I will act even more intensely in your lives!

Know that I have loved you for a long time! I have loved you and taken you under My protection and patronage. I will guide you to Heaven and I will never leave you! I will hold firmly in your hands, so that you don't get tired and don't stop in the middle of the way...

I will run with you, and I will stay with you until we finish the race together and receive the eternal prize! The soul that is with God and is united to Him through the unitive life, has in itself, has in its soul, already, a foretaste of what We Blessed enjoy in Heaven.

The soul rejoices! The soul enjoys! The soul looks to God, and the more it looks, the more it suffers from the disease of love for Him. So was I, so was it with Me throughout My life! Every moment I looked at God, I suffered more and more from the disease of love for Him, and the Lord hurt Me more and more with His gazes of love and made My soul faint for Him and the things of this world that they seemed more and more insignificant and vile!... I reached a point of such great love for GOD; that I even saw created things as My enemies, wanting to distance Me from the One who was My only love, My only life and the only meaning, the only reason for My existence!

I loved all things, but I loved them in GOD and for GOD; because I understood that outside of GOD I had no license to love anything! And my love was growing, more and more like a bonfire that was not appeased by anything. And the winds of the HOLY SPIRIT in My soul, only made this fire feed on His breath and spread in every corner of My being and also around Me!

With each passing day, My longing and My thirst for God grew more! And more and more I plunged into the Ocean of God's Love and wanted to go even deeper into the depths, until then; I no longer saw myself, but rather saw God in me...

When the soul is in love with GOD, in love with Him and with BLESSED MARY, it is also like that... The soul looks at things and not only in them, it does not see any joy, it does not see any happiness, but it even comes to see them. them as enemies of your soul; who want to separate you from GOD, who want to separate you from HIM and usurp the place that belongs only to HIM! And then the soul, though it lives in the world and loves all things in and through God; the soul lives as if all things were contrary and inimical to it, and therefore; lives free, detached, detached and only in love with GOD!

Many souls fail to reach perfect union with GOD, because they themselves widen the bonds that unite the soul to GOD, and many times they flee from GOD with such vehemence that these ties break! So that the soul can truly arrive at the perfect life of union with GOD, it must not do violence to Him, but it must do violence to itself; letting go of everything that occupies your heart and suffocates it, not leaving in Him the space totally and fully reserved for the LORD!

I want to help you in this great task, without which you will never reach holiness and you will never reach Heaven! It is a difficult and high task for you, which

only those who have already attained can make it accessible to others who have not yet attained... And this grace that I have already attained; I'll get it for you too...

So ask for My intercession, My protection and My help and I will give it to you. Know that your names are engraved in Me... I know you one by one and I love you one by one in GOD. I know your sufferings, I know your difficulties, I am your sister, I suffer for your sufferings and I know everything that happens inside and outside of you!

I know you inside and out better than you know yourself, because I see you in God. It is with the eyes of GOD, it is with the light of GOD that I see you and know you; and therefore I know much better than you how to remedy and resolve your sufferings, your difficulties, your miseries, your sins and weaknesses.

So come to Me... Do not delay! Do not try to do alone, which you can easily do together with Me! Invite Me to be part of your lives and do everything, everything together with you, even the simplest things!

And you will see how I will help you to do everything perfectly and how the ALMIGHTY will be much happier with you and you will give the BLESSED MARY an incomparable consolation!

Give yourselves to Me and I will lead you to Heaven...

See you soon, everyone... See you soon, Marcos, I'll be back... I'll be back again...

And today I bless you, with Our HOLY QUEEN and Our FATHER HOLY SAINT JOSEPH, and I give you a most rich blessing; that THE ALMIGHTY sent particularly for you today and for all those who, following your example, are obedient to the Messages of these Apparitions..."

Message from Most Holy Mary

"- Dear children... Today I ask you: that you continue with the Holy HOUR of PEACE... There are Graces that I can only grant you through Her... If you don't do it, you cannot receive the Conditional thanks to Her!

Do it therefore; with much love, perseverance and devotion...

The devil fears those who make it!

Only through the HOUR of PEACE can I keep your hearts at peace and only through it can I protect you from Satan's disturbances and from falling into his clutches.

Only through PEACE HOUR can I protect the world; of wars, conflicts, disorders and the great destruction that satan plans for him.

I thank you for all the prayers!

Love has no measure, knows no limits and never gets tired... Love is infinite, the more you give to Me, the more you want to give yourself...

Peace Marcos... I bless you, with all My true children..."

Message from the Angel Saint Tobiel

Marcos: "-Beautiful messenger from Heaven, who are you?"

"-Marcos... I am the Angel TOBIEL..., I am happy to come here for the first time...
When the soul is in love..., in love with God, it looks at all the things that used to give it so much joy and so much satisfaction and she feels the bitter taste in them..., even sour and she no longer sees in them those attractive colors that so seduced her.
The soul then looks to God, and sees in Him the pure source of happiness and joy that it has always wanted..., and the soul drinks the water of His love and the more it drinks, the more the Lord has to give it and the more it wants to drink. ...

The soul then seeks him and nothing else can stop her from seeking him and reaching him. And when the soul comes to Him, it sees Him, that is, it finds Him... it gives Him its heart, then, it no longer lives for itself but in everything it does..., in everything it thinks.. ., in everything he wants and in everything he says, he always puts his beloved, the Lord...

The soul then begins to tread the path of friendship love that God desires from her and to increase this friendship love in her, God himself keeps away from her all other friendships and loves that compete with his love within that soul. The soul then experiences a kind of desert.
There, she is proven. Either he gives up and goes back to the loves of the

world or else he definitely surrenders to the Lord with supreme peace of mind and total resolution to love Him.

That's where we Angels come in.
It is our mission to help you to decide for God, to surrender yourselves to God and to leave without pity all the other loves that can distance you from Him. It is our mission to make you courageous souls who give themselves to God purely out of love, so that you can live God's love in pure transformation.
Pray us more!!! Pray us confidently!
Pray with us for souls that vacillate between the love of God and that of creatures so that we can apply your prayers to them and make them courageous souls who decide for God, who surrender to Him and who no longer want any other love. that not his. Peace Marcos... I, TOBIEL, bless you..."

02/11/08 - 150th Anniversary of the apparitions of Lourdes

Message from Holy Mary

"-Dearest children... Today you celebrate the 150th anniversary of My 1st Apparition to My little daughter BERNADETE SOUBIROUS, in the grotto of Massabielle.

Today, your IMMACULATE MOTHER, appeared for the 1st time to SAINT BERNADETE, preceded by a great noise of the wind, making her thus, turn to the grotto and look at Me!

I appeared in the CAVE of LOURDES, with a sign power from GOD, with a sign of salvation for the good and terror for the demons and their henchmen of this world!

Since then, I have struggled unceasingly to carry out My plan, revealed in secret to My little children MAXIMINO and MELANIE, in LA SALETTE; then passing through LOURDES and FATIMA and which must now end with the Great Triumph of My IMMACULATE HEART!

From LOURDES until today, I do not cease to fight the infernal dragon, to fight his works, to annihilate his action in the world and to free My poor sinners; from his slavery and lead them back to the perfect freedom of children and true life in GOD!...

At the foot of the Rock of MASSABIELLE where I appeared; I want you all!

At the foot of this Rock I will teach you prayer; I will teach you penance; I will teach you simplicity; I will teach you purity; I will teach you holiness!... As I taught My little daughter BERNADETE SOUBIROUS...

The holiness to which I raised BERNADETE, is an example of the holiness to

which I want to elevate all of you!!!

I will lift you up as much as you allow Me to lift you! The degree of your holiness will correspond to the degree of your docility to My will...

At the foot of the Rock on which I appeared, I will teach you: how to love GOD; how to be true friends of GOD; how to be true children of light, who fight for the expansion and triumph of the kingdom of JESUS in the world!

At the foot of the Rock on which I appeared, I will teach you: to accept suffering, in union with those of Jesus and Mine, for the salvation of this sinful humanity on the verge of great destruction!

I will teach you that with suffering you will surely reach Heaven, just as My little daughter BERNADETE arrived.

At the foot of the Rock on which I appeared I will teach you: to be My true apostles of the last times; My true children of light who bring My presence; the light of My love!... The light of My grace!... The light of My goodness to all My children, to all humanity!...

Then you will see how I, at the foot of the Rock of MASSABIELLE, will fulfill My role as a Mother, as an educator and as your heavenly commander!

At the foot of the Rock on which I appeared, I will gather my children from all over the world, to advance with them implacably and victoriously, against My enemy and his followers. Then you will see over the whole world, the greatest Triumph of My IMMACULATE HEART...

My Triumph is neither rhetoric nor fiction, It will truly happen, in the time and in the world in which you live!...

I bless everyone today with My little daughter BERNADETE, from LOURDES, from LA SALETTE and from JACAREÍ..."

Birthday of Saint Joseph

Marcos: Yes!... Yes!... Praise be to Your Name! you for your birthday today!

MESSAGE FROM SÃO JOSÉ

“-Dear children! Today you celebrate the birth anniversary of your Father, who loves you and who keeps you all in his LOVING HEART!

I am your Father! I am the perfect image of the eternal Father for you!

The Eternal Father has chosen Me to be not only the adoptive Father of JESUS, but also your adoptive Father; so that you could see in Me, in My gestures, in My actions and in My person, the immense love that He has for all of you.

It is therefore My paternal mission to lead you every day to the perfect love of the eternal Father!

It is My paternal mission, to lead you to JESUS and the FATHER!

It is My paternal mission, to lead you to the perfect and profound knowledge of the Father's love!

It is My mission to lead you every day along the road of love; of prayer; of penance; of sincere and real conversion. So that you may all reach the perfect fulfillment of the plan of love and salvation that the Eternal Father has for all of you!...

In My eyes, in My voice, in My MOST LOVELY HEART, in My entire person, shines for you: the beauty, the softness, the grandeur and the depth of the love that the eternal FATHER has for all of you!

That is why I must form you every day: in a perfect, deep, sincere and sweet intimacy with the eternal FATHER. Only through Me can you reach the VIRGIN MARY and through Her, to JESUS and the eternal FATHER! That's why only those who go to the FATHER through Me are received by Him with love, benevolence and pleasure!

If you don't want to be repelled and rejected by the eternal FATHER, don't go to Him alone, go through Me. come into My Arms, which have been anxiously waiting for you for so long, to embrace you, to hold you close to My MOST LOVELY HEART, to reflect My great light on you, until I imprint My features, My characteristics and My virtues on you; so that in this way, more purified, more sanctified, you may be received by the Arms of the eternal FATHER, who has been calling you and waiting for you for so long!

With My hands, I want to remove from you every bad plant! I want to polish your souls, until I transform them into a beautiful jewel, that enchants with its beauty and value the eyes of the eternal FATHER!

For that, let yourself be formed by Me, every day... Do not put resistance to My purifying action in you and I will sculpt in your souls, a beautiful image of My holiness.

Renounce your tastes, pleasures and sensitive attachments; that thus truly

free, ye may be like clay; malleable and docile that allows itself to be molded by Me, until I make a perfect sculpture in you, to offer it to the eternal FATHER for his greatest glory and joy!

In this way you will be My true children, true disciples and followers of My MOST LOVELY HEART!

The soul that is My true devotee and loves Me, renounces everything for Me, for when she is in love with Me, she desires nothing more than Me; he seeks nothing more than Me, he wants nothing more than My love...

That is why the soul enjoys My presence, My peace, My love and My grace. And in that peace she lives and the more she loves Me, the more she thirsts to love Me! And the more the fire of love consumes her, the more she still wants to consume herself!

The soul that is My true devotee is terror demons; they flee from it, because I myself clothe it with My holiness, with My virtue and with the efficacious graces of My LOVING HEART, so that it becomes on earth a perfect reflection of My LOVINGLY HEART and the light then, that this soul reflects and scatters, dazzles demons and drives them away.

That is why it is My true desire to transform you into perfect reflections of My MOST LOVELY HEART; so that you may illumine this earth, which is all overtaken by the darkness of sin, evil and apostasy...

Give yourselves to Me, as docile instruments, go everywhere taking My Messages, making My Holy HOUR every Sunday and bringing this My HOUR to everyone's knowledge, for everyone to pray it, for everyone to do it.

Through this HOUR my MOST LOVING HEART will triumph, as it is already beginning to triumph in so many souls and homes that have been praying My HOUR faithfully and faithfully every Sunday.

What wonders I will do, when the whole world knows My Holy HOUR of PRAYER!

Soon the world will know the strength and overwhelming power of My Holy HOUR of PRAYER!...

Peace My children, I bless you all!

Peace I leave you... I give you My holy peace!..."

Only in this way will you be able to live and have a true friendship with Me!

Peace Mark...”

Message from Saint Joseph

"- Dearest children..., My Loving Heart blesses you again...
The soul..., which wants to be My true devotee, must first to leave everything to herself so that only then she can follow Me...
You cannot follow Me whoever wants to go first to bury his father... or whoever wants to go first to see the farm he bought...

To follow me you must have a READY will... FAST AND DECIDED, that is, you must renounce EVERYTHING to all your attachments and all your desires in order to be fully free and well disposed for Me.

When the soul is enamored and in love with Me, everything in it is light and fire. The soul burns with that love..., which is beneficial and at the same time that it ignites it, it refreshes its entire interior, filling it with the gentle influxes of My grace.

With these influences the soul seeks only Me... and I communicate my own feelings to you... I reveal My secrets and My treasures to you and I give you more and more the desire to be like Me imprinting My features on her...

And sometimes, to test the soul and to prove it, I hide My face and My love from her, leaving her alone so that she can seek Me not for my consolations but for Myself. ...

So I'm taking the soul higher and higher on the path of perfection. And true devotion to me then becomes more and more true in that soul that follows me.

A great act of devotion to Me is to wear My gray Scapular that I have given here... The Scapular of Our Most Sacred Hearts United... The one who wears it shows that he truly belongs to Me and that he wants to follow Me on the path of perfection.
The soul who dies wearing this Scapular and who has carried it with love all his life will expire in My arms and will be immediately placed beside My throne in Heaven.
I bless you My children who truly believe in my word and live it..."

Message from Santa Bárbara

“-Dearest brothers, I, BARBARA, Servant of GOD, bless you today and say to you: Continue obeying the Messages that Heaven sends you here. These Apparitions are sacred, I have told you many times and those who obey them will find Grace before the ALMIGHTY and his MOTHER.

Above all, their sound will drive away demons, drive away heavy rains, typhoons and hurricanes; and will draw to you all abundant blessings, especially on this place...

MESSAGE FROM THE ANGEL URIEL

"-Dear brothers, I URIEL, I come today to tell you: that true devotion to Us, The Angels, is straight, that is, it makes the soul surely reach the 'ultimate end' which is GOD, through the 'immediate end' ' which is union with Us, The Angels; so that the soul may reach true union with GOD!

This true devotion, leads you on a straight and sure path; not crooked, without detours, without ups and downs, always climbing each towards the final objective, which is the perfect union with GOD. Practicing it, the soul grows in union with Us, so that through Us it grows in union with GOD ,

with the HOLY VIRGIN with SAINT JOSEPH!

it is necessary that everything that the soul does, do in union with Us, inviting Us to unite with it, in everything it will do, speak, execute and in all its actions!

Through total union with us, the soul supernaturalizes, sublimates its actions, making them very meritorious and pleasant, in the eyes of GOD, thus giving them eternal meritorious value...

Live true devotion to Us, follow in true devotion to us, seeking to unite you deeply and each day more with us...

Peace Marcos, I bless you, with all those who truly love and obey Us."

In this month of March, the ANGEL MARIEL asked us to read and meditate on the Doctrines of Volume 4 of the Mystic City of GOD.

EARLY FESTIVAL OF THE NATIVITY OF OUR LADY (AUGUST 5)

Message from the Blessed Virgin Mary

“-Dear children!... Today, when you are already celebrating the Birth of your HEAVENLY MOTHER, I call you all to listen once again to the throbbing of My IMMACULATE HEART that pulsates, that burns with love for you!

Be My Spiritual Cradle; welcoming Me into your souls and giving Me the full correspondence of your filial love!

The function of a 'crib' is to welcome, protect and warm the child who is reclining in it.

Be therefore My Spiritual Cradle; thus giving to your HEAVENLY MOTHER: the shelter of your faith, the warmth of your love and the perfect correspondence of your hearts to My plan; thus forming around Me a Crown of devotion, of filial protection of the children who surround the Mother and who fight with Her, against all her enemies!

Be My Spiritual Cradle; allowing me to rest in you, for me to rest a little from My arduous struggle, to try to save this perverted world, which has returned to being pagan and has moved away from its CREATOR and LORD...

Be My Spiritual Cradle; thus giving Me the possibility to lean into your souls, so that: to beautify them, to perfume them, to illuminate them and to transform them into the perfect image, likeness and reflection of My own most pure soul and thus, I can see carved in you My virtues, My qualities and My holiness!

Be My Spiritual Cradle; opening Me more and more the door of your hearts and your lives, so that I can accomplish in them all that I have planned in these Apparitions, to lead you and all humanity to the TRIUMPH OF MY IMMACULATE HEART!

Be the Spiritual Cradle of your HEAVENLY MOTHER; so that through you I can save so many souls that are in danger of being lost and lead the Church and humanity to the SECOND WORLD PENTECOST, which the HOLY SPIRIT will soon do through ME and WITH ME!

Humanity and the whole Church have now been obscured: by the darkness of apostasy [1] [1] , loss of faith, violence, hatred, impurity, greed, selfishness and the worship of power and money; but through you who answer Me 'YES' and who have joined My Army of peace, prayer and love through you; I can still reflect, in the midst of this dense darkness, My resplendent rays of light, which wherever they arrive, make the Glory of the LORD shine and produce his greatest victory.

Through you, My little children, who have given yourselves completely to My Love and My Plan, who deny Me nothing and who do everything to fulfill what I have revealed to you, in you and through you I can still reach the My poor children, who are already so involved in Satan's darkness that they have already become blind to every ray of light.

Thus, I bring to them My soft but powerful light... which restores their sight, which makes them see the pitiful state in which their souls are and which makes them resurrect to life, of Grace and of a deep and sincere conversion!

Thus, you become the Feet of your HEAVENLY MOTHER, the Hands of your HEAVENLY MOTHER and even the heart of your HEAVENLY MOTHER, who gives to everyone: her love, her affection, her protection and her peace! If you are My docile instruments, I will be able to send My Grace, through you, to the hearts that are most distant from Me and I will be able to attract them to My HEART and enclose them in It.

Onward then! Courage! Do not be discouraged! There's a lot of work to do!

You must now serve Me, obey Me and answer 'YES' to Me more than ever!

As the time for conversion runs out and the Hour of Divine Justice approaches, your courageous, arduous and intrepid action [i] [1] to carry My Messages of pain and of love.

Work tirelessly, therefore, to save what can still be saved!

Do not worry about anything, because My Grace will work through you... You only have to bring My Messages, My Apparitions to everyone's knowledge and My IMMACULATE HEART will do the rest! The soul that is born of GOD, that is of GOD, will hear My voice and come to meet Me; whoever is born of the devil and who has him for a father, when he hears My voice, will not come to meet Me, but will rage against Me, but that is how it must be My children, it is the 'mystery of iniquity'. , do not worry about him, just worry about doing what I say for the good of souls and of all humanity.

Continue with all the prayers that I have given you here, because through them, every day I have led hundreds of people's souls back to GOD, through the safe path of My IMMACULATE HEART.

You will still see wonders! You will see the wonders that I will do through these Prayers that come from here!

Today to all... I... Your Mother, a newborn child, I bless you... with love, showering on you My "Special Blessing", which will last with you until the end of your life and which you can transmit only with the look and with the thought, to all you meet, in the name of the FATHER, OF THE SON, AND OF THE HOLY SPIRIT.

Be My Apostles! Be My valiant warriors! Be My children, children of light! Bring My Grace, My Love and My Peace to everyone... I bless everyone today..."

ANNIVERSARY OF THE APPARITIONS OF CAMPINAS

FESTIVAL OF TEARS

3/8/08 (Saturday)

(Message communicated in person through the seer Marcos Tadeu Teixeira, during the Cenacle in the presence of all the pilgrims)

Message from Most Holy Mary

" Dearest children, today you celebrate the Anniversary of My Apparition to My little daughter AMÁLIA AGUIRRE, when I then gave her the 'Crown of My Tears', as a treasure and gift of My love for the world whole!

This important Apparition marked a high point in My great struggle against the infernal dragon, which will culminate in the definitive victory and the total Triumph of My Immaculate Heart throughout the world...

With this Apparition, My Immaculate Heart, in addition to taking a step decisive in My victory, He gave My children a very powerful weapon in the fight against demons and the evil that reigns in this world!

In this time... In this time of apostasy, loss of true faith, growth of evil, selfishness and violence in the world, the 'Crown of My Tears' is the most powerful remedy that the Heavenly Mother offers you...

With the Rosary of My Tears, you can overcome demons, you can overcome the evil of this world, you can achieve the conversion of many souls every day! With it, you can snatch hundreds and hundreds of souls at once from the clutches of demons and lead them to GOD; along the road of conversion, prayer and penance.

With the third of My Tears, you can shorten the times of apostasy, and the reign of satan in this world; making the glorious day of My Triumph in the world

dawn as soon as possible!

With this Rosary, you will be able to triumph on earth and enter gloriously into the gates of heaven...

Pray My children, My Apparition to My daughter AMÁLIA AGUIRRE in Campinas was, after FATIMA, the decisive milestone in the battle of the Woman clothed in the Sun!

So take this great weapon, this great treasure that I have given you, and use it profitably for your salvation and that of the whole world!

With this Rosary My Heart will triumph! When everyone prays them with compassion for My Sorrows, My Heart will triumph in this world... Hasten my Triumph, prepare the way for the Lord's return.

I bless you and I bless you Mark, apostle of My Tears, messenger of My Tears, angel who brings to My children these treasures that have been so despised by all humanity!

I bless your efforts... Continue, let us work together My son... Spread even more the Messages and the devotion to My Tears.

Peace!..."

GRAND CENTAGE OF THE 2nd SUNDAY

9/3/2008 (Sunday)

(Message communicated by voice through the seer Marcos Tadeu Teixeira, during the Cenacle in the presence of all the pilgrims)

(Marcos:)-May JESUS, MARY and JOSEPH be praised forever!

What do you want from me today, my dear Father?"

MESSAGE FROM SAINT JOSEPH

"-Beloved children, I am your Father and in My Most Loving Heart, I want to give you all a home!

What does it matter to Me... that the sinner has committed the worst sins, and that his sins are like scarlet, if he has truly repented of them, and if he wants to

love Me and live united to Me, a new life in Divine Grace ?

What does it matter to me, that his sins are wider and deeper than the oceans, if he wishes from now on to walk the path of holiness and wants to walk in the footsteps of his Father, obeying and fulfilling with love the laws and teachings that He give you?

What does it matter to me that the sinner has almost reached the bearable limit of sins, if he has truly repented and grieved for the bad life he was leading and truly wants to follow Me on the path of love?

To the one who truly wept over his faults and who truly wants to follow Me along the path of love and righteousness, I will give My Hand, I will take him in My lap, I will kiss him, I will hug him and I will lead him in My arms to the House of the Father... Even if he still stumbles a few times... I'll take more into account his sincere desire to get up and keep going, than the stumble and fall he had.

I want to save all sinners and lead them to GOD! It is My paternal mission: to seek out sinners, persecute them with My tireless and indefatigable love, to prove to them a thousand times a day that I love them and how great is the love of the LORD and of the BLESSED MARY for them; until you make them understand that We, want their salvation whatever the cost...

We will not save only the sinner who does nothing for his salvation; who does not shed a tear for his faults and who is obstinate in his ill will, preferring to live by himself, to live without GOD, to live far from GOD, far from GOD and the IMMACULATE VIRGIN...

My MOST LOVING HEART has the task of to keep you and to take care of you in these last times of humanity; times of apostasy, times of sin, times of lovelessness, times when men became worse than at the time of the flood.

It is My paternal mission to cultivate you in the closed garden of My MOST LOVELY HEART, to make you grow there day by day, until you become beautiful and fragrant flowers for GOD; leafy trees that bear much fruit of sanctification.

With My love I want to lead you to the final Triumph, of the HEARTS of JESUS, of MARY IMMACULATE and of MINE...

In these times when many lose their faith, in which the holy Catholic faith is weakened, crumbled, and even disappeared from so many souls and nations; My MOST LOVING HEART comes to be for you the lighthouse that illuminates you all in the middle of the night, so that you may safely arrive at your salvation.

See how every day the world becomes worse! See how errors are taught more and more every day within the holy catholic church; leading so many souls to confusion, loss of faith, loss of devotion and love for MARY IMMACULATE, for JESUS, for ME, for the ANGELS, and for the SAINTS, for the holy things of

GOD!

To save the world from this general shipwreck, My MOST LOVELY HEART offers you My HOLY HOUR, which you must do every Sunday; with faith, with devotion and trust, that My MOST LOVELY HEART through it will shine so bright that it will blind satan, it will shine so much that it will paralyze him forever, with his demons and the world will little by little be freed from his satanic yoke.

Unite with the Angels and with the Saints of Heaven, to make MY HOUR; because in truth I say to you: - The Saints and Angels will descend from Heaven, to offer with you this Holy Prayer, every Sunday at 9:00 pm.

My Most Loving Heart, far from counting, from counting your faults; much more counts your efforts in doing good, in obeying Our Messages, in living more and more in accordance with Our will; and what you lack I supply with My merits.

Little children, do not be discouraged... In these times of great tribulations for the good, for the just, for those who walk in the Law of GOD; My Heart wants to be for all of you; sure refuge, safe shelter and house of relief and relief.

Trust Me with all your worries and you will see that one by one I will solve them. Haven't I solved all the problems of the SACRED FAMILY? Did I not take care of all the sufferings of JESUS and MARY? Did I not protect them and keep them safe?... So why don't you trust Me? I am able to help you and to lead you serenely in the midst of tribulations, without losing your peace, until you overcome all trials!

With me by your side you will be invincible! You will triumph on earth and you will gloriously enter the gates of Heaven...

Be more and more obedient to My messages of love! I love you all and today I bless you, giving you also the blessing of the MOTHER of GOD and the ALMIGHTY, who sent me to you full of love, to give you comfort, relief and peace!..."

MESSAGE FROM SÃO JOSÉ

“-I am your Father... I am not annoyed with your miseries, rather, they attract Me even more towards you.

What does it matter to me that the soul still has weaknesses?... If it strives and unfolds itself to overcome itself, it strives and unfolds itself to overcome itself

every day, that is what matters most to Me!

What I want is Love! If the soul fights to win, I fight for it too and I will help it, even if it still stumbles sometimes; My HEART is your trust.

Peace Mark, my favorite...

Peace, My children..."

MESSAGE FROM SAINT JOSEPH

"-I wish souls unlimited trust in My goodness.

The distrustful soul says that I am the Father, but does not believe in My goodness.

Increase your trust in My goodness so that it becomes unshakable as a rock.

Pray this Prayer: "JOSE I TRUST YOU!"

Through her I want to reign in you! Through it I want to strengthen the bonds that unite Our HEARTS.

Message from Most Holy Mary "-My children... In Syracuse, I

shed tears for 3 whole days, in a great attempt to transform and convert the hearts of men.
prediction of the great punishment that will come, in vain! Men continued on the path of rebellion against God and the refusal of his law of love.
My painful warnings continued to be ignored, My Tears of pain were despised.
Withdraw this sword of pain from My Heart, seeking at all times and places to

transmit My appeals and to offer fervent prayers and sacrifices in reparation for the Divine Justice and My heart, seeking at all times and places to transmit My appeals and offer fervent prayers and sacrifices in reparation for divine Justice and My Heart.
Obey My messages of Love, dry my Tears with your pure and unconditional love.

MESSAGE FROM SANTA INES

"-Dear brothers, I, INES, servant of the Most High and the VIRGIN MARY, greet you and give you peace.
The lover resembles the beloved, it is the most peculiar property of love; to make what he loves like the object he loves.
If your hearts love creatures, you will be like them and even more, you will be slaves to them, because love not only likens the one who loves to the object loved, but also makes the one who loves submit to the loved one. That is why the soul that is attached to creatures and that loves them inordinately cannot unite with God, because the love that they feel for creatures, makes it resemble them, thus preventing it from conforming to pure and perfect Image of GOD.
It is therefore necessary to renounce attachment to creatures, so that the soul can conform to the perfect and holy image of God!
As the soul unites itself to God, through the close and mysterious bonds of supernatural love, of friendship love; more and more will conform to the perfect Image of GOD, without wrinkle, without stain, without stain.
GOD is light that knows no shadows, and the more the soul resembles him, the more perfectly it will reproduce the perfect Image of GOD; no shadow, no sunset [2] [1].
The soul that is still attached to creatures, has not conquered the flesh, therefore, it cannot enter the king's banquet hall, because it does not yet have that wedding garment, which is supernatural and transcendental love that makes the soul worthy and worthy. attend the King's banquet.
The soul must always resort to divine help, so that it can overcome itself and freely reach pure and transcendental love.
I am here to help you reach that pure love and to help you unite your souls to God, in a way so supernatural and firm that nothing, not death, nor hell, nor any creature can separate you. of GOD...
Turn to Me, I am always ready to help you. I, INÊS, bless you now...

MESSAGE FROM SANTA

ÁGUEDA "-Dear brothers, I, ÁGUEDA, bless you and give you peace! It doesn't matter if the bird is caught by a thick or thin thread; it will not be able to fly until the thick or thin thread breaks ; he will not be able to fly until he breaks the wire that holds him, preventing him from flying to high altitudes.

It does not matter whether what binds the soul to creatures is a small or great attachment, until it gets rid of it, it cannot soar to the heights of holiness and supernatural love.

Know My dear brothers and sisters that it is not only mortal or venial sin that weakens and deprives you of divine grace and supernatural union with God, but also small day-to-day imperfections such as: Talking too much; wanting to know news, curiosities and facts about other people's lives; attachment to this or that object; attachment to this or that thing; a thought, however bright with some sensuous pleasure or delight in nature; indecent and immodest words...

All these things not only deprive you of Divine Grace, but also make the supernatural union of your souls with God impossible...

The soul cannot unite with God if it does not first overcome these small imperfections.

The soul cannot unite with God if it does not first overcome these small imperfections.

The constantly curious soul; the undisciplined soul; the irreverent soul; the lustful soul cannot unite with God; until you do the necessary cleaning in yourself to be able to start climbing the mountain of perfection...

The soul that wants to climb this mountain, the mountain of heaven, of holiness; but who does not want to amend his small imperfections is like someone who wants to climb a mountain pushing a cart, he will get tired, he will not succeed and he will even fall into the abyss crushed by the very cart of the pleasures and attachments that trying to drag it up the hill.

The bird that is attached to matter by the thread of attachments will try to escape by flapping its wings, but it will only get tired and be easy prey for its predators; So too the soul, until it breaks with the small attachments it has, will only get tired in the attempt to follow the saints, to follow Mary Immaculate, besides not being able to fly, it will only get tired and become an easy prey of its spiritual predators: sin, the world and demons.

Therefore, dear brothers, I put the knife, the sickle in those threads that hold you so that you can fly freely in the direction of holiness. You have nothing to fear, am I not here who am your sister, who love you and who am in your favor?

Who then can be against you? Who can defeat you if I, who already conquered, who already conquered in Heaven, am in your favor?

So, steadfast, forward, walk in grace, walk in love, walk on the road of self-denial and you will arrive at great holiness, you will give great glory to God and the Virgin Mary, and you will drag with you to Heaven a countless multitude of souls. seduced, attracted by the perfume of your perfection!

I will help you, pray, continue to obey all the messages of love that Heaven gives you here.

Now, HOLY MARY, Our Queen, INESE and I finally bless you and give you peace..."

HOLY FRIDAY CENTURY – PASSION OF JESUS CHRIST

MESSAGES FROM OUR LADY OF DOORS

21 /3/08

MESSAGE FROM BLESSED MARY

"-My children... I am the Sorrowful Mother who is perpetually at the foot of the Cross of Her son JESUS... I am the Sorrowful Mother of JESUS and your Mother...

On the Calvary of this century, I am crucified with My son JESUS at the foot of the Cross, dying without being able to die...

JESUS is crucified again, for this world that has turned away from GOD, that has separated itself from Him; living as if He did not exist and as if it did not depend on Him. He.

JESUS is nailed again to the Cross, for this humanity that every day becomes colder, more selfish, more violent and more sinful.

JESUS is nailed again to the Cross, for the Church that is completely obscured, by errors, by lack of faith, due to the apostasy in which almost all the priests and those who lead it find themselves!

JESUS is once again nailed to the Cross, for seeing this My most beloved daughter, the Church and His Spouse, so covered with wounds, invaded by errors, undermined and weakened by the errors that infiltrated Her: the denial of the Miracles of JESUS; the denial of gospel truth; the refusal to believe in the supernatural; the refusal of the mystical part of which the holy Church is made and above all; the rebellion against the commandments of GOD!

JESUS is once again nailed to the Cross, seeing that the members of His Church and of society, peremptorily reject all our signs so that you convert, so that you return to the right path, leaving sin once and for all; thus giving the LORD the joy of your return and of being his true children.

Indeed, Our Lacrimations are denied! Our Appearances and Messages are completely discredited by them; our painful warnings are mocked and despised! Because of their hardness and their sin, an immense crowd is dragged along the path of perdition...

JESUS is once again nailed to the Cross, seeing that even after so many decades of continuous Messages and Warnings, the numbers of who repented of their bad life and converted is still so small...

Stay with me My children, at the feet of the Crucified JESUS and together with João, with Magdalene, with Veronica and the holy women; let us console the Heart of JESUS with our love, let us close every wound and every wound of his with our fidelity and with our perfect “yes” to his will and to his loving plan of salvation!

Be alert My children, the return of My son JESUS is near and before it will appear in Heaven, the sign of the Cross and all those who did not believe in My Son, and those who rejected and betrayed Him, will all know!

Then for the righteous it will be an hour of joy; for the unjust it will be an hour of despair, for the time for the conversion of the world, the time for Mercy, will be over, and the time for implacable Justice will begin.

On this Friday of this year of this year 2008, I extend My ardent invitation to you: Be sincerely converted this year, because the return of My Son is near! Let your lamps be lit, lest the LORD come and find them out, and catch you sleeping.

Here in this Sacred Place of My Apparitions, I am comforted by you, loved, comforted in My Great Pain.

Continue with Me My children, at the foot of the Cross, because in these times, as never before, your Heavenly Mother needs protection, comfort and love...

MESSAGE FROM SAINT RAFAEL

“-Beloved brothers! I, Rafael Arcanjo, bless you today and again I say to you:-

PRAY!... PRAY!... PRAY!...

This time is a time of prayer; only those who pray a lot will triumph over the devil, the world and the great apostasy that now graces the world and will arrive safely at the TRIUMPH of the IMMACULATE HEART of MARY, with their faith intact!

I love you very much and on this Feast of MERCY I will be a great channel of Grace for you... Ask Me and I will give it to you... Tomorrow, I will heal many souls wounded by sin, by the devil, by the world! I will revive many downcast souls and strengthen others so that they will never, ever, ever fade away!

Tomorrow is not only the Day when the ETERNAL FATHER grants everything that is asked by the PAINFUL PASSION of JESUS; but it is also a day when the ETERNAL FATHER grants whatever is asked by the PAINFUL PASSION of JESUS; but it is also a day when the ETERNAL FATHER grants whatever is asked in the name of SANTA FAUSTINA!

So ask for many graces for you, in her name and through her; and in your souls the Divine Mercy will surely overflow!

I bless you all and cover you with My Mantle... **"**

SATURDAY OF SOLEDADE

MESSAGE FROM BLESSED MARY

“- Dearest children, today, on the Saturday of My great pain and loneliness, you form around My Immaculate Heart the most precious crown of prayer, reparation, comfort and consolation...
On the same day that I was without My Son Jesus, I didn't eat..., I didn't drink anything..., I didn't sleep or rest... I continually
soaked tissues and more tissues with My tears of blood...
times in spirit to the sepulcher to kiss and adore My Divine Son Jesus Christ who lay dead there...
My Heart melted in prayers of pain and longing... Of pity for the death of My Son and also of supplication for all of you of whom today I am already a true Mother...
My Heart, which that day endured the greatest suffering and the greatest pain, was pierced by the sword prophesied by Simeon and even so today, the sword of pain remains pierced in My Heart because humanity does not accept My repeated invitations to prayer..., to conversion and penance...

My Apparitions in El Escorial, in Fatima... La Salette... Lourdes... Kiberro... Medjugorje..., here and in so many places, although I have converted many,

still remain disobedient and only a small portion of this immense humanity responded to My calls for prayer and penance.
Brazil followed the road of sin..., of the violence of conscious and declared disobedience to God and My Messages, and therefore, it became this land of evil, violence, immorality and such a great domination of infernal spirits.
How great is your misery My children... (silence)

How vast, My children, is your spiritual misery... How great, My dear children, is your darkness that does not allow the light of grace to shine in your souls, the light of love, the light of holiness to which God gives you invited so many times...

My children I call you today to stay with me at the foot of the cross in continuous prayer for the resurrection of this world! As I have already told you, the return of My Divine Son is near and before that it will be preceded by the great sign in heaven.
You well know that I have chosen among all My children of humanity some who have My secrets and when they are realized it will be too late for the conversion of men. That is why I ask you, my children, do not disappoint me..., do not defraud me...

Convert now and, above all, promptly obey everything I say because I say to you my children: NOW I AM YOUR LAWYER, ON THE RETURN OF My Son Jesus I WILL BE YOUR JUDGE!!! Therefore, if you want to stand by My side, standing before the throne of God, do what I command you now because I ask you with a pierced Heart... Think My children that I have been here with you for seventeen years, making repeated appeals and giving continual warnings for your salvation. If you don't listen to me I won't be able to save you as much as I love you...

Every day I offer My tears of blood to God so that He may give you a little more time and forgive your faults, but... more help you in a while... Pray! Nothing is more important than praying... Preserve the time of prayer and don't let anything, nothing harm you..., only through prayer I can communicate to your souls the light of understanding, the light of wisdom, the light of science of God, the light of love and the support of peace... Only through prayer will you be able to obtain graces in this life. Know that, although the resurrection of My Son has always been in the plans of God, it was also the prize and fruit of My prayers and the prayers of Jesus...

With My prayers I shortened the time of the resurrection that was supposed to happen only on Monday afternoon. In attention to My prayers, the ETERNAL FATHER anticipated the moment of My Son's resurrection. Therefore, My children, never doubt the unshakable, unbeatable power of prayer...
Pray everything that I have especially sent you My Rosary because you already know well, it is through it that Satan's definitive defeat will be done. By this very simple prayer, the infernal empire will be crushed.
I bless you all today... and you who come here every Saturday of the year or else, who make amends to me in your homes at the same time as I am here to make amends, I give today a Plenary Indulgence for the fruit of the pain of My

great Solitude ...”

MESSAGES FROM OUR LADY AND SANTA APOLÔNIA

Marcos: Praise Jesus, MARY and JOSÉ forever!

MESSAGE FROM THE BLESSED MARY

"-My children... I am the Joyful Mother of Redemption!

On Easter Sunday, My son JESUS, brighter than the Sun, appeared before Me in the oratory, where since Friday I prayed in recollection And then, with His Divine Heart, incandescent with love, He lifted Me from where I was prostrate, He kissed Me and My Blood Tears, which since Friday flowed without ceasing, turned into Luminous Tears of joy, gladness and jubilation...

With His Hand, My Divine Son JESUS removed from My Heart, the Sword of Pain embedded in It; he kissed me, hugged me and together we became a single flame of love!

Rejoice with Me My children, because your resurrection is also near! Soon when the Heart of JESUS triumphs in the world with My Heart and that of JOSEPH in the great 2nd PENTECOST, Our Resurrection will be complete! You will have peace! You will be raised to a high degree of holiness, love and purity; proportional to the degree of love, obedience and docility you now have towards My Messages...

Your holiness will be so great that even the Holy Angels will be delighted with it!

That is why I invite you to continue to follow Me along the path of prayer, of penance, of perfect correspondence to My will...

Every day I want to beautify you, perfume you, flood your souls with the effective Graces of My Immaculate and most pure Heart.

Be firm and attentive, My Divine Son JESUS will, from one minute to the next, tear the Sky and appear on the clouds with millions and millions of Angels; and those who are Ours will be taken by their Guardian Angels and led well together with Our Most Sacred Hearts; where they will be clothed with beauty,

holiness, peace and happiness indescribable and unknown on earth...

Stand firm, for only those who are strong will triumph...

My daughter APOLÔNIA will now also give you the Word of the LORD, which is His saving will for you.

I am very grateful to you for coming here to console Me in this week of My Great Sorrow...

Peace My children... I give you today a great and abundant blessing so that throughout the year it may accompany you and be with you always.

MESSAGE FROM SANTA APOLÔNIA

"-Dearest brothers... I, Apollonia, servant of GOD, servant of the BLESSED MARY, bless you today!

As you well know I am the martyr of the LORD, I was tortured and had all My teeth pulled out with pliers by love to My JESUS, to whom I had consecrated Me and whom

I loved with all My Heart, not wishing to belong to anyone else but My JESUS and, of course, to His BLESSED MOTHER who is inseparable from Him! life, for the love of GOD, because He deserved that I gave him everything and if I had a thousand other lives, as many as I would have given for Your love.

And what do you do? Have you loved the LORD with all your heart? Has he been your true, one and only love? You already know that outside of God you have no license to love anything, you can only love God's creatures, in God and to the extent predisposed by Him. Is this how you live? Is that your love? Or are you still putting the creature in the place of the creator and worshiping him as if he were GOD?

Could it be that you are not putting yourselves, which is much worse, in the place of GOD to worship yourself as if you were GOD?

I call you to a radical conversion of your heart, putting all other things in their rightful place, that is; in the last place... and putting GOD and the BLESSED MARY in the first place!

Here in these Apparitions, you must learn true love; you must be formed in love so that you become therefore more lovers of GOD and the VIRGIN MARY than the world has ever seen or known.

For so much from Heaven She has descended here every day, are you learning well the teaching that is given to you?

Have you prayed for your intelligence to open up to understand? Have you prayed that your Hearts may open and be enlightened to understand and love what you know?

Here in this place the LORD has prepared grandiose plans for each one, which will be carried out more or less according to the degree of love, faith, effort and obedience of each one.

You know that you are destined to beautiful abodes, to very high places in Heaven; but that will only be given if you correspond to the designs of the One who from the height of His Throne loved you, chose you, called you and gave you...

I am with you... so that you may gloriously reach the victory of your souls in Heaven !

You must invoke Me at all times; you must have a true life of Communion and Union with Me and with the other Saints of the Lord... May

Our existence, the truth of Our presence, never be just a theoretical idea for you; but be truly: life, union and the bond of love that unites your souls with us.

I am your big, older, grown up sister; that she is already in the fullness of the age of CHRIST in Heaven... So I know how to help you, I can help you and I want to teach you!

Be My docile students! Learn from Me that I have already achieved and conquered the Crown of Eternal Glory. Learn from Me, for I am holy and pure in heart, and then you will be; true children of GOD, much loved by Him; her image, likeness and very clean mirror that can perfectly reflect the holiness of the VIRGIN MARY...

Go on, without letting anything disturb your peace! You live in the worst times in the entire history of humanity, that's why the devil torments you a lot; with sufferings, difficulties, trials, with loneliness and misunderstanding of the world. But you must not pay attention to him, nor to his provocations, intimidations, or suggestions!

Triumph over it by keeping your eyes fixed on the Celestial Star which is HOLY MARY and do not look at matter, at the dust of the earth for a single moment! If you do not want to take the form or likeness of the dust of this earth!

Keep your eyes fixed on the Celestial Star, on the Morning Star which is HOLY MARY and you will always have in you the likeness of her features...

I love you all and today I bless you with the Glorious VIRGIN of the Resurrection... I will

return , I will return here in the month of June, on the 2nd Sunday to give you a new blessing and new recommendations that the ALMIGHTY here has

entrusted to Me. Peace!..."

February 9 - Day of Her Feast
Life Saint Apolónia

The six years from 243 to 249, during which the course of the Roman Empire was under the direction of Philip the Arab, were considered: an interval of truce in the regime of anti-Christianity. In the last year, however, there was an episode that proved that the aversion to Christians, at least in the African province, had not disappeared.
What happened was narrated by Dionysius, the bishop of Alexandria in Egypt, in a letter he sent to Bishop Fabio of the diocese of Antioch, in 249. In the letter he wrote that: "On the 9th of February, an Alexandrian charlatan, "an evil soothsayer and false prophet", which inflamed the pagan population, always ready to stir, provoked a terrible revolt. The homes of the Christians were invaded. The pagans plundered the Catholic neighbors or those who were closest, taking jewels and precious objects. furniture and clothes were taken to a square, where they built a big bonfire. Christians, even old people and children, were dragged through the streets, beaten, chased and sentenced to death if they did not deny their faith aloud. city looked as if it had been taken over by a multitude of enraged demons".
"The heathens also arrested the good virgin Apollonia, who was old enough. She was violently beaten on the face because she refused to repeat the blasphemies against the Church, for which her teeth were pulled out. Furthermore, she was dragged to the great fire, which was burning in the center of the city. In the midst of the maddened crowd, they said that she would be burned alive if she did not repeat, aloud, a pagan declaration renouncing faith in Christ. At this moment, she asked to be released for a moment, being granted she quickly jumped at the stake, being consumed by fire."
The martyrdom of the virgin Apollonia, which apparently ended in suicide, caused, precisely for this reason, a great questioning within the Church, which began to assess whether it was correct and lawful to voluntarily surrender to death in order not to deny the faith. This doubt was also echoed in the book "The City of God" by Saint Augustine, which also did not present a defined position.
However, the gesture of the martyr Apollonia, her reclusive life dedicated to Christian charity, provoked great emotion and devotion in the entire African province, where she consummated her sacrifice. She came to be venerated, because it was precisely her apostolate developed among the poor of the community that put her in the sights of the hatred and persecution of the pagans, and her cult spread through the dioceses in the East and in the West.
In several European cities churches dedicated to her sprang up. In Rome a church was built, now disappeared, close to Santa Maria in Trasteve, Italy.
There was no other record of her life, other than that her devotees elected her, over time, as a protector against diseases of the mouth and toothaches. But she remained her example of a generous and unconditional offering to Christ. The Church canonized her and made her cult official according to the

date mentioned in Bishop Dionysius' letter.

CENTER OF THE FEST OF DIVINE MERCY

CHAPEL OF APPARITIONS OF THE SANCTUARY OF JACAREÍ/SP

(Marcos)”-I see our Lord JESUS CHRIST, dressed all in gold, with a large golden crown on his head... (PAUSE)

To your right is MARY too, She all dressed in gold and holding in her hands a sphere that releases many bright lights of various colors. (PAUSE)

Now, on the left, a beautiful young woman appears, all dressed and golden too, it's SANTA FAUSTINA, she carries in her hand a large book, also golden. (PAUSE)

Around and above them all is a great arch, now I see what reads "GOD IS MERCY."

MESSAGE FROM OUR LORD JESUS CHRIST

"-Dearest children! My SACRED HEART pours out on you today the Ocean of My MERCY, which purifies, washes and saves you from sin!

I give you today's special blessing to all of you who faithfully love My MERCY, adore this My greatest attribute and you spread this devotion, so that many souls may also come to know My will.

I also give you today the Plenary Indulgence, which forgives all your punishments, due to your sins, duly confessed, repented of and of which you no longer want know or do it again.

My MERCY will never cease to seek those I love, I persecute sinners with My love; although they reject Me many times, I always give them every opportunity to save themselves. I only abandon a sinner when he definitely makes the option for evil and truly chooses to live without Me, closing the door of his Heart to Me.

With each passing day the furnace of My love for sinners increases and this fire consumes Me! Quench these flames of My MERCY, giving Me souls, bringing souls to fall in love with Me and respond to My love so broad, so generous, but so misunderstood!

I offer My Heart for your abode, I will not demand a priori that you be extremely perfect and holy; the only thing I will ask of you is just a drop of love: true, pure

and unconditional, that's all! If you only give Me this, it will be enough for Me to offer all of you My valuable and varied treasures with which I will enrich you, cover you and beautify your souls; so that they too will shine in My eyes and in the eyes of all the ANGELS causing great joy in Heaven!

My SACRED HEART seeks apostles... Will it find them among you???

My HEART seeks messengers... Will it find them among you???

My HEART seeks loving souls; that they love Him and that they close the many wounds that sinners have produced in Him, by their continual "no's", their continual refusals to accept My Love and to unite with Me!

You, with your love, close and heal these open wounds in My Heart, for those to whom I offered My Love, but they despised it for other loves!

My little children... As a hen gathers her chicks under her wings, when she sees that the storm is about to break; So, My Mother and I are gathering you under Our Wings, because we see the great storm that will soon come crashing down on all of humanity!

Do not have any doubts My children, that it will be many times worse than the flood that awaits you. Therefore we are gathering you under Our wings; to warm you with Our heat to protect you from any possible ray of the great storm that will soon envelop the whole world!

Collect yourselves in the safe refuge of Our HEARTS, living in a profound union of life and love with Us.

What I said to My daughter FAUSTINA will soon come to pass. My return is imminent and I sent to the world more than 70 years ago, My daughter FAUSTINA, with My MERCY.

Even here in Jacareí, the times when I offered My Mercy to the world cannot be counted!

My manifestations with My Mother, Our calls of love have never ceased to be given... No one will be able to plead or protest ignorance before the THRONE!

And soon I will come with My terrible day, preceded by the Sign of My Cross that will appear in Heaven and light up the Earth for a while and then I will command My ANGELS to gather the wheat to My right and the tares to My left. And woe to those who might have been wheat, but miserably chose to be the bad seed that spoils every good crop!

With the strength of My Arm I will separate one and the other; I will gather the wheat into My barn, the tares I will cast to the hounds of hell!

Therefore My children, prepare yourselves, light the candle of your faith, of your vigilance and keep it lit, take good care that no wind blows and

extinguishes your flame; for I say to you, if when I return you are sleeping, I will command My ANGELS to bind you hand and foot and cast you among the hellhounds, and I say to you: terrible will be the slaughter that these wolves will do among you!

My SACRED HEART is giving you every opportunity, make sure you don't waste it!...

Now My daughter FAUSTINA will present Me the names of all those who truly propagate and love My Divine Mercy and My Mother and I will add a seal to their name that cannot be erased, neither in Heaven nor on Earth and these My SACRED HEART will now pour out the torrent of MERCY and purification. (PAUSE)

Marcos: Santa FAUSTINA presents the book to JESUS, who goes looking name by name and with his finger HE and HOLY MARY print a mark, on top of each name, a white and red mark. (PAUSE) And now quickly turn the sheets, print this sign on the names and another sheet, and another. (PAUSE) It's over. (PAUSE) Santa FAUSTINA closes the book and returns to her seat.

Now BLESSED MARY and JESUS together hold the globe that reflects colored lights, (PAUSE) release it into the air. (PAUSE) Now the globe explodes into many rays of light, many, many, many! (PAUSE)

Marcos: Yes My Mother, I will tell them to continue praying the MEDITTED ROSARY, which is a sure means of salvation!

Do your Majesties want anything more from me today? Can I do something else for you?

See you soon!"

Take it therefore, without fear and without delay; so that the LORD, when he comes, will find his seed germinating and bearing many fruits of holiness.

Remember that the things of the world are not for you, therefore; renounce all the things that separate you from God and His Most Holy Mother and lead you to sin.

Peace beloved Mark! Peace to all...”

4/6/08 – (Sunday)

MESSAGE FROM SAINT JOSEPH

"-Dear children... My MOST LOVELY HEART blesses you and I, today, wrap you all with My Sacred Mantle...

I am the Father... And the father who loves his son, gives him a hand so that he has less uncertainty in his first steps, when he is starting to walk.

In the same way, I give My Hand to the soul who is starting on the path of love; so that in her first steps so uncertain, and when she is still so feeble, she stumbles less and her steps are less vacillating.

Therefore, I have a lot of patience with the soul initiated on the path of love and that truly wants to follow Me on the path of perfection...

I don't care, which soul has miseries and weaknesses, if it has love for Me and a lively desire to follow Me on the path of holiness... I forgive it, lift it up and support it as often as it needs! The only soul I cannot help is the one who doesn't want to walk, who doesn't want to walk, who doesn't want to get up after the fall.

I cannot help either the soul that is accommodated, prefers to lie down, instead of walking towards the ultimate end, which is GOD and the perfect union with Him. Therefore, I invite you every day to let yourself be guided by Me, guided by Me; take by Me by the Hands to GOD!

My children, listen to the throbbing of My Heart, which pulsates with incessant love for you!

What I ask of you is so little, just an act of trust, of full and total surrender into My Hands. Abandoning yourself in My Hands is that; it is to renounce your will and your plans, to give yourself to Me so that I can make My plans in you, even if you don't know it, or don't understand it...

If you give Me an act of faith and trust full, I will perform My goodness in you.

How rare are souls of boundless trust... If I find a soul of boundless trust, what wonders I will do for him!...

Mark: Yes Lord, soon, soon I will. See you later!

Obs.: São José asked Marcos Tadeu to ask everyone not to abandon the Cruzada do Rosário (Meditated Rosary that Marcos records) across Brazil, and those who don't do it to start doing it. He revealed that part of the enemy's plans was defeated.

Just choose the time from 00:00h on Sunday until 23:00h, informing the name in the Sanctuary.

MESSAGE FROM SÃO JOSÉ

“-My goodness is so great, that man will never be able to know it all in this life! Man cannot fathom My goodness, since before it is a grain of sand. Therefore, let man think of her, which is as deep as the sea, with all confidence and let himself be enveloped by her until he loses himself in it.

Peace Marcos... Peace to all...”

MESSAGE FROM THE ANGEL MIRANIEL

"–Mark... I..., am the Angel MIRANIEL.
Your hearts were not made for the things of this world... indeed, they are not for you!

4/13/08 – (Sunday)

(Marcos:) "-Beloved Santa Tecla, I am very happy to be able to meet you. From the first day I heard about you, I felt that My Heart loved you and united you in some very mysterious and incomprehensible way to Me!"

MESSAGE FROM SANTA

TECLA "-Beloved Marcos... I, Thecla, servant of the LORD and of the BLESSED MOTHER, am very happy to be here!

I love you, I have protected you from the day of your birth until today and I will always keep I also love all those who come here in this Sacred Place, throughout the year, to console the Heart of Our BLESSED MOTHER, of Saint Joseph and of the Sacred Heart of JESUS with their prayers and sacrifices.

I come to tell you, that only when man empties himself completely, can he find true peace and happiness, which is GOD...

As long as man remains full of transitory and passing things... As long as the If man continues to be full of love for himself, he will not be able to know and taste Love and GOD in pure transformation that only communicates and reveals itself to those who empty themselves completely of themselves, so that they can be filled and full of divine love.

Only when man understands that he is in giving that he is received; that he is losing that he finds himself and that it is by letting go that he is found; is that he will be able to truly know the love of GOD and in Him be transformed, divinized, deified and then become the perfect image and likeness of GOD!...

THE BLESSED VIRGIN has been like this, for so many years, teaching you to do this! She is here, with Our LORD and SAINT JOSEPH, fighting and fighting for your sanctification. But unfortunately how many of you have hindered and even hindered her sanctifying action; because you have not yet understood that in order to find God it is necessary to leave the world!

To be full, to be filled with the love of GOD, you must first empty yourself of self-love...

Do this if you want to achieve perfect sanctification and be able to enter the gates of Paradise. I promise to help you with My powerful protection and help.

Continue with all the prayers given to you here...

See how all the warnings of the MOTHER of GOD are being fulfilled... The diseases that in your country have reappeared with a violence never seen before; the floods where before it was so dry, that the ground was cracked; and the drought where once the land was fertile and green; All this tells you that the punishment for your sins, for the sins of the people of this nation and of the world, is already happening and increasing in intensity, until then will come the great and terrible punishment that will put an end to the sins and evils of men!

You can avoid punishment if you want, with your prayers, sacrifices and your perfect conversion! If you obey the Messages of the Sacred Hearts, everything will be changed and GOD will have mercy on the world, otherwise you can expect the most painful punishments...

Convert quickly, these are the last warnings!... Spread the Messages quickly, because there is not even 1/3 of humanity converted, praying and obeying the Messages of the SACRED HEARTS yet!

Do quickly what you have to do!

I Bless you with the blessing of Almighty GOD and BLESSED MARY... In the name of the FATHER, the SON and the HOLY SPIRIT.

Peace Marcos, My dearest angel... Peace..."

4/15/08 (Tuesday)

MESSAGE FROM SAINT JOSEPH

“-I am together with MARY the House of Gold... In Me are all the treasures of the LORD! In Me is the secret of life, love and peace... In My hands are all the possessions of the LORD, so that I can share them as I want, however I want and to whomever I want!

In My Hands is the fullness of grace!

Peace!...”

4/16/08 – (Wednesday)

MESSAGE FROM SANTA BERNADETE

“-I, BERNADETE of LOURDES, invite you today to follow the same road that I followed, of the prayer of penance, of grace, purity and holiness...

Imitate Me in My virtues and be more and more docile to Me, letting yourself be led by Me on the path of Christian perfection and Grace.

Pray the Holy Rosary a lot, because through it I practiced well all the virtues that led me to Heaven.

Be ever more ardent in obedience to all the Messages of HOLY MARY, Our Queen!

Peace Marcos, my favorite... Peace to all!”

MESSAGE FROM THE ANGEL LAVINIEL

"-Mark, I am the ANGEL LAVINIEL... the Love that We, the Holy ANGELS of GOD, have for men cannot be translated into your mortal life. In Heaven you will one day know the Ocean of Love that we always had for you! This love for you is so great that if it were earthly fire it would set the whole world on fire, many, many times!

The soul that consecrates itself to Us and allows itself to be taught by Us, will know Our love in all its height and depth.

Peace!..."

4/18/08 – (Friday)

MESSAGE FROM THE ANGEL BARINIEL

"-Mark, I am the ANGEL BARINIEL... If human beings knew the immense love we have for him, they would die of ecstasy and joy...

From birth to the hour of private judgment, we are faithfully by his side watching over and guarding each one from all evil.

How much We want men to know Our Love and to have true friendship and Union with Us.

To the soul that opens its heart to Us, We will fill it with grace and the Peace that we possess.

Peace Marcos..."

(20/4/08 - Sunday)

MESSAGE FROM THE ANGEL SAINT RAFAEL

"-Beloved Brothers... I, Rafael, again bless you today and say to you:

I want to help you to empty yourself of yourself, so that you can have Divine Love in you in pure transformation!

A soul that does not empty itself of itself and at the same time wants Divine Love, in fact has never known it, because if it did, it would love and esteem it above all else, and for it it would want to empty itself completely of its own will, your desires and your sensitive appetites!

The road along which the BLESSED VIRGIN leads you here is none other than that of holiness, that of heaven; which is narrow and few enter through it, for they prefer the broad and spacious way that leads to eternal damnation...

Holiness is not difficult indeed, for those who desire it more than life. I smooth the stones in the way of those who truly want to advance and reach holiness!

I facilitate the way of those who prefer the perfection of holiness, and the Christian life!

As I led TOBIAS safely and surely to his destination, so I will lead you and deliver you from all dangers of soul and body, from the LORD...

Peace Mark, I bless you all now...” so that in your life as in TOBIAS', the plans of the LORD may be carried out.

Peace Mark, I now bless you all...”

Message from the Most Holy Mary

"-My children, today, when one more month of My Apparitions here is completed, I invite you to thank the LORD for this Grace and to pray even more intensely, for My accomplishments of My plans.

Do not doubt My children, that your prayers neutralize Satan's plans and annihilate his strength, also producing numerous conversions!

Pray a lot, because each ROSARY you pray makes good overcome evil and MY TRIUMPH gets closer to you.

Peace!"

Message from the Angel Saint Udiniel

"-Mark, I am the ANGEL UDINIEL! I come to give peace and hope to your souls.

When you pray the ROSARY, from your mouths a light so strong that it blinds the demons and drives them away from you and from many souls who are tempted by them. They also make you weak to carry out the evil they plan, not only against souls, but also against the world in which you live.

Do not doubt for a single moment that when you say the HOLY ROSARY, you make many satanic plans fail and you make many plans of the LORD and HOLY MARY succeed. Peace Mark, rest in the peace of the LORD."

Message from the Angel Saint Nadiniel

The true devotee of the Holy ANGELS, is known for living completely empty of itself and totally burning with zeal for the LORD and for everything that concerns Him!

Begin to empty yourselves, vowing never to seek to do your own will, but rather the will of the LORD... Peace!”

Message from Santa Cristina

"-Marcos, I've been wanting to be here for a long time! My heart rejoices to be with you!

I have heard your prayers! You are My devotee and I have helped and supported you a lot.

All of you, hear what I say to you today by the command of the LORD... Turn your ears to the LORD, but your hearts much more than them! The LORD has sadly said to Us in Heaven:"

(GOD FATHER through Santa Cristina): "-This people praises Me with their lips, but their heart is far from Me... Return to Me! I love you so much and I wish you happiness.

I am THE FATHER, who wants to make you happy on earth and then happy for all eternity in Heaven!
All that I do and all that I have done since the beginning of the world has been to fill you with goods, to fill you with the Gifts of My Love to prove to you that I love you and that I desire nothing more than to make you participants in My own Happiness... But none of you will be able to achieve this happiness away from Me, fleeing My Love!

I, your GOD, have persecuted sinners with My Love!... A thousand times a day, I try to ensnare them with My Graces. Continually encircle them between My Hands, between My Arms!

Often even allowing difficulties in their lives, so that they remember Me and perhaps think about returning to Me and thus regaining Peace.

But how many of them continue to flee from Me, not heeding My continual calls... I sent Prophet after Prophet in the Old Testament and inspired Kings and Sages to speak to men of My Love. But that was not enough to convince them. So, in the fullness of time, I sent My own Son through MARY IMMACULATE, so that through Them men could be convinced of My Goodness. But what did they do? They rejected My Son, they rejected the Mother of My Son and they made them suffer... They crucified My Son and together with Him they mystically crucified His Mother, My Beloved daughter!

My Son rose from the dead, for he is GOD like me; and he cannot be

overcome by death and hell. And then He returned to Me, leaving you in the meantime His Most Loving Mother, so that men would continue to see Our FACE full of Love in Her! Her time on Earth having been fulfilled, She also came to Us, but We do not cease to show men Our Love and Our Face, sending Messenger after Messenger; Prophet after Prophet! Who are they? Our elect seers; the chosen ones from MARY to Our Favorite...

When a King is coming to a foreign city, or to a foreign nation; send first your Messengers, your Heralds; so that they announce the proximity of your arrival, so that: the paths are prepared; flattened and straightened; adorned and perfumed; illuminated and well guarded; so that when the King passes, everything will be in a good place!...

Do you not see My Children, that My Messengers sent to you are Our Heralds, who announce to you that My arrival, My return to you, is near!!!

Love will return to you with Love... Love is already returning to you as Love!
Heed My call and finally surrender to My Love, which has been looking for you for so long. I am immensely in love with you and My passion will not be appeased until your souls give Me what I desire from you: 'Pure Love', Holy, Perfect and Supernatural..."

"-My Brothers, this is the Message that the LORD has entrusted Me today to bring them. Surrender to His Love! No longer resist this Love that calls you in every possible way, from the heights of Heaven!

Know that you are loved one by one by the LORD and He gave His life to you, He thought of you, He loved you one by one as if in the world there was no one else who had to be saved and redeemed, except each one of you.

Say yes to this Love and you will be happy forever!...
I, CRISTINA, will help you and I will pray without ceasing for you, next to GOD and His MOTHER... I will cover you with My Mantle and next to Me, you will have nothing to worry about and nothing to fear; nor for your perseverance, nor for your eternal salvation. For whoever is with Me is with the LORD and will triumph unfailingly...

Pray... Continue with all the prayers given to you here, to keep you faithful and persevering to the plan of the SACRED HEARTS UNITED.

Rest in the Peace of the LORD! Peace Marcos, I bless you and everyone here."

Message from Saint Joseph

"-My most beloved children! My MOST LOVELY HEART wishes to guide you to a very high degree of holiness... But for that it is necessary from you, on your part: a total and sincere abandonment and trust in Me!

Just as the child, who is thrown up by the father, fears nothing because he knows that the father will catch him; in the same way you must trust in My HEART, certain that I lead you along the right path of true and real holiness, which glorifies the LORD!

Obey, therefore, all the Messages that I have given you, fulfilling all that I have told you; confident that My HEART leads you along the path that leads you to Paradise!

And I reflected My children, for everyone: the Light of My Love, of My Grace, of My Peace and of My Holiness; so that in the swamp of sin in which you live today, you may be those flowers of Paradise, which exude the perfume of My Love and My Grace... Peace!... I bless you, My beloved children..."

Message from Saint Joseph

"-My children, I take every word you say when you pray the HOLY ROSARY and Our prayers... And I transform them into copious Graces of Salvation for many souls!

Continue with these Prayers, because they are saving many souls every day. I am, together with MARY, the Mirror of Justice!... Look at Me and you will have this

virtue . Seek it in Me and you will find it!... Ask it of Me and I will give it to you! the soul suitable for the service of the LORD and makes it pleasing to Him, making it walk the paths of righteousness and of Perfect Union with the LORD!

With this virtue the soul gives to God what is His and to the neighbor what which is due to you, for the love of GOD!

I have practiced this virtue perfectly! Through My HOUR of PRAYER, I will give it and teach it to all who do.

Peace Mark... Peace My children..."

Mark: Then he spoke to me privately, blessed Me and disappeared.

This was the only Public Message of this week, all the others were private.

05/25/08 – (Feast of the Anniversary of the Apparitions of Caravaggio)

Revelation of the Hour of the Sacred Heart of Jesus - every Friday at 9 pm

Message from the Most Holy Mary
"-My children... Today, when you contemplate Me in My APPARITION in CARAVÁGGIO, to My little daughter GIANNETTA VACCHI and you are already celebrating this event; I again invite you to the 'True Love' that pleases GOD...

Imitate My little daughter GIANETTA and her love, in her readiness, in everything that I say in My Messages! Imitate... my visionaries, My Saints, who in their whole life: They loved Me, they served Me; without placing any restrictions or conditions in His love for Me!

Follow Me on the road of Holiness... on the road of Love... on the road of Perfection! Seek to have in you all the virtues, so that your souls may not be a swamp where only But may your souls be a garden, where every flower grows, opens, blooms and exhales the heavenly perfume of God's Grace!

I invite you, from now on, to pray more, so that the 2nd WORLD PENTECOST may be hastened, and that My IMMACULATE HEART may triumph as soon as possible, purifying and renewing this world.

Do not doubt for a moment My children!... My HEART will triumph!... And this atheistic society that has returned to being pagan, contrary to GOD and His Word; IT WILL DISAPPEAR to make way for the new humanity, the new society where I will be the Absolute Queen and where GOD will again be Worshiped, Served and Loved as in the Beginning of Creation, when there was no sin!

My HEART will triumph, whether men believe it or not!... Whether men expect it or not!... My IMMACULATE HEART will finally be Lord of all souls and of all hearts.

To hasten this Triumph My beloved Mark, I want to ask you something new:

I want you to do for these My children "THE TIME OF THE SACRED HEART OF JESUS", every Friday at 9 pm.

At this HOUR you will include the Adoration of the Holy Cross, which on Fridays must always be done by My Children, with love!

You can place in this HOUR of PRAYER, the Chaplet of the SACRED HEART; or the Third of PASSION; or the Rosary of SANTAS CHAGAS; or the Chaplet of DIVINE MERCY; I leave it to your liking.

Then you will place a Message from My Divine Son JESUS CHRIST, given in these Apparitions.

You will also put 10 minutes of meditation before the Rosary, so that My children truly dive into the Ocean of Mercy and Grace of My Son JESUS!

You will intersperse with Adoration, you will intersperse with Prayers of Reparation and Atonement. And finally, with a brief Consecration to the SACRED HEART of My SON.

In this way you will give to the HEART OF JESUS, great Glory, great Praise and great Reparation! And with this most powerful Prayer, you will accelerate the TRIUMPH of Our UNITED HEARTS throughout the world!

I know that you will do this great Work for Me, through which this place will be raised to a dignity unparalleled in the whole world. And with this great Work, know, My son, the TRIUMPH OF THE SACRED HEART of My SON united to MINE, prophesied from Paray-Le-Monial to the present day, will certainly come true!... I promise you!

Go My most beloved and dear son, to whom I can trust and carry out great tasks, because I know that I will never be disappointed!

Go, do what I tell you and you will see... how the HEART of My DIVINE SON will bring down a flood of MERCY on you and on the whole world...

Peace Mark..."

Message of Saint Joseph

"-Dear children... Today, on the Feast of My MOST LOVELY HEART, I wish once again to flood your souls with My Grace, My Peace and My Love...

Your hearts belong to Me and you must seek to if to My HEART...

The son who truly loves his father, if he truly loves him, will be like the Father; he will look at his father, he will see his good examples, his virtue, he will see his outstanding qualities and he will try to be like him. If you love Me as

true children, you will try to be like Me, imitating all My Virtues, copying My examples and above all, letting yourself be guided by Me docilely!

I desire that My own Face may shine in you, for the Glory of the ALMIGHTY and for His joy.

Take care, too, to treat my Messages as a common thing, because many have already fallen into this error and are lost forever!

See that every Message that comes out of My Heart, that comes out of My Mouth in this place; it is a good that many Saints desired to possess and did not have... desired to hear and did not hear... And to you this gift was given by the LORD, therefore; the LORD expects much more of you than he expected of many generations past.

To you He has given much and He expects much... Do not frustrate, do not disappoint the LORD, who has poured out so much good on you and has favored much more than enough to save entire past generations!

May your love for the LORD be pure, be firm, be full, be unconditional...

Know that the LORD loved you very much... and from you He also expects great love.

Forward! I went on, excited, happy and happy to know that you are so loved by the FATHER in HEAVEN, by the VIRGIN MARY and also by Me; I love you very much and if necessary, I would return to Earth and suffer everything I suffered for you, for your salvation.

Today I bless you all..."

08/06/08

Message from Our Lord Jesus Christ

"-My children... I, JESUS, bless you today with all the graces of My Most Sacred and Kind HEART!.. I

desire perfect love from you... The love that I want and that I expect from you is pure love, which leads you to live deeply united with Me, loving what I love, doing what I do and also deploring what I deplore.

I desire from you the respect of the creature for its creator, but the love of the friend for his dear friend... Only when your hearts reach this true friendship with

Me, will you be able to truly say: that you live in Me and I in you, that you live a true life in GOD!

In order to find Me, man has to lay down outside his heart every trace or seed of disordered love for the creatures and things of this world; that compete with My Love and lead you to move away from Me.

Only when man has completely emptied himself can he then; receive My visit in your soul, to flood you with the knowledge of Me and My Love and with the Blessings of Wisdom, Understanding, Science and Holy Fear that I have to give you. Only when man dies to himself will he be born to Me and heavenly things.

See My children that the world offers you only illusion and lies; passenger goods; that as soon as you reach them, you soon get tired of them and are already dissatisfied again. And for the world you work with ardor and without rest, no matter if you suffer discomfort day and night!... And I offer you eternal things, sublime goods, which will last for all eternity, an endless happiness after a brief period of probation in this life. And you are not capable of taking a step towards My Hands... This is why My HEART is pierced with such painful and sharp thorns, for not finding in you: more than ill will, more than laziness, more than what hardness and indifference towards My Love!

Do you not understand the signs of the times My children?

A King, when he is approaching a city, sends his servants, his subjects, ahead of him, so that they warn the city of the King's arrival and prepare it to receive him.

If I am sending My Mother, My Saints, My Angels and if I myself come here to send these Messages to the world, it is a clear sign for you that I am at the door! Love is returning to you as Love and for Love!

Soon My children, you will see on the clouds of Heaven the One they crucified and mocked... And I will see My Mother beside Him; that is so despised, that is so denied, disobeyed and offended by the men of this time...

Yes My children! You can even hear the beats of My HEART, so close I am to you... I am at the door.

Pray, live in holiness so that your life may be a lamp, whose flame never goes out, nor does it diminish...

May your souls be My living Tabernacle, where I can rest and I can truly live there forever!

I wish to rest in you... that is why I asked you through My Mother “ THE HOUR OF MY SACRED HEART” , so that every Friday, for at least 1 hour, I can rest in your souls!

Give Me rest, praying this Hour of Prayer with love and fidelity!

Give Me rest and accommodation, welcomed for at least 1 hour!

Give Me love, like that sinner who washed My Feet with her tears and wiped them with her hair... In My HOLY HOUR every Friday, do this to Me. Unplug Me from the Cross for a few moments, so that I can rest in you, as I rested in My Mother's lap, descended from the Cross.

May your souls be a new cradle for Me, where I can enter and there I can rest!

And I tell you My children, that your reward will be an increase in the unitive life with Me, which will grow more and more each day, until it reaches its fullness in eternity...

Peace!... I bless you now with My Mother and My Father SAINT JOSEPH..."

Message from Saint Joseph

"Dear children... My MOST LOVELY HEART is your School of Holiness! Come My little students, learn from My HEART the lessons of Perfection and Love, so that your souls may be formed in that True and Supernatural Love that GOD wants from you!

Fill your hearts with Supernatural Love, this Love that surpasses and surpasses: the vain, illusory and transient affection of creatures. With this Love My children, your souls will love supernaturally, above matter and created things; and then your heart, like pure flame, will rise to Heaven like a true fire of Love that will touch the HEART OF THE ALMIGHTY and bend it benevolent to all of you...

With Supernatural Love, you will be able to overcome all the limitations and interior and exterior obstacles of your lives; because this Love will give you the strength that will make you capable of conquering yourselves, the world and matter, and in this way your souls will always be masters of themselves and will not be dominated by anything or anyone...

With this Supernatural Love you will become, the image and the perfect copy of My MOST LOVELY HEART, which has always burned with the Flames of Pure and Supernatural Love...

Behold more often the Image of My Apparition here, with My HEART on fire

with Supernatural Love! Ask My HEART to communicate these Flames to you and He will not deny them to you.

Keep doing My HOUR of prayer, every Sunday; because through it I will teach you and I will communicate this My Supernatural Love!...

He who opens himself more will receive more... and whoever is better disposed to receive My Love! Therefore, My children, dispose your hearts well, to receive My Love on a large scale and in abundant measure!... Peace."

Message from Most Holy Mary

"-Dear children... Today when you are already celebrating the Anniversary of My Apparitions in Medjugorie and thanking the LORD for the great Grace of My presence for so many continuous years, I invite you to think and appreciate how much the LORD loved you when he called you to be part of his army; of the portion he wants to save from the shipwreck and general loss that now

causes the whole world to sink into the abyss of perdition!
Thank the LORD with Me, who has been so generous and kind to you; calling you just as you are, to be part of his chosen and much loved people!
Follow My Messages faithfully, as they are the greatest work of God's Mercy for this world. The love that I have been looking for all these years and still looking for in your hearts; it is Pure Love, disinterested, that sacrifices itself, that gives itself, that forgets itself; to dedicate yourself completely to the LORD, to Me and to the salvation of the souls that we love and that we want to save! But unfortunately... in many hearts we don't find this love and so our UNITED HEARTS were hurt, to see you in an immense desert, without love...

My children, I invite you to open your souls from the heart to the True and Perfect Love... I desire to have a perfectly united life with you. I desire that your hearts unite with Mine, through the bonds of Love-Friendship; for this I invite you once again to the Consecration to My Immaculate Heart... Through the Consecration you surrender your life completely to Me, as a holocaust on the altar, so that I may take it as My thing and property and make it what it is. that My Immaculate Heart wills!
It is the greatest act of love that you can do to Me and if you live and if you are faithful to this Consecration every day of your life, I can truly live in you; reign in you; act on you; and through you, to save not only yourselves, but the whole world!
Come then My children, join My army, consecrating yourselves totally to My Immaculate Heart!...
I tell you My children, that this time, the time of My continuous Apparitions on Earth, marked by My extraordinary and continuous presence in the among you, is the time when God bestowed His Mercy on the world. Do not waste such a great Grace, My children, by frustrating the efforts of the LORD and Mine, with your ill will, your indifference and your rebellion. But rather, take advantage of these abundant Graces that, like a flood, are given to you every day while I am here with you and speaking through you!
My Heart is so generous that it is willing to grant everything you ask of Me through My Apparitions! To those souls who do this, I will deny nothing, nothing...
Continue with all the prayers that I have given you and ordered you to do here, I love you very much My children and I will never leave you alone...
Peace, I bless you now."

Marcos: I see the Lady on top of the terrestrial globe. (Pause) The globe begins to spin rapidly. (Pause) Now he stops and the Mistress opens her folded hands and extends her hands down towards the globe. (Pause) From her hands now come rays of light, which seem to be made of fire and these rays dot some points on the earth. (Pause) Now from these places, from these points scattered across the globe, flames rise, little tongues of fire towards Heaven. (Pause) Madam, what do these things mean?

Message from Holy Mary

“-Mark, I bless you today and all those who are here with you, praying so ardently to My Heart!

The globe, means the world; the places dotted with the rays of My Hands are the places of My Apparitions; the tongues of fire that ascend from them to Heaven, signify the great mystical and spiritual force of the prayers of all those who pray in the places of My Apparitions, united to the force of My Mystic Prayer, which ascends to Heaven before the throne of the LORD and they obtain from Him every day for Earth: Grace, Peace and Mercy, the cancellation of many punishments, new and great graces for souls throughout the world and above all; increase the glory that the HOLY TRINITY receives and so His goodness is inclined to favor His children on earth again!

This is what I desire: that each place of My Apparitions be an incandescent place of love, prayer, faith and penance. I wish them to shine with the light of a thousand suns, to illuminate the Earth shrouded in darkness! May they burn like a great furnace; to warm souls and to melt the ice of indifference, selfishness, sin and lack of faith that now covers the entire Earth, all humanity

... children may always find Me and may your hearts be lamps; that never cease to burn around Me, on My altar, transmitting to those who come to Me; light, heat, life and beauty!

I want to transform each one of your souls into a candlestick, where I can place My Love; so that it burns there and in your hearts communicates from heart to heart, until it scorches and ignites the whole world with the fire of My Maternal Love!

Continue to pray the Holy Rosary every day! If all human beings prayed My Rosary, the world would already be a small Heaven...

Help Me, My dear children, to transform this world of evil and sin; of injustice and destruction; in a small Heaven of peace, love, joy and happiness praying My Rosary fervently every day!

Trust My children, that with each Hail Mary, that with each bead of the Rosary, of My Rosaries that you pray, you bring down the high and strong citadels that the devil raises in this corrupted and lost humanity! With each HAIL MARY, with each bead you pray, you give a hard blow to so many satanic works that My adversary, with so much pride and arrogance, raised in the world.

Go on, go on My little demolishers of Satan's works! Continue to pray the

Rosary until we completely annihilate the enemy's citadels and build a new world of peace and love... A world of My IMMACULATE HEART!... Peace!”

Message from Saint Joseph

“-I am your Father and I love you!

In Me you will find all the rest that your souls desire...

I am together with MARIA the 'Ivory Tower'. In Me the 'VIRTUE OF THE STRENGTH' has always resided and has made My soul strong against all its enemies!

By the `VIRTUE of the FORTRESS'; My soul was an unshakable Tower against which the winds of temptation beat without any success!

Come to Me!... Unite with Me for 'Perfect Love' and you will also be strong against temptations and evil!... Peace...”

05/07/08

Message from Holy Mary

“-My children, I love you and I ask you: that you continue to pray the HOLY ROSARY every day, because only through it I can neutralize Satan's plans.

... I am the QUEEN AND MESSENGER OF PEACE and the LADY of the ROSARY. Pray intensely and continue working with Me for the realization of My plans and for the TRIUMPH of My HEART!
Know that I chose you to be part of My Army. Do not omit or shy away from your mission! I look for soldiers who know how to forget about themselves, to think more about the LORD and His plans than about themselves!

If you are faithful to My plan, I will see the victory of My HEART in the world!

Forward! I am with you always...

I bless you all now. Peace...”

06/07/2008 –

Message from Saint Joseph

"-My children, My MOST LOVELY HEART blesses you again today!

I am the 'Ivory Tower'! Yes!... Along with MARY, I Am this Unshakable Tower, against which not all mutinous hell could succeed!

THE 'VIRTUE OF FORTRESS' in My soul, always led Me to a continuous and perfect obedience and fulfillment of the will of GOD.

In difficult moments, when suffering reached a truly incredible and impressive degree... instead of despairing Me, distrusting the Providence and Love of the Lord, on the contrary, I turned totally to Him and full of faith; he recognized His Greatness, adored His Majesty and His Divinity; I thought that maybe that suffering was due to some fault of mine, I humbly asked His forgiveness, I recognized My nothingness and My misery before His Majesty; and with many pleadings and tears he entrusted Me to His Protecting and Loving Hand, which he knew had never abandoned anyone...

In this way, with these acts of humility, of love, of faith, of hope and of adoration, I disarmed the efforts of the infernal spirits; in casting My soul into sin, from rebellion against God, from dissatisfaction against His Divine Providence and His Works. And so it saved Me from being irritated against the LORD, who governs everything and predisposes everything, perfectly according to His designs of Love and Truth.

In this way the infernal spirits then failed before Me and then were cast into the eternal abysses, because they could not bear the virtue that radiated from Me; for My great trust and My total surrender into the Hands of the LORD!

With that, the 'VIRTUE of the FORTALEZA' was being improved more and more within Me, until it reached a truly admirable degree even for the Holy ANGELS! With each trial, with each suffering that I went through with JESUS and MARY, My soul was becoming, at the same time more humble and trusting in the LORD, also more immune and stronger to the onslaughts of the spirits of darkness...

If you also want to win in this battle, which you live and fight in your lives, which can decide both the salvation and the damnation of your souls, imitate Me; seeking at all times, especially in those of difficulty and suffering, to remind you of what I have done. And so you can imitate Me in My acts of profound Love, of profound trust, of profound surrender to God's hands and

also of profound humility; recognizing one's faults and miseries, the very nothingness and dust of which all men are made, and how much they owe to Divine Goodness; who called you life out of nothing, gave you being, breath, nourishes you, keeps you alive, gives you health and so many temporal goods, so that with them you can achieve eternal bliss for a lifetime: of perfect love, of perfect union with GOD and of service to His Holy Will!

Thus My beloved children, your souls have become similar to Mine and will shine like stars in the Kingdom of Heaven!...

I bless you today, the 1st Sunday of the month dedicated to Me. Pray to My HEART... Console it and make amends for so many sins that it sees being committed in the world. And I promise to spread over you the Mantle of My Love and My protection.

Peace Marcos... I bless you and all those who prayed with you until now..."

07/07/08

Message from Saint Joseph

"-Dear children... Today, when another month of Our presence here is completed , I invite you to thank the LORD again for this Grace, the Grace of the Apparitions, which is more than enough to save many generations!

I AM THE STRONG TOWER; who strengthens all in the service of the LORD. Those who have true devotion and true love for Me, receive from Me the STRENGTH and STRENGTH to energetically resist evil and sin.

He who gives himself to Me and who takes refuge in Me will not perish!

Peace My children... Peace, Mark!"

08/07/08

Message from Saint Joseph

"-My HEART is the Safe Sheep of all the sheep of JESUS CHRIST. He who is

a sheep of JESUS hears My Messages, rejoices with them and follows them without boredom!

I Am the Strong Citadel; whoever dwells in Me will not remain exposed to the fury of his enemies, but will have shelter and defense against them.

My Arms are strong walls; that stops the enemy and protect My devoted children.

My Hands are impregnable walls; that demons cannot cross and that always surround My children with love and protection...

Whoever takes refuge in Me will not be caught! Whoever does not leave Me will never be defeated!

Peace Mark! Peace My children..."

09/07/08

Message from Saint Joseph

"-I am the 'Fort Citadel of the LORD'; against which demons and sin invested in vain!

In Me, the infernal serpent never had victory! In Me the power of hell never triumphed!

I am the 'Strong Rock'; against which the raging waves of hell and evil crashed in vain!

Those who live in Me and with Me in 'perfect spiritual union' and life with Me, receive My own STRENGTH and certainly triumph over evil and sin.

Peace Marcos... Peace My children..."

07/13/08

Message from the Most Holy Mary

"-My children!... I am THE QUEEN and MESSENGER of PEACE!... I am the MYSTIC ROSE LADY! ...

61 years ago, I descended in MONCHICHIARI to ask My daughter PIERINA GILLI to THREE, every month in My honor and to make known to the whole world My Title of "ROSA MISTÏCA" and to make My first appeals of PRAYER, PENANCE and REPARATION to the whole world!

So many years have passed and I continue to come to this world today, in so many places and extraordinarily here to tell you: that you must fulfill My Desires so that the world may have peace and be saved from the great suffering that is coming to it. My IMMACULATE HEART will

be your refuge and the path that will lead you to GOD; if you meekly let yourselves be guided and led by Me!

My IMMACULATE HEART will be your refuge and the path that will lead you to GOD; if you, as meek lambs, let yourselves be rescued by Me, healed by Me, cleansed by Me and led back by Me to the 'Safe Sheep' of the MOST SACRED HEART OF JESUS, which awaits you all, with open arms to love and save you. ..

My IMMACULATE HEART will be your refuge and the path that will lead you to GOD; if you faithfully live the Consecration to My IMMACULATE HEART every day, fulfilling all the vows you made to Me on the day of your Consecration, living one in a perfect union of love and life with Me. And at all times letting yourself be molded by Me, modeled by Me, imitating My Virtues, renouncing your will and fulfilling Mine, even if it demands of you: Heroic Love and Sacrifice!...

My IMMACULATE HEART will be the your refuge and the way that will lead you to God; if you My beloved children are the 'true messengers' of My HEART!... The true sowers of My Messages in the midst of the world and My 'valiant Heralds', who lead everywhere; My messages of peace, love and pain!

In this way My children, the plans that GOD entrusted to Me will be fulfilled, the plan that I started in PARIS, LA SALETTE, LOURDES, to which I gave greater strength in FATIMA, passing through MONCHICHIARI, all the Apparitions, until ending in this My Apparition here!

So... working with Me, struggling with Me, suffering with Me; you will also win with Me and help Me to bring to this world, the new Heavens and the new Earth: Land of peace, goodness, justice, holiness, purity and love!... Where there will only be: love, happiness and concord...

Every day that you obey Me, pray and fulfill what I say, you are My children putting an extra brick in the beautiful construction of the TRIUMPH of MY IMMACULATE HEART! If you follow the example of My daughter PIERINA GILLI, of My little son MARCOS and of My SEERS who loved Me with all the

strength of their hearts; working for Me and serving Me, with joy every day, I will lead you to the complete victory of My HEART, to eternal salvation and happiness that will never end!...

I bless you all today... From LOURDES, from MONCHICHIARI and JACAREÍ... In the name of the FATHER, the SON and the HOLY SPIRIT.

Rest in the Peace of the LORD...

Marcos, Peace!... Peace!... Peace..."

Message from Saint Joseph

“-My children... My MOST LOVELY HEART blesses you today, once again... And pours out peace on you!...

Continue to come to this “Place”, chosen by you and which is Our Abode in Earth... Here, you will be comforted, helped and relieved in your sufferings.

Here, your hearts will always find the Grace of GOD, ready to help you. And here you will always find 'Divine Wisdom'; to be able to resolve the difficult situations in your lives, overcome all trials and arrive safely in Heaven!

Here Our Hearts will do a beautiful and worthy work in you for the ALMIGHTY, which will give Him joy and contentment.

I Am together with MARY, the 'Ark of the Covenant'... In Me GOD and man finally meet and sign a perpetual Covenant between God and man and reconciliation takes place!

In Me, in MY Heart, were also deposited the Treasures, of the Old Law and the New... And here is enough Wealth and Treasures; to enrich you, to elevate you all!

I am, yes, this Blessed Ark! And everyone who wants to find GOD and get to Him, must first: come to Me, get to Me and I will take him to the LORD! And then the soul will meet Him!

I am your Father, and it is My 'Paternal Mission' to lead you to a continuous, perfect, and profound encounter with the LORD...

Give Me your Heart!... Give Me Your Soul!... Give Me your will, freely, and I will

lead you to the LORD!...

Peace to all of you My children... Continue to pray all the Prayers that We have given you; through them GOD will draw very close to you and you will be very close to Him as well...

My Heart watches without ceasing for you! Don't back down, don't be discouraged, don't ever doubt My Love!...

Peace!... Peace, Mark...”

Message from Saint Joseph

"- Dear children..., I love- with all the strength of My heart... and I bless you again today...

BE RAYS OF LIGHT FROM MY DEAREST HEART...

BE RAYS OF LIGHT FROM MY MOST LOVELY HEART, to illuminate this Earth completely darkened by sin, evil, and satanic forces that in these last times have spread throughout the Earth to lead the whole world to perdition.

BE RAYS OF LIGHT FROM MY MOST LOVELY HEART, bringing light where there is darkness...

Faith, where there is none...

Love where there is hate,

Peace where there is violence...

Purity, where impurity reigns. ..

Meekness and humility where there is pride

And perfect obedience to the Lord where there is rebellion against Him and His Law of Love...

BE THE RAYS OF LIGHT FROM MY MOST LOVELY HEART that carry the splendor of virtues everywhere, of the holiness of God's love and of his holy law...

BE THE RAYS OF LIGHT FROM MY MOST LOVING HEART that wherever it arrives turn even the deepest night into a luminous day...

BE THE RAYS OF LIGHT FROM MY MOST LOVING HEART, In front of this perverted and atheist world that has voted to be pagan and that definitively departed from God and from his holy law, which is peace and love.

In this way, you will be my true children and you will help me a lot to renew this world..., to save it and transform it from a stinky swamp into a bright, beautiful and fragrant garden.

If you are the rays of light of my Most Loving Heart, you can be sure that my light will reach the furthest ends of the Earth and all this poor humanity that freely wanted to be enslaved by satan by sin will be able to be freed and definitively return to Our Lord our God...

That's why I asked you to make my hour of prayer... That's why our Three Sacred Hearts asked you to make the cenacles everywhere; these cenacles of prayers blessed with the hour of peace and the meditated rosary that bring to all souls to all hearts the rays of light from my Most Loving Heart.

In your fragility I will show my strength...

In your smallness I will show my greatness...

Even in your faults, my perfection will shine even more if you, as true consecrated to my Heart, are docile and obedient to everything I have commanded you.

Through you I will make the rays of light of my Heart shine over the whole earth and then all tongues will proclaim the glory of the Lord who sent me..., who sent us... Our Three Sacred Hearts until here in Jacareí to spread his mystical light of peace, love and salvation throughout the Earth.

Continue to come here in this chosen and chosen place of our Hearts because here, we want to proceed with your conversion...

We want to beautify you, elevate you to high holiness...

There are graces that we can only do here... That's why you need to come here singing and praying in procession, with an open heart and soul, well disposed and purified so that you can receive our graces.

Pray..., pray a lot, because only with prayer, you can understand our love, receive it in your souls and there make it grow in you until it reaches its fullness.

Peace my children... Peace landmarks... I bless you with love...!"

Message from the Angel Neriniel.

"-Mark, I, Neriniel, come to bring you peace. Pray. Only with prayer will you be able to understand the Divine love and the love with which We, the Angels of God, love you. Only with prayer will you be able to understand what Our love asks of you and what you have to do to respond to it. Only with prayer will you understand what opposes Our love in you and what you must do to eliminate all those things that prevent your total consecration to Us. Only with prayer will you have the strength to love Us and follow Us along the path of perfection without fatigue. Only with prayer will you understand what kind of union we want to have with your souls.

Do not be discouraged. We all in Heaven fight for you . Count on us always. Peace to all."

Message from the Most Holy Mary
(Advanced Feast of the Nativity of the Most Holy Mary on 05/08/2008)

“-Dear children...; today... when you are already celebrating the birth of your Heavenly Mother, I call you all to listen once again to the throbbing of My Immaculate Heart that pulsates... that burns... of love for you!
... My SPIRITUAL CRADLE welcoming Me into your souls and giving Me the full correspondence of your filial love.
The function of a crib is to welcome... protect and warm the child who is reclining in it.
Be therefore My spiritual cradle, thus giving your Heavenly Mother the shelter of your faith..., The warmth of your love..., and the perfect correspondence of your hearts to My plan, thus forming, around Me, a crown of devotion..., of filial protection of the children who surround the Mother and who fight with Her against all their enemies.
Be My spiritual cradle allowing me to rest in you..., I rest a little from My arduous struggle to try to save this perverted world that has returned to being pagan and that has turned away from its creator and Lord...
Be My spiritual cradle, thus giving Me the possibility to lean on your souls to

then beautify them..., perfume them...., illuminate them and transform them into the perfect image, likeness and reflection. of My own most pure soul and so I can see carved in you My virtues, My qualities and My holiness.

Be My spiritual cradle, opening Me more and more the door of your hearts and your lives, so that I can accomplish in them all that I have planned in these Apparitions to lead you and all humanity to the Triumph of My Heart Immaculate.
Be the spiritual cradle of your Heavenly Mother so that through you I can save so many souls that are in danger of being lost and lead the Church and humanity to the second worldwide Pentecost that the Holy Spirit will soon do through Me and with me. Humanity and
the whole Church have now been obscured by the darkness of apostasy, loss of faith...., violence... hatred..., impurity..., greed..., selfishness and the worship of power and money. But, through you, who answer me YES and who join My army of Peace, prayer and love... through you, I can still reflect in the midst of this dense darkness My resplendent rays of light that wherever they go they make the Glory of the Lord shine and produce His greatest victory.

Through you, My little children, who have given yourselves completely to My love and My plan, who deny Me nothing and who do everything to fulfill what I have revealed to you, in you and through you I can still reach the My poor children who are already so involved by Satan's darkness that they have already become blind to every ray of light. Thus, I bring to them My soft but POWERFUL light, which restores their sight, which makes them see the pitiful state in which their souls are and which makes them resurrect to the life of grace through a profound and sincere conversion.

Thus, you become the Feet of Your Heavenly Mother... The Hands of Your Heavenly Mother... and even the HEART OF YOUR HEAVENLY MOTHER, who gives all her love..., her affection... , His protection and His peace.
If you are My docile instruments, I will be able to send My grace through you to the hearts that are farthest from Me and I will be able to attract them to My Heart and enclose them in it...
FORWARD THERE!!! COURAGE!!! DON'T BE DISCOURAGED! THERE'S A LOT OF WORK TO DO!!!
You must now serve Me, obey Me and answer Me more than ever!
As the time for conversion runs out, and the hour of Divine justice approaches, your courageous, arduous and intrepid action becomes more necessary to bring My messages of pain and love to all hearts.´

Work untiringly, therefore, to save what can still be saved. Do not worry about anything, for it will be My grace to work through you.
You will only have to bring My Messages, My Apparitions to everyone's knowledge and My Immaculate Heart will do the rest.
The soul that is born of God, that is of God, will hear My voice and will come to meet Me. Whoever is born of the devil and who has him for a father, when he hears My voice, will not come to Me before, he will be furious against Me. But this is how it has to be My children!
It is the mystery of iniquity... Don't worry about it... Just worry about doing what

I tell you for the good of souls and all humanity.

Continue, with all the prayers that I have given you here, because through them, every day, I have led hundreds of people's souls back to God through the safe path of My Immaculate Heart... You will still see WONDERFUL...
YOU WILL SEE THE WONDERS THAT I WILL DO THROUGH THESE PRAYERS THAT LEAVE HERE.
Today, to all of you I, YOUR MOTHER GIRL, newly born, bless you with love, pouring out on you My SPECIAL BLESSING that will last with you until the end of your life and that you can transmit only with your eyes and with your thoughts to everyone you meet. .. In the name of the Father... Of the Son... And of the Holy Spirit
Be my apostles..., be my valiant warriors... be my children... ...sons of light
... My Grace, My Love and My Peace to all...
I bless everyone today!"

Message from Saint Margaret (Martyr)

"-Dearest brothers... I, Margaret, bless you once again today and give you peace!...

As you yourselves heard during the Prayer, I am a Martyr of the LORD... For Him I gave My life; in sacrifice to witness to all, the truth of the Holy Catholic Faith and how much the LORD deserves to be loved and served by all...

I am with you to help you to be also 'Signs of the Love of the LORD'!

Be Signs of the Love of the LORD, in the midst of this world; who turned back to being a

pagan, who turned away from the LORD GOD and from His LAW of LOVE, and who plunged totally into darkness: from apostasy, rebellion against God, sin and violence!

Be signs of the Love of GOD, in the midst of this world; who has become insensitive to the calls of the LORD and madly treads the paths of perdition and his own destruction!

Be Signs of the Love of GOD, in the midst of this world; that definitively closed its doors to CHRIST... And on the other hand, it opened them wide to Satan, who seduced him and offered him his idols: money, pleasure, power, impurity and violence...

Be signs of the Love of GOD, in the midst of a world; increasingly dominated by the spirits of darkness, scattered in the air, which sowed everywhere: spiritual desolation, relaxation of faith, in prayer and in the service of the LORD and plunged souls into a great abyss of apostasy, rebellion and unbelief. for the things of the LORD!

Be Signs of the Love of GOD, in the midst of this world; that every day moves further away from the LORD, moves away from the Mother of GOD, closing her ears and her heart to His Messages of PAIN and LOVE...

Be signs of the Love of GOD, in the midst of a world; increasingly dominated by violence, evil and injustice.

If you are this Sign of Divine Love; for a life of perfect correspondence: to the Love of GOD, to the plan of the LORD that is revealed to you, through the Messages of this Place; you, then, will truly succeed in leading countless souls to God and to the way of salvation!

If you, with your life, truly obey the Messages that are transmitted to you here, your lives alone will speak enough to the world and it will see in you a luminous beacon, so that you can rediscover the path of peace, love and of salvation.

I am with you, to help you and to lead you to truly be, 'Sign of the Love of GOD'! You must banish from your lives every kind of sin and everything that leads to it; so that in your souls there is not a shadow, nor any stain, that can obscure the supernatural light of Divine Grace in you and thus prevent souls from seeing the Light of the LORD and His LOVE! I am with you every day and I promise to help you.

Do not be discouraged! Do not despair! Do not grieve! Don't back down...

Helped and led by Me, you will overcome all kinds of difficulties, as I have overcome them; you will heroically keep faith, love and hope... and you will surely reach Heaven....

I bless you all with love! Continue to say all the prayers that have been given to you here, through them you will be able to be giants in faith and in love for the LORD and His Mother, if you want it and if you are always diligent and faithful in these Prayers.

I'll be back soon!

Peace to you all!... Peace to you Marcos, I bless you, I will pray for your recovery. Peace!"

Message from Saint Agnes

“-Dearest brothers... I, Inês, Servant of the LORD and of BLESSED MARY, greet you again and give My Peace!

Be the LORD!... For a perfect and total surrender of yourselves to Him and His LOVE!

Be the LORD!... Conforming your life to the LORD's Law of Love and trying to respond to His Love with all your strength every day of your lives!

Be the LORD!... Moving away from everything that offends and hurts Him, so that; May your hearts always remain faithful to the LORD and to His Will.

Thirst for the LORD!... Looking more and more for what pleases, content and gladdens Him; making your life a constant and perennial Song of Love to the One who created you from nothing; that preserves and maintains you, that nourishes and preserves you by His Love, to serve Him and give Him Glory!

Be the LORD!... Doing as I did, turning away from everything and everyone who seeks to distance your hearts from the LORD, and even to usurp your hearts; so that your souls, freed from all earthly attachments and ties, may be free inwardly in truth and in life.

Be the LORD!... Seeking more and more to love Him, aware that the degree of love with which you arrive at the end of your life will be this degree of love that you will have prolonged in Heaven! Therefore, it is only the time of this life that you have, to learn the 'Perfect Love' of the LORD.

Seek Him... Seek to love Him! Seek to increase your love while it is still DAY and you can work; because soon the NIGHT will come and then you can't work anymore... And what each one has collected at the end of the work DAY, that's what you will have in payment.

Thirst only for the LORD... Seeking to be His Apostles of the Last Times; Apostles of Light; who bring His Grace, the Light of His Love and His Presence to this immense world in darkness, dominated by apostasy and the spirit of evil!

Be only for the LORD... In the midst of a humanity dominated by violence, selfishness, impurity, evil and a great darkness that blinds and suffocates it...

Be only for the LORD... Seeking to be peace in the midst of violence; light in the midst of darkness; love in the midst of hate; generosity in the midst of selfishness; grace in the midst of so much sin!...

Be only the LORD's... Seeking more and more to spread His Light, by word and example, so that wherever you go your light may shine and it may be seen by all men , so that they may give Glory to GOD and know His Love.

Be only for the LORD... trying to help the HOLY VIRGIN in Her Apparitions, which are the LAST AND ONLY SALVATION TABLE, which the LORD grants you, helping her to bring His Messages to everyone's knowledge; so that together with her you may make light triumph over darkness; love over

hate; grace over sin; peace over violence...

If you, do all this I tell you, you can be sure that your world will change and be better! If you do all that I tell you, you can be sure that a time of peace will come for you and you will be happy.

I, INESE, am with you and I keep you all under My Mantle. I promise at all times to be close to you; if you call on Me, if you live in a perfect union of life and heart with Me, making your life belong to Me and at the same time making Me a part of your life.

If you live like this... in a perfect Consecration to Me, I will be able to act a lot in your lives until I take you to that degree of truly scorched and ignited Love, to which I arrived by the LORD and by the BLESSED MARY.

If you follow Me along the Road of Love, Penance and Prayer; I can truly take you to that Place, right next to Mine in Heaven; where I wish you all to hug you, kiss you and love you also for all eternity... And with you I sing the Glory of the LORD for centuries, for centuries without end!

If you My children are, you are, true followers of My examples, then you; Truly, you will sing the Glory of the LORD with Me in the midst of the Seraphim.

I love you with a sisterly love, but also with a certain maternal love; how the Mother loves her little children and gives her life for them if necessary; so too, so too I love you... That's why I will do everything... everything... until I see you in Heaven by My side.

I will do everything and I will not rest as long as I have you next to Me, singing the Glories of the LORD in eternal happiness!

Continue to pray all the Prayers given to you here, because through them I can break the last resistance to the Will of GOD in you; I can cleanse you from the stains of your miseries. And I can give you the inner strength you need, to be intrepid in the service of the LORD and to love Him and His mother without webs...

I bless you all now in this moment with Love..."

Be... you the ECHOES of My MOST LOVELY HEART!!!

Be the ECHOES of this My HEART, burning with Love, for this world that has plunged into the depths of darkness and lies as if dead on the paths of self-destruction, which it has prepared for itself

This is MY TIME! That is why I am appearing here in an extraordinary, new, resounding way... to give the world: the certainty of My Love, of My continual presence, of My paternal Mercy and of My continual help, with which I wish to bring you every day more to a greater perfection of life and a more eminent degree of holiness...

Be the ECHOS of My HEART... repeating in every time and place; My Messages and trying to spread My HOUR of PRAYER so that others know Me, love Me and consecrate themselves totally to Me, so that I can save them! I

thank you for all the Prayers, continue with the CRUSADE OF THE ROSARY and all the PRAYERS that WE have given you here, because through them, we have prevented many evils in the world and led many souls back to the encounter with the LORD and with the MOTHER OF GOD!

Pray!... Only through PRAYER will you be able to understand MY LOVE, what I say to you and what I expect from you in MY MESSAGES.

Peace Mark, peace to you all. I bless you abundantly..."

Message from Saint Joseph

“-Favorite Mark, peace!

Today, when you and your brothers commemorate another month of Our extraordinary Apparitions here, My MOST LOVELY HEART blesses you again!

Be the docile instruments of Our HEARTS; for the salvation of all... of all this humanity.

Be the luminous beacon... that dispels the darkness: of sin, ignorance, selfishness, hatred, impurity and violence.

Be the luminous beacon... that drives away the darkness: of rebellion against GOD, of rebellion against His Law of Love, of rebellion against His Holy Catholic Faith, of rebellion against the Love of GOD; that everyone wants to save and make happy!

Be the luminous beacon... that reflects the light to all, which emanates from Our THREE MOST SACRED HEARTS In this Place... so that everyone can see the Light of Our HEARTS reflected in you and for you; can see again the right path that leads to Heaven, in the midst of so much darkness that now envelops all of humanity and all of your society...

Be the luminous beacon... that reflects the light of Our THREE SACRED HEARTS; for the whole world so that Our children, immersed in vast darkness and spiritual blindness, may once again see the Light of the new day, of salvation and peace that is already dawning on the horizon for you!

Be the luminous beacon... that reflects to all Our THREE SACRED HEARTS UNITED; so that all may be again: enlightened, restored, resurrected from spiritual death, beautified and sanctified by Our powerful and supernatural Love...

Be the luminous beacon... which offers the mystical glow to all: of love, holiness and salvation; that emanates from This Place, to the whole world, so that all humanity, fallen and enslaved in sin by Satan, can finally know the hour of their great liberation and their total salvation!

If you do what We tell you here, if you do all that We have commanded you, you can be sure of always reflecting: without stain, shadow or obstacle in your souls; the supernatural light of Our UNITED HEARTS!

The light... the lamp... is useless if it is placed under the bed... but if it is placed high up, in a lamp... it gives light and illuminates the whole house! So you must be too... Shine with the light of your faith, of your love, of your obedience to Our Messages, of your hard, persevering, continuous work of spreading Our Messages; that you may be: true lamps, that shine on high and that illuminate the whole world... So that all may see the light of OUR HEARTS, which reflects and propagates through and through you, all then; may be attracted by Our enchanting Light that everyone falls in love with...

If you are lamps without shadows, your light will be great, you will illuminate countless souls and they will also become so many luminous lamps that will spread the invincible light of Our Love, which will end up triumphing throughout the world.

My children, forward! Another month has passed and what have you done? What have you done for the plans of Our THREE SACRED HEARTS? What have you done for Our Messages? What have you done for the salvation of the world? Now that time is running out, you must give your all, all your commitment, for the salvation of humanity and for the fulfillment of the plans of Our SACRED HEARTS!

Place yourselves in Our Hands... like clay, like clay... malleable, docile; so that We can transform you into whatever We want!...

Can the clay say to its modeler: -Don't touch me? Don't mold me?... No!... In the same way, be you also like clay: docile and malleable in Our Hands, so that we can print in you the shapes that We ourselves want...

Our HEARTS they trust in you and expect great things from you...

Don't back down! Don't be discouraged! Do not be discouraged! Do not shy away from Our call of love...

If you are Our Servants: ready, determined and faithful; nothing will be able to stop you from serving Us and making your life concrete, real and palpable Our plan of salvation and love...

I now bless you all with Love, pouring out on you the deepest Blessings of My MOST LOVELY HEART ...

I, JOSEPH, leave you peace!”

Message from Saint Apolónia

"-Beloved brothers... I, Apollonia, the servant of JESUS and the VIRGIN MARY, give you peace and bless you again today.

See... How great is the love of the LORD, who has called you here at His feet, that filled you with so many lights and benefits and transformed you into true children of His Light and His Grace!

Be, true children of the LORD and of MARY IMMACULATE... living according to Their desires, in a profound and total Consecration of you yourselves to His Love, so that in your life and in the lives of your neighbors, the holy will of GOD may be done and the Lord will see His designs fulfilled and carried out in you!

Be you, true children of the LORD and of MARY IMMACULATE... trying to have in you the same feelings that They have, the same desires, the same loves, the same intentions... So that, in perfect communion with Them, your life be a continuous act of glorifying GOD and His MOTHER and also a perfect witness and proof of Their Love for all men.

Try to reach this communion of feelings, desire and love with GOD and with His BLESSED MOTHER; through a life of deep prayer, meditation, reflection,

and conforming your will to Their will.

If you, follow this road that I show you, you will arrive at the Perfect Supernatural Union with GOD and then, you and GOD, will be one thing in love, you will be one in Supernatural Love... When the fire of Divine Love is kindled in a soul that welcomes it, this fire spreads throughout its being and transforms it into a true living flame of love... then; that fire spreads more and more until it takes over the whole world, making it burn in the flames of the charity of Divine Goodness!

Be you, the true children of the LORD and of MARY IMMACULATE... seeking at all times and in all things to shed the mystical and supernatural light of the LORD, who desires through you to reflect and expand to the world. whole; until all souls see the light, know the truth, free themselves and be saved!

If you are the true transmitters of the Light of GOD, of the light of MARY IMMACULATE, of His Grace, of their truth and goodness to all humanity... you will truly see this immense desert of selfishness, violence, evil and from sin to transform itself... into a lush and fragrant garden of goodness, love, holiness, happiness, charity and peace!

If you are the true children of GOD and of MARY IMMACULATE, you will be recognized among the ANGELS of GOD as such, as His true children and His worthy heirs, and then; ye shall reign with them for all eternity, in perpetual bliss that shall never end!

Be, therefore, the true children of GOD and of MARY IMMACULATE... so that in your souls light always triumphs over darkness; good always triumphs over evil; peace always triumphs over hatred and violence; love always triumphs over selfishness and evil...

So your hearts will already anticipate Heaven on earth and then your passage will be a smooth one... a smooth ascent and change to a much more beautiful Place, which awaits you, where You will be happy for all eternity!...

I was a true daughter of GOD and of MARY IMMACULATE and that's why I can help you a lot, because I know how to reach this perfection of holiness.

I have already walked this path and I know how to get you to it, I know how to lead you to GOD and to His BLESSED MOTHER without error, without falling or fatigue.

Come, then, to Me! And I will give you all the graces necessary for you to reach that eminent holiness to which you are called!

Let yourself be guided by Me, accepting all the good graces and help that I want to give you, through deep Prayer. If you love Me and if you are truly willing to follow Me, you will feel My presence, My visit in prayer, giving you good and holy purposes; good ideas; good motives, which will lead you to follow, correctly and without error, the path of perfection and holiness.

I love you very much and I pray for you in Heaven without ceasing...

I bless you all now and I leave My Mantle on you to cover you, to guard and defend you always!

In the name of the Father, of the Son and of the Holy Spirit...

Peace milestones... See you soon!... I'll be back soon... I love you, my favorite..."

Message from Mary holy

“-My beloved children... today, when you commemorate My Apparition that took place in LA SALETTE, in the year 1846 to My little children MAXIMINO and MELANIE, I thank you and again I call you to continue following the road, which on that occasion I pointed!

With my eyes shedding Tears without ceasing, I spoke to My two little children, calling the whole world through Them to hear My Mother's cries and to return to the LORD of Peace and Salvation... MAXIMINO and MELANIE became them. if two true handkerchiefs, which dry My Sorrowful Tears.

Be you too, the handkerchiefs that wipe My Tears... for a life of prayer, of penance, of a deep desire to fulfill the will of the Lord and give Him Glory for a life completely consecrated to Him.

be the handkerchiefs that dry My Tears of Pain... through your faith that is always ardent, vigorous and deep; so that with it you can also make all this humanity burn with faith... which has strayed from the true faith; that she was plunged into apostasy and that she now lies dead in the midst of so many errors, so many false doctrines, so many sins, and so many deceptions and illusions!...

Be the handkerchiefs that wipe My Tears... through your love that is always and ever deeper, ardent, strong, generous, selfless, unlimited, unconditional, unrestricted and supernatural... to help this poor humanity to see in you the immense and true love of the LORD; so that it may be healed from the wounds of selfishness, hatred, violence, evil, wars, discord, disunity and so many evils that plague this humanity;... , without love and who now drinks the bitter cup that she herself has filled for herself.

be the handkerchiefs that dry My Tears... through your hope; ever firmer, ever more vibrant, ever deeper... that makes you more and more hope and trust in the promises of the LORD, certain that He will never abandon those who declare themselves for Him before men and that He will come with His power and its glory, to establish in this world His Kingdom of Love, which is already in a way begun and prepared by your hands... when you work with Me, when you pray with Me, when you collaborate with Me in My plans for the salvation of the world.

be the handkerchiefs that dry My Tears... through the exercise of all the virtues; so that your souls may be a flowery and varied garden, where flowers of all kinds and of all colors are born, to please My LORD and My IMMACULATE HEART, which sends Me to you as 'Heavenly Gardener', to cultivate all of you, pulling the weeds out of your hearts, right down to the roots, that is... your attachments, your self-love and your sins in order to transform you: into beautiful, fresh and fragrant flowers that spread throughout everywhere the sweet odor of holiness, of love, of divine grace.

be you the handkerchiefs that wipe My Tears... through your soul, more and more identical to Me, more and more My Image and Likeness; so that I can reflect through you: My love, My Mercy... that wants to save everyone, that wants to rescue everyone, that wants to lead everyone to Heaven, so that everyone can see in you the My Face... always gentle, merciful and loving; always open to forgive and to receive all who wish to return to Me!

Be you the handkerchiefs that wipe My Tears... trying to be obedient to Me in everything, as were My little children MAXIMINO and MELANIE and also as My son Marcos is, so that... through your smallness, through your weakness I may show My strength, so that where satan has wounded I heal... where satan has thrown down, I rise... where satan has ruled, I take the ground he has conquered and give it back to the LORD, righteous and the only winner of the entire universe, so that His glory may be full and total in all humanity!

Be you the handkerchiefs that wipe My Tears... trying at all times and in all places that you can transmit My Messages by word, by writing, by example and in all the ways you can invent, to transmit them. and make them loved and obeyed by all.

Be you the handkerchiefs that wipe My Tears... being My true apostles of the last times, living as true consecrated ones of Mine; depending on everything from Me, trusting everything to Me, expecting everything from Me, not trusting in themselves... but living totally supported by My maternal love that no one has ever abandoned or left confused!

So... you My children... will be the true mystical handkerchiefs that dry My Tears... you will be the sweet and loving song that replaces My tears in a smile of joy and Mother's consolation; who sees herself loved, obeyed, listened to, imitated and followed by her smallest children.

So... My HEART will be able to make and break, unleash the Flame of My

Love in the world; that will consume all humanity and transform it into a true fire of mystical love for the LORD OUR GOD, then it will be the TRIUMPH OF MY IMMACULATE HEART!...

Continue to say all the Prayers that I have given you here, with true thirst and love for GOD ! in a spirit of true desire to be His beloved children, who love Him, obey Him, honor Him, and make Him loved, honored, and glorified by all!

My children... I now bless you all, with love, through the intercession of My little children MAXIMINO AND MELANIE..."

Message from Holy Mary

"- My little children..., I AM THE LADY AND QUEEN OF ANGELS. .. Under My orders are the mighty SÃO MIGUEL, RAFAEL, GABRIEL, MANOEL and all the Angels and Saints of Heaven.

Under My orders... My Angels come to defend you... Come to guard you, come to teach you to obey the will of the Lord and to keep His commandments...
Under My orders..., they turn away from you every day many dangers, many evils and they keep you in the midst of the sufferings that you have to go through in this valley of tears so that you can arrive unharmed in the Father's house.

Under My orders... My Angels come to you to make you UNDERSTAND My Messages, My will and what I expect from you, and in this way to bring you to the full correspondence that the Lord and I expect from all of you and to bear those fruits of holiness that the world so desperately needs so that it can finally be satiated from the great spiritual hunger it is experiencing.

My Angels... come to you..., with their hands full of the graces that My Immaculate Heart emanates for you, in order to flood your life and each day of your pilgrimage on Earth with light, love, peace of serenity and comfort in the great trials that you have to go through now that we are at the end of time.

My Angels... come to you..., hurriedly to lift you up when you fall, to lift you up when you are tired and to help you move forward when you stop in the middle of the way and no longer want to go forward.

My angels..., come to cut all the ties, all the threads of the attachments that you still retain so that, well free and unencumbered, you can move on along the path of perfection and holiness without anything stopping or delaying you. .

In this way, you are each day led, guided by My Angels and you are getting closer and closer to that perfection and that supernatural union with Me and with the Lord.

Trust them. ENCOURAGE YOURSELVES ESPECIALLY TO SAN MIGUEL who has the task of defending you in Satan's snares. To open your eyes to the snares so that you can overcome them all, defeat the enemy and remain faithful to the Lord.

SÃO GABRIEL has the mission to strengthen you in the battles that you have to fight in your lives, it has the mission to make you more and more ready and solicitous to answer yes to the will of the Lord and to take your yes to Him (God) as he did with me at the announcement.

SAINT RAFAEL has the mission to heal your spiritual wounds that you acquire in the fights against satan. He has the mission to preserve your body,. Your mind, your soul and keep them in perfect balance and health so that you can serve God with all your powers and with all your strength.
Saint Raphael pours balm on the wounds of your souls so that you can have the comfort and relief of Divine Mercy in you at all times of your earthly pilgrimage.

And with you are YOUR GUARDIAN ANGELS who guide you, who enlighten you and who if possible would give their lives to preserve your size is the love they have for you.

So My children, surrounded by so many heavenly friends, so much support and so many... so many companions that the Good God has arranged for your good, you, on this Earth, can do good even when you suffer..., you can serve God himself. shedding tears, you can respond to the Lord even by carrying the cross...

And no man can excuse himself for not being able to do good if he has so many and so loyal friends from Heaven.
Blessed is the soul that entrusts itself to them, surrenders itself and lets itself be guided and guided by them, for it, already on this Earth, will taste a drop of what is the conviviality of the Saints in Heaven.
This coexistence, if well started here on Earth..., if lived with depth and intensity, will lead you to live happy and content even if you go through storm and turmoil* in your life. Thus, you My children will already live a drop of what will be your eternal coexistence with the Angels in Heaven.
I bless you all with love today through My Angels and I give you My Peace..., Peace to all!..."

Message from the Blessed Virgin Mary

"-Pray. Pray without ceasing. For every situation in human life it is necessary to pray. With prayer, man can be sure of the company of God in his life. When you pray, I myself am closer to you than never. Pray. Pray."

Message from the Most Holy Mary

“- Beloved children..., with My Immaculate Heart..., full of love and pain, I come to you today..., full of love because I am the Mother and Queen of Brazil and from you My children who obey My Messages and who come here with so much love to console Me and listen to My Heart, receive from you the glorification, the love and the consolation that the Mother from Heaven awaits all its children...

I come to you with PAIN because unfortunately, even after seventeen years of My continuous Apparitions here with My Son and Saint Joseph, with the Angels and Saints and also My Apparitions and Lachrymations in Brazil in past years, My Messages. .. my appeals have not yet been obeyed...

My Heart is filled with concern seeing not only this Earth but the whole world filled with violence, sin, evil, selfishness and so many darkness of apostasy, atheism, hedonism and so many other things that My enemy, the adversary, introduced into this world because he found in it souls who were willing to help him to implant his kingdom of darkness, of evil for their lives full of sin .

I want you to understand that when you sin you become ENEMIES OF GOD, you crucify My Divine Son Jesus Christ again, becoming His enemy, separated from Him and His grace and you become friends and slaves of Satan.
When you sin, you freely place yourself under the bondage of Satan to serve that cruel master who, after demanding all the efforts of his servants, all your efforts in the services of evil and sin in this life, will give you as payment... , as wages and reward the eternal torments in the endless flames of hell.

On the contrary, My Divine Son Jesus Christ and I, after receiving the services of our servants and our slaves of love in this world, reward them with eternal happiness that will never cease in Heaven.
Our true slaves of love already live on this Earth feeling that peace, that joy and that happiness that the blessed enjoy in Heaven; and even if they suffer in this life because I did not exempt them from suffering just as God did not exempt me from suffering while I lived on Earth, even though they suffer they have My presence as a Mother that comforts them..., that consoles them.. ., that helps them..., that revives them..., that sustains them..., that strengthens them...
Thus, My beloved children and My faithful servants live each day in the firm hope that one day they will reach My feet on My throne in Heaven. And how many of My children have despised My love and My friendship, the love and friendship of My Son Jesus Christ to be friends with the devil for a life full of sin and everything that is contrary to God's holy law of love.

My children, you need to return... you need to return to the Lord who is the God of your salvation and your peace. Only in Him will you have true happiness and the fullness of life.
Only in My arms will you have all the peace, all the love and all the consolation that your hearts desire and for which you are so hungry and thirsty.
Only in Me will you find true and faithful love that does not pass away but lasts forever.
I therefore call you to come here full of confidence.
Those who give themselves to Me and give themselves completely to My service, obeying My Messages and working with Me..., collaborating with Me to establish in the world the kingdom of My Immaculate Heart, to these I promise to give all My love with all My Mercy. and the whole range of graces that My Immaculate Heart has to offer.

So my children, you will live in Me and I in you... I will reign fully in you and I will be able to mystically generate Christ again in you until, He becomes completely great and absolute Lord in your hearts.

Continue to pray My Meditated Rosary and all the prayers that I have given you every day because only they can save Brazil and the world from this serious hour that weighs on it.

I..., promised that My Immaculate Heart will triumph at the end of the great battle that I am fighting with My proud enemy satan, who now presents himself as the sure winner and the lord of all humanity. Trust therefore My children because through your Rosary prayed every day with perseverance, with love and trust SUDDENLY I will snatch everything that My enemy has stolen from My Lord, and I will return everything to the JUST LORD King and owner of all things.

My Immaculate Heart will then triumph because I will reign in the will, freedom and life of all My children. Then it will be the KINGDOM OF MY HEART, THE KINGDOM OF MARY ON ALL THE FACE OF THE EARTH.

Follow confidently along the path that I have traced for you. You just have to follow the path I made for you and then the end of your journey will be holiness, eternal glory forever beside Me in Heaven.
I love you, and because of this place, because of My son Marcos, of all the works of all the works that he undertakes for me, and for me, and for the love he gives me I promise to save Brazil, I promise to save the WORLD.

Always remember this: For a soul that truly loves the Lord, for a soul that truly loves Me and elevates itself, the Lord pours out His mercy on His children, on so many souls, on so many nations, on the Earth. ...

I..., My children..., I bless you all now..."

Message from the Angel Jophiel

"I, JOFIEL, give you peace!

Man can only understand the Messages through love...

Whoever does not have it, pray to GOD asking him and the LORD will not deny him this Grace.

Only through love can man understand and accept that this life is fleeting... And that it is a preparation for the true life that is in eternity!

Only through love does man understand that this life is a school to love God. And whoever does not learn to do it in this life cannot do it in the next!

Only by love does man understand, that the LORD GOD took him out of nothing and brought him into existence, so that man may ADORE HIM, SERVE HIM; and so may he be a partaker of eternal happiness.

Only through love does man understand that he was created in the pure love of GOD, to love GOD and be loved by HIM.

Peace Marcos, favorite of the ANGELS, stay in peace!

Message from Most Holy Mary

“My children, today I come especially with the virgin and martyr SANTA BRANCA, to give you once again so many blessings, so many Graces, My Peace and My Maternal Message; to elevate your souls to a high degree of holiness and to transform them into a living reflection of My own beauty and holiness.

My children, I have been calling you for so many years to sincere love towards GOD... When I say sincere love, I mean ready, decisive, impartial, unrestricted, unconditional and full love towards Our LORD. The soul that hears the call of the LORD; either by My Messages, which is the extraordinary means by which GOD has called you, or by the ordinary events of your life, and this soul does not immediately answer YES to what the LORD asked of him to the call he received, this soul becomes unworthy not only that God should call her a second time, but she is also unworthy that God should call her into His presence at the hour of death.

The soul that knows God's will, that hears His call but does not serve Him, that soul deserves God to abandon it forever.

The Lord has already abandoned many of these souls! If some have not yet been completely left by My Son, it is because I am in charge of begging him insistently for you... You cannot My children... take any longer to respond to the call that the LORD sends you at this end of time!

You are called to be the 'Apostles of the Light of My HEART', the 'Apostles of the Light of the LORD', who carry Our Messages, Our Grace and the light of truth everywhere!

If you do what I tell you My children, then you can be sure that you have answered YES to the call of the LORD and that you have truly fulfilled His will, and then your souls will be able to rest in the peace of the certainty of still having the friendship of GOD. ..

Therefore, I call you to fulfill all that I have said to you, if you follow Me along the path that I have marked out for you, then you can be sure that the Lord will call you many times during your life, as he did with Samuel and will reveal to you his divine will more and more and finally, at the hour of death, will reveal to you his last will for you, concerning you.

Come My blessed one, come and take possession of the Kingdom that I have prepared for you from all eternity!

Peace My children... Be faithful to GOD! Fulfill your role as true Catholic Christians, My children, children of Our THREE SACRED HEARTS UNITED,

children of Heaven and chosen saints, loved and very dear to the Heavenly Father and the Heavenly Mother!..

Peace... Peace Marcos , I love you My favorite...”

Message from Santa Branca

“-Dear brothers, I, SANTA BRANCA, love you with all My heart!

I come from Heaven today with Our QUEEN to pour out on you too, the Graces that I have attained and deserved by My faith, by My faithfulness to the LORD, by My Martyrdom, by My shed Blood. I pour out on you the effective Graces of My Martyrdom and I give you today, on this day, the peace with which the LORD filled My Heart with an immense sea!

You must love the LORD with all your strength, with all your soul, with all your mind. In the fulfillment of this resides all the perfection and all the Grace of the way... From the fulfillment of this Divine precept resides all the happiness and all the fullness of the love for which the human heart hungers and thirsts.

Do not seek to satisfy your hunger; in defiled food [1] from the enemy...

Do not try to feed your hunger on the poisoned food of the world; with its fleeting illusions, passions and temptations!

Do not seek to quench your thirst in the rotten, stagnant and contaminated water of the things of this world; that only serve to make your soul more and more arid, more lukewarm, weaker and more and more heavy... oppressed by the weight of vanities, pleasures and unrestrained desires of corrupted human nature!

Do not seek to quench your thirst and your hunger in creatures; for they do not have the bread and water which the LORD has to give you, to satisfy you and to water you.

Do not try to warm and extinguish the cold, the ice that I have so often felt from loneliness, sadness, helplessness, in the weak and inconstant transient love of the world... because you will only find colder, more ice of selfishness, lack of love and indifference ...

Seek to warm your souls in the blazing furnace of Divine Love, for this yes is eternal, it never ceases to burn for you, it never diminishes, it never changes; on the contrary, it increases more and more as you look for it and the more you look for it, the more it lights up for you and the more heat it gives you.

Come and seek the LORD! Come and seek the Mother of GOD, the love,

happiness and joy that your souls lack and need...

I gave My life for the love of GOD, for the love of the BLESSED VIRGIN! I shed My Blood in a harsh martyrdom, but I did not betray the love of My GOD and of My HEAVENLY MOTHER, whom I loved with all My Heart...

You too... keep the faith, watch your faith, keep the your faith every day praying a lot, reading and meditating the Messages the Word of Heaven; trying more and more to exercise the virtues, trying more and more to close the door of your senses to the suggestions of the evil one and trying to live perfectly united to the THREE SACRED HEARTS UNITED with your will totally conformed to Their will.

If you do this, your salvation will be certain and you will already be able to enjoy, foretaste, that joy, which the blessed enjoy there in Heaven; you will live as predestined ones who are already immersed in the transcendence of Divine Love.

I, SANTA BRANCA, promise to help everyone who comes here, I will pray for you night and day and I will not rest until I can give you a hug in Heaven, where then we will sing happily ever after the Glories of GOD, of His BLESSED MOTHER, of the THREE SACRED ones HEARTS.

Until I have you in My arms up here I will not rest... I will not stop fighting for you!... I recommend to you: Ask for the Grace of the LORD and His Mother for My Merits, for I enjoy much favor before and I promise that what you cannot achieve I will achieve for you if it is in accordance with the Will of the LORD, who always only wants Our good and Our greatest happiness!

To all who are here, I bless at this moment with Our HOLY QUEEN MARY..."

Message from Saint Joseph

"-Beloved children, My MOST LOVELY HEART blesses you today once again and gives you My Peace!

Follow the path that I have traced for you; fulfilled all that I commanded you, faithfully observing the Holy Laws of the LORD, obeying Our Messages, the Messages of Our UNITED SACRED HEARTS... so that the world may see in you the living and permanent sign of Divine Grace and Divine Goodness ; who did not abandon this world in the darkness of violence, sin and Apostasy.

Follow the path that I have outlined for you, continuing to live in a profound Union of life with Me, fulfilling the vows of Consecration that you have made to the IMMACULATE HEART OF MARY and to GOD; so that your life may be a true mirror, which can reflect the rays of the Light and Grace of the LORD!

Follow the path that I have traced for you; living more and more in a continuous and total donation of yourselves, to the plan of love of the LORD of BLESSED MARY... and also that My HEART has traced over you; so that your lives truly become, a living appeal, a continuous echo of Our HEARTS, to this humanity far from the LORD and His Law of Peace and Love...

Continue to follow the path that I have traced for you; living a life completely detached from all things on earth, trying to live more focused on heavenly things than earthly things, living a life of deep prayer without which Divine Grace cannot communicate to your souls!

If you do this, then you will truly be walking with a quick, firm and sure step, determined and constant along the path that I have traced for you...

To all today, I bless and give My peace."

Message from the Angel Jodiel

“ Marcos... peace, I am ANGEL JODIEL!

The soul that sincerely loves the LORD, does not know how to give him less than his all.

The soul that does not give all its freedom to the LORD, does not truly love him and makes himself unworthy of His friendship.

The true devotee of the Holy ANGELS does not govern himself, but rather lets himself be governed and guided by us by the ANGELS, on the path of life and holiness...

Only prayer can bring good things . dispositions to the soul so that it accepts the Will and Grace of GOD and collaborates with it.

Peace Marcos, my friend, I bless you.”

Message from Saint Victor

"-Beloved Mark, I am SAINT VICTOR, servant of GOD and of the IMMACULATE VIRGIN..

I love you immensely, I protect you and I keep you without ceasing under My Mantle.. I inspire you, I lead you... along the road of Perfect Love, of total and complete Consecration to the SACREDEST HEARTS on the road of the good pleasure of the Most High.

I love you all who are here, I am the protector of all the pilgrims who come to this Shrine to pray and who strive to obey the Messages of the SACRED HEARTS of this Chosen Place.

Here... In this Place that Heaven loved and reserved for itself, In this Place that GOD consecrated to His Mother and to Him... the graces for you, are granted without limit of loot, you can collect as much as you can carry!

It happens, that your spiritual life does not improve, because you do not have your heart well disposed before the Grace of GOD, that is; resolved to renounce what needs to be renounced... to leave what needs to be left... to give what needs to be given... and to surrender to the LORD what is rightfully His, and you must restore to Him. In this way many Graces are not granted to you...

This is exactly what the BLESSED VIRGIN said to Santa Catarina Labouré and also to Marcos Tadeu: Many Graces, many luminous rays do not come out of the BLESSED VIRGIN's fingers, because they are Graces that are not granted, because human beings do not want them... They don't want the graces of sanctification, they don't want the graces of spiritual perfection, they don't want the graces that elevate the soul from the condition of the brute animal creature, to transfigure it and transform it into the image and likeness of its GOD. In this way, many Graces do not come from the Hands of the BLESSED VIRGIN, because men do not want them...

Do not be of the number of those foolish and dull of heart and understanding... Try to be of the number of those who, using the gift of understanding, wisdom, piety, the holy fear of God, seek what is truly necessary, leaving the superfluous aside. ... nothing is more necessary for you than to ask, that the

will of God be done in your life, that you love God with all your heart and know how to please Him and give Him contentment.

This is... the only and main objective of your existence in this world: TO LOVE GOD WITH ALL YOUR HEART... WITH ALL STRENGTH... WITH ALL UNDERSTANDING... WITH ALL SOUL... AND TO LOVE TOO HIS MOTHER AS HE LOVED... AND HOW HE EXPECTS YOU TO LOVE HER!...

I gave My life for CHRIST very young, I didn't hesitate to give My life to those who wanted to take it, when I had to bear witness to CHRIST, I witnessed with My life more than with words.

Be you too, seek with your life to show this confused and lost world in Apostasy, in violence, in errors, in sins, in the darkness of darkness THE LIGHT OF THE LORD!

If you are these beams of light, soon the darkness of satan in this humanity will be annihilated and the world will know the new Time of Grace, which is already coming... The Time of the TRIUMPH OF THE UNITED HEARTS OF JESUS, MARY and JOSEPH!

Continue with all the prayers that have been given to you here, because only through these prayers, you will be able to fall in love with the Messages of the SACRED HEARTS and then arrive: to Perfect Love, to Holiness, to Perfect Joy.

If you do what I told you, I promise to help you, I promise to do everything I can to take your souls to Heaven... But do not betray My Love, do not betray the trust I place in you, do not betray the hope that I put it in you that you will follow Me and obey what I have told you. For if you do, I must abandon you to the tyranny of the devil.

I give peace and I bless you all right now..."

Message from the Blessed Virgin Mary

"-Dear children... Today, when you celebrate the Feast of My HOLY FACE, given by Me to you all here in 1994... I invite you to place yourselves perfectly in My Hands, so that I can print My maternal traits in you, in your souls, so that everyone looking at you may see My presence, full of love in you, and in this way finally find the truth and all may be freed and saved by the truth

! It is the very clean mirror where you can see the Beauty of GOD, the Love of GOD, the Grace and the Perfection of GOD, without any shadow or stain... Because conceived without the stain of original sin, I could perfectly reflect the

Beauty, Perfect and Holy Image of GOD!

I wish to transform you into mirrors too... where GOD and I can reflect Our Love and so everyone can see Him, draw closer to Him; to be saved by Him!

My Heart has drawn immense plans for you... My Heart expects a lot from you, but... My plan cannot be carried out if you do not cooperate, if you do not cooperate with ME

... all that I have commanded you in My Messages.

In My FACE... you will find strength in temptations; relief in suffering; inspiration at work; cheer in discouragement; hope in despair; peace in tribulation; love in moments of loneliness, helplessness and when you most need understanding and affection...

In My FACE... you will find My Mercy... to forgive you when you sin; to lift you up when you fall; to lift you ever higher on the path of perfection, when you lively and fervently place yourselves in Mancha towards the Perfect Love, to which you all must arrive!

I am with you... especially when you pray the ROSARY... When you pray the ROSARY I am closest to you! Do not miss an opportunity to pray one more ROSARY than you already do, for the salvation of sinners and I will reward you with My spiritual visit to your souls; filling them with peace, happiness and serenity.

Pray for the world, pray for France, I love France with all My HEART! My numerous Apparitions there are proof of that. I want to save France as I want to save Brazil! I want to take her to a high degree of holiness... for that I count on your prayers and sacrifices.

Do not disappoint Me...

Peace My children, I give you peace..."

(Feast of the Apparition of Our Lady to Saint Catherine Labouré in advance)

Message from the Blessed Virgin Mary

"My dear children!... Today, when you are already celebrating My Apparition to My little daughter SANTA CATARINA... I again bless you and give you peace!

Since that Apparition of Mine, until My current ones, I have not ceased to show the world My Love and My immense desire to hold all My children to My Heart... But... souls have not understood My Love, because they there is no love... If they were like My little daughter SANTA CATARINA, who had love for Me, they would understand the value of My Apparitions and My Messages and how much happiness and wealth there is in serving Me, despising the world with its vain and illusory things!

Without love... it is impossible to understand My Messages...

Without love... it is impossible to know the secret of My Apparitions...

Without love... it is impossible to penetrate and dive into the merciful plan of My Heart...

Only through love and with love can a soul penetrate the membrane of the Mystery which is My Motherly Love; manifested in so many places on Earth for the salvation and sanctification of so many souls!

This is why I am a 'stumbling block' for some and a 'building stone' for others... for those who love Me I am the cornerstone, for every good edification... for those who don't love Me , I am a stumbling block; because, not loving Me, they cannot understand My Love and even seeing it, they cannot love it, nor reach it... since in order to reach My Love it is necessary that the soul renounce the low things to launch itself to the high ones. and only in this way can they reach and understand My Love.

Only in My Love does the soul understand the Love of GOD and manage to reach the True and Perfect Love for GOD.

My children... it was out of love that I gave you My MIRACLE MEDAL...

It was out of love that I appeared to My little daughter CATARINA LABOURÉ in Paris in 1830... Out of love for her first and for love of you also!

It is out of love... first of all to My son Marcos that I appear here in Jacareí and then out of love for you, that I continue to appear here for so many years; to lead and guide you to Heaven, to salvation, to eternal happiness!

It is out of love that I appeared in every place on Earth... each Apparition, each Message from Me is a message, an act of love that I give to you!

I will keep talking! I will continue to show you My Love, until you accept Me, until you love Me...
I am with you every day, believe that and you will have peace, serenity and light to solve your problems with balance, good census and more accuracy!

I'm with you! Believe that and nothing will disturb you... nothing will steal your peace!

I am with you and if I am with you, you lack nothing!...

I bless you all with Love and ask you to continue with all the Prayers I have given you here, because they will make you great saints..."

Message from Most Holy Mary

"-Beloved children, I am the Mother of the Second Advent!

Live with me this time in preparation for the glorious return of JESUS... living in PRAYER, in PENANCE, in HOLINESS so that; When the LORD returns, find Love on EARTH!

I am with you and I come to form you in holiness... For this, it is necessary that your hearts follow Me without hesitating, nor looking back.

So do it now... My dear children , the renunciations that I have asked you so many times, so that your hearts, freed from the weight of attachments, the vain worries and illusions of this world, can finally; rise to the most sublime and highest things and thus taste the Treasures of God's Grace !...

I want... that each one of you be a saint... And that is the plan that GOD has outlined for you! In the Saints that I want to produce here, I will give the world the greatest proof of the truth of My APPARITIONS. Therefore pray, meditate, exercise the virtues, fight your defects and seek to reach perfection and the perfect imitation of My IMMACULATE HEART...

To everyone today... with love... I bless..."

Message from Most Holy Mary

"-Dearest children... My Immaculate Heart rejoices for your coming here!
My Heart receives your consolations and the many hugs that your souls offer

Me as a gift of Love, of gratitude and of filial tenderness from the Mother who feels and sees herself loved and consoled, by the children who love her, who listen to her and who follow!

Today... marks another month of My Apparitions here! This time is a time of grace for you... This time, which the HOLY TRINITY in His unfathomable designs, determined to be given to the men of the 20th century and of this new century..., this time is a time of Grace as there never was before in the history of mankind... neither before nor after the VERB became flesh.

Now My children, to you, to whom the LORD and I have given so much... so much more love, so much more holiness, so much more fidelity and faith we desire and ask you:

BE THE LITTLE CHILDREN WHO LET THEM LEAD BY ME, ON THE ROAD OF LOVE AND HOLINESS!

Without Love your hearts will never be able to know GOD, because GOD is Love! And only the one who loves knows GOD... Only the one who loves can see GOD! Only the one who loves can live in GOD and GOD in him... Only the one who loves can truly taste the mercy of the LORD, know His goodness and receive from the LORD his embraces of Mercy and Benevolence...

Only the one who loves, came from GOD and can return to GOD... Only the one who loves was born of GOD and can live in GOD... That's why I invite you to Love without ceasing!... True Love that the world doesn't know and that's why, a stray suffers alone, without consolation and more...
Only in GOD does man truly find his peace, find his balance, find his full fulfillment, find his full happiness.
I am the Mother of Divine Love!... I am the Mother of Beautiful Love!... Those who find Me find life, those who seek Me find salvation, those who live in Me will be immortal, those who make Me known and beloved will never perish...
Therefore, My children, come to Me and continue with all the prayers that I have given you here, because through them I have saved countless souls around the world! Don't let temptation rob you of your confidence and your fervor in prayer, EVER! For that is what My adversary desires.
Through your prayers I have led many souls to the path of salvation... And with these souls I form My army of prayer, peace, love and penance throughout the face of the Earth! As I want to proceed with My plans, I ask you for prayers, more prayers, for the new phase of My plan that I will undertake!
With your prayers, I will emerge victorious from My adversary and with Me many souls that I will save will also win.
Peace My children, believe in Me... I believe in you..."

FESTIVAL OF THE IMMACULATE CONCEPTION OF OUR LADY AT THE

SANCTUARY OF THE APPARITIONS OF JACAREÍ/SP TIME OF UNIVERSAL GRACE – 12:00 pm

Mark: “ -Beloved BLESSED VIRGIN, IMMACULATE CONCEPTION, what do you want from Me today?”

Message from Holy Mary

"-Mark, My son... the most obedient, the most strenuous, the most faithful and the most dedicated to My IMMACULATE HEART... Listen, what My HEART comes today to say to you:
I AM THE IMMACULATE CONCEPTION! THE MOTHER OF GRACE, MOTHER OF MY DIVINE SON JESUS CHRIST!...
...Because conceived without the stain of original sin, I was always Full of Graces, all Friend of My Lord, all Intimate with the People of the HOLY TRINITY. In Me, the ETERNAL FATHER could be pleased, as His Most Beloved Daughter! The Son could then finally incarnate in My virginal thalamus, to regenerate and redeem all humanity and finally find in Me; Your Sealed Garden, Your Resting Garden, Your Resting Place. The HOLY SPIRIT finally found in Me a worthy Tabernacle, a Most Pure Temple and a definitive Abode; where he could at last there ... pour out the impetuosity of His torrents of Graces, which he had always desired to pour out on all mankind!
My IMMACULATE HEART without sin conceived, was always the Heaven of the HOLY TRINITY... the Second Heaven of GOD.... because Immaculate, I was born completely free from the slavery of sin and the tyranny of Satan and for that; It is also My maternal mission to free all My Children, given to Me by JESUS at the foot of the Cross, from the tyranny of this cruel enemy and to lead My children to the perfect glorification of the HOLY TRINITY, to the Imitation of His HEAVENLY MOTHER, of His QUEEN and His LADY!
That's why I've been coming here in JACAREÍ for almost 18 years, to call you all to the friendship of GOD to free yourselves from the slavery of Satan and sin and return to the life of Union, Communion and Friendship with Our LORD...
Pure is the Mother... pure in soul must be the children!...
Friend of the LORD is the Mother... friends of the LORD must also be the children!...
Filled with love is the Mother... filled with love must also be His children!...
The loving child seeks to imitate the virtues of His Mother!
If you love Me... seek... seek My children... always seek the Grace of God and imitate My virtues and be as your Heavenly Mother is and asks you to be!
Because pure and conceived without sin, I was able to reflect perfectly and admirably the Greatness and Beauty of the HOLY TRINITY.

So also I want you to be; so that in you the Glory and Love of the HOLY TRINITY may also shine perfectly.

I AM THE WOMAN DRESSED WITH THE SUN, BEAUTIFUL AS THE MOON, TERRIBLE AS THE ARMY IN ORDER OF BATTLE... THAT I ADVANCE... I ADVANCE RETHENTLY AGAINST THE FORCES OF EVIL, THE FORCES OF MY ENEMY!

So... My children, you who are My soldiers of prayer and peace, continue to follow Me, continue to obey the orders of your Commander; so that we can, as soon as possible, achieve the full Victory of My HEART and the coming of the Kingdom of the HEART of JESUS, of My HEART, of the HEART of JOSEPH to the whole world, with a time of peace and lasting happiness for you!
I bless you all today on the Solemnity of My IMMACULATE CONCEPTION... Peace!..."

Message from Saint Bernadette

"-Marcus, I, BERNADETE, bless you today My most fervent devotee, My dearest friend and the most beloved of My Heart... Peace!...".

Mark: "-Beloved SANTA BERNADETE, here is the BELL that I made for you, that we made for you, working all year to give it to you; for your glory, your honor and for the greater praise of your name.
Deign to accept this humble offer and this humble homage to your Name, to your Greatness and to your Love!

Saint Bernadette

"-Mark, I accept this BELL you made for Me, because you proved your love to me once again with works, because you gave Me this beautiful and sincere homage; I promise to shower a shower of blessing roses on This Place every time this bell is rung in My honor!
I promise to help each one of you when he is touched, to drive away the evil spirits and to pour out a spring, a torrent of graces, a fountain of graces on all who are here in this place when he is touched... and on all those than in imitation of you; They also love Me, they are My devotees, they praise Me, they pray and make Me also known and loved so that in this way BLESSED MARY THE IMMACULATE CONCEPTION may also be better known and loved...
I am your protector, I have said it many times! I am the protector of all who come here and I call you today to redouble your obedience to MARY IMMACULATE, being the little children of Her IMMACULATE HEART, being the ECHOS of her Love to the world.
Be the ECHOS of MARY IMMACULATE... for this lost world, totally dominated by the forces of evil; enslaved in sin and submerged in the sea of hatred, violence, selfishness, impurity, wars, hatred against GOD.
Be the ECHOS of MARY IMMACULATE..., offering your voices, your Hands, your feet to take Her Messages to every corner of the world!
Be the ECHOS of MARY IMMACULATE..., announcing everywhere These

Messages that SHE and the SACRED HEARTS give here, because in these Messages is the Light that humanity needs, there is the Source of Life, Peace and Happiness from which humanity is so thirsty and so in need of drink!
Be the ECHO of MARY IMMACULATE... showing through your works, your attitudes, your words and your faith; that you are truly consecrated children of MARY IMMACULATE, who live according to the desires of her Heart... and imitate His virtues!
Be the ECHOS of MARY IMMACULATE... making Her Messages and Her love become known, reciprocated, loved by all souls throughout the world.
At this moment, I bless this bell of mine... I bless you Marcos, My most fervent and dedicated devotee. And I bless all those who also love me and work with you to make Mary Immaculate loved, obeyed and served by all men.
Peace Marcos... I bless you now..."

Marcos: "-I am very happy to see you for the first time, beloved SAN RICARDO! I always admired you a lot for the things you wrote about MARIA SANTÍSSIMA and that SANTO AFONSO reports in his book GLÓRIAS DE MARIA. Now I see and understand how much beauty there was in your soul to write all those wonderful things about the MOTHER of GOD!"

São Ricardo de São Lourenço
"-Marcos... how I love you! For so many years I have been waiting for the moment to be here with you and personally bless you and all those who love you and love the BLESSED MOTHER in this place!
I, RICARDO DE SÃO LOURENÇO, truly loved HOLY MARY with all My Heart! She was My great and Holy Love and out of love for her I dedicated my whole life, serving her and serving OUR LORD for her, with her and in her!

Today I invite all of you to also love the LORD in MARY and through MARY... and inclined towards evil and seeking more and more to fulfill and obey the will of the LORD!
Love the LORD for MARY and with MARY, making every day of your life a constant and continuous act of love for the LORD, repeating many times:

MY LORD I LOVE YOU WITH MARY, FOR MARY AND IN MARY!"

Love the LORD in MARY, with MARY and for MARY... trying to imitate the virtues of Her Most Holy Soul, copying her eminent perfections, striving each day to oblige her more with acts of devotion, veneration, praise, prayer and love.
Do you love the BLESSED VIRGIN?
If you love her then, sacrifice yourselves for her!
Whoever says he loves the Mother of GOD, but does not sacrifice himself, does not sacrifice himself for her is deluded, deceives himself and lies... because without suffering for her, without sacrificing his own will to do hers, it is impossible true love for this MOTHER!
Love the LORD through MARY and in MARY... seeking more and more to obey His Messages, transforming them into the life of your life, transforming them into fruits of conversion and salvation in yourselves and seeking to show through your acts and your way of being the truth, the light, the love, the grace

and the salvation that are contained in the Messages of this Mother.
When your way of being, speak clearly and transparently; alive and luminous; the content of the Messages of the Mother of GOD, then; many will see the Light of her grace, truth and love in you! And they will follow you on the path of conversion and holiness!
Love the LORD through MARY and in MARY... by making your life more conformable to the designs of her IMMACULATE HEART, trying to respond at every moment and in every situation to what she wants and expects from you.
Now it's time for your YES! Now is the time for your decision... you have to decide either for GOD and for MARY SANTÍSIMA or for the world, for pleasures, for the flesh behind everything, for the devil... good and evil; salvation and perdition are before you....you are free to extend your hands to whatever you want... But know that those who choose evil, who choose darkness, these one day will be suffocated and die tormented in their own inner darkness.
This will be a Divine punishment for those who nested the infernal serpent inside them instead of giving abode and welcome to the DIVINE MOTHER of GOD, with Her ANGELS and Her SAINTS.
I, RICARDO DE SÃO LOURENÇO, promise to help you in your hard mission of being truly consecrated by the MOTHER of GOD in these times, of impiety, of hatred for GOD and His MOTHER and for all that is Sacred and comes from Heaven.
I will help you so that with your innocence, with your faith, with your prayer and your love you can overcome all trials, defeat all darkness and all errors, achieve all virtues and lead many souls to salvation, make you triumphant in the world and make you enter Heaven victorious!
I will take your Hand and lead you...
I bless everyone at this moment and I give My peace!."

Note: On this day (08/12/2008) the Blessed Virgin blessed the Blue Scapulars of the Immaculate Conception that were erected by the pilgrims present and imposed on everyone. The Blessed Virgin also said that thanks to this Hour of Grace, thanks to the Holy Rosary Prayed in the Sanctuary with Her, for Her and in Her to God, She managed to ward off a terrible scourge that would destroy a certain region of the face of the earth and thanks to the prayers made in the Sanctuary on that day, she managed to cancel this punishment that would come and many people would die in this punishment, without time to convert..."

Message from the Loving Heart of Saint Joseph

"-My beloved children, My Loving Heart blesses you today again and gives you peace...
Be more and more the 'links' that unite souls to My Heart.
Take souls to My Love. Give them My Love, Truth, Holiness that I offer you in My Messages, so that souls from all over the world can connect to My Heart

through our loves: Mine and yours... thus conjugated they form a single Love so that souls may then receive the influxes of the graces of salvation that I wish to communicate.

Be, My children, the perfect image of My Most Loving Heart, trying to reproduce in you My Virtues, My good examples, what I did and was, so that through you the world can understand and see the beauty of My face, the grandeur of My Holiness and the depth of My Love, and in this way the world may believe in Jesus and be saved.

Be the image of My Most Loving Heart, trying to be as I was, completely aflame with love, completely poor in self-love for Myself, completely detached from My will, so that the Divine plan could be carried out.

Be as I was so that God's perfect plan can also be realized in you and I can accomplish what My mission is: to make Jesus and Mary known and loved by all!

If you are as I was, if you imitate Me, if you follow My example, you will be another “I” on Earth, and then you will make Me known and loved.
And when I am known and loved Jesus and Mary will also be known and loved and will reign in all hearts.

Make Me known and loved by obeying My Messages, obeying what I command you, imitating My virtues, the examples that I left for you, and thus, My children, evil will not be able against you. Evil will not be able to counter the mighty torrent of Grace that My Most Loving Heart will pour through you over the whole world.
And evil, then, will be annihilated and Our Hearts will triumph.

Continue to pray all the prayers that We have given you here. Through them we prepare new graces for you soon... But pray them with a willing heart, full of love, faith and a sincere desire to overcome your faults, yourself and reach Christian perfection.

In this way, your prayers will produce the desired effect for Us and you will achieve victory.
Peace My children, see you soon. My Most Loving Heart now covers you with these 'luminous stones', these blessings that I have deserved before God for you..."

(Note: In this Apparition, Saint Joseph instructed the seer Marcos Tadeu to compose a new Rosary in honor of of the Mystery of His Sorrows and His Tears asking for Divine Mercy for the Merits of the Sorrows and Tears of Saint Joseph. Marcos asked Saint Joseph if he could not teach (compose) the Rosary to him and Saint Joseph replied:)

"- Yes, I could do that, but it's not my will!. My will is that you compose the

Rosary, bring it for My approval and then spread it..., propagate it. My desire is that people understand that they can reach Divine Grace, not only by the rosaries, by the prayers that We directly give here, but also, by the prayers that We command you to do! we want to communicate, give thanks in this way... for this

Message from Most Holy Mary “

- Dear children..., look to your Heavenly Mother in expectation of the Son of God who will soon be born to redeem the whole world...
Imitate My solicitude in prayer, in love, in the spiritual union with My Divine Child who is already enough to save all men at Christmas...

Imitate the deep desires of love with which I already adored him, already kissed him and embraced him mystically in My virginal womb, thus offering him, in advance, reparation, love and affection, in view of so much coldness, indifference and wickedness with which men would receive him on the day of his birth...

I was the perfect Mother of the first advent. I am also the
perfect Mother of the Second Advent.

Imitate Me in waiting for the glorious return of My Divine Son Jesus Christ to the world in prayer, in vigilance, in the continuous and total adoration of Him and in the full offering
of the whole being to His Divine plan of love.
Imitate Me ... always and more in the faithful expectation of His second return, fulfilling with love the loving plans that He and I have outlined for you.

Follow Me on the path of prayer, of perfect love, of perfect and total communion with the Divine Will so that, when My Son returns, He will find in you faith and love,...
Faith and love on Earth...

Follow me on this path of total communion with the Divine Will so that, when My Son returns, He will find His Blessed Mother alive and reigning in your souls and then He can finally reign without any obstacle in the entire world. Peace My dear children, I bless you all. “

Our Blessed Mother asked us to make a Triduum in preparation for Christmas saying several times throughout the day:

“-BOY JESUS I WAS BORN IN MY HEART AND REIGN IN MY WILL”.

The seer Marcos Tadeu also suggested as preparation to read the second volume of the book Mística Cidade de Deus, in the chapters that narrate the birth of Our Lord Jesus Christ, and also, to read or listen to the Messages given by Our Lady at Christmas in the past years.

Marcos Tadeu asked the Lady if she wanted anything else from us to give to Jesus at Christmas and She replied:

“- HE WANTS YOUR HEARTS. COME! GIVE YOUR HEARTS TO HIM ON CHRISTMAS DAY AND YOU WILL GIVE HIM EVERYTHING!”

Message from the Blessed Virgin Mary

“-Dearest children, on this Holy Day of Christmas My Immaculate Heart comes again to give you Peace and My Solemn Blessing! I am true Mother of God. I gave the Son of God to the world once and I will bring Him into the world again at the second coming of My Son Jesus on the clouds of Heaven... Therefore, I am the perfect Mother of the first and second advents.
It is My maternal mission, to prepare the world to receive Him at His second coming. Therefore, I have multiplied My Apparitions and My extraordinary manifestations throughout the Earth, to call all humanity to receive their Savior who will soon return to you in glory.

All the signs of His glorious return are shown to humanity, but it remains blind and deaf to recognize the voice that cries out from the top of the mountain: "Prepare the ways, make straight the paths, make straight the ways of the Lord..."

That is why , My beloved children, it is your mission to work together with Me to bring to all My children, as soon as possible, the Light of Salvation. See how many people still don't know my Son... How many reject him.... How many forget him... How many turn their backs on him ignoring his birth, his life, his pain, his passion and death for two thousand years ago! How many choose to live without Him, against Him, only to offend Him and despise His love....
Therefore, My children, I invite you today: be the new manger of My Son Jesus, where He can finally recline, rest and rest.... And from where He can make His Light shine for all the simple and pure. heart like the shepherds, so that, at last, His kingdom of love may be established throughout the earth!

My Heart will convert Japan! One day he will know Me, he will know My Love, and then he will consecrate himself completely to Me and accept Jesus Christ, for when I am known and loved there My Son will finally be known and loved.

I will save, I will save the nations, I will convert sinners. Only trust in Me and do what I say and My Heart, which knows how to act in secret and in silence, will surely triumph!
Peace Marcos..., peace, My children..."

Message from the Most Loving Heart of Saint Joseph

"-Continue to say all the prayers that We command you to do here. Thanks to them, Our Three Sacred Hearts saved millions of sinners this year. Thanks to your prayers, many souls have escaped the demonic clutches. Continue with these prayers. One day in heaven you will see how many souls your prayers have led back to Heaven!"

Message from the Child of Jesus (Our Lord appeared as a boy)

"-As My nourishing Father has just spoken now, continue with your prayers. Your prayers ring to My ears like melodious songs, like those songs My angels sang to Me that night I was born.

I prepared my way. Prepare the way for my return, and watch and pray because I will not let you know when the day of my return will be. Watch and pray so that you are not surprised without Love.
Peace, My children, My Sacred Heart blesses you now."

Message from Most Holy Mary

"-Dear children... at the end of this year 2008, which was so rich in graces for all those who said "YES" to me, who responded to My call and who gave themselves completely to My will once again I say to you: - WATCH AND PRAY WITHOUT CEASING!

Through incessant Prayer, GOD will be able to communicate to your souls continuous and great graces of His Love! You will receive constant help to help you on your journey to Heaven... You will advance on the path of holiness and you will reach that perfection of love, which God desires from all of you!...
Through vigilance you will recognize your faults, your defects, the temptations of the enemy and you will turn away from them, you will resist the suggestions of My adversary and you will always keep yourselves in the friendship of God and in union with Him.

Through vigilance, your souls will deflect the fiery darts that My adversary throws at you, to strike you and make you perish! Watch and pray together

with Me, Mother of the Second Advent, also in the holy expectation of the glorious return of My Son Jesus, imitating the wise virgins, who kept their lamps full of oil, certain that their spouse would come and would not surprise her sleeping.

May the lamps of your faith, of your love, of your fidelity to God be lit so that when He returns He finds you watching... In this way My dear children, you will imitate Me: in the Holy Love and in the constant vigilance with which I have always loved, I listened, I served and I was always solicitous to attend to My LORD in everything He asked or told Me, because I was the VERY PRUDENTIAL VIRGIN!

Watch and pray... so that in the coming year your faith, your love and your hope will increase more and more! And pray with Me for the conversion of this world, which this year has ended up plunging into an endless precipice: from hatred, violence, sin, separation from God, apostasy, denial of the truth and rebellion to the Law of Love of the LORD! Thanks to cinema, to the media, sin, evil, violence, estrangement and rebellion against GOD, apostasy; they were spread all over the world, killing in souls any and all movements to give themselves completely to GOD!

Thanks to the denial of GOD, families and society plunged into the chaos of violence, hatred, selfishness, lack of love, war, death, destruction... Help Me to save this world, praying as much as possible for it. , so that Our prayers may reach the Throne of the ALMIGHTY and still reach His Mercy for this fallen world!
pray with Me and carry My Messages with even greater fervor in the coming year, so that; to heal so many souls that have already been poisoned by the poison of errors, of the apostasy that is spreading more and more, killing the true faith in souls and placing a false faith in them!

If you help Me next year through you I will act powerfully in this world. Finally, always remember, my children, that your motto must be:

Nothing without you MARY! But also... Nothing without us!

I count on you... I expect a great love from you, because I have given you a lot of love this year... Peace My children! I bless you today and once again I say to you:
I love you and I will continue with you next year... Peace!..."

Messages communicated in the Apparitions of Jacareí, year 2009

01/01/09- Message from the Most Holy Mary

“-Dear children... Thank the LORD with Me for allowing Me to stay with you for a little longer! I want to guide you to a high degree of holiness... But none of you can achieve it if you don't learn to love God and Me more than yourself! As long as ye are seated on the throne of the heart, that is; while your “I” is seated on the throne of your hearts; you will continue to love each other more than GOD and ME... and you will not be able to do Our Will...
Therefore, My children, pray more so that you learn to love GOD and ME more than yourselves... Then you will be able to do everything that I have asked you in My Messages throughout these years and in your lives and you will finally fulfill ; the merciful plan of the LORD and of MY HEART. I will be with you every day of your lives! Know that you are never alone, I will be with you until the end of the world! Pray... Peace. My children...”

03/01/09-Message from Saint Joseph

“-Dear children... I JOSEPH ask you today: Seek to love GOD more than yourselves. You still love yourself more than God and that is why between doing His will and yours, you still prefer yours... But know that as long as you live like this: THE HOLY SPIRIT will not be able to do any operation in you. your souls, to lead you to holiness! Until you die to yourselves, God cannot live and reign in you! That's why My children... pray, pray a lot, asking for the grace to love GOD more than you! A good exercise in mortification is to deny oneself what the corrupted “I” of each one wants. I will pray for you, so that you may reach this Grace and never forget:
I loved you before you loved Me, even when you lived with your back to Me, I already loved you. Live in My love... Peace!”

01/11/2009 - Message from Saint Sebastian

find His delights in you! It is in your souls that He wants to dwell, but He can only do so if you give yourselves completely to Him without reservation, loving Him with all your strength! Love... seeks to love GOD as much as it can and is not content to give GOD less than anything, it is not content to do less than anything for GOD... Love... just wants to be loved and reciprocated! This GOD

who first loved you, who loved you before you came to love Him, this GOD who created you out of nothing, asks only for your total love! Our Lord JESUS CHRIST... who gave His life for you, when you were still in sin, when you were still slaves of the devil for sin... This LORD who gave his whole life for you, wants nothing more of you than, all your love. You have lived until now giving your love only to created things and that is why your souls have lived in deep darkness, they have lived without Divine Love! Return right now to the LORD, love Him with all the strength of your heart and you will see how your souls, once inhabited by terrible and cruel enemies, will be inhabited by Divine Grace, for the love of the HOLY TRINITY! Do not let yourselves be deceived any longer by yourselves, by your "I" corrupted by the devil and the world! You gave them all your love and your souls languished in darkness. Give now all your love to the LORD and you will see that your souls will be resurrected to a true life in God! I, SEBASTIÃO, love you, I pray without ceasing for you, I protect everyone who comes here, in this Sacred Place to hear the Messages and learn to love GOD and His MOTHER and I will help you to reach Perfect Love! Peace Marcos... I love you, I bless you My favorite friend..."

Message from Santa Rosalia

"-My dear brothers... I, ROSALIA, love you with all the strength of My Heart! I pray without ceasing for you in Heaven and I ask incessantly for your salvation with JESUS and MARY. Love doesn't know how to run away, hide, doesn't know how to dodge! Those who say they love GOD and his MOTHER; but when They appear on Earth to give Their Messages: they don't listen to them, they don't go to them, they don't obey them... They don't give their all to please them, love them, serve them and they don't persevere in this love ... these have not yet known and do not know what 'True Love' is... He who says he loves the LORD is His MOTHER; but when They come to Earth revealing His will to men and They do not fulfill it, they have not known 'True Love' and have not 'True Love'! Many think they love GOD, but in the day of their judgment they will be surprised to see that they never truly loved the LORD, and that they were all the time self-deceived; because they did not do the will of the LORD, but preferred to do their own will, because they loved themselves more than God and his Mother! He that loveth the will of the LORD, he that does the will of the LORD truly; he who keeps the Words of the LORD; who fulfills his commandments, who does his will and who renounces yours to do his! Therefore, seek 'True Love'! The LORD is ready to forgive your miseries, to forgive your weaknesses; if he sees in you a drop, a grain of sand that is of 'True Love' and will give you the Grace of conversion, of salvation, of spiritual perfection if you have the 'True Love'... Your mother, defend what is theirs, protect what is theirs, take care of what is theirs, work for what is theirs, fight for what is theirs until you consume all your strength! Ask for this Love, because if you don't have it, you won't enter the Kingdom of Heaven! Because Heaven is only for those who have learned to love God above all things, that is; more than themselves, more than the world! I ROSALIA, I will ask for you on the Throne of the LORD, unceasingly! Turn to Me in your prayers and I will give you comfort always! Peace Marcos... I love you very much!... Get ready for the Anniversary of My Apparitions here. Pray more, watch and pray, be attentive; for the enemy is always looking for the most favorable opportunity to lead you to offend the LORD, protect yourselves with prayer and vigilance! Do meditation, do spiritual reading, pray; take care of your souls and I promise I will take care of them too! I bless you all now...” be attentive; for the enemy is always looking for the most favorable opportunity to lead you to offend the LORD, protect yourselves with prayer and vigilance! 18/01/2009 - Message from Mary Most Holy Mother of God

“-Dear children...I am your Mother and I come to call you to be more and more mirrors of My Love for the world. Cast out of your souls everything that clouds or veils; the clarity, the clarity, the transparency of your souls... so that I can finally show the whole world the rays of My Love and My Light, reflected in your souls.

Make your souls very pure mirrors, freeing you from all your disordered attachments... trying each day to become better so that you can do so; through you the world will see My brilliant Light and so the darkness will be little by little, soul by soul, dissipated from the world!

I count on you and continue to ask you to continue your prayers that I have given you here, for through them I will transform your souls into pure mirrors; where I will make Myself reflect so that many of My distant children will recognize Me, love Me and find Me through you! Peace Marcos, I bless you and all My children here...”

25/01/2009 – Message from Saint Joseph

" -Dear children, My Most Loving Heart greets you, blesses and gives you peace
... more and more lamps of love in the midst of this humanity that has been seduced and totally dominated by selfishness, evil, violence, hatred, war, evil...

Be lamps of love, in the midst of this world that has totally denied its love to God Our Lord, to Mary Immaculate, Mother of God, to dedicate and consecrate your love only to the creatures of this world, living as if they had been created for themselves and not for adoration, for praise, and for the love of its creator, God Our Lord. Be lamps

of love in this world that has strayed so far from the path of Divine Love, that it no longer knows how to return to Him, unless a great grace from above puts it back on the right path, on the path of love...

of love now that the darkness of the denial of God, of the refusal to love God and His Word, has become the general rule of mankind.

Be lamps of love for God and the Most Holy Mary in the midst of this humanity that
He gave himself totally to the illusory and false love of material things, of himself, of pleasure,
of power, of money and of impurity, so that you can still make
the Light of true Love, of Love for God, of Love through the Most Holy Mary, to shine and dissipate so much and so thick darkness.

Be lamps of love for God and for the Most Holy Mary, cultivating in you pure,
holy, persevering, disinterested, humble, faithful, constant, tender, gentle, ready,
decisive, impartial and sincere love.

Imitate My Love for God and for the Most Holy Mary, for I have true Love and I am a Master of Love who can and knows how to teach Him to all those who want Him...

Peace Marcos, I bless you and all My children here."

01/02/2009 – Message from Mary Most Holy Mother of God

"-Dear children, the Anniversary of My Apparitions has arrived here! And it is time for you to review your lives through a profound and auspicious meditation on your lives
. identify, recognize what in you is not yet according to My will and now start a new life: the life of Conversion!
The anniversary of My Apparitions here, for you, is a new chance that God gives you to start a new life: the life of Holiness I want to carry out My plans, My projects in you, but I cannot if you do not freely conform your will to Mine.
Pray more in these days, asking for the grace of your hearts to love what I love and to do what I do, so that then, truly, your hearts may follow Me along the path of good, of true Love for God and Holiness, and I may finally complete in you what I have begun.
Peace, Marcos... Peace, My children."

07/02/2009 - 18TH ANNIVERSARY CENTURY OF THE APPARITIONS OF JACAREÍ

Message from Mary Most Holy Mother of God

“-Beloved children! Thank the LORD with Me for allowing Me to stay here with you for so long! Today you celebrate the 18 Years of My Apparitions here with My Son JESUS, SAINT JOSEPH, THE HOLY SPIRIT, My ANGELS and My SAINTS! Verily, the ALMIGHTY's Love and Benevolence are with you! GOD... in His immense Love allowed me to remain here with you all this time; guiding you on the path of Holiness, on the path of Love, on the path of Grace, of Purity, on the path of Penance, of Prayer...

18 years ago, I showed the world the path it must follow to reach peace, salvation and to reach GOD! How many conversions I made here! How many conversations I had with this beloved son of mine Marcos... how many graces and blessings I showered on him and how much work and how much... how much blessing! What a great work I did in his soul and life; transforming it into a Sign of My Love and of My presence in the midst of this world shrouded in darkness!

What a wonderful work I have accomplished in hearts that have opened themselves to Me and allowed themselves to be guided docilely by Me, along the path of holiness... Pray, asking the Lord to allow Me to continue here with you for many years to come! So that I can continue leading you along the path of holiness and Love! Continue My children to pray the ROSARY and all the Prayers that I have given you here because through these Prayers I have sanctified the souls that followed Me along the path of My Messages and

allowed themselves to be guided fully by Me!

I am with you... and I never leave you! The 18 Years of My Presence here is the greatest proof of this, that I have never abandoned My children and never left humanity orphaned by a Mother... I am here... to heal your wounds, to alleviate your suffering and your Cross and to give you strength; so that you can overcome everything and arrive triumphant with God in Heaven! Today My Spouse JOSÉ, with My Daughter CATARINA DE ALEXANDRIA who is with Me, I bless you all, pouring out My “SOLENE and SPECIAL BLESSING...”

Message from Saint Joseph

“- My beloved children... My MOST LOVELY HEART gives you Peace and blesses you too! The 18 Years of Our APPARITIONS here are the greatest proof of the Love of OUR HEARTS for you! Year after year, month after month, day after day we remain here in this city with you; illuminating your paths, warning you of Satan's snares, warning you of the punishments and dangers that approach the world; because of the enormous number of sins and their gravity, which are currently committed without any regard for the LORD, for the Mother of GOD or for the next...

The sin committed and justified today has become the rule of society, but not because of that Our Love has abandoned you to the mercy of the infernal spirits who, by their will, would want to crush you like an insect and set the whole world on fire with the fury of hatred. that they have for you! Oh no! Our HEARTS watched day after day for you, fought day after day for you!

Our HEARTS waited for you, supported you, put up with your defects and miseries... Our HEARTS gave you strength when you were discouraged and downcast! Our HEARTS have taught you the Holy Ways of the LORD, they have taught you that the LAW of the LORD is LOVE... And that Love is Eternal! Love will never end...

Our THREE HEARTS were a Lighthouse that illuminated your path, so that you did not fall into any precipice, nor did you stumble on any stone. Our HEARTS were the balm that healed the wounds of your souls, that gave you relief in the most pungent suffering and perfumed you with the sweet aromas of the riches of Heaven: through Prayers, through Messages, through the Cenacles of Prayers and everything how much We have given you here! Our THREE SACRED HEARTS were your abode and your refuge always! Therefore My children; continue on the path of Love, continue on this path where WE have guided you throughout all these years and we want to continue guiding you to the Glory of Heaven! I am with you! I will never abandon you!

I will be with you until the end of the world and I will never let your feet stumble in the middle of the way... What I want from you only; it is complete docility to My Love, to My will and to what I know is best for you and which is the will of the LORD! If you do this, if you are docile to Me; I will be able to guide you safely to the Heavenly Homeland... I now bless you all generously..."

Message from Saint Catherine of Alexandria

"-Beloved brothers... I, CATARINA DE ALEXANDRIA, bless you today with Love! I am the Servant of the LORD and of the MOTHER of GOD and together with HER and with SAINT JOSÉ, My Beloved Father whom I have loved during all the days of My life too, I pour out on you the Graces and Blessings that the Omnipotent One has granted Me today, to sprinkle them on you! I gave My life for CHRIST for Love! Only through Love, man is divinized, that is; unites himself in such a way to God that he becomes a participant in His Eternal Glory and Happiness in Paradise! Man can only reach to GOD, he can only rise to GOD - through LOVE! He who does not have Divine Love has not known GOD and will not be able to see him without veils in Paradise.

Divine Love, Supernatural Love; it is the greatest Treasure the human soul can have, more precious than all the goods of this world! And so those who possess Him, possess everything! Those who do not have Him, even if they have everything, even if they have all the riches of the Earth... they have nothing... they have nothing... they are nothing... and in Eternal Life they will be nothing!... Love.. .when you give, you don't look back to see how much you gave, nor how much you gave to the LORD! Love... don't look what the right hand has done! Love... doesn't count how much has already been sacrificed, or immolated for the LORD... But Love only seeks more and more to give, to give, to donate! Love that is true does not get tired! The love that is true does not run out! The Love that is true for the LORD and for the MOTHER of GOD; don't think about how much there is still to give or to finish the race!

Love for the LORD does not deviate from its end, in order to be able to look at the ephemeralities of this world. The Love that is true looks only to GOD, nourishes itself in GOD, feeds on GOD... And this Fire of Love, the more it burns, the more it burns for GOD; more still wants to burn and burn. Divine Love... to Him nothing can compare! Not human wisdom, not even the eloquence of mortals, not even all Nations, with all their opulence and majesty; not all of them together can compare to a Spark of Divine Love! It was this Love that I knew and ignited by Him; it was this Love that led Me to witness to CHRIST and even to give My life for CHRIST: My LORD, My GOD and My All! You... may also be blessed like Me and possess Divine Love as I have; opening your hearts, renouncing your will, loving GOD more than

yourselves, forgetting yourselves, so that; may the Grace of GOD find your hearts free from the attachments and illusory loves of the world so that then; there it can grow and germinate...

These JACAREÍ APPARITIONS have as their main purpose: to teach you this Love, to give you this Love, to lead you to this Love; that the world has already forgotten, that the world no longer knows, because it moved away from GOD because it moved away from the Source of True Love... suffocating Him, killing Him with the false loves of Earth! These APPARITIONS are intended to lead you to be mystical fires of Love for GOD and for the MOTHER of GOD! This is why: so many Apparitions, so many Messages, so many Divine aids are here given to the world... And they will continue to be given until the LORD finds His Divine Love living and growing in the souls He has called to Himself, so that; they may populate Paradise in the place of those who were once there and fell and of those who were called to Heaven, but preferred the world and perdition. You My children, you My brothers, you...

This Place must be a Garden of A! This Place must be a temple of Love, a Mystical City of Love and you are called to have this Divine Love in you. Come to me! Pray Me! I asked for My help, My guidance and My advice; so that I can lead you and guide you to this True Love! I will help you by inspiring you what you must do, to die to yourself, to have courage and strength, to renounce your “I”, to your will; so that you may always be more and more docile to the will of the LORD! And then; day after day you will climb the steps of the Ladder of Holiness hand in hand with Me and you will surely reach the Eternal Glory, where all of us the SAINTS await you, where all the ANGELS, where the MOTHER of GOD and GOD himself await you full of Love for then ; be happy together forever...

I bless everyone with Love, especially you Marcos, today I give you in the name of the MOTHER of GOD and of the LORD himself `New Blessing' particular, unique, exclusive for you for the 18 YEARS of your obedience, fidelity and servitude of Love: the GOD, to the MOTHER of GOD, to Heaven and to the salvation of souls! Now, at this moment, I pour over you secret and private `Treasures of Blessings', which the ALMIGHTY and the MOTHER of GOD have granted to Me...”

Mark:”-Does Your Majesty want anything else from me today? (PAUSE) Oh, yes! I will! (PAUSE) Yes Ma'am, I'll wait... See you later... Come back soon, yes!”

08/02/2009 - Message from Saint Joseph

"-Beloved children! On these days you celebrate the 18 Years of Our

APPARITIONS here, in this city of JACAREÍ to My little son Marcos! These APPARITIONS are a Hymn of Love... that We have been singing for 18 years before all humanity...

These APPARITIONS are one and the 'Song of Love'... that We sing before men, repeating without ceasing, that We love you all and that We want eternal happiness and salvation for all of you! But, no one can be truly happy, neither in this life, nor in the other life, if they don't know LOVE, if they don't live True Love and don't love LOVE! LOVE has called you from the heights of Heaven! LOVE for you became a pilgrim and for 18 years it has been a pilgrim here, in this city among you, seeking you and calling you all by name, in order to clasp you in His Arms and thus give you salvation. .. LOVE has been waiting for your hearts to wake up from the sleep you've been sleeping in for 18 years!

Through these APPARITIONS LOVE has been patiently waiting for a sign from you, that you want Him, that you accept Him and that you prefer Him before other earthly loves... ye than -LOVE! Answer this call, don't let LOVE wait any longer, because maybe when you want to respond to this LOVE, He's already gone and moved away from you forever! Don't delay any longer, because when you want to love LOVE, it will be able to say to you: - I DO NOT KNOW YOU, BECAUSE WHILE I WAS A PILGRIM AMONG MEN, I CALLED YOUR NAME AND YOU HAVEN'T ANSWERED ME ANYTHING AND LOOKING BACK I DIDN'T I SAW FOLLOWING MY FOOTPRINTS.

Therefore, My children, respond to the Call of LOVE, which chose you, which chose you, which preferred you... so that; in you may the plan of LOVE be fulfilled, which from HEAVEN 18 years ago came to This Place looking for Hearts, where He can enter and establish His Abode forever! Today I bless you all generously, with all the graces that the Almighty has given Me to sprinkle on you..."

02/15/2009 - Message from Santa Donata Mártir

“-Beloved brothers... I, DONATA, servant of the LORD and of the BLESSED MARY, now pour out on you the blessing that the Almighty and the MOTHER of GOD have bestowed on Me! Only when you do violence to yourself, will you be able to remove from you the attachment of self-love and will you be able to grow in the True Love of GOD! The soul that is self-indulgent.... that is indolent with itself; he will never be able to reach 'Perfect Love' and 'Perfect Detachment' from himself. The lazy soul... will go hungry, that is; the soul that does not fight and does not work for its own spiritual improvement... cutting in itself the ties of attachment to the things of this world, to creatures and to itself...

This soul will suffer spiritual hunger; because he will not have the food of Grace, which is only given to children who work together with the Heavenly Father. Pearls cannot be thrown to dogs and Divine grace cannot be given to those who do not strive to collaborate with the Grace of the LORD and thus grow in the path of holiness. Therefore, seek ever more, to strive to extract from you the sour leaven of self-love, so that you may finally have in you the good bread of True Love for the LORD; so that this bread not only satisfies

your hunger, but also the spiritual hunger of so many souls who need to know the True Love of the Lord, to truly love Him; so that at last they may be saved and sanctified. I, DONATA, promise to pray for you every day before the Throne of the LORD and the MOTHER of GOD; so that you may obtain this great Grace! Peace Marcos, My favorite friend... Peace to you all!”

19/02/2009 - Message from Saint Joseph

“-My children, these times that you are living are Mine, and that is why I am appearing here in a new, extraordinary way that has never been seen in the history of humanity. I come to call you to true love for the Lord, which is only pleasing to Him when it is unreserved in your hearts. Through true devotion to Me I will teach you this love without reservation. Love Me and I will love you. I prefer Me and I will prefer you. Give yourself unreservedly to Me and I will give myself completely to you. So it will be love for love. Peace."
22/02/2009 – Message from the Angel Nael

“-Marcos, I, NAEL, bless you again today and give you peace! True Devotion to Us: The 'HOLY ANGELS' makes the person grow more and more in the Virtue of Hope...
Through union with Us the soul confidently hopes: that it will reach Heaven with Our help; that he will obtain from God all the virtues and graces necessary to reach perfection and sanctification; and makes the soul always expect more from Us, from Our help, protection, intercession, inspiration and guidance; and that We, your Guardians and Celestial Friends will never abandon you, nor leave you forsaken.

True Devotion to Us, makes this 'Holy Hope' grow in the soul day after day... and that hope becomes: love, light and strength; that moves her more and more not to be discouraged; whether in suffering, whether in sickness, whether in its limitations, miseries and weaknesses, sins and falls; or in any other contradictory situation that happens to you in this life! The soul that has this 'Holy Hope', the fruit of True Devotion to Us: it never gets discouraged, it never gets tired, it doesn't feel tired in Prayer and in the Holy Catholic Religion and doesn't get tired either!...

The soul that imitates the young TOBIAS, who had the 'Holy Hope' in his Guide SAINT RAFAEL, his Celestial Angel; that He would bring him safe and sound from the journey they made together... The soul that has this same hope: will never be discouraged, will never err on the way, will never stop in the progress of virtue. With this 'Holy Hope' the soul will expect everything from GOD, through Us and finally the Crown of Eternal Life it will reach... Peace Marcos! I love you, I love you all and I bless you now...”

02/24/2009 – Carnival Tuesday - Message from the Most Holy Mary – Feast of the Holy Face of Our Lord Jesus Christ

"- My children..., today you celebrate the Feast of the Holy Face of My Son Jesus that He and I asked of My dear daughter Maria Pierina de Micheli, in Italy.
With this Feast, Our desire was to call the whole world to love..., to love my Son Jesus..., to love Me, because repairing the Holy Face is nothing more than loving this Face, than giving what She so desires and thirsts for: LOVE!...
I will only be able to truly repair the Holy Face on the day you renounce yourself, your will... A face that tells you: "do my will because to do my will is to love me and to love me is to give me everything!"
Love the Holy Face of Jesus by seeking it in every moment of your life, that is, doing the will of My Son Jesus in every moment of your life with perfection, with love, renouncing yourself and following Him carrying the your cross every day, with faith, hope and love...
Love the Holy Face of My Son Jesus, dying to yourselves..., refusing what your corrupt nature demands, so that your souls, freed from all attachment to the earth, can finally love this Face with all your strength without delay..., without any obstacle or interruption.
Love the Face of My Son Jesus, loving Him because love is the purest prayer that My Son desires from you and no one can love My Son perfectly as long as he continues to love himself more than Him, and preferring himself to himself than to him.
No one will be able to love My Son until he himself dies...
If the grain of wheat does not fall into the ground and dies, it cannot bear fruit, that is, until the soul dies to itself, it cannot bear any fruit. of love...
But if the soul dies to itself..., if the grain of wheat falls into the ground and dies there, yes, it will produce much fruit, a hundred for one... a thousand for one!!!
Therefore, my children, I invite you... IN THIS HOLY TIME OF PENANCE, to finally seek true love..., to seek to give My Son that true love that He desires from you!
Wear the Medal of the Holy Face of My Son Jesus... This Medal that I myself asked for so that the whole world could love it, could contemplate it and finally understand that the Face of My Son Jesus, disfigured to such an extent for love He wants nothing more from you than love.
This Face that on the cross said: "I am thirsty!" He continues to say to you: "I thirst..., thirst for your love... thirst for your pure, disinterested, faithful, constant love, free from all the affection of creatures"
Give this love to My Jesus, and then one day you will have the grace to see this same Face smiling at you in the splendors of Paradise, and together with His, you will also see the Face of your Heavenly Mother smiling at you because this Mother is nothing more wants than to see in you, growing day by day the flame of true love.
I bless you My children, and I give you My Peace... Stay in the Peace of the

Lord. Peace Marcos... I love you!”

01/03/2009 – Message from Saint Joseph

“-Beloved children, My LOVING HEART blesses you this 1st Sunday, with love and generosity!
You are My Students and I Am Your Master in Holiness and Perfection... Come My little students!... Let Me take your hands and help you to start writing the beautiful 'HYMN OF LOVE AND HOLINESS ' which I desire to teach you and compose with you for the greater honor and glory of the ALMIGHTY!

be My students, listening attentively and circumspectly to My voice; engraving My Teachings in your hearts, being attentive to everything that I communicate and reveal to you, so that; may your hearts, illuminated and enlightened by the light of eternal truth, know what they must do and how they must do it!

Be My good students, fulfilling the task I give you: to practice the virtues, to oppose to your defects the virtues contrary to them; exercising yourself in this way more and more each day and progressing more and more: in perfection, in virtues, in love, in hope and in the faith that the LORD desires for all of you and I want to see it blossoming in you!

Be My good students, seeking more and more to imitate My Virtues, the Perfection of My Life so that; in this way you are living copies for Me and faithfully reproduce My Teachings for the world; being so many reflections of Myself, so that this world ugly by vices, sins and disorders can again see the Beauty of Perfection, the Beauty of Virtue, the Beauty of Divine Love and so on; may seek again this Beauty and so, the world be saved by BEAUTY!

Be My good students, seeking more and more to follow Me along the path that I have traced for you; which is that of prayer, of Penance, of renouncing yourself and your will, fleeing the honors, glories and pleasures of this world, fleeing this world that increasingly distances itself from the LORD and preaches a life and new contrary values the one with whom the LORD calls you to love him, to know him and to unite with him.

Follow Me along this road and then My children truly, one day you will graduate from My School of Perfection and Holiness... and you will give to the LORD: Joy, Contentment and a Holy Pride in being your Father and in being the children of 'HE, Mine and the BLESSED VIRGIN.
I will help you with My Angels and My Saints and always remember:
everything that happens in the lives of those who love God works together for their good. Peace! I bless you...”

08/03/2009 – Feast of Our Lady of Tears
Message from Saint Ivo

“-Beloved Brothers... I, SAINT IVO, servant of the Lord, of Mary Most Holy and of Saint Joseph, come from Heaven to teach you the true life that pleases God, the life of virtues..., of love..., and of holiness...
To achieve victory over yourself and your defects, you must oppose your defects:
THE VIRTUES OPPOSITE THEM, contrary to them...
Therefore, if your greatest defect is laziness, you must oppose it: the virtue of WORK...
If your greatest defect is envy, you must oppose it to virtue of SIMPLICITY and KINDNESS...
If your greatest defect is sensuality, you must oppose it, the virtue of PURITY, CHASTITY, CONTINENCE and MORTIFICATION OF THE SENSES...
If your greatest defect is pride, you must oppose it, the virtue of HUMILITY ...
If your greatest defect is slander, you must oppose this defect the virtue of SILENCE...
If your greatest defect is gluttony, you must oppose this defect the virtue of ABSTINENCE...
If your greatest defect is is presumption, you must oppose to this defect the virtue of HIGH HUMILIATION...
If your greatest defect is rebellion and disobedience, you must oppose this defect, the virtue of OBEDIENCE, READINESS and CONFORMITY
... for every defect you have, you must oppose to it the opposite virtue.
Only in this way, exercising the virtues..., making violence and war against yourselves, can you increasingly: FREE YOURSELF FROM YOUR MISERY, WEAKNESSES AND DEFECTS AND ADVANCE ON THE PATH OF PERFECTION, OF HOLINESS, OF THE LOVE THAT PLEASES GOD. ..
Many... live deluded, thinking that it is enough to just do some devotional practices before God and He will be satisfied, but without making war against personal defects. They are wrong! The Lord is Holy! and nothing defiled can enter his abode in Heaven.
Only those who in this life have fought bravely against the greatest enemy of all will enter the Kingdom of Heaven: THE 'I' ITSELF, INTENTED TO EVIL AND CORRUPT DUE TO ORIGINAL SIN.
Only fighting against the 'I' itself, inclined to evil and corrupted due to original sin.
Only by fighting against the 'I', the soul will be able to advance more each day on the path of holiness and will be able to be pleasing in the eyes of God.
You must fight to achieve this perfection, but no one will be able to have a determined spirit and a strong will to do it if they don't PRAY.
PRAY THE ROSARY!... And don't stop praying it for NOTHING! On the day you stop praying the Rosary because of the excess of requests and temporal

tasks that you often plan for yourself, your souls will lose the battle against your defects and against the devil that at every moment stalks you to see the moment. in

which you slumber and stop praying and then make you fall into some sin and lose your eternal salvation.
You always maintain a life of deep prayer, intense prayer and VIGILANCE, ALWAYS FLEEING FROM EVIL AND LOOKING FOR THAT WHICH PLEASES GOD AND HIS MOTHER...
I will help you and I will pray for you on the Throne of the Lord... He will also pray with me for you, the blessed AMÁLIA AGUIRRE, whom you contemplate today on this feast of the LADY OF TEARS.
See how she suffered..., see how she was the victim of so many injustices, so many calumnies..., how heavy her cross was..., how terrible her cross was... And yet, she carried her cross for the love of God, and the Lady of Tears with patience, with faith, with perseverance until the end and that's why she won an imperishable crown in Heaven, because she loved so much...
She loved on the cross... She loved in pain... She loved in the ordeal of contrary appearances, she loved in the abandonment of the Earth, she loved despite all things being adverse to her...
That's why she can help you a lot, she can teach you the perfect and holy life that God and His Mother expect of you.
I, IVO, will pray for you intensely on the throne of the Lord... And I will pray especially for you Mark, my dear friend, whom I love so much, protect, defend and accompany so much. You are mine! And so, I am yours too and together, in one heart, in one soul, we live to love, please and glorify God.
My beloved, I love you and I bless you now and all those who sincerely believe in the Messages of these Apparitions and strive to put them into practice!
Peace Marcos, Peace to all!..."

03/15/2009 - Message from Most Holy Mary

"-Dear children..., My IMMACULATE HEART will certainly triumph, as I have promised you; from La Salete, from Fátima to here in My Apparition in Jacareí...
It is My desire that each one of you will be by My side when this happens. But no one can be there if he does not renounce 'self-love', so that My Love may live in your hearts and My Love may reign!

If you do not put your will aside to welcome Mine, I will not be able to bring you that extreme holiness to which I proposed myself when I came here in February 1991 and for which I remain here to this day...
Your hearts you will unite all the more with Me, the more you renounce yourself, to accept and adhere to what I propose in My Messages!

This is a time of conversion, a time that the LORD has given to each one of you and that must be taken advantage of, for I say to you: Tears of Blood will cry in the future, those who waste these days of Grace, which God has given to the world through Me, through My Apparitions.
This time in which you live is linked to Heaven in an extraordinary way, because of My numerous and daily Apparitions on Earth!

You live in the time of greatest apostasy, violence and evil in the world, it is true... but you also live in the time that is most united to Heaven and that receives more benefits from Heaven, through My Apparitions. You are therefore privileged to have been born and lived in this time when I am with you! Do not frustrate all this expectation and all this Love that GOD has placed on you, by a vile act, by a selfish act, by a petty act of your will; who don't want to convert, who don't want to renounce themselves, who don't want to give themselves totally to God and to Me!

Make sure that all that GOD and I are doing for you, is not in vain and is put to good use, conforming your will to Ours, so that Our Plans of Salvation can be carried out perfectly for you!

I pray before the THRONE of the HOLY TRINITY every day, so that you accept My Messages, so that you accept My Plan and My Will and so I can act in this world through you... Know My children, that your names are all engraved in My IMMACULATE HEART, that you are precious to Me, that for you My dear children I descend from Heaven every day, insisting with you even when I realize that your hearts do not accept Me...
And that is why and It is in the name of this great Love of Mine that I ask you:
ACCEPT WHAT I SAY TO YOU, BECAUSE THAT IS WHAT I CAME FROM HEAVEN FOR AND I HAVE BEEN HERE FOR SO LONG!
I bless you now..."

Comment from the seer Marcos Tadeu: Our Lady asked us for a particular thing: THAT WE PRAY 3 ROSES. SHE DIDN'T SAY WHICH THE ROSE IS, BECAUSE THAT EACH ONE CAN CHOOSE WHICH THEY WANT, WHICH THEY PREFER. MAY EACH ONE OF US PRAY 3 ROSES IN THE FOLLOWING DAYS THIS WEEK, FOR HER INTENT. IT'S SOMETHING SHE WANTS TO DO, IT'S A VICTORY SHE WANTS TO ACHIEVE, BUT SHE DIDN'T SAY WHAT IT IS, IN THE WORLD, ABOUT THE WORLD. PRAY ONLY FOR THAT INTENTION SHE ASKED.
AFTER WE HAVE PRAYED THE 3 ROSES, WE MUST OFFER THEM TO JESUS, SAYING THAT IT IS FOR THE INTENTIONS OF HIS MOST HOLY MOTHER, FOR TRINFO, FOR THE VICTORY THAT HIS IMMACULATE HEART WANTS TO ACHIEVE IN THE WORLD!

03/22/2009 – EARLY FESTIVAL OF THE INCARNATION OF THE VERB IN THE PURELY BOOM OF THE BLESSED MARY

Message from the Most Holy Mary

“- Dear children..., today when you are already celebrating the FEAST OF THE ANNOUNCEMENT and of the INCARNATION OF THE VERB in My Most Pure Bosom, I I invite you to look to Me, your Immaculate Mother, as she says her YES to the Lord's salvific plan.

It is also time for your yes! Many things depend on your yes! Many important things depend on your yes to the Divine will, which is expressed and revealed to you in My Apparitions here...

Not only the salvation of your souls, but also the salvation of many Nations, of many peoples, of many races.. .

Your yes, to everything I have said to you, depends on the realization of God's will on Earth, and on the establishment of His Kingdom of Love among men.

That's why I've been coming from Heaven for so long! To help you..., to give you strength..., to form you and prepare you to give your generous yes to everything the Lord asks of you through Me.

Only with your yes, the fruit of true and sincere love, the fruit of forgetting and depriving yourself of yourself and renouncing your will, will you be able to effectively help in the salvation of the world.

When the soul manages to renounce itself and say: not my will but yours be done, then it is the sign that it has already become adult and mature in true love.

I possessed this love and it was he who led Me to say YES to what the Lord said to Me in the Annunciation of the Angel Gabriel.

You will be able to possess this love if you allow yourselves to be formed, educated and nourished by Me. On this blessed day, I bless you all with love and I give you My children, once again, the certainty that I am always with you and that I never abandon you!...”

03/29/2009 – Message from Saint Joseph

“- My children..., My Most Loving Heart gives you Peace and Blessing again...

Learn from My Most Loving Heart, which is meek and humble, and then you will have in your hearts true peace, heavenly peace...

When your hearts are docile and allow yourselves to be guided by the Divine will of the Most High, trusting Him in everything that happens to you, waiting only on Him and seeking exclusively to do what pleases Him, however difficult it may seem, instead of following your inclinations that always tend and point to the easiest and most comfortable way, so different from that by which God has always led His friends and His elect, then your hearts will experience that supreme peace which the world knows not, which the world cannot attain or possess. because he does not have the true meekness and humility of heart that is required to arrive and enjoy this peace.

If you follow the example of My Heart, which at all times sought only to fulfill the plan of the Most High, doing what would please Him more, which allowed itself to be guided only by the good pleasure and guidance of the Lord that

manifested itself to Me in the events of day and also through the Holy Word that I heard from My Most Holy Spouse, the Virgin Mary and the Divine Child. By the inspiration of her grace that came to Me in deep and solitary, collected and intense prayer...
If you imitate what I have done and left you as an example, you too will walk with a certain, sure, firm, decisive and confident step at all times in your life... And that heavenly peace that always accompanied Me in my life will always accompany you. life, certain that you are under God's plan, you are under God's plan and that all the days of your life, with all the needs, with the precision of each of them, until the last day, are already numbered in the Hand of the Lord and He, every day, will give His sustenance, will give the gift of His love...
Therefore My children, follow me on the road of meekness, on the road of humility, prayer and trust and your hearts, rested that they will be in heavenly peace, they will have joy to bless the Name of the Lord.
I bless you all today and keep it in My Most Loving Heart."

05/04/2009 – Message from Mary Most Holy Mother of God

"Dearest children!... This Holy Week pray more, pray with more love... Contemplate more the love of Christ who dies for your salvation, contemplate more My Love ; that made Me suffer all the Pains, the most excruciating in order to collaborate in the Work of your redemption. I am the Mother of life... those who love Me will have eternal life, those who seek Me will find Me and with Me they will find salvation!
Those who make Me known and loved will live eternally by My side... I live close to those who bless Me, to those who praise Me, to those who make Me known and loved by mortals.
Wisdom dwells in the mind, lips and heart of the one who learns from Me and Me! He who listens to Me, he who keeps My precepts; he will be immortal and will be distinguished among the ANGELS of GOD, as a soul, as someone of great value, wisdom and grace!
Happy are those who are faithful to what I say in My Messages, since of these My children I Am the ever-zealous Mother: who guards them, who enlightens them, who nourishes them each day, who keeps them and preserves them unharmed and immaculate for the greater glory and satisfaction of the ALTISSIMO!
Continue praying My Rosary and all the Prayers that I have given you, because through them I will make you pass through all the traps and snares of My enemy, overcome and overcome all obstacles in this world.
I will give you the grace to overcome your defects and miseries and to lead you unharmed and victorious to Eternal Glory.
I bless you all at this moment abundantly... Peace Marcos, see you soon!"

04/10/09 – (Good Friday) Message from Mary Most Holy Mother of God

"-My dear children... I am the DOLOROUS VIRGIN...
...With my soul pierced with pain, and with My Heart Immaculate tranced... of indescribable Pains, I was... at the feet of the CROSS of My Divine Son JESUS CHRIST, on top of Calvary, with the pious women on this day when He gave His life to save each one from you and all mankind!
I heard the strong impact of the cross on the ground, I heard His last groans of pain and affliction..., I heard His last laments and His last words of prayer, forgiveness, pain and suffering...
As the Mother of the Redeemer I was at the foot of the Cross, to help him to suffer and to die... , to offer his life for the salvation of all humanity and to pay the debt of original sin and thus obtain, for all of you, the grace of being able to enter in Heaven and to be true children of GOD!
I was at the feet of the CROSS... shedding copious Tears of Blood and uniting My Blood with that of My Son JESUS, for the rescue of all of you My beloved children and to finally reconcile you with the LORD, thus undoing the separation that original sin caused between the Creator and the creature, between God and man.
Uniting My Tears of Blood to the Blood and to the Tears of My Son JESUS, I collaborated in an effective and active way in the work of the redemption of humanity..., offering with Him to the FATHER all the Pains, Works and Afflictions that we suffer together in Our life earth, we have finally managed to undo the sin of our first parents and open the door to redemption, salvation, happiness and peace for all humanity!
And with us also collaborated our beloved JOSE, who offered all his pains and sufferings, during the time he lived with us in Egypt, in Nazareth, in Bethlehem, for your redemption. All this My children, was necessary to repair the sin of our first parents ADAM and EVE and to give the world the new hope of redemption and salvation, which springs from such great suffering of Our Three Hearts United and Immolated for your salvation!
In this way, as your true Co-redeemer and your Mother, today I call you, you who are the fruit of My Sorrows, My Tears and the Sorrows of My Divine Son JESUS:
I RISE for a new life; through a deep and true conversion of your hearts to God...
I RESURGE to the new life of Grace; through your "YES" to the will of GOD, which is revealed and manifested to you through My Apparitions here!
RISE to a new life with GOD and in GOD, living in Him, for Him, with Him and always through Me, for the greater glorification of the HOLY TRINITY and for the greater good and salvation of souls!
I RESURRECTED to a new life; a life where you, free from all disordered love for yourselves and for creatures; may with all the strength of your love, of your faith, of your self-giving and of your hope, love and serve the Lord, working

and praying more every day to attract more souls to Him, to His Love, to salvation, to eternal happiness and to Heaven. So that My furthest children can return to the Arms of the FATHER and My Arms, so that we can save them, give them eternal peace and lasting happiness in Heaven!
I RESURRECTED to a new life in GOD My children, according to the path of Prayer, Penance, Love, Sacrifice, forgetting yourselves, so that My maternal plan and the plan that I traced for you may be fulfilled in you. may you, who are unfolding in My Apparitions here, reach their victorious conclusion!
In these times when the world has ended up sinking into the swamp of apostasy, lack of faith, errors, false religions, violence, evil, selfishness, enmity to everything that belongs to GOD and belongs to GOD, I I invite you to cast your eyes on Me, Sorrowful MOTHER at the foot of the Cross, Mother who sheds Tears of Blood, Tears that redeemed you, Tears that collaborate in your redemption, together with the sacrifice of her Son and therefore, SORROWFUL MOTHER who will bring soon the new EASTER of the Resurrection with the Triumph of My IMMACULATE HEART in all humanity!
Confidence! Have hope and faith in Me, just as JESUS and I have conquered death, the devil and sin through the Cross and the Resurrection, We will also conquer the evil spirit that has now dominated and seduced the whole Earth and we will also bring you the new Easter of Peace, Happiness and Love, in the new time of the TRIUMPH OF MY HEART that will arrive soon!
To you My children, who are the fruits of My Pains and the pains of My Son, on this day I bless you from NAZARÉ, from CALVARY and from here from JACAREÍ...
Peace Marcos, I bless you and My Children..."

04/11/09 - (Holy Saturday) Message from Mary Most Holy Mother of God

"-Dearest children... I am the MOTHER OF SOLEDADE...
Just as I was watching over My Son, who was in His Sepulcher, so in these days I also watch next to the 'new tomb' of the times you are living...
Next to the 'new tomb' of the times you are living , I fleece; as Mother of Constance, as Mother of Faith, as Mother of Prayer incessant in supplication, so that just as Jesus is risen, you too may reach the resurrection and the New Easter of the Triumph of Divine Mercy and of My IMMACULATE HEART in this world.

In the new sepulcher of these times in which you live, I watch as an attentive and merciful Mother, watching your steps, consoling you in pain and tribulations, encouraging and strengthening you; in the doubts, perplexities, discouragements and obstacles that you encounter. And making you advance more and more every day on the path of holiness, perfection, love and faithful hope in the victory of My Son Jesus.

In the new Sepulcher of these times in which you live, I watch as a loving and compassionate Mother; to help you in your falls, to get up when you stumble,

to help you overcome your miseries and the evil itself and the sin that still reigns within you. And so, lead you to true liberation: from sin, evil, selfishness, violence; to lead you to the Resurrection of Grace and Love in you!

Next to the new tomb of the times in which you live, I also watch as a Sorrowful Mother; contemplating this perverted and backslidden humanity that every day moves further away from GOD, from Catholic Truths, from Divine Love, from Grace and Peace; sinking rapidly: into the swamp of sin, wickedness, violence, impurity, infidelity to Divine Grace and the Holy Law of Love of the LORD, and building for herself the means for her self-destruction and her eternal damnation.

See how the Gospel of My Son JESUS and His Law are openly refuted[1] and rejected by this humanity and how more and more the suggestions of the devil and evil are accepted by the majority of hearts, which plunge into deep darkness of death and sin... See how this humanity itself has already become a great and intense sepulcher, where only death, evil, dishonesty, falsehood, violence, lack of love, disunity, wars, hatred and destruction... So My children, from this humanity of yours, today already transformed into a great and gigantic sepulcher of death, I come to make the rays of life, resurrection and Divine Grace shine, which already announce that the New Sunday is near: of the Resurrection , of the Triumph of good, of Divine Love and of the Grace of the LORD over so much darkness of Death and sin;that the devil and evil men spread on Earth.

Be you therefore My children, those watchful Angels who watch next to the tomb with the Most Holy Mother in continuous prayer, so that the night of death passes as soon as possible and the new day of Resurrection dawns for the Divine Grace of so many My children, who now find themselves almost on the brink of perdition! If you help Me, if you follow My example, if you work together with Me, then; My IMMACULATE HEART WILL TRIUMPH MORE FASTER and so the New Easter of the New Life of Grace will soon appear for you, and like a radiant Sun will illuminate the whole Earth, transforming it from a great sepulcher of death and sin into a new garden: of life , of joy, of peace, of happiness and love!

My children, just as your Most Holy Mother, although pierced by the most acute Sorrows, waited full of faith and trust in the near Resurrection of CHRIST, you also wait with Me: in prayer, in vigilance, in obedience to my voice, in love, in perseverance The New Easter of the Resurrection that is already approaching you, as a Triumph of the MERCY HEART OF CHRIST and of My IMMACULATE HEART!
Yes My children! Go everywhere announcing that your Heavenly Mother is with you, and that She has long since gone: she watches, prays, sighs and groans; so that your Resurrection comes soon, your Second Easter, where all of you will be freed from this darkness so thick that My enemy has thrown over the world, and then you will know the new era of Grace, Love and Holiness that My Heart will bring you!

If you remain with Me, in the continuous Vigil and Prayer for the Victory of

CHRIST, you will be the Blessed ones who will contemplate My greatest Triumph and Satan's greatest defeat!
Today I, the Mother of Sorrow and Solitude, of Hope and Constancy, of Vigil and of Love, bless you abundantly..."

04/12/2009 (Easter) Message of Mary Most Holy Mother of God

“-Beloved children... I am the Mother of the Redeemer... I was at the foot of the Cross of My Son to help Him in the work of Redemption. With Him, I collaborated every day of My Life in the Great Work of the Redemption and Salvation of the World. With Him, I suffered great pains..., I shed abundant Tears of Blood and suffered in my Body and Soul atrocious pains that no tongue will ever be able to describe and no mind will be able to understand and scrutinize

... men, QUEEN OF THE WHOLE UNIVERSE, Queen of Angels and of all God's creation.
I am the Joyful Mother of Redemption and Resurrection who, with her Son, offers the Eternal Father today the conclusion of the work that He has entrusted us to carry out in order to open for you the doors of Paradise, to make you children of God again and to give you the possibility , that one day you will enter Heaven to enjoy God, his bliss and eternal happiness.
I therefore call you today to look to My Son who rises again victorious over death, sin and evil, so that, in the light of the Resurrection of My Jesus, all of you may also rise again to the new life of grace.

I have risen to the life of grace, through a profound conversion of your hearts and by taking a serious, firm and decisive decision to belong totally to God, to Christ..., to renounce the easy pleasures of this world that lead you away of God and the death of the soul.

I have risen to the life of grace, following Me along the path that I have traced for you over the years in My Apparitions here, which is one of Prayer, of Sacrifice, of Penance, of patience, of silence, of trust, of hope, of forgetting yourselves, of total donation to God and of FULL CORRESPONDENCE to His plan of love.

I have risen to the life of grace, opening your hearts to the Light of Christ so that it may enter your souls, expel the darkness and then fill your understanding and your heart, moving your will to seek more and more to imitate the virtues of Christ and My virtues so that in this way you can give the world a vibrant example of love, faith and total surrender to the love of My Son Jesus.

If you do this, your life will be a perfect and glorious resurrection every day and just as the Light of Christ will shine in you without shadow or obstacle, it will also end up shining in the lives of all those who look at you and see me present with you. my Son in you living reigning in your will, in your life, in your freedom.
And they, then, seeing the light that shines in you, will also seek this light and in turn, they will also become reflections of our light for other souls, so that the world will be illuminated day after day with the light of the victory of My Son until reaching the final conclusion of this time of vigil and waiting that will culminate with the SECOND EASTER OF JESUS IN GLORY, with the coming of My Son Jesus, together with Me and the Holy Angels to finally give our OBEDIENT AND FAITHFUL children the their reward which has long been prepared and reserved for them.
So, My children, today on the day of the resurrection and the victory of My Son Jesus and of My victory over sin, the devil and death, I bless you all, generously..."

Message from Santa Generosa

"Beloved brothers, I, Generous, bless you today also with the Blessed Virgin.
I am your sister and from Heaven I look at you with kindness, pity and generosity.
Generous was I called and generous I want to be in the blessings and daily aid with which I want to help you learn true love for God, His Most Holy Mother and her law of love.
Be generous to the Lord, opening your hearts to Him. Giving him your whole life, giving him your will, your freedom... Detaching yourselves from what still holds you and that still divides your hearts between: loving God with all your strength and loving God a little and the rest, love creatures.
Be generous to God, expelling from your hearts all other loves that usurp your love of God, that prevent you from loving God and that make you resist the love of God that has been waiting for you for so long, calls you, invites you. to surrender completely to Him and into His arms.
Be generous to God, opening wide the doors of your hearts, trying more and more each day to fulfill His commandments, follow the inspirations of His grace, respond to Divine love, emptying yourselves completely of yourselves so that in your souls and in your hearts there is room for the Holy Spirit to pour out His grace, to work in you, to work in your life and through your life, also to work in the lives of those you meet along the way...
Be generous to God, seeking more and more to be perfect imitators of Christ, of His Immaculate Mother, of St. and thus seeing Them reflected in you, may you see and know the beauty, the sublimity and the bliss that it is to love the Hearts of Jesus and Mary through the Heart of Saint Joseph.
Be generous to God, trying more and more each day to love God with greater breadth and expansion of your hearts; never thinking that you already love Him enough, that you have already done a lot or that you are already great friends

of the Lord, on the contrary, you consider yourself every day more unworthy, more traitor, more petty, more selfish, lazy, and unwilling to love of the Lord, so that you will truly be encouraged to love him more and more, to give yourself more and more to his love, his goodness and his plan of salvation.
If you do this, you will be true servants and imitators of Mine, true students of Mine and you will follow Me along the road that I have traveled, while I lived in My life that was the road of generosity, of donation, of total surrender to the will of the Lord to his good pleasure to His greatest glory and joy.
Above all, fight your laziness that so often prevents you from being fervent and burning, ready and determined in the service of the Lord.
The sluggards will not enter the kingdom of heaven. In this way, you will grow each day in virtue, in perfection, in the holiness that the Lord and His Mother expect from you.
Here, in this Sacred place, where They appear for so many years, you are called to a great holiness, to a great perfection and LESS THAN THAT THE LORD WILL NOT ACCEPT FROM YOU, so try as hard as you can and the rest, the that you cannot achieve, I promise to supply with the merits that I have achieved with My sufferings and My pains. To all today with love and GENEROSITY, I bless."

19/04/2009 - (FESTIVAL OF DIVINE MERCY)

Message from Our Lord Jesus Christ

"My beloved children! My most merciful heart is inflamed with love for you and for all the sinners of the whole world
! My Wings and here keep you forever with Me! But it is necessary that man, endowed by Me, with free will, by his free and spontaneous decision, wants to give himself totally to Me and surrender himself to My Mercy
. men in all parts of the world, through My Apparitions and Lachrymations! But... men with hearts harder than stones, they have rejected My Love, they have despised the offers of forgiveness and salvation that I have made to them .
Nothing hurts My Heart more than seeing My Works of Salvation, My Works of Grace which are My Apparitions: rejected and despised by you!

No tongue will ever be able to tell the Pain that My SACRED HEART felt when My Messages, given to My daughter FAUSTINA, were not only rejected by humanity in those years when I spoke to Her; But also how they were hidden and even forbidden during those 20 years when they were condemned by the clergy of the Catholic Church...

The Pain that My SACRED HEART felt would be enough to kill all men so, if I transmitted this Pain to them... That great proof of My Love that were the Messages that I gave to My Daughter FAUSTINA: it was rejected, it was trampled on and despised by men... How many souls could have been saved, if those Messages had been disseminated and propagated in all the Churches

of the whole World with speed and readiness!
How many sinners could have been rescued from the clutches of the devil, if those MESSAGES, if My MERCY THOUGHT had been spread quickly and with love...
How many souls has My HEART lost because My Works of salvation, which are My Apparitions, were so persecuted and rejected! And how many souls does My SACRED HEART still lose today and with unspeakable sadness, sees them fall into the eternal flames; because even today My Works of Salvation, My Apparitions are persecuted, denied and rejected by My own Catholic people, who had the primary duty: to receive Me, obey Me and do what I say for the salvation of all humanity!
My Heart is pierced again, as it was once pierced on the Cross... And as My Heart is pierced, so is MY MOTHER'S HEART and MY FATHER'S HEART SAINT JOSEPH...

You at least... who listen to Me! You, at least, who want to love Me... in spite of your weaknesses... You... decided to have for Me: a true love, a faithful love, an unconditional love, an unrestricted love, a love that does not seek anything other than: loving Me, satisfying Me, satisfying Me and quenching My immense thirst for Love!

Come My children! That My HEART here in this Blessed Place of Our Apparitions is wide open for you!
I will not close this Heart to anyone, only those who wish to do so will remain outside of it; rejecting My Will, rejecting My Love, rejecting My Grace. Otherwise, I will shelter everyone, I will keep everyone inside My HEART and there: I will nourish them, I will feed them and I will make them grow each day more in stature and in beauty on the path of Holiness...

I will make you beautiful in My eyes! I will make you immaculate in My eyes!... So that My Heart may rejoice for you!
Here... where My Throne of Mercy is, I will give: forgiveness, peace and all the graces necessary for your salvation and the salvation of all those who seek Me here, with a straight heart and willing to love Me and do My Will. And those who here shed tears of sincere repentance, and desire to love Me... to those I will show the safe road that will lead them into My MOST SACRED HEART!
Seek more every day, your conversion and your spiritual improvement in the virtues, because the time of Mercy ends My children! And soon the Day of Justice will dawn for the world.
Humanity will recognize the Time of My Visit, that is; the time when My Mother and I visited Earth offering Salvation through Our Apparitions, but it will be too late!... If you do not want to be one of those unfortunate ones, who will have to go with the demons to eternal torment, WAKE UP from this death in which you live My children!

Awake from this death... I have risen to life! Convert sincerely and seek more and more every day to do what I have revealed to you in Our Apparitions here and seek through a holy life to bear fruits of holiness; that you prove your love and that you truly confirm that you are connected to the Vine like branches, very well united to it, that receive its sap and do not fail to produce its fruit...

To all of you, today, with My Mother the QUEEN OF MERCY, I bless you and forgive you for your pains to all those who pray My THIRD OF MERCY daily and spread My Messages, for the salvation of the world, with love, perseverance and fidelity!...
Peace My children, peace My beloved Mark!"

Message from Mary Most Holy Mother of God

"Our UNITED HEARTS will triumph My Children!... Through the Rosary, through Our Apparitions... through your fidelity and your love for Us, Our MERCY HEARTS will triumph!... I, your Mother, reaffirm this to you: Our Hearts will triumph! Despite our enemies, We will triumph and Mercy, Divine Love will win: darkness, the devil, sin and evil...
And in place of these ungodly thrones that now reign in humanity, will arise the glorious Thrones of Our UNITED and MERCY HEARTS and We will bring to the world a new era of peace!
I, your MOTHER, MOTHER OF MERCY, bless you all abundantly..."

26/04/2009 – Message from Mary Most Holy Mother of God

“- Dear children, I am the Mother of Good Counsel and it is My maternal mission to guide you along the path of love, truth, grace and peace... With good and holy inspirations, I try every day to guide your hearts along the path of goodness, holiness, love for the Lord and His law of love...
By the extraordinary way of My Apparitions and Messages I lead you each day along the right path, without illusion, without error, without deviation from the truth, from goodness, from charity, from prayer, from penance, from humility, from fidelity to God, to His law of love, to His commandments, making you grow more and more in stature, age and beauty before the eyes of the Lord...
Spiritually, I make you grow to become mature men in faith, holiness and in the same that My The Lord expects from you: Perfect and true Love!
Let yourself be guided by Me, listening and promptly obeying My Messages, letting yourself be led along the path of mortification of your will, your inclinations and your 'corrupted self', so that each day it is not you, but Christ living in you!
Have in you the sentiments of the Heart of Christ and the sentiments of My Heart. I will only be able to take your Heart and put My Heart in its place when you have died perfectly for yourselves and your will.
Seek this, My children, and then I will live, act, reign and love God with you and in you... In this way I will guide you along the path along which I guided my little daughter Petruccia Nora and all My visionaries elect, who put My Heart in place of their hearts, and then I transformed them into 'giants' of love and holiness.
To all of you I propose the same thing, and with all of you I wish to do the

same. If you let me, oh yes, I will!
Today I bless you all from Genazzano, from Fátima and from here, from Jacareí."

03/05/2009 - Message from Mary Most Holy Mother of God

"-Dear children, My IMMACULATE HEART blesses you again today!
Only in deep Prayer can the soul unite with Me, feel My Love, know Him and prove His delights! For this, the soul must be as free as possible of itself and with its spiritual senses and as much as possible the corporeal ones turned towards Me, so that then they can know what I desire and then; glimpse the splendors of the My Mercy and My Goodness.
If the spiritual senses of the soul are turned towards the things of this world, towards the illusory and fleeting things, however good they seem, for even an instant; it is enough for the soul not to recognize My visit and for it not to hear the beats of Love of My Heart for it. In this way, blind and deaf, prevented from recognizing Me, the soul cannot even feel the peace that I offer to those who seek Me and who seek Me with a straight and sincere heart.
I have said several times: Whoever finds Me finds life. In order to find life, the soul must first die to itself, for if it is not like a grain of wheat that has fallen to the ground, it cannot be born to the Life of Grace and it cannot bear fruit. Only he can find life who first seeks to die to himself! Only when its will is totally crucified, then, will the soul be able to leave the tomb, from the spiritual death that it finds itself, and rise again to the new day: of Grace, of conversion, of salvation and of the encounter with My Love, which so many souls has saved and brought back to GOD!...
Therefore, little children, I make this appeal to you: Turn your spiritual senses to Me, crucify your will, turn your heart to My HEART and then; only then, there in that Royal Antechamber, where only I can penetrate and where the soul can only penetrate if it leaves everything aside, only there the two of us can meet, you and I, your souls and I, and then I will be able to reveal to your souls the grandeur and beauties of My Love!
To him who seeks, it will be given to find. He who knocks will be opened. Whoever asks will be given... Whoever seeks My Love will be given to find it, whoever knocks at My door asking for the bread of My Love will have it... and whoever seeks Me will find Me!
seek Me in the right way, that is, seek Me to know Me and love Me and do everything I ask of you, being willing to give yourself totally to My Love, only in this way will I reveal Myself to you. The souls that seek Me to use Me and try to deceive Me, so as not to finally give Me all their love and all their life... to these souls I reject, I hide and run away from them and I do not allow them to find me. For the soul to find Me, your love must be pure, your intention must be good. Look for Me in this way and I promise you that you will find Me and with Me you will find My JESUS.

Peace My dear children, I bless you abundantly..."

05/10/2009 - Message from Mary Most Holy Mother of God

“- Very dear children, I am THE LADY OF THE ROSARY! So many years ago, I appeared in the poor Cova da Iria of Fatima, to invite the whole world through My THREE LITTLE SHEPHERDS to whom I appeared PRAYER, SACRIFICE, PENANCE, CONVERSION, and also to show men My IMMACULATE HEART full of Love for them and who was so little known about them!
Since then, I have multiplied My Apparitions on the face of the Earth as never before, to show My children this passionate Love of Mine; who wants to save them all, who doesn't want to lose any of My children and who fights tirelessly to free them from the clutches of Satan and sin and lead them back to GOD, so that everyone can be saved by Him!
This IMMACULATE HEART, full of Love for My children, never rested a single day, and never gave up looking for His children, even the most distant, the most rebellious, the worst of the worst; seeking their good, their salvation, their happiness and their peace.
That is why I continue on Earth, through My extraordinary and continuous Apparitions until this day, trying to make My children know My Love, understand My Love, accept My Love and give themselves totally to My Love. and for the sake of My Love!
I have been looking in the world for souls of pure love, roses embalmed with pure love, but I can't find them because almost all hearts are dominated by selfishness, indifference, unbelief, disobedience, rebellion, self-love, by attachment to one's own will, to one's own ideas, and to one's own inclinations...
And that is why in these souls, I cannot enter and I cannot do anything in them or through them, for the salvation of other souls! This is why My Love remains, as it were, dammed up, it cannot overflow the grandeur and riches of His Goodness over all humanity; until there are souls that answer Me YES, that open wide the doors of their hearts to My Love, accept It, give themselves to Him and collaborate with Him in the 'Salvation Plans' that I have for salvation from all over the world!...
My children... I have been knocking at the door of your hearts, I have been searching and calling for a long time; but I have not heard your voice, I have not heard your answer, at most I hear a 'perhaps' or even a 'maybe one day', these are the answers that you have given Me, and that is why My HEART is despised by you, trampled on and relegated to the last place of your existence!
As long as this is the case, none of My Messages will bear the fruit of holiness in you, and in the Eyes of the LORD you will continue to be worthy of reproach and that He will abandon you forever... If you, on the other hand, answer Me YES and give Me your hearts; you will be pleasing in the eyes of the LORD,

you will be worthy of his friendship and living with him already on this earth, through a spiritual and mystical union, which will always keep you united to the LORD with the same feelings, with the same desires, with the same love.
And so My children, I will be able to lead you day after day through the high mountain of perfection, advancing swiftly towards the summit of holiness! For that, it is necessary that you forget about yourselves, so that you remain united to Me... Not even your defects can prevent My Love from being accepted by you and from living in you, for both My Sons JESUS and I , we never said that it was necessary and even that it was a condition that you should always be at the top of the virtues to be united with us, but we always said to you: that it was so and UNIQUELY NECESSARY THAT YOU REMAIN IN US, that is; MAY YOU LIVE UNITED, WISHING, WANTING, RECEIVING AND ALWAYS CORRESPONDING TO OUR LOVE. Your defects will remain in you for a while on the path to holiness, but as soon as My children My Love becomes stronger than your love in you; then even your faults will disappear: burned, consumed in the fiery furnace of My Love that will then crackle and burn in you!
In this way My dear children, you will be one with me and together we will be one in GOD! It is to this life that I invite you, it was to this life that I called My THREE SHEPHERDS OF FATIMA and They replied YES and in that YES, in this LOVE they remained until the end. It is the same that I want from you, that I expect from you... To you to whom so much Love I have given, so much more Love I hope in return. Do not disappoint My Love My children, otherwise you will inflict a great Wound in My Heart that does not close and bleeds without ceasing!
Close the Wounds in My Heart that so many of My children have opened by rejecting Me; loving Me for you and for them, in their place, loving Me with an unreserved love. I give you the LITTLE SHEPHERDS OF FATIMA as a model, imitate them, copy their examples, their virtues, their Love for Me and you then; you will arrive at this sublime Love to which I invite you, to which I have been calling you for 18 years through My Apparitions here and that I will NOT give up until I lead you and make you reach this sublime Love... To everyone today I give My Blessing, LA SALETTE, from MONCHICHIARI, from FÁTIMA and from JACAREÍ!..."

05/17/2009 –Message from Mary Most Holy Mother of God

"-Beloved children... I am your Mother, and I have presented myself here as QUEEN AND MESSENGER OF PEACE, to bring Peace and Messages of Peace to your hearts!
May nothing disturb your peace!... May nothing disturb the peace of your hearts!... May nothing disturb the peace of the world!...
Pray to defend and preserve peace, first in your hearts, then in yours home and then all over the world...

Without Prayer, Peace does not last long, because satan seeks at every moment, through atheists, sinners who do not believe in GOD, to destroy your peace, destroy peace in your families and destroy peace in the world..., he uses those who have no love for GOD, nor for Me, to destroy your peace and to make your future a nightmare of destruction and suffering.
Pray, therefore, to defend peace! Offer renunciations of what you love most, so that peace may then be defended by the Grace of the LORD, by the Holy ANGELS and by the supernatural strength of your Prayer!
Believe that your Prayer can do everything with the LORD, it can do wonders in this world, even in those faraway places, where you cannot reach and where you, because of your human limitations, cannot reach!
Where your feet cannot reach, your Prayer can; your Rosary prayed in union with Me can!
Where your hands cannot reach and cannot act to change things; your Prayer with Me and through Me, can change everything!...
I invite you, therefore, to burn even more your souls of trust in Prayer and in My Word and in this way, together; let us defend peace, let us defend the good, let us defend justice for the good, for the God-fearing souls who suffer in this world!

In this way My children, you will help Me a lot to establish in the world the Kingdom of My IMMACULATE HEART, My Kingdom of Love, so that; all tears will be wiped away and the world can finally achieve true and lasting PEACE!
I bless you all today: from FÁTIMA, from LOURDES, from MONTCHIARI and from JACAREÍ..."

24/05/2009 –Message from Mary Most Holy Mother of God

"-My little children..., I am your Mother and throughout all these years I have shown you the way to salvation. But many chose to go their own way. That is why the world was filled with corruption..., with evil..., with injustice..., with sin... with violence and with the darkness of errors and hardness of heart.
THE ONLY PRAYER THAT CAN NOW COUNTERBALANCE AND OVERCOME SO MUCH EVIL IS MY ROSARY.

This prayer, at the same time intense, SIMPLE and that you can do anywhere, anytime and in any way to then obtain from the Lord His grace, His Mercy and His Love...
My Rosary, prayed at any time, in any place and in any situation in which you find yourself, is the link of love that unites you with Me and with God and that allows the graces and influences of Divine life to be transmitted to you. . So My children, through the Rosary, I can console you, I can help you, I can protect you, I can defend you, I can carry you in My arms at any time and place.

Pray My Rosary! To the Rosary I gave all My thanks, I have told you here many, many times!
Trust him!!! Trust in this prayer that I myself came from Heaven to give and teach to My son Domingos de Gusmão. This prayer that I spoke of, recommended, taught to all My saints... to my little daughter Bernadette, Catarina Labouré and so many of My servants.
It is through this prayer that I will save you, that I will lead you, that I will introduce you to eternal dwellings one day, My children... Trust in My Love, trust in My Heart...
When you suffer, I am not far from you, on the contrary, I am as close to you as I was with My Son Jesus on top of Calvary. When you are suffering, when you are on the cross, it is not at the foot of Calvary that I find myself, oh no! It is at the top of Calvary, close together, tightly hugged to your cross. And just as I remained with My Son until the end with you, so I will remain. And just as in the resurrection and victory of My Son, there I was with Him, also in the moment of your triumph, I will be with you to crown you with the crown that you will deserve for your trust, for your prayer, for your perseverance, for your love and for your patience.
To all, My children, I bless you abundantly from Caravaggio, from Oliveto Citra and from Jacareí."

05/31/2009 - PENTECOST PARTY

Message from Mary Most Holy Mother of God

"-Dear children..., I am the Mystical Spouse of the Holy Spirit...
On this very day, two thousand years ago, He descended on the Apostles who were gathered with Me in prayer in the Upper Room.
I am the Mother of the First Pentecost..., and I am also the Mother of the SECOND PENTECOSTS!

This Second Pentecost that I promised you and which is VERY CLOSE TO YOU, when the HOLY SPIRIT WILL COME DOWN TO BURN AND PURIFY THE EARTH AND TO DESTROY IN IT EVERYTHING THAT IS AGAINST THE LORD GOD, EVERYTHING THAT IS AGAINST HIS LAW OF LOVE, AND TO BURN UP THE HEARTS OF ALL OF YOU ALL THOSE BAD SEEDS THAT HOLD YOU TO ACHIEVE THAT EXTREME HOLINESS THAT GOD AND I WANT AND EXPECT FROM YOU.

I am the Mother of the Second Pentecost and I have the mission of preparing you for the Second Descent of the Holy Spirit by forming you each day: in prayer, in silence, in hiding, in generosity, in charity, in kindness, in perseverance, in patience. and in all the virtues that beautify your souls and transform them into worthy Temples of the Holy Spirit to receive the Gift of His Love and His Grace...
.

Do not be discouraged My children! I am with you every day... and the more you suffer, the closer to you I am...
persevere! Stand firm so that on the day of My Triumph and the coming of the Holy Spirit, when the whole world will then see a great Light, stronger than the Light of day, the Holy Spirit will find you standing, CONSTANT and faithful in His love and in the My love with which I prepare you every day for the moment when, like flowers cultivated by me, I will surrender you to Him so that He will then embrace you and pour itself out fully on you like the sweet and healthy dew of the morning.
I bless you all with love at this moment of Kerizinen, Heede and Jacareí."

07/06/2009 - Message from Saint Paula

"-Mark, I, Paula, servant of Christ, servant of the Virgin Mary, come today to bless you once again, my favorite, my beloved, dear to the Saints in Heaven.

And I come to bless and exhort once more these children of God and of the Blessed Virgin and My brothers in the order of grace.
I come to call you to the burning love, to the ardent love that pleases the Lord, that consumes in you every resemblance to the world and its works and makes you similar to the Lord, to His love and His goodness. When Divine love is ignited in a soul that receives it, that wants it and that does not oppose it, this love will consume in the soul every resemblance to the world and its works of death and will replace and kindle in it the fire of the true. love, which transforms her more and more into the likeness of her Divine Beloved and that makes her more and more produce works of life, works of grace, works of love and salvation in the likeness of the same works that her Divine Beloved, the Lord Jesus, did. .

When the fire of true love is truly found in a soul, he no longer looks at what he has left, he does not feel any sadness or regret for what he left out of love for his Divine Beloved, on the contrary; she deplores every thing, every moment, every year of her life that she consecrated to creatures and that she gave her love to them, despising the love of her Divine Beloved, the Lord Jesus. And the signs of true love in a soul are:

-the soul feels a constant longing for its Divine Beloved;

-she talks about Him incessantly whenever she can and with everyone she can;

- always think of Him;

-seeks to do everything with the aim of pleasing Him alone;

- seek nothing, do nothing without first consulting the Holy Spirit of wisdom to see if what you want to do will please your Beloved or will displease Him;

-the soul seeks more and more to make an effort so that its love may be fruitful in works, fruitful in prayers, fruitful in feelings and affections that are increasingly burning with love for its Beloved;

-when the soul suffers, it bears everything out of love for its Beloved, who, before it, endured all the pains and the cruelest of all, the pain of the Cross and for it, for the soul, gave his life on the Cross;

- in everything that the soul does, thinks, seeks and says, it never seeks itself or the satisfaction of its will, nor does it seek its spiritual interest, but seeks only and only to love its Divine Beloved, to love Jesus with all your strength, with all your heart, without reservations, without calculations and without measuring or regulating this love, on the contrary; the soul that truly loves the Lord expands its heart as much as it can, to give everything and it does not know how to give less than everything to its Beloved Lord.

I ask you, dear brothers, to open your hearts to this Divine love that chose you, that called you, that brought you here, that preserves your life and that still gives you time to know it; so that you love him, so that your hearts can respond to this infinite and unfathomable love, which loved you even before the first cell of your body was created in your mothers' wombs. I responded to this love. Open yourselves to this love. Do not resist this love any longer. Do not remain like marble and granite, cold and hardened in the face of such a great fire of love, which from the heights of Heaven seeks you, seeks you, pursues you and calls you!

The moment you stop running away from this love, when you embrace it and even throw yourself into the midst of its Divine flames, then your souls will completely lose the ugly and disfigured appearance that you had, resembling the things of this world, and you will begin to have you the beautiful likeness, the extraordinary, magnificent and perfect figure of the likeness of your Lord and your beloved who from the heights of Heaven pronounces your names with longing and without ceasing, calling you to His Sacred Heart, in order to dive in and shut you in forever.
Imitate from Me the love I had for the Lord, which was scorched and which at certain times could even kill Me, if the Lord had not sustained Me with His comfort and His grace and had not reserved Me for greater things.
I want to give you this love. I want to impress this love on your hearts. And I will not rest until I complete this work.
Behold, I call you to be My disciples in the school of love. If you are good students, docile, meek, humble and if you allow yourself perfectly to be led, guided and followed after Me, then I will lead you to the high summits of true love, true perfection and true holiness.
Only in the silence of the soul, only when the soul is completely stripped of everything, even of all thought, only there can the soul have a loving encounter with the Lord and receive from Him the inflows of His grace, which like a torrent impetuous wants more and more to communicate, pour out and flow into and

through souls throughout the world.
Do this, pray a prayer of profound listening, of profound detachment, of profound annihilation of yourselves, of your will and even of all temporal thoughts, and in this way your souls will acquire the virtue, the ability to be able to perceive the visit of the Lord, which wants to clarify with the light of His Holy Spirit everything you hear, everything you meditate on, everything you know without, however, understanding, and then you will penetrate into the depths of the mysteries of the Lord's love for you and your souls, after the knowledge of this love, will still be hotter, more ardent in love for the Lord, they will know what to do, how to do it, and when to do it. And then your works and your acts of love will be truer, more perfect, more fruitful before God and men.
I want to bless everyone at this moment, I want above all to invoke upon you the greatest blessings of the Most Sacred Heart of Jesus, of the Immaculate Heart of Mary, whom I have loved very much throughout My life and to which I have dedicated My most beautiful years old. I also want to invoke upon you the richest blessings of the Heart of Saint Joseph, that Loving Father on whom I have always gazed, to learn and imitate from Him His perfect and true love for the Lord and His Mother.
And at this moment I say to you with all my heart: since before your birth I already knew you in God, I already loved you and I already became your protector, defender, guide and teacher. If you are My disciples, if you are My students who are well applied, I will lead you to the perfections of love, charity, grace, perfection.
Today I cover everyone with My Mantle and I bless them abundantly."

14/06/2009 - Message from the Most Holy Mary

"-My children... I am your Mother and I call you to trust in My Love and to give yourselves completely to My Immaculate Heart!
How much love and trust a calf has for its mother... it has the kitten for its mother... it has the bunny for its mother! He fears nothing, for he knows that his mother is there beside him and that she will not allow any harm to touch him.
The same trust in My Love I expect from you My children! May you trust in My Love and may you never be afraid to approach Me, even with your sins and faults; even when your miseries and weaknesses are repeated and their weight is felt on you. Oh no! I want your hearts to seek Me as quickly as possible, so that I will give you My medicine as soon as possible to heal you, before your wounds increase in size and their severity also increases.
I want to be with you always in My Arms. No matter what happens to you, no matter how many times you may stumble or fall.
Just like a little child when he injures his finger on a thorn, or when he cuts himself when he falls, he runs to his mother to show her the wound and thus receive from his mother not only the medicine that heals the wound, but also

the kiss. and the embrace that comforts and revives the heart; I also want this today: to comfort you, to console you, to encourage you and to always do this when your hearts are discouraged, discouraged or weighed down by the weight of trials, temptations and difficulties...
When you take up My Rosary it is as if you took My Hand! And with each Hail Mary that you say, I touch your wounds with My Hand, closing them all with the salutary medicine and balm of My Immaculate Heart...
With each Hail Mary I kiss you, I hug you, I warm you in the fire of My Love! I feed your tired and downcast souls again and make them strong, courageous and determined to follow the path of holiness, for the greater honor and glory of the Most High!
You must continue to pray the Rosary daily, because through Him we are pulling many souls from the clutches of Satan and leading them back to the path of the Lord, to the path of Love, to the path of Salvation! Only in Heaven will you one day meet all these souls that you helped Me to rescue with your Rosary.
As long as you are united to Me by the Rosary, I am with you and My enemy has no power over you! If you leave My Rosary, I will no longer be able to be united with you and then My enemy will have more power over you and I will no longer be able to help you or defend you as much as I can when you are united to Me in the Prayer that links Me with you, that it is the Holy Rosary! Continue, therefore My children, faithful to this Prayer and I will be faithful to you with My Graces to help you overcome all the temptations, suggestions and proposals of My enemy to make you arrive unharmed, perfect and triumphant. in the Glory of Heaven!
I bless everyone today with the immense Graces of My Immaculate Heart!"

Marcos: Beautiful Princess of Heaven, who are you?

Message from Saint Helena

"-Marcus, I am Helena, Saint Helena! That today I came with the Most Holy Virgin to bless you, to bless these My brothers in faith and in the Grace of GOD and to pour out on you all the greatest and most immense favors of the Most High!
You know that I was the one who looked for the Holy Cross of Christ in Jerusalem, who recovered it and who recovered so many of the places where Our Lord and the Blessed Virgin lived and thus I offered to all Christendom the Relics of the Passion and Death of Our Lord Jesus Christ .
I want to engrave in your hearts and in your souls the Cross of the Lord! This Cross that I loved so much and that I didn't rest until I found it! I want to engrave this Cross of the Lord in your hearts and in your souls, so that the love of the Cross may be in you and so that you can resist the seductive temptations and suggestions of the enemy of the Lord, who in these times

seeks to call you and to invite you to follow him along the wide and spacious path, which is easier and more comfortable, but which does not lead to GOD but to the abysses of eternal torments!
The way to which I call you is the way of the Cross! It is the path of suffering yes in this life; supported with patience, hope and trust! It is the narrow path that few choose to follow, but it is the only path that leads to Heaven, that leads to the Lord, that leads to salvation!!
The enemy of the Lord seeks at every moment to offer you the glories and vanities of this world, disguised as an apparent good; but behind these appearances of good he hides his fatal poison, with which he wants to poison your souls and make them perish with the rest of the world he brings after him, all poisoned, spiritually dead and spoiled!
I want with My Mantle, I want with My Love to keep you from this terrible temptation and guide you more and more each day along the path of the True Love of GOD that is expressed: in the Cross, in Pain, in Suffering, in Trust, in Hope and in the total consecration of oneself to the Love of the Lord...
The Lord desires nothing more from you than your Love!
See how His Sacred Heart is on fire with Love for you! How He has waited for you until this day here! How patient He was to wait for your answer, your yes to His Love and how much His Sacred Heart had to suffer because of your selfishness, your hardness of heart and your slowness in responding to His Love .
See how the Heart of the Blessed Virgin suffered and was covered by deep Wounds, caused by your hardness of heart, by your wickedness, and by your refusal to respond to Her love and obey Her Will!
How many times have you heard the Messages colder and harder than rocks and drier and arid than deserts! And yet, this Celestial Love for you waited, for you it continued fighting, for you it continued searching every day of your life...
Do not delay any longer! Give yourselves to this Love with works, with the total consecration of your life, with the renunciation of your will and with the perfect fulfillment of the Divine will!
See that no one should oppose this love, not even his weaknesses and miseries, for it was they who made These Sacred Hearts continue to seek your souls so passionately!
It was these same weaknesses that made those Most Sacred United Hearts of JESUS, MARY and JOSEPH continue to travel the Earth and search minute by minute for your hearts, with such passionate love and it was these same miseries that made Their Hearts beat on fire with Love on fire and full of Mercy, with the desire to save you, to help you and to free you from so much indigence and spiritual Misery!
It was your nothingness that attracted These Hearts to you, it was not your virtues. Oh no! It was your misery, it was your baseness that attracted the gaze of those Sovereign Kings of Heaven and made them wait standing at the door of your hearts, for so many years waiting for them to open!
Open the door for Them, welcome Them, call Them in! Give them not a place of guest in your life. Oh no! Don't give them a guest room, give them the master bedroom, the main room of your lives, so that they can become like your family members; people who truly live with you and with whom you are truly united!
Give them your heart... Give them your YES, not this petty and selfish YES

that gives the leftovers of time, youth, strength, love for Them. Oh no! Give them all your life, all your love, all your affection and all your heart! And then you will live a true life in GOD, a true life in the United Sacred Hearts and you will know the happiness of loving Them and of being loved by Them with a Love of special predilection!
The measure of your love for Them will be the measure with which, They will communicate to you Their Love, Their Grace and Their very life, the celestial sap; so that your souls can then feed on the sap of the trunk and produce the fruits of holiness that the Lord expects from you!
You must have a mature faith! You must have manly faith! You must have a decided faith, a ready and energetic faith! This virtue, which I possessed to a heroic degree, I want to communicate to you every day in Prayer if you ask Me, if you turn to Me!
Just as I spared no effort to recover the Cross of the Lord and so the Holy Relics of His Passion. Just as I spared no effort to make the Catholic Faith the Official Faith of the Empire of My son Constantine, and until I saw this Faith triumph, I did not rest; you too cannot rest before seeing the Holy Catholic Faith of Our Lord Jesus Christ triumphing on Earth and seeing the Kingdom of His Most Sacred Heart established in this world with the Kingdom of the Immaculate Heart of Mary and Saint Joseph!
Be brave fighters of the Faith!
Be brave workers of the Faith!
Be brave agents of Faith, Peace, Love and Salvation!
Don't sleep now while the sun is shining... Work, work without rest! I worked without ceasing! Pray constantly without ever interrupting your supernatural and spiritual union with GOD, keeping your hearts united to GOD, for the mystical union of your souls and for the prayer that springs from life itself, which springs from the depths of the spirit well immersed, well founded in GOD !
Soon the night will come and work will no longer be possible... The time given by the Lord for men to know Him, love Him, work for His Glory and for Salvation itself, and work for the salvation of the world will end. Then The Master, The Lord will call every servant of his and give payment, each one, to each according to his works, according to what he has done and what he has deserved.
And woe to those who sat while others worked!
Woe to those who were idle and vagabonds, while others worked the Earth of this world and of their own souls; planting the seed, watering it, fertilizing it with prayers, sacrifices and good works, and making them grow defending these plants, the plant of the soul and personal sanctification from the weeds and plagues that the enemy sows in the middle of the field of the Lord. And thus producing the most beautiful and tasty fruits to please the demanding and very sharp palate of the Boss, of the Lord!
Woe to those who have been idle! These He will send to His taskmasters, to bind them hand and foot and cast them into the everlasting flames, along with all the straw and weeds that have grown in their field, and there will be weeping and gnashing of teeth for ever and ever!
If you My brothers, do not want to have this sad fate, be the bees industrious, be the fast hares that do not stop running everywhere. Be the brave and ardent workers of the Vineyard of the Lord who go, who work and who do not rest until

they produce the most beautiful fruits of the Lord's field, to deliver to Him when He returns...
You will be accused according to the talents you have received from the Lord; whoever received more will have to repay more, whoever received less will have to repay less, but he will have to repay, for this Lord will even ask for an account of the fields in which he did not sow and even the Vineyards that he did not plant. How much more will you not escape accountability to this Lord, who has given you so much and who has favored you so much in this Most Sacred Elected Place of these Apparitions, which is dearer and dearer to God and His Mother than the rest of the world.
I, Helena, extend my hand to you! I cast you my ropes, my anchors; so that you may cling to them. And so, well united, well tied to me, you can follow the path of holiness, which is difficult for those who do not have the Saints by their side, but which is accessible, easy and right for those who have us by their side; for those who copy our examples and virtues, for those who give themselves to our protection and direction and for those who live very well united to Us through true devotion: to Us, to the Blessed Virgin, to Saint Joseph and to the Lord!
I, Helena, pray the Holy Rosary with you every day, it is I myself who collect each Hail Mary that comes out of your mouth, each luminous globe of Hail Mary that comes out of your mouth, I take these globes to the presence of the Lord and the Mother Most Holy; to present you more luminous, more effulgent, more brilliant, through contact with my own holiness and personal merits, to obtain from you more effusive, more abundant Graces: of love, salvation, sanctification and Divine help for your souls. ..
Pray to Me, I will protect you! I will especially protect the concrete Works you do for the Lord, for I am the Patroness of all those who build for the Lord, who build concrete things for God and His Mother on this Earth, for those who truly strive to build the Lord's Kingdom on this Earth. , as He is in Heaven, as He exists and is in Heaven!
I will help you, I will bless your hands for your work; so that their fruit may be more perfect, more effective, and more lasting.
As Patron of all the workers and workers of GOD, I will make your works, works of life, works of love that remain forever as long as GOD is GOD!
I, at this moment, bless you all abundantly...”

06/11/09 – Feast of Corpus Christ - Message from Our Lord Jesus Christ

"-My most beloved children! My SACRED HEART blesses you today on this Feast of My MOST SACRED BODY!
My HEART thanks you for your Prayers of Love, Adoration , Praise and Reparation that you have done for Me here, today, In this Sacred Chapel, In this Chosen and Preferred Place of My Most SACRED HEART.
And My HEART was truly very consoled!... Consoled by the many sins with

which He is offended daily... Consoled by the abandonment in which so many of My children leave Me today... Consoled by the betrayals of many of My servants , apostles and ministers; who betray Me just as Judas betrayed Me at the Last Supper, at the exact moment when I was giving My Sacrament of Love to the world, someone who put His Hand with Me on the plate and who sat at My Table, had already perpetrated giving Me into the hands of My enemies!
How many today betray Me in the same way, surrendering My Goods, My Treasures and everything I left in the world to be plundered and to be destroyed by the feet of My enemies.
How many crucify Me anew, through their life which is a true and aberrant denial of My Love and of all that I have taught!
That is why My Heart truly needs to be consoled, because its pain, its loneliness is as atrocious as the one I suffered in the Garden of Olives! My HEART must be consoled for you My children! That you faithfully obey the Messages of My BLESSED MOTHER and that you are her smallest children that She nourishes, that She forms, that She educates and makes to grow each day in the safe enclosure of Her IMMACULATE HEART! You who are the most viscous flowers in My Mother's Garden and who fulfill everything She says, who cultivate and practice Christian virtues even when the most intense and painful sacrifice is demanded of you, you are those flowers that come to take the place of of the thorns that pierce My HEART today and make it bleed... You who are the rosebuds that My Mother cultivates every day in the Safe Garden of Her HEART and that She makes grow more each day: in virtues, in Love of GOD, in True Charity, in Conformity with the Holy Will of the LORD and in the Perfect Correspondence to His Desires... You are those fragrant rosebuds that come to take the place of the Crown of Thorns, which My enemies have placed and place without ceasing on My Head: for their sins, for their hatred, for their opposition to me. And in this way you give Me immense joy, immense contentment and satisfaction, for seeing that in the Garden of My CELESTIAL MOTHER true flowers of love, fidelity, obedience and sincere desire sprout and grow: to love Me, to console Me, to Praise and adore me!

You are these flowers that enchant My Eyes and that replace My Tears of Blood with true smiles of joy!... This is how you must continue to be... You must continue to be for the true joy of My HEART... And in this way you you will form around Me the most perfect court of love, affection and the true and sincere affection that I hope to receive from you all...
Every day try to conform your will, with the will of My SACRED HEART; renouncing yourself and what you most want, your attachments; otherwise I will never be united with you and I will not be able to establish in you: My Abode of Rest, My Garden of Rest and My Palace of Love! Only when your hearts are Mine, without any shadow of opposition or rival, will My SACRED HEART truly reign in you and truly take care of your entire life, transforming it, already, into a foretaste of Heaven on Earth by the perfect union of your souls with Me.
What My SACRED HEART seeks is Love... Perfect Love... But it doesn't find it in any soul... Just like I asked the Samaritan for water saying to her ":- Give Me a drink!" The same I say to you today:-Give Me a drink! Give me to drink from the well of your love... Give me to drink from the source of your pure, sincere

and faithful love! Give Me to drink from the well of your heart full of true works of Love, which I prove your faith, your love and your obedience to My voice!
Do not be a well without water, because I say to you: - The soul that is a well without water and that I find it in that state when I return, this soul, I tell you, I will expel from My presence and it that left Me passing thirst... thirst for your love during your life here on Earth, this soul will be condemned to eternal thirst for Me in hell. And this thirst for love, peace, grace and salvation that she will suffer there will never be quenched or extinguished, because those eternal flames will renew for all centuries of centuries her thirst for salvation, grace and peace without anyone never satiate it!
The soul that does not give Me the bread of its love here on Earth, this soul will be condemned to eternal hunger***, to the eternal absence of Me and My Love in the infernal flames from which it will never be able to leave!
For this My children, I ask you: be wells filled with water, water of love, water of true correspondence and obedience to My Commandments. And then in Heaven I will give you to drink a Fountain of Living Water: of My Love, of My Delights, of the knowledge of My Sacred and Most High Mysteries for all Eternity and you will then never be thirsty again!
Whoever drinks from Me, whoever eats from Me will live forever! I will live in that soul and We will be one for the centuries, of the centuries in Love...
I don't care about your miseries! I don't care about your flaws! Little by little I will burn you all in the Flames that come out of My Sacred Heart, if you give yourselves completely to Me and are totally docile to My will and to My Divine Pleasure.
I bless you all today abundantly through My BLESSED MOTHER and through My FATHER SAINT JOSE, pouring out on you the abundant blessings of My SACRED HEART..."

****

*** Obs.: eternal hunger and thirst***

Clarification by the Seer Marcos Tadeu about what JESUS said in His Message about the eternal hunger of the souls that deny him the bread of love here on Earth, the eternal thirst of the souls that deny him the water of his love here on Earth Earth will suffer there in the infernal flames.

"Whoever goes to hell does not thirst for God, he has no desire for God. The hunger that the damned suffer in hell is eternal hunger, hunger for eternal damnation, hunger for tender condemnation, hunger for eternal solitude, for eternal separation from GOD, eternal hunger for love. There the soul will suffer the hunger of death, that is, it will languish for centuries of endless centuries: without love, without consolation, without any hope of one day it can unite with God, love God or even leaving that place of torment, in the company of those terrible demons that torment.It
is this hunger that JESUS spoke in today's Message: that all souls who in this life deny them the bread of his love, the water of his love will suffer.
Love everyone! But not JESUS and OUR LADY! They are nice and helpful to

everyone, but not to JESUS and OUR LADY! There's time for everyone, not them! It has strength, health, youth, courage, will for everything! Not for Them... They dedicate their lives to serving everyone, but not Them!
Those souls who deny Them the bread of their love, the water of their love, in this life, in the next, will suffer for all centuries of centuries eternal hunger and eternal thirst in the fires of hell. And there will be no one to satisfy you; because from eternal hunger and thirst they will suffer for all centuries of centuries in eternal damnation, in eternal and irreparable separation from GOD, the only Source of Love that can satisfy the human soul.

21/06/2009 - Feast of the Loving Heart of Saint Joseph - Message from Saint Joseph

"-Beloved children... My Most Loving Heart blesses you today and gives you peace!
On the Feast of My Loving Heart I open the depths of My Paternal Heart, to pour out on you The Treasures of His wealth and of My merits that are more thicker than the Sea, more immense than the Sky!
My Most Loving Heart will be your luminous sun... that will illuminate every day of your lives; that will always give you light even when the darkness of temptations, of afflictions cloud your day and so darken it until it becomes a deep dark night.
This Sun will then shine for you and you will be able to see the right path that leads to the Lord, that leads to Heaven, that leads to perfect sanctification. And My enemy then; it will not be able to disorient you, confuse you, or deviate from the right path that you should follow.
My Most Loving Heart will be the Luminous Sun... that will illuminate your minds, with the light of eternal truth, of eternal wisdom, making you increasingly penetrate the Will of God... penetrate the most profound Mysteries of the Most High... understand His Law, His Goodness, His Commandments, His operations of Grace so that; your actions, your thoughts, your will and your works are perfectly consonant with the Will of the Most High; bear many fruits of sanctification, many fruits of life and salvation for the greater glory of the Lord, for the good of your souls and the good of your brothers!

My Most Loving Heart will be the Luminous Sun... that will always shine into your hearts, warming them when they are cold and unloving; illuminating them when they are cloudy, when they are clouded by the fog of indifference, discouragement, sadness, spiritual prostration. So that, perfectly warmed, illuminated and enveloped by the light of this Heart; may your souls overcome all discouragement, all torpor, all lukewarmness; can dispel all the fog of doubt, uncertainty, fear and mistrust. And so your souls walk with a firm and decisive step, ever more quickly and surely along the path of True Love along which I lead you...

My Most Loving Heart will be the Luminous Sun... that will transform even the deepest night of sin in the souls of My poor children who are far from God and Me; on the sunniest, warmest, most wonderful day. If you My beloved children lend Me your hands, your feet, your lips, your life; if you give Me your heart so that I can act through you, so that I can walk through you, speak through you, look, love, save these My poor children through you... If you take them to them for the perfect dissemination of Our Messages that We give you here, of Our Works of Prayer and Our Love to those who do not know Us!

My Most Loving Heart will be the Luminous Sun... that will illuminate all this humanity; immersed in the darkness of Apostasy, sin, rebellion against God and His Law of Love; making it a world full of light, full of life, full of Grace... If you give Me your voice, however weak it may be, give Me your strength and your heart, however weak it may be. And then I will make use of you mightily and My Grace will be able to be transmitted from heart to heart, warming and illuminating all the souls of the whole world and making them shine again with the light of My Love, of the Love of the Immaculate Virgin Mary. for the greater Honor and Glory of God!

If you My children reflect the Light of My Heart, if you receive the heat of the Sun of My Heart and radiate it to others then; Satan will flee terrified, neutralized, annihilated and defeated. And he will no longer be able to spread over souls the darkness of his death, nor the ice of his hatred and rebellion against God. And the ardor of flames, sins, vices and carnal concupiscence that Satan so often kindles in souls will also be extinguished from souls. And another fire, the fire of My Love, the fire of My Heart, the fire of Divine Love, Prayer, Penance and Grace will take place in the hearts of men. And then all of Us, like an incandescent furnace of Love, will burn with living and pure love and transformation for God Our Lord!

I love you My children! And today on the Feast of My Most Loving Heart, From that pure Heart without sin... From that Heart full of love, full of charity, full of peace and Mercy, I bless you by giving you the Plenary Indulgence; to you who make My Hour of Prayer every Sunday, with devotion, with fervor, without laziness, without ill will, without failure!
And at this moment I spread over you the most abundant Graces of My Paternal Heart and always watchful over you!"

28/06/2009 - (Commemoration of the 28th Anniversary of the Apparitions of Medjugorje and of the Day of Our Lady of Perpetual Help)

Message from Mary Most Holy Mother of God

“- My dearly beloved children... today you celebrate with great joy my PERPETUAL HELP and also the 28th anniversary of my apparitions, of my coming to MEDJUGORJE.
During all these years, I have shown My Love to all humanity, through Medjugorje, here, El Escorial, Oliveto Citra, and many other places where I still appear and manifest Myself.

I never stopped showing My love to My children, I never stopped giving them My Perpetual Help..., the continuous recourse to My love..., My mercy..., My goodness...
I never abandoned them. humanity... No language will be able to say, that in some century of Mine, I did not appear, I did not manifest Myself, to show the world that I am very close, very close, very close, not only to humanity but also to each child of Mine in particular.

My Apparitions are the greatest proof that I am with you every day: accompanying the events of humanity and your personal life, guiding you to Heaven, to God
... day with the purpose of making you fall into sin and thus lose Heaven forever and be worthy of eternal fire...

With My Apparitions, I dismantle many traps that the demons have planned for you and make you emerge victorious from every trial, from every satanic insidiousness and I make you grow more beautiful each day, each day more pleasant, each day more perfect in the eyes of the Lord.

The souls who let themselves be guided by me, led by me, who obey My Messages from Medjugorje, from here in Jacareí, from Oliveto Citra, from My so intense and frequent Apparitions in so many places in the world, these souls, I myself cultivate them in the garden of My Heart as precious flowers, rare and of extraordinary beauty so that soon, when My Son Jesus returns on the clouds of Heaven, I can present you all these flowers: fragrant, lush, with petals of extraordinary beauty and exhaling an extraordinary fragrance to gladden the Sacred Heart of My Son and give Him praise and glory.

Your weaknesses..., your miseries, only enhance even more the skill and perfection of your heavenly gardener, who cultivates you, who nourishes you, who fertilizes you, who prunes you so that you grow more and more and produce more and more flowers of holiness and love...

Don't resist My pruning..., don't resist the cuts I want to make in your souls from your attachments. And if you are like that, sweet flowers in My hands, I will be able to truly cultivate you and transform you into a beautiful garden for the Lord.

Through My Apparitions, I make the last call to all humanity.
After My Apparitions are over in Medjugorje, here, in Oliveto Citra, in El Escorial, I will not return to this World.
Therefore My children, every word that I give you, I give it with the preciousness and value of a will of a mother to her children

Do not step on these pearls that I give you like swine, who, not understanding the value of a pearl, step on it until it crumbles, oh no! Understand the value of My words and give Them the Value they deserve and the correspondence they deserve from your hearts.

I'm very happy! Because both in Medjugorje and here, I have souls who truly love Me...
I know them very well, and I know how much they are capable for My love... These souls deny Me nothing, they renounced everything, they left everything, they despised everything and all to love only me.

They gave me their lives, sacrificing even their interests, their plans and their aspirations in holocaust.
They are Mine, they live only for Me, they think about Me all day and everything they do, they do for My love... To give Me joy, to give Me contentment, to show Me that they love Me and that I am a beloved Mother .

For these souls, I do not deny grace..., I communicate the treasures of My love without imposing any limit or regulation. To these souls I give profusely, copiously and these souls live awash in the sea of My love...

I give Glory to the Lord for allowing Me to stay in Medjugorje, for allowing Me to stay here and in so many places of My Apparitions for so long , for through these Apparitions I am loved, I am glorified by My obedient and faithful children and the Lord Most High is also glorified and loved in me, by me and with me.
To all today, I bless abundantly from Medjugorje, from Oliveto Citra and from Jacareí."

05/07/2009 - Message from the Most Holy Mary

"- Beloved children..., When true love burns in your hearts, your souls will increasingly seek the will of God and what He has expected of you and what He has shown to you. throughout all these years, in My messages and in My Apparitions here".

Understand, my little children, that only when a soul is in the love of God does it want what God wants.
When the soul is not in the love of God and does not have this love in itself, its will seeks what is of the earth, returns to the earth, crawls after the trifles and chimeras* of the earth.

I call you, therefore, to true love that is only possible to achieve with great effort, many desires, sighs, tears, prayers and many renunciations.
As your soul renounces all that is attached, and becomes more and more free, more and more will it become more and more disposed towards the things of God.

You will be more receptive, purer and better able to know God, God's love, his will and taste the sweetness of living completely united with God.
It is my maternal mission to lead you to that union every day.

Therefore, my children, I repeat to you again:
PRAY, PRAY, PRAY WITHOUT CEASING! And each day with more love, with more intense love so that your souls will never be separated from the Lord and each day become more passionate about Him and Me.

I'm not tired! Although many of your hearts are already numb and refractory to what I say. I still await the opening of your hearts and the full acceptance of my messages from them.
I pray for everyone and I cover everyone with My mantle.
I bless you all now from La Salette, from Pellevoisin and from Jacareí...!

* chimerical adjective refer to something that is nothing more than a figment of the imagination, illusory.

Marcos Tadeu's comment: “-... Our lady invited us to do a little extra thing: that we do during the whole month of July a kind of novena PRAYING THREE HAIL MARIES A DAY in the intention of your Sanctuary here and in the intention that new pilgrims come to this Shrine to pray, to join Our Lady's army, to work for her, to help her in the work of the Salvation of humanity...”.

12/07/2009 - Anticipated Feast of the Apparitions of Montichiari to Pierina Gilli, as The Mystical Pink Lady

Message from Mary Most Holy Mother of God

“-Beloved children! Today when you already celebrate the Anniversary of My Apparitions in Montichiari, for My little daughter PIERINA GILLI... I come again to your heart here IN THIS SACRED PLACE AND WHICH IS DEAR TO ME THAN ALL THE REST OF THE WORLD to ask you:

BE YOU ARE MY ROSE TREES OF LOVE!...

...The Rose Garden in the midst of which I appeared to My Daughter PIERINA GILLI, on the 13th of July 1947, was the perfect image of what I desire from you and what you must be for truly:
- glorify My Heart,

- console My Heart,
- do the will of My Heart...
...and in this way My Heart may triumph over the entire world!

Be My Rose Garden of Love... living more each day:
In prayer, in penance, in attentively listening to My Messages, living more and more in the struggle for your personal sanctification and, above all, in the perfect and complete surrender of yourselves to My Love and My Will...

Be My Rose Garden of Love... each day trying to overcome your defects, doing violence to yourself, denying what your human nature wants and requests, renouncing your will, practicing mortification, practicing self-denial more and more. So that every day your souls can grow free and strong on the path of personal and spiritual perfection, until you can completely resemble JESUS CHRIST!

Be My Rose Garden of Love... trying every day to exercise with greater frequency and accuracy the virtues contrary to the defects, the vices of human nature. So that in all your souls that beauty, that beauty, that purity, that divine light that God desires for each of you may shine; so that you may be the perfect reflections of the Love, Holiness and Beauty of the HOLY TRINITY and also of My IMMACULATE HEART!

Be My Rose Garden of Love... each day trying to answer 'yes' to everything I ask of you. Renounce your free will, your self-government, that is; to the government of yourselves, renounce the disordered attachment to your ideas, your desires and even your plans!...
My true consecrated persons must not make plans for themselves, because if they are not Mine, I will knock them to the ground and make My Plan come true.

The true Consecrated One, every day:
- fulfills My will,
- fulfills My desire,
- renounces his will, his desire,
- renounces his own way to follow Mine.

In this way My consecrated one grows like a fragrant, fresh and beautiful rose; that never resists My pruning, that never resists My handling and My work... And so, on Herself I pour all the perfumes of My virtues and My Love!

Be My Rose Garden of Love... each day seeking to know Me more, because to know Me is to love Me and to love Me is to find salvation. Whoever finds Me, finds life, whoever loves Me, loves GOD, whoever obeys Me becomes precious in the Eyes of GOD and becomes His true child, and worthy heir of His Love, His Grace and His Glory!. ..
A true image also of your souls was My Source of FONTANELLE, a pure, clear and limpid source... Source that through the years communicated the torrents of My Grace to countless souls. So must you all be, you must be the Sources that carry the torrents of My Grace everywhere!
You must communicate to everyone: the Water of My Grace, the Water of My Love, the Water of My Holiness, the Water of My Maternal Kindness, so that everyone recognizes Me alive, reigning and present in you! And then, feeling My Love, knowing the Beauty and immensity of My Love for them, they too, like you, want to give themselves to Me to be all Mine and to dwell forever in

the safe refuge of My IMMACULATE HEART.

To all of you today with My daughter PIERINA GILLI, with My Daughter MARIA CRUCIFIXA DI ROSA who is here with Me, I bless you all abundantly..."

Santa Maria Crucifixa Di Rosa

"-Beloved brothers and sisters, I MARIA CRUCIFIXA DI ROSA bless you today with all My Love and My Heart!
You know well I am the one who appeared together with the Lady ROSE MYSTICA in Montichiari, for our dear and beloved PIERINA GILLI. PIERINA is our favorite and I received from the LORD the mission to prepare her for the coming of the Lady ROSA MÍSTICA.
I received the mission to lead her along the path of holiness, of perfect love for God and His Mother and the fulfillment of his will!
It is also My mission to lead you all along the same path: of prayer, penance, conversion, perfect love for God and the total sacrifice of your lives to that love; so that you, truly, can transform yourselves into a living and burning flame of love for the LORD and for his Mother on this Earth!
Be living flames of love... having your heart always on fire with prayer, silence, meditation, encounter with GOD; by means of an assiduous, permanent and continuous contemplation... May it never be interrupted by the hustle and bustle of the world. For this, always keep the doors of your spiritual senses closed, even when you are at work and in apostolic action; so that even so, working for the Lord and for the salvation of souls, your soul may always be alone with the Lord, always in holy retreat and continuous communication with Him, so that you are always united with His Will and with what the Lord wants. . Otherwise, all your action, all your work and all your life will be useless... Your works will not have the Grace of GOD and without the Grace of GOD nothing good you can do and everything you do will not last,

Be living flames of love... living each day more to serve the LORD, to please Him, to please His BLESSED MOTHER through the constant exercise of the virtues, also through works and prayers of love... to consecrate your whole life to the Lord and give it to Him, to give your natural gifts to His service, without any spirit of ownership or possession; always being sure that everything you have received from God is not yours, it is His. And therefore, you have nothing and you are nothing, and only in Him and with Him can you do any good and possess any good. So in this way your service to the LORD will be completely stripped, self-denying, it will be completely free and free from any attachment or stain of attachment, or spirit of ownership or possession.

Be living flames of love... trying each day to be more in conformity with the Will of GOD, renouncing your will more and more, dying to yourselves so that you

can live the True Life in God who is Love, who is Peace and Happiness!

Be living flames of love... fleeing from the things and people that make you hurt the LORD, to despise His Love because of the love of creatures. So that, far from the occasions of falling into sin and betraying the LORD, your souls may grow without stumbling or falling, always more towards true and pure Divine Love!

Be living flames of love... Always thinking of GOD, always thinking of HOLY MARY, remembering Them with love and gratitude, blessing Them at every moment and not missing an opportunity, not a single day, to speak of His Love , to spread His Love, His Grace, His Peace and His Life on Hearts!... Not wasting a single day in spreading the Messages of Love that They give you here IN THIS PLACE, WHICH IS DEAREST FOR US IN HEAVEN THAT ALL THE TREASURES AND THAT ALL THE NATIONS OF THE WORLD TOGETHER. So that as many souls as possible know this Love, believe in this Love, embrace this Love and so the salvation of GOD also reaches them!

Be living flames of love... imitating what I myself did, giving you one hundred percent body and soul to the Lord and His Will and to the tireless work for the salvation of souls; like industrious bees that never tire, that never cease to produce the good honey of holiness, goodness and salvation. So that many souls can taste and know the sweetness of Divine Love, of the Love of Holy Mary, and so they too, like you, can one day reach heaven and inhabit those Abodes, those places that the evil angels that fell left empty!

Be living flames of love... imitating what the dearly beloved PIERINA did in imitation of Me and in imitation of the MYSTIC ROSE, offering yourselves to the LORD and to the Mother of GOD as Mystic Roses: of PRAYER, of SACRIFICE and of PENITENCE... Who live to pray, to suffer and to repair the most serious sins, ingratitude and betrayals that the LORD and the MOTHER OF GOD receive from Judas bishops, Judas priests, Judas Catholics, Judas Christians who betray and despise the Love of the LORD, because of the trifles and pettiness of this world!

Be you these Roses and then you will be like Me, as I am the "Di Rosa" and you will please the LORD, you will please the HOLY VIRGIN with the perfume, with the freshness and with the beauty of your petals, your virtues, your works in your souls...

Be like me "crucifixes"... I wish you to live crucified with JESUS and with Me together for the salvation of all humanity, so that the Eternal Father may then pour out a new infusion of His great Mercy over the whole Earth, taking all humanity: to perfect love, to perfect conversion and to the total return to Him who awaits all His children with open Arms full of Mercy and Goodness.

The number of the elect is not yet complete, there is still not even a third of humanity truly converted and sanctified. That's why you can't fold your arms, you can't be discouraged, you can't look back and leave the plow... no! You must follow the road the Lord has called you to. But no one will be able to

reach the end of their career if they don't have love! And in a soul that does not leave the center, that does not leave the throne itself, so that the LORD can settle down on it and occupy the central point of its own life and soul... This soul will never... never... can receive the true love!

The soul that wants to be served instead of serving will never be worthy of God's love!
The soul that does not want to obey, but wants to be obeyed by others, this soul can never know True Love!
The soul that wants to be appreciated and understood, that wants to be loved, but doesn't want to love... That soul will never be able to know and possess True Love!...
To find True Love, it is first necessary to lose the false love that is and you and who seeks at all times the honors, the glories, the esteem and the servitude of others.

If you walk the true path of love to which I invite you, you will truly reach great perfection!

Today I bless you all abundantly with the Lady ROSA MÍSTICA and with the greatest and most abundant Graces of the Heart of JESUS and of SAINT JOSÉ!"

07/19/2009 - Message from Saint Joseph

"- Beloved My children... Heart, bless you and cover you again today with My Fatherly Mantle...
I love you all My children... and no one can evade or excuse themselves from My Love...

My Love did not look at you looking for great perfections and holiness in you, but only looked at you, as My children and that is why My Heart sought you out: to love you and to favor you.
you had no merit, no merit to be worthy of My Love; you only had: miseries..., sins and defects!

But My Heart, which is all Love and Goodness, sought you to fill your poverty with the spiritual riches of Heaven... To transform and change your spiritual poverty into extreme abundance and abundance of graces, lights, and mercies from the Most High. ; and to transform your nothingness into a great glorification of the Name of the Lord so that all nations, seeing the wonderful work that He does in you, all languages may glorify and bless Him...

My Love, you called..., chose and elected you, just as you are, full of defects

and miseries.
With My Purity and My Love, I want to cleanse you, I want to purify you, beautify you, flood you with graces and transfigure you into the perfect IMAGE AND LIKENESS of the Most High.

My children, do not resist My Love anymore... Come! Come to My arms that have been extended to you for so long, waiting for your total and loving surrender to Me so that I may take you to the Hearts of Jesus and Mary and with Them and in them to the Heart of the Father.

come! Do not delay any longer! For your delay can become fatal if you prolong it any longer... Give yourself completely to Me, renouncing and dying to yourselves and to yourselves so that you can then live in perfect union with Me, having the same thoughts. desires, feelings that I have and doing the same works that I do because, the Heavenly Father works always and I also work always! And those who are Mine must also always work for their own perfection and sanctification, doing what I do, working as I work for the good of their own souls and the souls of the whole world.

My Most Loving Heart blesses you today and again tells you: continue doing My hour, My Holy Hour every Sunday at nine o'clock at night, because through this hour I will accomplish in you the greatest triumph of My Most Loving Heart and I will transform you into living and perfect copies of My own soul: Holy, Beautiful and Perfect, the same likeness and image of the Eternal Father. I bless you all with love now...! "

26/07/2009 – Message from Saint Raphael the Archangel
"-Beloved brothers! I, Rafael Arcanjo, greet you once again today!
I give you Peace and again I say to you:
Persevere in Prayer, for it, Prayer, will save the world! How many terrible things would have happened, if it hadn't been for the little children of Mary Most Holy, her little army that was formed in every place where she appeared and appears, and that prays continually under her orders; repairing so many sins, expiating so many offenses by which the Lord is offended, and pleading for the conversion of sinners!
How many more misfortunes, the hatred and fury of Satan, would not have caused in the world if there were not these little souls... That like little working, industrious bees; they never cease to do their duty well:
of Prayer, Sacrifice and Penance! We, the Angels, descend from Heaven in large groups and flocks to pray your ROSARY with you!... And each Hail Mary you pray comes into our Hands and it is We personally, who present to the LORD the Luminous Globes of your Prayers, united and perfumed with the incense of our own Angelic Prayer, so that the LORD may have Mercy, Compassion on you with greater abundance of abundance!...

I am with you in your daily life ... I know when you suffer and how many times you are fought, attacked and wounded by the devil and by the world... Because

you, although you live in the world, are not of the world! You belong to the LORD, you belong to the HOLY VIRGIN... And because of that the world hates you and hates you! Because if you were of the world he would love what is his.
I count each of your wounds, the wounds you receive in the fight against Satan, in the fight against the evil men who live on Earth; serving Satan and making the world worse every day, more full of sin, evil and injustice.
And it is My Mission to heal your souls... To heal your tired, wounded and downcast hearts in the fight against evil!...
It is My Mission to keep you ardent and fervent in Love and Divine Service, even in the midst of the great ice and the great cold that surrounds you... in the midst of so many souls who no longer love God, who have turned away from Him and who long ago let the Flame of God's Love die in themselves!
I keep you fervent, ardent in the service of the Lord and the Mother of God; so that in the cold and glacial desert; in which this world without faith, without prayer and without love has become... You be those flames of burning love for GOD, which wherever you go melt the ice of other souls and make them too warm and burn in the same Flame of Divine Love!
It is My Mission... to keep you more and more steadfast, more and more filled with the very strength of GOD; to make this world ready that rebels against God and His Law of Love, and that lives exactly the opposite way, as the LORD commanded you to live.
In the midst of so much denial of the existence of GOD, of His Law, of His Divine Rights, of what man owes to the LORD... That's how you are: the Law of GOD is alive, engraved in your soul! You are the compendium of the Law of GOD that is manifested to this rebellious and atheistic world; through your words, your deeds and your attitudes, your life... You are the eternal memorial of the existence of GOD and the VIRGIN MARY, of all they suffered and did for the salvation of humanity.

So...

Whoever sees you, sees the LORD and His Mother!...
Whoever listens to you, hears the LORD and His Mother!... Whoever follows you, follows the LORD and His Mother!...
doesn't listen to you, doesn't listen to the LORD and to His Mother!...
Who doesn't listen to you doesn't listen to them!...
Whoever rejects you, rejects the LORD and His Mother!...

It is My Mission..., to make you grow more and more in Pure and Supernatural Love, in love in pure transformation in the HOLY SPIRIT, making you die each time more for yourselves and your will. And grow each day more in detached, self-denying LOVE, free from a spirit of possession and interest. So that each day more your hearts seek only God and His Will, and not your will disguised under the pretext of the Divine Will, to do the Divine Will.
Thus, each day more is Christ who lives in you! It is Christ who reigns in you! She is the Mother of GOD who lives and reigns in you, so that soon his Reign may spread over all humanity; and Let them reign, rule as absolute Lords of all souls and of all society!...
It is My Mission... to make you grow more and more every day: in trust,

perseverance, docility and in the total surrender of yourselves to the Divine Plan; without asking questions and without questioning the attitudes of the LORD! Without demanding and without wanting to scrutinize the membranes of the unfathomable mysteries of Love that guide the plans that He the LORD has traced over you.
In this way, you walk in the faith of little children, who know that their Father who loves them, who loves them... who loves their children, will never lead them along the paths of evil, along the paths of perdition and error.
So... you become more and more like Us, the Holy ANGELS, who are very ready to hear the Will of the LORD, very ready to execute His Will, most humble to fulfill it without wanting to penetrate the mysteries that are forbidden to Us. ! Above all, very obedient in fulfilling with exactness and accuracy the Will that is revealed to us in its smallest details! And being each day more scorched and coated with a Love, more and more intense for the Glory of the LORD, for His Triumph and for the greater exaltation of His Name!
So, My beloved brothers, follow the path of holiness. And one day you will be deified, divinized and you will become participants in the Heaven of the Eternal Glory of the LORD and you will transform yourselves into other Holy Angels of Light; that with Us they will glorify, bless and exalt the LORD for all eternity, for He has done and does wonders! And all the works of His Hands are just and perfect now and for centuries of centuries...
To everyone today... I, RAFAEL, cover with My Wings of Light and enclose in the folds of My Mantle; where safe, warm, enlightened and protected: I will keep you, I will keep you from the fiery darts of satan.
Peace to all!..."

Message from Mary Most Holy Mother of God

“-My beloved children! Today on the Feast of My Mother SANTA ANA and My Father SÃO JOAQUIM, I bless you all and say to you:
Be generous to the LORD... as My Parents were, giving the LORD not only your time, your goods , at your disposal... But also all your intellectual, natural and spiritual capacities; so that everything may serve the Will of the LORD, His Plans and everything may result in the greater Glory of His Name and for the salvation of souls!
Be generous to the LORD... as My Parents JOAQUIM and ANA were, giving yourselves diligently to the Divine Service, to fulfill all that the LORD wants and expects from you. And so that your life, every day, may be more and more the Law of the LORD alive lived! So that all those who know you and that the LORD places on the path of your lives, of your human existence here on Earth... all these souls can see in you the living Law of the LORD, can feel the sweetness of His Love, can know the beauty and transcendence of truth and may they too... these souls too, illuminated with the light of eternal truth...
Be generous towards the LORD..., as My Parents were, searching every day of your lives and every moment; know what the LORD wants of you and what He expects of you. So that, My children, each day more guiding you, pulsing you by the Divine Will; your will be annulled, Satan's plans to deviate you from

the Will of the LORD are frustrated and My Maternal Design is fulfilled each day more in your souls and in the souls that surround you... and which I desire to reach through you!
Be more generous to the LORD each day... imitating the virtues of My Holy Parents, copying their examples of perseverance, patience, continuous and assiduous prayer. And above all, from the total detachment, abnegation and mortification of the 'I' itself as They did! So that My children, the LORD can also do great works in you, as He did in the souls of My Parents...
To them the LORD did the greatest miracle of all times on the face of the Earth: The Grace of being Parents of the one who would be Mother and Virgin of a man GOD.
In you the LORD will also work great miracles! And these miracles will be miracles of grace... You will see many souls, who with so many spiritual children; fruits of your faith, of your prayer, of your disinterested love, detached, mortified, forgotten, emptied of yourselves, fruits of your love in pure transformation... You will see these souls who, like so many other spiritual children of yours, will be born, grow and will become giants: in love, in faith, and in dedication to the LORD.
Then your days will be dotted with happiness and joy, for you see that the gifts of the LORD in you are not useless, nor sterile... But that every day of your life, through you, the LORD gives birth to so many other children for Him and for so many other souls who will be in Heaven: Glorify Him, bless Him and Exalt Him for ever and ever!...
My Parents, JOAQUIM and ANA, are patrons and protectors of these APPARITIONS OF JACAREÍ, they are your patrons and protectors.

Blessed is the soul that consecrates itself to Them on the day of Their Feast as Their 'Slaves of Love', as I ask the 'Consecration of Slavery of Love to Me' and that renews this Consecration to Them every year on the day of Their Party. For these souls: they will not succumb neither to temptations, nor to sufferings and trials, nor will they succumb to the weight of their own attachment to their 'I'. That soul... the spiritual house of that soul, will never collapse on itself. Because, the soul that trusts and gives itself to My Holy Parents... will be formed in the same School of Love, of Faith, of Fortress and Perfection in which I myself was formed by Them!

And then this soul, together with Me, will bless the LORD, for having created My Holy Parents so Beautiful, so Holy, so Perfect and so Sublime! And this soul in eternity will have the grace to be placed in the midst of Them, right next to Me and My Spouse JOSÉ, as an integral part of Our own Family! And there, in the enjoyment of endless happiness, this soul will exalt with My Parents, with Me and with My Holy Spouse the Great Mercy of the ALMIGHTY and His Most High Designs of Love, which My Parents created for Me and for all My devotees and true children, so that for all of them they would be as they were for Me too: Parents, Guides and Masters of Perfection...

My children, pray!... Each Hail Mary that you give Me produces immense good for yourselves and for the whole world. !
Each ROSARY that you give Me neutralizes, nullifies, destroys many, many devices of Satan; against yourselves and against many souls throughout the

world!
Each ROSARY you pray to Me hastens the TRIUMPH of My HEART...
PRAY MORE... PRAY INTENSELY!!!
NOTHING IS MORE IMPORTANT NOW IN THIS TIME IN WHICH YOU LIVE, THAN PRAYER. AND YOU CANNOT PUT ANY OTHER MATTER AS EXCUSE OR EXEMPTION FROM PRAYER!...
Only when Prayer is first in your lives, will GOD truly govern them... He will be the LORD of the events of your history and you can be sure ; that everything that happens to you is the work, mercy and design of the ALMIGHTY, who cares for you and directs you.
I bless you all... In the name of the FATHER, the SON and the HOLY SPIRIT...
Peace Mark..., remain in peace, my beloved!..."

02/08/09 - Feast of the Queen of Angels

Message from Most Holy Mary

"-Dearest children... today on My Feast, when you contemplate Me as the QUEEN OF ANGELS, I come to say to you:
LOVE THE HOLY ANGELS MORE...
...trying for your life to be more docile to them, to their inspirations, but above all to the indications they give you by everyday events, so that you can follow the path of fulfilling God's Will: promptly, firmly, with a determined spirit, without delay, without hesitation or no doubt!...
Love the Holy ANGELS more... trying each day to let you be guided more by their action in your lives. Trust in Them, for They love you with an immense Love, the Love of GOD Himself! They know the way that leads to Heaven, they underwent a hard test at the Beginning of Creation and were found worthy of the LORD! Therefore, They can help you, they can help you... you who are still being tested, tried, tried and examined; before you could merit eternal salvation after your death. They can help you to be faithful to God...

Entrust yourselves, above all, to the Holy ANGELS so that they teach you to forget yourself, to think more about the LORD, about His Will and how to fulfill it. Let yourself also be healed by the Holy ANGELS, because often your souls are covered with wounds caused by sin and also by contact with the sick world and immersed in the evil in which you live.
Only by the Hands of the Holy ANGELS, you can be cured of every spiritual illness and enjoy perfect health of the soul, to serve GOD with energy and determination.

In this way My children, each day, you will grow on the path to which I call you, which is that of HOLINESS... And at all times you will feel the great happiness of having at your side not only a Mother and a Heavenly Father who loves you very much, but also your heavenly companions; these co-brothers of Grace

who are the Holy ANGELS... And then you will be dazzled by the immense Love of the LORD, who thought of everything for you, even to give you an ever attentive and faithful companion!
Imitate the docility, obedience and trust that the young TOBIAS had for SAINT RAFAEL ARCHANGEL, and then; your souls will relate in a perfect way with the Holy ANGELS and your life will truly be transformed into a seedbed of Graces!...

I bless you all with My Holy ANGELS now..."

09/08/2009 - Cenacle in commemoration of the Nativity of Mary Most Holy Mother of God

Message from Mary Most Holy

"- My beloved children... Today, when you celebrate the Birth of your Heavenly Mother... I cover you again with My Mantle and pour My Maternal Blessings upon you!

Be little ones like Me... trying to imitate Me in My spiritual smallness, living more each day, dependent on the Lord of His Grace, more and more attentive to hear His Voice and to know His Will... And looking for you more and more reputing yourselves for nothing, taking little account of attributing all the Glories to the Lord, reserving for you only the joy of fulfilling His Will and each day walking the path that He has chosen for you and which called you...

At the foot of My Cradle, I want to form you in the virtue of spiritual smallness, which makes you pleasing to the Most High... Which makes you ever more humble and trusting in Him... Which makes you ever more able and docile to know His Will and fulfill it, living in a perfect and trusting surrender and dependence on His Fatherly Hands!

Be little ones like Me..., imitating Me in the virtue of the supernatural and pure Love, which I cultivated more and more each day... and which, when exercised, makes you more and more united to the Lord... conform your will to His will. , makes your feelings and desires similar to the feelings and desires of the LORD... And it makes you grow more every day: in friendship, in intimate, family and personal contact with Him, without, however, neglecting the reverential fear that you all owe to the Lord. Lord your FATHER, your GOD and your CREATOR...

Thus, you live on Earth, perfectly united to the Lord in Heaven and your same life becomes for other souls, a sign of His presence and proof of His existence for all those who do not know Him , who do not love Him or who seek Him in vain without being able to find Him in the satisfactions, goods and pleasures of the world...

Be little ones like Me... following Me along the same road that I walked ahead of you, which is that of Prayer;
that must be each day more intense, more fervent, more fervent, more intimate and more supernatural in you... bad!
Renounce the things of this world and taste heavenly things! This deep and burning Prayer will only be born in you if you seek, if you insist, if you also ask for this gift of praying with your heart to the Lord and if you cultivate it through a firm and decisive will to pray always more and always better!

Action can never replace Prayer... Prayer must be the source of all your action!... It is from her that your strength must come, otherwise all your works and efforts will be vain and sterile, not they will please the Lord, and will not bring forth the fruits of holiness; for they shall proceed from you, from your strength, and not from the Lord, and from the strength of the Holy Spirit.

Follow Me on the path of spiritual smallness..., trying more and more each day, not to assert yourself over others, but yes; walk the path of sacrifice, self-denial, penance, self-denial and contempt for the temptations of the world... So that, day by day, you may grow more and more in those virtues that are most dear to Me:
poverty of spirit, purity of heart and intention, exemption from any personal, petty and human interest...
...So that each day your generosity, your readiness and your constancy in the service of the LORD may be become stronger, more vigorous and more continuous. So that in your life there is never any impediment or obstacle that blocks the influx of Divine Grace in your souls and in you!

Be little ones like Me... following Me along the perfect path of keeping God's Commandments, of generosity, of fulfilling His Will, of hope against all hope, of hope and strength in moments of contrary appearances. And even when everything seems to fall apart around you, remain firm, constant, confident in prayer, in good works and in love for God and Me; certain that, as I was tried during My life on Earth, with pain and suffering... and at times it seemed that everything was over and in the end, I and My Son JESUS triumphed over sin, the devil and death. So too, My children, after a brief period of probation in this life, you will triumph with My Son and with Me in Heaven.
Therefore, may you always be encouraged by the hope of Heaven and of the encounter that you will all have with Me in Eternal Glory. My example encourages you! Cheer up the Crown of Glory that I weave for you in the Celestial Glory every day, waiting for one day to crown you as winners My children, as valiant fighters who fought the good fight, who kept the faith, who reached the end. unscathed!
Be little ones like Me... doing as I always did, seeking only the Will of GOD and nothing else... having no other desire than to please Him, please Him and

please Him, repeating without ceasing as I repeated:
- Speak Lord, your Servant listens to you!

In this way, you will grow together with Me, each day, on the path of perfect satisfaction and the perfect glorification of the HOLY TRINITY:
Loving Her... by so many who don't!...
Praising Her... by so many who don't praise Her!...
Adoring Her... by so many who don't Adore Her!...
Serving Her! A... for so many who do not serve Her!... In this

way, you will be perfect copies of your GIRL MOTHER, who was born as the Dawn of Salvation and as a Celestial Model, for all souls who truly want to please God with a pure heart , with the purity, with the docility of children!

Today... on the day of My Birth, I bless you abundantly from LOURDES, POINTMAN and JACAREÍ..."
Message from St. Perpetual

"-Beloved brothers! I, PERPETUAL, servant of the LORD, servant of the BLESSED MARY... come today once again to call you:
- Be brave fighters of the faith!...
Fight the good fight, do not flee fight! Fight for CHRIST! Fight for BLESSED MARY with the weapons of love, prayer, faith, perseverance; against which Satan and the demons cannot and against which this world has no power.
Fight valiant soldiers of the LORD ... every day more with courage and with the certainty that you are not fighting alone. All Heaven fights with you, the Angels and We the Saints also fight with you every day, in the fight to establish on Earth The Kingdom of the SACRED HEARTS, The Kingdom of Love
How many times you are paralyzed in the midst of the fight!
How many times you are stationary and the enemy advances gaining ground... because you take your gaze from GOD and BLESSED MARY, from Their will and from His Design of Love, to put it back on yourselves and on creatures.
Sometimes you look at your efforts as useless, and that's why you are overcome by discouragement... Sometimes you put your eyes on the little good you've already done and then you already find yourself very full of merits, with many victories, with many good works and you don't fight. harder in this struggle, to sanctify yourselves and the souls around you!
That's why I come from Heaven, to wake you up from your error and take you out of your illusion and take you always further; on the path of perfection, holiness and love...
Never be satisfied! Do not park in the middle of the road! Always forward! Your efforts are never useless, even when you do not see the results of your efforts, know it well: they were all written in the Book of Life. If they do not serve for the salvation of those souls whom you intended to help in the first place, they will serve others. But nothing... nothing that is done in the Name of the LORD will be without its effect, nor without its reward! Even a cup of water given in the Name of CHRIST will have its reward in Heaven. How much more your efforts to make His Word, His Law, His Messages known, loved and obeyed by all!
You should never look at your efforts as useless, for I say to you:
- Those who weeping sowed, among Songs of Joy will one day reap!...

One day... with the Holy ANGELS and with Us the SAINTS... these souls who sowed the Word of GOD on Earth, who sowed the Messages, who sowed the Love of GOD and the BLESSED VIRGIN; will join Us for the harvest, for the harvest. And how much consolation they will feel that day as they gather sheaves and more sheaves, from souls that produced the fruits of the seeds that were sown.
Never look at your merits, because they will always be few compared to what the Lord deserves to receive from you!...
You have to fight... to get more merits for Heaven. And the time for it is now, it is this life... While it is day work, for soon the night will come and no one else will be able to work! The LORD will soon come, at an hour not known and not suspected by you... and he will ask of you the fruits of the talents which he has given you.
Are you prepared to give Him back double, triple what you received?... You must always keep in mind that you were created for holiness, for Heaven... not for the transitory things of this Earth. You can use them as long as they are means to better serve GOD, the VIRGIN MARY and reach Heaven!
Otherwise, the things of this world would only separate you from the LORD and from the true purpose for which you were created: HEAVEN!
You are always present:
That you must use the things of this world, but without letting yourselves be controlled and dominated by them!
Only in this way will you enjoy true freedom and use all things with the right weight and measure they deserve. And only in this way, your life will be a perfect service to GOD, without mixing human and petty interests, which can be masked under the pretext of serving GOD!
I invite you to CONSTANCE...
...This virtue that has been so neglected by you! It must now be the object of your attention and that you bend over before it; to better know it, cultivate it and practice it.
The men of your time suffer from a chronic inconsistency... They are not constant: not in Prayer, not in Sacrifice, not in Love, not in Meditation, not in Good Works, not in anything... They change overnight !... As the wind changes direction and blows in other directions, so are the men of that time, like crazy weather vanes who seek thousands of things at the same time and are not persevering even in small things!
Whoever is not faithful in a little will not be faithful in much.
To whom the LORD trusted little and was not faithful in that little, the LORD will not be able to trust anymore...
If you want, therefore... to grow in holiness, to grow in the service of the LORD... Learn from Me constancy in small things... It is in small virtues that great virtues begin... It is in small acts, done with perfection, that one learns to do great deeds with perfection!...
As long as you continue to neglect this, you will never be faithful to the LORD in anything. And your life will be a constant turmoil and a sea of turmoil and confusion!
Go back to the sources!... Go back to the origins!... Learn to be faithful, to be faithful in the little things, and then you will succeed in the big ones!
Imitate My Fortress, be like Me: do not exchange the Love of JESUS and the BLESSED VIRGIN for anything, for any other love in this world!... No matter

how beautiful it may seem to you! Do not despise Their friendship, for any good, for any glory... for nothing that this world will offer you and tempt you...
Be faithful to the Love of the LORD and of this Mother until the end! And one day you, My beloved brothers, will arrive up here, where I preceded you and where together with the BLESSED VIRGIN I prepare for you, every day a Crown of imperishable Glory!... And a Mantle of princes that you are.. Oh, children of the King of Heaven! So that one day you may be able up here to reign with us and sing together with us the glories of the LORD for all eternity...
Today I cover everyone with my mantle and bless them abundantly..."

Message from Saint Peter Damião

"-My beloved brothers! I, PEDRO DAMIÃO, bless you today with the BLESSED and PERPETUAL HOLY VIRGIN... You
know the wonderful praises I wrote about the Blessed Virgin Mary!
You must love her with filial love , becoming more and more the Seraphim of Love of the Mother of GOD...
Be the Seraphim of Love of the Mother of GOD... living each day in Her presence, that is, praising Her, praying the HOLY ROSARY; the favorite Prayer Her... Reading Her Messages and seeking more and more to know Her Will for you and apply Her Messages in your life, so that your life itself becomes an Incessant Hymn of Love, an Incessant Prayer of Love!
Be the Seraphim of the Mother of God... trying more and more every day to cultivate the Virtues that please Her:
LOVE, GENEROSITY, READINESS IN THE DIVINE SERVICE, PRAYER, INNER PURITY from which OUTER PURITY is a consequence, INNOCENCE, KINDNESS, SILENCE, RETREAT, COMPUNCTION, BENIGNITY, MAGNANIMITY, FORTRESS, TEMPERANCE, PRUDENTITY, WISDOM!...
The soul will only be wise, it will only be full and rich with True Wisdom ! Heavenly; when it is full of MARY... full of Her Spirit, that is; of Her Virtues, of what She Loved, of Her Love, of Her Feelings, of Her Thoughts and Desires!
Only in this way will the soul be full of True Wisdom, because it will be full of MARY and full of the HOLY SPIRIT; for He seeks to give and pour Himself out to those souls in which He finds His Divine Spouse, while He rejects the souls in which He finds Her absent or else expels...
Be the Seraphim of Love of the Mother of GOD... seeking every day , die more and more to yourselves, to your corrupt will, which always leads and drags you in the opposite direction of the Will of GOD... Which makes you look for what is most comfortable for you and not what is more pleasant to GOD... Which

makes you always look for your interests and desires and not those of GOD... And achieve your goals and not GOD's goals!
In this way, you will remove the biggest and main obstacle that prevents you from knowing the Love of GOD, growing in Him until you become an immense flame that rises from Earth to reach Heaven!
That biggest obstacle is your 'I', which you must fight more and more each day, until you completely overcome yourself...
When you achieve that, you will overcome the temptations of the world and the devil, with great tranquility and ease. And you, every day, will burn more and more in the living flame of love for the LORD!
Be the Seraphim of Love of the Mother of GOD... copying Her examples, following Her Immaculate Footprints; on the way to a greater and ever deeper intimacy with the LORD... Intimacy that takes place there, in the depths of your heart, where only then can you find the LORD!
Don't look for Him in the hustle!... Don't look for Him in the hustle of the world and creatures, because you won't find Him! Also do not look for Him in the effervescence of the masses, where they say that GOD is with a roar and noise... No!... You will find GOD inside your heart, hidden there, in the room of your heart and soul, where only He has access... There you will find Him! You will also find Him hidden in His Word, in His Messages... You will find Him hidden in His SAINTS and in His ANGELS, in the HEART of His MOTHER and in the HEART of SAINT JOSEPH... You will find Him hidden in His Mysteries, Commandments and Sacraments; if they are well thought out and appreciated by you!... There you will find THE LORD: Sweet, Gentle, Tender, Solicit and Loving Father, ready to shower you with the greatest Jewels: of His Grace, of His Beauty, of His Holiness, of His Love!...
Be the Seraphim of Love of the Mother of GOD... fighting each day, as valiant and true soldiers of good, love and peace; taking the Messages that you receive in this place, to the knowledge of all souls, who still do not know GOD or the BLESSED VIRGIN!... Or else, who seek them in vain in this world, wandering in fleeting things; looking for the fullness, the heavenly happiness, which only GOD can give: in Prayer, in Meditation, in the Way of Holiness, in the fulfillment of His Law of Love and His Word.
Give these souls what they seek, give them the truth, give them happiness, give them the peace and love they seek; giving them Our Messages... Which reveal the living and risen GOD, the GOD who is not dead, the GOD who is not mute, the GOD who did not stop speaking two thousand years ago... But who is still alive , who remains full of Love and who continues to work without ceasing to reveal himself, to reveal His Love and with Him to save all His children!
Go and show the world the living GOD who here in this place revealed himself to you first and who wants to reveal himself now, to all those who do not know him! You who already know the sweetness of the Love of GOD, which was revealed to you here... You who already taste and feel the Love of Him and of the BLESSED VIRGIN, which was given to you here in profusion... Don't waste any more time! Give this Love to souls! Give them the Messages, give them the truth, give them Love!... Otherwise, on the day of Judgment, you will be responsible for the loss of many, many souls... Do what your conditions allow, the rest I will complete...
But do your best so that through you, the Mystical Light and the Magnificence

of the LORD, who came to This Place, who revealed himself In This Place... of the world... May this Light shine on the whole world and may this Magnificence be known as soon as possible, by the souls of the whole world and all hearts and all souls glorify the Name of the Lord and His Mother!...
I I am with you, even when you are discouraged, downcast and arid... and you do not feel Me, do not perceive Me... I am with you, I will fight with you, to establish on Earth the Kingdom of the BLESSED VIRGIN MARY... first in the interior of hearts, so that afterwards it may be installed in the whole of society and in all Nations in the Triumph of His IMMACULATE HEART...
Put your hand to the plow and you will see that My Hand will already be there, firm and ready; to work with you, to cultivate the field that the LORD has given you, to sow the seed and to produce the fruits of holiness that He desires from you...
I bless you all today abundantly..."

15/08/2009 - Feast of the Assumption from the Most Holy Mary to Heaven

Message from the Most Holy Mary

"-My beloved children..., I am the Lady of the Assumption!
With my glorious body I ascend to Heaven, and there enthroned on the Throne at the right of My Son, in the bosom of the love of the Trinity, with this glorious body I come to you today...
I emanate to you the heavenly perfume of My love, of My grace, and of My immaculate purity that from My body goes towards your souls to truly leave for you a heavenly trail that you must follow, so that you can reach the perfect salvation and glorification there, in the Heavenly Paradise.
You must follow me! You must follow the perfume that I exhale and leave for you, so that you can follow each day on the path of holiness of the love of prayer so that your hearts may travel the path of fulfilling the will of God and give perfect glory to the Holy Trinity that awaits you. of you: Love, dedication, obedience and total surrender.
My glorious body is a beacon that lights your way! That clarifies for you the path you must follow, that dispels the darkness of sin, ignorance, wickedness, apostasy, so that your souls, filled with My light and illuminated by the splendor of My body, may know the truth, know the Love of God, know His will for you and follow the path that the Lord points out to you through Me.
My glorious body is a radiant sun that shines for you in the firmament of your

soul, so that you may receive from it warmth, light and life to produce every good fruit of holiness, obedience, faithfulness, innocence, peace, generosity. ... and your souls, like flowers that open in the sun of My glorious body, enchant the world with their beauty and their freshness so that everyone, seeing the beauty that shines in you, can glorify the beauty of the Lord and the Mine and thus render praise and glory to Our names.
My glorious body is a luminous star that illuminates your night, that helps you to move forward even in the midst of the darkness of this world and in the obscurity of your faith and that makes you move forward serenely and confidently, even if you do not fully understand the mysterious God's plans for you and because so often He allows you to suffer pain and the cross.
But the light that my glorious body emanates for you in this dark night, makes you trust, makes you calm, makes you lean completely on Me and keep moving forward, following the path that I myself illuminate and show you. .
Thus, you fulfill the will of God in the shadows of faith, in trust, in hope, each day and in the perfect docility that is so pleasing to the Lord and to Me.
My glorious body is for you a living flame of hope that enflames you all with the Divine Love with which I am entirely on fire and burn incessantly in Heaven. And this flame of Love that I transmit to you and make you burn in you is the flame of God's love that consumes everything earthly, everything that is attached to transitory and transitory things, that consumes every root of self-love that exists in you and which makes you live ever more ardent with a supreme desire to serve God, to work for your own sanctification and personal salvation and also that of your neighbour, which moves you to undertake and endure even the most arduous things for the glory of God and for the good of your neighbor and that makes you, every day more, like me in this most ardent flame of love that, in this point, is similar to natural fire: the more it burns, the more it burns and the more it expands!
My glorious body is for each one of you, my children, the glorious sign that the Lord gives you eternal bliss that awaits you and that awaits you if you are faithful to His love, His holy law and if every day of your life , you follow me along the path of self-forgetfulness, generosity, love and penance that I have shown you all these years in my Messages.
My Apparitions here, with My glorious body present in this chapel, are a sign of God's immense love for you and also of the immense love that I have for all of you, my children. I'm here alive! Truly present before you! You don't see me, but I see you. You cannot touch me, but I touch your souls. You cannot yet embrace yourself with me, but I can embrace your tired, downcast, discouraged souls and so many times struck by my adversary and I can, in an embrace, in an instant, heal you, restore you, scorch you anew. love, of a new ardor and transform you into living flames that will kindle all over the world the fire of my charity, of my goodness, of my mercy.
If you open to Me in this moment of the Apparition, your hearts, if you empty yourselves of yourselves and decide to do My will instead of yours, if you decide to follow My path instead of choosing to follow your own paths. then, truly, My Triumph already happens in you and your souls can be enveloped in the light that My glorious body emanates at this moment of the Apparition for all of you. And with this light, your souls are filled with celestial radiance, they become very beautiful and pleasant in the eyes of the Holy Trinity, the demons flee terrified before the radiance that your souls radiate and reflect and, at the

same time, your soul becomes become a friend and companion of the Saints and Angels of Paradise!
If you, my children, open your hearts to me at this moment, I can bring My throne from Heaven, place it within you, and I can sit on it and with My scepter and Queen's crown I can truly govern your feelings. , your thoughts, your wills and desires, your words and actions, your works and your steps.
Then I truly become your Queen and you truly become my subjects, my slaves of love, and my true children.
A bri – meaportofyoursocor ation! Let me reign in you and just as the Lord has done wonders for me, he will also do, through me, in you, great wonders of love and will raise you to a high degree of friendship and union with him and you will already be friends. of the blessed of Heaven, your friends, your brothers in grace and then, at the moment of your death, like a flower that is taken from a vase and planted in a beautiful garden to enjoy there forever, your souls will be taken from this earth and will be planted, placed to reign and enjoy eternally in Heaven!
Today, on the feast of My Assumption, I bless you all from Taquari, from Le Fréchou and from Jacareí."

16/08/2009 – Message from the Blessed Virgin Mary

"-Dear children... Today... when you still celebrate the Feast of My Assumption into Heaven, I say to you:
Hearts on high!... May your heart be in GOD, be on high, be in Heaven, be in eternal things, be in the happiness and bliss that await you here above and where I, eagerly await your arrival, to embrace you and crown you with a Crown of imperishable Glory and to clothe you with a Mantle of Eternal Happiness, of Eternal Divine Love!
Hearts on high!... May your hearts not be on Earth, nor in its creatures, nor in the false honors and joys it promises... But may your heart, be only where it is The Pleasure of the ALMIGHTY, His Goodness , His Law, His Love and His Glory!
Hearts up! May your hearts live each day of your existence here on Earth, facing the Heaven that awaits you...
May your gaze be fixed on eternity, not on temporal things. Do not be deceived by the devil, my eternal adversary! Do not be deceived nor the perverted world in which you live... And do not deceive you your own corrupt 'I' ever!
May your heart remain pure and limpid, like a child's; detached and exempt from all pride of life, from all the covetousness of the eyes and from all concupiscence*.... For only the pure of heart will see God in Heaven, will behold His Benevolent Face and can truly enjoy His Eternal Bliss and Grace!
Hearts on high!... May your heart always be looking towards Me, fixed on Me, your Heavenly Mother, who was taken up to Heaven in Body and Soul to prepare your place there... to await you with loving and maternal eagerness, until the day when we will all be gathered together around the Table of Our Heavenly Father!
Hearts up!... May your heart be in Me and be in My Will, which is revealed to you and expressed in My Messages...

May your hearts be with Me every day of your lives, for the perfect conformity of your will , your thoughts, your desires and your life with My Will, with the Feelings and Desires of My IMMACULATE HEART...
Hearts on high!... Do not be discouraged, sad, tired, aridity, lukewarm, insensitivity. No! Do not crush the weight of the Cross, if your gaze is always on high!... If your heart is always on the things above, even in the weight of the Cross you will find relief** and reasons to continue carrying the Cross each day of your life...
Then nothing will be able to stop you, as nothing stopped Me and My Son and the many Saints who followed Us; along the same road that I and My Son opened for you!
So that you follow this road, do not get lost and reach the end, I leave for you a trace, a celestial perfume, which emanates from My GLORIOUS BODY, which is Holiness, which is Truth, which is Light and Love, which is Truth of My Messages! Following this trail, following this perfume that I emanate for you, you will never... you will never get lost, you will never get tired in the middle of the way and like swift eagles you will reach the greatest heights of salvation!
You continue with the Prayers that I have given you and commanded you to do... They are the scented trail that the Mother of Heaven leaves for you, so that each day you may follow Me on the path of perfection, on the path of self-denial, way of the perfect glorification of the HOLY TRINITY...
I bless everyone today from BETIM, from LE FRÉCHOU and from JACAREÍ..."

08/23/2009 - (Feast of the Coronation of Holy Mary as Queen of Heaven and Earth)

Message from Holy Mary

"-My dear children!... I am your Mother!... I am the QUEEN of Heaven and Earth... And under My Empire, all of you were placed by GOD!
As QUEEN and LADY of all Creation... I command all the Works made by GOD and I can do everything that I will and whatever I do... the Will and Grace of the LORD will always... always corroborate*... will always support Me and be with Me always.
Therefore, when I decided to appear here, in February 1991... The whole HOLY TRINITY approved My decision, united with Me and gave Me full powers so that, in this City, in this Blessed and Elected Place of My Heart.. To this My favorite son that I have chosen, Mark... I have come, therefore, to do everything... that My IMMACULATE HEART has planned and decided for the salvation of the World, for the Glorification of the HOLY TRINITY and in everything that is here I do and perform, it is with Me The Pleasure of the ALMIGHTY!...
I invited My son Marcos, from the beginning, to be My faithful, docile and

obedient subject... he accepted! And the same invitation, I make to all of you!... Be My faithful, docile, obedient subjects and always ready to fulfill My Will.
I came here, looking for a subject, a servant, a docile and unwilling vassal... without a will of his own... I found him!... And I want to find the same docility... I want to find the same obedience and the same detachment in all of you!...
If you are My docile, obedient and ready subjects... I can truly help you, I can truly reign in your life, transform it into a great source and channel of Graces for other souls; so that they too: know My Love, know My Grace, know My Power, know My Mercy and can be saved.
My Kingdom... My Kingdom of Love... will only become true in this world, when your hearts are completely Mine and My Kingdom is truly established within you.
It is within your hearts that I want to begin to reign... Then, will I be able to Reign later: in families, in nations, in the laws that govern society and the world... I will reign over all peoples, races and over all the languages! Because My Kingdom is the Kingdom of Love!
And when all hearts stop resisting My Love and accept It then; I WILL TRIUMPH without any rival!...
Satan rules by coercion, oppression and force; Satan rules through temptation, suggestion and the things he offers his victims.
I REIGN BY LOVE!...
I REIGN BY GOOD WILL!...
I REIGN BY PURITY OF HEART!...
I REIGN BY SWEETNESS... BY KINDNESS... AND BY MERCY...

When your hearts... accept My Love, accept My Sweetness and serve Me willingly... Then I WILL TRIUMPHY over your hearts completely. And through you, I will cause My Rays of Grace to extend over the entire world, transforming them into a single KINGDOM of Peace and Love...
Be My faithful subjects!... Obey My Messages!
Continue praying all the Prayers I have given you, call Me with all your heart, through these prayers, that is; truly asking for My help to be My true children, My faithful subjects. But, at the same time, having in your hearts the firm purpose and serious desire to be My true children, to be My true subjects and to be willing to reach this Grace. It doesn't matter how many sacrifices it costs you, how many efforts it requires of you, or how many sacrifices you have to make to achieve it...
Thus, you will truly call Me from your heart, and then I will answer you and I will come with My Grace, always ready and faithful here, who invokes Me from the heart and with sincere desire...
Today I bless you all abundantly... From LOURDES... From BOHAN and from JACAREÍ..." *Corroborão - To give strength to, to strengthen. To confirm; to verify.

08/30/2009 – Message from the Angel Beruniel

“– I am the Angel Beruniel. I come from Heaven to invite you to the perfect union with us, the holy angels, and to have with us a deep life of communion, feelings, love, intention and, above all, desires... Desire to be more with us in

prayer!

06/09/2009 - Message from the Most Holy Mary

"- My dear children..., very beloved children of My Heart... I bless you again today, I give you My Peace and I say to you: TRUST and HOPE!
Through My Rosary, through this prayer that the proud despise, through this prayer that the proud despise, through this humble and simple prayer, I will defeat my proud and proud enemy, I will overcome the powers of evil, I will overthrow all the pride and ostentation of men and I will raise up in the World the entire Glorious Kingdom of My Immaculate Heart.
With the prayers of the little ones, the pure in heart, the innocent, the unknown of this world, I will carry out the greatest work of the Lord after the Incarnation of the Word: THE TRIUMPH OF MY IMMACULATE HEART, THE SECOND PENTECOST, THE ESTABLISHMENT OF THE KINGDOM OF OUR SACRED HEARTS UNITED WORLDWIDE AND THE GLORIOUS RETURN OF MY SON JESUS ON THE CLOUDS OF HEAVEN TO RESTORE HEAVEN AND EARTH.
With this humble prayer of the Rosary, I will achieve victories as impressive as the one I achieved in Lepanto and conversions as resounding as those that I achieved through My son DOMINGOS DE GUSMÃO when I gave him My Rosary in France.
Where there is Faith in My Rosary, where there is absolute trust in My Rosary, I will perform these graces, these miracles will happen. Where there is firm hope in My Immaculate Heart, the devil will not dominate nor will the forces of evil overcome the force of good, of the Grace of the Lord and darkness will not be able to suffocate the light.
Where there is full trust in My Rosary, My Immaculate Heart will always obtain its greatest victory and even when everything seems lost then My Heart will make the light of Hope, Joy and Salvation shine.
Onward with the Rosary My children! Onward with the Rosary in your

families! In the families of other My children, in this place, throughout the World so that as soon as possible My Heart raises the flag of the Lord's victory and proclaims the greatest Triumph of My Heart and My Maternal Name.
So be it! Glory to the Lord!!!"

13/09/2009 Message from Holy Mary

"-My beloved children... I am the LADY of the ROSARY!... of TEARS... of PEACE... of LOVE and GRACE!...
Once again I invite to the 'True Love', only through which... that only through which, you can unite yourselves perfectly to GOD.
The Love... that I seek in you... is pure Love, it is disinterested love, it is the love that forgets itself and that does not deny anything that My Love asks of you, or even demands of you. .
That's why I've been here for so many years... to truly form you on the path of Love, to the point that you My children are true 'fires of Love!
Be 'Fires of Love'... letting God's Grace enter your heart... Divine love, His Law, His Truth and His Word; so that your whole soul is illumined and ignited by this Love that comes from Heaven, and in your soul there is no other Light that enlightens you but the Light of the Love of GOD!
Be 'Campfires of Love'... not placing obstacles to the growth of Divine Love in you, not placing barriers to the Will of GOD and My Will... Not refusing any sacrifice, however difficult it may seem to you... ever thinking of you and your will, but first of all, in the Will of GOD and Mine, in the good of souls and in the salvation of the World, so that your hearts truly burn with the 'Fire' of 'True Charity' and 'True Love'...
Be 'Fires of Love'... never giving... chances to My enemy, the devil, any opportunity to him, to make this 'Flame of Love' diminish within you... Oh no, My children!. .. Be vigilant! Do not treat the Word of GOD, do not treat the Grace of GOD, do not treat Divine Love and My Love... as a seed that is sown along the path... fertilized, not protected, not cultivated! And that is at the mercy of the birds that can devour it, the thorns that can suffocate it, the boulders that can prevent it from taking root, or even the scorching sun that can burn it... no!
Take care of the Word of GOD that you hear...
Take care of My Love that you feel in your heart...
Take care of My Messages!...
Take care of so many 'Treasures' that I have given you here throughout My Apparitions, as true and good cultivators: who bury the seed in the earth, who water it, who fertilize it, who cover it with the burning sun; that pull out the thorns of the cares of goods, of riches, and of the pleasures of this world that want to suffocate it!... from the stones of selfishness, pettiness, indifference, unbelief... that want to suffocate it and prevent it there to grow!
Protect the seed of My Words... which were sown by Me in your hearts Here; of all the dangers that can kill it in you and destroy in you everything that I started.
The 'Divine Love' in your hearts must be protected by you, otherwise GOD will

not do His part either... by sending His ANGELS, His SAINTS, ME and His GRACE to protect your faith, to protect your love.
The negligent are not protected by GOD!...
those who neglect the Love of the Divine in their souls...
those who neglect the Word of God sown within their souls...
those who do not watch out against occasions of sin.. those who do
not watch out for excessive activity that kills prayer...
those who do not watch out for dangerous friendships...
those who do not watch out for dangerous and harmful contacts with creatures...
the disordered attachment to goods, to the love of creatures of this world...
These careless ones do not enjoy the protection that the LORD has promised to give to those who, like true sentinels, watch at the city gate night and day, that is; they guard the door of their spiritual and bodily senses without ceasing; so that through them no invader, no harmful evil enters your soul... that can burn, that can suffocate, that can dry and kill the seed of Divine Love, the seed of Faith, the seed of the Love of GOD! ...
Be 'Fogueiras de Amor Vivo'... doing as shepherds do, who watch the sheep of their flock all night... when they see that the fire that warms them is going out, they run everywhere to gather branches, to prevent the fire from going out and the fire going out!
In the same way, My children... warm more and more the fire of Divine Love in you:
- PRAYING for at least THREE HOURS A DAY, as I told you from the beginning;
- FASTING at least on FRIDAYS, on BREAD and WATER;
- Reading and rereading My MESSAGES, daily;
- Making all the PRAYERS, which I have sent you here;
- Setting aside time for the study of My MESSAGES, for meditation, for reflection and also for the examination of conscience!
Reserve time for Me and for JESUS, talking to us familiarly as children do to their mothers... Unburden with Me in Prayer, everything that worries you, everything that afflicts you, tell Me all your Miseries, although I already know them all! Ask for the help you desire from Me: so that I may pull you out of sin, so that I may make you strong in the faith, so that I may give you victory over your defects, your miseries, your temptations, against the harmful and fatal invitations of the world! And I My children, I promise, that I will always listen to you, I will always welcome you and I will never reject you!
Little do you feel My comfort in life... Little do you feel My Love and My Presence, because you take so long to seek My Comfort, My Love and My Peace... You seek the love of creatures... you desire to be loved and understood by them and they don't understand you, they don't love you, because they can't do that. That's why you are always desolate and discouraged, afflicted and confused... But as soon as you come to Me, I will enlighten you, I will enlighten you, I will burn you, I will fill you with so many Graces, that you will regret having sought Me so late!
I will cover you with My Mantle... and then My children, you will sing with Me the Hymns of the Glory and of the Goodness of the LORD!...
Be 'Living Flames of Love'... following Me along the path of Penance, of Love, of Prayer, of Divine Grace... saying more and more: NO to yourselves, to what

your nature requests and asks, to suggestions of the devil and the invitations of the world. So that you keep yourselves pure and white as snow... on My path which is a path of Love, of prayer, of Penance, of Hiding, of Escape and Contempt of the world and of Love and total Consecration to GOD!
In this way My children, you will console My HEART very much and dry the Tears that I shed in LA SALETTE, in SYRACUSE, and CIVITAVECCHIA, in CATANIA, HERE and in so many Places! And so, My dear children, you will give My HEART so much Love! You will give My HEART so much Joy and so much Glory, as I have never received before in the entire history of humanity!
That's why I call you: to PERFECT LOVE, SUBLIME LOVE, TOTAL LOVE!
I wait... at the door of your Hearts for your answer and I will not leave until I hear your 'YES' or your 'NO'...
To all today, I bless you abundantly... from BANNEAUX... from MONTCHIARI... and from JACAREÍ...
Peace!..." Message from Santa Crescencia "-Beloved brothers... I, CRESCÊNCIA, bless you today together with the BLESSED VIRGIN and I say to you:
PEACE!!!.. .Peace
to your hearts! Let nothing disturb your Peace!... Let nothing spoil your Peace!... Let nothing alter your Peace!...
You are children of the King of Heaven, therefore you are princes, and princes fear nothing, because they enjoy the same goods as their Father, who is the King... and you, therefore, who are the children of the LORD and the children of the Queen of Heaven. Heaven, BLESSED MARY, you have nothing to fear! With them you have everything, you possess everything and you lack nothing, nor will you lack!...
Divine Providence never sleeps! Guard the children of GOD like a Mother, who night and day looks at her children and provides, foresees and provides for everything so that they lack nothing!
That is why I call you today:
WALK IN TRUST!...
Walk in Trust... living each day totally surrendered, entrusted and abandoned to the Providence of GOD, who takes care of you, who watches over your spiritual and material life, knows everything you lack and what you need and that in everything and He is always with His gaze fixed on you for everything!...
Walk in Trust... praying each day to the Father in Heaven and to the Mother in Heaven, with the same confidence and tranquility with which little children ask their Parents what they need, certain that their Parents love them and will never let them down!
Thus, each day, you will grow more and more in trust, in dependence on the LORD and His MOTHER, and also in the joy and peace of knowing that you are so loved by Them and so cared for by Their Goodness...
Walk in Trust... doing all that is possible on your part... fighting, working, trying your best; but always trusting more in the Grace and Strength of GOD, than in your weak strength! So that all your action is directed by GOD and for GOD, and everything you do is referred to the LORD, to His Glory and to His greatest Praise!
Walk in Trust... believing and always taking for granted, that the LORD:
who gave you life...

who called you out of nothing into existence...
who preserved your life until this day and until this moment here. ...
who has called you Here, in this 'Holy Place', which is more loved by Him than all the rest of the world...
than this LORD, who has made himself known to you...
who revealed to you His truth, His Holy Law of Love, His Holy Catholic Faith, the Glories and Privileges of HOLY MARY, the Glories of the SAINTS and ANGELS, the Glory of Our LORD JESUS CHRIST and of SAINT JOSEPH...
May this LORD, who thought of all this and who provided all this for you; never... will never abandon you... will never leave you alone, on the contrary, much more guarded and protected than the little child in its mother's womb... He will keep you in His Divine Mercy, in His Divine Goodness and in His Divine Grace, He will cover you with His Mantle, He will kiss you with Love and you will always, always be protected and kept between His Fatherly Hands!
Walk in Trust... praying the Holy ROSARY every day, always bearing in mind:
that your Prayer annihilates many of Satan's plans;
it destroys many works that the devil creates and does on Earth, for the destruction of souls;
that your Prayers convert many sinners,
attract many Graces of GOD to you around you and in the lives of the people you know;
removes many evils and punishments, and above all;
rain on you a great abundant rain, a true deluge of Peace and Graces!
Walk in Trust... certain that your sacrifices, that your supplications and prayers do not fall on deaf ears, but rather, fall on the Ears of your FATHER and your MOTHER in Heaven, who are attentive to the least of your groans , who are attentive even to the beating of your heart and know when your hearts beat faster because of: pain, fear, affliction and suffering, illness and anything else that bothers you. And so, of everything, They have knowledge and provide the best Grace for you!...
Walk in Trust... always bearing in mind that you are very much loved by the LORD, that you are overestimated by HIM and by His BLESSED MOTHER and that the fact that you have been called Here, to come Here in these Apparitions, to save yourselves, is already the great and stupendous proof of the predilection of Divine Love and the Mother of Heaven for you! Because the knowledge of these Apparitions Here, the LORD and the HOLY VIRGIN only give to those whom They want to save...
Therefore, dear brothers, Trust! Trust and Trust! Much Joy and Peace in your hearts... that's what I desire and that's what I want to give you!
You know that I gave My life for CHRIST, that I was a Martyr and that together with SAINT VICTOR I gave My life for the Love of GOD, for the Love of the HOLY VIRGIN, the Holy Catholic Faith and also for you!
I love you so much and I already gave you the proof when I was martyred for you. So, doubt no more! Do not doubt My Love! Do not doubt My Friendship! Never doubt My protection, on the contrary; turn to Me, give yourself to Me, give yourself completely to Me and I promise you:
I will protect you, I will protect you, I will teach you the way of holiness, truth and perfection, I will take your hand as my eldest sister yours, and I will lead you along the path, along the path of salvation!

I myself will help you to overcome all the enemy's temptations, all his suggestions, all the seductions of the world, because I, yes, I have overcome the world... the world cannot triumph over Me, the world could not triumph over Me and of My Faith! But it was I who overcame him with My Perseverance, with My Faith, with My Love, with My Sacrifice.
Then, My beloved brothers, I can safely take you to Heaven! I can make you faithful to Heaven surely! I can reach for you that Strength, that Perseverance, that Faith and that Love, as I know; many of you desire, but because of your weaknesses you cannot achieve!
I can achieve all this for you, if you give yourself to Me as My true devotees, if you let yourself be guided by Me, if you let yourself be guided by Me docilely...
come! Do not delay! Do not delay any longer! I who love you so much, want to hold you in My Arms to perfume you with the Graces of GOD, to beautify you with the Jewels of the Gifts of the HOLY SPIRIT of GOD, to beautify you with the purity of Heaven!
... Me! And I promise to all of you, I will never let go...
To all of you today, I bless you with all My Love, together with the BLESSED VIRGIN and I cover you all with My Mantle of Light and Love!..."

20/09/2009 – Commemoration of the 163rd Anniversary of the Apparitions in La Salette for Maximino and Melanie

Message from Holy Mary

"-Dear children! Today, you still commemorate My Apparition on the high mountain of La Salette to My two favorite Little Shepherds, Maximino and Melanie...
The Message that I communicated in La Salette is urgent and must be obeyed by you... and made known by you too, to My children throughout the world.
To you today, I repeat what I said at the end of the Apparition, to My little children Maximino and Melanie:
"Go My children, communicate this to all My people!"
Communicate to all My people My urgent appeal to Prayer, to Conversion, to Penance; if you want to save your souls, achieve Divine Mercy and stop the evils and punishments that come your way...
Communicate everything I said in La Salette to all My people!
Communicate My Message of repentance, of change of heart, of changing the course of your life!
Communicate My Message, which in other words asked you to abandon your ways, to follow Mine... to abandon your plans, to follow My Plan... to abandon, to renounce your will, to obey Will of the Lord and My Will...
Go... communicate to all My people all that I said in La Salette, communicating My Message to them; which calls to humility, which calls to bow before the

Majesty of the Lord. Then, recognizing your nothingness and your misery, you may recognize:
the sovereignty of the Lord, the divinity and authority of the Lord God; who is your creator and your father. And so, your souls can fulfill the Will of the Lord, without imposing conditions, without resisting Him, without opposing Him with any obstacle on your part...
I followed everything I said in La Salette, walking after Me; along the path of contempt for yourselves, the world, glories, honors, power and riches... And following Me along the path of Simplicity, Humility, Love, Prayer, Purity!... To that in this way, truly, you are as My Little Shepherds Maximino and Melanie were; 'Benjamins of Love' from My Heart! 'Seraphim of Love' of My Heart! So that just as My Will to My Maternal Plan was fulfilled in them, so in you that Will is fulfilled without hindrance, without delay, without failure, without any fault!
In this way My children... you will dry My Tears!... you will console My Heart, you will unfold My Son from the Cross, you will descend My Son from the Cross and you will give Him great comfort and comfort...
Pray a lot My children, because the punishments that I foretold in La Salette, you can already see today without any difficulty:
- I said that the seasons would change,
- that there would be many earthquakes in the world, many natural catastrophes;
And you can already see them even here in your country, where these punishments will increase more and more, because they also increase:
disobedience to My Messages, love of evil, injustice, sin, impiety and to rebellion against the Law of the Lord!
If you do not want to perish with them:
- Obey My Messages!
- Convert without delay!
- despise everything and everyone who opposes My Messages, whether from here or from La Salette, to all those who oppose My Orders and My Plan.
And so My children, then, I will still be able to obtain for you the Mercy of the Lord, salvation, and above all; the haste of time so that 'THE TRIUMPH OF MY IMMACULATE HEART' arrives soon, where you will all be freed from the yoke of My adversary, of My enemy, who now feels himself to be the safe lord of the whole world... So that then, free from its evil influence and slavery to its power and sin, may you enter a new time of peace, which My IMMACULATE HEART prepares for you and which eagerly awaits it...
I bless you all today... from LOUDES, from LA SALETTE, POITMAIN and JACAREÍ..."

27/09/2009 - Message from the Loving Heart of Saint Joseph

"-My most beloved children!...
My LOVING HEART thirsts for your love!... I am looking for a drop of love in your hearts... and if I find it, I promise you: I will pour a river, a sea of Love from My Heart... on your souls...

I knock on the door of your hearts... I await your invitation to enter... In My Hands I have My Most Loving Heart to offer you and give you! To that soul that opens the door of its heart to Me, that accepts the Love of My Heart... I promise... I promise to transform it into a true jewel of rare beauty, a flower of exotic and incomparable perfume... I promise to transform it in a furnace that never cools or diminishes, I promise to make it shine in a light more scintillating and more attractive than that of the stars themselves!...
Blessed is the soul that receives My Love!... for it will never become one! dry desert...
Blessed is the soul that believes in My Love!... for by its faith it will always possess it; and that is why your heart will never experience the bitterness of loneliness, despair, helplessness...
Blessed is the soul that accepts the Love of My Heart and that surrenders to Me totally, because I will also surrender to it totally and I will transform it into My own abode...
I, as I worked the wood in My Workshop in Nazareth, will work your soul, until I give it beautiful, impressive and truly stunning forms! I will give it the form of perfection, of holiness and I will give it a fine spiritual finish, so that it becomes a piece of great value and appreciable perfection!...
All this I will do in the soul that trusts itself, that gives itself completely to Me; and not to distrust My Plans, My Intentions and My Love for her...
I bless you all today and I repeat:
Continue with My HOUR of PRAYER and with all the others that I have given you here, because through these 'HOURS ' I will transform you into a beautiful 'Work of Art' 'Mystical and Spiritual' to beautify your Abodes in Heaven.
Peace, My children..."

04/10/2009 - Message from Saint Joseph

"- My dear children, My Most Loving Heart blesses you again today and says to you:
Peace! Peace! Let nothing disturb your Peace! You are not orphans! In addition to having Father in Heaven, Mother in Heaven, you also have Me, who as your Father, Father of all Christians, Father of all God's children, I love you..., I keep you..., I bless you!
I am with you always, and know that every tear that falls from your eyes and that is offered to Me by you is deposited in the Chalice of My Most Loving Heart and I present all this to the Eternal Father, with your tears united with Mine, to obtain for you new grace, new good and new mercy from the Lord.
My Most Loving Heart is your abode! I have already given it to you, I have offered it to you so many times, but many of you refuse to enter, you refuse to take shelter in that refuge that I have prepared for you so that there you will be protected from the attacks of Satan, protected from the seductions of the world

and be at the same time, heated and scorched in the fire of Divine Love...
Do not delay any longer! Enter the shelter of My Heart because My Heart can no longer bear your absence..., that you stay far from Me and that you do not give yourself completely to Me...
Know that more than your perfections, your your miseries attract Me to you... Because you are immensely fragile and in need of Me, I love you so much..., I seek you so much..., I want you so much...
Give yourself wholeheartedly into My arms and you will see how I will fill you with that abundant and benevolent grace that I enjoy with the Most Holy Trinity, where I am in Heaven.
The Eternal Father repeats to you without ceasing: “Go to Joseph!”
Yes, come to Me! And I will take you to the Father!
Come to Me, and I will take you to the Son!
Come to Me, and I will lead you to the Holy Spirit!
Come to Me, and I will take you to the Temple of the Holy Spirit, to the Ark of the Most Holy Trinity, The Virgin MARY!
Come to Me, and I will take you to Heaven!
I am with you! I am with you! And if I am for you, no one can be against you.
I now bless you all generously.”

10/11/2009 - Message from the Blessed Virgin Mary

"-My dear and beloved son Marcos!... I am your Mother... I am with you... You are Mine and with Me... you lack nothing...
Unhappy are those who do to you or any other of Mine 'True Seer Children' suffer...
What I told you eight years ago is still valid: - Those who make you suffer, or make My 'Elect Seers' suffer, will not be saved... No, without a rigorous and austere penance, making double reparation for all the harm they have done to you or to My 'Chosen Children'.
As for many of them, there will be no time and no Graces to repair twice as much, for many of them, salvation will be lost...

This is how I defend those I choose! This is how GOD judges in Heaven those who make My Elect, My Little Ones suffer, whatever they may be! Those whom I have chosen, no one has the right to molest, no one has the right to oppress or make them suffer...

My Motherly Love, guard yourself with jealousy and guard My Elected Seers... My children who throughout this year have also heard My call, listened to My Messages, obeyed the commands of My Heart and followed Me: along the road of Love, Prayer, Penance, contempt for themselves and for the world, renunciation to the easy pleasures of this life, by which the devil deceives and enslaves most men...
These children, who are true 'Mystic Roses' of My Heart... of Prayer, Sacrifice and Penance... These My children, I jealously keep them in the 'Garden' of My

Immaculate Heart! These 'Roses'... can be shaken by the winds and storms, they can be hit by hailstones, they can often even lose some of their petals, but they will not perish...

The 'Mystic Roses' of My Heart. .. which I cultivate, with My own Hands... will live, blossom, spread the Mystic Perfume of Holiness, throughout the world and all over the world, even those who will not want salvation; will recognize that I have cultivated these 'Roses' and that the perfume of holiness they exude comes from Me, proceeds from Me.

My Immaculate Heart will triumph, as I promised in FATIMA, as I reiterated in MONTCHIARI, in MEDJUGORJE, and here so many times!

No matter what men do, even if all are converted or all forsake Me, MY IMMACULATE HEART WILL TRIUMPH!
And My Kingdom of Love will be established on this Earth, and My superb adversary, who judges his harvest and his empire over this world to be right, will be overthrown by Me and MY HEART will win!...

By the ROSARY My Heart Immaculate WILL TRIUMPH!
It was through the Rosary that I won victories for My children, for Christians, stupendous victories. And what seemed impossible, I made possible in the blink of an eye, through the Prayer of My Rosary. As if by magic, I saved the world many, many times and I took from Satan what he had conquered and prevented him from conquering what he intended to possess.
That is why My children, you will only win through the Rosary... The victories in this time of the great tribulation that you are living are only possible through many, many Rosaries!
Follow the example of My daughter RITA DE CASCIA, pray the Rosary, truly trusting that I am your Mother and that with each AVE MARY, I gather your Prayer; to enclose it within My Immaculate Heart, where it becomes supernatural and most pure incense!... to present it before the LORD in Heaven... for your salvation, for your good, for your peace, for your happiness...
Wield the Rosary with confidence My children! He is your salvation! By the Rosary you will be saved... By the Rosary, I will save the world! By the Rosary I will even save the Church of My Son, which is destroyed by those who now lead it and who have already fallen into APOSTASY... But the Church of My Son JESUS, which He created, which He planted; I WILL SAVE IT... through the Rosary, through your love, through your faithfulness I WILL SAVE THE WORLD!
Through your trust in MY HEART, through the ROSARY, like the trust of little children who trust their Mother and expect everything from her...
I WILL SAVE THE WORLD! I WILL SAVE YOU AND THOSE WHO ARE DEAR TO YOU...
In this month of the HOLY ROSARY I bless and give a 'Special Indulgence' to all My Children who pray My MEDITTED ROSARY every day, with love, trust and perseverance...
My sons! The Sign of the Woman Clothed in the Sun is the ROSARY... the dragon fears this Sign!... Engrave this sign in your hearts and in your souls,

praying MY ROSARY every day and the dragon will fear you and flee from you!
I bless you all at this moment, with Love through the Crown of My Rosary...” (long pause)

(Marcos): “-Thank you My Mother and My Lady, for this blessing, which now makes me feel so good, so much better and fills my heart with peace! I swim, I swim in your Peace, Lady! (pause)

Message from Saint Anastasia

“-My beloved brothers! I, ANASTÁCIA, bless you today with all My Heart, with the LORD and BLESSED MARY!
Walk on the Path of Light... you who are called to be light, in this time of dense darkness and great darkness that covers the whole world...
Walk in the Light... walking every day the path of Prayer, Penance, Sacrifice, forgetting yourself; so that in your hearts the Divine Flame of the LORD burns, and the Light that it emanates, illuminate everything around you, illuminate all humanity, dispel the darkness of evil; and make the Light of Truth, Justice, Love and Good shine shine!
Walk in the Light... trying to open your eyes, so that the light that illuminates you will always be the light of the truth and not the false light of the lie that leaves the whole body in darkness and darkness...
Open your eyes to yourselves, never trusting too much in yourself and in your strength!... Never trusting in your own fidelity and your own inner justice, but trusting more and more in the Grace of GOD, in the Love of GOD , in the Sustenance of GOD; because this one is Faithful, it is Eternal, it is Constant and will never cease...
Be more and more... faithful to the LORD, following Him on the path of Love, Good and the fulfillment of His Commandments, and then you will truly be walking in the light!

Walk in the Light... opening your eyes to your defects and miseries, to the movements of your corrupt nature, which at every moment wants to interfere even in the works you do for GOD and for BLESSED MARY; to defile with personal interests, with other inward desires of the heart and other intentions and attachments, all the works that you do! By rendering useless all that you undertake to do for God and making useless before Him, all your struggle to serve and please Him!
Open your eyes to your own 'I'... repressing it, denying it what corrupt nature wants, opposing the virtues to the vices that most emerge and act in you, so that, truly, your be always clean and clear to see your faults, to fight against them, to fight and work to acquire virtues, to preserve and increase them!
In this way, you will walk in the Light and then your body will not be in darkness, because the light that illuminates you will no longer be darkness, but rather, it will be the Light of the LORD! And then what Our Lord said in the Gospel will be fulfilled for you:
“As the light of your eyes is Divine Light and not darkness, your whole being will be enlightened.”

The soul that has this light is not afraid to approach the Divine Light, because it is not afraid that its evil works will be seen in the light, because this soul does not live in darkness, but in the light of truth and its works are all works of the Light!...
Walk in the Light, beloved children of GOD... looking more and more each day to know the Will of GOD expressed in these Messages of these Apparitions! There are souls who search in vain in this life for happiness, for the Will of God, without ever finding it... You don't need to do this! The Will of GOD has already found you Here! Happiness has already come to meet you Here and has already manifested itself to you! In these Messages From This Sacred Place, is the Will of GOD for you, Here is the True Peace and Happiness... And those who embrace with heart, this Will of GOD that is revealed Here:
- you will achieve peace... you will know happiness... you will possess it.. And if you know how to preserve it, always keeping yourself in the Will and Love of GOD, you will never lose... you will never lose it!

Walk in the Light, children of GOD and BLESSED MARY, so loved! Following each day in peace, in the certainty of having Father and Mother in Heaven; that you have Redeemer, Brother, Savior and Master who is the SACRED HEART OF JESUS!... that you have the Angels and Saints as your brothers in the Supernatural Order of Grace: who guard you, guide you, protect you and light up every day! And in this peace and in this happiness you continue... and even suffering, even feeling the weight of the Cross, never forget: these crosses that you carry now, We the Saints already carried it before you and with Divine Love We won! We live with CHRIST forever in Eternal Glory!

And so will you be, you will live eternally with CHRIST in Heaven, if now with Him you endure a little suffering and a little part of His CROSS! And I promise you... even that little part will be softened, because We the SAINTS will carry This Cross with you, so that your feet don't get tired and so that you can reach the 'Crown of the Eternal Prize', that the LORD and that the MOTHER of GOD prepare you in Heaven!
I am with you! I protect you, I protect you, I defend you! I am your defender... Pray Me!!! Do not forget Me in your Prayers, not even when you go to work or do anything for the Lord or for the maintenance of your earthly life....
Call Me! And I will be with you, I will work with you. If we have to suffer, I will suffer with you and if we have to rejoice, I will rejoice with you! I want to be part of your life! And I want to make you grow in the 'True Consecration and Devotion' to Us, the SAINTS, also to the ANGELS, to the MOTHER of GOD, to SAINT JOSEPH and to the LORD GOD himself...
If you are docile to My Action, if you are docile to My Direction, if you despise yourselves and your will to let yourself be guided by Me, in a short time I will make you advance a lot in holiness and I will transform you into Saints as great as I am, as My compatriots in Paradise, in Heaven! ...

At this moment I cover everyone with My Sacred Mantle and I say to you:-
HEARTS UP!
YOUR HEART BE IN GOD! ONLY IN GOD! AND YOUR HEART DOES NOT

WISH TO HAVE ANOTHER LOVE, OTHERWISE, THAT OF GOD...
Peace, peace Mark...”

10/12/2009 – Message from the Most Holy Mary

“-My very dear children, I am glad for the your presence here today, praying all these Rosaries!
Your prayer ascends to My Immaculate Heart, like fragrant incense, very pleasing to Me and to the Lord.
I promise to obtain for you great graces from God and to grant you these graces of salvation and sanctification of your souls.
I also promise to pray with a new fervor before the throne of the Lord for the salvation of your land, of this country, which is disobedient to My Messages and that My enemy fights hard to dominate and conquer. But he is wrong: in the end My Immaculate Heart will triumph! Through the prayers and sacrifices of My little children, who have answered 'yes' to Me throughout all these years of My Apparitions here, My Immaculate Heart will triumph!
For one soul of true love, God would have spared Sodom and Gomorrah. Here, where I came to look for love, because of the souls of true love, that although they are few, because of these souls, I will save Brazil. If, however, these souls are more numerous, I will be able to save the world with supernatural love, with their prayers and sacrifices... This is my desire, this is what I want: pray that the number of true souls may increase. love, that having already died to themselves and their will, love God and Me only and live only for God and Me. Pray, because with your prayer these souls will emerge.
Pray My Rosary. The Rosary is the prayer that will save your Brazilian land, that will save Brazil and the World. Through the Rosary, this prayer that the proud despise, but that the humble love with all their hearts, I will defeat My proud enemy and establish My Kingdom of peace, grace, holiness and love in the world.
Trust, My children! I am with you! Can the mother abandon the child from her womb? And even if there were such a monster, such a woman, I would never abandon you, nor would I forget you. Look again at the beings that God created, at the creatures of God. Look how much love the cat has for her kitten, the rabbit for her bunny, look how much love the cow has for her calf... Conceição, the Mother of the Most High, forget the children she bore in the midst of so much pain, at the foot of the Cross? Oh no! She will not forget any of her children, for She is faithful and She will present them victorious before God for her greatest honor, His greatest glory and also for the greatest victory of Her Immaculate and Maternal Heart. To all, My children, I give peace,

10/18/2009 - Message from Most Holy Mary

"-Dearly beloved children of My Heart... Once again I call you to Holiness!... Your life on Earth will only have meaning if it is spent in fulfillment the 'Will of GOD' and having Holiness as 'ultimate end' to LOVE and PLEASE GOD...
Then your hearts will be filled with 'True Peace' and 'True Joy', which GOD only grants to those who they seek him with all their heart and who want to love him with all their strength!
Understand, little children, that the world is not for you... You are for the LORD, only for HIM you must: LIVE... BE... and EXIST... I bless you all generously now..."

Message from Saint Joseph

"- Beloved children of My MOST LOVELY HEART! I give you My Blessing and again I invite you:
PRAY!!!
Without PRAYER you cannot reach Holiness, ever! Only in PRAYER... will you have in you the strength to overcome all obstacles that want to prevent you from reaching Holiness and from uniting yourself perfectly with GOD.
BE MEN AND WOMEN OF INTENSE PRAYER!
Otherwise, Satan will conquer you, the world will seduce you and you will lose your souls eternally. What Our AFONSO MARIA DE LIGÓRIO and the other SAINTS also said is the greatest truth:
WHO DOESN'T PRAY HAS ALREADY BEEN CONDEMNED!
Because without begging for the Help of the Grace of GOD, without entrusting himself to the LORD, he cannot have in himself the 'Force of Grace'; that will make you overcome temptations, the seductions of the world, sin and will not also be able to overcome the 'I' itself...
In this way, the soul is hopelessly lost!
Pray with the heart! Pray with love! For, it is the only way in which you can in yourself, increase the desire to love God more and to be Saints.
The more you pray, the more you will feel the desire to pray and to love GOD...
The less you pray, the less your hearts will hunger and thirst to love GOD.
I bless you all at this moment generously..."

10/25/2009 - Message from the Angel Godriel

"- Mark..., I am the Angel GODRIEL.
I thank you for all the words you said today in that Cenacle... They did

immense good to many souls, and much light from Heaven penetrated their hearts... And to all of you, together I say:
SEDESANTOS!
SEDE SANTOS, to bring joy to the heart of the Heavenly Father and to the Heart of the Virgin Mary!
BE SAINTS, to honor the love of Our Lord, who chose you with such predilection and who brought you here in these Apparitions, in this Sacred place, to know Him, love Him, know His Mother and be part of His family that He loves, that He nourishes, that He feeds, that He guards with His love with jealousy and that He wants to make you grow more and more
in His love and in the likeness of Him...
BE SAINTS, so that in you all that God has planned for you may come true. But, no one will be able to reach holiness if he does not start climbing the step of the ladder that leads to it, which is the step of TRUE DEVOTION and TRUE LOVE to the LORD, which first passes through us, THE ANGELS and THE SAINTS; which leads to TRUE DEVOTION TO SAINT JOSEPH, which in turn leads to TRUE DEVOTION TO THE MOTHER OF GOD and TO THE LORD.
In this way, you will climb the steps of this ladder of holiness safely and correctly, and each step of yours will be a giant step on the path of spiritual perfection that all of you must have, so that, one day, you can enter the kingdom of heaven and see God face to face. the face.

We, the Angels, promise to help you in everything, in everything you ask of us.

The only thing that We demand of you is true love for us, without material interests...,
without falsehood..., without duplicity..., without inconstancy...!
A pure, firm and sincere love is enough for us to take your hands
and lead you up this path of holiness.
If your souls have true love for Us, they will be docile to Us. For he who says he loves a person but does not obey him, lies. Does not love!
The person who truly loves someone obeys him and does his will! Submit to your beloved! If you love Us, the Angels will truly obey Our Messages and let yourselves be guided by Us, climbing more and more the path of perfection that will lead you to Celestial Glory.
We are with you! Continue to pray for us because we are attentive to the voice of your supplications!
Continue with all the prayers that We have given you here. Give yourselves into My Hands and I, GODRIEL, promise you:
I will never leave you again... I will never leave your side!
I bless you all at this moment..."

01/11/2009 - All Saints' Day

Message from Saint Veronica Giuliani

"-Mark, I am VERONICA GIULIANI, servant of God and the Virgin Mary.
My soul was always ablaze with the purest and most intense fire of love for the

Lord and for His Mother, while I was still living here on Earth. My love was so intense that I was given the grace to receive in My Body the stigmata of the Passion of Our Lord Jesus Christ. By the Grace of God, by the supernatural union of My soul with His Heart, with His will and His divine good pleasure, I became another Christ, another Crucified Christ. I became a perfect copy of the Lady of Sorrows with her Heart pierced by arrows of pain. In My soul, the fire of pure and supernatural love that consumed Me was such that I could not stop consuming Myself at all times in this furnace of love, without, however, ever ceasing to give Myself to the Lord, nor to consume Him. I am like wax in the heat of the fire on the altar of the divine Father. When the soul is full, is possessed by such a love, similar to the one I had, she also doesn't know how to live except by consuming herself with the desire to love the Lord even more and this desire that consumes her, makes her find rest in nothing else outside her Loved. Therefore, the soul that loves the Lord and His Mother with all its heart does not find rest, nor relief, nor joy, nor joy, nor full satisfaction in anything but Them, in any other love outside Their love. Therefore, the soul that is consumed by the fire of divine love has no rest but the Heart of Jesus, but His Wounds, His adorable Will, other than the Immaculate Heart of Mary and the Loving Heart of Saint Joseph with His Pains. she also doesn't know how to live unless she is consumed with desires to love the Lord even more and this desire that consumes her makes her find no rest in anything other than her Beloved. Therefore, the soul that loves the Lord and His Mother with all its heart does not find rest, nor relief, nor joy, nor joy, nor full satisfaction in anything but Them, in any other love outside Their love. Therefore, the soul that is consumed by the fire of divine love has no rest but the Heart of Jesus, but His Wounds, His adorable Will, other than the Immaculate Heart of Mary and the Loving Heart of Saint Joseph with His Pains. she also doesn't know how to live unless she is consumed with desires to love the Lord even more and this desire that consumes her makes her find no rest in anything other than her Beloved. Therefore, the soul that loves the Lord and His Mother with all its heart does not find rest, nor relief, nor joy, nor joy, nor full satisfaction in anything but Them, in any other love outside Their love. That is why the soul that is consumed by the fire of divine love has no other rest but the Heart of Jesus, but His Wounds, His adorable Will, other than the Immaculate Heart of Mary and the Loving Heart of Saint Joseph with His Sorrows.

The soul that loves in this way finds no peace anywhere, wherever it goes, except in the arms, in the lap, of His Beloved Lord, Our Lord Jesus Christ. The soul seeks Him, the soul seeks Him and for it there is no work that is big, painful or arduous enough to stop it in the search for its Beloved, in the search for its Lord, in the desire to know Him, to find Him. , embrace Him, unite with Him forever with bonds made of pure fire, fire of pure love... And even if the soul has to search to the ends of the Earth for its Lord, it seeks Him, it does not rest and when it finds Him then the soul rejoices, the soul rejoices, the soul finally rests in the peace of possession of the Good so sought after, the Supreme Good so desired, the Supreme Good so longed for by your heart... soul enjoys when it meets its Beloved and another love no longer wants, divine love, love of God... eternal and supernatural love... very immeasurable... (note: Saint Veronica spoke as if she was thinking aloud or was talking to herself) very incomparable that nothing, no treasure, love or anything in this world can

compare with it, or else surpass it in value. Love that, if the soul possesses it, has everything, it lacks nothing... achieved success, achieved the palm of triumph, conquered the crown of the supreme happiness that human beings desire and seek, unfortunately, in this world of fleeting, illusory things, liars and crooks. or else surpass in value. Love that, if the soul possesses it, has everything, it lacks nothing... achieved success, achieved the palm of triumph, conquered the crown of the supreme happiness that human beings desire and seek, unfortunately, in this world of fleeting, illusory things, liars and crooks. or else surpass in value. Love that, if the soul possesses it, has everything, it lacks nothing... achieved success, achieved the palm of triumph, conquered the crown of the supreme happiness that human beings desire and seek, unfortunately, in this world of fleeting, illusory things, liars and crooks.

Blessed is the soul that opens itself to this love, that accepts this love within itself and that gives it the throne of its heart and of its life, because in that soul the love of God will go from triumph to triumph, from victory in victory, from work to work, from fruit to fruit of holiness and in this soul the love of the Supreme Good will be pleased, there it will rest, pitch its tent and live with it forever!

I bless all of you at this moment and I say: continue in this school of holiness of the Mother of God. Follow the path of perfect love, to which She, Saint Joseph, the Lord and We, the Angels and Saints have guided you here, during all these months, these years! Follow each day in the contempt of yourself, in the sublime love for God and in the desire to be more and more in conformity with the will of God. I promise to impress on the hearts of all those who ask me for the wounds of Our Lord Jesus Christ, that is, a living love for the sufferings of the Lord, a true compassion for the sufferings of Him and the Lady of Sorrows, and a true devotion to the saints Wounds of the Lord Jesus... and I promise to lead these souls to a perfect, ardent and profound union of love with Our Crucified Lord.

I bless you all now, here in this Chapel, in this Sacred Place that for Us, the saints of Heaven, is dearer, is more precious than all the rest of the world, and at this moment I leave you peace."

02/11/2009 – Message from Saint Catherine of Bologna

"- My favorite Mark, I am Catherine of Bologna!... I am Catherine, whom you know well and who know well how much love I had for Our Lord, for the Blessed Virgin on Earth, and also how much charity and pity I had for the Holy Souls in Purgatory...
Today, when you celebrate the day of all those who were faithful to the Lord and who have left for eternity, I also invite you to remember those souls who were faithful to the Lord, who loved Him with burning love, who served Him, who they loved the Blessed Virgin with all their strength; but they are still in the process of being purified in Purgatory... Because of small faults, small venial faults, they are being purified in that fire; which is as terrible and devouring as that of hell, but which is limited and which has time to be erased for those Holy

Souls.
But while they are there, how much they suffer!... How much they groan!... How much they aspire to be with God and with the Blessed Virgin, with the Angels and with us, the Blessed Saints in Eternal Glory! They see us, they hear the Songs of Glory that we sing in Paradise. They already foresee for themselves the eternal joys of happiness and of full possession of God, of sharing in his infinite happiness. And because of that, they are consumed with atrocious pain, with atrocious regrets for not having been strictly perfect as the Commandments of God's Law required them to be. As the obligations of their state of life on Earth demanded that they had been... As the Grace of God and the number of favors and heavenly lights they had received in their life on Earth demanded that they corresponded. With love, with a dedication,
Those souls await your prayers so that they can get out of that sad prison and can reach eternal bliss in Heaven!
REZAIPORELAS!
And you will be doing the greatest work of charity that you can do for your neighbor, because if you take an earthly person out of the flames that burn him is a praiseworthy act of great charity and heroism, much greater is still to take those Holy Souls: good, holy, perfect; who loved the LORD with all their strength and were very worthy to be helped and loved, from those terrible flames that consume them...
Do this and you will be doing an act of great merit before the Lord and you will be rewarded by Him with Divine Blessings that will surely lead you to the happiness of Heaven, without you having to go through those terrible flames, which consume the Holy Souls in Purgatory...
I INVITE YOU ALSO TO THINK ABOUT ETERNITY...
STULICE..., it is living as if there is always tomorrow!...
STULICE..., it is living as if man could return to this Earth a second time, to have a second life, to have a second chance to make amends for the evil he has done and the good he has not done!...
MAN PASSES THIS EARTH ONLY ONCE...
And if he doesn't learn to love the Lord while he's a traveler in this world... in the next, he won't be able to do it anymore. And that is why he will be plunged into the eternal flames of hell, because the time of Mercy and Grace will have ended for him...
Equally sad and great folly, is to spend your whole life loving only creatures and not trying to love God. Or else, to be content with loving Him little, because these souls that could be true 'eagles' flying high in the Heaven of God's Love, however, prefer to be like little chickens, little gazelles, that only walk on earth and scratch on the ground!
Oh My beloved brothers! You were not called to love God little!...
You were called to love God much! To love Him with all the strength of your heart..., with all your being...
You are called to love God as no one has ever loved Him!
You are called to love the Most Holy Virgin, as no one has ever loved her until now!
You are called... to truly disappear, like a drop of water that dries up when it falls in the desert!
So that your soul can rise to the highest heights of Grace and can then live perfectly in the Heaven of God's Love...

You must disappear completely, so that the Love of God may appear in you!
You must empty yourselves completely so that the Love of God can fill your souls until they overflow, so that other souls, seeing the Love of God in you, also know, can drink from Him and can also quench their thirst: for Truth, for Divine Love, Holiness, Grace and Peace!...
You are called to follow the same path that I followed:
- The path of Love;
- The path of virtues;
- The path of perfect abandonment and trusting delivery into the Hands of God!
Just as I loved the Lord with all My strength, to the point that He even pierced My Heart with the Lance of His Ardent and Divine Love..., you too are called to have this Love, which makes you die at all times. time for yourselves and serve with generosity to that Lord, who loved you with a love of predilection! For if it were not, you would not be here. For here, only those about whom God has special Plans of salvation are called to come, which He reserves for the unique knowledge of Himself, but which are Plans and Designs that will bring Him much Glory and also the salvation of many souls. ...
The Kingdom of God is already among you! He is Here... It is offered to you in These Apparitions every day! You must only accept Him, take Him into your life... Seek Him before all else!... Seek Him first! And all things will be given to you, that is, all the graces necessary for your sanctification and spiritual improvement, will be given to you in addition.
I am with you! And I promise to guide you, to help you on the path of this spiritual improvement...
Trust Me! Pray Me! For I am attentive, always the voice of your prayers...
Let us love our Beloved!
Let's look for our Beloved!
May our only delight be to be in the Arms of our Spouse, of our Beloved Jesus, the Love of our souls!
And let us never leave His Most Loving Arms, for nothing, for any lying and deceiving call of the devil and the world, which wants to make us leave Jesus!
Let us remain in Jesus always! And Jesus will always remain in us!
Let us remain in the Virgin Mary always! And She will always remain in us!
Let us remain in the Holy Spirit always! And He will always remain in us!
You who are still in the state of walking in this world, you always remain in the Love of God and He will always remain in you!
I am with you! I am in favor of your Salvation and I want to work to obtain it for all of you...
I bless you all, abundantly at this moment..."
11/07/2009 - 1st SATURDAY OF THE MONTH - 1000 HAIL MARYS IN DISGRACE TO THE IMMACULATE HEART OF THE BLESSED MARY

Unexpected Apparition of Our Lord

Message from Our Lord Jesus Christ

"-Beloved children!... today, when another month is completed , of OUR

APPARITIONS Here... My SACRED HEART blesses you and says to you:
LOVE ME!!!
LOVE wants to be loved by you... LOVE, that is, I, want to be loved by all of you, with all the strength of your heart, with all your soul, with all your understanding.
WITHOUT LOVE... you cannot please Me...
WITHOUT LOVE... you cannot know Me...
WITHOUT LOVE... you cannot serve Me...
WITHOUT LOVE... you cannot know My FACE ...
WITHOUT LOVE... you cannot adore Me, nor glorify Me...
WITHOUT LOVE... you cannot save yourselves...
WITHOUT LOVE... you cannot prefer Me...
WITHOUT LOVE ... you cannot find true Peace...
The true meaning of human life: it is Love, it is Loving Me.
The soul that truly loves Me... has true Peace, has true happiness. It hates evil, sin, that which is contrary to My Will. And out of Love for Me: embrace Virtue, Good, Sacrifice; even the sufferings if necessary to please Me, Glorify Me and Satisfy Me...
The soul... that has known Love and possesses Love, possesses everything...
To everyone... I bless you abundantly at this moment..."

08 /11/2009 - Feast of the Revelation of the Holy Medal of Peace

Message from St. Catherine of Ricci

"-Marcus beloved of the Lord... I am CATARINA DE RICCI. Yes..., I am with you! I love you very much! I am by your side constantly, to help you grow in the Love of God.
You love the Mother of God and you love the Lord not for Their Gifts, nor for His Graces. You love Them more than your own life and that is why Heaven favors you so much! You chose between you and Heaven... and you preferred Heaven! You chose between your will and the Divine Will, and you chose the Divine Will. Yes! You chose between loving God and between loving yourself; and you preferred to love God, forgetting Him. if of yourself, emptying yourself of yourself..
That's why Heaven is with you!... That's why Heaven is with you... That's why you are for Heaven and Heaven is for you.
Come my beloved! Let Me use you to communicate to these My brothers and sisters how great is the Goodness and Mercy of the Lord and how much He and His Mother have favored them In this blessed and Sacred Place of the Apparitions, which for Us from Heaven it is more precious and dear than the rest of the world! Beloved brothers, an existence..., the brief existence of the human being here on Earth, is not enough for the soul to come to understand a thousandth of what it is, the ocean of the Lord's Goodness and Mercy.
Therefore, for all eternity, the soul that has loved the Lord, the soul that has understood the Goodness of the Lord and given itself totally to it, will spend all its eternity in Heaven; knowing, drinking, enjoying the immense and

inexhaustible communication of the knowledge of the Goodness of God, of His Love, of His Beauty, of His Goodness...
This is the state of blissful souls there, in Paradise, whence I come! We know the Goodness of GOD without veils! We know Him without any deficiency of Our capacity for understanding, We love what we know; without hindrance, without hindrance*, without disability, without delay, without delay, without any discomfort! For, what was of the world remained in the world and that which is from Heaven went to Heaven, that is; Love... Eternal Love! That it is the only thing that is truly from Heaven and that the soul takes from this earth when it leaves... This Love makes us know God and makes us Love Him with perfection, with readiness, with readiness and with the beauty that only the state of eternal bliss gives to the soul that loved the Lord with all her heart on this earth!
To this same state of bliss you are called and invited here today. Yes, along the path of prayer, penance, love, forgetting yourself and the total consecration of your person to God and the Mother of God, you will reach that state; when then without veils you will know God and without any imperfection you will love the Lord, with a burning love of the very Seraphim and Cherubim of Paradise!
If you, My beloved brothers, forget yourselves here on Earth, if you give yourselves completely to the Lord; then He will give you His Love, because God gives His Love to the soul, in proportion to its desire to know Him, love Him and respond to Him...
Many souls were called to this state, but they didn't want to... because they preferred to give their love to creatures, or even to reconcile two irreconcilable things: the love of God and the love of the world. I would like the two loves to live together, God and the world; therefore the soul deceived and deceived itself and lost the love of God, it did not possess it, it did not know it, it was not completely taken by it; for Our Lord Himself said in the Gospel:
'That one cannot serve two masters, God and the world, God and riches, God and himself; for either you will love the first and despise the second, or you will love the second and despise the first.'
Therefore, My beloved brothers! So that you do not lose the Great Good, the Supreme Good, which is the Love of God, which is God himself... TAKE CARE of yourselves and never let your soul be divided and that even want to make two opposite loves, that of God and that of the world, be reconciled in you, for that is impossible!
If you, on the contrary, prefer the Love of God... open your heart to the Grace of God, then it will enter you and accomplish great things in you, great fruits of holiness. And then you will sing as Our Queen and Most Holy Lady MARY sang:
'The Lord has done wonders in Me, He has done great things in Me, Whose Name is Holy.'
Divine Grace is standing before your hearts, waiting for you to empty yourself completely of yourself and your will, so that it can find space and enter... If you empty yourself, it will enter, it will take your whole heart. , will fill you all: with light, with love, with the knowledge of God, of His Law, of His Will. She will fill you with a holy fire that will consume all your souls with love for God and will transform you into true living copies of divine perfection, will transform you into pure reflections of the light and holiness of the Lord!
I'm Here, I love you all! I want you all! And I want to help you to be great

Saints. Know that many of you were entrusted to me by the Lady at the beginning of the Apparitions already from here, so that I would take care of you, so that I would attract you here. So that I may preserve and defend your faith and love; that your perseverance might strengthen you. And I have the Mission to help you to fulfill all the Messages of the Sacred Hearts Here and to be great and valiant Saints, for the greater Glory of the Lord, for the greater good of you and of all humanity...
Therefore, let yourselves be led docilely for Me, towards the Holiness and Perfection that the Lord wants from you and to which He has called you.
Continue to pray all the prayers that the Sacred Hearts have given you here. Be firm! persevere! The Warning is near, the Punishment is near and those who are not in God's grace will regret even being born, so great will be the torments that will fall on them, from one moment to the next, when GOD says ENOUGH! And to purify this world of its current crimes and sins, among them the worst of all: disobedience, indifference and denial of the Apparitions and Messages from the SACRED HEARTS.
Hold the Rosary, pray, meditate on the Messages! Dedicate time to reading and meditating on the Messages... the devil achieves many victories over you because you do not meditate. The devil disorients you, confuses you, drags you entangled with his threads of his temptations and illusions so easily, because you don't read, because you don't meditate the Messages that were given to you here.
MEDITATE! MEDITATE! MEDITATE!
Meditation is now, your Board of Salvation, the only thing that can keep you burning in prayer, firm in the service of God, constant in obedience, imperturb** in the service of Our Lord...
I am with you! I want to help you, I will help that soul who asks Me and who lets himself be led by Me.
To all, I now bless abundantly."
* Obstacle: Obstacle, impediment.
**Imperterritos: Who are not grounded by anything, Who are not afraid, Fearless

11/15/2009 - Message from Saint Joseph

"-Beloved children, My Loving Heart comes again today to give you Peace!
I am your Loving Father... and I have no other desire than to transform you into living copies of My own Love, of My own Loving Heart...
I want to reproduce My Virtues in you!
I want to reproduce in you My Love for the Lord, My Love for the salvation of souls...
I want to reproduce in you the most ardent Love that I had for Mary Immaculate and for the Son of God!
I will only be able to do this, however, if your souls give themselves to Me fully, through the TRUE CONSECRATION to My Most Loving Heart.
I love you all! And My Love for you far surpasses the ardor of the sun itself... It

burns within Me, it burns Me... and I have no other desire than to give it to you... Do not refuse to receive it. Lo! Do not close the door of your Hearts to My Love, as so many souls have already done.
accept My Love, so that the Mercy of the Lord may fall upon you, while if you close the doors of your hearts to Me, the displeasure of the Most High will fall on you; for the command of the Lord unto you is,
"Go, all of you to JOSEPH."
Pharaoh's Word about Joseph, from the Old Testament, was actually a prophecy of God himself, who commands you all to come to Me, so that I may lead you all to Him, all to Mary!
If you give yourself completely to Me, I can give you completely to the Father. The soul that gives itself completely to Me, to Her I will also give My Love completely...
Love My Heart... and My Heart will love your heart...
Give yourself totally to Me... and I I will give myself completely to you...
Be completely Mine... and I will be completely yours...
I now bless you all with Love!”

11/22/2009 – Message from the Blessed Virgin Mary

"-My beloved children! Today, when you are already celebrating the Feast of My Apparition to My daughter Catarina Labouré, when I gave her My Medal, which you call Miraculous..., I again call you to give your heart totally to My Love, as My daughter Catarina Labouré did.
Give yourselves totally to My Love... living on My grace, living totally dependent on Me, on My love, on My patronage, on My protection and support; so that each day I can nourish, form, educate, strengthen and make you grow in Divine love...
Give yourself totally to My Love..., renouncing yourself and your will, despising the world and despising what your corrupt 'I' often asks of your souls, so that, in this way, growing in this true contempt of you and the world, I can make you grow more and more in your appreciation for Divine Love, for the Law of the Lord, for His Will, for His Commandments... So that, in your lives and in your souls, it may be fulfilled each time more what the Lord wants from you and has planned for you.
Give yourself totally to My Love... so that I can lead you each day along the path of prayer, purity, humility, obedience and docility to My voice and the will of the Lord, so that you can once again, to bloom like flowers perfumed by Divine love, embalmed by all the virtues, to radiate to all the beauty of holiness and life united with God!
Give yourself totally to My Love... so that I can direct and guide you as I guided My daughter Saint Catherine Labouré, to accomplish great things in you too, as I accomplished in Her, so that the whole world may glorify the Lord and glorify My Name, seeing the great things that the Goodness of the Lord does in you in cooperation and in collaboration with your good will, with your generosity and with your total surrender to the Will of the Lord and to Mine. .
The Divine Will, supported by you... The Divine Will, helped by yours, will make

great works of Divine love, of salvation happen in your lives and will make you produce great fruits of holiness. If you, My children, are docile to Me and to the Lord, as My daughter Saint Catherine was, you will see in your lives and in your souls what My son Jesus desired on Holy Thursday:
"-May they, O Father , be one with us, as you and I are one."
The world will see God's love in you, and it will see you immersed in God's love and then it will also want to know this love, taste this love, drink from this love, enjoy this immense love, love this immense love... lives you will then be able to give to others the immense good, the Supreme Good that here, was given to you to know, to taste and to love:
God and His eternal Love!
I am with you My dear children, every day of your life, continue to wear My Miraculous Medal, to pray the Rosary with the Prayer that I revealed in it, so that I can continue to protect you from Satan's attacks and make you grow each day more, in those virtues that so enchant and gladden My Heart!
Through the Miraculous Medal I will save the world, I will save your souls, I will crush Satan's head and make My power shine throughout the world through the Triumph of My Immaculate Heart...
Peace Marcos, I bless you all."

29/11/2009 – Cenacle commemorating the Apparition to Saint Catherine Labouré

Message from the Blessed Virgin Mary

“- My beloved children... Today, when they are still celebrating the Feast of My Apparition to My little daughter Santa Catarina Labouré, to which I revealed My Medal, which you know and rightly call the Miraculous Medal, I want to pour out on all of you today a new Grace of My Heart and call you back to Love...
Be like My little daughter Catarina Labouré, loving Me with all your heart... Loving Me with all your strength, fulfilling all that I say in My Messages, because Love that is not proved by works is dead and false.
If your Love for Me is real and true, it must be translated into works of love, that is, prayers of love..., sacrifices of love..., disclosure done with love..., meditation done with love. .., works to help My work here, to spread the Messages that We give you here with Love!
Without Love, your works do not attract the eyes of the Most High, on the contrary, they attract His indignation, for He himself said it in Sacred Scripture: “Cursed is the man who does the work of the Lord in vain”, that is, who does the Work of the Lord. Lord without Love in the heart...
Unhappy is the soul that serves the Lord seeking, in fact, his interests, his glory, his personal satisfaction, because that soul does not have the benevolence of the Lord and all his works before him. They are vans and undeserving.
That's why I call you to Love... To true Love!
May your heart expand in that Love in which the heart of My little daughter

Catarina Labouré was continually expanded and expanding.
The merit of Catherine..., The merit of Bernadette, of My Little Shepherds of Fatima and of all My visionaries and also of all the Saints who loved Me, in addition to their exceptional virtues that I myself helped them to cultivate and to make them flourish , it was from Love!
They loved Me more than themselves! They loved Me not for My gifts, for My Graces..., they loved Me for Myself.
They loved Me with all the strength their powers were capable of loving Me.
Yea! This Love transformed Catherine, transformed Bernadette and all My visionaries into true stars that shine around My Head as a celestial and Mystical crown of glory, of radiance, of holiness, of honor
... children, you will one day transform in Heaven into so many other stars that together with My Saints and My visionaries will form the most wonderful constellation of glory, beauty and holiness, praise and Love around the Head of your Mother of heaven.
To all of you today, with Love, I bless you again and say: Only Love...Only Love...Only Love!
Peace Mark! Have My Peace! Rest in My Peace. All remain in My Peace!"

Message from Saint Joseph

"- My Beloved Son Marcos, I thank you from the bottom of My Most Loving Heart for this beautiful and Divine Picture that you enthroned here today in My honor.
I bless you and I bless all those who helped you to accomplish this task for My greatest honor and glory. You cannot imagine how much good you do and how much Glory you give to God by enthroning this picture of Mine here that was prepared for this place so many centuries ago and for which it was always destined.
Through this picture, I promise to pour out in this Place new grace for all those who love Me in it and through it, and through it and in it, honor Me, oblige Me, love Me, glorify Me...
Continue with all the prayers that I have given you above all . with My Hour of prayer because through it, I will transform you into true Seraphim of Love.
What was My Treasure? What was the treasure of Catarina Labouré, Bernadette de Lourdes and all Saints? The Treasure of All of Us was Love. Through Love, We become friends of the Lord, we become his guests, his consorts, his family members... We become one in Love with Him.
Through Love, you will become one with the Lord. You will become his true children. Not only by name and title, but you will become children of God in truth and in life.
The mystery of God is the mystery of Love! The mystery of the Trinity is the mystery of Love! My mystery is the mystery of Love...
I now deeply bless you all..."

Holy Mary

“I now bless all My Miraculous Medals that you brought to this Feast, to be blessed at this Feast, so that wherever they are, the abundant Graces of My Immaculate Heart may be...”

06/12/2009 - Message from Santa Bárbara

“-My beloved brothers, I Bárbara, servant of the Lord, servant of the Most Holy Mary, greet you today and bring you Peace!
I love you so much... I want you so much! I am your protector and protector of this Place, of this Sanctuary that is more loved by Us in Heaven than the rest of the world. And I have been defending this Place and those who come to pray there for a long time!
I want to teach you true Love... I want to teach you to grow in true Love for the Lord and for the Most Holy Mary, every day. So that you may one day be plucked by Them like a beautiful and fragrant flower to Paradise.
Grow each day in the Love of God, always trying to listen more to His Voice, that is, to know His designs which are manifested to you in the first place in the Messages that Heaven transmits to you here.
Then, through your deep prayer and your interior life of prayer. And thirdly, through the events that take place in your life, every day, through which God also shows you the path you should follow and the wrong paths you should leave...
Grow in the Love of God, looking more and more every day, to fight your defects, opposing them with the virtues contrary to them, so that your souls can more and more spiritually heal from the evils that sicken them, they can be strengthened each day. more through the exercise of the virtues and may become every day more beautiful, more pleasing to God and above all, may they give the Lord greater joy in the midst of so many and terrible annoyances that the men of these times, cause him every day and that they so often make them indignant against this world, which has betrayed His Love, which has turned its back on Him and which has consciously rebelled against His Law of Love!
Grow each day in the Love of God... trying as much as possible for you to get rid of the vain things that this world offers and that so often usurp in your hearts the place that is due only to the Lord. So that, truly free inside, you can grow without any obstacle or delay in the path of this true Love...
To God... your faults don't matter...
To God... your flaws don't matter... He does not require you to be exempt from them at first...
To God... only true Love matters in the heart and a firm desire to be only and only His, to love only and only Him... and each day more ; seek Him, know Him better, love Him more...

To God... it does not matter that you do incredible deeds, for that is not what He asks of you! What He asks for is pure Love, it is a steadfast, unshakable Love, it is an unchanging, constant, continuous Love, which always grows and never... ever... fades, cools, changes or else goes in another direction!
It is a Love like that, what God expects from you and wants from you...
God expects from you a Love that will completely consume you, that will make you die to everything that is earthly, so that you can truly live for everything that is Heavenly.
He waits for your yes... He waits for your answer... He calls hearts, but the answer is free and only they can give... God waits standing in front of many hearts, but they have not opened to His Love and His Grace.
Pray that you may be able to accept the Love of God, because only through intense Prayer can you accept the Love of God!
Without Prayer, man cannot, cannot accept the Love of God, nor embrace Him, nor be faithful to Him, nor keep Him within himself.
That's why I pray!!!
Without Prayer you cannot live!
Without Prayer, you cannot even say yes to God!
Without Prayer, you cannot keep the yes!
Without Prayer you cannot live, nor continue, nor grow in the Love of God!
That is why so many times, the Prayer Here has been recommended to you, because it alone makes you capable of the Love of God.
This Love... that chose you, that chose you to be Here, and to be the privileged souls who receive this Love directly from Heaven. This Love that was given to you so much, from you, so much more love waits and waits...
I am here, before you, to help you with My graces, with My love and with My protection.
So that every day you can answer yes to the Love of God, embrace it, live it, love it, respond to it... , that I will make it grow in the true Love of God until it reaches its fullness in Heaven!
Today, I bless you all with Love!..."

MESSAGES ON DECEMBER 08, 2009
DAY OF THE IMMACULATE CONCEPTION OF HOLY MARY - HOUR OF UNIVERSAL GRACE IN THE SANCTUARY OF THE APPARITIONS

Message from Holy Mary

"-My most beloved children! On My Feast I now bless you with all the profusion of Graces, the privilege of My Immaculate Conception...

I AM THE IMMACULATE CONCEPTION!...

With these words I revealed My name to My daughter Bernadette in Lourdes and I have also identified myself with so many visionaries of Mine, including this My little son Marcos so many times, to call you to the perfect and true holiness that pleases GOD!

I am all Beautiful! All effulgent with the Sun! I am all Bright! ...all Pure!

To this immense interior purity, similar to mine, you are also called today by God through me. For My Immaculate Purity was the perfect image of the purity of GOD, of that inner purity with which GOD created Adam and Eve in the beginning. And that they would never have lost, if they had not disobeyed God, if they had not given more credit to the serpent than to God, and if they had not been so rebellious to the Lord's command, and had not committed the first fault, the first original guilt. .

My Immaculate Purity, which today shines and shines for all of you, is the perfect state, it is the maximum degree of perfection, to which a creature can reach in order to be the perfect image and likeness of its Creator!

To this state of purity, as far as it is possible in the Grace of God and as far as it is possible for Me to lead you, I want to lead you, to make you arrive in order to be the perfect image and likeness of the very purity of the Lord. To

this state of interior purity, I have been calling you all these years, through My Messages, inviting you:

through prayer, sacrifice, renunciation of yourselves, of the world, of contempt for your will, of interior mortification of your own corrupted 'I'... lead you to that perfect interior purity, which can only possess those who have already died for everything that is sensible and have already been born for everything that is eternal and heavenly!

In this way My children, only in this way; ye may arrive at immaculate, clear, resplendent, and effulgent purity; which I have invited you and which God expects of you.

I am the Woman clothed with the Sun... I am the Woman beautiful and white as the Moon... I am the Woman bright as the stars... I am the Woman terrible like an army in battle order... That invites you to each day you will nurture within you, cultivate and make grow this interior purity of love... so that, under My orders, you can fight the army of My enemy... which is an army of impurity, which is an army of sin, of wickedness, from spiritual filth and fetid mud, from eternal rottenness... that come from sin, from love for this evil and corrupt

world, from love for that which is contrary to the will of the Lord!

If you possess this purity, this interior innocence of heart, you will be My true soldiers: docile, ready, always obedient to My orders and who will do everything I command you without delay, without delay, without deficiency or failure. And so, I will be able to powerfully act in you and through you, to produce and establish in the world the greatest Triumph of My Immaculate Heart.

Here... where so much love, so much grace I gave you... so much more love, so much more obedience and correspondence from you I hope!

I am your Immaculate Mother! You must follow after Me, following the perfume, the heavenly trail that I leave for you... so that each day, you walk after Me: along the path of Prayer, holiness, love, truth, faithfulness to GOD. And so you can leave once and for all the paths of sin, error, deceit, illusion, eternal death!

In this way My children, I will be able to safely take you to your heavenly Father, who calls you and awaits you all with unlimited Love and Mercy...

I bless everyone at this moment... To those who pray My prayers that I have given you here every day, who are My true slaves of love, who spread My Messages and follow Me along the path of holiness... My Special and Maternal Blessing; fruit of the great love of the Lord of all for Me and also of the love of My Immaculate Heart for Him...

To all of you now... I bless you with Love!..."

Message from Saint Julian

, servant of the Lord and of the Most Holy Mary, I bless you now, with all My heart...

I... loved the Lord with all My strength! The Lord was My only and great love... And another desire I have no I have but that you love the Lord and His Mother too, with all the strength of your heart.

The love of the Lord is sweet, he lets himself be found by everyone who seeks him... he is not far away... he is not in a distant kingdom... he is not in another world, nor suspended on the clouds of heaven... It's so close to you! It is so within your reach that anyone who wants to find it will be able to do so without difficulty.

He is within your heart... It is within your heart that GOD has placed His Love

for you to find! It is in your heart that He wants to be found by you and that He wants to reign in you.

How many souls spend their whole lives looking for happiness in vain, without realizing that happiness is within themselves... it is in their heart, it is in the love of GOD, which resides in the heart of each one of us. There, in that sealed garden... there, in this sweet chamber of your souls, GOD wants to be found by you; through a life of deep prayer, of deep intimacy with Him... through a life of perfect consonance, of perfect spiritual attunement with Him...

When you die to yourselves, when you completely uproot your heart from within; love for yourself, inordinate love for you, inordinate love for creatures... Then you will be able to meet the Lord, because then there will be space for him to approach you, make himself known to you, let himself be found for you...

Enter... dive into the depths of your heart, through a life of intense prayer, intimacy, meditation, coexistence with the Lord. And then there you will find Him full of goodness and mercy for you, to fill you: with His mercy, with the knowledge of His infinite goodness, with the sweetness of His benevolence, with the graces of His forgiveness, of His peace and of His salvation!

I want to lead you to a deep interior life!

Whoever asks Me and who lets himself be led and formed by Me, in this kind of life, I will bring him to such an intimacy with GOD, that nothing... nothing will be able to make the soul leave the sea of God's love in which it will be immersed, of the living flame of love in which it will be on fire, in Heaven of grace, of peace and holiness in which it will be elevated...

I take your hands now, and I sincerely want to lead you to this great holiness.

Be docile to My action and I will guide you!

I bless you all at this moment with love..."

Message from Saint Catherine of Sweden

"- My beloved brothers... How much I love you... I cannot describe it!
I Catherine, I am your sister. I have been praying for a long time I have suffered for you too, because I see how much you have been rebellious to the teaching, direction and guidance that the Mother of God has given here for your sanctification and salvation in these Apparitions.
How it pierces My heart to see that many of you knowingly disobey Her Messages... You do not meditate on the Messages that the Sacred Hearts give you Here... You do not bend over with love to try to understand the teaching of holiness that She gives you Here.
How... for me, it is hard to see that many of you are insensitive, indifferent and

that you have neither thirst nor love for this tasty bread of holiness and salvation that God here gives you which is: The Messages that are given to you in this Place.
How painful it is for My heart to see that many of you have already reached a level of indifference, insensitivity and atrocious coldness towards everything that is from Heaven to the point that no more word from the Messages makes the fibers of your hearts vibrate ... To make your souls burn. Really make your soul rejoice in God!
You lost your first love! You lost true love! You got used to the Grace of God!
You have taken the Grace of God that is given to you here in these Apparitions as a common thing... As a worthless thing... As a habitual thing... commonplace. And because of that, the Messages no longer attract you.
What a pain to see that so many who are here..., so many hearts, are reduced to a dry desert. They let their hearts dry out because they did not take care of the Word of God that is given to you here directly from Heaven.
You didn't take care of the seed of God's love that was deposited in your heart.
You yourselves have left the walls of the city, that is, of your souls, defenseless against your enemy who does not sleep, who does not rest for a single moment and does not allow a single moment to work for your downfall, for your perdition!
My Beloveds, return to your first love!
Return that love you felt when the Messages pierced you for the first time!
Let this spear of Divine Love pierce you again. She can do it again. She is before your hearts just waiting for a yes, a small opening so that she can pass you from side to side and make your souls again burn in the fire of the mystical love of the Lord, burn in the most ardent furnace of the Most Sacred United Hearts. And then, everything in you will be resurrected! Joy, happiness, the meaning of life, the meaning of prayer, the meaning of service to God and the Most Holy Mary, the meaning of the struggle for the salvation of the world and for the Triumph of the Most Sacred Hearts in souls, everything will resurrect! Peace..., Love..., Hope..., Faith!
Yea! Everything will be resurrected and revived in your souls if you return to true love. So My beloved brothers, open your heart to the first love of God in you so that He can once again make your souls burn like true bonfires that later, when they have completely consumed your souls, will spread to others and will also make them burn and so the whole world will become a furnace of living love for the Lord and the Mother of God.
If, on the one hand, I am saddened by those who have lost their first love, on the other, how happy those souls are who, during all these years, keep alive the flame of true love in themselves.

How many souls who have been pierced by this love and scorched by this love are still burning today, burning night and day like blazing furnaces of love for God and for the Most Holy Mary. They deny nothing! They love the Lord and His Mother more than themselves. They have already died completely for themselves, for the world, for everything that is sensible and fleeting, and they live exclusively for everything that is immortal, that is eternal, that is celestial, that is Divine.
These souls, although they still have to travel in this world, live immersed in God. They move in God.

They are in God. Live in God!
They are so immersed in the sea of God's love that they take from this sea everything they need for their souls. They are completely happy. They have reached the fullness of love, peace, grace and that is why they live each day, more peaceful, more serene and more united with God and with Holy Mary than the little child in its mother's womb.
Those souls so united to God and Mary Most Holy and so burning with love for Them, so united with the mystical bonds of love for Them are all their consolation, they are all their joy, they are all their contentment.
How many times does the Lord give up punishing the world because of the love of these souls. How many and how many times did the Virgin Mary, sad, should have abandoned the world at the mercy of punishments and demons, but she did not do it because of the love that these souls have for her, have for her and with which they console her immense sadness. ..
These souls are lightning rods for the wrath of God. These souls are shields that protect the regions where they live from punishment and demons. They are a 'terror'...they are the defeat and failure of hell's plans and they are the triumph of the Lord's plans.
I take care of these souls with renewed love and zeal and I invite everyone who hears me now to also be of the number of those blessed souls following the path of love, the path of interior mortification, of contempt for oneself and for the world, along the path of total self-giving. from themselves to God.
I will help the soul that gives itself totally to me to reach this perfect union with the Lord and his Mother.
This union will be easy for the soul that has true devotion to Us, because true devotion to Us is like a bridge, like an elevator that allows the soul to arrive in a short time and without great effort at this great union of soul and heart with the Lord.
Instead of the soul climbing alone the mountain of perfection, we ourselves, the Saints of God, throw them this basket which is the true devotion to us into which it enters and we then pull it and make it climb in a short time to the greatest heights of the earth. holiness and the life of perfection.
I love you all and I promise to bring you all to God in Heaven if you docilely give yourselves to Me.
Pray! Pray more to the Saints. Invoke Us more! Continue with all the prayers given to you here and you will surely and surely reach Heaven.

We are with you even if you don't see Us... Even if you don't feel Us... More than your earthly brothers love you and care about you, We care about you! We are at your side and we truly love you much more, with a love far greater than that with which all fathers and mothers love their children throughout the world.
The Soul that opens itself to Our Love, We will give it abundantly!
Mark, Beloved! You chose the Heaven that had previously chosen you. And therefore, because you chose Heaven, which chose you, you are for Heaven and Heaven is for you.
You loved Heaven, God and the Mother of God more than yourself and that is why the Lord, His Mother and Heaven are with you.
We will not tire of repeating this to you: Rejoice, beloved of the Lord! Rejoice, favorite of the Virgin Mary!

Rejoice target of the loves and graces of God and His Mother! Rejoice beloved of the Angels. Rejoice, favorite of the Saints! Rejoice Benjamin, beloved, dear to Heaven.
Rejoice always and tell all who come Here to rejoice too, for Heaven first loved them. Heaven called them here, brought them here. Heaven here nourishes you, feeds you, maintains you, preserves and guides you in its love, and whoever has Heaven for himself lacks nothing. Nothing..., nothing else you lack!
To all of you now with the Blessed Virgin and Julian, I bless you generously..."

12/13/2009 – Message from Santa Luzia

"-Beloved brothers! Listen to what I, Luzia, servant of the Lord and of the Most Holy Virgin, have to say to you through this servant of God, of the Mother of God, of Heaven... who is the instrument chosen by Heaven for these times. ; so that salvation can reach the whole world!
I want to enlighten and open your eyes... so that you can see the Truth, see the Love of God, see God's Plan for you and so; open your hearts to this Love, to this Will, to this Truth, so that you may safely arrive at sanctification and salvation!

I want to enlighten your eyes..., so that there is no darkness in you, so that you can see how much evil and how much sin still exists around you; how much sin and how much evil still exists within yourselves; and how much ye still need to be purified by the Grace of God; to be converted by the Love of God; be transformed by the Fire of His Spirit and then be; sanctified by the light of the Eternal Truth...

I want to enlighten your eyes..., making you see how much you still need to walk to climb the ladder of holiness, the ladder of perfection and reach its summit, so that then; May God truly be glorified by you, delight in you, find his delights in you!...

I want to enlighten your eyes... so that you are not deceived by the enemy in any way! So that you are not seduced by this corrupting world... So that you are not deceived by yourselves, who so often deviate from the will of God, seeking the satisfaction of your own desires, under the pretext of the Will of God...
And that so often you seek your interests and your glory, under the pretext of the interests and glory of God...

In this way, I want to open your eyes, enlighten them so that the light that leads you each day is the true light, the light of GOD, the light of Heaven and not the darkness: from error, ignorance, vanity, self-love, sin and Satan.

I want to enlighten your eyes... so that every day you see more and more how much spiritual misery there is around you and how much the world needs to

know the light of Heaven, the light of salvation, the light of truth... that you can get out of the abyss of darkness and perdition in which you are plunged, and so, you can find again the path of salvation and peace!

Only you can bring the light of salvation to the world! The Lord..., who could do this Alone wants to need your help. Man collaborated for the destruction of the world, therefore; he is also obliged to collaborate in his salvation. Therefore, GOD, who could do without you, wants your cooperation...

Answer your 'YES' as the Virgin Mary gave it to the Lord..., as I myself gave it with all my heart and to Him I was faithful every day: in generosity, in love that reached the point of sacrifice ...
You too, be faithful to this 'YES', so that through you the Lord can save many, many souls!

Without God, you are nothing! But without you, He doesn't want to accomplish anything either! So, give your 'YES' to the Lord, so that his grace can manifest itself powerfully for the salvation of so many souls...
I want to enlighten your eyes so that each day you see more, recognize, see the immense Love of God who chose you, who chose you, who brought you here for these Apparitions and who keeps you here, forms you, feeds you, nourishes and sanctifies you more and more, through these Apparitions and these Messages...

If this Grace, that of the Apparitions, had been given with the abundance with which it is given here, in My time in Syracuse, all of Sicily would have been converted and it would have become a true garden of holiness, a true furnace of holiness... And so many good souls would not have been persecuted and would not have suffered as happened!...

You have this extraordinary grace and you are called to give your abundant fruits of it!
I, and the other Saints, are here in these Apparitions, before you, at your side to help you. But we are waiting for your answer, we are waiting for your 'YES' to the call you have received. We will reach out to support and help those hearts that open, that We see open and in which We see a true and sincere desire to love and obey God!

I want to... enlighten your eyes... so that each day you can see more and more the path of Virtues that you must follow, so that you can safely reach sanctification and salvation. And so, can you be those 'mystical roses': of Love, Sacrifice, Penance, Generosity, Goodness and Holiness... for the greater glory of God, of Mary, the Lady of Peace, the Mystical Rose, the Virgin of the Rosary, the Queen of All Saints!

If you... let Me enlighten your eyes every day, and if you follow the road that I show you, you will surely reach God and the Holy Virgin in Heaven! And then, we will be able to sing together for all eternity the Hymns of Glory, in honor of the Lord who so loved us, who bestowed on us his unfathomable mercy and who called us to be partakers of his eternal happiness in Heaven!

I, Luzia, patroness of Syracuse, am also your patroness, your protector...
I want, can and will help you if you are docile, if you are obedient to the Messages and to the action of the Holy Spirit, who called you and chose you here to be His Temples of Light, of Love, of Perfection and of Grace!...

Continue with all the Prayers given to you here... Continue reading, listening, meditating on the Messages! For it is only through Them that We can lead, direct your steps and keep you safely on the path of Heaven, of salvation, of the Divine will, of good and of Peace!

The only soul who can be sure that his whole life, that all his actions, all his works, that every day of his existence... is spent in the will of God, is done in the will of God, is spent and remains in the will of God... it is the soul that meditates on the Messages, that obeys the Messages and that is faithful to the Prayers that have been given to you here in this place...
To all of you, beloved brothers, I bless you with all My heart!..."

12/20/2009 - Message from Saint Joseph

“-Beloved children..., My Most Loving Heart blesses you again now and says to you:
Pray more and more so that Christ may be born in your hearts and that He may truly become the King of your soul, of your life, of your affections and that He governs your whole being, for the accomplishment of His plan of love and also so that in your life, the light of His Grace is manifested and it can reach all the souls that are still in the darkness of sin , so that the day of salvation may soon dawn for them too!

This Christmas... My Most Loving Heart desires to grant you Graces as never before, but it can only do this if you prepare your hearts perfectly to reap these Graces.
Therefore, purify your heart these days, praying more, doing small abstinence from what you love most. Making a small sacrifice, turning away from those things that can stain the purity of your soul or that can make your soul dry and lukewarm in prayer, in meditation, in the interior life of union with God.

Get away from those hobbies and those people that make your soul as dry and dry as a desert... And give yourselves more to prayer, entertainment, socializing, colloquy with God, with Mary Immaculate and with Me through Prayer and reading Our Messages...

I promise to give to the hearts that truly apply themselves to this holy work of preparation for Christmas, great and copious inflows of Graces, so that this Christmas Christ may be born in you and finally reign in you and in your will.

You must therefore live prepared, not only for the celebration of His first Christmas, but also in preparation for His second Christmas, which will soon take place in Glory.

Christ is coming...! Christ is coming for you! And the hearts that are not prepared to receive Him will not see Him that day, but rather will see themselves to the horrible sins that have cherished in their souls, and the horrible demons of hell that will seize them and carry them with them into the flames. eternal!
Only those souls who are prepared to receive them in love, in holiness, in prayer, in the perfection of all the virtues will see Christ and Mary Immaculate on that day...

Therefore, My little children, be diligent in preparing your souls for the second Nativity of the Lord that will come to you in Glory!
Like the inhabitants of Bethlehem, they were not prepared to receive Him and that is why; have not seen him, nor recognized him, nor possessed him... So too many of this wicked generation will not see him, recognize him, and possess him, because they did not know the truth, and they did not know the truth because they did not seek it, while it He allowed himself to be found by all who wanted to here, In these Apparitions..., where the truth, where the living and true God, has been found for so many years by all those who want to know Him, who want to love Him and who want to surrender. turn to Him.

Little children..., forward!... No fear...! Do not waste away in the midst of your sanctification for nothing! Always renounce everything that embarrasses you. I asked for the powerful help of My Most Loving Heart, of the Angels and of the Saints who have already offered themselves here to help you. And you, then, will always move forward, always towards Heaven that awaits you...
I bless you all... at this moment with love!”

25/12/2009 - Nativity of the Lord Jesus

Message from Most Holy Mary

“-My dear children, I am the Mother of the Incarnate Son of God made Man to save you. I am the Mother of the one true God, Jesus Christ who gave His life on the Cross to rescue us all and to make us true children of God.

Wait with Me, each day more in love, in prayer, in penance, in sacrifice and in faith, for His Second Christmas, the Second Coming of My divine Son Jesus into the world that will soon take place!

Just as before His birth there was the Annunciation, there were heavenly voices to you, the voice of Gabriel who announced His first coming... So too, for you the Second Annunciation has already happened, that is; The Announcement of the Second Return of the Lord through My Apparitions,

spread throughout the earth, which for so many years have called men to conversion. And they warn that the coming of the Lord Jesus is near on the clouds of Heaven in power and glory to judge heaven and earth.

Just as before Her Birth, there was the Visitation, My Visitation with Christ to My cousin Elizabeth in her house, so the Visitation, the Second Visitation, has already happened for you. I, together with My Son, or in His person, have visited all over the world, so many countries on earth with My Apparitions, My Messages, My tears even of blood, to let you know that the Lord is already returning to you, that the Love returns to you as Love, that the Lord is already walking among you to straighten your paths. And that I, His Mother, come before Him to level all valleys, to lower all mountains and to prepare a level and sure road for the Lord, who comes to you with His Angels in great majesty to renew the Heavens and earth and to finally establish His Kingdom of love among you!

The signs therefore indicate to you that His Second Christmas is near... Wait with Me every day in prayer, in faith, in perseverance, in ready obedience to My voice, in the unlimited surrender of each one of you into My Hands. And, above all, in a continuous and even ardent desire for love, may the Lord come soon to cleanse the earth of so many crimes and so many evils, of so many sins and offenses committed against God, against this Heavenly Mother of yours who loves you so much, from so many injustices done against so many of My beloved servants; who love Me, who serve Me and who work for Me on this earth. So that, as soon as possible, a time of peace, grace and salvation may come to you, which My Heart begs for, implores and waits for hard every day!

If you unite yourself to My voice, if you unite your supplications to Mine, the Lord will quicken the pace and come to you, to finally give you peace and the long-awaited liberation.

I want your life to be a continual advent, lived in love, lived in faith, lived in hope... Do not let the world's setbacks overwhelm you, do not the persecutions and injustices of men who do not believe in God, do not love you! Never let the evils of this world paralyze you, the ice of selfishness, evil, violence and sin and not even the aridity in which you so often find yourself because of your sins. Always cast your eyes on Me, who shines for you as that star shone for the Magi, to lead them to Us in the Cave of Bethlehem. So too, I shine for you tonight in the night of this world, to light your way and to bring you safely to Him who is the Truth, the Way and the Life...

I am with you everyday! And in this Advent I carry you in My Arms, so that you can arrive firm and confident before My Son Jesus, who will soon come to you, not on a throne of straw as the first time, but on a throne of clouds. And his voice will no longer be that of a child crying from the cold, but rather, it will be a voice more powerful than a hundred thunders put together. He will gather before him the good and the bad, he will separate them... the good on the right, the bad on the left... goes off!

My children... I want to have you at My right, I want to have you at My Son's right! So stay by My side, fulfilling all My Messages with love, following Me along the path that I have shown you all these years. And then I promise you, I will be able to give you to My Son Jesus as the most precious gold of virtues, as the most fragrant incense of love and prayers and as the truest and most sincere myrrh of sacrifice and fidelity... To all, at this moment I bless you generously..."

Message from Saint Candida

"-My beloved brothers, I, CANDIDA, servant of the Lord, of the most holy Mary and of Saint Joseph, greet you today and give you peace.

All my life I loved the Lord very much! When I met Him thanks to the preaching of Saint Peter, I died to myself and decided to follow the opposite current of the world. In an instant, I surrendered myself completely to the Lord and tried to be faithful to the surrender I made to Him, all the days of My life. The same today I come to say to you My brothers:

Be faithful to the Lord every day of your life, always and at all times trying to die to yourself, cultivate in you the true love of God, the love that chooses and always puts first. place what is best for the Lord, for His work of salvation, than what is best for you.

Be faithful to the Lord, trying each day more and more to follow the path of humility, of self-annihilation, so that your corrupt 'I', your rebellious and savage nature, is so often tamed, finally pacified. , be finally submitted to the will of the Lord.

The real winner of this world, the real winner of the world, is not the one who accumulates many riches, who passes for a wise man, who causes a sensation in others with his words and deeds. Oh no! The true conqueror is the one who conquers himself, the one who subjects his will to the Lord's, the one who subjects his nature to the love of the Lord and His goodness... will be considered victorious in the Kingdom of Heaven.

Therefore, walk each day in the path of contempt for the world and for yourselves, for your will and your corrupt inclinations, and in this way you will grow more each day, from victory to victory, until you reach the final victory, which is the victory over the first death, hell, and one day at the end of the world, you will be the victors and you will achieve the greatest victory of all: the victory over death.

You will live eternally in body and soul, glorified with God and with His Mother forever and then your hymns of praise and glory will never cease, you will never feel tired again, you will never be annoyed with anything, you will never have any pain, affliction or anguish, because the things of the world, the old

things will have passed away and the Lord will dry every tear and He himself will be the song of joy of his chosen ones!

Great is the reward, so the struggle that must be fought to achieve victory is also great and I am here, full of love to help you achieve this great and immortal victory and to make you enter triumphant among the Angels in Heaven how I got in.

Be faithful to the Lord, walking each day more on the path of generous love, which denies nothing to the Lord, which reserves nothing for itself, which seeks or desires nothing outside of what the Lord Himself shows you each day through His Word, through the Messages, through the deep union of your souls with Him in prayer, through a life of intimacy and through the ever stronger and more perfect union of your will with His will. In this way, your soul will grow more and more every day, like a beautiful and fragrant flower and will blossom for the greater glory of the Lord, for the greater joy of the Heart of the Virgin Mary and for the greater sanctification of this world.

Be faithful to the Lord, in these times of apostasy in which you live, in these times of great tribulation in which you live, in these final times in which you live in which you are called to suffer very, very much, due to the great evil that covers the whole earth and owing to the great estrangement from God into which most men have fallen. Because of them your days are dotted with suffering, pain and cross. But no, never forget the One who said:

'I will be with you, until the end of the world. Courage! In the world you will have tribulation, but I have overcome the world. '

The one who said this is still alive and his parable is still valid. She was worth to Me, I trusted her: I was not confused! You also, when you trust in the Lord, although you suffer, you will not be forsaken, for He is your Lord who guides the boat of your life through turbulent waters. You often think that He sleeps, as He slept on the Apostles' boat, and you often think that you will be shipwrecked, but at a single word from Him at the right moment, all the winds will calm down, the agitation of the sea will cease and peace will return to your life. Therefore, dear brothers, trust in the Lord that he is faithful to those who are faithful to him.

Be faithful to the Lord, trying each day more to live in the love of God, in the love of the Most Holy Trinity, in the 'furnace' of the Most Sacred Hearts of Jesus, Mary and Joseph, so that your life may then be filled with divine fire, radiating the from this fire, may it warm other hearts that are frozen and have already become true polar ice caps*, so cold and far from the love of God they are!

I am with you to help you radiate the heat of the Lord's fire, so that many souls may become one in love with God, with the Virgin Mary, with us the Saints and Angels, so that the whole world may be on fire and may it become the most ardent furnace of love that the Sacred Heart so desires and that the Holy Virgin prays so much for them to become. I am with you every day, I want to pray the

Rosary with you always. Pray it with love, for this blessed prayer, which I did not know in My time, for it did not yet exist as you know it now, this prayer is Heaven's favorite prayer, the prayer chosen to lead millions and millions of souls to the celestial glory. Oh yeah! How many souls were already trapped between the nails of the infernal dragon and that the prayer of the Holy Rosary in an instant freed and led the way to salvation!!! Embrace this prayer with love! Pray the Rosary with all the ardor of your heart and believe: if I could return to earth again, just to pray a Rosary well prayed, I would return, such is the value, merit and power of this prayer! You cannot imagine how pleasing the Rosary is to the Lord, if prayed with perfect love, devotion and trust! I am with you, therefore, to help you to pray it well, with the heart that is; renouncing your will and conforming yours to the Lord's through the Rosary. In this way, your prayer will produce one hundredfold fruits of holiness and your Hail Marys will become true 'mystical roses' that will ascend to Heaven and that will adorn the abode that the Blessed Virgin prepares for you there every day, so that you may arrive there and be happy with her forever! Pray the Rosary with all the ardor of your heart and believe: if I could return to earth again, just to pray a Rosary well prayed, I would return, such is the value, merit and power of this prayer! My beloved brothers, be faithful to the Lord on the cross, in suffering and know that every cross, every suffering on this earth, in Heaven will become thousands and thousands of other joys that you will have in embracing the Lord and His Mother. , to see Them face to face and to rest sighing with love and joy forever in Their laps, in Eternal Glory. See: Heaven has chosen you, Heaven has loved you first! When Saint Peter told Me that Jesus had loved Me first and that He had laid down His life for Me even before I knew Him, even when I was still His enemy through sin, even when I was not yet redeemed, even when I had not yet could love, I felt trapped in love and My heart clung to that of Jesus and Mary, it merged with Theirs in love forever!

The Lord loved you first! The Lord gave Himself to death for you, before you could even know Him, love Him, or do anything to deserve His love! May this also bind your heart of love, found your heart of love with the Hearts of Jesus and Mary in love so that, living as I do, burning and consuming yourself incessantly with love, you may ascend to Heaven like fragrant incense that burns on the altar of the Lord and ascends to His Eyes to cheer Him, glorify Him and love Him perfectly.

I am with you, even if you do not see Me, you can feel Me in deep prayer. Pray to Me a lot and I will obtain many graces from Heaven for you.

I bless you all at this moment with all My heart and upon you I invoke the most abundant graces of the Child God!”

27/12/2009 - Message from the Most Holy Mary

"Dear little children of mine! Today, I thank the Lord for the great gift that He gave Me, to have been able to spend another year with you here, with My Apparitions.

Thank the Lord with Me, too, for this grace that is great, really great! And that so many peoples would like to have and they didn't, and yet you had it, but you don't know how to thank the Lord enough!

My Apparitions here with My Son, with My Spouse Joseph, My Angels and My Saints, with the Spirit of the Lord is for you the greatest grace that God could give you! Examine your hearts and see if you have responded correctly to so great a grace. And from now on, start a new life trying to respond to so much love of the Lord for you and so much love of this Heavenly Mother who loves you so much.

You must be reborn to the life of grace, love and holiness through a profound conversion. Convert your hearts! Purify your souls through prayer, through penance, perfume your spirit through meditation, through intimacy with God

through deep prayer; so that your souls begin a new year, truly transformed and determined to love the Lord with all his strength, with all your hearts!

To all of you now, I generously bless and thank you for all that you have done for Me this year, for all that you have undertaken for My greatest honor, for the greatest honor of the Lord, for the Greatest Triumph of Our United Hearts.

And now, upon you, I pour out the outpouring of My Maternal Blessings..."

FIRST CENTACLE OF THE YEAR 2010

(FESTIVAL OF MARY HOLY MOTHER OF GOD)

MESSAGE FROM OUR LADY

“-Beloved children, in the first Message that I give you this year I invite you once again to renew your love in your hearts.

I, the Mother of God, the only one who shared the same Son with God. I, the only creature that could carry in its bosom for nine months God Himself, who gave Him His blood and His substance, who fed Him with His milk. I, the only creature who has received this privilege, invite you to 'true love'. With love you will be able to know God, you will be able to love Him, you will be able to respond to His will, fulfill His Law of love. With love you will be able to give to God what He most expects of you: filial love, total love, complete love. May your love be confident, without doubt, without hesitation, be pure, without any other intention than to please the Lord your Father, to give Him joy, to delight in Him.

May your love be holy, that is, may the intention to adore God as your Creator, to love Him as your Father and to serve Him as your Lord always be within your heart!

May your love be generous, may you never deny the Lord anything, may you not resist His will and surrender everything to Him, for the Lord does not want anything less from you than 'everything'. Give yourselves completely to the love of the Lord and then you will see how the power of His divine love will produce in you: works of grace, beauty and holiness.

Pray! Only through prayer will you be able to feel the love of God, know Him, possess Him, love Him and make Him grow in you. The more the soul prays the more of His love God gives to it. The less the soul prays, the less the love of God feels, the less it receives it, the less it keeps it, the less it responds to it, and makes it fruitful. The more the soul prays, the closer it gets to God and God to it, the less the soul prays, the further it moves away from God and the further God moves away from it. Therefore My children, pray as never before, because only through prayer can you be intimate with the Lord, His friends, His true children and only through prayer can you know what He wants from you.

I am with you, to help you to pray well with your heart and with love and to fulfill his holy will.

Continue with all the prayers that I have given you and ordered to pray here, through these prayers during this year I will do wonderful things for you!

I bless you all with love generously.”"-Mark, my beloved, come to Me and I will fill you even more with My graces of Love, for I am the One who wants to give you very, very much! You are My vessel of choice and as such, I want to fill you with My graces in such a way that you completely overflow...
Just as I looked for the vessel of your soul, I look for vessels where I can pour My Love until they overflow completely... I look for empty, unoccupied vessels where I can pour out My graces of love, of transformation, of sanctification, but I don't find them... all the vessels that I find are full to the brim with worldly attachments, with earthly loves, with vain commitments with creatures, which push Me away, prevent Me from accomplishing anything in these vessels, in these souls... Even those souls who pray to Me asking Me to descend on them, I find them full of those earthly loves that block My action in them. They want Me to mingle with the earthly loves and attachments that occupy Their souls, and that I cannot admit. My love, although sweet and beautiful, demands renunciation of all that is contrary to Him, for that which is pure cannot be mixed with that which is impure. Until they are completely emptied, until they are completely free of all affection for the land and for the servant, I will not be able to pour a single drop of My Love on them, and without My Love they will become dry vessels, cracked pitchers, wineskins. tired and aged.
How many souls would have been filled with My grace until they overflowed to the whole world, and on the contrary, they were arid vessels where not a single drop of water was found that could quench the thirst of My Love... How much I would have given them of My Love if they had performed an act of perfect emptying, of renouncing themselves and the world, their own will and self-government... How much I would have quenched not only their thirst for My Love, their thirst... but also the thirst of so many souls who walk in the darkness of ignorance seeking the true love that only I Am, I have and I can give...
These souls could give the water of My Love, but only dry sand came out of their vessels and that is why they and all those souls that could be satisfied in Me, satisfied in My Love, withered away... that is why I want empty vessels, that they do not obstruct My action and My overflow in them in any way! I want vessels completely emptied, so that I pour My Love into them with a profusion greater than that of the universal flood, so that this time the whole world is submerged, not in waters of death, but in waters of life, of eternal life. Where My water arrives, all life will be quenched, restored, saved and even what once seemed lost and dead will revive!
Be the first to experience this great grace yourself, letting Me act fully in you, uprooting and burning every kind of self-love in you, demanding from you unrestricted renunciation, unreserved donation and total docility to what I want from you. Can the vase say to the one who handles it, don't touch me?... or don't fill me with water? No! Just as a vessel cannot resist the action of the one who handles it, so the soul that truly loves Me cannot resist Me in anything, without seriously offending My Love and sinning against the predilection with which I chose it and took it for Myself. ... that is why a soul that sincerely loves Me will never be able to say to Me: what do you intend to do with Me? Where

will you lead me?... for your surrender to Me is always complete and trusting...
Love is trusting, it believes everything, everything hopes!
Be, therefore, the pure and ready vessels that I desire and I will flood you with Myself, in such a way that your souls will never thirst again for any other love whatsoever, and happiness will be your daily reward.
When I find the perfect vessels that I am looking for, fully emptied of themselves and of the world, the universal outpouring of My Love will be close to taking place in this world, then I will make My Second Pentecost from the vessels where I will pour Myself, and then I will overflow My torrent of Love over every creature, even making the deserts become rivers of life and fruitful gardens where every fruit of holiness grows and rejoices My Eyes...
Come My children! My friends! And give Me your heart, your soul and I will change you into true reservoirs of My grace, of My love and of the heavenly life and I promise you: you will never know the loneliness and desolation of aridity again!
And never forget, it was I, it was I who loved you first. I already existed before you and in Myself I was already fully happy, I had no need for you, out of nowhere I called you into existence to know and love Me... and in loving Me you would be participants in My infinite happiness forever. It is sin, the love greater for yourselves than for Me, which spoils the perfect work that I have done and deprives you of all the happiness and bliss to which I have called you...
Love only asks for love! Love only seeks love! Love will only be found in Love and for Love!
Peace My children! Peace Marcos, my blessed..."

EPIPHANY CENTACLE - WORSHIP TO THE CHILD GOD OF THE THREE WISE KINGS - BELCHIOR, BALTASAR AND GASPAR

(Marcos Tadeu): "-Beautiful Princess of Heaven, who are you ?"

MESSAGE FROM SANTA IRENE

"-Beloved Marcos, I am IRENE, servant of God, servant of the Virgin Mary, your sister that I come again today to give you the grace of God, I say it again, because I have always been here, in this place, that by God and Us in Heaven

he is more loved than the rest of the world and here I am always guarding this Place.
I am with you every day and I want to help you to love God and the Holy Virgin more and to grow in this love each day.
Grow in the love of God more and more, always seeking what pleases Him, fleeing the temptations of the world, renouncing more and more the desires of your corrupt nature and seeking with your hearts the heavenly things where your heart should be, where it should be. always be your treasure.
Love Love! (God) Love the Love that chose you, the Love that called you here, the Love that forms you here, keeps you, nourishes you and feeds you.

Love the Love that first loved you, that loved you before you could love Him, know Him, or even respond to Him.

Love the Love that is God himself, who gave his life for you on the cross, so that you could live the true life of children of God, heirs of Heaven, brothers of the Saints!

Love the Love that gave itself to you without measure and that did not calculate the sacrifices it would have to make to rescue you from the slavery of Satan and the dominion of sin. That Love that gave everything it could for you, that gave its own life, that love that is not loved by men only asks for love from you.
Love only seeks love in you! Love only seeks love! Love only asks for love!
May your love quench the implacable thirst of God's love for you with the wholesome water of love. Give God the sweet water that makes you thirsty: the water of your love, of your correspondence to His will, of obedience to the Messages given to you here, the water of prayer, sacrifice, penance, kindness, generosity.
While so many give God only a desert or at most the bitter waters of their rebellion, of their disobedience, of their ingratitude, of the little love they have for the Lord, you are called to give Him the good and sweet water of true love!
Grow in love every day, read and reread the Messages, for in them you will find God's will for you. God will show you the way and you will understand what He wants from you. I followed the known path then. I will help you and lead you to the Lord, until the full realization of his will and I will see to it that your steps are as correct as possible on the path of fulfilling his will.
My name, IRENE, means peace! I want to give you peace, I want to take care of the peace in you, I want to protect the peace in you, this peace that only possesses the soul that has completely emptied itself and the things of the world that disturb it, that steal its peace. .. That soul that is full of God, that is full of His love and His grace and that, even suffering, keeps its peace unaltered, because its heart is not in the transitory things of this world that are sometimes possessed, sometimes lost, sometimes lost. they enjoy, now they don't enjoy each other, now they come, now they go. Oh no! These changeable things that steal peace, these things are no longer in the heart completely taken by the grace of the Lord, so these things can no longer disturb the peace of the soul and the soul is more at peace than the little child in the mother's womb , because she is immersed in God, in His transcendence, in His will, in His love... that is why, even when suffering comes, the soul does

not despair, it is not disturbed, although it suffers, but it is always at peace and I therefore want to preserve this peace, protect it, guard it, increase it, make it grow in you more and more until it reaches its fullness. If you are docile to Me, if you let yourself be guided and led by Me, I will lead you to perfect peace, to total peace.
Come with Me! This year I will work intensely on your souls. Pray to Me assiduously, fervently and I will cover you with so many graces that you will cry with joy, you will rejoice in God and truly exclaim how great, how good the Lord is!
I bless you all now generously."

(MARCOS): "-Yes, I understand... I'll do it like this... (Pause) And when will you come back? (Pause) Thank you very much! (Pause) See you soon..."

GREAT CENÁCLE - MESSAGES FROM OUR LADY AND SANTA JUSTINA

(MARCOS): "-May Jesus, Mary and Joseph be praised forever!"

***

MESSAGE FROM OUR LADY

"-Dear children, once again I call you to true love, which is pleasing to God!

Understand My children, that only the soul that loves can feel God, can know Him, can experience the His presence and His action in your life, and only the soul that loves can remain in God and God in it.

Your love for God must be without limits, without reservations and without any taint of attachment to your own 'I', of any self-love... that is why I always invite you to renounce your will, and in all the events of your life you make the decision to do what is best for God, rather than what is best or most

comfortable for you. In this way, you can be sure that your life is always spent in the will of God, in the grace of God, in the choice of God's love!

Your life must be similar to Mine in every way, it must be a continuous 'YES', a complete 'YES', a total 'YES' to God in all the events of your life... even when God's will is for you. veiled and often remain confused in the events, you must always think about how I, your Heavenly Mother, would act in that situation in your place... and then you will immediately know what you must do and your action will be as correct as possible!

Thus, imitating Me, copying Me, following Me at all times, you will grow from virtue to virtue, from degree to degree in the ladder of love, until it reaches its fullness in you. The soul that keeps something for itself and does not give Me everything is not generous, does not have true love for Me and has a place for the devil in its heart. The soul that does not give itself completely to Me does not have Me for its Mother and the devil for its father, its father is not God! Because God, my God, my Lord, my son Jesus Christ has given himself completely to me and I have given myself completely to him, and those who are true children of God give themselves completely to me, as he gave himself. , and those who are My true children give themselves totally to Him as I have given Myself.

So will those who are My true children, those who are false children, who are actually children of the serpent, My eternal enemy, recognize it. You will know My race, you will know where I am and where I reign through the bounty of love.

The one who gives Me everything without reservation, the one who gives himself totally to Me with everything he is, with everything he does, with everything he has and everything he feels, this is My true child... child of the light, a child of God and not a child of darkness. You My children, you must be these My children, you must be the true children of light, ablaze with love and generosity for Me, children that I want to send throughout the world, bearing the light of My Messages, bearing the light of My love, bringing the light of salvation to all!

Arise therefore, children of light! Fill yourselves with My love! Dilate the heart! Forget your desires and be concerned with My intentions, with My plans. Pray as much as you can, take My love, My Messages to all the souls you can, I promise you: I will not regret it!

Every soul where I triumph, every soul that converts and that gives its heart for Me to reign in it will be one less soul to make you suffer in the future My children! That is why I ask you so much: that you pray and that you work for the conversion of all, of all sinners, for only in this way will you be able to have peace, you will be able to live in peace...

For all this, continue to pray now more than ever, especially My Rosary, as it is a very powerful weapon against all kinds of evil. If the sign of the cross is by itself so powerful against satan... very, very powerful is My Rosary too, to be

able to stop and destroy all the forces of evil that act in the world. With the Rosary My children, prayed with the heart, full of love, detached from yourselves and completely united to Me, your souls will be invincible and one day I will be able to introduce you joyfully into eternal glory, which I prepare for you every day with care. Mother's love!

I bless you all at this moment generously..."

MESSAGE FROM SANTA JUSTINA

"-My beloved brothers! I, JUSTINA, am with you, I love you very much and I cover you with My Mantle of light to protect you from all harm.

I am your sister, and My greatest desire is to make you happy already in this life, and then even more intensely in eternal life. But no one can be happy without God, no one can be happy by seeking inordinately to satisfy his desires, the corrupt desires of his heart, even against God's will! The only source of happiness, the only source of joy and peace is God... and in order to have God's peace, you must conform your will to God's will... for this God has given you His own Mother, He has given you Saint Joseph, He gave us the Saints in Heaven, your Guardian Angels and all the Angels who pray for you in Heaven and who assist you every day of your life on earth.
Our mission during your entire life is to fight to bend your rebellious will, to conform your will to the will of God, to become true friends of God: who love Him, who love His will and who do all that what He wants and desires... for all is the will of God, everything that the Lord wants: it is just, it is good, it is holy...
Your 'YES' must now be given to the Lord with generosity, give your 'YES' with all your heart, so that the Lord can finally perform in you resounding works of holiness and can raise you to a Highest degree of union with Him, of friendship with Him, of great connection of your hearts with His heart... so that you remain always in Him and He always in you! Give your Heart to the Lord without reservation, giving Him everything you are, everything you have, all your affections, all your thoughts and desires... so that He may be the absolute Lord of everything and in everything and for He may accomplish everything in your life according to His holy will, which is always mercy and always the best for you.
Give your generous 'YES' to the Lord, trying each day more to walk in His justice, in His presence, in His love, in His grace, cultivating in you the virtues that He so delights: generosity, kindness, humility, purity of soul, ready obedience, total surrender and submission to His will, continuous love that never runs out, never gets tired, never counts, nor measures how much you have served the Lord or how much there is still to serve.
Give your generous 'YES' to the Lord, seeking each day more to be those true children of light, which Our Lord requested in His Gospel, which the Blessed Virgin has requested in Her Apparitions: children who bring the light of true

love, to unmask false love and to dispel the darkness of error, sin and wickedness throughout the world!
If you are these true children of light, the true light of love for God, of holiness, will shine and many souls will know this beautiful path: of perfection, holiness and love, to which you were first called and invited to come in here.
Bring them the light of the Lord! Illuminate the world with the light of this true love, with the light of eternal truth and I say to you: you will not regret it! Great will be your joy one day in Heaven when you see many, many souls sanctified, saved and united with the Lord forever in eternal glory thanks to the light you transmitted to them!
Those who are the true children of light will one day see this world transform into a beautiful garden of grace and holiness, which perfectly reflects: the beauty, perfection, love and glory of the Holy Trinity.
Give your 'YES' to the Lord now, so that truly in you He fulfills His Plan of love, He carries out His will and the United Sacred Hearts of Jesus, Mary and Joseph truly triumph... and you are that beautiful prize , be that beautiful bouquet of mystical roses: of love, of prayer and of holiness... to gladden the heart of the Eternal Father, to gladden the Three Sacred Hearts United and to gladden the entire Celestial Court!

Give your generous 'YES' to the Lord through Us, the Saints, for We will take you to God, we will take your 'YES'... and when your 'YES' is presented by Us, the Lord will receive it kindly and will crown you with so many blessings, that you will practically drown in the sea of graces and lights that the Lord will communicate to your souls...

I, JUSTINA, love you so much! And together with IRENE and with all the Saints who have transmitted the heavenly Messages to you here, I have the ardent desire to take you by the hand and guide you to a certain and safe salvation... I ask that you do not resist Me, that you follow the path that I show you, and above all, that you do not listen to the temptation of the devil, who often tells you:

'but you have this or that defect, you are not fit, you are not you are worthy to follow the Lord, to follow the Virgin Mary, you are not worthy of Heaven.'

Oh no! Do not listen to the devil! It is clear that you have many defects, but even with these defects, you can remain in God, through the sincere, greater and burning desire to belong to Him, to be His and the desire to fight every day to convert, to sanctify yourselves. and you become better. It is true that you cannot always be faultless or faultless, but you can always be in Jesus and isn't that what He said in the Gospel? 'Abide in Me and I will remain in You'? He did not say: Remain faultless and I will remain in you. No!

He said: 'Abide in Me and I will remain in You.'

If you remain in Jesus in the desire to love Him above all things, without reservation and in the continuous effort for your sanctification, you will remain in Love and Jesus will remain in you!

I am here to help you to always remain in Love, always in God... Let us remain in Love and God will always remain in Us! Remain with Me in Prayer and the Holy Spirit will always remain in you, acting and producing in you the greatest fruits of love and holiness...

At this moment, I cover everyone with My Mantle of light and close within My heart.. ."

(MARCOS): "-See you soon"

PARTY OF THE 139th ANNIVERSARY OF THE APPARITION OF PONTMAIN

MESSAGE FROM OUR LADY

"- Beloved My children, today, when you commemorate My Apparition in the city of PONTMAIN, France, so many years ago, to show My children the power of My Immaculate Heart, of My Rosary... and to give you certainty that in the end I will triumph over the devil and over all forces contrary to God and Me, I call you again to hope and trust!

Do not lose hope and confidence, even in the face of this world that preaches that God does not exist, that God is dead and that, therefore, evil always prevails and prevails. No My children! God is alive, I am alive, I am alive with you, I see everything that happens to you and I know everything you need. The forces of evil will not be able to prevail against those who are My true children and who carry My sign, the sign of My Love in their souls.

Those who have already embraced My sign and who have gathered around My sign, these My children, the star of the abyss will not be able to win, it will not be able to separate from God and from Me... children, who love Me and who never said NO to Me, you have Me as your Mother, lawyer, defender and protector... and with Me, in the end, you will triumph!

The punishments that happened this month, the terrible floods that devastated your country, the earthquake that devastated this country this week, and also what devastated other countries, are just the beginning of the pain My children.

Do not be distressed by this, because many punishments will still happen due to the fact that humanity has refused to obey My Messages and to attend to what I have been saying and asking you from Lourdes, La Salette, Pontmain,

Fatima, to here in Jacareí. The Earth will still know such tremendous punishments, what greater pain has ever been seen! But have confidence, I am with you! I am your Mother and I will keep you all within My Mantle of love, within My Immaculate Heart.

All I ask of you is: fidelity, generosity, docility and obedience to My voice, to My love and to My Messages and I will take care of the rest...

I went on praying My Rosary. Those who pray My Rosary will triumph: from sin, evil and Satan... because through the Rosary I myself give victory and I am the victory for all My children!

I bless you all at this moment with love."

MESSAGE FROM OUR LADY
(Mark): "Forever be praised Jesus, Mary and Joseph!

(Big Pause)

Yes... Yes... I am glad that the Lady was satisfied..."

MESSAGE FROM OUR LADY

"-Dearly loved and greatly desired children of My Heart! I thank you for all your prayers and again I say You:

Pray for the grace of True Love.

The gift of Love will only be given to the soul that asks for it with many prayers, sighs, groans and even tears... Without true love you cannot feel God, nor know Him. nor experience His goodness, nor keep yourselves in His grace and in His friendship... so My children, seek love with all the strength of your soul, because without Him your existence on this Earth is in vain.
I want to lead you to a high degree of love, for that, mortify every day the disordered love of yourselves and the world, trying to follow Me along the path of contempt for worldly vanities, of your own will always inclined to evil... and always seeking what is most despised, what is meanest in the eyes of the world... always seeking what is more modest and simple, and seeking ever more that which pleases God and repudiates your haughty and proud nature. In this way, you will grow in true humility and interior simplicity and you can begin to taste how soft, sweet and free it is to love the Lord!
Continue to pray all the prayers that I have given you here, because every day through them I have saved many souls in many nations around the world...

Spread My Apparitions! Share My Messages!

For it is the only way for the world to convert and find salvation and peace!
I bless you all now, with the generosity of My Immaculate Heart. "

(Great Pause)

(Mark): "-Yes... Yes... (Pause) See you soon!"

Let us thank our Blessed Mother for this Message, for this Apparition and let us renew Our Consecration to Her Immaculate Heart:

O my Lady , O my Mother, I offer myself entirely to You, and in proof of my devotion to You, I consecrate You this day and forever: my eyes, my ears, my mouth, my heart and entirely my whole being. And because I am all yours, O my good and incomparable Mother, guard me, defend me as your thing and property. Amen.

Remember that I belong to you, tender Mother, Our Lady, as your thing and property. Amen.

Loving Heart of Saint Joseph, pray for us!

All Angels and Saints of God, pray for Us!

Be attentive My children! The enemy lurks around you to find a way to knock you down in the middle of the way, which you must follow in order to achieve salvation and holiness. Watch and pray a lot! Above all, on your senses, which are the gateway for suggestions and temptations to the depths of your hearts.

I and all the Angels and Saints are with you, to help you keep the city gates, that is; the sense doors of your soul well fortified against the enemy.

Pray and the rest We will do, We will be able to do everything in your favor!

I bless you all, with generosity at this moment..."

CENÁCLE OF THE ANNIVERSARY EVE OF THE 1ST APPARITION IN JACAREÍ/SP

***

MESSAGE FROM THE BELOVED HEART OF SÃO JOSÉ

"-My beloved children, today when you are already with your heart and soul in celebration already in eve of the Anniversary of Our Apparitions here, I come to call you once more: to Peace of heart.
Seek peace of heart, seeking more and more to open your hearts to the grace of the Lord, to let the Lord truly do in you and in you what He wills according to His good pleasure and His unfathomable plan of love, which is always of mercy and salvation for you... So that truly in your life the Peace of perfect conformity to the will of God and of perfect union with His adorable will, may truly be a truth and a daily light in your life.
Seek Peace of heart, praying more and more, seeking ever more union with

God through deep prayer, intense prayer, burning prayer. As far as you can, flee... flee from the hustle and bustle of the world, flee from the hustle and bustle of Godless creatures, so that you can truly have with God: moments of intimacy, moments of union, moments of sweet dialogue and communion of spirit. So that he may communicate to you His divine Peace, which surpasses all understanding, so that your souls may truly be flooded with divine Peace, may truly be quenched in the great thirst for peace that they possess and that you may be so filled to the point of overflowing this Peace to so many souls thirsting for Peace, who seek Peace in vain in the things of the world where they will never find it!
Through you, they will be able to find this Peace, if you are truly filled with it so that you can also flood the world with this Peace, give others the divine gift of Peace.
Seek peace of heart, seeking to fill yourself more and more with the spirit of Christ, with the Spirit of Mary, who is always the Spirit of Peace, the Spirit of Love, the Spirit of fidelity and docility to the will of God, so that in this way in the word of Christ Our Lord may be fulfilled:

'-I give you Peace, I leave you My Peace, I do not give it as the world gives it, but I give it as the Father commanded Me to give it.'

Yea! If you live in this way, this Peace which the world does not have, which the world cannot offer, this Peace unknown to purely carnal men, will shine in you, everyone will see it, everyone will be able to obtain it at last and everyone will be able to live in it for always in order that all souls, all nations, may find salvation.
If you truly open your heart to the will of God, if you renounce yourself and your will, and accept all that We say to you here, truly the Peace of the heart will be in you the light that illuminates you day by day until reach the beautiful fullness in Heaven, in the Paradise that awaits you!
I am with you! I follow in your footsteps, I help you every day to obtain the gift of Peace, to keep the gift of Peace, to increase the gift of Peace until it overflows to the whole world, to all the souls that have not yet been to you.
If you, as docile students of Mine, as obedient disciples of Mine, let yourselves be guided, formed, led, directed by Me... I will lead you to the complete Peace of the heart, your souls will already foretaste a little of the Peace that blessed souls enjoy in the sky. And your life, despite the sufferings and difficulties still present in it, as this is inherent to the human condition, your souls will already experience a little of that exultation, that joy, that intimate and unshakable joy that the blessed enjoy in Heaven. .. And neither the world, nor creatures will be able to steal this Peace from you, distance you from this Peace, separate from this Peace, destroy this Peace in you.

I, JOSEPH, Father of the Son of God, Spouse of Mary Immaculate, bless you all now generously on the eve of this blessed day of the Anniversary of Our Apparitions here, a day when among the Angels of Heaven there is great joy and celebration and when all Saints of Paradise with Me prostrate themselves before MARY QUEEN AND MESSENGER OF PEACE, to acclaim her always Victor, always Queen, always Mother, always the suppliant omnipotence of

God.

I bless you all at this moment generously...”

(MARCOS): “- Oh, how wonderful! I've been praying for her for so long and I'm so glad that tomorrow I'll finally meet her! (pause) Oh no! See you soon... Peace...”

CENÁCLE OF THE 19th ANNIVERSARY PARTY OF THE APPARITIONS OF JACAREÍ/SP

MESSAGES FROM OUR LADY, SANTA IRENE AND SANTA SOFIA

***

(MARCOS): "-May Jesus, Mary and Joseph be praised forever! (Pause)
What do you want from Me my Queen? (Pause) Yes, I am ready!...”

MESSAGE FROM OUR LADY

" -My children much loved and much desired by Me! Today, you celebrate here the Anniversary of My First Apparition to My little son Marcos, in the distant year of 1991. Since then, I have been calling My beloved children here to flood them with My divine Peace, to fill them with My Love , to give them the light of grace, of goodness, of the sanctifying life, to unite them more and more with the Lord our God. Many of My children have responded to My call and that is why throughout these years I have been comforted!

I was comforted here... by so many children who, responding to My call, began to pray My Rosary every day, offering Me more and more their pure, innocent prayer, full of trust and love. And through this prayer I was able to convert so many sinners, who were already practically condemned, I was able to take them out of the way of hell and lead them back to the way of the Lord, of salvation and of Peace!
I was comforted here... by so many young people, who, like My little son Marcos, answered YES... YES to My call of Love... YES to My Messages... YES to My plan of salvation and became the My apostles, who go everywhere with the Rosary in hand and with My Messages taking to all My children: My Light, My Love, My Grace, My Peace! These My children, these young people

of Mine who are faithful to Me, are the pupil, the apple of My Eyes, that I jealously keep in the safe enclosure of My Immaculate Heart and in the souls of these My children I will do wonders, as throughout these years I I did it without ceasing in the soul of My son Marcos. In these young people, My Immaculate Heart has already reached its Triumph day after day and in these My children, Satan has been more and more defeated by Me.

I was comforted here... by so many families who, responding to My call, put My Messages into practice, placed the Rosary in the highest place in their families, that is; who put the Rosary in the first place, began to pray it with love, with perseverance every day, who exercised themselves more and more in the practice of virtues, in following the Gospel of My Son Jesus, of My Maternal Word and, above all, in living more and more profound, more and more intense of all the virtues... especially those that are most dear to Me and also of the Love of God in your daily life. In these families My Immaculate Heart has already obtained Its Triumph and in these families the splendor of My glorious Heart already shines and My Maternal Peace already reigns!

I was comforted here... by so many of My sinful children who, hearing My Messages, left the paths of sin, left the life contrary to the love and will of God that they led and truly answered YES to My Love, YES to Love Divine, YES to everything that I have been asking throughout time in My Messages and that despite having so many weaknesses and miseries, they continue to fight every day: for their sanctification, for their spiritual improvement and perfection. In these My children, Satan has truly suffered defeat after defeat, loss after loss, loss after loss. And in these My little children My Heart, day after day, climbs more and more steps of victories, of elevation in the life of grace, holiness, the Love of God!

I was comforted here... by my little son Marcos, who embraced Me, that is, accepted My plan, My will, My maternal plan of love from the beginning and always responded with all his strength to everything how much I asked him. In him, the potency of My Love, the potency of My Grace, the potency of My Maternal Mercy shines and in the soul of this My son where I have triumphed for a long time and triumph every moment more, in the soul of this My son I show the whole world : the infinity of My mercy, My goodness and My grace and I show the whole world My countenance: sweet, merciful, tender, loving and bright!

My Immaculate Heart has triumphed in the soul of this My child and will place him on a high throne at My right hand in Heaven, so that he with Me may judge the Nations one day, as My Son Jesus promised His faithful disciples, that they would judge the world by His side at the end of the world. In the same way, I want to glorify him who glorifies Me on Earth, to exalt him who in every way exalted Me, to glorify him who in everything and for everything glorified Me...

I have been comforted... by these consecrated children of Mine, who have given their lives to Me here together with My son Marcos. In these blessed souls, chosen and so loved by Me, the radiance of My grace, of My love and of how much My maternal kindness is capable of doing in a soul that says YES and gives itself to Me... those who read My Messages, obeyed them and truly persevered in them during all these years, My Immaculate Heart has already established Her Kingdom of Love and has already obtained Her greatest Triumph!

To those who have rejected Me, who have despised Me and despised My Messages, who have already given Me their definitive NO, I can do nothing but cry blood for them and deliver them to satan, so that they can carry them with them to his eternal kingdom. of darkness and fire, of death and total, total absence of God, where they will cry and gnash their teeth with so much pain for all eternity...

In you and in you My children who loved Me so much and responded to Me so generously, now I give you My 'Special Blessing' that will remain with you and will follow you throughout your life and until eternity...

MESSAGE FROM SANTA IRENE

“-My beloved brothers! I, IRENE, today on the Feast of Peace, on the Feast of the Anniversary of the Apparitions of the Lady, QUEEN AND MESSENGER OF PEACE, say to you:

Receive Peace! Receive the Peace that God has been trying to give you for nineteen years here in these Apparitions!

Receive Peace, live in this Peace, let nothing disturb this Peace of yours! Make this Peace increase every day in you, by deep prayer, by the communion of your souls with God, until it overflows from within you and floods the whole world...

Receive Peace, that Peace that only God can give. .. which the world does not have, which the world cannot offer. This Peace that can only be received by those who believe, those who pray, those who fast, those who are docile to the Word of the Mother of God, to the Word of God, those who truly seek the Lord with a sincere Heart.

In the things of this world you will never find Peace, in the transient things of this world you will never find the fullness of Peace and Joy, for your hearts are so thirsty and so hungry! Only in God, in His Love, only in Holy Mary and in His Word can you find Peace... So open your heart to Peace and receive in Him the divine gift of Peace.

Receive the Peace of Heaven, trying each day more to keep your souls in the Peace of the Lord, that is; in His grace, in His friendship, in the profound union of a life of intimacy with Him: - by

prayer - by

meditation - by

spiritual reading

- by running away from the occasions of turning away from Him and,

- seeking ever more to keep your soul united to the Lord, closing the doors of your spiritual senses, that is, closing your heart to everything that is not God, everything that does not lead to Him, everything that separates you, that distances you from Him or that weakens, diminishes His presence, His Love, the fire of His grace in you.

Receive the divine gift of Peace, seeking ever more the Peace of the Lord through the Hands of Most Holy Mary, the Lady of Peace, the only one who can give Peace to the world... seeking Peace through the Hands of Joseph, the Lord of Peace, the only one who, after the Blessed Virgin, can give Peace to your hearts and can keep you in it. Thus, each day the divine Peace will increase in you from degree to degree until it reaches its fullness and you will truly already enjoy a little bit of the Peace of bliss that We enjoy up here in Paradise. You will live in this Peace, you will always be in your Peace, in this Peace. And at the end of your life here on Earth, your Peace will be so great that your exit from this world and your entry into Heaven will be nothing more than diving into an even deeper and more intense ocean of Peace and Happiness.

I, IRENE, whose name means Peace, want to help you more and more each day to live in this Peace, to grow in that Peace, to achieve this Peace... Come! Give yourselves to Me and I will lead you to this Peace. I prayed a lot! Invoke My mighty help and I promise you: to give Peace soon...

To everyone at this moment, I also bless..."

(MARCOS): "-I will wait for your return, on Easter Sunday, yes! "

(Big Pause)

(MARCOS): "-Ah, I'm so happy to be able to meet you! You know I've been praying to you for so long! Oh yes, I'll say it, you can count on it! Yes Ma'am, I'm ready... " (Pause)

***

SANTA SOFIA

"-My beloved brothers, I, SOFIA, servant of the Lord and of the Blessed Virgin, also greet you and give you Peace!

Grow in the Love of God more every day... trying to correspond to this Love that has loved you, that has called you, that keeps you in His grace here, that has reserved you for Him with so much predilection, seeking each day more at all times, to respond YES to everything that the Lord through His Mother, through His Messages, asks and requests from you here. Only in this way will Divine Love truly grow in you and you will be able to become the perfect image and likeness of God, that is; you will be able to transform yourselves into a pure flame of Love as God Himself IS, thus being true children of God!

Grow in the Love of God... each day seeking to pray more with greater love, with greater desire, thirst for God, with greater hunger to please Him, to obey Him, to glorify Him through your works and virtues, for you well know how it is written in the Holy Word of the Lord:

'Faith without works is dead'

By your works you will be judged, by the fruits of love or not that you have produced you will be judged or condemned by God.

Therefore, bear fruits of love and holiness to the Lord, growing each day more in works of Love, that is; letting God's grace work in you, work in you, carry you forward, lead you to the fullness of self-giving to God's Love and His plan of salvation!

Grow in the Love of God... trying each day more to grow in faith, that is; in the knowledge of God, in the Love of God, in your total self-giving to God... for it is quite true that faith without works is dead, it is also true that works without faith, without love, that is; without the pure intention of pleasing God are also killed...

Do everything for the love and glory of God and not for your human, petty and personal interests, not looking for your good, what pleases you most, your satisfaction and your personal pleasure. But try to do everything in your life, even the most humble and small actions, out of pure faith in God, out of pure love in God. Then your actions will have supernatural value and before God they will be worth more than all the treasures and riches of this world. If actions are not done with the aim of glorifying God and making His Name more known and loved, everything you do is in vain... Therefore, do everything with Love and for Love and your works will have an eternal value and then you will find all these souls, multiplied millions of times in Paradise, waiting for you the day you arrive here.

Grow in the Love of God... seeking ever more to flee from occasions of sin, to flee from everything that separates you from God and His Love, from the Most Holy Mary, from His Love, from everything that disturbs your peace, from everything that which pulls you down... So that truly, without any delay or delay, you can grow quickly, fly swiftly like eagles in the Heaven of divine Love and holiness to which the Lord here calls you!

Persevere in the prayers given to you here, because through them the Mother

of God will form great saints, for the greater joy of the Lord and Her... intensely in Paradise and who will occupy the place that the evil angels that fell left empty...

I lived in love! I prayed a lot! The warning is near! The miracle is near! The punishment, too, that the world is deserving is closer to you with each passing hour... Convert without delay! Penance!!! Don't leave it for tomorrow, because this tomorrow may never come for you. Do not say: '-Tomorrow morning, I will turn to the Lord', because the day may not dawn for you tomorrow.

Convert today! I changed my life! And then you will be able to be sure that God and the Blessed Virgin will always be hand in hand with you and even when you lack strength, even when you stumble in your miseries you will not stay down, because They will take you by the hand, lift you up and put you on your back. new on the way to salvation...

I love you all, I am your sister who loves you so much.

At this moment I give you My blessing and My Peace..."

(MARCOS): "-Yes, we will pray the Thousand Hail Marys here next Saturday, yes! (Pause) As you wish... See you soon!"

CENTURY OF THE PARTY OF THE 152nd ANNIVERSARY OF THE APPARITIONS OF LOURDES

MESSAGE FROM OUR LADY

***

(MARCOS): "-May Jesus, Mary and Joseph be praised forever! (Pause)

Yes, beloved Lady, I am ready. "

OUR LADY OF LOURDES

"-Beloved and much desired children of My Heart... Today you still celebrate the ANNIVERSARY OF MY APPARITIONS IN LOURDES to my daughter BERNADETTE.

On that occasion I called the whole world to prayer and penance, to love and

purity. And today, once again, I come to call you to walk on the road of purity and to drink from the Fountain of God's Love.

'Go drink at the Fountain'

I said to My little daughter Bernadette, indicating the place where She found My Miraculous Source, which over the centuries has healed, converted and saved so many! That fountain was the pure image of that other fountain 'The Fountain of Sanctifying Grace', where I want all of you to go to drink so you can be saved.

Go to the Fountain of Grace to drink, so that your sins may be forgiven there, your souls may be purified, your hearts may receive the grace of God's Love and Light... day more to walk along the path of divine Love, of perfect transfiguration in Him, that is; by the sublimation of your soul unto God, until you become one with Him, until you become His perfect image and likeness.

Go and drink from the Fountain of Grace, so that you can truly find the path of conversion, of interior purity of heart, soul, faith, love and life. So that your existence on Earth is a continuous hymn of love to the Lord, a continuous cry of true faith and a continuous living in God, growing in God, transforming yourself into the Grace of God, transforming yourself into Him.

Go and drink from the Fountain of Grace, so that you may walk more and more on the path of purity of intention of heart, so that all your prayers, sacrifices, works, have the sole purpose of pleasing God, glorifying God, serving God, obey God, make the Lord more loved and better known.

Go and drink from the Fountain of Grace, so that My loving plan may truly be fulfilled in your souls, the plan of love of My Immaculate Heart, which is also the plan of the Heart of the Lord... so that through you I can convert , transform, sanctify and divinize, ie; transform into the pure image of God and make all souls live in Him. In this way, all deified by Me, will sing along with Me the perfect hymn of love, glory and true vocation that the Holy Trinity wants to receive from all men through Me.

Through you I want to reach all My children who are far from Me, all those who still do not know Me and all those who lie in the darkness of ignorance and sin.

To these My poor little children, victims of Satan's deceitful seductions. To these My little children, victims of human evil, violence, persecution and so much darkness that fills the world today, I want to make Me reach the Light of My Love, the Immaculate Light of My Grace, that same Light that dazzled the eyes and the heart of My little daughter Bernadette, which dazzles the eyes and heart of My little son Marcos and which I want to make shine on all the souls and all the hearts of all My children...

Through you, I want to make Water reach everyone of My Grace, the Water of Salvation and Peace.

Go, bring all My children with you, so that everyone can drink from the Fountain of Grace:

for prayer, for the knowledge and obedience of My Messages, for the true encounter with Me Here, in this Place, in this My 'New Lourdes', where I live day and night with My little daughter Bernadette and with all My Angels and Saints!

In this way My children, My Immaculate Heart will surely triumph and the kingdom of darkness of the devil will fall to the ground like a heap of worthless ruins and ashes. And then, I will bring to the whole world the new era of God's Grace, the new era of My Immaculate Heart, the Kingdom of Our Most Sacred Hearts.

Continue with all the Prayers I have given you here, especially the ROSARY, the THREETH, the SEVENTH, the HOUR OF PEACE, because through these prayers My children, I will make you drink more each day from this Fountain of Grace to which I call and invite you to drink. as much as you want and as much as you can, because I will deny no one this healthy water and the more you ask Me, the more I will have to give you...

To everyone today, I bless you generously, from LOURDES... from FÁTIMA... and from JACAREÍ.. .”

(Big Pause) “Yes, I understand... I'll do it like this... (Pause) And when will you come back? (Pause) Thank you very much! (Pause) See you soon...”

(MARCOS): "-I understand My Lady! I will do as You told me... (Big Pause) I will say... I will say yes to him... See you soon dear Lady!

OUR LADY OF THE ROSARY OF FATIMA

"-My much loved and desired children.. Today, when you celebrate the Feast of My Little Shepherds: JACINTA, FRANCISCO and also of LUCIA... I, the MOTHER OF GOD and the LADY OF THE ROSARY, ask you once again:

- Imitate the Love of My Little Shepherds...
- Imitate the fidelity, obedience and docility that They had towards Me...
- Follow in Their footsteps and then, you too will be great saints, great giants in the Love of God and Me as They were...

I, THE LADY OF THE ROSARY OF FATIMA, raised up these Three Little Shepherds, that is, I formed them, I raised them to such high holiness for you, so that they could be models for you.

If you want to give joy and glory to My Heart, do as They did... Love Me as They loved Me, because then My little children, you will be removing the Crown of Thorns from My Heart and putting in its place the most beautiful Crown of Roses!

I bless you all, at this moment, with Love..."

MESSAGE FROM OUR LADY

“My beloved and much desired children! Today, when you are still celebrating here the Feast of My SHEPHERDS OF FATIMA: FRANCISCO and JACINTA, and also LUCIA... My Heart turns again to you, to ask you to have the same Love for Me and the same generosity that these children had.

The Three were always generous, always docile and obedient to My voice! Their whole life was a continuous and generous YES to everything I asked of them. The same, I desire from you My children! Give yourself completely to Me and obey My Messages, for only then will I be able to guide you along the path of holiness and lead you to God!

I speak to you now as your Mother, as your Master and Friend... who wants your good, who wants your salvation, who wants your spiritual perfection, who wants you to reach God in Heaven and to be able to escape eternal punishment. from hell, which await all the souls of sinners who say NO to the Lord's call in this life...

Do what I tell you, for now I speak to you as a Friend, for on the day of your judgment I will no longer be your Friend, I will be your Judge. I will judge you sitting at the right hand of My Son and then, My children, I will no longer be able to help you.

I ask you, therefore:

listen to My Voice! Do what I tell you, before the time of Divine Mercy ends for you!

That time frame for world conversion is shorter now than ever before. Soon will come the Punishment, which will be like a small private judgment. Every soul will see itself in God, as My Little Shepherds saw themselves in God in that light that I showed them. Each soul will see its entire life, its entire interior, with all its good works if it has them and with all the sins they also had... Many will be in such a great degree of sin and will feel such terrible pain for having offended to God, for having hurt and rejected God, that they will suffocate in their own tears, in their own tears!

And because many will not convert, they will not repent even in this warning, seeing their own soul, seeing all the times they rejected the Love of God with the eyes of God himself... God will send the great punishment to the world... This My children, I ask you:

Purify your hearts and your souls immediately

- through penance,

- through a life of profound prayer,

- through perfect obedience to My Messages,

- always seeking in everything to respond to God's love.

In this way, I will be able to help you a lot to reach Holiness, to triumph: from evil, from sin and also from this great tribulation that you are now beginning. And I will be able to introduce you all victorious into the Kingdom of the Most Sacred Heart of Jesus and of My Immaculate Heart!

I wish you to love Me with works, as the Little Shepherds also loved Me with works...

I bless everyone at this moment... from La Salete, from Pontmain, from Fátima and from Jacareí..."

(Big Pause)

Obs.: Only Francisco and Jacinta appeared and gave private messages to the seer Marcos Tadeu.

(Marcos): "-Yes My dear Little Shepherds, I thank you for these words! (Pause) Yes, until then I will wait anxiously... (Pause) See you soon, my heavenly friends!... See you soon Madam!..."

Marcos Report: Today, the Little Shepherds blessed all of you, everyone present, blessed the scapulars that each one carried with them, the rosaries, our cds, dvds, our books, in short, all the material from the Messages that you were carrying with you they were blessed by Francisco and Jacinta, by the Most Holy Mary as well. She was dressed all in gold like on the Feast days and the two Little Shepherds Francisco and Jacinta both in white, Francisco looks like a boy about 10 years old, Jacinta about 9 years old, they look the same. age they died. They were very smiling, they addressed me very comforting words, very consoling and they also told me to tell you, that they pray for you every day, next to the Throne of God and Our Lady and present your prayers every day, uniting with theirs, with the merit of their souls to obtain for you the blessings of God and the Virgin Mary. Our Lady at the end of the Apparition drawing a sign of the luminous cross, which broke up into several luminous particles that landed on us. And Santa Jacinta de Fátima, warned that she returns alone with Our Lady on the Third Sunday of March. I understood that she comes back this time to give a message to everyone in general and not just me as they did today. So in the month of March we will have a new meeting with Jacinta and who knows, maybe also Francico and Lucia will come back soon, God willing, with Our Lady, that we love them so much and always when they come with Her or it's just a great joy. not just from my heart,

MESSAGE FROM OUR LADY

***

(MARCOS): "Praise forever be Jesus, Mary and Joseph! (Pause) I thank you for being here too and I will make this small addition that you asked me ...”

OUR LADY

"-My beloved children, I thank you for being here once again! Continue with your prayers, because through them I am saving many souls.
Continue with all the prayers I have given you here. Only in Heaven will you be able to see how many souls I have helped and saved with your prayers.
I ask you once again: that you read, that you re-listen to all My Messages, so that I can strengthen and increase your faith more and more each day, until you become unbeatable walls of faith, against the attacks of My enemy. Understand Me, yes... that without prayer you cannot feel the Love of God, you cannot know the Love of God, you cannot respond to the Love of God and you cannot make it grow in your lives.

When the soul begins to feel the Love of God within itself, it feels enraptured, a prey to a love, a prey to a peace, a happiness, a fullness that it never felt or found before... love, trapped in this happiness and in this desire to respond to the Love that the soul feels, then it seeks the Face of its Beloved, wants to know Him, wants to know its Lord. And it does not rest until it finds His Face, that is; until he finds the truth, he does not find the living and risen God: in ardent prayer, in lofty contemplation, in deep meditation, in total and spiritual communion with him.

The soul, when it begins to feel the Love of God, has no other pleasure if not to withdraw often alone with His Beloved Lord in Prayer... and there to be entertained with Him, to feel the delights of His Thanks and at the same time giving the Lord her heart, her life and consuming herself like a living flame in the desire to love and serve Him more and more and more intensely... And then, the hustle of the world annoys her. , it tires her, her soul dries up... and she wants more and more to look at her Lord, because she really misses Him... and now she looks at the things of the world as dust and ashes, as ephemeral and fleeting things, less than dry leaves that the wind takes away forever...

The soul only finds peace then, in His beloved Lord, in His God, and if it is docile to the inspiration of grace, if it knows how to overcome the temptations of Satan, who will seek by all means to distance it from that love and make it return. to the world, if she knows how to remain persevering in what she has

proposed and what her heart seeks and desires... Then nothing will be able to stop this soul in the ever-increasing ascent of the Love of God, of union with Him and of life truly divinized, that is, immersed in divine transcendence!...

I want to take you to that life!... I want to give birth to that Love in you!... I want to see you all burning with the flames of this Divine Love! For this I want so many Prayers, I want your Consecration, I want your self-denial, I want your total surrender to Me, so that I can lead you to this True Life in God!

Give Me your YES and I will take you... I

bless everyone at this moment: from Fátima, from Medjugorje, from Pellevoisin and from Jacareí..."

CENTER OF THE FEST OF OUR LADY'S TEARS

Commemoration of the 1st Apparition to the seer Amália Aguirre on 3/8/1930

2nd MESSAGE FROM SANTA IRENE

(On the anniversary of the Apparitions of Jacareí 07/02/2010, Saint Irene gave a Message and warned that her next Apparition would be on Easter Sunday. But in the month of March she returned and anticipated her return. Giving us a Message beyond She will give you on Easter Sunday.)

"-My beloved brothers! I, IRENE, servant of the Most High and of the Most Holy Mary, come again to you to bring you the Peace of Heaven, to fill you with the Grace of the Lord and to become truly exultant with joy for the immense love that He and Mary Most Holy, Our Queen and Mother have for all of you!

They loved you despite your miseries and even loved you with them, that is, they loved you despite your miseries and even those miseries inclined them to have greater mercy towards you...

They want your conversion, they want you to truly abandon the life of sin, to truly repent of all the evil you've done, of all the time you've already wasted in

the search for the fleeting things of this world, for earthly pleasures forgetting the True Well, from the Supreme Good that is God... His grace, his Law of Love, God who is the Good itself...

I come to invite you to seek this Good before everything, above all... Good and to unite with this Good, giving your YES to the Lord and consecrate yourself totally to Him, so that the Peace of Heaven can finally sprout in all your hearts and so that you can be true sowers of this peace in the world!

Sow Peace... through your life full of prayer, full of meditation, full of contact with God and with the Blessed Virgin through a deep, living, ardent prayer that every day grows and burns inside you. like an incandescent bonfire, until it became a living mystical fire of love and desire for God.

The more you pray, the more you will feel the desire to pray! And if your prayer is from the heart, that is; If your will completely empties itself to want the Will of God in prayer, then your hearts will experience a deep joy and your whole being will be plunged into a true Ocean of Peace. And everyone then, will feel this Peace in you, will automatically be attracted to you by the emanation of Heavenly Peace that reigns in you. And then you will also be able to give them Peace, of which you will already be filled and all of them will also be filled with the Peace of the Lord, they will love the Lord and will never want to lose that Peace that comes from the Lord and that only through the unitive life with Him it can be achieved and you can be reached.

Sow Peace... Through your word, seeking to announce at all times the Messages of the Lady MESSENGER OF PEACE, who for nineteen years here in this place invites you to Peace, brings you Peace, teaches you how to obtain it. it and how to make it grow each day through the Messages of Peace that She has given you.

Thus, by announcing Her Word everywhere, by announcing the Word of the Lord everywhere, you will contribute a lot to pacify the Earth, that is; to put out the fire of sin that leads the world to injustice, discord, hatred, war, division, disunity and self-destruction to make the world truly flow rivers of divine peace... which is the fruit of love for God, which is the fruit of love for the truth, which is the fruit of the grace of the Lord who only comes to you through his Mother the Mediatrix and Messenger of Peace and that in Her Messages this Peace is offered to you without measure, without amount to as many as you want to get it every day!

In this way, the world will soon know the Peace of Heaven, in that Peace it will live, in this Peace it will walk and in that Peace it will serve and adopt the Lord Our God in Spirit, Truth and Life.

Sow Peace... Suffering for the love of God and the Virgin Mary, like ÁGUEDA OF CATANIA and like all of us the Saints of God, we accept pain and suffering for the love of the Lord, thus contributing to the work of salvation of humanity.. .completing in all of you what was lacking in the Passion of the Lord, so that, with this mystical and powerful force against which the devil can do

nothing, We can save many souls, from so many unfortunate sinners who roam the earth, going from abyss to abyss. abyss, from sin to sin, from horror to horror... so that all of them, repenting and leaving their evil ways, can walk along the path of salvation and peace. And so, the whole world can live in that Peace of perfect union of all hearts with each other and with God, so that what Our Lord said at the Last Supper may soon come true:

'May all be one.'

Only in this way will the world truly walk the road of its salvation and escape the terrible and great destruction that will soon await it and will befall it if it does not convert in time!

You must help Me! You need to help Holy Mary and help the Grace of the Lord to get at least 1/3 of humanity to be truly converted, truly dedicated, turned to the Lord, living in Prayer in penance and holiness every day, otherwise the entire humanity will perish...

With your sufferings, you contribute a precious part of the Plan of the Most Sacred Hearts and you help to save many more souls more quickly! Therefore accept daily the Crosses that the Lord sends you, in an act of expiation for sins with Him he is offended and of supplication for the conversion of sinners, and I promise that one day in Heaven you will be covered with joy when you see in shining splendor the souls that you have helped to save, accepting the small difficulties that the Lord allows you each day and suffering them patiently, while the Lord does not provide and has nothing else about you. Thus, truly, you will be children of the LADY OF TEARS and with your tears united to Hers you will save many more souls!!!

Sow Peace... trying to coordinate your entire being, your entire interior in the unique and exclusive search for God, His Adorable Will, His Love and the fulfillment of His Designs. To do so, empty yourselves of yourselves, renounce your will so that there is space within your heart for the Will of the Lord, for what He wants, for the Grace of the Holy Spirit. So that He can work in you and transform your hearts into true wonders of holiness and perfection, into very pure mirrors in which God powerfully reflects His Light, to overcome darkness...

Thus, having your inner being all ordered, with the only purpose in this life: to seek God, to know His Will, to feel, to taste His Love, to live on His Love and to make others know this Love... will be in Peace and then they will be able to help all those who live disorderly in the sole and exclusive pursuit of satisfaction, of their pleasures... Well and may you finally reach the Highest Good in Heaven...

I am with you every day! And as I have promised on other occasions, I will powerfully help that soul, from which I hear a YES come out... A YES to everything it asks of you in the Messages!

I promise to protect, keep and increase the Peace of the Lord in you, if you also promise Me to protect Peace, cultivate Peace, keep Peace, keep this

Peace and increase this Peace, which is the fruit of union with God, which is the fruit of of fidelity and perseverance in His Love every day: with prayers, sacrifices, meditation and above all, 'avoiding the occasions of falling into sin', of losing that Peace for the offense to God, for the hurt that you will cause God with sin .

If you protect Peace by doing all this, I will also protect it...

I'm with you! And in each bead of your Rosary that you pray with love I am also present, offering your prayers united to Mine, to the merits of My sufferings of My martyrdom together with ÁGUEDA OF CATANIA and with all the Saints and Angels in Heaven! We pray for you night and day... We pray for you night and day... We present ourselves as your advocates, defenders and even your guarantors before the Lord at all times...

Oh! Do not frustrate so much Our effort! I responded to Grace! Correspond to the Love of God!

Be docile to Me, let yourself be guided and led by Me along the path of PRAYER, PENANCE and HOLINESS and I will surely lead you to Heaven...

I want all of you, every day, to invoke Me sincerely, so that I may help you to preserve divine Peace in you. I have placed Myself as a seal on the hearts of all those who invoke Me with confidence.

“I bless you all at this moment with the Mother of God, generously...”

(Marcos): “-See you soon...”

UNEXPECTED APPARITION ANNOUNCED BY OUR LADY

MESSAGE FROM SANTA GEMMA GALGANI

SANTA GEMMA GALGANI

"-Mark, peace. I come to bring peace to all of you, to all these My beloved brothers who are here.

I, GEMMA GALGANI, servant of the Lord, of the Sorrowful Virgin, of Saint Joseph, come again today to call you to love the Lord, to love Him even on the cross, even in suffering. I have come to teach you to transform your daily cross into a saving cross, a bridge that takes you to Heaven, and makes you arrive safely in eternal salvation, in glory of the Lord, in perpetual happiness.
Love the Lord with all your heart, trying every day to praise Him, bless Him, always speak of Him, of His Love, for it is proper for those who love to bless and speak of the Beloved, it is proper for those who love to exalt the qualities of being beloved for in so doing, fills the beloved with holy happiness and joy, with contentment and satisfaction, and by extolling the Beloved's qualities and beauties; it makes others also want to know him, want to love him, want him also as the love and object of their heart, of the love of their heart. Therefore, praise the Lord and the Blessed Virgin at all times and places, so that many other souls may also want to know them, love them, give them, give their hearts to them and together with you also love them, correspond to them. Them with all their strength and all their souls.
Love the Lord, seeking more and more intimacy with Him in prayer, making your prayer not a monologue where only you speak, but a dialogue where you too are silent, interior silence to feel the motions of Grace, to receive the inspirations of the Holy Spirit who wants to lead you higher and higher each day on the path of love, holiness, intimacy with Him, the path of contemplation where you truly know the beauty of God that We, the Saints, know so that you too may you love Him with all your strength as We love Him. Only in deep contemplation can the soul know the beauty of God, not so much because it strives to do so - this is also true, the soul has to make an effort to contemplate God more and better in prayer - but much more so because God wants to meet you in contemplation. God wants to reveal His beauty, His goodness and His sweetness to you in contemplation and only souls who live a profound life of prayer, of intimacy with God in prayer, know how to contemplate, can contemplate and that is why only they can see the beauty and sweetness of the Love of God, this love that took us, the Saints, and made us accept, want to lose everything before losing this love... this love that is so beautiful that made Our Hearts would never exchange it for any other love. Yes, only God's love is beautiful, it is pure, it is constant, it is immutable, it is eternal, it is alive and only He, God, deserves that we consecrate the loves and affections of our hearts to Him. The soul that lives in a deep life of contemplation and intimacy with God in prayer will see this love, will understand this love, for that, reserve part of your time for contemplation and meditation, withdraw and be silent, because only in silence can you contemplate and meditate in order to see and know the beauty and sweetness of God's Love. May your prayer life be profound. be intense, be constant, be alive.

become the purest mirrors that can reflect the light of His Grace and His love to the whole world. By following us on this path of contempt for the world, for yourselves and for your will, the will of the Lord, the Lord's plan, will be fulfilled in you more and more each day, and you will be able to live calmly that everything that happens to you is God's plan, it is the will of God and that in your life Satan has no interference, he has no power. In this way, your life will truly be transformed into a vibrant hymn of glorification, love and praise to God and those wonders will happen in you that the Lord has promised to those who believe: they will cast out demons, evils, they will speak new languages, they will convert hearts, will ignite the whole world with the fire of Divine love, they will cure all diseases, that is, all spiritual diseases will be cured in you,

Then, truly, your tongue will open to glorify the Lord who has done so many wonders in you, as He has done so many wonders in My life. You know that I suffered a lot. I was despised, slandered, marginalized and excluded by my own Catholic brothers. You know that I was misunderstood even by the Church, that I was considered crazy, fanatical, visionary, as someone who was outside, outside of himself. But no, it was nothing like that! I was completely on fire in God's love, I was completely taken, surrendered, conquered, prey to so much God's love for me. This love that loved me, that chose me and to which I responded with all the strength of my soul, to which I gave myself with all my heart, with all my being. This love nourished me, this love nourished me, this love strengthened me,

Come, leave everything! Follow Me, Gemma! Come to me!

It was this Love that carried me all the time, rocked me, dragged me into the arms of My God and it is this Love that I want to give birth to in you, it is this love that I want to see burning within you. I want to see this love dragging you into the arms of the Lord as it dragged me, as it carried me, as it carried me. This Love made me melt completely into the love of God and the Holy Virgin, that I became one with Them in the same mystical flame of Love and the same, I want it to happen with you. I will do this if you leave Me, if you are docile, if you do everything I say to you in this Message, if you give yourself completely to Me, I will take you, I will take you, I will carry you with Me towards this love and I will make you grow more and more in this love, live on this love, dive into this love, be mystically enflamed in this love. To this end, I want you, right away, presto (Italian word meaning: swift, swift, solicitous, diligent) that you completely renounce yourselves, your will, that you stop insisting on the will of God, with the will of Mary Most Holy, which you already know well and know in the depths of your heart and if you still do not know it, it is because you have not opened your soul, because you have not sought to know this will. Seek now and now in prayer and it will soon be inspired and shown to you and then let Me help you to fulfill this will, lead you to the perfect fulfillment of the Lord's plan for you. that you stop insisting on the will of God, with the will of Mary Most Holy, which you already know and know in the depths of your heart and if you still don't know it, it's because you haven't opened your soul, because you haven't tried to know that will. Seek now and now in prayer and it will soon be inspired and shown to you and then let Me help you to fulfill this

will, lead you to the perfect fulfillment of the Lord's plan for you. that you stop insisting on the will of God, with the will of Mary Most Holy, which you already know and know in the depths of your heart and if you still don't know it, it's because you haven't opened your soul, because you haven't tried to know that will. Seek now and now in prayer and it will soon be inspired and shown to you and then let Me help you to fulfill this will, lead you to the perfect fulfillment of the Lord's plan for you.

I really want to help you and bless you with many, many blessings, with many graces. I am in front of many hearts, but many of them do not open. If hearts are opened, I will be able to enter and I will be able to pour out to them the graces of the merits of my soul and the sufferings that I suffered in union with Jesus Crucified and with the Sorrowful Virgin. I want to transform them into another Christ, into another Mary, Our Lady. I want to impress on your hearts the features of Christ and Mary. If you allow Me, I will produce, I will perform in your souls this great work which is the greatest of all: to transform you into another Christ, another Mary, another Joseph for the greater glorification and triumph of the Holy Trinity.

Continue to pray the Rosary.

With each Rosary bead, I arrest a demon and deliver a soul that was suffering temptation, that was about to fall into sin, from the plans that satan had to arrest him, to bring him to damnation. With each Rosary bead I drop a mystical rose from Heaven on you to beautify you, perfume you, transfigure you, make you more and more similar to Me and to the Virgin Mary herself, the Mystical Rose of the Lord, so that the Most Holy Trinity can truly glory in you, rejoice in you, rejoice in you, be satisfied in you. I gave myself completely to the Lord to love and serve Him, carrying the cross every day of my life. I call you to follow me, to follow me along the path of Calvary, accepting all the sufferings that happen to you every day with patience, meekness and even joy, seeing in these sufferings tools, powerful weapons to atone for your sins and those of the whole world, to make up for the faults that you and the souls of the whole world have committed against God and to obtain from the Lord many other graces of Mercy, Salvation and Peace for this humanity so miserable, so troubled, so fallen into apostasy, sin, and the darkness of Satan. Thus, we will make the mystical light of the Most Sacred Hearts of Jesus, Mary and Joseph shine to the whole world in a worldwide and universal Triumph where Their Thrones will rise in glory, all Their enemies will be placed at their footstool and then a new time, a new era of love, grace, salvation and peace will take over the entire face of the earth, all humanity, and then the prayer of the Our Father will truly be fulfilled: powerful weapons to atone for your sins and those of the whole world, to make up for the faults that you and the souls of the whole world have committed against God and to obtain from the Lord so many other graces of Mercy, Salvation and Peace for this miserable humanity, so troubled, so fallen into apostasy, into sin, into the darkness of Satan. the Kingdom of God will come on Earth, it will be established in it and all will be one people worshiping and loving the only Lord our, our only God. I, GEMMA, want to help you a lot. Say your yes, and I will take your Hand and lead you to Heaven. I know the way, because I have walked it. I know the pitfalls, the false shortcuts that want to lead you away from the true path. I want, therefore, to

lead you safely along the true path that leads to Heaven. Give Me your yes and I will carry you in My arms.

I bless you all at this moment with Love. I bless my dear city of Lucca in Italy, my birthplace where I lived and suffered and where my body is, where I am constantly treating men: love love, because love is not loved by you. I bless this place, this Sanctuary which, for Me and for all the Saints in Heaven, is dearer than the most beautiful and glorious places in the whole world, all over the Earth... And to all of you, my brothers and my chosen people, generously at this moment I bring down the most abundant blessings from Heaven and from the cross."

MESSAGE FROM THE SHEPHERD JACINTA

(MARCOS): "Forever be praised Jesus, Mary and Joseph! (Pause) You can, dear Jacintinha, I'll put more emphasis on that... on what you ask of me! (Pause)

JACINTA DE JESUS MARTO

"My beloved brothers, I, JACINTA of FÁTIMA, greet you today and give you Peace!

I love you so much! You are very much loved by God, by Me, by Most Holy Mary and by Saint Joseph... You are also very much loved by My brother Francisco and My little cousin Lucia, who are with Me today in Glory...

Yes! We pray for you, everyone, all before God, without ceasing... We implore for you graces upon graces and I desire more and more to lead you to perfect union with the Lord, a union that can only be achieved through a life similar to mine:

- of deep prayer,

- of penance,

- of sacrifice,

- of self-emptying, and

- of profound and total surrender into the Hands of God, to His Love, in order to collaborate with His transforming Grace.

Your life must be similar to Mine in every way, it must be a life of total consecration to the Mother of God and to the Lord, thus helping to carry out the Plan that They traced for you and the whole world and which will culminate in the fulfillment of the promises and prophecies of FATIMA, with the final Triumph of the Lord and His Mother over the whole world!

Your life must be a continuous YES, which must be renewed at all times, whether of sadness, joy, prosperity, suffering and poverty. You must continually surrender yourselves to the Lord, so that His Grace, also continuously, can lead you more and more to the perfect fulfillment of the Lord's will, of His divine plan of Love, which wants to save all of you. and save the whole world...

As you well know and my favorite Marcos has told you here so many times, I suffered a lot, I suffered terrible pains in My body and in My soul, either because of the persecution I suffered with Francisco and Lucia because of the Apparitions of Mary Most Holy to Us. in the Cova da Iria... Or later because of the prolonged illness that God sent us to spy out the sins of the world and to obtain the salvation of sinners. All those sufferings were also out of love for you! I offered them for you without knowing, without knowing you, without imagining to whom the sweet Lady of Azinheira would apply their merits.

All My sufferings were out of Love for you, for you who are the beloved children of the Blessed Virgin and whom She wants to save, sanctify, whatever the cost, for the greater glory of the Father, for the greater salvation of the world and yours, for the greater exaltation of the Name of Christ and the Holy Catholic Faith. You, therefore, are the fruit of My suffering, you are the fruit of My Martyrdom, because I was a little Martyr, who consumed Me in suffering and in Love: for Christ, for His Mother, for the Holy Catholic Faith and also for you!

How much I loved you! How I longed for your salvation! How much I prayed for you! And so My Prayer surpassed the years, the decades and reached you... it reached you salvation, it reached you the grace to be attracted by the Most Holy Mary Here:

- to know Her Love, - to

taste her Love,

- receive from His Love, and

- be saved by this Love!

I want to take your hand, I want to lead you all to God, just as I once took the hand of a young man who was lost in a forest, after having run away from home and quarreled with his father and docilely taking him by the hand , I led him to the right road that would take him back to his father's house.

Yea! I want to take your hand, lead you along the right path, which will take you back to the house of the Heavenly Father who awaits you all, with an open Heart and Arms: to love you, save you, give you His salvation, make You are partakers of His infinite happiness, of His eternal glory...
I want to take you by the hand and lead you back to the Father's house, so that the joy of the Mother, Most Holy Mary, as you all return to the Father's House converted, purified, sanctified... may be complete!
Your reconciliation with the Father will be the Heavenly Mother's greatest joy and I want and can lead you back, along the right path, to the Father's House, so that the Lady, Our Mother, does not suffer anymore. And then her Immaculate Heart, be consoled and rejoiced by your conversion, by your soul purified, beautified, perfumed, flooded, full of Divine Love!
Give Me your Hand and I will take it and I will take you to Heaven, to the Father, to the House of the Celestial Mother who calls you all to return to the Arms of the Father, for 19 years here without ceasing.
Here the Plans, the Secrets initiated in FATIMA will be fulfilled and the Holiness to which We were raised by the Apparitions of Our Lady, We The Little Shepherds, is a sign, an example for you of that consummate holiness to which you are all called and to which She wants to lead all of you through Her Apparitions Here...

The task is great, the mission is arduous! The undertaking is of such a magnitude that only the brave, only those completely emptied of themselves, only the fearless, the intrepid, those who are not afraid to love and to surrender to the Love of God... Only these will be able to achieve this holiness. consummated, to which you were called here and to which you were destined from everlasting!

Who will fail???

Who will put everything to lose???

Who will frustrate the sublime Plan of the Mother of God???

Only those who are afraid to love and to surrender to the Love of God, the cowards, the languid, the selfish, those who love each other more than even God, those who do not bend and who are always listening without ever reaching to know or to love... Those who refuse to want knowledge, those who refuse to want Love, those who refuse to grow, to fly in the Sky of Love like eagles... Earth, by the threads of material and temporal loves that still keep them all crawling in the earth. Only these will thwart the Lady's plans, but still

SHE WILL TRIUMPH! Because She is above all those who do not know how to love the Love of God, because Her YES surpassed the response of all souls, both negative and positive, to the Love and Call of God. And since she gave her YES:

By the YES of the Virgin Mary, by the Love with which she gave herself completely to God, to make His Will the final answer WILL be and always IS HER, as the Lord decreed it: That all generations will not only call her Blessed , but all generations will proclaim her the only blessed one and also all her enemies will be on her footstool and she will crush the serpent's head and all those who are similar to her for their selfishness, rebellion and resistance to the Love of God. It will always crush the head of all who are similar to the ancient serpent.

So have confidence! The Immaculate Heart of Mary will triumph! And those who are similar to Her, through Love, through humility, through total surrender to the Lord, through the courage to serve Him, even facing suffering as She has always faced... These will triumph, because the glory of the Mother is also the glory of the children, and the victory of the Mother is also the victory of the children. As it is said in Sacred Scripture:

'Her children wear lined clothes, inside and out like Hers'

, that is, they have the same virtues as Hers, inside and out and because they are so similar to Her they will have the same victory. extraordinary than She!

I want to help you and through the HOLY ROSARY I will achieve success for all those who give themselves to Me.

In each bead of the HOLY ROSARY, I am praying with you, achieving for you what you cannot and, above all, uniting you more and more with the Lady and with God so that we may all be one in Love with Her!

I bless you all at this moment, from FÁTIMA, from ALJUSTREL and from here in JACAREÍ..."

(Big Pause)

(MARCOS): "See you soon, dear Jacintinha! I miss Francisco and Lúcia a lot, Yes?!

I have triumphed... little by little... soul by soul... and soon you will see My absolute and general Triumph in the whole world, when the Triumph of My Immaculate Heart comes for all of you!

I generously bless everyone at this moment...”

I'm relieved to know! (Pause) We'll prepare for Her coming, yes... All right, I'll wait. See you soon...”

Comment by seer Marcos Tadeu;

"Let's meditate a lot on the Message of Our Blessed Mother, given to us today with so much love, with so much affection, in this remainder of Sunday that we still have.

Let's meditate deeply on this Message

. Mystical City of God Book, the 3rd VOLUME that deals with the PASSION, so that you can go every day following Jesus and Mary, along the painful path that They took all this week.

We are going to try to bring more people to watch the film of the Passion of the Christ (which will be shown at the Sanctuary - Good Friday at 12 pm), this film has a resounding power of conversion, it has a virtue with it that is even difficult to explain, so big either is. And surely many will be touched and converted by being here, so it's worth making a sacrifice and inviting, try once again to invite people to be here on Good Friday.

I wish that in this Holy Week, Our Lady of Sorrows performs many graces of sanctification and conversion in the lives of you and your families as well. This week is a week when God's grace is very strong, very alive in the world and perhaps this is the ideal opportunity for the conversion of many people. So let's take the films, take this material (available at the Sanctuary) and who knows, many of them this week will watch and then every conversion will happen and then it will be the greatest gift for Our Lady, for sure!

May the Peace of Sacred Hearts descend upon us and remain with us forever.

In the name of the Father, the Son and the Holy Spirit. Amen

Let us go in Peace and see you Friday at noon.

Hail Mary!"

GOOD FRIDAY - PASSION OF OUR LORD JESUS CHRIST

MESSAGE FROM OUR LADY OF DOORS

“Beloved children, today, stay with Me at the Feet of the Cross of JESUS, so that together with Me we can contemplate the Lamb of God, who sacrificed himself to the Father for the Redemption and the Rescue of all humanity, of all of you.

I was at the Feet of the Cross, seeing My Divine Son all covered with Wounds and Blood... I heard His last laments, I perceived the shudders of fever and pain that ran through His entire Body... And together with Him, I too , suffering the Mystical Pains of His Passion in My Body, offered Our Heavenly Father Our Pain so that all of you could be redeemed from the slavery of sin and the Doors of Heaven could be opened for you...

I am the true Sorrowful Mother of all of you... You are My children, for you were generated by Me at the foot of the Cross of Jesus, you are the fruit of My Sorrows...

I am your Sorrowful Mother even today, for seeing that humanity, even after two thousand years of the Sacrifice of My Son, still turns its back on Him, does not obey His Law of Love, does not open its Heart, its life to Him. I suffer when I see how society rejects the Gospel of My Son Jesus, His Commandments, His Word and how more and more He is still today: he is denied, he is betrayed, he is crucified and he is killed by this world that has turned away from God!

Jesus is denied by those who should praise Him, exalt Him, glorify Him, make Him known... those who are already part of His people, those who are already part of His family and who, however with the Their evil way of living denies Him, blasphemes and betrays Him... Yes! Jesus is betrayed and denied by those who should fight for Him, fight for His divine interests, fight for the truth, fight to establish His Kingdom of Love on Earth. But they think only of themselves, of satisfying their desires, of carrying out their personal projects, not caring that so many souls go to perdition every day... and that My Son Jesus continues to be crucified anew in every soul that lives in sin and is lost. These who should have been his Apostles are still today the Judas who betray him,

Jesus is still crucified, for all those who, even knowing the truth, betray it, distort it, distort it, crush it, break it to pieces, to live in the lie and to let souls go to the lie, living in it. , growing in it and dying spiritually in it every day, until they have no more salvation! These crucify my Son anew and renew his Passion.

Even today I am your Sorrowful Mother... seeing that children and young people from an early age are already referred to precocious experiences of evil, their souls are killed by evil, impurity, sin, vices, violence, by atheism, by the distance from God that is the origin of all these evils. And how more and more Satan has taken over childhood and youth for his evil projects.

I come to call you to comfort My Heart and alleviate My so great Pain, working intensely for the conversion and sanctification of all children and young people, leading them along the path of holiness, prayer, goodness, purity. of love. So that, truly in these little ones, My Immaculate Heart may triumph and still be able to make out of them the most perfect hymn of praise to the Lord.!

Even today, I am your Sorrowful Mother... when I see how families, the church and society are full of painful wounds, disunity, violence, selfishness, evil, indifference, distance from God and from so many other things that My enemy has introduced among you into the world, to bring the whole world to condemnation.

I ask you My children, to unite with Me in Prayer, in Sacrifice, in Penance and in Love... so that together we can transform these wounds that today disfigure families, the Church and society so that they can shine again: the radiance the grace of God, the glory of the Lord, the beauty of His Name and His own Peace.

Even today I am your Sorrowful Mother... seeing that so many of My children continue to go down the path of condemnation, despite My numerous Apparitions all over the world, My Lachrymations, even of Blood, My Apparitions so prolonged here for more nineteen years old... And that so many souls are lost every day, because there is no one who prays, who sacrifices himself for them, who takes My Messages of Love to them!

Rise up My children! My true disciples and apostles! Rise to console My Heart and then you will truly give Me the greatest joy that you can offer Me... The joy of seeing Me truly obeyed, followed by all of you, imitated by all of you... In this way, you will from My Heart the swords of Pain that pierce it and you will put in place a wreath of flowers, you will remove the nails of My Jesus and you will place in the place of these wounds of My Jesus the most precious balms, the most soothing balm, the dearest balm that is : that of your love, your total obedience and your fidelity to Our Most Sacred Hearts...

I am with you every day, I am with you when you suffer, when you are on Calvary. Remember Me, My constancy at the Cross in the moments when you suffer... and you too will have the strength and courage to suffer and offer your sufferings for the salvation of humanity. These sufferings that you offer Me,

speed up the moment of My greatest Triumph, which is not far from you!

Forward My children! Soon, the Calvary of your time, that Calvary that you the good, the innocent, those who love Me, those who obey Me... this Calvary of pain, of suffering that you go through and that you live... to the Glory and Joy of the RESURECTION...

To all, at this moment, I bless generously...”

HOLY SATURDAY- SOLEDADE OF OUR LADY OF DOORS

MESSAGE FROM OUR LADY OF DOORS

"- My beloved children, I am the LADY of SOLEDADE... On this Holy Saturday day I remained without My Son JESUS, separated from Him, who lay dead in the Sepulcher...
I am the Mother of Solitude even today, because many of My children, unlike My Jesus, distance themselves from Me, they separate themselves from Me through sin, through disobedience to My Messages and to the Holy Law of Love of Lord:

- because they don't want Me as their Mother in their lives,

- because they love earthly things more than Heavenly things,

- because they prefer the loves of the transient things of the earth, than in My eternal maternal Love!

Even today I am the Mother of Pain and Solitude, because innumerable children and young people separate from Me, since they were young, already taken by that pagan society and contrary to the Law and the will of the Lord, to early experiences of evil, to live like little pagans. completely removed from God, from His knowledge, from His Word, from Prayer, from knowing myself, from the Prayer of the Rosary, from My Rosary, from My Messages!
These children and young people separated from Me, for a paid education, from this society of families, are the cause of My great pain, they are an open wound in My Maternal Heart that bleeds without ceasing.
I am the Mother of Solitude, for so many families that have turned away from Me, that separate themselves from Me because they no longer pray the Rosary, because they give themselves over to all sorts of pleasures and amusements, because they only seek to have, they only seek to gather things and not they think not for a moment about the salvation of their soul, about the

love they owe to My Son Jesus who gives His life for the salvation of all, about the Love of My Mother's Heart that accepted a life of so many unrest and afflictions for the salvation of all. These families constitute a very painful wound that My enemy inflicted on My Heart to make Me stagger, for showing Me that He has dominated all the families of the earth. And that is why I am the Mother of Pain and Solitude and I renew My urgent call to all families today:

CONVERT WITHOUT DELAY! GO BACK TO MY ROSARY! GET BACK TO PRAYER!

Accept and obey My Messages, so that you may all be saved and healed: from the wound of disunity, the wound of divorce, the wound of discord, violence, selfishness. And so, through you, the world and the church may also be healed and saved, from the wound of apostasy, from the wound of wickedness, from selfishness, from war, from the very self-destruction that men are building day by day, with their own hands!
I am also the Mother of Waiting... Just as on this day I waited in Faith, in Love, in Prayer and in firm hope for the Resurrection of My Son Jesus, so today I am joyfully and hopefully awaiting His Second Resurrection, that is , the return of My Divine Son Jesus Christ in glory, which will soon take place and which will renew Heaven and Earth...
Yea! As I was the Mother of the First Resurrection, the Mother who awaited the First Resurrection, I am the Mother who awaits the Second appearance of My Son Jesus, who will come on the clouds of Heaven to judge the living and the dead and to restore Heaven and Earth. Like John, like Magdalene, Veronica and the pious Women, wait with Me too: in Prayer, in Silence, in Penance, in obedience to My Messages, in fulfilling all that I have asked of you here... children, you will be freed!

If you persevere until the end, you will be crowned... If you are true friends of Jesus and Mine until the end, I will put on your forehead the Diadem of Victory...

If you are constant, even in pain and suffering, to everything that I have asked of you in these almost twenty years of My Apparitions Here, I will place a palm in your hands as if you had been martyrs...

If you accept to suffer with Me the exclusion, the loneliness of that you are victims, because you follow Me, because you obey My Messages. Oh yeah! I will include you in the number of martyrs, I will place in your hands the Palm of Martyrs. Yes My children, imitate Me, for I Am the Queen of Martyrs and I suffered everything resigned for the Love of My Jesus, for the Love of God, for the love of the salvation of all of you!

If you too accept to suffer with Me for the Love of the Lord and also for the salvation of so many souls, who are in danger of being condemned, you will be like Me in the number, in the Choir of Martyrs.

Forward My children! I am with you in every moment of your life! In the most difficult moments I am more ready, closer and more inclined than ever to your

souls, to your sufferings, to your pains and tears.

You My children, who follow Me, who obey My Messages and who come here always, especially on Saturdays, to console Me, you will now receive the plenary indulgence of My Heart, which I promise to all who honor Me, to all who come to comfort Me here every Saturday. In you My children who love Me, who obey Me, who follow Me fully... I am comforted, I am comforted. In you Marcos, My favorite son, who never disappointed Me, who always gave Me pleasure, comfort and happiness, I am fully consoled. And in my children all who gave their lives with you here for Me, consecrated to My service and in those who obey Me completely, I am truly consoled, glorified and very, very loved...

To all, to all of you... I generously bless ..."

(Mark): Yes Ma'am! Yes my mother! See you... see you tomorrow... Goodbye, see you soon, see you tomorrow... Yes..."

EASTER SUNDAY- RESURRECTION LORD JESUS CHRIST and CORONATION OF OUR LADY OF PAIN

MESSAGE FROM OUR LADY

"-My beloved children, I am the joyful Mother of the resurrection. On this Easter day I saw My Divine Son risen, glorious and brighter than a thousand suns together. He rose in advance of what He had promised in attention to My incessant prayers and to the supplications that I made so that He would not delay in coming to comfort My soul, to come and give the soul of His heavenly Mother and Spouse His embrace of love.
My Jesus is risen to give you the new life of Grace, so I am the Mother of Grace. It is My Maternal Mission to give it, communicate it and dispense it to all My Children, so that they all live a true life in God, a true life in Christ, in His grace, in His law and in His love.
In the Light of the Risen One, you must live. In the Light of the Risen Jesus you must love and suffer.
In the Light of the Risen Jesus, you must walk more and more each day towards the fulfillment of the Father's will and his divine good pleasure.
In the Light of the Resurrected Jesus, you must spend every day of your life looking more and more for what pleases Him the most, fleeing from what

offends Him, from what renews His Passion, from what displeases Him, and so that your life is more lived in the light of the resurrection of My Divine Son.
On this day, when My Son was resurrected to truly fill all things with His light and His divine life, I generously bless you all at this moment."

SANTA IRENE

"-My beloved brothers, I IRENE, servant of the Lord and of the Most Holy Mary, greet you again. What a joy to be able to see you here! I wish to continue instructing you on how to achieve true peace of heart, how to preserve it, maintain it and increase it in you.

True peace of heart is not given to those who make concessions to themselves and to the world, to those who do not know how to die perfectly to themselves and to their will, to those who are afraid of the love of God, that is, who do not give themselves completely to love. of God afraid of what this love will accomplish in their lives, the transformations it will bring about, the sacrifices it will require, the renunciations it will ask for, the effort it will ask for so that the soul can truly live in peace with God, with itself, with the neighbor and with His holy law of love, the Lord's law of love.

It is written in the holy Word of God 'that the timid will not bring salvation', that is, that those who know the will of God, know what God wants of them, were called to be the beloved children of the Lord to know him and follow him closely, to sit at his table with him and to eat the Bread of his love side by side with him, and these souls out of fear of what the Lord wants of them, what the Lord asks of them, that to what He calls them, these souls flee, these souls do not accept what God proposes to them, what God offers them... in your life, because by stealing, dodging, running away, resisting the will of the Lord, it is impossible to have and keep true peace. Therefore, I call you My brothers, open your hearts. Embrace the Love of God. Accept His Will, His Adorable Plan upon you. Say your yes to him so that his will may be fully accomplished in you, and then I assure you: the peace of Heaven will envelop you in such a way that you will truly exclaim:

'Lord, I swim in the peace of your grace, of your cross, of your victory and of your love.'

I bless you all at this time generously."

SAINT PATRICIA

“-My beloved brothers, I, PATRICIA, am very happy to come here today to give you My first Message, even though I have always been here in this chosen Place and where We, We, all the Saints of God dwell and we welcome your prayers every day, night and day.

My brothers, open your hearts to the Love of Christ, who did not spare himself until he gave his life totally for you on the cross. The Lord emptied himself completely, the Lady of Sorrows emptied himself completely to the point that in her Hearts there was only the immense and infinite love, the infinite charity that they had for God and for you.

This Love (Jesus and Mary) who gave himself for you on the cross, this Love who gave his life so that all of you could come out of eternal death and find life, this Love wants to give itself, communicate, give itself to each of you. But with a heart full of earthly and transient things, with attachments to the things of this world, it will not be possible to receive Him.

That's why I ask you:

empty your heart, throwing away all love for yourselves, all attachment to your own will, all pride, all vanity, all disordered attachment to creatures, so that truly in your souls there is only space, opening and place for The love of God. See My brethren, that Christ gave His life for you as the most loving king, as the most loving father, as the brother most filled with true charity. While kings send their subjects to fight to save their kingdom and even their life, their crown, Christ laid His Crown aside in Heaven, came down from it to dwell on Earth and among you, together with His Most Holy Mother. . And both of them gave their lives, so that all of you, their subjects, could come out of eternal death and find true life in God.

What a most extraordinary Love the Lord and His Mother had for you! And with how little love you have responded, served, loved them until now...

Don't make them suffer anymore! Open your heart. Give yourself completely and follow with a firm and decisive step on the path of true Love for the Lord and His Mother so that you do not become guilty of that sin into which countless souls have already fallen, which was to lose love and the divine choice over them. because they loved themselves more than God and His Mother and because they preferred themselves to Them.

I call you My beloved to this true love, I can and I want to give it to you. And those who consecrate themselves to Me, who ask Me for this love, who ask for My help, I will give it.

Continue with all the prayers that I, Heaven, have given you here. Prayer is Love that ascends to Heaven, the Lady told you here. And it's true.

Prayer is Love that ascends to Heaven.

Prayer is an empty heart that ascends to Heaven.

Prayer must be a heart detached from the Earth so that it can then finally become light and ascend to Heaven.

Prayer is divine love in pure transformation that descends from Heaven to Earth for the soul that wants it, that seeks it, that asks for it and that sighs for it!

Continue with all the prayers that the Most Holy Lady has given you here, because these Prayers have the property of emptying, opening your heart. If he has the least good will and if he truly wants to empty himself, then these prayers will make your souls and hearts light, detached from everything that pulls the earth and weighs the soul. Then your souls will fly swiftly towards the Sun, towards the infinite love of God. I am with you at all times and I will never, never leave you, if you also never leave Me.

To all, at this moment, with love, I bless.

I bless you too Mark. Everything was explained very well by you. I congratulate you Knight of the Immaculate, servant of the Most High God, friend of the Angels and Saints and my dear."

Patricia was a descendant of Emperor Constantine the Great. She was born in the early 7th century in Constantinople and was educated for the Court by her lady Aglaia, a very devout Christian. The little girl grew up pious and, despite her young age, she took a vow of virginity to Christ. But to remain faithful she had to flee the city, because her father, Constant II, then Emperor, insisted on imposing a marriage on her.
Patricia, helped by and in the company of Aglaia, with some followers, went into hiding for some time. Afterwards, they embarked for the Greek islands, bound for Italy, where they disembarked in Naples. Patricia was delighted with the place and indicated the place where she would like to be buried. She then sponsored the city by helping to decorate many of the new churches, which were devoid of essential liturgical objects, and financially aided the convents that served the poor and sick.
Only then did he travel to Rome with Aglaia and the faithful disciples, where he

sought protection from Pope Liberius. That's when he learned that his father had already resigned himself to his will. He then received the veil, symbol of his consecration to God, from the Supreme Pontiff's own hands. So they returned to Constantinople for Patricia to renounce her right to the crown and distribute her goods to the poor, before going on pilgrimage to the Holy Land.
But other incidents occurred. The vessel distanced itself from the various dangers and went out of control until it crashed on the rocks of the sea coast of Naples. Precisely on the small island of Megaride, also known as Castel dell'Ovo, where there was a small convent, in which Patricia died after some time.
Patricia's funerals, according to the records, were organized by the faithful Aglaia and took place in a solemn way, with the participation of the bishop, the duke of the city and an immense crowd. The cart, pulled by two bulls without any guide, stopped in front of the monastery of the Basilian sisters, dedicated to Saints Nicander and Marciano, which Patricia had indicated to be buried. There the relics remained guarded by the sisters who came to be called "Patricians", or Sisters of Santa Patricia. Later, the Basilians transferred the Rules to those of the Benedictines and these sisters also accompanied the renewal.
To repay the affection of the saint who returned to Naples only to be buried, the population spread her cult more and more, making it strong and vigorous. In 1625, Saint Patrick was proclaimed co-Patroness of Naples, being as celebrated as the other patron saint, Saint Genaro, the famous martyr.
For historical reasons, in 1864 her relics were transferred to the side chapel of the splendid church of the Monastery of Saint Gregory Armenia. The Church confirmed the cult of Saint Patricia on August 25th.

JACAREÍ, APRIL 11, 2010 Feast of the

Divine

Mercy (Revealed to the seer SANTA FAUSTINA KOVALSKA IN POLAND)

MESSAGE FROM THE MERCY JESUS

(MARCOS): “-Yes, My Lord... Yes...”

OUR LORD JESUS

“-Dearly beloved children of MY SACRED HEART... Today I bless you all with love. I pour out on you the efficacious Graces of My DIVINE MERCY, to purify

you, to fill you with grace, to lift you higher and higher, so that you may come to Me, so that you can unite with Me. and live in Me.

Today you remember My Apparitions to My Daughter FAUSTINA KOVALSKA, during so many years in Poland, to whom I entrusted My Messages of love, the Messages about the unfathomable abyss of My goodness and My mercy and the call to all humanity. For her to return to Me, she would return to My Arms with confidence, turning to My Divine Mercy.

But My Appeals, My Calls were in vain for many because the majority of humanity did not accept My invitation to return to Me The Lord of your salvation and your peace, through the door of Mercy, which I so generously opened to the whole world through My Little Daughter SANTA FAUSTINA and through which I offered to humanity the entire Ocean of My Mercy. Indeed, humanity continued to walk along the paths of sin, death, violence, selfishness, apostasy, atheism and so many other satanic things that My enemy offered to man and man because he did not love Me, because he had the his hardened heart, he accepted. Many effectively preferred darkness to God and because humanity continued to walk this path of self-destruction, sin and death,

Many souls could have been saved if the Messages that I entrusted to My Daughter FAUSTINA about My Goodness and My Mercy had been communicated, transmitted and announced to the world.

But what did those who were to propagate His Messages do? They denied them, they persecuted them, they forbade them, they silenced them and they hid them. That is why so many souls have been lost forever, opening in My Heart a Sorrowful Wound that makes It bleed with sadness and pain.

You My Children, you must console My Heart, close the Wounds that were opened in It, for the loss of so many souls: with your love, with your devotion to My Divine Mercy, with your total surrender, the total surrender of your life to My Heart, which I have been asking you for so many years. Only in this way will you close the wounds of My Heart with the balm of your love and then you will make My Heart exult with joy.

The World has not changed a bit since I warned My Servant FAUSTINA KOVALSKA. And because nothing has changed, because it always gets worse, because you become more and more deaf to My Voice, I am going to send that great Punishment that I foretold to My Daughter FAUSTINA.

Yes, I sent the DAY OF MERCY, but they didn't want it. I will therefore send the DAY OF JUSTICE, from which none can escape, and how great will that Justice be for men.

I have opened the door of Mercy, I have left this door of Mercy open for all humanity, this door which is My own HOLY MOTHER in Her Appearances Here and in so many Places on Earth continually warning you, warning you, calling you you, fighting for you.

But men have not wanted to enter through this Door, they reject My Mother, they reject Her Messages, they play with and Them, they do not surrender to My Mother, they do not consecrate themselves to My Mother, they resist My Mother, they resist My Holy Spirit . Therefore, soon I will close the Door. Soon My Mother will withdraw, If she will collect and you will no longer hear her Messages. Then I will open the Door of My Justice and I will make all those who have closed their hearts to My Mother and Me to enter through Her... and after having entered through Her, they will be introduced into the sea of fire and sulfur that will never be quenched, where there will be weeping and gnashing of teeth forever.

Hurry My children! Time is running out, My Mercy for you is still being offered every day from the heights of Heaven. Open your hearts and if I hear your YES from you I will come to you quickly, faster than the wind, I will envelop you, I will embrace you and I will introduce you into My ocean of Mercy and there you will be much more intimately united with Me than the little child in His Mother's womb.

Continue with all the Prayers that I have given you here, that My Mother has given you here, because through them I pour into your lives daily an unfathomable river of Mercy.

I want your Heart! Give Me your YES, you My child who hears Me now, I want your Heart, I want to be your Lord, I want to govern you, I want to direct you, I want to unite myself in such an ardent, profound and admired way. with you that you, like a metal thrown into the furnace, melt in Me and be able to melt in Me. Give Me your heart and I will enter it this very hour... I

bless you all generously at this moment."

(MARCOS): "-I will continue yes... (Pause) Yes, as the Lord wants. Thank you very much! From the bottom of my heart, thank you very much! (Pause) Yes My Jesus, you know that I am all yours and I will always be yours, always yours! (Pause) Yes, together... Us, always! (Pause) See you soon!

MESSAGE FROM SAINT JOÃO MARIA VIANEY - CURA DAR'S

"-My beloved brothers, I, JOÃO MARIA VIANNEY, come to you today with My heart full of graces and blessings to pour out upon you. You know that I loved

the Lord very much, that I loved the Most Holy Mary and also the souls who are so precious and dear to them.

Beloved brothers, nothing is more important on this Earth than saving the poor soul and reaching Heaven. Passing illusions and deceiving temptations are the attachments, riches, and vainglories of this world. Woe to the soul that despises the love of God, that neglects its salvation to live only to conquer the vain things, the riches and the honors of this earth, because at the time of its death its affliction, its despair to see that it made useless your whole existence will be immense, for the Word of Our Lord will never pass away and He said:

'What good is it for a man to gain the whole world if he loses his soul?'

Truly, it is useless for a man to be courted, to be a great millionaire, to possess all the goods, to have all the honorable titles on the face of the Earth if he does not have love for God, if he does not have love for his neighbor and for the salvation of souls, if he does not he has the virtues, if he does not know what poverty is, what chastity is, what obedience to the Lord is, what humility is, what love is. The child of darkness lives only for vain things. The child of light lives only for holy things, for heavenly things. In the soul that truly loves the Lord, true love is recognized, it is recognized that it came from the light, that it loves the light and therefore seeks to always be in the light. In the child of darkness, love for sin, love for vain things, love for evil and corruption itself is recognized, that is why he does not approach the light so that when he is illuminated by it his evil works will not be discovered. That is why I invite you to always live in the light, in the light of the Lord, so that your whole life may be a radiant and splendorous light, which can enlighten hearts that are still in darkness, so that, seeing the light, they walk towards the light.

Live in the light of the Lord, seeking each day more to live united to Him by deep prayer, by uniting your soul and your heart with Him, by conforming your will, your desires and feelings with the will and desires of the Lord, so that in you the will of God is the only light that enlightens you and that guides you. Live in the light of the Lord constantly in prayer, doing penance for your sins and trying every day to overcome your defects and thus improve as as Christians that you are, so that in your life everyone can see the presence of God's grace, of God's love, can admire the perfection and beauty of God, can glorify His Name, glorify how just, perfect and holy it is His law of love and His will and so all may want to walk in the light of the Lord, like you.

Walk in the light of the Lord, always seeking to give yourself more to His will, to His plan of salvation, and advancing ever more with greater generosity on the path of your total surrender to the Lord, so that you may be true servants of Him, true children of His who care of His vineyard, that is, of your own souls and of the souls of your brothers, so that one day you may be called by Him 'true children' and so you may receive the eternal reward that He prepares for you in Heaven. If you walk in the light of the Lord, you will bear fruits of salvation a hundredfold and in your life you will see the true and wonderful grace of the Lord working all sorts of wonders that will glorify His Name and that will make the radiance of his saving grace.

Walk in the light of the Lord each day, making hearts more and more open to His love, to His truth, to salvation. Pour the balm of true love, of God's grace on so many open wounds in so many hearts, to close them and to make everyone enjoy perfect spiritual health. Bring the love of the Lord and the Blessed Virgin, bring His grace, bring the light of Truth to all hearts that are still under the yoke of Satan in lies, in the illusion of the vain things of this world, in sin, in death, in violence and evil. So, truly, you will walk in the light, you will live in the light and you will make everyone walk and live in it, so that you will all be recognized as true children of the light.

I am with you at all times and I never leave you. If you don't leave Me, you will never leave yourself. If you do not turn your back on Me and close your hearts to Me, I will not close Mine to you. While it is still day, work, My brothers, because the night comes quickly, life passes like a day that ends and soon comes the night of eternity that will have no more dawn. Therefore, work quickly, help the MOST SACRED HEARTS in these Apparitions of Jacareí to make Their Word reach all hearts so that all convert and all walk in the light, be saved by the light.

To all of you at this moment, I generously bless you with love."

MESSAGE FROM THE ANGEL SAINT CHAMUEL

(MARCOS): "-Yes, I am ready."

ANGEL SAINT CHAMUEL

"-Mark, I am the Angel CHAMUEL, I come to bring the peace and blessing of the Lord to all of you.

Love does not contain itself, it always seeks to expand itself, to give itself, to expand itself in desires and works to make the loved one more and more happy, satisfied and aggrandized.

Love does not contain itself, it wants to transmit itself to other hearts so that everyone feels like it does and also wants to love the Lord as he does. This is true love when it is present in a heart that possesses it. It does not contain itself, it seeks to spread itself, it seeks to expand into other hearts and conquer them all for its Lord. Nothing is considered difficult, bitter, or too hard in the service and work of making your Lord more loved, better known, more obeyed and served.

It was this love that burned in the heart of the Virgin Mary, it was what burned in the heart of Saint Joseph and in the hearts of all the Saints. If you open your hearts to this love and welcome this love in it, it will drive you more and more in the search for the fulfillment of the divine favor of the Lord and also in the conquest of other souls who will want together with you: to love the Lord, to serve the Lord, to glorify the Lord and to give oneself, to give oneself completely to the Lord.

In order for you to have this love in you, it is necessary that you cast out of your heart the love of the world, the love and attachment to creatures and transient things. You must completely empty yourselves, you must want to live a simple, humble life and seek only to love the Lord, fulfill His Law and do what pleases Him. If you follow this path of simplicity that so many saints followed, you will truly see true love grow in you, you will feel true love in you and you will truly make love triumph in your life, in the lives of those around you and in the whole world. .

I, CHAMUEL, am with you, I help you, I protect you, I cover you with My shield of light, I enlighten you with My holiness, I warm you with My affection, I engulf you with My love. To those who call Me I will give My hand and I will lead them safely to Heaven.

Peace Mark, peace to you all.”

JACAREÍ, MAY 02, 2010

MESSAGE FROM BLESSED MARY

"-My beloved children, I come once again from Heaven to give you My peace. I address each child of Mine, each child to My Heart, calling them again to listen to My maternal cries and to give yourself completely to Me.
Come to Me, you My son... you who were redeemed with the blood of My Son

Jesus on the cross, with My pains and tears of blood. You, whom I loved so much. You, who are loved by the Lord. You who are loved and desired by Me before all ages. You who are more precious to Me than pearls, diamonds and emeralds. You, who are a soul created in the image and likeness of God.
Come, come My son, don't be late! Your Heavenly Mother surrenders to you, who has been waiting for you here for almost twenty years, in these Apparitions of Jacareí, to fill you with divine grace, to fill you with the love of the Lord, to flood your soul with the torrents and currents of the gifts of the Lord. Holy Spirit.

Come to Me, you who have resisted My call, you who have fled from Me. You... you who have turned your back on Me. Don't let night fall on your sin, don't let night fall on your deafness and your hardness of heart, for if this happens everything will already be lost for you forever.
Turn to Me before it gets dark. Return to Me before it gets dark, before I close the door and you are groaning and crying outside, where ravenous wolves roam in darkness and darkness to devour their prey.
Come, enter... enter My house, enter My chamber, enter My refuge before nightfall, before dark, before it is too late for you.
My son, see that the day is already getting dark, the night is approaching and soon those who have not entered through the doors of My house will be left outside, surrendered to the fury of the nocturnal wolves.
Come, come while there's still time! Come while I leave the door open for you. Don't delay any longer, decide today, decide now to return to My arms.

I, your Mother, await you with open arms, I will receive you with an open heart and I will not condemn you, because I have not come to condemn anyone, but to call everyone to conversion, everyone to salvation. If you come to Me, I will remove your torn, dirty and stinking garment, the garment of your sin, the garment of your earthly attachments, the garment of your vices and your miseries... And I will give you a new garment for free, beautiful, pure, shining, white as snow and covered with precious stones of My own graces, gifts and virtues.
Come to Me My child and I will make you truly taste the banquet of the love of the Lord, I will make you taste the delights of the good pleasure of the Most High and I will make you grow more and more in joy, in life, in grace in the eyes of the great King of Sky.
Come, you My son, who are like a desert, a dry river, a well without water, a dried up spring, you who no longer have the grace of God, who no longer have the vigor of sanctifying grace, you no longer have divine love, which no longer has the communication of God's grace in you. Come, and if you give yourself completely to Me, I will transform you from an icy, arid and loveless desert into a beautiful, flowery, fragrant garden where the sources of pure and refreshing waters burst, the waters of love, of grace, of holiness and peace.
Come to Me My child and from a mountain of ice I will transform you into a true burning furnace of love. Come, I want to remove from you all the stains that My enemy has produced in you, I want to heal and close in you all the wounds that My enemy has opened in your soul through sin and I want to transform you from a leper into a beautiful image , luminous, perfect, of the very beauty of the Lord.

Come My little sheep, your maternal Shepherd is calling you!
Come, I want to remove from you all the wounds, all the thorns, I want to heal you, I want to strengthen you again so that you can become a healthy and beautiful sheep, that with its bleating can attract other straying sheep and bring them to Me, following Me along the path of holiness and love to My safe fold.
Come my son, you who wander through the orphan world, without a mother. Come, I call you to lean over My Heart, to feel its beats and to receive in you the reflections of My own immaculate purity.
Come, I want to cover you with My mantle, I want to transform you into a bouquet of myrrh, into a more fragrant bouquet of roses to lay at the feet of the throne of My Lord and there to cultivate you forever for the greater glory of the Holy Trinity.
My Son, continue to pray the Rosary. Through the Rosary I will transform you into a flowering garden of beautiful and rare beauty. I will make the chrysanthemums of humility bloom in you, the carnations of obedience, the roses of love, the violets of sacrifice and mortification, I will make the petunias of true and tender devotion to Me bloom in you, I will make all the jasmines of purity bloom in you , the lilies of kindness and all kinds of spiritual flowers, so that in you my divine son Jesus Christ may rest, be pleased and rejoice.
Come My child, take My Rosary

Every time you take it in your hand, I take your hand and with your hand in Mine I offer this most powerful prayer to the Lord for your salvation and the good of all humanity.

Never doubt, My child, with each Rosary bead I arrest many demons that roam the world, I free many souls that were under their influence, and once again I restore these souls to My Son Jesus, to His saving grace, therefore:
PRAY . PRAY. PRAY.
The devil fears those who pray My Rosary, because to these souls I give My grace, I give My strength, I give My virtue.

I bless you all at this moment generously.”

(MARCOS): “-See you soon, Madam”

Obs.: The visionary Marcos Tadeu said that Our Lady warned that in the next Cenacle of 05/09/2010 - Sunday - Commemoration of the 93rd Anniversary of the Apparitions of Fatima, the Little Shepherd Francisco will come to give us His Message. Recently at the Cenacle on the 21st of March, Pastorinha Jacinta appeared and left us her Message.

CENÁCLE OF COMMEMORATION TO THE 93rd ANNIVERSARY OF THE

APPARITIONS OF OUR LADY IN FÁTIMA -PORTUGAL, TO THE THREE SHEPHERDS - LÚCIA, FRANCISCO AND JACINTA

(Our Lady announced in the Upper Room of 05/02/2010 the arrival of Pastor give us His Message)

MESSAGE FROM THE SHEPHERD FRANCISCO

"-My beloved brothers, I, FRANCISCO, Francisco Marto, the little shepherd boy of FÁTIMA, come to bring you peace, to bring you the love and grace of the Lord and of the Most Holy Mary to flood with this love and for this peace your souls and your hearts.

Come, you, My brother, you who hear Me and hear Me, you who were attracted by the Lady of the Rosary and Peace to this blessed Place which, for Me, for Us all the Saints in Heaven, is dearer than any other the world with its treasures and beauties. You who were drawn this far, you who were loved with an affection, with an unparalleled predilection, you who were the target of the mercy and benevolence of the Most High, you who received the grace to be here, to hear these Messages, grace that so many nations and peoples wanted and did not receive, you who have received this favor from the Lord, open your heart, cast away all love of yourself, all attachment to your will, all rebellion and disobedience, cast away all vanity and all thirst for the honors and joys of this world, so that at last there is room in your heart for the grace of God,

Follow My examples, because I, together with My sister Jacinta and My cousin Lúcia, loved the Lord and the Lady of the Rosary very much. If you follow Me, I will transform you into a true copy of Myself, reproducing in you My feelings, My virtues and My own love, so that with Him you can love God and the Holy Virgin with a pure heart, totally detached from Earth, completely turned to heavenly things.

Come and learn from Me to be silent in insults, in insults.

Come and learn from Me to receive injustice, pain and suffering in peace and to offer everything to the Lord for the salvation of lost sinners who can only be saved if there is a great force of atonement, sacrifice and supplication in their intention. And there is no way to plead more violently to Heaven than to offer suffering, sacrifice, with love.

Come, learn to carry your cross as I carried it, offering it to save all humanity and so many souls that every day run the risk of losing God's grace and falling into sin. With this mystical and supernatural force, offered by you to the Lord, the force of prayer and sacrifice, we will be able to prevent many souls from falling into the clutches of Satan and that many others that he already took for granted as his forever will be freed from his clutches. and its evil influence.

Come after Me, my friend and My brother, learn to glorify the Lord and to love

Him as He wants to be loved. He wants to be loved with deeds, not so much with words. He expects from you works of love, generosity, donation, total surrender, emptying yourself and complete consecration of your whole being to His love.

You were not created for yourself, nor for the world with its amusements, vainglories, treasures and riches. You were not created for evil, but you were created to be a perfect image and likeness of the Lord and to glorify Him with your love, with your life and with your works in the midst of creatures and nations.

You must therefore return to your original vocation: to be a perfect image and likeness of God. To do so, cast out of yourself everything that distorts this perfect image, all love for yourself, for the world and for creatures, all disordered attachment, all shadows of vanity, pride, selfishness, coldness and hardness of heart. . Follow Me on the path of innocence, follow Me on the path of holiness and I will put My Hand in yours and I will lead you with sure, firm and certain, constant and vigorous steps, further and further along the path of true love and true holiness.

Fear not in sufferings! The Lord will always be with you as He has always been with Me and just like the Lady of the Rosary and Peace never abandoned Me, She will never abandon you either. Can't you see that Her Apparitions to Me, to Lucia and Jacinta in Fatima so many years ago and also here in this Place, to Marcos, for almost twenty years now are the greatest proof of Her love for you? What mother would be looking for her child for so many years, for so many decades and even centuries, if she didn't love him in a burning and even almost maddened way with love?

This Mother exists. It's the Virgin Mary! And in her Apparitions She comes to get you, comes to love you, comes to heal you, comes to free you from evil, comes to fight to take you to Heaven, to salvation! Believe, therefore, once and for all in Her love, consider for nothing everything that is not Her, everything that is not Her love, all love that is not Hers, and surrender yourself once and for all to the arms of this overwhelming love. who wants to communicate with you, who wants to burn you, to consume you completely until nothing remains of the old man that is in you, so that a new creature renewed in God may be born in its place. Throw yourself into this Mother's arms and you will see how many wonders She will do for you, just as She did for Me, My sister Jacinta and My cousin Lucia. If you open your heart and give yourself completely to her, you will see that lasting peace will arise in your soul,

Grab the Rosary. Pray it fervently every day as I prayed! Through the Rosary I acquired all virtues, through the Rosary I conquered all sufferings and difficulties, through the Rosary I overcame all interior and exterior problems, through the Rosary I reached Heaven. And if you follow Me along the road to the Rosary, praying it with love, meditating attentively on the lessons it gives you, if you love it more than your own life, I promise you: at the hour of death I will extend to you, I will throw the My Rosary and I will lift you up, I will lift you up to Me in the glory of Heaven!

I bless you My friend and brother, you who hear Me now, who read these words, who hear My voice, I love you and at this moment I write your name in My heart. I will pray for you without ceasing and I will not cease until I see you at My side prostrate in adoration before the throne of the Most High and before the throne of the Blessed Virgin praising and glorifying Her for all eternity.

Peace Mark. Peace to all. Peace to you, My beloved brother."

CELEBRATION OF CELEBRATION AFTER THE 93rd ANNIVERSARY OF THE APPARITIONS OF OUR LADY IN FÁTIMA - PORTUGAL, TO THE THREE SHEPHERDS - LUCIA, FRANCISCO AND JACINTA ON MAY 13, 1917

MESSAGE FROM OUR LADY

"- My dear and very loved children of My Heart.

when you are still here contemplating My Apparition in Fatima, I say to you: 'My Immaculate Heart will triumph, as I promised in Fatima and as I promised you so many times Here.'

My Heart will reign in the hearts of all men. And My kingdom will be the

kingdom of love, of peace, it will be the kingdom of true union among men of good will. And then, all men who survive the Punishments and remain alive, kept under My protection, will be one people adoring and loving one Lord, loving, obeying, serving and following one Mother, I, your Mother.

My Immaculate Heart is with you My children! And My love never tires of showing you how much I want your salvation, how much I want your happiness already here on Earth and with Me in Heaven. What destroys your happiness is sin, it is love for sin, it is love for that which is contrary to the will of God. This is what destroys your peace, this is what introduces disorder into your life, this is what makes your days dotted with continuous suffering and pain.

Yes, your sins or the sins of men are the cause of your sufferings. That is why I have asked you so many times to change your life, to convert and to work together with Me in spreading My Messages, My Rosary so that everyone can convert, leave sin and so the world can finally reach peace. .

I invite you to fight with Me once more. Do not be discouraged, for I am with you! And together we will work for the victory of good, for the victory of the Lord, of grace over sin, of light over darkness, of love over hate, of peace over war.

I am with you My children! You know that you are very responsible for the testimonies you give to others who see you and who hear you. Many see religion as something hard, bitter and even impossible to practice because of you. Yes, because you give them a bad witness, a bad example. By not letting go of your attachments, of your loves for the vain things of this Earth, you make religion bitter, hard and heavy. You don't want to let go of that weight that you insist on continuing to cling to and carrying with you. And in this struggle, in this weariness of trying to reconcile the love of God with the love of the world and its vainglories, you get tired and give the world an ugly witness that religion is too hard. Oh no! The yoke of My Jesus is easy! He becomes gentle to those who free themselves from the yoke of the world, from the yoke of bondage to sin,

Therefore, seek My children to free yourselves inwardly so that like Saint Gemma and all My Saint children who are with Me in Heaven, your faith may be a pure, joyful, gentle, sweet faith that enchants everyone, that invites everyone , that it attracts everyone to also follow and love My Jesus and Me.

The Cross of My Jesus will be the weight you can carry a single kilo more. Therefore, My children, TRUST! I am with you, all the Saints in Heaven are with you, to help you carry the cross. And this cross carried by you with love and for the love of the Lord will be a source of conversion and salvation for many souls.

Make the Cenacles that I asked so much of you in families, taking My Messages, My prayers and everything I have given you here in My Apparitions in Jacareí.

Pray the Rosary with everyone, teach it to everyone, because it is through the

Rosary that I will save you and that in the end My Immaculate Heart will triumph!

To all, at this moment, I bless you from Fátima, Montichiari and Jacareí."

MESSAGE FROM SAINT JOSÉ

“-My children, pray. Pray. Pray. Continue to pray the Thousand Hail Marys often because it is through them that many nations will be saved, including yours.

(Seer Marcos Tadeu): Then he spoke to me privately, gave me personal instructions, blessed me and disappeared. Saint Joseph wore a white tunic with a gray-blue cloak today.

1st Message of the Angel Bramiel

“-Mark, I am the Angel Bramiel. You must all open your hearts to divine love and allow yourselves to be completely taken by it. When a soul opens and accepts this love, it is completely absorbed by the desire to please, glorify and satisfy it more and more. For this reason, nothing seems too bitter or harsh to him, and his joy is continually to give himself to the Lord. True charity is the seal of the soul that loves and in it the Lord delights in pouring out his boundless divine grace. It is only through true devotion to Us, the Holy Angels, that the soul can open itself to this divine love and for it to be completely filled. The more the soul opens to Us, the more it will receive the divine love that fills and enraptures Us. Pray for us more so that we can fill you more with this love. Peace, Mark. Peace to all.”

(Seer Marcos Tadeu): Then he spoke to me privately, gave me personal instructions, blessed me and disappeared. The Angel Bramiel had dark hair, green eyes and wore a beige robe.

Jacareí, May 17, 2010

Message from Saint Joseph

“- My children, contemplate My Most Loving Heart enveloped in mystical flames of love. These flames must descend upon you and enkindle you, make you ardent in your zeal for the glory of the Lord, for the fulfillment of his will and for the salvation of souls. Do not refuse to receive the flame of My Heart in you, as it desires today more than ever to communicate with you and take care of your whole heart. You must put My Most Loving and Ardent Heart in the place of your sinful heart, through the mortification of your will and acceptance of Mine. In this way, your heart will disappear and in its place Mine will appear, on fire and full of love and with it you will be able to love and fulfill the holy will of the Lord every day of your life. Then I will be the one to act in you, to govern your life and to work mightily for the salvation of the world.

It is in your smallness that I want to manifest My power and the wonders of My love. Make My Hour of prayer always, because through it I will prepare your heart to receive the “baptism of fire” from My Most Loving Heart. Contemplate My Most Loving Heart more, because it wants to teach you and infuse you with heavenly love. I bless this chapel of the Sanctuary that is My 2nd house in Nazareth, to you, My chosen Marcos and to all My beloved children. Peace."

(Seer Marcos Tadeu): Then he spoke to me privately, gave me personal instructions, blessed me and disappeared. Saint Joseph wore a white robe with a gray-blue cloak today.

Jacareí, May 15, 2010

1st Message from the Angel Jael

“-Mark, I am the Angel Jael. I love you. I love everyone who prays here and loves this holy place of the Apparitions. I come to bring peace to your hearts and I want to fill you with such peace until it overflows. But no one will be able to receive peace or keep it as long as he remains attached to those things that prevent him from receiving or keeping peace: loves for the vain things of this world and for creatures. Leave these loves disordered and leave your will also disordered and then you will be free inside and you will finally be able to have true peace and you will exult with joy in the Lord. Pray the Rosary. Only through him will you reach divine peace. I pray for you without ceasing before the throne of the Lord and I cover you with my holy wings to defend you from all evil. Peace."

(Seer Marcos Tadeu): Then he spoke to me privately, gave me personal instructions on what I should do, blessed me and disappeared. The Angel had blue eyes, blond hair and wore a light blue robe.

MADE AVAILABLE BY THE SEER MARCOS TADEU - ON THE FICIAL SITE

Jacareí, May 14, 2010

Message from Maria Santíssima

“-My beloved and much-desired children, I invite you to true love for the Lord. Your love must be generous, ardent and ready to fulfill the will of the Lord. Without this love, the Lord will not be able to accept you and will not be able to unite with you. Imitate My Little Shepherds of Fatima: Lucia, Francisco and Jacinta, who lived their unreserved love for the Lord and Me to a very high degree and practiced the virtue of generosity in such an admirable way, so that the Lord can finally unite with you and reign definitely on you. Continue to pray the Holy Rosary every day because it is through it that I will make you grow in love and in the virtue of generosity day after day. I bless you all generously now. Peace."

JACAREÍ, MAY 23, 2010

PENTECOST SUNDAY

MESSAGE FROM OUR LADY

(Seer Marcos Tadeu): May JESUS, MARY and JOSEPH be praised forever!

OUR LADY

“-My beloved children! Today, I invite you again to holiness. Without holiness you cannot be accepted into Heaven the day you leave this world, and without it God cannot unite with you. Only through holiness will your life, your existence, reach the fullness of the purpose for which it was given to you by God.

You were not created by GOD to only enjoy the goods and things of this world as if they were an absolute end in themselves for you, no! You were created for the Lord, for His Love, to know His beauty, His grace, His goodness, which fills the entire universe. And so that, in knowing and loving Him, you might be partakers of His divine life, of His grace and eternal happiness.

In all My Apparitions around the world, I invited men and I still invite them to holiness, but few have responded to My call because they are still too attached to themselves, to the world, to the goods, honors and vainglories of this world.

My children, holiness is easy for those who have already renounced themselves and chosen God. It is only heavy, hard and difficult for those who keep trying to reconcile love for God and love for the world; the fulfillment of God's will and the fulfillment of your own will; the search for God and the search for the satisfaction of one's interests and personal desires, most of the time contrary to God's will. For these, the path of holiness will always be hard and bitter, so I invite you My children.

Do not be of the number of those unfortunate ones, whom My Angels, My

Angels of Justice will tie up like bundles of wood and throw into the fire that will never go out...

I am the Mother of divine Justice! Now I am the Mother of Mercy, I am giving every opportunity to men, to you. I appear, I cry in My Images, I call, I give signs in every part of the world to call you to God, to salvation. But soon, when this time of Mercy ends, the time of Justice will begin and I, the Mother of Justice personally, will be the One who with My Son the divine Judge, will apply the most fearsome Justice against all those: who mocked Me , who did not want to obey Me or listen to Me and who were the cause of My Heart having so many thorns to pierce, stuck in It.

Therefore, my children, I invite you: SANCTIFY YOURSELF, for this is the time that the Lord has prepared for you, where everyone who wants to seek holiness will achieve it.

SEDE SANTOS, like My daughter Rita de Cáscia, like My Little Shepherds, like My little daughter Bernadette de Lourdes and so many of My Seers, of My Elect throughout the world. Thus, My children, you will give My Heart great joy and reasons for Me to come to give you salvation on the day when each one is called by the Lord to receive each one, the reward according to his works. This time of grace was given by the goodness of the Lord to you. I appear, I call, I speak and yet so few are those who follow Me... Imagine if I then did not come to speak to you, if I did not appear, if I did not manifest Myself to give the world My Messages of salvation. There would no longer be anyone under the banner of the Cross of My Jesus!

That is why I ask you My children: do not waste time, spread My Messages to everyone! Make the Cenacles that I asked of you in families, taking My Messages, the prayers and the treasures that I have given you in this place, so that as soon as possible I gather the number of sheep to keep safely in the fold of the Sacred Heart of Jesus. And then, may the Lord finally accomplish the great Triumph of My Immaculate Heart that I await with holy anxiety.

I bless you all at this moment, from FÁTIMA, from HEROLDBACH and from JACAREÍ."

Sanctify yourselves, for the greater glory of the Lord and of the Blessed Virgin. So that through you the world may see the light of the Lord, the light of salvation, and then come out of darkness and into the light, to know the

truth. And so, reach the salvation that the Lord still generously offers to all.
Sanctify yourselves, that in the world again good may triumph over evil, love over hate, peace over all forms of violence and war, holiness over sin, truth over lies, light over darkness.
Sanctify yourselves, so that in you and through you the plan that the Lord has for each one can be fulfilled. France is extremely loved by God and the Blessed Virgin. It will shine over France with great splendor. And when her light shines, all France will be attracted and will return to Her maternal Heart and the Lord God will be truly glorified by all the hearts and all the souls of that nation. That favorite nation, so loved by God and the Blessed Virgin, will give glory to the Lord in such a way that all the peoples and nations of the earth will sing the hymn of
joy and praise to God for all that He has accomplished and will still accomplish in France. , her favorite daughter.
I, Gabriel, am with you. I love you. Continue to say all the prayers that the Blessed Virgin gave you here, because it is through
them that you will obtain victory in the great battle, which now envelops us. It involves Heaven, Earth and Hell. And only those who
are closely united to the Blessed Virgin Here, by obedience to Her Messages and by the prayers She has given Here, can in the end be crowned with the crown of eternal glory.
I, Gabriel, say to you: Seek the strength of God in Prayer and you will find it. Open your heart to the Lord, renounce your will and accept His. And in your life the Triumph of God's Grace will be assured.
Peace Mark. I love you. My chosen, my favorite friend. Peace Mark.”

So that, truly, your prayers may become powerful in My eyes and in the eyes of My Eternal Father. And so, may they achieve Divine Mercy for the world, canceling many punishments and achieving more time for the conversion of sinners. As well as achieving for yourselves that peace, that happiness and those graces necessary for your salvation, which your soul needs so much to be able to truly reach that consummate holiness, which I so desire from all of you, My children.

I'm with you! I walk beside you, I gave you My life and this is the greatest proof of love I could give you. And as if this proof were not enough, I have given you the great proof of My Love Here in these Apparitions, which have lasted for almost twenty years!

The long time that My Mother and I spend with you Here is the great sign of the immense Love that we have for all of you. And has your heart given itself completely to Me? Have you perfectly renounced yourself and what you want to be all Mine and want only My will? Are you those My children who truly already live in Me and I in you? Otherwise, return quickly My children! Return quickly to My Heart! Do it in such a way, act in such a way that I believe in your

good will, that I believe that you are truly seeking holiness and that you want to be perfectly Mine.

Live as My true children, as children of Light and not children of darkness.

I bless everyone today generously."
MESSAGE FROM OUR LADY

"-Dearly loved and much desired children of My Immaculate Heart! Today I give you Peace once again.

Love the Lord with all your soul, with all your heart, as he commands you, as the 1st Commandment of the Law of God commands you: 'Love the Lord, giving him your pure and supernatural love, seeking more and more every day. to His Face.' In other words, knowing Him and loving Him in His Word, in His Commandments, in His will that are revealed to you in these times in an extraordinary way in My Apparitions and Messages, in prayer, in the events of each day that indicate to you the will of the Lord concerning you.

Love the Lord with all your soul, having no other love in you than His, looking for nothing outside His Love and to increase His glory even more. To increase the glory of the Lord by making Him better known and loved both by yourselves and by the souls of the whole world, be the only scope of your soul, of your life, of your existence.

Love the Lord, living a life of intense prayer and deep intimacy with Him as I have taught you all these years here in My Apparitions. So that, growing in this sweet intimacy and union with the Lord in prayer, you may go each day: becoming more docile and more beautiful, more pure and more friends with Him, closer to His Heart and more filled with His Holy Spirit. So that, through you, the Lord can carry out even the greatest works of grace, conversion and salvation in the world that He so desires and so much hopes to accomplish through you!

Love the Lord with all your strength through Me and through Me, for only in this way will you love the Lord perfectly and fully, deeply and totally. And only in this way will he accept your love and let himself be loved by you and will love you in Me and through Me. By doing so My children, truly, I will be able to transform you into beautiful and fragrant roses: of love, of prayer, of generosity, of faith and fidelity to the Lord. So that He may then feel the sweet fragrance of your love and thus be able to delight in you, rejoice in you, rest in you. I call you to sublime love, it is the most consummate holiness to which I call you Here. The purpose of My so prolonged and extraordinary Apparitions Here is to transform you: into complete saints, perfect saints, mystical roses of love, all of them embalmed and perfumed of the highest,

I want to perform in you this great grace! But without your YES, I will not be able to do it because I respect the freedom that the Lord God himself has given you. Salvation and damnation are in your hands, holiness and sin. You must

choose and I will act upon you according to your choice. If you give Me your YES today, I will truly take you and raise you to such a great degree of love for the Lord, that you will even become Seraphim burning with love for the Lord already on Earth and in you and with you the Lord will be able to truly, be pleased. if and remain as in His second Heaven, as in the beginning He lived and remained with Adam and Eve, the first Parents. To this great friendship, to this great coexistence with the Lord I want to take you through a deep,

I am with you My children! I want the Sacred Heart of My Son to be better known and loved. I tell you, the impious thrones will soon fall and in their place will arise Three Glorious Thrones: the Heart of My Son Jesus, My Heart and the Heart of My Most Chaste Spouse Joseph.

These Three Hearts will triumph! And the thrones of Satan, sin and wickedness of this world will be reduced to ashes that the infernal wind will carry forever to its flames.

Into this Kingdom will only enter My faithful subjects, My brave and courageous subjects who now carry the cross for My love, the cross of persecution, the cross of exclusion, the cross of loneliness and the helplessness of the world. These My children, who carry the cross with me today, will carry on their heads most glorious crowns, which I myself will place as a prize for their virtue so well proven, for their fidelity so well maintained. I wish you to continue praying all the prayers I have given you Here, for through these prayers you hasten the coming of the Kingdom of Our Most Sacred Hearts to the world.

Today, I bless you all from Paray-Le-Monial, from Fátima and from Jacareí.

Peace Mark. Peace to all My beloved children."

JACAREÍ, JUNE 6, 2010

MESSAGE FROM THE LOVING HEART OF SÃO JOSÉ

"-Dearest children of My Heart. I, JOSEPH, your Father, bless you again today and give you Peace.

Be living stones, working intensely for the construction of the Kingdom of the Lord on Earth, as much as it depends on you. Serving with generosity to the divine plans that he wants to save and lead all humanity back to peace, conversion, complete sanctification, love, and the victory of the Kingdom.

Be living stones, fighting hard to extinguish your defects in yourself and also to

extinguish in others the defects that so prevent souls from achieving perfect holiness. So that, with the Lord, you can build the new living building, the new living Temple of glory and holiness that the Lord so desires.

Be living stones, placing yourselves totally at the disposal of the Lord, so that He may use your whole person, your whole being to make His Love, His Grace and His Law known to the whole world. So that the building of living and holy souls may increase more and more for the greater glory of the Lord, until he builds all his holy city, all his new Jerusalem, which you are all called to be the living stones of the holy city of Sir.

Be living stones, seeking more and more: to live with love, pray with love, suffer with love, work with love and do everything with love. So that your edification may be true and lasting, so that the construction of your holiness may be an eternal and perpetual construction that does not crumble with the winds of selfishness, betrayal, love for the world, attachment to oneself and attachment to creatures. That your edification, that the work of your spiritual growth may last and last forever.

Be living stones, seeking at all times to sow love wherever you go. The divine love, the love that the Lord here calls all his children at this time, to know him, to love him, to give him in his heart, to live completely united with him. So that He can perform in the lives of each of His children the wonders of His Love, His Goodness and His Mercy.

Thus, truly, God will be able to build His new Jerusalem, His Jerusalem of Love, His new holy city in you and through you. And he will finally be able to set up His throne among you and reign with you and in you forever.

My children, I call you all to be living stones of prayer, sacrifice, generosity and love! Say your yes today and I will take your heart and transform it into a true living stone where the Lord will be able to build every good work, every holy work.

I bless you all at this moment with love."

MESSAGE FROM OUR LADY AND SANTA ZITA

MESSAGE FROM OUR LADY

"-My beloved children, today with My Heart full of love I bless you again and I give you My peace.

Through the mouth of My servant, you can now hear My Message and understand the feelings of My Immaculate Heart. I want you to pray as much as possible, because the world needs many and fervent prayers, courageous sacrifices so that sinners can find the light of salvation, the light of grace and peace.

Be, therefore, My children, collaborators of My Immaculate Heart, praying as I asked you from the beginning of My Apparitions here, also offering your daily work each day as part of prayer, as part of sacrifice and always seeking to bless the Lord, who loves you, who sent Me here with My Messages to bring you the light of salvation that He offers you.

Be collaborators of My Heart, taking My Messages ever further to all My children, communicating them to all those who do not know them, making the Cenacles that I asked of you in families, so that My children may know the prayer that saves them, the prayer of My Rosary, the prayers that I am here for them, so that they may know My Messages, that they may know My Apparitions Here and throughout the world, which I have made with the loving eagerness of a Mother, that wants to save all My children!

In this way, you are the true helpers of My Heart, the true collaborators of My Heart, who help Me in the arduous task of calling the whole world to conversion and of bringing it back to the Lord along the path of prayer and penance. And you give My Heart a great relief, a great rest to see that in you My Heart finds an answer, finds generosity, finds understanding, finds love.

Be the collaborators of My Heart, offering all the sufferings that the Lord allows to happen to you, so that, through this intense offering, we can reach from them to the whole world, the Miracle of Divine Mercy, that saves the world from the great destruction, of the great punishment that awaits him.

Be the collaborators of My Heart, seeking at all times and places to make Me loved, known, obeyed and reciprocated as My Little Shepherds of Fatima did, as My children of Medjugorje did, My dear angels, as this My dear angel did Mark, since when he first saw Me.

In this way, if you love Me as They loved Me, if you obey Me as they have always obeyed Me, you will be the true collaborators of My Immaculate Heart. You will give the Lord greater glory than He ever received, you will attain that most consummate holiness, and you will give the world the most vibrant witness of love for the Lord that ever was.

Thus My children, I desire to lead you each day along the path of perfect love, of perfect correspondence to divine grace and of the perfect fulfillment of the loving plan of My Immaculate Heart.

Continue with all the prayers that I have given you Here, through them I will triumph, through them We will conquer evil and arrive triumphant in that glory and that eternal happiness that God and Our Lord prepared for everyone.

Yes My children, even though I am already in triumphant glory, I walk with you, your sufferings are My sufferings, your pains are also Mine, your sufferings are also Mine, because I am your Mother and I received you at the foot of the cross with all My love to be the Mother of all humanity.

Therefore, I walk with you and I will guide you, I will take you to eternal happiness, to eternal glory! And then My children, nothing, no good will be able to destroy Our joy, our happiness and our joy anymore.

I spread My mantle over all of you and I bless you generously from FATIMA, from MEDJUGORJE and from JACAREÍ.

Peace Mark. Peace to all My beloved children."

MESSAGE FROM SANTA ZITA

"-Marcos, I ZITA, I bless you and I bless all your brothers now. Peace My brothers. Peace!

Be the humble servants of the Lord, living in peace, sowing peace, spreading peace to all hearts that have no peace.

Be humble servants of the Lord, serving more each day with a humble, trusting heart, detached from yourselves and totally dedicated to making Him more known, loved, served and adored by all.

Be the humble servants of the Lord, renouncing your will every day, giving yourself more and more to deep, intense and burning prayer. So that through your hearts, a river of divine love and peace may flow over all humanity, filling all souls, all humanity with the peace of Heaven.

Be humble servants of the Lord, seeking more and more to know the will of the Lord, through the Messages that are transmitted to you here, through the life of deep intimacy with Him and with the Most Holy Mary in prayer. So that, through you, the glory of the Lord may shine, the splendor of His Goodness, His Holy Will, His Mercy may shine. And may every creature know the Lord, His Goodness, His Mercy, His Love towards all and from every tongue the most vibrant hymn of praise to the Lord comes out.

Be humble servants of the Lord, trying more and more each day to live in this

world as if you were not there, with your heart set on heavenly things, while not neglecting your earthly obligations. Seeking everything and everywhere to spread the love of the Lord, to spread the light of truth that is His Word and His Messages from here and from every place where the Mother of God and the Lord Himself have been. So that in this way, you may be the shining mirrors, which reflect the light of salvation and grace to all.

Be humble servants of the Lord, seeking to do both great and small things with deep love, so that they all have a supernatural value before God. And may this merit reach before the Lord, not only for you, but for the whole world, a shower of Mercy, of salvation and of peace to overcome all the evil, so much evil, so much injustice that exists on Earth.

I am with you, fear not! I am very close to you and I cover you with My heavenly apron, I pour on you the flowers of My blessings today. The enemy persecutes you because you do not belong to the world, you belong to the Lord, you belong to the Most Holy Mary. And as such you are to him a continual torment, you are to evil a continual torment, a continual scourging, a scourge of conscience. Do not be afraid, because I am with you and I accompany you! I know all your difficulties and problems and My Hand is upon you to protect, help and guard you. In sufferings when the cross is heaviest, I will always be by your side. I cannot take away all the crosses from you, but I promise to lift them up, help you to carry them and overcome them all with love, with faith in the Lord and in Mary Most Holy.

My Heart watches over you, even during your sleep, and I desire that each of you imitate the virtues that I have practiced, especially true love for the Lord, so that His loving plan, which is always of salvation, may also be fulfilled in you. , kindness and mercy.

I, ZITA, invite you to take the Rosary and pray it now more than ever so that the plans of the Blessed Virgin are fulfilled, so that at least a third of converted souls, truly converted and sanctified in the army of love and of Her prayer. And to trust fully in the Lord who is your Father, who loves you and is always with you.

I invite you with the Rosary to undo Satan's plans one by one and remove the obstacles he puts in the way of the Lord and the Lady, from Their divine plans, one by one. With the Rosary We will achieve these graces and these victories. And I promise to descend from Heaven with the Angels to pray with you and to offer with you the prayer of the Holy Rosary!

I bless you all at this time generously.”

JACAREÍ, JUNE 20, 2010

MESSAGE FROM OUR LADY

"-My very beloved children! Today, when you are already celebrating My Apparition in Medjugorje, I come once again to invite you to the true love that I personally came from Heaven to offer you there and here in Jacareí. hearts perfectly filled with Divine Love, give the Lord that love, that fidelity and that correspondence that He so desires and He so much hopes to receive from all of you

! that the hearts of men turn to God, open to His Love, receive and respond to Him, so that the Holy Trinity may receive the perfect glorification of all of you, of all the children of the Lord.

My Medjugorje Apparitions are the last call I make to the world for Peace. If My Messages are obeyed, the world will have Peace, lasting Peace, the Peace of God. Otherwise, it will self-destruct by so many and so many wars, by so much injustice, evil and violence that will explode from all sides.

Before you are war and peace, you will stretch out your hands for whatever you want. If you choose My Messages, if you choose to obey them, you will have Peace, otherwise you can expect the worst conflicts in the world, in society and in families. I call you, therefore, once again to accept Peace, accepting My Messages and putting them into practice, in real practice.

My Appearances in Medjugorje are the last sign that the Lord God offers the Earth, the sign of the Woman clothed with the Sun who fights the great dragon, the woman who leads all Her children to salvation, and even being pursued by the dragon the Woman struggle to bring His seed all up, all to God, to bring His seed to the right hand of the Lord.

My Apparitions in Medjugorje will finish what I started in Lourdes, La Salette, Paris, Pontmain and Fatima. The secrets of Fatima will be ended through the secret that I entrusted to My chosen children, My young people of Medjugorje. And My plan that I have carried out since My oldest Apparitions to save the whole Earth will finally conclude with the most glorious Triumph of My Immaculate Heart.

Here, in this place, where I also entrusted so many secrets to My little son Marcos, I will see My plan, I will see the Secrets that I gave in Fatima reach their full realization. All men will then know that God exists, they will know that I exist and I was Here, that I was in Medjugorje, that I was in every place of My Apparitions all along. Many, when they see this sign, will be converted, but many will see it and harden their hearts because they are already very advanced in perfidy and wickedness. Unhappy are those whom My Sign finds taken by the darkness of satan, or else stupefied by the love of the pleasures and fleeting things of this world.

For them those days will be great despair and sadness, while for My children

who knew how to renounce themselves, who knew how to love Me more than themselves and who believed in Me and obeyed Me during all this time, with generosity and love It will be days of so much joy!

Blessed are those who, like the Medjugorian people, without having seen Me, believed in Me. Blessed are those who, as Medjugorian children, even without having seen Me and heard My voice, believed in My Words even without having seen these Words come out of My Mouth.

Blessed are those who, as children of Medjugorje, gave their hearts to Me at once when they realized that they were in front of Me, with their hands outstretched, asking them for their hearts.

Blessed are all those who, like My children of Medjugorje, believed in My Messages, obeyed them and put them into practice even before they saw their results in their families, in their cities and in the world.

Blessed are those who trust in Me, who do not require proof and confirmation from Me to believe and obey Me.

Blessed are those who, like My children of Medjugorje, put love ahead of all other things, of all interests, doubts and inquiries. And that with this love they persevere day by day in fidelity and in the perfect fulfillment of My Messages and My maternal plan of Love.

Blessed are all those who, like My children of Medjugorje, knew how to love Me and were victorious in this love!

To all, to all My children, who, like My children of Medjugorje, were tested, proved by God in Love and overcame, gave Me their YES and for so many years have walked with Me on the Road of Love, Prayer, Penance and of Your Holiness, I bless you generously at this time in Pointmain, Medjugorje, Fatima and Jacareí.

Peace Mark. Peace to all My children.”

JACAREÍ, JUNE 27, 2010

Feast of Our Lady of Perpetual Help and Celebration of the 30th Anniversary of the Apparitions of Medjugorje and Feast of Our Lady

MESSAGE FROM OUR LADY

“-Dear children, today with renewed Love in My Heart, I come to you more once again to call you to conversion, to love, to peace.

Despite the fact that I have been appearing for so many years in Medjugorje and Aqui and calling My Children to sincere conversion, most of humanity is still far from the Lord, far from His Love, far from peace, conversion and salvation. Even though I am tired, I am not discouraged My Children! I will continue fighting for your salvation until the end, no suffering is too heavy for Me or too hard to save you My children. I will fight, I will fight with all My Love to save you, I will only not save those who consciously and voluntarily do not want to, do not want to change their lives, do not want to obey My Messages, do not want to renounce His will to do the will of the Lord it's mine. See My children, if with so many of My Apparitions around the world, in Medjugorje, Here, every day the number of those who answer YES is so small. Imagine if I did not come, if I did not come to call you, if I did not appear, if I did not come to invite you to conversion and attract you to salvation with My Messages!

See then My children, how great is the Love of God and Mine for you, and how great is the hardness of your hearts. Open your hearts, invoke the Lord with confidence and you will be saved, that is, truly turn to the Lord with your contrite, humbled, repentant and open hearts and you will be saved. If you call on the Lord like this, He will come, I will come, with the super-abundant graces of salvation to save you, to transform your life into a little Paradise, where peace, where love, where holiness, purity and the very God will always reign, always be present.

My Messages from Medjugorje and From Here call you to live a true life in God, a new life in God. You are called to be the beloved children of the Lord, who are always with Him, who work always with Him, and who are the heirs of His own Grace and happiness, of His glory and of His eternal benevolence. You are called to live a wonderful, extraordinary and very high life. If you want it, you can reach it and live it, just an act of your will is enough, just a YES and I promise that I will take you, that I will help you to arrive and live this true life in God.

I came Here and I came to Medjugorje to bring all of you, My children of these last times, the workers of the last hour, to the highest and most consummate holiness. If you, My children, are docile to Me, I will transform you into true copies of the Angels of Heaven, angels of love, angels of obedience, angels of perfection, angels of grace. You are My dear children, My apostles of peace. Go, therefore, making My Cenacles from house to house, taking My Messages of peace, of conversion to all, taking the grace that I emanate from this Place, that I emanate from Medjugorje, for all of you, for the whole world. If you do what I asked of you, many souls will be saved and there will be peace. Justice, truth, equity, charity, concord, peace and love will triumph over injustice, impiety, violence, discord, lack of love, and evil among men.

Each Hail Mary of My Rosary, which you pray with your heart, is one more

brick that you place in the construction of this new world of God, the world of Jesus, the world of Mary, the world of My Immaculate Heart. You are the living beads of My Rosary and as such, you must join Me in continuous and incessant prayer with the Most Holy Trinity, to reach Her Grace, Mercy and salvation for so many of My children who are very far from My Heart. . I count on you to draw them all to My Heart so that I can also save them.

Time is pressing My children, My Apparitions Here and in Medjugorje are the last for humanity, that is why I appeared there and Here for so many years. Soon this time will end, this time of grace will end and you will no longer hear My voice calling you, My words will no longer resound in your ears that say: - My dear children, pray, pray, pray! Because My voice will be silenced so that the thunders of Divine Justice and the cries of the demons that will come looking for all those who did not want to listen to My calls, My ears, My Messages begin to resound.

Convert quickly My children! There is almost no more time, your time has almost run out, raise your hands with Me to the Lord every day asking that He still waits for the sinners who still need to convert to finally execute His Justice.

I, your Mother, am with you at all times and I place My Message of peace in your hands, so that you can take it to all My children throughout the world like a dove of peace that carries the Message of the Lord, of salvation and peace!

I bless you all today from Pellevoisin, from Medjugorje and from Jacareí."

JACAREÍ, JULY 04, 2010

(JULY MONTH OF THE ANNIVERSARY OF THE APPARITIONS OF OUR LADY ROSA MYSTICA TO THE SEER PIERINA GILLI)

MESSAGE FROM OUR LADY

"-My beloved children, in this month of July, when you commemorate My Apparition in Montichiari as Mystic Rose, where I invited you to pray the Rosary, to convert, to return to God while there is still time. In Montichiari, where I I gave to the whole world: the Messages, the Medal, the signs of My Maternal Love. I invite you to turn your hearts and your eyes to Me, your loving Mother whose Love embraces all humanity, embraces all of you!

Through the Image of My Apparition in Montichiari, I have shed tears of blood

even in so many countries, to manifest My pain for the sins of the world. My Tears of Blood have great power before God, to reach His Divine Mercy, to appease His Justice, to undo Satan's evil plans and to free the poor souls of sinners, who are in his clutches and dominated by he in sin, in the life of sin.

I invite you, therefore, to renew your love for the Rosary of Tears of Blood, to pray always more, with greater faith, fervor and devotion. This Rosary can easily stop wars, it can stop pestilence, punishment, the calamities of nature, because it possesses the virtues of those tears of blood that I shed on Calvary, at the foot of the cross of My Son Jesus, uniting My Blood to the blood Him and that I poured out throughout My life, suffering with Him and with Joseph for your salvation.

I desire My dear children, to achieve My Triumph in the world through virtue, through the victory of My Tears of Blood, which were the price of your salvation with the Blood of Jesus.

For this My children, I invite you to unite with Me in this intense prayer: of expiation, of supplication and of love. So that together we can obtain from the Lord a new rain of Mercy on Earth, new times of grace, peace and holiness with the Triumph of My Immaculate Heart in all Nations!

This month pray more, make more sacrifices, meditate more on the Messages that I gave in Montichiari and that I gave here, because here in Jacareí everything that I started in Montichiari will end and my Immaculate Heart so little loved and so despised in the end will triumph.

I bless everyone at this moment with love from Montichiari, Heede and Jacareí."

"-My dear children, today, when you already celebrate My Apparition in MONTICHIARI as MYSTIC ROSE to My little daughter PIERINA GILLI , I bless you and I give you Peace again!

I invite you and My children to be pink, yellow roses of reparation and penance as I asked My little daughter Pierina Gilli.

Be yellow roses of reparation and penance, offering your life to the Lord in sacrifice, to atone for so many sins with which He is offended. And also to plead with Me for the conversion of so many sinners who every day walk the wide road of sin and condemnation, moving further and further away from God, offending Him and filling the world with evil, with sin, with darkness. of satan. In this way, you will be yellow and golden roses that give off the mystical perfume of reparation, which ascends to Heaven before the Most High to cheer Him, to console Him for the great sadness that sinners who reject His Love give Him, who blaspheme against His Holy Name and who violate His Commandments by practicing wickedness and injustice in this world.

You, like this, are with Me the most beautiful yellow roses that I offer before the Throne of the Most Holy Trinity for His greatest glory, for His greatest joy.

Be yellow roses of reparation and penance, praying a lot every

day, to together with me counterbalance the weight of Divine Justice,

which wants to punish and punish the world with the greatest punishments, such as the world has never seen. In order to punish and purify the face of the Earth of so much sin, so much evil that is committed every day by men.

If you are these yellow roses that pray with Me, that beg with Me, that with Me implore the Lord for His Mercy, we will still obtain from Him superabundant Graces of Love, for these souls of My poor sinful children, who madly live without God and think they can exist without God

In this way, We will attract you to the Lord through the mystical force of prayer that will produce the miracle of Grace and the encounter of the soul of these My children with God. And from this meeting they will become in love with the Lord, they will love Him and they will never turn away from Him again.

Be the yellow roses of penance and reparation, so that together with Me with the mystical and supernatural perfume of reparation, we can make the horrible stench of sin recede until it disappears completely. And so we can turn this swamp of sin into which the world has become, into a new garden of grace, beauty and holiness.

Be the yellow roses of reparation and penance, offering each day small sacrifices, abstinence and renunciation of the things to which you are most attached and which you love most. So that the Lord may purify your souls from

your sins, make your souls more beautiful, close the wounds that sin has left open in your souls. And so, may your souls and that of all those around you enjoy perfect health, beauty and spiritual splendour. So that, every day, I can present you to the Lord as the most beautiful yellow, golden roses to give Him: joy, contentment and satisfaction!

Be as My little daughter Pierina Gilli was:

- a golden yellow rose of penance and reparation, for yourself and for others;

- a red rose of sacrifice, which accepted suffering, pain, which endured injustice and the persecution of My Love for the salvation of souls;

- a white rose of prayer, which every day gave the Lord the mystical perfume of her prayer with her heart, more and more docile, more generous, more open, more obedient, more in conformity with the Lord's holy will.

If you are like My little daughter Pierina Gilli was, you will truly be a golden yellow rose of penance, and you will make the yellow rose that I bring on My Heart shine mightily over the entire world. And souls, when they see this Mystical Light of Mine, will run to Me, they will leave the darkness, they will embrace the light and they will be saved for all eternity.

Be My yellow roses of penance and reparation, red of sacrifice and love and white of prayer and innocence.

I bless you all at this moment from MONTCHIARI, from MEDJUGORJE and from JACAREÍ.

Peace. Peace, Mark. Peace to all My beloved children."

MESSAGE FROM SAINT CAMILLO DE LELLIS

"- Beloved brothers! I, CAMILLO DE LELLIS servant of the Lord, servant of the Virgin Mary, greet you and give you peace today. Peace to your heart! Peace to your soul! Peace to your life! Let nothing disturb your Peace! May your Peace be God! May your Peace be the Mother of God!

May your Peace be the continuous practice, obedience and observance of the Word of God, of the Word of the Lord, which is addressed to you at this time, in these Apparitions. May your peace be the Truth, be the continual living in God, in His grace, in His law, in His friendship. Nothing and no one can destroy your peace, if your peace is God, it is unconditional, total, full love for Him and the Most Holy Mary, if your peace is obedience to the word, to Their Messages, nothing and no one he can never steal this peace from your hearts and souls.

You know that I am the patron saint of doctors, nurses, those who take care of the suffering and the sick.

It is My mission to be the nurse of your souls, to be the nurse of your hearts, so often tired and downcast from the battles against the devil, against sin, against the hardness, rebellion and disobedience of the souls you meet on your way and who do not accept the Messages of the Lady, who do not want what She wants, who do not want to fulfill Her orders, the Lord's orders.

It is My mission to heal your souls more and more, which suffer the shock of good against evil, of truth against lies, of faith against unbelief and apostasy, of obedience against the disobedience that you find in so many souls every day and that at the same time shock your heart so often leave deep marks of sadness, perplexity, discouragement and discouragement in your hearts.

It is My mission to heal these wounds in you, to give you new courage, new breath, new vigor in the service of the Lord and of the Most Holy Mary and to lead you always further, always further, as courageous and fearless apostles who are not ashamed. to bring the light, who are not afraid of the world's refusal to receive that light, who are not intimidated by the threats of the world, which is ever more rebellious to God and His law of love.

It is My mission to heal your hearts also from the wounds caused in you by the sin that you still carry within you. These miseries, these wounds open in you because of your faults that are always repeated and committed, your sins that are always repeated and committed, these wounds I want to heal with the balm of divine love, with the sweetness of Heaven, with the love of communion with all the Saints who pray for you, intercede for you, fight for you, battle for you too each day, trying to keep away from you evil, violence, occasions of sin, the snares of the enemy, so that each day your heart always stronger, always more vigorous love God with all your strength, love the Blessed Virgin with all your strength and love your neighbor, work for the salvation of souls more and more for the greater joy of the Lord,

It is My mission to heal your souls and your hearts from the wounds caused by the devil. He hits you more and more every day with temptations, with suggestions, with ideas that lead you to sin, for he knows your evil inclinations, he knows your weaknesses, he studies, analyzes your behavior, your way of being, your tendency natural to evil and sets up the most intelligent plans for a fallen Angel like him to lead you every day to offend the Lord, to turn away from Him and from the Most Holy Mary through sin, causing you to continually fall into your weaknesses.

I want to heal your hearts from these wounds that the enemy of your salvation has opened, leading you more and more to resist evil, to oppose virtues to the devil's temptations, to oppose virtues to your defects, leading you each day more and more to live a life of deep prayer, intimacy and communion with God, with Mary Most Holy, with the Saints and with the Angels. I lead you each day more to the greater, more burning and deeper love for the Word of God, for the Word of Holy Mary, for the Heavenly Messages that have been given to you

here for 20 years and that in so many places on Earth for many more years.

It is my mission to lead you to a life of profound sacrifice and penance, of renunciation of yourselves and of your corrupt will, of renunciation of evil and of perfect mortification of all your disordered desires, so that in this way, each day more, living a perfect life in prayer, sacrifice, penance, sobriety, temperance, in the Christian balance of the Saints, in the perfect renunciation of yourselves and of the world, may you continue to be stronger and more resistant to the temptations and action of the infernal enemy. , of our enemy who every day plots your doom. In this way, you will escape ever more unharmed and ever stronger from its temptations and snares and you, then, as true champions, victorious warriors of holiness, will one day be able to arrive with Us in Heaven and receive that crown that We, the Saints,

It is My mission to heal you of all the ills of your heart, your intimate, your mind, your human nature and even your body because the Lord wants you to be warriors, soldiers fully strong, fully firm, fully brave in the struggle, in the battle for the salvation of souls and to make the Truth, the holy Catholic Faith, the Immaculate Heart of Mary triumph in the world. Ask me for graces, for healings for the soul, for all these God wants to grant you. Ask me for the graces of healing for the body, but without being attached to them, because often God allows you to suffer also so that with it you can save more souls, but ask me, because many physical healings Lord wants to do through Me, so that you may have health, not to return to the world and get lost with the world,

I promise to pray for you unceasingly, as I have done so far at all times on the throne of the Lord and His Most Holy Mother. Live true devotion to Us, the Saints, for this true devotion will take you to Heaven, to Paradise, to God, and We, the Saints of the Lord, will lead you safely along the right path, which We have already discovered, walked and with which we arrived. victorious to Heaven. We will take you along this road and we will not rest until we see you with us in eternal glory.

Let yourself be guided by Us, let yourself be guided by Us, form the Messages that We give you here by Our Messages. Make our Hour of Prayer on Wednesdays with more love, because through this 'Holy Hour' we will transform you into those greatest Saints that the Blessed Virgin wishes to produce at the end of time for the greater glorification of God, of the Holy Trinity, of Truth and to greater humiliation, defeat and disgrace in Hell and its potencies. You are called to be these Saints and you will indeed be, if you allow yourselves to be guided and formed by Our Messages.

To all of you at this moment, I CAMILO DE LELLIS, I bless you generously with the Mother of God and with all the Saints and Angels of Paradise. Peace, Mark, favorite of the Saints, beloved of the Saints, our chosen one. Peace, My beloved people."

MESSAGE FROM OUR LADY

"-Beloved children! My Immaculate Heart invites you again to watch over the temptations of the enemy. Close your spiritual senses to all the suggestions of the devil, always trying to do the opposite of that he suggests to you and always keeping the doors of your senses guarded,

abstaining from the dangerous occasions of falling into sins and always trying to keep your interior life of prayer and meditation always active. God, but no one will be able to grow in this Love if he does not first renounce the love of himself, the love of the world and of creatures.It is impossible to cohabit the Love of God and the love of the world within a soul.

My Son said: 'You cannot serve two Masters'. You cannot have two loves in you, the love of God and the love of the world at the same time.

Therefore, I invite you to renounce the love of yourselves, of the world and of creatures, so that your soul may open up and in it there will be space for the Love of God. You must love all created things in God and for God's sake, but none of them as God.

I invite you, therefore, to think about the gravity of the current situation in the world and how much the world violates the First Commandment of the Law of God, which says to you, which commands you: 'Love the Lord above all things, more than himself and more than all created'. It is because of this sin that mankind has transgressed all others from the Law of the Lord. And that the entire Earth is now in disorder, in war, sin, injustice, evil and increasingly plunging into apostasy and the darkness of errors, sins and evil, the evil of Satan himself, the very hell that wants lead all mankind to rebellion against the Lord, so that they will fall into eternal damnation.

My Apparitions Here are the last call that I make to Earth, to return to true Love, to relearn the true Love of God and to live a true life in God!

You know that Here I will leave 13 Secrets. You do not know what these Secrets say, when you come to know it will be too late for you! Convert now! It is the last call I make to Earth, because when My Apparitions Here are over I will never return to this world. While My voice can be heard by you... While My voice can be found by you... While I let Myself be found by you Here, with all My Love and with all the desire I have to save you. .. Come My children! Hear Me! Take to heart what I say to you, fasten My Messages, My Advice, My Word around your neck. Bring it deep inside, close to your heart, engrave it in

the flesh of your heart, in the fibers of your heart. Live these messages, fulfill what I tell you and then truly My children, you will live a true life in God and I promise to give you salvation and eternal happiness from Heaven where every day I wait for you with the loving eagerness of a Mother. I can't wait to embrace you, to hold you close in My Heart and to present you beautiful, holy and pure to the Lord, for His greater joy and happiness.

To all at this moment Blessings from Catania, Medjugorje and Jacareí... Peace..."

OUR LADY

"-Dear children, today when you still celebrate My Birthday, I invite you more and more to open yourselves to My Love and to let the light of My Birth flood your hearts with the Grace and Love of God.

Let the light of My Birth flood your hearts with heavenly beatitude. So that you live always more for heavenly things, concerned to live continuously united with the Lord, with Me, with the Saints and Angels of Heaven, already savoring a little of that life, that happiness, that joy and that heavenly union in which we live there in Paradise next to God, next to the Throne of the Trinity.

SUNDAYS OF GUSMÃO

"-My beloved brothers! I, SUNDAYS OF GUSMÃO, servant of the Rosary, apostle of the Rosary of Most Holy Mary, preacher of the Holy Word of the Lord, am glad to be able to speak to you again here, after so long since My first Message.

Love the Rosary of Holy Mary, because through this Prayer you will surely reach Heaven, you will overcome all temptations, you will achieve all virtues, you will heal all your spiritual and even temporal miseries and your life will be full of the grace and mercy of the Lord.

Love the Rosary of Holy Mary, because through it the divine Mysteries will be revealed to you, what the Lord has hidden for so many millennia from the wise and knowledgeable of this world, secrets that He reveals only to the pure and humble of heart. You will understand the beauty of the Lord, His will for you, the most perfect way to fulfill His will and to carry out the Lord's desire and design for you. Through the Rosary the magnificence, the glory of the Lord will be manifested to you and your hearts will know things, you will know eternal truths that even if you had studied Catholic doctrine a thousand years, still you would not be able to understand such truths, such treasures, such things. wonderful!

Love the Rosary of the Blessed Virgin Mary and your soul will know as never before how much God has loved you, how much God has done for you, how much He has favored you with the strength of His Arm and His Mercy, how generous and kind He has been to you by sending Here: the Mother of God, Saint Joseph, We the Saints and the Angels and Himself coming Here to give you these Messages for this Twenty Years already.

Love the Rosary, pray it with the Heart, meditating well on what it teaches you, what it transmits to you, what it provides and offers you and you, truly, will then arrive at the great wisdom and the great science from above. I learned more from the Rosary that the Blessed Virgin gave Me in the Apparition that She made to Me in Toulouse, than from the many years of study I spent before I went out preaching to the world the eternal truths of Our Lord Jesus Christ.

Through the Rosary you will understand the ugliness of sin, through the Rosary you will understand how horrible sin is in the eyes of the Lord and Mary Most Holy, how much it causes spiritual death in your souls and how ugly it is, how terrible it is. , evil and eternal this death. Through the Rosary, you will understand how much you must flee from sin and how much you must seek Divine Grace, the Grace of the Lord, to live always more: in His Love, in His Friendship, in living with the Saints and Angels of Heaven, in living with the Holy Spirit who dwells in your souls and who has made you His temples, where He wants to live with you day and night, filling you with His sanctifying Grace and leading you ever more to greater wisdom, to greater understanding and to a greater love for heavenly things for God himself.

I promise to help you with My Prayers, with My protection, with My powerful action with you. I protect, guard, follow, accompany, defend all the devotees of the Rosary, all those who love the Rosary of the Blessed Virgin as I loved, as Marcos loves, as the Seers of the Lady love. And all these will also have a part in My protection as Marcos has, as the Seers of the Lady have.

If you love the Rosary, if you allow yourself to be formed, led and guided by the Mother of God through the Rosary, you will reach an imminent holiness, similar to that to which I arrived by virtue of the Rosary of the Mother of God.

There is... there is no problem, there is no evil from hell, there is no injustice or sin in the world, there is no difficulty or suffering that is stronger than the Rosary of the Mother of God, which contains the Hail Mary, foundation of the New Testament and beginning of the Incarnation, where is the Our Father, Prayer that sprang from the Heart of Jesus and the Glory be to the Father, prayer with which the Virgin Mary concluded the most beautiful, the most beautiful praise that a holy creature could raise to Her God Creator. The 15 Mysteries of the Rosary contain the merits of Christ and the Virgin Mary, the virtue of the Cross, the Blood of Christ, the Tears and Sorrows of Holy Mary and Saint Joseph and his merits are contained. In the Mysteries of the Rosary is the sanctifying grace of the Holy Spirit and the Rosary is the fulfillment of all the Mysteries, of all the Promises that God revealed from the beginning of the world to His Saints and Prophets and there in those Mysteries of the Rosary

everything was fulfilled, everything is fulfilled, everything is fulfilled, everything has been fulfilled and is being fulfilled. And even today from there, God continues to carry out the greatest Works of Grace and Mercy in favor of his children throughout the world!

Therefore, love the Rosary, live in Him, with Him and through Him and I say to you: In Heaven you will certainly arrive at My side...

I bless everyone at this moment generously and especially you Marcos, who continues the Work that I began. You, who throughout these twenty years have struggled to the utmost to instill in hearts the love for the Rosary of the Blessed Virgin Mary, even before you understood all His greatness, you already loved him. Therefore, His worthiness is great. Therefore, at this moment, I put a Mystic Rosary around your neck and so we are connected, Me and you, for all eternity. Peace!

(Big Pause)

I bless you all generously at this time. Go in Peace. Rest in Peace."

(Mark): "See you soon."

JACAREÍ, AUGUST 15, 2010 Feast of the Assumption and Our

Lady

MESSAGE FROM OUR LADY

"-Dear children! Today, when you celebrate the 'Feast of My Assumption into Heaven in Body and Soul', I come again through the mouth of My servant, to invite you to follow Me along the luminous path that I your Mother I opened, traced and left so that all of you can follow Me to the glory of Heaven!

Follow Me along the luminous path that I left you: Prayer, Penance, Holiness, Love, Purity, Grace and Peace. So that, in this way, you can each day, by

imitating My Virtues, walk step by step and with speedy step the road that I left you, so that, then, following in the footsteps of your Heavenly Mother, you can follow the same road of Love that She followed. And so you can come to God in Heaven, where you will at last receive salvation and become, you will be partakers of that endless joy, that perpetual and perfect happiness that He created for man from the beginning and that man lost through sin. But if you follow Me along this road, you will reach Heaven and again man can receive that perpetual happiness that he has lost, following Me every day: along the road of Love, of perfection,

Follow Me along the path that I have traced for you, seeking ever more to let you be guided by the light of your Heavenly Mother, the light with which I illuminate each day of your lives, dispel the darkness of evil and sin. Light that opens your inner vision, to see the state your souls are in each day, to seek more and more the perfect conversion and, above all, to escape more and more from the occasions of sin and to make you detach from all that still binds and enslaves your heart.

My most living Light reveals all the stains of your souls, reveals all the attachments and the mud of sin that is still in your souls and helps you to cleanse even the most remote corners of your heart. In this way, purifying you more and more, making you more and more pure, clearer and more limpid, you can finally see better the road along which I lead you, which is the road of good, of perfect life, of the most consummate holiness. .

Follow the path that I have traced for you, trying each day to give more of yourselves to the Lord with generosity as I gave Myself, trying to imitate more and more My total surrender to the Lord, My YES constantly given, repeated, maintained, lived. Always seeking to imitate the virtue of My supernatural Love, which made Me increasingly seek not only the will of God, but how to carry out this will in the most perfect way, which every day sought Him and knew more and more. Through the intense prayer life that I teach you and that I propose to you Here you will finally be able to have this Love, to know this Love, to have this surrender, to have this total donation and to have that supreme desire of God, to do His will and to carry out it in the best possible way for you!

Follow Me along the path that I have outlined for you, which is that of self-denial, detachment from what you are most attached to, humility that makes you increasingly recognize your nothingness, your misery and that without God, without His grace you can do nothing good, which makes you die more and more to the world, to its pomps, its honors and its glories and makes you seek more and more the fulfillment of the Lord's plans which is of salvation, of grace, of peace. and love for you and for everyone around you.

Every day I take you further along this road and only those who decidedly do not want to go forward will not advance... even more than before your first conversion.

My Body, subject to heaven, is for you a sign of hope, it is the definitive proof that I triumphed over satan, hell and his hosts on the day that my son Jesus

took me body and soul to sit on a throne of glory at His right hand, to rule, rule and one day judge the whole world with Him!

My glorious Body, My Immaculate Heart glorious subject to Heaven will soon triumph when I come, preceding My Son in power and glory to renew the whole face of the Earth! Every place of My Apparitions where I descend with My Body to the glorious Heaven is a luminous beacon that I have lit in the world, it is a sign that shows you more and more the right path that leads to the Lord of your salvation and your peace. Every place where I appear is like My throne room, where I continually give audience and where I like to bestow My divine graces on all those who ask Me to know, salvation, conversion, purity, holiness. In these blessed Places of My Apparitions, those Places that have a very close and continuous connection with Paradise, in them I manifest all My power, all My Love,

My Glorious Body is for you the sure sign of the Triumph of My Heart over Satan, sin and his wickedness, against His infernal armies. And you, My obedient children, must today follow your Heavenly Mother, follow the trail of holiness, of purity, the perfume that My Glorious Body leaves for you day after day in My Apparitions, showing you the right path that you must follow so that you do not get lost. in the middle of the walk.

If you follow the perfume that I emanate to you from My glorious Body, if you follow My advices with Love and docility, if you obey the Messages I give you Here and in the Places where I have truly appeared until today, I say to you My children: you will walk ever more joyfully and ever more firmly along the road to salvation, happiness and the eternal glory that awaits you.

I bless you all at this moment with My Body, subject to Heaven, from Fatima, from Medjugorje... from Schio... and from Jacareí...

Peace Marcos, Peace My favorite. Peace My children."

PARTY OF OUR LADY QUEEN

MESSAGE FROM OUR LADY

"My beloved children, I am the Queen of the Universe... I am your Mother, your Queen and under My Maternal Empire, God has placed everything that exists

and all the works that came out of His Hands. I am the Queen of the Universe and I reign therefore over all created and everything is subject to Me. You children of God created in His image and likeness and My children, given to Me by My Son Jesus at the foot of the Cross.
You must be My true subjects, vassals and servants through a perfect consecration of your life and your entire being to My Immaculate Heart.
You must be My true servants, My true subjects, living ever more a life of deep prayer, communion and spiritual intimacy with Me, your Heavenly Mother. So that your feelings, thoughts, desires, words and deeds increasingly conform to My holy will, conform to My feelings and My desires, and I can lead you more and more along the path of holiness, of the fulfillment of will of God, love, grace and peace.
You must be My true servants and subjects, living more and more a life of penance, a life of reparation for your own sins and for the sins of the whole world, sacrificing more and more your corrupt will that always leads you in the opposite direction to that which Lord and I point to you and call you, for the continuous renunciation of yourselves and the world and its easy seductions. So that you may be ever freer, ever more pure, ever more aflame with love, grow each day more in true love for the Lord, for Me your Mother and for the divine will, for the Law of Love of the Lord.
You must be My true servants and subjects, growing more and more in the spirit of mortification, seeking more and more to say no to yourselves and to what your disordered will suggests to you, asks you to be more and more docile, more and more pacified, more and more surrendered, donated to Me... may you grow ever more in the way of the perfect fulfillment of My maternal Plan of love, of salvation for all humanity and may you be My instruments: docile, generous, ardent, who always accomplish more what I have asked you in My Messages and that you work intensely and effectively for the Triumph of My Immaculate Heart in the world. And so that My Kingdom of Love may be established and grow more and more in souls, hearts, families and nations.
Be My true servants and subjects, walking more and more in the perfect search, in the perfect search for My Love, for My maternal design for you, always seeking to grow in the knowledge and understanding of My will that is revealed to you in My Messages Here and in the other places where I still manifest. So that, every day, understanding better what I want from you, you can walk with the most accurate and quickest step in fulfilling My will, the divine will of Our Lord, which every day more manifests to you and I reveal to you here in the Apparitions .
Be My true servants and faithful subjects, working tirelessly every day to win more souls for Me, to finally prepare the world for the Triumph of My Immaculate Heart, with the return of My Son Jesus on the clouds in Heaven with the Angels to renew Heavens and Earth.
If you work intensely with Me, if you collaborate with My Plan of Love, with all your strength, then you are My true servants and faithful subjects, My true children on whom I engrave My seal, My maternal sign. , the sign of those who will be saved, the sign of those who belong to Me and over whom the star of the abyss will never have any power!
Go ahead... Make the Cenacles in the families that I asked of you, taking My Messages, making My Apparitions, My Seers, My Messages of Pain and Love known to all My children. Go from city to city, go from village to village, taking

My messages and never ceasing to call men to the perfect conversion that I want.
Therefore, always be My maternal echo, the echo of the Queen of Heaven who calls all Her children to enter Her Kingdom of Maternal Love through a perfect Consecration, a perfect conversion and a total donation to Her plan. of Love, to My design of Love.

MARTYRDOM FESTIVAL OF SÃO JOÃO BAPTISTA

MESSAGE FROM SÃO MIGUEL ARCANJO

"-My beloved brothers, I, MICHAEL THE ARCHANGEL, servant of the Lord, your protector and defender, bless you today once again.

Fight the good fight, against the forces of evil, against sin, against injustice, against all kinds of attacks. against the Law of the Lord, against His rights, against the truth known as such, against the adorable love of the Lord and His Most Holy Mother.

Fight the good fight, fighting more and more for the truth, defending the truth more and more, defending more and more the truth of the Apparitions and Messages of Holy Mary, having no pity for those who fight against Her, that is, not forgiving their lies, no forgiving their impiety, their wickedness, their hardness of heart and ever more, refuting, rebutting and crushing the lies, injuries and offenses they raise against the Mother of God, opposing them ever more with the force of truth, spreading the Messages of the Mother of God, making you the echoes of these Messages, going from house to house, making the Cenacles that She sent you, thus making the Voice of Truth, the voice of the Mother of God reach ever further, ever further so that in this way all the darkness of lies, all the resistance to the Mother of God,all love and attachment to sin and the things of the world, be crushed under the feet of the Lord and the Mother of God, as the crushed devil is always under My feet.

Fight the good fight, always being a living, intense and burning light in the world so that the world can see your light, come out of darkness, know the light of the Lord and come to the light that saves, that illuminates and that dissipates. all the darkness.

If you are light, light of holiness, light of grace, light of love, light of faith, example of obedience in faith and love of God, if you are this light in word, in deed, in your continual pursuit of holiness, of truth and good. then, you will crush evil, you will make good triumph wherever you go, wherever you arrive, and so souls will know the truth and the truth will set them free, save them and bring them to God.

Fight the good fight, trying more and more every day to do violence to yourselves, that is, to fight against your evil inclinations, against your corrupt nature that always excites in you concupiscence, the greed of the eyes, the sight, the the pursuit of pride, the satisfaction of your bodily desires, this concupiscence which then makes you also slide towards the pride of life, which closes your soul to the rays of divine grace, which closes your spirit to the movement of the Holy Spirit and which makes May your interior plunge ever deeper into the darkness of sin, pride, rebellion, indolence towards the will of God, thus making you more and more like Satan, Lucifer, father of pride, the first pride that dragged after him all those who sinned through pride, so that,treading more and more the path of humility, of self-denial, of the contempt of the world and of the lust of your nature, you may more and more overcome yourselves and thus, as true champions, as true victors, may you always arrive closer to that great victory, that great holiness, that great free and happy life that God offers you, which is the life of union with Him, of friendship with Him and of total freedom from all those things of the world and of the flesh that want enslave you and make you vile worms, vile slaves of the things of this world that are worthless, that are nothing.as true victors, you can always come closer to that great victory, to that great holiness, to that great free and happy life that God offers you, which is the life of union with Him, of friendship with Him and of total freedom from all those things world and the flesh that want to enslave you and make you vile worms, vile slaves of the things of this world that are worthless, that are nothing.as true victors, you can always come closer to that great victory, to that great holiness, to that great free and happy life that God offers you, which is the life of union with Him, of friendship with Him and of total freedom from all those things world and the flesh that want to enslave you and make you vile worms, vile slaves of the things of this world that are worthless, that are nothing.

Fight the good fight, seeking ever more to serve Our Heavenly Queen with a purer love, with a more ready docility, with an ever more blind and total obedience so that in this way, in your life, Her will is always more perfectly fulfilled, the divine will and in your life may God write each day, more and more, His signature of approval, that is, the seal that you truly live according to His will, you live according to His divine designs and you are the true friends and children of the Lord .

Imitate My ready obedience! Imitate My readiness in the service of the Lord, in the service of the Virgin Mary and in this way, truly, you will be as I am: the faithful Servant, the brave warrior who always more fulfills the will of the Lord and who makes the vibrant cry ever more echo:

GOD, WHO LIKE GOD? NO ONE LIKE GOD!

Pray, pray My prayer every day, for your generation is in desperate need of My protection, My help and My protection to escape the snares of Satan. Pray the prayer 'Fighting with Saint Michael', so that I can always protect you more and deliver you from Satan's ambushes. Pray My Rosaries, pray the Prayers dedicated to all the Angels so that we can always be your company always right, always present and always with the possibility to help you, because these prayers open your heart, shape your will , incline your will to be docile to Us, to Our inspirations, to Our action, to Our will, to Our direction, to Our holy guidance.

I bless you all at this moment generously, with all the Angels and Saints of the Lord.

Rest in the peace of the Lord. Rest in the peace of the Lord, Marcos chosen Mine, well dear Mine."

MESSAGE FROM THE BLESSED MARY

"-My beloved children, once again I call you to peace, to prayer and to faith. There can be no peace where there is no prayer! Without prayer you lose peace easily and God departs from you. Understand that without prayer you cannot remain united with God, nor can God communicate to your souls His divine grace, He cannot accomplish in you what He desires, He cannot put His divine grace into action. grace in you if you do not pray

Prayer is irreplaceable.

Nothing, nothing can take the place of prayer, nothing can compare with it.

Prayer is the beneficial water, which makes the flower of your hearts grow, bloom and open. Only through prayer can you understand My Words, My Messages and what God wants to say to you at this time. That is why I have asked you for so much prayer, from My oldest Apparitions to this My last Appearance here in Jacareí, because without prayer no one can have the life of sanctifying grace, no one can have the grace of the Holy Spirit acting in them, in themselves. same.

Only in prayer My children, can you grow strongly and constantly on the path of true love. I call you to imitate the love that My two little children MAXIMINO and MELANIE de LA SALETTE had for Me, who loved Me and who suffered so many injustices for Me with so much patience, generosity and self-forgetfulness. These two souls, these two children of Mine forgot themselves to such an extent that they even rejoiced at the cross of injustice, the persecution that happened to them and offered everything as sacrifice and penance, for My love and for the salvation of men.

They understood very well that the pincer on the Saletino crucifix on My chest was this love, it was this generosity, it was this spirit of reparation, mortification and sacrifice that I came to ask first of them and then of all of you. If you imitate them, if you follow them along this path of renunciation of yourself and your will, of contempt for the world and for what your own corrupt human nature so often asks of your soul, you will grow on the path of perfect obedience, fulfillment and fulfillment of My will and My plans.

Never like today has My Message from LA SALETTE become timely, urgent and never like today is it necessary to give it an answer, an answer to the call for prayer, love and generosity that I came to ask for there on that very high mountain.

The world is getting worse and worse and it destroys itself because it doesn't have love, it doesn't have love for God, it doesn't have true charity, divine charity. And because he does not have this divine charity, no one has love either for his neighbor or for his fellow man. That's why everything is destroyed, families, nations, society, the church, souls. Only the return to true love will be able to save this world that each day moves further away from the origin of love and happiness: GOD!

I come to call all My children back to the Lord through My Immaculate Heart, which is a safe path, which is a safe refuge for those who seek God and to reach God.

I come to call My children to be the crowns of roses that I wear on My head, on My chest, on My Heart and on My feet: roses of love, sacrifice, penance, roses of generosity, roses of self-denial. , roses of total and complete donation to My Immaculate Heart.

Search more and more in deep prayer and in the meditation of My Messages for the true love that I ask of you and you will surely find it. Do not forget that My Apparition on the high mountain of La Salette was to remind you that you are passengers in this world, your definitive land, your definitive port is not here, it is in Heaven, therefore My children I ask you:

Do not cling to anything in this world and keep your eyes fixed on Heaven and on that life that awaits you.

What I said here in the first years of the Apparitions I repeat again: Nothing on

Earth is more important than aspiring, desiring Heaven.

I bless you all at this very moment."

MESSAGE FROM SÃO LOURENÇO

"-Marcos dearest dos Santos, I, LOURENÇO, servant of the Lord, servant of the Most Holy Mary and of Joseph, herald and messenger of peace and Indeed, I bless you today and all My brothers and sisters who are here.

I gave My life for Christ, I shed My blood for Christ and I gave My whole body to the flames for Christ's sake, but I did not deny Him, I did not betray His love or the love of My Queen and Lady, the Virgin Mary. ... I call you, therefore, to true and sincere love for God and for her, which leads you to perfect holiness, which leads you to the perfection of life that pleases God and which makes you true children of God, which makes you fellow citizens and deserving of eternal glory and makes you ever more the pure and perfect temples of the Holy Spirit.

Love God with all your heart, His Law of love and His Commandments, seeking ever more to make your life a pure mirror of the light of eternal truth. May your life become ever more a continuous glow of the glory of God himself and may your works, all of them filled with love, holiness and generosity, be able to be shining lights for the souls who are lost in the world, without knowing the way of salvation and of truth and so that all of them, enlightened by you, may come to know the way that leads to salvation.

Love the Lord with all your heart, His Law of love, His Holy Words, for the Word of God is alive, it is not a dead word, it truly acts and acts in the life of those who believe in it, of those who listen to it with love. , because that God who spoke it, who said it is alive, he is not dead, he is risen, he is active among you and if he finds your hearts thirsty for His Word, hungry for His Word, thirsty for His Word, desirous of His Word, He who is alive through His Word accepted, lived, practiced and observed, kept by you, will transform your lives into a true hymn of love, a true copy and reflection of the lives of the blessed in Paradise and yours. life will be more and more according to the Sacred Heart of Jesus,according to the good pleasure of the Most High and it will be a vibrant song of love and of your true consecration to God, who is Lord of love.

Believe with all your love and love with all your heart the Lord, the Blessed Virgin and Her Messages that have been given to you here for almost 20 years, because in these Messages is the living Word of the Lord, alive, active and current for you, men of recent times.

This Word, if it finds a good soil in you, that divine seed will fall and produce in you fruits of holiness, a hundred for one, a thousand for one, a million for one... It will all depend on your answer, on how you receive the seed, the seed of the Word... If you receive this Word with a grateful, generous and loving heart, it will transform itself in you into a leafy tree with many fruits and the birds will come to shelter in its shade, that is, the souls thirsty for good, for peace, for truth, for eternal light and for the love of God, they will see the fruits of holiness in you and will come to taste them and nest around you.

If your heart is a fertile soil that makes the seed of the Word grow and bear fruit, then in you truly all the promises of God contained in His Word and contained in the Messages of the Mother of God, the living Word of the Lord today for you, all these promises will be fulfilled in your life and you will see that God is truly faithful, that he never forgot his people, that he never forgot the promises he made to those who love him, who fear him, who serve him, that he has not changed , He is the same God of yesterday, today and forever. He is the one who is and who will always be. He is the One who comes and comes quickly.

Love the Lord with all your strength and the Blessed Virgin by putting into practice these Messages that are given to you here in these last Apparitions for humanity. When these Apparitions are over there will be no more Messages for the world. The Mother of God, Saint Joseph, the Angels and We the Saints have come here with Our Lord and the Holy Spirit to call you to conversion for the last time. If you throw away this last chance that the Lord gives you, this last call that He makes you, if you trample underfoot with irresponsibility, madness, negligence and indifference this last gift, this last grace and favor that the Most High does you, do not there will be more chance of salvation for you and you will be lost forever, because the fire that must come is already at the doors, you can already see it descending over the top of the hill, that is, the Justice of God has already numbered your days and has already marked the moment when it will descend on the whole world to do justice to the good, the saints and the innocent who were persecuted by the wicked, who were martyred by the wicked, who had to be trampled on by the feet of the wicked and the wicked who do not love God and are enemies of His Law of love. This fire is approaching and will come to consume all the works of sinners and the wicked.

Not a long time ago! That is why I call you to a true conversion, to listen once more to the voices of Heaven that here in this place call you to true conversion, to perfect conversion, to sincere conversion. Love and fear not. Do not fear the devil. Do not fear the enemy. He has great power, it is true, but he has no more than God and that the Blessed Virgin and her attacks against you have a limit. It is true that in this time of tribulation he was given more power, but this power will never, never be a thousandth of what is the power of God and the Blessed Virgin. Therefore, wait on Them! Trust Them! Pray the Rosary, because the Rosary is the tool, it is the weapon of victory that the Mother of God herself has placed in the hands of Her children, so that even though they are fragile, small and weak, with this chain of stones that is the Holy Rosary,

Pray the Rosary! Siege Jericho! Make the Thousand Hail Marys! Make the Cenacles that the Mother of God sent you from house to house, praying the Hour of Peace and the Rosary meditated on Her, because these prayers can still save many souls that have the possibility of salvation. All is not yet lost, there are a few stalks of wheat in the midst of the great sea of tares that this world has become and these little stalks of wheat must be saved and must be saved by you who are the wheat of the Blessed Virgin and who must bring them the grace of truth, of salvation, of the Messages of the Mother of God that touch the heart, that save, so that they too may join you and become a great wheat field for the greater glory of the Holy Trinity and the Mother of God, the Lady of Peace.

I am with you, even if you do not see Me, even when you are often downcast and tired and you cannot feel My love for you. I am with you! I love you! I cover you with My mantle. I keep you. I take care of you! Entrust all your afflictions to Me and you will see that your soul will regain peace. I will be with you to always carry with you the cross of each day and not to let you faint in the middle of the way, so that you can reach that grace of victory, that glorious and eternal resurrection in the kingdom of Heaven. I, who gave My life for Christ, who was burned alive for Christ's sake, say to you: Life on Earth is a breath and here in this life, nothing, nothing is more important than aspiring, desiring Heaven.

Live for it, do everything to earn it and achieve it, fight to get there, because I tell you, if you manage to reach Heaven one day you will have won everything, but if you have lost your souls because you have been attached to the things of the world , to sin, because you loved yourselves more than God and loved the world and creatures more than God, I say to you: your birth, your life and everything else you have will have been useless. achieved on this Earth: honor, glories, riches, great social status, because at the time of death all this is no longer worth anything, it is worth nothing, it is useless for eternity.

Make your life always a continuous search for Heaven and salvation, and even taking care of your state obligations, your daily obligations, may everything be done for you with the maximum of love, so that everything becomes superabundant merits of glory to you in eternal life.

I, at this moment, bless you generously, with the Mother of God and Saint Joan of Chantal who are at My side."

ANNIVERSARY PARTY OF THE APPARITION OF LA SALETTE

MESSAGE FROM OUR LADY

"-My beloved children, today you commemorate My Apparition in LA SALETTE which took place so many years ago in the year 1846 to My two little children

MAXIMINO and MELANIE. I, My children, came to La Salette to announce the decisive battle that I would fight against My adversary and the most certain Triumph of My Immaculate Heart.
My Immaculate Heart will certainly triumph and I will crush at the end of these ends of the times that you are living, of this battle that I am fighting against My enemy, I will crush Satan, My Immaculate Heart will triumph and bring definitive peace to all the Earth. Trust in My Heart therefore, and always, always be aware that My Message of La Salette, that My Apparition of La Salette is for you an announcement of hope.
My Apparition in La Salette is an announcement of hope for you My children, who are living in this difficult time of the great tribulation of the end times, so that you never despair, so that you never lose heart, because your Heavenly Mother is already in 1846 announced My, My definitive victory for the Little Shepherds Maximino and Melanie and therefore, I already know everything that My enemy was going to do and I know how to defeat him in the end and reduce him to nothing and finally bring to you and to the whole world peace.
My Apparition of La salette is a sign of hope for you, it is an announcement of hope, which makes you believe more and more that your Heavenly Mother is the Woman clothed in the Sun, the Immaculate Conception, the one who crushes the head of the infernal serpent and that makes the love of Christ, the Truth, the love of God triumph over all the evil in the world, the devil and sin.
My Immaculate Heart will triumph and you who are My children, who are My servants, My faithful vassals, who obey My Messages, who do everything I say to you in My Messages, you will triumph together with Me and you will enter that Kingdom of peace, happiness, grace and glory that I and the Lord, that My Son Jesus and I have prepared for you and that every day we wish you to be able to reach, conquer and possess.
I am with you My children, in all your sufferings, and I never abandon you! My enemy wants to make you think you are alone, but I am always with you, always by your side! God never abandons you, and My Immaculate Heart never, never leaves you. My gaze is always fixed, fixed on you and never loses sight of you, never leaves you alone, therefore My children:

pray! Pray always more! Pray the Rosary!

Pray all the prayers I have given you, because it is through prayer that you will triumph over the devil, the world, evil and sin. And it is through prayer that I will lead My children, My faithful army, to the sure and definitive victory against all evil, against My enemy, against Satan.
Through prayer My Little Shepherds Maximino and Melanie conquered and they are reigning with Me in glory forever! You too will conquer everything and with prayer you will reach Heaven, where I eagerly await you to embrace you and to introduce you to those delights, those happinesses, those endless joys that the Lord and I have prepared for you in Heaven.
My Immaculate Heart will triumph, as I said in La Salette and in Fatima:

My Immaculate Heart will triumph in the end.

Pray! Pray! Pray!
To all of you at this moment, I bless you generously from La Salette, from

Fátima and from Jacareí."

FESTIVAL OF THE ARCHANGELS - SÃO MIGUEL - RAFAEL AND GABRIEL

MESSAGE FROM THE ANGEL SÃO MANOEL

"-My beloved brothers, I, Manoel, servant of the Lord, rejoice to be with you again today and to be able to bless you with the peace of the Lord, with the peace of Heaven!

Grow ever more in devotion to Us the Holy Angels, seeking ever more to do everything with Us and through Us, calling Us to be part of your daily activity, so that together with you we can accomplish all things in God and for the greater glory and joy of God, in this way, all your actions will have a supernatural value, for We, the Holy Angels, will imprint on your ordinary actions the supernatural character of Our love that we will transmit to your soul and your heart and so, united, very well united with the very strong bonds of love, we will do all things together and we will give God the glory that is due him, satisfying the Holy Trinity.

May the Holy Angels grow ever more in love for Us, seeking to pray continually with Us, that is, for Our intentions, with Our intentions and feelings in your hearts, in this way, praying more and more with Us, seeking more and more the will of God with Us and through Us your prayer will be pure, it will be lively, intense, burning with love and very pleasing to the Most Holy Trinity, then your prayer will be powerful because united with Our prayer made with Us and through Us you will obtain from the Lord great graces of mercy and salvation for the whole earth. The prayer that is made with Us and through Us is never, never rejected by the Lord and We, the Angels who assist in the presence of the Lord in Heaven, present the prayers of Our devotees, who pray more and more with Us and through Us.

Grow ever more in love for Us the Holy Angels, seeking every day to mortify you more, to die for yourselves and for your will, for what you want, so that in your heart We can put in the place of love for the world, to the creatures and transient things of this earth, we can put in place: the love of heavenly things, the love of God, the love of virtue, the love of good, the love of grace, of holiness. So that your hearts may seek ever more to perfect themselves in the practice of virtues, in the fulfillment of God's Commandments, in the ever deeper and truer experience of divine charity with God and with others, so that you may little by little resemble We give ourselves to ourselves the Holy Angels, who are true flames of love between Heaven and Earth, between God

and men,

I, Manoel, want to be with you always, to help you in every moment and situation of your life, but if you do not pray, if you do not cultivate a true life of intimacy with Us through prayer, through the meditation of Our Messages, through the imitation of Our virtues, by escaping from sin and by the ever more intense search for the good, for the grace of God, for the fulfillment of His will and His Law of love, I will not be able to help you. I cannot help you if you are not accessible to Me! I cannot help you as I want if you yourself do not allow Me, giving Me a true, deep and sincere YES, letting Me act in you, transforming you through deep and intimate prayer with Me.

Therefore, continue with all the prayers that We have given you here, the Hour of the Holy Angels, the Rosaries dedicated to Saint Michael, Rafael and Gabriel, and all the prayers that the Mother of God has given you here, these very powerful prayers, which the infernal hosts flee and attract the heavenly armies of Angels to encamp around you, to dwell with you in your houses, in your homes. Through these prayers We can keep many demons away from you for many days and we can even prevent the demons from harming you as much as they would like. Many times when you say Our prayers, we drive away hundreds and hundreds of demons that are far from your homes and your souls and their evil influence, although they cause sufferings that affect you indirectly, indirectly they nothing, they can do nothing against you and against your homes. With the Hour of the Angels, with the prayers you make to Us, We often keep away from you tragedies, accidents, temptations, satanic snares that would make you fall a hundred times a day into sin and thus lose God's grace, lose God to ever! And with these prayers We can keep you unharmed, unharmed and above all, very well united to God because We are the heavenly chains that bind souls to God and that bind God to souls, because when He sees that a soul is truly Our devotee , the Lord looks with pleasure on that soul, looks at His mercy on that soul and pours on it all the graces of His goodness, making the Angels of Heaven all take that soul for His sister, write her name on their breasts, in your arms,

To all, at this moment and to you, my favorite Marcos, friend and favorite of the Angels, at this moment I bless you with all My love."

, OCTOBER 10, 2010 Feast of Our Lady of the Rosary MESSAGES FROM OUR LADY AND SANTA BEATRIZ DA SILVA DE MENEZES MESSAGES FROM OUR LADY

"-My beloved children, I am the LADY OF THE ROSARY. With that Name I appeared in Fatima and in many places. And here too I am the Lady of the Rosary, because here, in addition to asking you to pray the Rosary, I gave you My Rosary of Peace and so many other Rosaries that I wish you to continue to pray every day, for the conversion of sinners and for the salvation of the world.

I am the Lady of the Rosary and I call you to become true flames of love for My Rosary, to be apostles ardent of love of My Rosary, taking it to all My Children, teaching it to all people, so that all My children know Me, know Christ and thus find salvation through My Rosary .

Be flames of love for My Rosary, praying every day with devotion, with fidelity, with pity, contrition, respect and love... so that your intense prayer may be taken by your Guardian Angels and by Me to the Throne of the Lord, to obtain from Him His divine Mercy.

If your prayers come from the heart, that is, if your prayers are made with a true thirst for God, with a true desire to renounce your will, to do the will of God, and if you offer your prayers with sincerity and fear of God. Then your prayer is exceedingly pleasing to God and your Rosary ascends to the presence of the Lord like a fragrant incense that pleases him, that satisfies him, that gladdens him and that inclines him to look at you with looks of mercy. In this way you reach for yourself and for many souls who are benefited by your prayer: graces of mercy, peace, salvation and light.

Be the living flames of love for My Rosary, praying at all times, truly meditating on it, trying to contemplate its Mysteries and extract from them the lessons, the virtues that you must practice in your daily life. So that you can truly grow in the school of holiness, which is My Rosary, and become true giants of love, divine wisdom, charity, purity, fortitude, temperance, fear of God.

Be flames of love for My Rosary, speaking of it at all times and places, spreading it to all the people you know and above all, giving the example of your love for My Rosary, praying it with all the love of your souls, so that that other souls seeing in you the love of My Rosary and the fruits of peace, joy and holiness that it gives in your lives, these souls too, other people too, want to love My Rosary, want to pray it, want too to be children and apostles of My

Rosary. It is because of the Rosary, it is because the Rosary is not known that I am not known. And because I am not known, Christ is not known. When all My children know My Rosary they will know Me, and when they know Me they will know My Son Jesus Christ. Therefore, the victory of the Kingdom of Christ in the world depends on the Rosary,

Be therefore My Angels, that is, My Messengers of the Rosary, those who take My Rosary to all hearts, to all souls, to all My children, even the most distant.

Today, when you are still celebrating the Feast of My Rosary, which is on the 7th of October with My magnificent victory in the Battle of Lepanto, I generously bless at this moment everyone who spreads My Rosary, who makes the Cenacles with My Rosary Meditated in the houses. I bless all those who pray My Meditated Rosary, which My little son Marcos does, and all those who carry My Rosary with Me inseparably every day in their hands and in their hearts... from Lourdes, from Fátima and from Jacareí.

Peace Marcos, Knight of the Rosary, Apostle of the Rosary, I bless you generously and especially at this moment."

(MARCOS:) "-Thank you My Queen, will you come the day after tomorrow? (PAUSE) I will wait."

SANTA BEATRIZ DA SILVA DE MENEZES

“-Marcos, I, BEATRIZ DA SILVA E MENEZES, bless you again today. What a joy to be able to speak to you for the second time! I bless all My brothers present here. What a joy I feel to be able to be here again for the second time to speak to you.
My beloved brothers, love the Immaculate Virgin, be deeply devoted to the Immaculate Virgin, because devotion to Her Immaculate Conception is a source and was the cause of holiness, it is a source of holiness for all those who loved Her and who love Her. And this devotion is deeply united to these Apparitions of Jacareí, because here the Immaculate Virgin of Peace wants to be loved by you with all the strength of your heart and wants to establish in you Her Kingdom of love, holiness and grace.
Love the Immaculate Virgin with all your strength, through words, deeds, deeds and your apostolate, seeking ever more to give two things to this world so plunged into darkness and so hungry to know the truth: your witness in firstly, by your example and secondly by your spoken and written witness of the love of God, of the love of Mary Most Holy, of the truths of the Catholic faith, of the dogmas so that everyone can know the truth, be freed by the truth and reach until salvation.
Love Mary Immaculate, praying your Rosary every day with love, devotion, fidelity and piety, trying to make your Rosary a moment of total intimacy with

the Mother of God, uniting your heart to hers, uniting, conforming to your will to her, renouncing while you say the Hail Marys to your attachments and opening your heart to want what she wants, to want the truth, to want the good, to want the will of the Lord. In this way, your Rosary will be a great act of love for Mary Immaculate and a true proof that you are her true children.
Love Mary Immaculate, seeking to glorify her holiness more and more, to exalt her, to glorify her, to make known to others also her privileges, her prerogatives, her glories that We the Saints have written so much for you to know. So that in this way everyone may know the beauty, the sublimity, the glory, the beauty and the perfection of this most pure, most perfect and most sublime Creature that God created and chose for His most beloved Mother, Daughter and Spouse, so that all, in this way, enchanted by Her, all wounded with love for her can entrust themselves to her arms with all confidence, with all joy and with all faith so that she can lead everyone to God,
Love Mary Immaculate, always seeking to spread Her Messages more with word and example, spread Her Scapulars, the Gray Scapular of Peace, the Green Scapular, the Blue Scapular of the Immaculate Conception, the Brown Scapular of Carmo and all others and the Medals that She has given in all Her Apparitions, including Here, so that all Her children have these most powerful shields against evil and so that they can have, through these sacramentals, these sacred signs of the Blessed Virgin, strength, support, maternal help that they so much need to persevere in the fidelity of the faith and love of Christ, in these difficult times that you are living and through which you are currently going through. With the love of Mary Immaculate you will win! With the love of Mary Immaculate you will triumph! With the love of Mary Immaculate you will overcome everything! If Mary Immaculate is for you, there will never be anyone who will be against you! That is why My children, yes, My children because I love you at the same time with the love of a sister and a mother, I feel responsible, I feel so close to you that I love you even more than a Mother loves Her little child within her belly.
You love the Most Holy Mary, make her known and you will then have eternal life, because the Lord himself made her say there in the Old Testament:
'Those who make me known will have eternal life, those who love me will not perish but will live forever. .'
I fought! work! I ran! go! Take Her love to all hearts and make Her loved by all and I promise My dear brothers, that a very beautiful abode, very close to Mine, awaits you in eternal glory, where all of Us from above eagerly await you with love and with unceasing prayers before the Throne of the Lord for your salvation.
To all of you at this moment, with Mary Immaculate, I bless you generously. Peace."

FESTIVAL OF THE IMMACULATE CONCEIÇÃO APARECIDA

MESSAGES FROM OUR LADY AND SÃO JOAQUIM DO MONTE CARMELO

OUR LADY

"-Beloved children, I am the IMMACULATE CONCEPTION. I am the LADY APARECIDA in the waters of the Paraíba River. I am your Mother. I am the one who intercedes for you before the King's Throne of the universe, as Queen Esther interceded for the Lord's people before King Ahasuerus.

My children, I, your Mother, call you to love, I call you to peace, I call you to grace, I call you to conversion, I call you to prayer, to sincere prayer that pleases the Lord and that makes you ever closer to Him. Only through prayer can you understand the Lord's plan for you. Only by prayer can you stop not only evil in the world and in society, but also in your own life and in your own family. Only with prayer can you stop the plans that Satan sets in motion in the world. Only with prayer can you make the truth of the Word of God and Christian principles triumph over the anti-Christian doctrines and ideas, contrary to the Christian faith, which have now spread among your Brazilian people and in the middle of the world.

You, My children, only with prayer, with your word, with your witness, only with the continuous proclamation of the truth, the Word of the Lord and My Messages, will you be able to pull so many souls out of the darkness of sin to make them return to faithfulness, to the Word and Commandments of the Lord. Only with prayer and your faithful witness can you bring so many of My children who have strayed from My Heart and from the truth back to Me. And only with your faithful witness and your prayers, you can pull so many of My children from the darkness of error and deceit where they, where they are.

My little children, I am with you! I love you! I never leave you! I am always close to you. I know all your sufferings, in difficult moments know that I am closer to you than ever. I pour the sweetness of My maternal love on your spiritual wounds, on your soul and even on your body, to give you relief, peace, comfort and to encourage you to move forward always, never to be discouraged. Because those who sow today with tears, those who fight for the Lord, for the triumph of truth, goodness and the Law of the Lord with tears, will one day soon reap bundles and more bundles amidst smiles and songs of joy.

I am with you My children and with every Rosary you pray, I love you more and more.

I bless you all at this moment and especially your nation, of which I am the Queen and protector. At this moment I generously give you peace."

SÃO JOAQUIM DO MONTE CARMELO

"-Beloved brothers! I, JOAQUIM DO MONTE CARMELO, servant of the Lady IMMACULATE CONCEIÇÃO aPARECIDA in the waters. I, the builder of the old Basilica of Senhora Aparecida, bless you today and bring you peace.

I tell you, just as I made for the Lady, for the Queen of Heaven, a house on Earth, the old Basilica... you must make her a Basilica, a house, an abode and a throne in your heart. Make a home for the Blessed Virgin in your heart, loving her, serving her, obeying her, obeying her messages, praying the most sacred Rosary every day with love, piety and devotion. And, above all, living a continuous life of union with her, conforming your desires and your feelings to hers and always doing more of her will instead of yours. Make a home for the Blessed Virgin in your heart, giving her your YES every day to everything she asks of you, to everything she inspires you in prayer. Do the good that she inspires you, follow the good ideas that she gives you,

Make a dwelling place for the Mother of God in your hearts, always trying to bring others Her Messages, Her requests, to bring the love of this Mother to all hearts, so that so many other hearts also become so many basilicas, many other thrones, many other dwellings for Her.

Make a home for the Mother of God, seeking to expand her Kingdom on Earth every day, that is, to conquer more hearts and souls so that she can reign in them, so that she can live in them, so that she can make Christ , divine grace, true life in God is born and grows in them to fullness. In this way, you will transform not only your life, but the lives of so many thousands of souls in so many basilicas, in so many dwellings of the Mother of God on Earth and you will truly transform the world into a great and immense sanctuary, where the Mother of God reign, where the Mother of God will give peace and happiness to all her children.

Follow My example and make in your hearts a worthy home for the Mother of God. Do not be discouraged by the difficulties that appear in the middle of the way to prevent you from being able to do this, because I was not discouraged in the face of the difficulties that tried to prevent Me from making the Old Basilica for My Lady, but with Faith, with Perseverance facing the evil and those contrary to what I wanted to do, I won, I triumphed. You too, fight! Fight for the Lady! Fight for this holy cause! Fight to make a sanctuary, a house, a basilica for her with all your hearts. Fight to transform the world into an immense sanctuary for Her, where She reigns, where She can finally have all her children with Her united to Her Heart and very well bound to Her Immaculate Heart. In this way, you will truly help,

I am with you and I will always help you. In this Place, where the Mother of

God asked you that a Chapel be made for Her, in this Place where She also wants to make Her Throne of graces, so that together with Her Throne, where She emerged from the waters to be able to spread Her graces of love to Her children, here in this place that is the full realization of Her manifestation in Brazil, a manifestation that began in Aparecida and must end here, where She speaks to Her children, where She expresses with words what she wants from Her children. Here I will always be present to bless you, to help you, to help you to be always faithful to the Queen of Heaven, to the Immaculate Virgin, to the Virgin of Peace.

I bless everyone at this moment with the Mother of God and Our Mother."

MESSAGE FROM OUR LADY QUEEN AND MESSENGER OF PEACE

"-My beloved and dear children! My maternal love comes to you again today to give you the peace, to give you My blessing and to fill your hearts with the holy love of the Lord.

My Immaculate Heart trembles with love for you My children! I have told you this hundreds of times, thousands of times. resistant to My love, closing the door of your hearts to My love and refusing to accept My love in your lives.

It is true that if you had truly accepted My love, your lives would already have been totally transformed into what My Immaculate Heart so desires to

transform you. And that I showed you during all My Appearances and Messages here and that is the sign of one who truly lives immersed in the love of God. He who lives in this way loves God, knows him, lives with him, does everything for him, gives himself totally to him and lives deeply united to him in heart, soul, will and life.

I invite you, therefore, to accept My love, to let My love transform you into those mystical roses: perfumed with divine charity, kindness, generosity and donation to the Lord. So that with this spiritual beauty of yours, I can make My own beauty, My own goodness and My love, the perfume of My love, be felt by all the souls of the world through you and through you.

I love you so much! So much! So much! And I want to transform you into great saints.

That's why I'm here, that's why My Apparitions have been here for almost 20 years, so that My Immaculate Heart can transform you into great saints, into great mystical roses of love, perfection, virtue and divine charity, for greater glory. of the Holy Trinity and exaltation of His holy Name.

Renounce vanity, envy, greed for the spiritual gifts and material goods of others. I renounce pride. Renounce lust. Renounce everything that prevents you from being completely of God and living in his love.

You are wholly of Christ! He My children gave His life for you and redeemed you at the price of His most precious Blood and I with My sufferings and My Tears of Blood cooperated for your redemption. Since you were redeemed at such a high price, I ask you My children:

Respond to this great love of God and also Mine for you and give Me your hearts so that they belong totally to God and to Me. So that We can make Our abode in them and so that We can lead you more and more to that true life in God to which I have been calling you for 20 years now.

Receive My love! accept My love! Pray! Pray many Rosaries! Have hope! The world is not yet completely lost. With your prayers I can work great miracles in souls and in the world, in families and hearts, in peoples and in society. With your prayers My children, evil is stopped, neutralized and annihilated and good triumphs more and more in the hearts of those My children, who are most in danger of condemnation and are in greater need of My help and My maternal help. Therefore, pray always more. Pray always with greater confidence and hope! I am seeing every prayer that springs from your hearts. I welcome in My Heart all the prayers that come from your hearts and from your lips and I present everything to My divine Son, so that He may have Mercy on all of you and come to the aid of humanity.

Our united prayers are very pleasing to the Lord and very well received by Him, so My little children:

PRAY! PRAY! PRAY!

Do not think about whether or not your prayers are being accepted, or whether or not they are effective. Don't think about it! Do not let the enemy sow doubts in your prayer. Pray. Pray always more. The strength of your prayer is not in you, but in Me! If you do it with Me, if you pray with Me, if you pray in My spirit, for My intentions and for what I ask of you. Your prayer is extremely powerful, because it is united to Mine and My prayer can do everything together with My divine Son.

I have shown this to you in the Holy Word of God and I have shown this to you in your own life over and over again!

Therefore, little children: PRAY! PRAY! PRAY! Prayer is the salvation of the world. Prayer is your salvation, the salvation of your families. Prayer is the salvation of humanity. Believe firmly, as the Lord has said in His Word:

'Believe firmly and then you and your family will be saved.'

Believe firmly and you and your family will be saved.

Pray, therefore, with love, with faith and My Immaculate Heart will perform in you great works of love!

Share My Messages! Take My Messages! They are the ones who will bring the grace of salvation and conversion to so many hearts. I count on you My children... Do not worry about anything, because the Heavenly Mother is with you, she watches over you, guards you and protects you more and more.

JACAREÍ, NOVEMBER 14, 2010

MESSAGES FROM OUR LADY AND SANTO ISIDORO

MESSAGE FROM OUR LADY

"-My children, today, I once again bless you and give you peace.

Although My Heart is painful because of many My children, I come again to give peace to your hearts and to call you once again to CONVERSION and PENANCE.

Convert and return to the Lord, your salvation and your peace, seeking to leave everything that is contrary to God's Law and His will, to embrace His Commandments, to embrace the Lord's adorable will and to do all that that He asks of you in His Word, both the writing in Sacred Scripture and the one that comes to you today from Heaven through Me, the Saints and through the Angels and the Holy Spirit Himself. So that, My dear children, your life may be perfectly in accordance with the will of the Lord, His Commandments and His Law of love.

Convert and leave each one, each one, his works of death, his works of darkness and sin that obscure in your soul the mystical light of God's grace, the supernatural light of sanctifying grace and cut off in your soul the most powerful influence of the love and anointing of the Holy Spirit. So that, renouncing these sins that cut and destroy your supernatural union with God, your souls may grow each day more in supernatural love for the Lord, in the mystical union of your soul with Him, and in this way your life may be more and more more what God desires: a living reflection of the holiness of the Holy Trinity itself.

Convert and return to the Lord, along the path of prayer, increasingly done with Me and through Me. Through a life of intense prayer you will then be able to grow in the knowledge of God, in the knowledge of His Love and His grace, in the understanding of His Word and His Commandments, so that your steps may be more correct, firmer and decided on the path of holiness. With an intense prayer life your life will be a continuous growth in love and holiness and a continuous living and ever more a true life in God, with God and for God.

Convert and return to the Lord, along the path of penance, which many of you still do not understand. This penance that I ask of you is the deep pain of all your sins, the deep pain for having hurt God, renewed the crucifixion of My Son with your sins, renewed My pain with your faults.

This penance, which is also to make use of all the acts that lead you to atone for your sins: abstinence, the prayer itself made in the sense of penance, the corporal expiatory acts, the mortifications among them the one that I most ask you to fast BREAD AND WATER ON WEDNESDAYS AND FRIDAYS. So that you may be able to atone not only for your sins, but for the sins of the whole world, and thus collaborate in the salvation of so many souls!

A true penance that I also ask of you is the one I asked My Little Shepherds in Fatima and so many other visionaries and servants of Mine: that you accept the sufferings that God allows you each day to offer them in an act of expiation for the sins with which God is offended. and of supplication for the conversion of sinners.

In this way, bearing your Cross with patience and even love each day of your life, you collaborate generously and powerfully with Me for the salvation of so many souls and of so many nations that are in danger of being destroyed by Satan and the errors he has introduced into the world and who have been welcomed with joy by the majority of men, who have turned away from God and who are atheists who do not believe in God. Thus My children, you help Me in the great work of saving the world and the Triumph of My Immaculate Heart.

Convert and return to the Lord, helping Me to lead everyone back to the Lord along the path of salvation: making the Cenacles that I asked of you from house to house in all families, taking My Meditated Rosaries, My Hours of Peace, the My Messages, My Apparitions, My Seers, making them known to everyone. So that, as soon as possible, the whole world can return to the Lord on the road of CONVERSION, PENANCE, PRAYER and LOVE!

My Son Jesus, as in His first coming into the world, sent Me first as the Dawn of salvation, as the Herald of His arrival, of the arrival of the great King of Heaven, as the Herald of His coming! In the same way, before His second coming He now sends Me in My Apparitions, in My Lacrimations and Manifestations to call you all to conversion and to announce to you that:

The coming of the King of Glory is already near, very near!

Therefore, convert yourselves! I changed my life! Abandon the path of sin that you have taken, that you have trodden. And each one return to the Lord on the path of holiness, purity, prayer and love. So that when the King of Glory comes, he finds in you a living, ardent and present faith and can finally give you that crown of glory that He prepares for His faithful servants who, when they see their Lord delay, do not lose heart, do not cool down (cool) their love and do not return to worldly practices, but remain each with his lamp full of oil, burning, steadfast in vigil until the Lord returns in the middle of the night to give to each according to what he has done , according to the works that you have done.

Convert and return to the Lord, through My Immaculate Heart, which is a safe and certain road for all those who want to reach God.

To all of you at this moment, I generously bless you from FÁTIMA, KERISINEN and JACAREÍ.

Peace Marcos, remain in My peace always."

MESSAGE FROM SANTO ISIDORO

"-My beloved brothers, I, ISIDORO or ISIDRO, am very happy to see you once again and to be able to come and give you once again My blessing and My Message.
I, Isidore, the farmer, tilled the land with My hands, working for earthly Lords of flesh and blood, with all the love, devotion and obedience of My heart, certain that with this I worked at the same time for the Lord of Lords and the Boss of Bosses, the King of Heaven, giving Him glory by doing with perfection and love everything I did, whether I digged the earth, whether I plowed, whether I planted, whether I rested or ate, whether I plowed or cleared everything I did with the maximum of My heart's love and perfection. And with that, I gave much glory to My Lord of Heaven and Earth and also to My earthly Lords whom I served with generosity and humility every day of My life.
God many times made the Angels plow the land, while I, without realizing it, spent time in meditation and deep prayer, even getting to the point of being in ecstasy. With this God wanted to teach you that while you pray, He sends His Angels so that just as they plowed the land, they can also plow and work the land of souls, hearts, of the whole world to receive in them: the grace of God , the love of God, the salvation of God.
Therefore, it is necessary to pray, to pray more and more to the Lord, so that He sends His Angels to prepare the land of hearts, to receive in them the seed of the Word of God, the seed of conversion and salvation. And you yourselves, with your prayers, sacrifices, witness of life, with your obedience and your holiness, must plow the earth to prepare it to receive the Lord who comes and returns to you in glory.
Plow the earth! Prepare the earth so that the Lord, who in so many ways today sends you His messages of salvation from Heaven, through His Mother, His Saints or personally Himself, will give you these Messages. So that all hearts may receive His seed of grace, the seed of the Word, of Heaven's Messages may fall into hearts, germinate, bear fruit and fruit of holiness in abundance. So that in this way the whole world, fallen into great aridity, into great spiritual misery, into great spiritual dryness, may at last taste the fruits of true love, the fruits of God's grace through you and in you!
Pray, prepare the earth with your prayers, sacrifices and penances, thus helping to prepare so many souls who are true stony terrains, full of vices, with love for fleeting things, dominated by love for creatures, the disordered love of themselves, of money, of material goods, honors, glories, public esteem... thus making these souls become soft, soft soil, good for all sowing, for all planting. So that every good seed of love, grace, virtue and holiness may fall into them and bear fruit in abundance for the greater glory of God our Lord.

Plow, cultivate and prepare the land with your love, with your generous love, accepting all the sacrifices that God and the Mother of God ask of you for the salvation of souls as I myself accepted. Making your life a continuous donation to God and the Mother of God, serving them as they want and expect from you, thus becoming: messengers, sowers of His Word, His grace, His love and His Holy Law. among men, going from house to house and carrying Their Messages, carrying the prayers that They have given you, bringing the knowledge of Their love, of Their laws, of Their Messages to everyone. So that so many souls, today similar to arid deserts where only serpents and vipers live, that is: sins, vices, darkness, evil and demons. So that these deserts may be transformed into other gardens of true grace,

Plow, cultivate the land, prepare it for the coming of the Lord of the Harvest that is already near, making sure that by your hands all the tares are uprooted and thrown away and all the good wheat of virtues, that is, of virtuous souls, of holy souls, obedient to God and to the Mother of God, grow and bear many ears, much fruit for the greater glory of the Lord, the exaltation of His Name and the joy of Heaven and Earth. If you are those good sowers, if you are those good farmers as I myself was, you will see so many souls that today are like deserts, transform themselves into green lands full of good fruits and flowers of holiness, so that in this way when the Lord of the Harvest returns and finds you working for Him, give you your pay, your wages for your good works and also take you with Him, to sit at His table, at His banquet table, there to enjoy with Him the fruits of His land, which you in His name and out of love for Him with so much love and generosity have cultivated. Then your joy will be great at the King's table in the house of the Lord. While for the lazy servants, for the followers, for the servants of the Lord who did not want to work, it will be a time of anguish, sadness, desolation, weeping and gnashing of teeth, because they had all the time to work for the Lord, but selfishly they didn't want to do it. They preferred to spend all their time and strength sowing only for themselves, only looking for the satisfaction of their interests, their carnal desires, their spurious (filthy), petty, human and selfish interests. For those it will be great,

Be you the good sowers, the good followers, the good servants of the Lord and the Lady of the Harvest, making good use of your time to produce fruits, that is, to win souls for Them, for whoever wins the soul of his brother for the Lord , indeed will predestinate his own soul to salvation.

I, ISIDORO, the farmer, promise to help you to be good sowers, to be good reapers of the harvest.

Come with Me! Give me your Hand and I will help you to be those servants of the Lord who work night and day so that the Lord's vineyard produces 'ten for one', 'one hundred for one', 'a thousand for one'.

I am with you! In your afflictions, call on Me! In your tribulations, invoke Me! In your work, invite Me to work with you! And whatever the difficulty, I will help you to overcome it. And whatever the task to be carried out in the name of the Lord and His Mother, I will join My hand in yours and I will do it together with you and everything will turn out better, everything will turn out well and everything will be much more pleasant in the eyes of God and His Holy Mother.

PRAY THE ROSARY! I continued with him! He was My favorite prayer, with which I reached heaven. He was for Me the greatest school of holiness I ever had. And you, following the Rosary, letting yourself be taught, guided, formed

and sanctified by the Rosary, through the lessons that the Mysteries of the Rosary contain, you too will reach heavenly glory, to those dwellings prepared for you by the Lord from the beginning of time! I will help you with My love, with My charity, with My goodness.
I generously bless you all at this time."

Marcos: "-Yes... Yes... Thank you very much. See you soon my lady! (Pause) See you soon beloved Saint Isidore. Come back soon, will you?"

ANNIVERSARY PARTY OF THE REVELATION OF THE MIRACLE MEDAL TO SANTA CATARINA LABOURÉ - FRANCE (1831)

MESSAGE FROM SANTA CATARINA LABOURÉ

"-My Beloved Brothers, I, Catarina Labouré, once again rejoice to be here and to give you a new Message sent to you from God and the Mother of God.
You, beloved of the Lord and of His Most Holy Mother, the Lord has called and chosen you to be His holy and chosen people, irreproachable in His eyes and to be in the world: a sign of His love, His grace and His mercy. Therefore, I come to call you again to true love for God and for Mary Immaculate.
Live true love for God and for Mary Immaculate, making your lives more and more: donation to the Lord, donation to the Mother of God, through perfect works of love, works that come from the depths of your hearts, works done with fire of true charity, of divine charity that makes your works have a supernatural and eternal value before God and makes your works a perfect and pure reflection of the inscrutable, infinite, eternal and immutable love of God.
Truly love the Lord with this love. Truly love the Most Holy Virgin with this love and your works will be worth more than gold and silver, they will be worth more than all the riches of this world, they will be immensely pleasing to the Lord and to the Holy Virgin and these works of yours will have an incalculable meritorious value, with the which you will achieve great glory in Paradise, not only for yourself, but also for many other souls who will benefit from the treasure of your merits, the merits of your holiness.
Have a true love for God and for Mary Immaculate, making your lives a continuous YES, a continuous offering to the Lord and to the Mother of God, living each day donated, totally consecrated to Their service, fulfilling your state obligations with love, dedication and perfection, for this gives supreme

glory to God, as I myself did, that is, I did all My actions, even the smallest ones, such as sweeping the asylum or cleaning the convent corridors, with total love for God and the Mother. of God and with that I won many merits for Heaven. And you too will gain if you do everything with supreme love for God and the Holy Virgin. And if you offer even the smallest actions of the day as a sacrifice to God for the salvation of souls.

Live in the true love of God and of the Holy Virgin, praying more and more every day, more committed, more concentrated, praying more and more with the heart, that is, renouncing your will to want God's will in prayer, praying with true thirst to know God's will and fulfill it, making your prayer the most important moment of your day and in your life and always putting prayer first, before all things and above all things .
So that in this way your life, being a continuous incense of prayer, burned before the Lord, may please Him and incline Him to you.
Live in true love for God and the Holy Virgin, doing more and more works of sacrifice, works of penance, works of corporal mortification, lowering yourself more and more to the lowest place, hiding more and more from honors, glories and public esteem. of the world, fleeing more and more from everything that flatters and inflates, inflames your vanity, your greed for goods, for glories, for the honorable titles of Earth.
So that, living as I myself have lived, you may grow each day more in holy humility, grow in loving silence, grow in unrestricted and pure love for God and grow ever more in that true life hidden in God, which I myself lived and which you are all called to live.
Live ever more in love for God and Mary Immaculate, obeying the Messages that They have given you Here with all the strength of your heart, as I myself did with the Messages I received from the Mother of God. So that your soul, ever more faithful and obedient to the Mother of God, may grow in true love, grow in perseverance and grace, grow in the total and faithful consecration of yourselves to Their love.
Obey the Mother of God before everything and everyone. Do as I did, fight to see Her desires fulfilled and fulfilled on Earth as they are in Heaven.
You know that I was greatly hindered, I was prevented from carrying out what the Mother of God had sent Me and I died with the pain of not seeing many of her desires manifested to Me fulfilled.
You, you who live in this sacred and blessed time of Her last Appearances on Earth, where She reveals Her love and has given you a flow of graces and messages like never before in the history of humanity.
You fulfill, fulfill what she commands you. Do not let anything or anyone prevent the desires of the Blessed Virgin, that her orders and her plans are carried out to the letter, as she has commanded you here.
Fight together! Pray together! Fight and fight together so that ever more Her desires are fulfilled from the first to the last, one by one, with all perfection, with all love and faithfulness.
You can, you must and you will succeed in doing this united with Me and with the Saints in Heaven, for We will give you the strength and courage necessary to carry out the desires of the Blessed Virgin and then collaborate effectively with Her Triumph on Earth, in hearts, in families and in all humanity.
Use, divulge, spread more and more the MIRACLE MEDAL that I received

from the Mother of God, because this Medal has already saved many and many others still have to be saved, because the mission of this Medal is not yet fully concluded, it still has to take many souls to Heaven, because through this Medal the Blessed Virgin will burn the hearts of many of Her sinners who will convert and fall in love with Her. And he will teach them many secrets of holiness with which these souls will become great in the eyes of God, as was the case with his dear son Alfonso Ratisbone.

And on the day of this Feast of the 180th anniversary of the Revelation of the Miraculous Medal of the Mother of God to Me, I ask you to also use and disclose all Medals that the Mother of God gave in her Apparitions: the MEDAL OF PEACE that She has given you Here, and above all, the MEDAL OF TEARS , which is not yet known by many souls, is not loved and is not used as it should. In this Medal of the Tears of the Mother of God with Jesus Bound on the back, in this Medal the Mother of God has placed great power against infernal forces, great help in great needs and, above all, She teaches souls to dry Her Tears by responding with love to the Your immense maternal love.

She teaches souls penance with the purple robe, which She wears.

Teach souls true and generous love with the starry blue mantle, which She also wears.

Teach souls the value of the virtue of purity and innocence with the candid veil that covers her head in this Medal.

Teach souls the value of love for Her blessed Tears with the Rosary that She holds in this Medal.

And she teaches everyone to imitate the meekness of Our Lord, to imitate the patience of Our Lord in sufferings when contemplating the image of Jesus Bound.

Thus, suffering with the Blessed Virgin the tribulations of this life with patience, imitating her innocence and purity, imitating her generosity and her total love for God, imitating the works of mortification, of penance that she without sin did for the salvation of all , loving His Tears and resorting to the powerful prayer of the THIRD OF HIS TEARS, souls will help to overthrow the infernal empire and make His Immaculate Heart triumph without delay in this world.

May this Medal of Tears be spread, known and loved as soon as possible by all Your children. From the knowledge of this HOLY MEDAL OF TEARS , as well as the MIRACLE MEDAL , of PEACE , of the MYSTIC ROSE depends the Triumph of the Immaculate Heart of Mary in many souls, families and nations.

Go, therefore, Messengers of the Medals of the Mother of God!

Go, therefore, last-minute workers!

Go and take these mighty shields to the world, those mighty lifelines that are the Medals and Scapulars that the Mother of God has given you here.

I will be with you in this arduous task and I will help you. To you Marcos, servant of the Most High and the Mother of the Lord, you who have propagated, worked and fought to spread these gifts of the Immaculate Heart of Mary to the whole world with so much perseverance for so many years until now. To you at this moment I give a special generous and profound blessing. And to all of you who are here too, I generously bless."

MESSAGE FROM SAINT DOROTEIA

“-My beloved brothers! I, DOROTHEIA, servant of the Lord and of Christ, servant of the Most Holy Mary, servant of Heaven, give you peace today!

I gave My life for Christ, I shed My blood out of love for Him to testify to Him of My love, My obedience and faithfulness. And to bear witness to the world that divine love is stronger in the soul that receives it, stronger than the world, stronger than the flesh, stronger than all temptations, stronger than evil.

I have given My life for Christ to leave you an everlasting witness of what the love of the Lord can accomplish in a soul and to invite you to embrace this true love.

Embrace the true love of God, letting it enter your hearts and transform you completely until you become the perfect reflection of His glory, of His radiance, of His beauty and beauty. So that through you the love of God may shine in all souls, in all hearts, in all his children.

Embrace the true love of God, renouncing yourself, renouncing your own will, letting yourself be guided and guided by the love of God, surrendering your whole life to Him, so that He can do with you what He wants and however He wants. . So that your feet may walk more and more in the way of true fidelity and union with God, of perfect love, of perfect servitude, of perfect obedience and of perfect correspondence to his holy will for you.

Embrace the true love of God, putting aside your plans, so that you can carry out the Lord's plans in you, so that your life always more corresponds to the divine plan, to the divine plan of love traced over you to which you were called to fulfill since God gave you existence. So that in you His holy will may always be fulfilled, for the good of the world, for the good of souls, for the good of your soul and for the greatest Triumph of His Grace and Holy Justice.

Embrace the true love of God, giving your YES, total, unconditional, unrestricted, perennial and eternal to what God asks of you Here through these Celestial Messages. So that your life, ever more immersed in divine transcendence and immersed in the ocean of His Holy Will, may always be a Gift of His Divine Love to the world, the living reflection of the glory of the Holy Spirit, a transforming flame of the Spirit of God in the midst of men, transforming their hearts, filling them more and more with His light and His grace. So that the Kingdom of God can be prepared and spread on this Earth, so that Christ can then reign with His Most Holy Mother as absolute Lord of all hearts, families and Nations!

Embrace the true love of God, allowing your soul to be impregnated, soaked, soaked in His holy grace, through a life of intense, deep and intimate prayer, silent recollection in prayer and meditation, through of the continuous reflection of the Messages, of the Word of the Lord, through your life increasingly turned to heavenly things and far from the vain things, the fleeting things of this world. So that, sanctifying your time, taking holy advantage of the time that

God has given you, you may each day more embrace the Love of God, be enveloped by Him to the point that He completely takes over your being and embraces you completely.

Embrace the true love of God, leaving yourselves to yourselves, fleeing from occasions of sin, renouncing all evil, always saying no to what your corrupt nature asks and always saying YES to what the Holy Spirit inspires you to do, that is, the good, to sanctify yourselves, to flee from evil and to seek ever more what is pleasing to the Most High.

Love the Most Holy Mary very much! Love her with a burning love as I loved her and for whom I gave my life!

In the splendor of Her IMMACULATE HEART, you are called to enter the light that radiates from the Immaculate Body and Soul of Mary, to allow yourselves to be filled, guided and enflamed by this love.

All of you who are her most beloved children, do not grieve her any longer with your sins, disobedience and rebellions! Do not resist the love of the Blessed Virgin any longer! But do more and more what She asks of you and then Her Triumph will be assured in you.

Have hope! Never lose hope! For Satan will not have the last word in the history of humanity, the IMMACULATE CONCEPTION OF THE VIRGIN MARY is the solid and fundamental basis of Satan's defeat, for he who imagined that he would have the whole world captive for eternity after original sin in his clutches , could not avoid the IMMACULATE CONCEPTION OF THE VIRGIN MARY, could not prevent it, could not stop this flow of grace, this extraordinary miracle of the divine power that is: THE IMMACULATE CONCEPTION OF THE MOTHER OF THE ALMIGHTY. And in this IMMACULATE CONCEPTION the kingdom of Satan, his empire began to crumble, for in this Dawn of Salvation that is the IMMACULATE VIRGIN, good began its triumph, right, final over the forces of evil. And so, therefore, you have hope,

ANNIVERSARY PARTY OF THE APPARITIONS OF GUADALUPE TO THE SEER JUAN DIEGO IN MEXICO IN THE YEAR 1531

MESSAGES FROM SAINT JOSEPH AND SAINT GENOVEVA

MESSAGE FROM SAINT JOSEPH

“-My beloved children! My MOST LOVING HEART blesses you again today and gives you peace.

Just as I was called by God, together with the Immaculate Virgin, to receive the Son of God on Earth the first time, at his first coming. So too, I have been appointed by God to prepare the world to welcome Him in His second coming, which is already at hand!

Prepare your hearts to receive the Lord who returns to you in glory, together with the Immaculate Virgin. Prepare to receive Him with Me and through Me.

Prepare yourselves with Me to receive the Lord who returns to you in glory, living with Me a life of total intimacy, in prayer, in sacrifice, in penance, in continuous meditation on My Messages, and above all, growing ever more in your trust and total dependence on My grace and on My Fatherly love.

Prepare yourselves with Me to receive the Lord who returns to you in glory, seeking ever more to conform your will to Mine, which is always the Lord's, renouncing yourselves, giving yourselves completely into My paternal arms, so that I more, make you grow in the total gift of yourselves to God and His loving plan, make you grow more and more in love, in goodness, in the gift of yourselves to Me, to the Lord's plans and at the same time to the perfect fulfillment of the Lord's Commandments.

Prepare yourselves with Me to receive the Lord who returns to you in glory, making your life more and more a constant imitation and following of Mine, so that in you the same virtues that were in My soul may grow and be impressed: Humility, Ready and blind obedience, Love, Charity, Fortitude, Prudence, Temperance, Justice. So that your souls, always more identical to Mine, may be suitable to fulfill what the Lord has designed for you, which is His 'Plan of Love', a plan to which you were called from the moment you were born and to which you are called to collaborate for the perfect glorification and triumph of the Most Holy Trinity in your lives, for the triumph of good over evil, of grace over sin, of light over darkness in the lives of so many of your brothers, in so many nations and in the world. whole!

Prepare yourselves with Me to receive the Lord who returns to you in glory, following Me along the path of love, humility, silence, of total consecration to My Most Loving Heart, giving your whole life, your whole being, with all your powers to Me, so that I can truly be: the Master, the Father, the Guide and the safe Refuge of all your souls. Overcome the devil with prayer, with love, trying not to talk with him about your past sins, trying not to talk with him about your

miseries, because in this way he seeks to bring you down and often show that your sin is even greater and more potent than the purifying and regenerating grace of the Lord. I conquered it: despising it, ignoring it,

Listen to the echoes of My Most Loving Heart, which tells you: God is above you. God is everything and sin compared to Him is nothing. And He with the strength of His Right hand that transformed a Virgin into a Mother and that preserved her intact even after childbirth, without losing anything of His integrity, He can transform you into true and great saints, for His greater glory, satisfaction and happiness! Therefore, trust Me more and more, give yourself more docilely to Me and I will comfort you at all times, I will enlighten you, I will enlighten you and I will make you strong to overcome all the insidiousness of Satan.

Continue to do My HOUR every Sunday. This HOUR will transform you into perfect copies of Myself and will make you always have in you the feelings and love of My own MOST LOVELY HEART.

I bless you all at this moment generously, from BELÉM, NAZARÉ and JACAREÍ.

Peace Mark! Peace be with you."

MESSAGE FROM SANTA GENOVEVA

"-My beloved brothers! I, GENOVEVA, servant of God, servant of the Immaculate Virgin, slave of Christ, come today to give you the peace and grace of the Lord, the Message that He sends you and which He has entrusted Me to make you hear and understand.

The Second Christmas of the Lord is near, prepare, make straight all the paths and paths to receive Him, for the King has already set out on his way back and He wants His subjects, may His palaces be prepared to receive Him triumphantly among you!

Make straight and prepare the ways of the Lord, who returns to you in glory to give to each according to his works. Each will be judged for the evil he has done, for the good he has not done, or for the good works he has done, in spite of what the world says, in spite of what the flesh says, in spite of what the enemy of God says. Each one will have the reward according to the work that he has performed and words will not prevail, but the truth of the works, of the fruits that each one has produced. Therefore, sanctify your time, doing good works of holiness for the greater glory of the Lord, for the greater perfection of your souls, so that when he returns he will give you the salary, the deserved

reward and you can enter the marriage of the Lord. Spouse and of the Lamb and with Him rejoice for all eternity.

Straighten and prepare the ways of the Lord, beautifying your souls more each day with the flowers of virtues, perfuming your souls more each day with the incense of deep, ardent and intimate prayer with the Lord, making your souls ever stronger and robust by practicing the Commandments, by meditating on the Word of the Lord, His Law, His Messages and purifying your souls more and more with the acts of: mortification, penance, fasting and abstinence. So that you can truly straighten out the crooked paths of your hearts and souls, so that the King of Glory may come to you, enter your souls, sit on the throne of your hearts and reign in you forever!

Straighten and prepare the ways of the Lord, making ever more of your life donation and total consecration to the 'Plan of Love' to the merciful plan of the Lord that has been revealed to you here in these Apparitions for so many years, so that your lives can be a straight, sure and direct way for the Lord who returns to you to take you with him and to make you enter his kingdom of love, peace, grace and endless happiness prepared for the just and for his apostles faithful from the beginning of time.

I am with you! I acted! I ran! go! Do as I did, go everywhere, to all hearts, to all souls, straightening out the ways of the Lord, preparing hearts to receive the Lord who comes every day: in prayer, in meditation on the Messages, in ordinary grace of each day. And that it will soon come to you who live in these times in an extraordinary way in his universal glory. So that the Earth truly receives the Lord who comes with love, just as the Immaculate Virgin and Joseph were prepared and suitable to receive Him. May you also be so, prepared and suitable to receive Him and may you be ready at all times to receive Him, for you do not know the day or the hour when He will arrive, only that it will be 'fast' ready!

I am with you, I accompany you, I help you, I strengthen you, I love you and I cover you with My sacred Mantle.

This Sanctuary of the Apparitions of Jacareí, which We the Saints and the Angels of Heaven love more than the whole world, is for you a great Cenacle where you are prepared for the Second Pentecost, it is a new Bethlehem where you are prepared for the Second Birth of the Lord who will be in His Glory on the clouds of Heaven with His Angels and Saints. Therefore, open your hearts, do not harden your hearts to grace, for I say to you:

THESE ARE THE LAST APPEARANCES! THE LAST CALL OF THE MOST ALMIGHTY FOR THE WORLD TO BE CONVERTED. AFTER THESE APPARITIONS END NO MORE GOD WILL RETURN TO THIS WORLD TO CALL YOU TO CONVERSION, YES HE WILL COME TO JUDGE THE LIVING AND THE DEAD AND GIVE TO EACH ONE ACCORDING TO HIS WORKS. CONVERT! STRETCH THE WAYS OF THE LORD.

To all, I, GENOVEVA, bless you now and especially to you Marcos, friend of

the Angels and of the Saints, favorite of the Most High and of the Immaculate Conception and on all your Medals and on you I pour My blessing now.”

MESSAGE FROM SANTA LÍDIA

“Beloved brothers! I, LÍDIA, servant of the Lord and of the Mother of God, bless you today now and give you My peace.

You are called to be the Lord's workers, to prepare His Vineyard for His return, and you must therefore strive to fulfill this most worthy mission, so that the Lord may find many fruits of holiness when He finally returns.

Be good workers in the Vineyard of the Lord, persevering every day: in the love of God, in the practice of virtues, in the exercise of all good works, in the observance of the Commandments of the Lord, and above all, living as if today were the last day. of your lives, as if each day were the last day of your lives, and you had no more tomorrow to do good works for God and for the salvation of souls. So that your soul, your heart, always zealous to fulfill what God wants of you, may truly grow more each day: in love, in wisdom and in the fruit of every good work.

Be good workers in the Vineyard of the Lord, living as We the Saints live, considering for nothing the glories, joys and transient loves of this world and

always having as the only good, as the only object of the love of your souls: the Supreme Good, God himself. and His will. So that, living ever more for Him, your lives may be perfect songs of love and praise to the Lord.

May they be true lives immersed in the transcendence of divine love, and may your souls always be more, a living and perfect image of the love of the Lord!

Be good workers in the Vineyard of the Lord, always seeking to extract from your souls your faults, your weaknesses, strengthening you more and more with the good and strong nourishment of continuous, assiduous, fervent, intimate, profound, collected and always more done with the heart. With the good nourishment of the meditation on the lives of the Saints, of Their meditations so rich and precious, so deep and true. So that your souls, filled with divine wisdom, may prefer the wisdom of Heaven more than the wisdom of men. May your souls thus overcome the vain wisdom of your time, of this world, which is always vain wisdom without God and so often contrary to the wisdom of God. So that your souls may grow ever more in the knowledge of God, of His love, of His will,

Be the good workers of the Vineyard of the Lord, taking more and more His Word, the Word of Holy Mary, Our Word to all the souls that still do not know Us. So that, knowing our Love, knowing how much we want to save them, how much we want them to be happy by our side forever in Heaven, souls trapped in love for the Lord, for Holy Mary, for Heaven, surrender to Give yourselves to Us, let yourself be guided by Us, form by Us, lead by Us always more towards the perfect fulfillment and will of the Lord. Thus, your souls, planting the seed of the Word of the Lord in so many hearts, will cause seeds of holiness, goodness, love and divine life to germinate in many hearts. And the Lord will at last see his Vine grow day by day until it becomes the verdant Vine,

Be the good workers of the Vine of the Lord, giving more and more the example of fulfillment of the Messages, an example of obedience to the Messages of the Lord, the example of obedience and love to the Messages of the Mother of God, so that your souls can truly to be very clear mirrors that give the Lord the joy of seeing His luminous reflection spread over souls, the world and nations, banishing all darkness and making His love ever more triumphant over the evil of hell, light over darkness, good over evil.

Be good workers in the Vineyard of the Lord, persevering in every good work, renouncing all kinds of evil, fleeing from the occasions of sin and fighting bravely to overcome your own corrupt 'I', so that you may be true champions of the Lord worthy of the medal of honor and the crown that He will give you when He comes to give to each worker according to how much he has produced, how he has produced and where he has produced.

Be the good workers in the Vineyard of the Lord, being as I myself was, industrious, never idle, in the pursuit of the Lord's will, in the fulfillment of His will and in the accomplishment of His divine good pleasure.

The Lord will come soon, to give to every worker according to his works. Fill

your hands with good and holy fruits, sanctifying your time on Earth, being the good workers of the Lord's Vineyard.

To all of you at this moment, I bless and cover with the most precious and generous blessings of Heaven.

Peace. Peace Marcos, my beloved, my dear friend."

HIS PARTY AUGUST 03
Lydia, the first fruit of Christianity in Europe, born in Thyatira, a city in Asia, was a more "God-fearing" pagan, that is, a proselyte of the Hebrew religion, was a Jew, at Philippi in Macedonia, where the Apostle Paul, in the company of Silas, Timothy and Luke, arrived on the second missionary journey, between the years 50 and 53. The missionaries of Christ, after having set foot on European soil, waited for Saturday to find the Hebrew coreligionists in a place, on the bank of the river, where they assumed that they might come together (in the absence of a synagogue) for common prayer and the reading of some page of Scripture. "On Saturday - says St Luke in the Acts of the Apostles - we went out the door, on the banks of the river, where we were supposed to pray. Sitting down, we addressed the women who had gathered. a dealer in purple from the city of Thyatira, a worshiper of God, listened to us. The Lord opened her heart, so that she adhered to Paul's words." It is assumed that Lídia was wealthy and had a lot of authority in the family, since the fabric with which she worked was precious, and her testimony was sufficient for their families asked for baptism, accepting the missionaries at home as welcome guests.The missionaries of Christ thus achieved their first conquest on European soil: a woman, Lídia, prototype and symbol of all the women they would bring between the walls of her home, the flame of faith in Christ. The rich merchant, docile to grace, had put the interests of the spirit before economic ones, abandoning commerce to gather with other women in the proseuca (place of prayer), next to the banks of the river. Gangas, Lydia, brought to his soul by the words of the Apostle and by baptismal grace, he asked with sweet insistence, or rather forced the missionaries to accept his hospitality. In this way, Lídia's house became the first community center, the first church in Europe. For the Church of Philippi, perhaps also due to Lydia's merit, St. Paul had words of touching tenderness, calling these Christs "dearest and awkwardness, joy and crown". Although we lack information about Saint Lydia's cult, the signs of her holiness are evident in her prompt response to grace. the first church in Europe. MESSAGE FROM SANTA BERNADETE SOUBIROUS

"-My beloved brothers! I, BERNADETE SOUBIROUS, BERNADETE de LOURDES bless you today and give you peace.

You live in the times of grace, therefore sanctify this time, which the Blessed Virgin obtained for you, with her love and her powerful mediation, to truly be the true 'children of light', the true 'apostles of light', the true 'children of divine grace'.

Be the true children of divine light and grace, sanctifying this time given to you by the mercy of the Lord, producing all sorts of good works, spiritual and temporal. So that your life may always be a faithful, continuous, perennial, true, concrete witness to the power of God over a soul that gives itself to Him, about the mercy of God that extends from generation to generation on those who fear. And so that your life may always be a living reflection: of the glory, beauty and goodness of the Lord for men who do not know Him.

Be the true children of divine light and grace, always doing more of what the Mother of God sends you in Her Messages Here, so that your soul, walking along the path that She has pointed out to you, may truly be what She desires, what what She intends and what She planned it to be from the first day She came Here, a perfect reflection of the beauty, love and perfection of the Holy Trinity, a vibrant hymn of God's love for all His children, who never ceased to be sung by Him through the centuries through the millennia. And may your soul always be one more living sign of His presence and His grace in the midst of so much darkness that covers the world today. So that, in this way, the mystical and divine light of the Lord may ever more shine, ever more shine and shine on all men.

Be the true children of divine light and grace, cultivating true love in your hearts, doing everything with the sole and exclusive purpose: to serve and give glory to God, to exalt His Name, to see Him better known and loved. , to see the Most Holy Virgin known and loved and more and more to see Their 'Kingdom of Love' being spread and established on Earth, in hearts, in men and among nations.

Be the true children of light and divine grace, fleeing from occasions of sin, renouncing yourself to what corrupt nature, human nature wants you and

where it drags you, saying more and more 'no' to everything you want , to do what the Lord wants, as I myself have done throughout My life. So that your life may be like mine, a very clear mirror where Mary IMMACULATE is seen with her beauty, with her candor, her glory, her tenderness and her love. And so, more and more, souls may know her, love her and serve her through you, through your perfect witness.

Be the true children of light and divine grace, always saying 'yes' to everything that God and she ask of you in the Messages, always saying 'yes' to the will of the Lord that is now shown to you with all clarity from the heights of Heaven , in these Apparitions. So that, in you, for you, with you, the SACRED HEARTS of JESUS, MARY and JOSEPH may triumph and GOD with His Kingdom of Peace and Love may finally be established in your midst.

Here, here in this Sacred Place, which is the 'New Lourdes' of the Mother of God, I am always present as I never left the Grotto of Massabiele, for there My heart remained forever. Here too, as in Lourdes, I am always, praying for all of you, interceding for all of you, protecting each one of you and loving each one of you, with the love with which I am filled, filled and with which I burn among the Seraphim. in eternal glory.

I am with you always and I will never leave you! I was placed in one of the places that the evil Angels who fell left empty. Yea! Immediately after My death, the IMMACULATE CONCEPTION took Me to fill, to dwell in one of the abodes that the evil Angels who had fallen left empty. So too, I want to lead you all to dwell in these eternal abodes, to live by My side eternally in Heaven to glorify the Lord, His Name and His Most Holy Mother. If you are docile to Me, if you allow yourselves to be led and guided by Me, I will lead you to the high holiness that is required so that you can one day inhabit those heavenly abodes.

come! Do not be afraid. I am with you and I will help you. I cover you with My Mantle and I always have My gaze on you.

Give me your 'yes' and I will immediately take you with Me and take you along the path I went directly to Heaven!

To all of you at this moment, I bless, love and keep you. Peace Mark! I bless you too."

SPECIAL CENTURY OF THE HOLY FAMILY

MESSAGE FROM OUR LADY

"-My beloved children! Today I bring again with Me in My arms My DIVINE SON JESUS the KING OF PEACE, so that He blesses you with His Peace, fill them with It in such a way until it overflows, until it makes your hearts and your souls overflow with His Divine Peace!

Only the way in GOD is Peace. Only life in GOD is Peace. Only the soul that is in GOD is in peace.

When the soul walks along the path of perfect fulfillment of God's will, it can be said to be at Peace, it can be said to live in Peace, although it goes through many tribulations and setbacks. Nothing stops her, nothing tires her, nothing knocks her down, nothing impedes her progress, because her inner strength is invincible, it is the strength that comes from the certainty of fulfilling God's will and living the true life in God.

The strength of the soul that is God, the strength of the soul that lives the path to which God has called it is invincible! Even if the seas revolt, even if the waves crash against the ship of your faith, your soul and your heart, they will not be able to make your boat sink, because who guides you is the same one who was with the Apostles on the sea of Galilee and in the face of storms and winds did not allow the Apostles' boat to sink, although it seemed to sleep. And in due time he arose, ordered the winds and the sea to calm down, to be silent and peace was made.

So, too, will be the life of all those who faithfully fulfill the will of the Lord, although they sail through the rough and stormy seas of this life, in the opportune time God will give them eternal Peace. That Peace that St. Paul spoke of, which exceeds all understanding, all understanding, which the world does not have, which the world cannot possess, cannot buy and cannot lose. Because this Peace is only found in God and in the true life God.

That's why I came here as QUEEN AND MESSENGER OF PEACE, to offer you this Peace, to give you this Peace, to teach you that this Peace, true Peace can only be found in God: living a true life in Him and in perfect fulfillment of His will, even if it is not your will. Only in God can peace be found and only God can be found, when man denies himself, embraces the cross of Jesus and walks along all the days of his life, wherever he goes and wherever he goes. He leads the soul.

Only in God is this Peace and God is only found when man denies himself. So, then, God, God reveals himself to the soul and He gives all His love and it is so full of Peace for the truth that it knows, for the good it enjoys and for the joy that proves that it has true Peace, capable of changing the the whole world and even all the seas and oceans of the Earth, are nothing compared to the grandeur, to the extent and to the depth of this true Peace!
I come to teach you that the true and only Peace, you will only find in your life, when your life is a true life in God and when your way is the way of God.

To all of you at this moment, with the KING OF PEACE and with My Spouse JOSÉ, I bless you generously and ask you to continue to pray all the prayers I have given you here and do not be discouraged!

MY IMMACULATE HEART WILL TRIUMPH,

in spite of people, in spite of the world, in spite of its conventions and its pacts,

MY IMMACULATE HEART WILL TRIUMPH,

and the world will know an era of Peace, because the world will know GOD and then it will find true Peace.

I bless you all from NAZARÉ, BELÉM, and JACAREÍ. Go in the Peace of the LORD."

MARCOS: "-I thank you for promising to stay with us during the coming year, because we know it will be very, very difficult. But with the Lady I am sure that we will overcome everything and that we will arrive, one day, victorious at your Triumph and we will finally be able to live and pray in peace."

FESTIVAL OF THE HOLY NAME OF JESUS - MESSAGE FROM SAINT CAIO

Mark: "-May they be praised forever! (Pause) Who is the most beautiful Lord Prince of Heaven?

MESSAGE FROM SAINT CAIO

"-My beloved brothers! I, CAIO, servant of the Lord, servant of the Most Holy Mary, servant of Saint Joseph, servant of truth and grace, bless you today and give you peace!

Follow in the footsteps of Christ, along the path of love, along the path of holiness, truth, goodness and grace, making your life more and more a perfect copy of the life of Christ. So that you, in this way, may be a sign of Him and, as it were, a continuation of Him on Earth, radiating to all the light of His divine Love, the light of grace that overcomes sin, the light of life that overcomes death and infernal darkness. .

Follow in the footsteps of Christ, making your life more and more a continual self-denial, so that you do not follow the disordered appetites of your passions, your human and natural inclinations and the search for the immediate satisfaction of sensual pleasures. But so that you, truly mortified, dead to yourself, to the world and to the transient things of this Earth, may live ever more in search of divine grace, holiness, the love of God, the fulfillment of His Holy Will. And ever more in search of knowing Him, loving Him so that you can unite with Him by the eternal and indissoluble bonds of true love.

Follow in the footsteps of Christ, carrying your cross every day of your life, making ever more of your duty an offering to God, offering to Him all the

sufferings you endured with patience, in an act of expiation for the sins that He is offended by. and also to supplicate the conversion of sinners and the wicked. So that, following in the footsteps of Jesus Crucified, you too, like Him, the Lamb of God who takes away the sin of the world, may help to take away the sin of the world, to cleanse the Earth of so many evils and to make the light shine for this world. of grace, peace and salvation.

I followed in the footsteps of Christ, imitating the BLESSED VIRGIN and SAINT JOSEPH, who were the ones who followed in the footsteps of Christ with the greatest perfection possible to a pure creature. So that you, following the path they left you with a decisive and firm step, may progress every day more in the exercise of all the virtues, in the growth of true love, always more suitable and identical to the mission that God has called you, to which God has called you and more and more like Christ.

Follow in Our footsteps, Ours, of the Saints, which We leave you as luminous signs so that you can follow and not get lost, nor err on the way. If you follow in Our footsteps, you will surely arrive at the Father's house, where He awaits you with His Divine and Eternal Love to make you happy by His side and in Him forever.

Follow in My footsteps, for I gave My life for CHRIST. I offered Myself to Him, to glorify Him with My existence entirely offered in His praise and in His honor.

Follow My footsteps and I will lead you safely along the path of holiness and I will bring you to that indescribable Glory and that Light incomprehensible to all human intelligence, where I live and reign with CHRIST for all eternity.

I bless you all at this moment with love.”

So that, always more, carrying forward the light of eternal truth, you can dispel the darkness of error, lie and all the snare of satan, freeing souls from the slavery of sin, lies and the illusion of the love of fleeting things. . So that, being truly free, everyone can find true peace, true joy, the salvation that only God can find man and from which he can receive.
Be the valiant fighters of the Lord, going as the Mother of God sent you from house to house, making the Cenacles that She sent you, carrying the Prayers and Message of this Holy Place. So that the light of Her Immaculate Heart may penetrate families, expelling from hearts, souls and homes the darkness of sin, the darkness of the world, the darkness of illusion, of the things of this world that are fleeting, that penetrated and destroyed so many families, through the media, through fashion, through the errors that are increasingly propagated both inside and outside the church. So that the light of the Immaculate Heart of Mary, light of truth and grace, may triumph in all hearts. And families, society and the world may be resurrected in Love and for Love, so that the HEART OF MARY reigns over everything, in everything and in everyone.
Be the valiant fighters of the Lord, making ever more of your life a continuous offering of yourselves to God, so that He can then use you as docile tools, as powerful instruments, to carry out His work of salvation, making everyone souls and all hearts may His saving grace also come. If you are like sweet musical instruments in the hands of the one who handles it, the Lord will be able through you to sing once more His 'hymn of love' for all of His children and everyone listening to this 'hymn of love' will see the love of the Lord, they will know the sweetness of His goodness, they will know the riches of His grace, they will fall in love with Him and the Mother of God and everyone will want to

be Theirs and live for Them too.

Just as in the lives of the Saints the Lord was able to sing this 'hymn of love', because they were docile instruments in the Hands of the Lord, if you too are docile instruments in the Hands of the Lord, He will also be able to sing to the whole world His eternal ' song of love', His eternal 'hymn of love' that invites everyone to know Him, to approach Him, to love Him, to prove how gentle and kind the Lord is, for those who love Him, for those who fear Him, to those who obey Him.

I, MIGUEL, am always here to help you to be these docile instruments, to be these valiant fighters of the Lord. I dwell in this holy Place day and night without ceasing. I am here to lift you up when you fall, to give you strength when you weaken, to hold your hands and prepare you for the fight, to really strengthen your nerves and your feet for combat, to be your powerful shield of defense. against all spiritual and even temporal evils. And to always be a light, a luminous beacon that illuminates the path you must follow.

Do not be afraid! Between you and the enemy, between you and tribulations is My Sword, they can only approach you as far as I let them, as far as the Lord allows, not an inch more. Therefore, trust Me, give yourself completely to Me and I will always guide you.

I bless you all at this moment generously from Mont Sant Michel, from Monte Gargano and from Jacareí.

Peace Marcos, my favorite friend. Peace. I love you. Let us always remain united, We."

MESSAGE FROM SANTA SINFORESA

"-My beloved brothers! I, SINFORESA, servant of the Lord, of the Most Holy Mary and of Saint Joseph, bless you today and I also give you Peace!

Be living temples of the Lord, opening your hearts to His love, letting the love of the Lord enter your heart, living always more to please Him, to do His will, to renounce your will more and more, so that your life is a perfect fulfillment of the Lord's Plan and not your plan. And so your life becomes a sign of God's love in the world.

Be the living temples of the Lord, incensing the altar of your soul more and more with the perfume of prayer, of good works, of the exercise of virtues:

of magnificence, of long-suffering, of prudence, of fortitude, of generosity, of detachment from yourself and your will, of renunciation of your own 'I' and of your will, of love, of patience, of constancy, of perseverance and of all other virtues. So that you, growing each day more and more in the exercise of these virtues, may add refined gold, that is, gold purified in tempering, in fire, in the furnace of trials, of the virtues heroically practiced in difficulties, in the tests that God allows each of his life. So that your virtues, always more solid, always more firm and true, always more brilliant and luminous, may shine in the eyes of all souls, of all men, of all peoples. And so,

Be the living temples of the Lord, living in the presence of the Lord, that is, doing everything for Him, for Him, with Him, never losing sight of the presence of the Lord, that He sees everything, knows everything, knows everything. May He know the thoughts of your hearts even before you turn them into words. And so, living in the presence of the Lord, doing everything with Him and for Him, you can truly have a 'true life in God' and keep the presence of God in your hearts.

In order to preserve this presence, it is also necessary to flee as far as possible from everything that hinders this presence of God continuing in you and hindering your union with this presence of God. Therefore, it is necessary to flee from all occasions of sin, from all occasions of losing this presence of God in the soul, either through sin or through excessive, exaggerated, disorderly involvement with the world and its creatures. Thus, living ever more for the Lord, ever more at His disposal, the presence of God will remain in your soul, always burning, always sweet, always sweet, always tender, always alive. And your heart will be able to experience how gentle and kind the Lord is to those who fear Him, who love Him, who respect Him, who seek to do His will.

Be the living temples of the Lord, keeping in the ark of your temple, of your heart, the Commandments of the Lord, observing and practicing them, practicing everything that Heaven teaches you Here in these Holy Messages, in these Apparitions. So that you, truly every day, may be a more beautiful, more luminous, more fragrant and richer temple for the Lord, rich in love, virtues, prayer, and above all, an unlimited generosity to fulfill all that Lord asks you.

If you are those living temples of the Lord, you will truly honor the Lord, glorify the Lord, love the Lord, serve the Lord and worship Him in 'spirit, truth and life' as He desires to be adored by you all.

I, SINFORESA, gave My life for the Lord together with My children, I encouraged them not to hesitate to give their life for God as I do, because He, the Lord, is worthy for all of us to give a thousand lives if we had it for He and much more. Because only the Lord is beautiful, only the Lord is great, only the Lord is worthy of all honor, glory and praise! And only one Mother is worthy of all honor, glory and praise: MARY IMMACULATE, whom I loved with all the strength of My heart to the point of giving My life in honor, in praise of Her.

You, too, who are the workers of the last hour, you are called to be like Me, the worker of the 'first hour', you those of the 'last hour' are called to love God with all the strength of your heart, with every fiber of your heart, with all the powers of your being, loving him and giving him every day a little crown of sacrifices, leaving your will and doing the Lord's, leaving what is most pleasing to you, to do what is most pleasing to Him, renouncing your small attachments, being temperate in your affairs, in your enjoyments, in the search for the satisfaction of sensible pleasures. So that, growing each day more in interior and exterior mortification, growing more each day in small renunciations,

You My brothers are called to tread the small path: of love, of detachment, of self-denial, of personal holiness in everyday life. Go, valiant fighters of the Lord! I fought the good fight! Fighting against your faults, vices, your attachments and helping everyone to also free themselves so that they too can know this happy freedom of the children of God, who have everything that the Lord has given them to live, but they are slaves to nothing, to nothing. they are slaves, to nothing they are enslaved. They live in this world, but they do not belong to it, they do not belong to it, they belong only to the Lord. And so, from your heart, a river of peace will flow and flow through the world, giving everyone the happiness and joy of being free and true children of the Lord of the Mother of God.

Continue with all the prayers that have been given to you Here, through these prayers the desire for holiness will grow day by day in your hearts and you will reach that perfect, sublime and consummate holiness to which the Mother of God has called you 20 years ago and invited you to arrive Here with Her, through Her and through Her.

To all of you at this moment, I, SINFOROSA, bless you and I also bless you, dear and beloved Marcos.”

JACAREÍ, JANUARY 16, 2011

MESSAGE FROM SANTO ALANO DE LA ROCHE

“-My beloved brothers! I, ALANO DE LA ROCHE, am very happy to be able to be with you again and to be able to speak to you, manifesting to you once again the will of the Lord and what is his loving plan for you and for you!

Open your hearts to the love of God, therefore allowing Him to enter you, transform you and make you ever more, to be the beacons of light, to be the fragrant dams of the Lord, who exude to all the perfumes of virtues, of His presence. and of Your love.

Be the living lilies of love for the Lord, making known to the whole world how good the Lord is, how sweet it is to serve Him, how sweet it is to be in His presence, in His house, in His divine service. And how much only in the Lord is true peace, true joy, the true life for which all men were created. So that everyone, without distinction, may know the Love of God, surrender to the Love of God, live in the Love and for the Love of God.

Be the living lilies of the Lord, exhaling to all the perfume of virtues, in the midst of this immense fetid swamp that the world has become, so full of sins, the disordered love of creatures and fleeting things, indifference, cold, selfishness of so many hearts that no longer love God, not even their neighbor and themselves, giving themselves openly: to the life of sin, to the life of pleasure, to the life of looking only at this world as man's ultimate goal. So that your perfume may scare away this horrible stench of sin, and so the perfume of grace, of the grace of the Lord, of His Love once again fills the air, souls, hearts, families, society, world, making in it shine again the Grace of the Lord, His Love and His Law.

Be the fragrant and living lilies of the Lord, giving everyone to taste the sweet odor of your life, full of prayer, meditation, search, thirst for the divine Word, of your profound, total and complete abandonment, surrender without reservation in the Hands of the Lord. So that everyone, seeing the admirable way in which you live immersed in the transcendence of divine Love, may also want: to

know this love, to find this love, to taste this love, to possess this love. And so, 'divine love' takes the place of earthly and purely carnal love in the hearts of men. And so, the world can find the way back to its Creator and Lord who waits for everyone with His Arms and an open Heart to save, protect, love and make everyone partakers of His eternal glory and happiness in Heaven!

Thus, being the living and fragrant dams of the Lord, you, in the midst of this immense desert that is the world, will be an oasis, you will be an ever-living and green garden, which you will be able to offer to everyone along with the perfume of your holiness, of divine love. and from the grace of the Lord working in you, also the water of love, of peace, of the full happiness that the human heart wrongly seeks in the things of this world. And that only God can give, only God can finally give to His children to satisfy their immense hunger and thirst for Love and Peace.

In this way, you will fulfill the mission for which you were born and for which you were created: to bring many souls to the knowledge of the love of God and His Most Holy Mother, thus making the Kingdom of the Lord increase in the world and in time, the of the Lord, the Triumph and the Holy Family of the Lord. And then Peace may finally reign among men and on Earth.

I, ALANO DE ROCHE, apostle of the Rosary, servant of the Rosary of Mary Most Holy, who received from her those precious promises that you already know well and who was an ardent, intrepid propagator of this saving devotion and sure, sure of salvation, to you again I recommend :

LOVE THE ROSARY OF THE BLESSED VIRGIN WITH ALL YOUR STRENGTH AND WITH ALL YOUR HEART. BECAUSE THOSE WHO LOVED THE ROSARY WITH THEIR HEART NEVER ARE LOST.

PRAY THE ROSARY, to find the strength to renounce your will, to die to yourself and, finally, to accept the will of the Lord, which as a rule is always contrary to that of man.

PRAY THE ROSARY, that you may be able to die to the world, to die to the vain glories of this Earth, so that you may love heavenly things, esteem them more than life itself, and seek them with all your soul and all your heart. your heart above all else, first of all, all the days of your life.

I PROMISE TO PRAY THE ROSARY WITH YOU, to reach you these highest graces, which few ask for, therefore few possess. But those who have it, have everything, they lack nothing because they have already conquered the world, they have already conquered the devil and themselves. And now they live

perfectly free, available, docile and immersed in the Love of their Lord and in the Love of their Lord.

I, ALANO DE LA ROCHE, want to lead you to a very great, very high holiness. Give Me your hands and I will lead you! Meditate deeply on the lessons that the Mysteries of the Most Holy Rosary hide, because in the Rosary the Treasure is hidden. And those who discover the Treasure will be rich for all eternity. I promise to help you find the Treasure! I will take your hands and your feet and lead you to the Treasury. And then you will be rich in the Treasure of the MOST SACRED ROSARY, which is a treasure of glory and eternal life, of endless bliss and which on earth is a treasure of love for the Lord, love for the cross, love for humility, love for the saint poverty, love for holy innocence, love for heavenly things, love for virtue and love for the holy law of the Lord.

And so, My friends, I promise you: great will be your joy, both on Earth and in Heaven. And then by my side, you will praise and praise together the Lord of our hearts and of our souls and that Most Holy Queen Immaculate and without sin, for whom we live and in whom we serve the Lord Jesus each day.

To all of you at this moment, I bless you generously with the blessings of the MOST SACRED ROSARY OF THE MOTHER OF GOD and also of the virtues of the Mysteries, Life, Passion, Death and Glorification of the Lord Jesus and the Blessed Virgin Mary in the Mysteries of the Rosary."

MESSAGE FROM THE ANGEL SAINT JULIEL

"-Beloved brothers! I, JULIEL, give you peace again, I embrace you and I give you my blessing!

Follow firmly the path that Mary Immaculate Our Most Holy Queen has pointed out to you here in these Apparitions and never look back at the world that calls you back, nor at the creatures that so often require, demand your love, wanting to take the place of Lord and Her place in your hearts. No! Do not give in to the 'song of the deceiving siren' that wants to take you back into her arms to bite and suck your blood there, kill your soul and throw it back into darkness and spiritual death. No! Follow firmly on the path of Love, on the path of True Devotion to the SACRED HEARTS, of obedience to Them and of perfect fulfillment of all that you were commanded to do Here.

Follow firmly the path that Mary Immaculate invited you to tread and to follow here 20 years ago, because this path, although tight and difficult, is the only one that leads to salvation, that leads to Heaven and that makes you arrive safely to the Lord. Do not deceive yourselves or deceive others by trying to take an easier path, because what you will find then will be your destruction and not your salvation, follow this path of prayer of penance of renunciation of the pleasures and pleasures of this earth. , denying yourselves and your will to adhere to the Holy Will of God which is always true, eternal and luminous.

Follow the path of Mary Immaculate! On the path that She has opened for you here, which begins with embracing the crosses of each day that the Lord allows or sends you to help atone for the sins with which He is offended, to plead for the conversion of sinners and to atone for your own sins. sins so that each day you become more and more pure, more immaculate and pleasing before Him, more docile and obedient, more detached from yourselves, from the illusory things of this world, so that you may grow more and more in love for heavenly things and to God by fulfilling His Holy Will at all times and in all places.

Follow the path that Mary Immaculate opened here for you, because this path is the only right, short, smooth, straight, direct, high, sublime path that will lead you to the eternal glory of Heaven. I am with you every day and I never leave you, I am always here in this place from the beginning to the end of the Cenacles and 24 hours a day and anyone can find Me Here, it is enough that you open your heart, pray Me sincerely and do not hinder My action in your life. If you faithfully make the HOUR OF THE ANGELS, Our Hour every Tuesday, We will lead you on a safe path that will lead you to the most consummate high and perfect holiness that will greatly glorify the Lord and Mary Immaculate and will do wonderful works for you. and extraordinary things that will make all the peoples of the Earth praise and glorify the Lord.

This 'School of Holiness', which are these Apparitions of Jacareí, is for you the school that will lead you to 'perfect love' for the Lord and for the Most Holy Mary, and in it I occupy a privileged and special place, for I am a master of

perfect obedience, of ready and ardent love, of docility and complete submission to God and the Blessed Virgin, let yourselves be formed and taught by Me and I will reproduce My virtues in you and you will be like Me. And then in you the Holy Will of the Lord will be fulfilled without obstacle, without distortion, without error or deception and in your life a vibrant hymn of love will be written by the Lord himself and your soul will finally be able to rejoice in God and be a partaker of His eternal happiness and glory in Heaven.

To everyone at this moment, to all who have devotion to Us the Holy Angels, who pray Our HOUR every Tuesday, faithfully, I cover with My Wings and I bless this solemn moment."

After the message of the Angel Saint Juliel last Sunday, January 23, the seer Marcos Tadeu gave the following messages in preparation for the anniversary of the 20th year of the apparitions:

1st message (summarized):
"...the Angel Saint Juliel, in addition to the message, asked us, in preparation for the birthday, from here (today) until the birthday, each day to do a "SMALL ABSTINENCE", for example: one day to stop eating a candy that you like a lot, another day a candy, another day a juice, another day a soda, meat, fries, etc... each one, find in your spiritual creativity a way to sacrifice each day, to do a little ABSTINENCE each day, and what is that for? It's for you to MORTIFY YOUR WILL, what you like the most, what you want most, it's for you to learn the detachment of your will. And at the same time, for you to offer in ATONEMENTATION OF YOUR SINS, OF THE SINS OF THE WORLD AND FOR THE CONVERSION OF SINNERS, so every day you are spiritually purifying more and more so that when the anniversary of the apparitions comes, you will be much more purified interiorly from your attachments, your sins and your faults. In addition, the Angel Juliel also asked us to meditate on all the messages we have received until today and also to KISS THE HOLY MEDAL OF PEACE EVERY DAY that Our Lady revealed here and RENEW OUR CONSECRATION TO HER BY PRAYING THE PRAYERS THAT WERE TAUGHT HOLDING THE MEDAL EVERY DAY UNTIL THE 7TH OF FEBRUARY. In this way, Satan's power over us will diminish, the freedom he has to influence our lives, our thoughts, our feelings and in everything we do, will also diminish his power in our family, because he will find barriers of the Holy Medal of Peace, of prayers in our home,... and therefore we will feel a greater influx of graces in our soul and in our life, so the Angel asked us all this

in preparation for the anniversary of the apparitions, and of course, continue with the prayers of each day, the Hour of Peace, of São José, Espírito Santo, dos Anjos, dos Santos, do Sagrado Coração and there are also SETENA and THREENA, because all this prepares us for the feast of the 7th, prepares us for the 13th of each month, prepares us for for every Sunday for every time we get here, we are not as cold, as hardened and as darkened by the darkness of sin and apostasy as unfortunately the other people who don't pray the prayers here are, so let's get ready firmly for the feast on the 7th, which is not just any party, it's the 20th, 20th birthday party!! And it's sure to be a great day,

2nd Message (summarized):
“...Our Lady recently asked us to spread her messages once a month, so this Saturday, January 29th, there will be no prayer of the 1000 Hail Marys here in the sanctuary, you should go out and publish the messages in the mailboxes of the houses, it can be leaflets, cds, dvds, etc... If you already published in your city and it seems that it didn't bear fruit, go to other cities! Don't worry, everyone does their part and Our Lady will do Hers, even if only 1 person accepts the messages, it will be 1 more soul that will be saved, so don't be discouraged! spread it!

JACAREÍ, JANUARY 30, 2011- MESSAGE FROM SÃO ROBERTO

MARCOS: “-Yes, I will.”

MESSAGE FROM SÃO ROBERTO

"My beloved brothers! I, ROBERTO, servant of the Lord, bless you again today, I give you Peace in the name of the Blessed Virgin.

I am here with the Blessed Virgin every day, so I say to you again I bless you, because I have you blessed always, since always, with the Saints and Angels of Heaven here in this Place, every time you come here to pray and learn the divine lessons of Holiness that Heaven here gives you

. He has filled you with His immense Mercy, so that you may be the channels of His Grace to this world so in need of it and so fallen into the quagmire of sin.

Be channels of divine grace, living ever more in God, in perfect communion with Him: of prayer, of union, of conforming your will to His, of self-denial, detaching yourselves from your will and from what you want. , so that your life can truly be an open life, docile and obedient to a divine plan and in it God can truly carry out His 'Plan of Love'. So that, through your life, the water of divine saving and sanctifying grace reaches all souls, and thus, the Lord's Plan of Salvation can be perfectly executed.

Be channels of divine grace, always looking for what is most pleasing to the Lord, not what is easiest and most comfortable for you, but what is best for the Lord, even if this requires sacrifice, a little suffering and renounce. Be like We the Saints were: grains of wheat well ground, well crushed, so that from you God can extract a good flour with which he can make the delicious and good bread of salvation, conversion, the rescue of so many souls and lives that are still under the yoke of sin. So that, for them too, the happy day of freedom, of the encounter with God, of their union with God, so that they too may be led to Heaven, to salvation in union with you, so that all can be partakers of the eternal happiness and glory that the Lord has prepared and is preparing for everyone in Heaven.

Be the channels of divine grace, making ever more of your life a continuous offering, that is, saying YES to everything that God asks of you here in these Apparitions, denying yourself more and more and never seeking to affirm yourself before the world. as being something. So that, even more dead and crucified for yourselves and for the world, you may be resurrected and live a

'true life in God' hidden in God and according to His Most Holy Will.

In this way, you will teach other souls, not by word, but by example, by works, the perfect way to die to yourself and to the world and to live totally for God and to love Him perfectly as He wants to be loved by you. you.

Be the channels of divine grace, being generous in answering YES to the Lord, in also fighting for the salvation of souls and above all, in seeking holiness for yourselves and for all our brothers who so need the help of sanctifying grace, of divine grace. . So that in their lives too, all the darkness of Satan and sin may finally be banished and overcome and the light of salvation, grace and divine love may also shine in them.

I am closer to you every day! I pray with you! I work with you! Your sufferings are also Mine and I will always be with you, whenever you call on Me, whenever you pray to Me.

Give glory to God because he allowed the Mother of God, because he allowed us the Saints and the Angels, because he himself remained here in this Sacrosanct Place with you for so many years. This, which is the greatest and the last proof of God's Love for you and for all humanity, these Apparitions that are the Lord's last call to the world to conversion, must be taken advantage of by you, must also be thanked by you with all your heart, with all your soul, with all your being. Because the Lord has lavished more on you, the Lord has benefited more than many other nations and generations put together. Your eyes saw what so many wanted to see and didn't see, heard what so many wanted to hear and didn't hear, witness, taste and feel what so many hearts wanted and couldn't. So to you to whom the Lord has given so much and from whom He will demand much more and expect much more, from you the Lord desires to receive a much greater love, much more refined, refined, much more purified and exempt from self-love and from mixing with earthly loves. Therefore, purify your love in your heart, mortifying yourself more and more, praying more and more with your heart, that is, conforming your will to the will of the Lord and always increasing, s increasing hunger, thirst, the holy desire that you have from the Lord, from His Word, from the Mother of God and from Her Holy and Motherly Word. So that your heart may always be an eternal flame of love that never goes out, that never diminishes, that never cools down or cools down. much more purified and free from self-love and from mixing with earthly loves. Therefore, purify your love in your heart, mortifying yourself more and more, praying more and more with your heart, that is, conforming your will to the will of the Lord and always increasing, s increasing hunger, thirst, the holy desire that you have from the Lord, from His Word, from the Mother of God and from Her Holy and Motherly Word. So that your heart may always be an eternal flame of love that never goes out, that never diminishes, that never cools down or cools down. much more purified and free from self-love and from mixing with earthly loves. Therefore, purify

your love in your heart, mortifying yourself more and more, praying more and more with your heart, that is, conforming your will to the will of the Lord and always increasing, s increasing hunger, thirst, the holy desire that you have from the Lord, from His Word, from the Mother of God and from Her Holy and Motherly Word. So that your heart may always be an eternal flame of love that never goes out, that never diminishes, that never cools down or cools down. of the Mother of God and of Her Mother and Most Holy Word. So that your heart may always be an eternal flame of love that never goes out, that never diminishes, that never cools down or cools down. of the Mother of God and of Her Mother and Most Holy Word. So that your heart may always be an eternal flame of love that never goes out, that never diminishes, that never cools down or cools down.

I bless you all at this moment generously. And also to you, dear Marcos Meu, dear friend of mine."

MARCOS: "-See you soon!"

JACAREÍ, FEBRUARY 06, 2011

FESTIVE CENÁCLE OF THE 20TH ANNIVERSARY EVE

MESSAGES FROM OUR LADY AND SAINT JOÃO BOSCO

MESSAGE FROM OUR LADY

"-My beloved children, today I thank you and I bless you for being here already celebrating the 20th ANNIVERSARY OF MY APPARITIONS IN JACAREÍ.

In these 20 years I have done great wonders among you, I have performed admirable portents and transformed all the lives of those who answered YES into an already perfect Heaven, a small Heaven already on Earth.

In these TWENTY YEARS I have done great wonders in all those who, responding to My call to pray more, began a true life of prayer with Me, began a true path of continuous and unceasing prayer, offering themselves as incense of prayer on the altar of My Immaculate Heart, praying always more with Me and through Me to the Most High. To reach His Mercy for the Earth, to reach His Peace and to reach all My Children, especially those who were furthest from My Heart, more sunk in the mire of sin, more inert in the prison without walls of Satan that is the sin, the grace of deliverance, regeneration, redemption, conversion and return to God.

In these My children who have accepted My invitation to pray more and more with their hearts, to follow more and more with Me and through Me to God, along the path of perfect prayer, in these children I have performed great wonders, to them I have revealed all My Love Maternal, and for them I was always, always, the Mother, the friend and the companion always present on the path towards God!

In these Twenty Years I have performed resounding wonders in the lives of all My children who have responded to My call to Conversion, who have renounced themselves and the world to follow the path of penance, of self-denial and of the total surrender of their hearts and their souls through Me to God.

In these Twenty Years I have performed wonders in all My children who, trusting that I can do everything together with God, trusting in My power as Co-Redemptrix, Queen and Mediatrix of all Graces, trusted Me Here with faith, with love, and left carry in My Arms. For these children I was always the Mediatrix of all Graces, the maternal providence always present in their lives. I was the Love that never slept, never left, never left. I was Love always present, always constant, always alive in my children's lives.

I have accomplished extraordinary things and wonders in these Twenty Years of My Appearances Here, transforming so many lives that were veritable swamps of sin into flowering gardens of virtue, prayer, grace and holiness. Souls that were true arid deserts in oases where the clearest, limpid and refreshing water of perfect love for God, holiness, the sincere desire for conversion and to love God Our Lord flow.

In these Twenty Years of My Apparitions Here, I too have been greatly comforted! I was very much consoled by My children who answered My call

from everywhere and came here to meet Me to give Me their hearts, to give Me their 'yes', to give Me their whole life and to always live one more true life in God with Me and through Me.

In these Twenty Years of My Appearances Here I have been comforted by so many young people who have responded to My call have entered the path of Prayer, Penance, Renunciation of the world and of themselves to follow with Me on the narrow path, through the door of life that is tight, but that it is the only way that is real and glorious that leads to God. In these young people I was comforted and I delight in them!

I was consoled in these Twenty Years of My Apparitions Here, by the families who, in response to My request, converted, began to pray three hours a day as I asked, they always tried to obey and fulfill My Messages and follow the path that for all of me I point out, which is the way: of prayer, of grace, of penance, of self-denial, of living continually in God and for God. And in these families My Immaculate Heart already obtains its greatest triumph.

In these Twenty Years of My Appearances Here I have been comforted by all My children in whom I live, reign, inhabit, rule, direct, nourish and feed every day so that they always grow more: strong, firm and courageous in the service of the Lord and in the testimony of His great goodness, of His great love for men. In these My children My Throne is already made and I can finally reign, govern, live and rest.

Today, when you are already celebrating the Anniversary of My FIRST APPEARANCE to My little son Marcos, I generously bless you all from FÁTIMA, MEDJUGORJE and JACAREÍ.

I bless you too, Marcos, My hardest-working son, My most devoted son, My favorite, pupil of My eyes and fiber of My Heart.

MESSAGE FROM SAINT JOHN BOSCO

“-My beloved brothers, I, JOÃO BOSCO, servant of Mary Help of Christians, servant of Our Lady of Peace and of the Rosary, greet you and give you peace! I especially invite young people to true love for the Lord and to become ever more pure and living sources of love for God, of love for the Mother of God, so that the whole world can drink in you the salutary waters of this love. And so, to be healed, saved and rescued from the great dryness, aridity and spiritual desertification in which it lies.

Be pure and living sources of the true love of God, so that all souls can drink this healthy water in you and so all can fall in love with the love of God and arid and dry deserts without love, without sanctifying grace, without life. all souls can be transformed into green gardens: of grace, virtues, holiness and love.

Be the living and pure sources of God's grace, so that all souls may drink the water of grace in you and wash themselves in this water, so that then every spiritual filth, every stain of sin, every mud of wickedness and all impurity be washed from souls and from the world, from society, from the church and from families. And so, everything returns to being pure, beautiful and fragrant and everything returns to being perfect and pleasing to the Lord as when He created the world. So that then, God may be reflected in you as in a mirror and so the whole universe sees the splendor of His glory reflected in you, as the blue sky is reflected in a lake of pure and crystalline water. In the same way, if your souls are sources of pure and living water, God will be reflected in you and all souls will be able to see Him, to know Him through you. Then, everyone will exclaim about you what they exclaimed about Saint John Mary Vianney of Ars: 'I saw God in a man'. Everyone will exclaim this about you, they will exclaim that they have seen God in you, if your soul is pure and crystalline like a lake of pure water, which reflects the beauty of Heaven to which you look.

If God is reflected in you, souls will know him, love him, seek him and follow him and will never be separated from him, because in you continually the brightness of God, the glorious face of the Lord will never cease to be reflected and you will be able to be those very pure mirrors that reflect more and more the love and glory of the Lord.

Be the living and pure sources of hope, faith and all Christian virtues, so that everyone can look up to you to be good and holy Christians, true children of God and Mary Help of Christians, Mary Immaculate, Mary of Peace , Mary of the Most Sacred Rosary. And so, many souls join the flock (party), to fight for the expansion of His kingdom in the world and in souls, to win more and more hearts for Them. And so the divine will is finally carried out on Earth and the Devil is finally placed at the footstool of the Angel of the Apocalypse: MARY the Immaculate Conception and of God, Our Lord and King!

Be the living and pure sources of the goodness of the Lord, transmitting and bringing to all the peace with which you are filled in this place until it overflows. This peace that the Lady Messenger of Peace has come to give you and bring you here for 20 years, so that a river of Peace may flow among people full of hate, sin, darkness and apostasy. And so the true peace which is life in God, which is life in God's grace, which is life in faithfulness to God's Commandments, finally be real and a truth in everyone's life. And so everyone can live in peace and Earth can already be a sea of peace and as a perfect anticipation of that peace that is enjoyed and enjoyed in Heaven.

I, JOÃO BOSCO, am with you every day! I love you with all My Heart. I already prayed for you when I was alive on Earth in Italy and now in Heaven I pray for

you much more at the Feet of Mary Help of Christians.
I am with you! I am with you! Every day. Fear not! Turn to Me in all your needs and I will help you, above all, ask Me for the necessary graces for the salvation of your souls, for these I am anxious to give you all!

With My merits I obtained great favor from God and from the Virgin Help of Christians, and I can therefore dispense these favours, these graces and these goods to all who I please and to all who confidently beg Me. So ask Me, and I will answer you without delay. Pray the Rosary every day, because without the Rosary there is no salvation. I prayed for it, loved it and propagated it every day of My life. And you too will attain eternal bliss as I have.

Continue praying all the prayers that the Blessed Lady has commanded you to do here. Continue in obedience, in fidelity to her always more in accordance with what she asks of you in her holy apparitions here.
I, at this moment, bless you all with the blessing of Mary Immaculate and Help of Christians and with Me I also bless you Dominic Savio and all the Holy Children who, thanks to My work, My witness and My love, today reign with Me in eternal glory. and sing with Me the eternal praises of God and of the Virgin Help of Christians in Heaven!
I also bless you Marcos, My disciple, My dear student, My friend and My favorite."

CENÁCLE OF THE SOLEMN FESTIVAL OF

THE 20TH ANNIVERSARY OF THE APPARITIONS OF JACAREÍ/SP

MESSAGES FROM OUR LADY, SACRED HEART OF JESUS AND FROM THE LOVING HEART OF SÃO JOSÉ

MESSAGE FROM THE QUEEN AND MESSENGER OF PEACE

"-My dearly beloved children, today My IMMACULATE HEART rejoices for the TWENTY YEARS of My FIRST APPEARANCE here to My beloved and little son Marcos, My hardest-working little son, My most dedicated little son. And for all these Twenty Years in which My Immaculate Heart poured out on you here: Graces, Messages, Blessings, Warnings, Signs so that all of you could find the way of conversion, the way of salvation, sanctification and peace.

My IMMACULATE HEART rejoices with you, because on this day Heaven and Earth united in a single Feast sing with Me the hymns of glory, the hymns of gratitude and praise to the Holy Trinity. That allowed Me to stay here for so long with you to teach you the right path that you should follow, to accompany you on this road that leads to heaven, to always help you to get rid of Satan's snares, traps and tricks to deceive you and to make you leave the right path that leads to Heaven, to make you walk the path of sin, the path of error, of deceit, of evil that leads to eternal damnation and the darkness of Hell.

My HEART rejoices with you because all of Heaven united with Me, working with Me, has been here for all these years in These APPARITIONS, fighting hard for the salvation of all. And We made the light of the Lord enter many hearts and make them our eternal home. So that in these hearts and through them the Lord's plan of salvation might be carried out and completed for the greatest triumph of Our Three Sacred Hearts United and of the Holy Trinity throughout the Earth.

My HEART rejoices with you today, because so many hearts have answered 'yes' to Me, they have given Me their lives and made Me truly reign over them, governing their will, governing their lives, their families, desires and hearts. And so, truly I was able to carry out My 'Maternal Plan' of love and salvation in the lives of My children who meekly answered 'yes'.

My IMMACULATE HEART rejoices with you, because although I have been rejected by many, betrayed by some, banished by so many of My children who after knowing My Messages no longer wanted to answer Me 'yes', My Immaculate Heart found much greater comfort and triumph in the heart of My little son Marcos: the most hardworking, the most obedient, the most dedicated to Me and also in these Mine who also consecrated their lives to Me Here, living with My son Marcos totally to serve Me and in all those who, despite living in a different state of life, love Me and do everything to please Me, obey Me, serve Me, make Me known and loved by all My children.

My Heart rejoices with you today because a great part of My plan could be carried out Here. And the plan for the Triumph of My Immaculate Heart moves at a fast pace, despite My enemy Satan and everything that men, combining their forces with the forces of My enemy, do against Me to disrupt My Plans. And that is why My Plans are unfolding wonderfully across the face of the Earth. And in places, thanks to My Apparitions: JACAREÍ, MEDJUGORJE, FÁTIMA, LOURDES, OLIVETO CITRA, EL ESCORIAL and many others, My Plan is fulfilled and will be concluded triumphantly over everything and everyone.

For this My children, I invite you once more: Remain faithful on the path of holiness to which I have called you Here. Do not be discouraged! Do not fail to do the Holy Hours of Prayer that I have commanded you to do, meditate on the Messages, make the Cenacles from house to house, taking My Messages, My Hours of Prayer and all My Treasures that I have made known to you here in this place. of all My children as quickly as possible.

WALK! SPEAK! WORK! MEDITATE!

Do not neglect your spiritual life: prayer, retreat, meditation, deep prayer with Me in silence and recollection. Dedicate many hours to spend with Me in retreat and meditation. Also dedicate your lives to carrying My Messages to save the souls of your brothers, because otherwise you will be responsible for the loss of many souls if you do not.

I am with you always, fear not! Remain faithful in the School of Prayer and Holiness which I have called you Here and the Triumph of My Immaculate Heart, My own Heart will be your inheritance and your final reward.

To all of you at this moment, with love, I bless you generously: from LOURDES, from MEDJUGORJE and from JACAREÍ.

Peace My children! Peace Marcos, My most hardworking, dedicated and obedient son and servant.”

MESSAGE FROM THE SACRED HEART OF JESUS

"-My beloved children, My Sacred Heart blesses you today on the Anniversary of the Apparitions of Our Sacred Hearts to My most strenuous and dedicated servant and son, My little son Mark.
My SACRED HEART has done wonders in you in these Twenty Years of Apparitions, filling you with the treasures of My divine Mercy, filling you ever more with My transforming and purifying Grace, enriching you ever more with the knowledge of Me, of My Most Holy Mother, of My Father Saint Joseph, of My own Eternal Father giving you divine and heavenly wisdom without measure to make you true children of Mine and to make you live a true life in Me, your God.

My SACRED HEART has done wonders for you in these Twenty Years! He has done wonderful wonders in the souls of all My children who were docile to My Sacred Heart, who answered 'yes' to Me, who allowed themselves to be guided by Our Three Sacred Hearts, formed for Us, who did not resist Our holy will, who did not attached to themselves, to the world and to the illusory and transient loves of this Earth and in all those who truly were like a malleable and docile clay, I could truly imprint on these souls admirable and extraordinary forms of beauty, perfection and grace.
